RESOLUTION BY CIRCULATION

During the year, The Company has not passed any resolutions by circulation.

COMMITTEES OF THE BOARD

The Board Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas or activities as mandated by applicable regulations which need a closer review. The Board Committees are set up under the formal approval of the Board to carry out clearly defined roles which are considered to be performed by Members of the Board, as part of good governance practices002E

The Chairperson of the respective Committee informs the Board about the summary of the discussions held in the Committee Meetings. The minutes of the meeting of all Committees are placed before the Board for review and noting. The Board Committees can request special invitees to join the meeting, as appropriate.

The company's committees have not been in compliance with SEBI regulations and Companies Act, 2013 due to changes in the board's composition during the first quarter of the financial year 2024-25 and upon the establishment of a properly constituted board of directors, the board has now reconstituted all committees in accordance with SEBI regulations and Companies Act, 2013.

The Board has constituted the following Committees: -

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholders Relationship Committee.

AUDIT COMMITTEE

The Committee is governed by the regulatory requirements mandated by the section 177 of the Act read with Rule 6 of the companies (Meeting of board and its power) rules, 2014 and Regulation of the SEBI (LODR) Regulations 2015.

As of July 31, 2024, the Audit Committee consisted of two members: Mr. Madhusudan Prasad Kejariwal, Non-Executive Independent Director (Chairman of the Committee), and Mrs. Amita Poddar, Non-Executive Director. All members of the Committee, including the Chairperson, are financially literate and possess accounting and financial management expertise.

Further, The board had approved the re-constitution of the Audit Committee in its board meeting held on 20.07.2024 with the effective date of 01.08.2024 Ms. Jyoti Soni (DIN: 10710046) and Mr. Sharad Vyas (DIN: 09088517), non- executive Independent Director of the company was elected as the member of the Audit Committee and Mr. Madhusudan Kejariwal (DIN: 06547411) resigned from the post of Non-Executive Director of the Company with effect from 16.08.2024. As a consequence of his resignation the committee was further re-constituted on 16.08.2024.

This reconstitution was undertaken to ensure that the Committee to function effectively and in compliance with all relevant statutory and regulatory requirements.

Following this reconstitution, the composition of the Audit Committee is now fully aligned with the requirements of Section 177 of the Act, which mandates a balanced and proficient team to oversee the company's financial reporting processes, audit functions, and internal controls.

The Composition of the Audit Committee of the company as on March 31, 2025 is as follows:

Name of the Director	Position held in the Committee	Category of Director

8.	13.02.2025	3	3

During the year under review, the recommendations made by the Audit Committee were accepted by the Board.

NOMINATION AND REMUNERATION COMMITTEE

The Committee is governed by the regulatory requirements mandated by the section 178 of the Act Schedule V and all other applicable provisions of the Companies Act, 2013 read with Rule 6 of the Companies (Meetings of Board and its Power) Rules, 2014.

The Nomination and Remuneration Committee ("NRC" or "the Committee") is responsible for evaluating the balance of skills, experience, independence, diversity and knowledge on the Board and for drawing up selection criteria, ongoing succession planning, appointment, remuneration for both internal and external appointments.

As of July 31, 2024, the NRC consisted of two members: Mr. Madhusudan Prasad Kejariwal, Non-Executive Independent Director (Chairman of the Committee), and Mrs. Amita Poddar, Non-Executive Director.

Further, The board had approved the re-constitution of the Nomination and Remuneration Committee in its board meeting held on 20.07.2024 with the effective date of 01.08.2024 , Ms. Jyoti Soni (DIN: 10710046) and Mr. Sharad Vyas (DIN: 09088517), non-executive Independent Director of the company was elected as the member of the Audit Committee and Mr. Madhusudan Kejariwal (DIN: 06547411) resigned from the post of Non-Executive Director of the Company with effect from 16.08.2024. As a consequence of his resignation the committee was further re-constituted on 16.08.2024.

This reconstitution is a critical step in our ongoing efforts towards the revival of the company. This reconstitution was undertaken to ensure that the Committee to function effectively and in compliance with all relevant statutory and regulatory requirements.

Following this reconstitution, the composition of the Committee is now fully aligned with the requirements of Section 178 of the Act, This alignment ensures that the Committee is well-equipped to address key issues related to board appointments and executive compensation, thereby supporting the company's objectives and fostering a culture of accountability and transparency.

The Composition of the Nomination And Remuneration Committee of the company as on March 31, 2025 is as follows:

Name of the Director	Position held in the Committee	Category of Director
Jyoti Soni	Chairman	Non- Executive Independent Director
Amita Poddar	Member	Non- Executive Non Independent Director
Sharad Vyas	Member	Non- Executive Independent Director

During the year under review Five (5) meetings of NRC Committee were held. The gap between two meetings did not exceed one hundred and twenty days.

Following is the detail of the attendance of each of the members of the Nomination and Remuneration Committee at its Meeting held during the year under review:

S.N.	Date of Meeting	Board Strength	No. of Directors Present
1.	01.04.2024	2	2

3.	16.08.2024	3	3
4.	07.12.2024	3	3
5.	13.02.2025	3	3

During the year under review, the recommendations made by the Committee were accepted by the Board.

Performance Evaluation Criteria for Independent Directors:

As per the provisions of the Act and Listing Regulations, the Nomination and Remuneration Committee has laid down the evaluation criteria for performance evaluation of the Independent Directors. Performance evaluation of the Independent Directors was carried out by the Board and NRC, except the Director being evaluated, as per the Nomination and Remuneration Policy of the Company.

The NRC has devised a criteria for performance evaluation of the Independent Directors. The said criteria provide certain parameters like attendance, acquaintance with business, communication inter-se between Board members, effective participation, domain knowledge, compliance with code of conduct, vision and strategy, benchmarks established by global peers, integrity and maintenance of confidentiality, implementing best corporate governance practice etc., exercising independent judgment during board deliberations on strategy, performance, risk management, reporting on Frauds, compliance with the policies of the company etc., which is in compliance with guidance note issued by the Securities and Exchange Board of India and Institute of Company Secretaries of India and other applicable laws, regulations and guidelines.

Criteria for determining qualifications, positive attributes and independence of a director

In terms of the provisions of Section 178(3) of the Companies Act, 2013 and Regulation 19 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Nomination and Remuneration Committee has formulated the criteria for determining qualifications, positive attributes and independence of Directors. The key features of which are as follows:

- **Qualifications** - The Board nomination process encourages diversity of experience, thought, knowledge, age and gender. It also ensures that the Board has an appropriate blend of functional and industry expertise.
- **Positive Attributes** - Apart from the duties of Directors as prescribed in the Companies Act, 2013, the Directors are expected to demonstrate high standards of ethical behavior, communication skills, and independent judgment. The Directors are also expected to abide by the respective Code of Conduct as applicable to them.
- **Independence** - A Director will be considered independent if he/she meets the criteria laid down in Section 149(6) of the Companies Act, 2013, the Rules framed there under and Regulation 16(1)(b) of the SEBI Listing Regulations, as amended from time to time.

STAKEHOLDERS RELATIONSHIP COMMITTEE

The Committee is governed by the regulatory requirements mandated by the section 178 of the Act and all other applicable provisions of the Companies Act, 2013 read with the Rules framed thereunder.

The role of Stakeholders' Relationship Committee ("SRC" or "the Committee") primarily includes overseeing redressal of shareholder and investor grievances, ensuring expeditious share transfer process and evaluating performance and service standards of the Registrar and Share Transfer Agent of the Company.

As of July 31, 2024, the SRC consisted of two members: Mr. Madhusudan Prasad Kejariwal, Non-Executive Independent Director (Chairman of the Committee), and Mrs. Amita Poddar, Non-Executive Director.

Further, the Stakeholder Relationship Committee was re-constituted on 01.08.2024, Ms. Jyoti Soni (DIN: 10710046) and Mr. Sharad Vyas (DIN: 09088517), non-executive Independent Director of the company was elected as the member of the Audit Committee and Mr. Madhusudan Kejariwal (DIN: 06547411) resigned from the post of Non-Executive Director of the Company with effect from 16.08.2024. As a consequence of his resignation the committee was further re-constituted on 16.08.2024.

This reconstitution is a critical step in our ongoing efforts towards the revival of the company. This reconstitution was undertaken to ensure that the Committee to function effectively and in compliance with all relevant statutory and regulatory requirements.

Following this reconstitution, the composition of the Committee is now fully aligned with the requirements of Section 178 of the Act, This compliance ensures that the Committee is well-positioned to address key issues related to stakeholder relations, including grievance redressal, investor relations, and overall stakeholder satisfaction.

SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 ("the Act"), read with the Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed M/s ATCS & Associates, Company Secretaries (Firm Registration No.: P2017RJ063900) as the Secretarial Auditor of the Company to conduct the Secretarial Audit for the financial year 2024-25.

The Board of Directors has recommended the appointment, M/s ATCS & Associates, Peer

Reviewed Firm of Company Secretaries in Practice (FRN: P2017RJ063900 / Peer Review No.: 3381/2023) as the Secretarial Auditor of the Company for a term next of 5 (five) years commencing from the financial year 2025-26 and continuing until the financial year 2029-30 subject to the approval of the members in the ensuing 40th Annual General Meeting.

The proposed Secretarial Auditor has furnished their written consent to act as secretarial auditor and confirmed his eligibility and non-disqualification under the applicable provisions of the Companies Act, 2013 and SEBI Listing Regulations.

The Secretarial Audit Report in form MR-3 issued by ATCS & Associates, for the financial year ended March 31, 2025 has been received and is annexed as **Annexure-II** to this report.

The report contains certain observations relating to statutory and regulatory compliances, which are summarised as under:

1. The trading of the company's shares was suspended on exchange w.e.f. June 12, 2023 as per initial public notice of BSE as published in financial express, Business Standard & Nav Shakti Newspaper dated May 04, 2024;
2. The Hundred percent shareholding of the promoter(s) and promoter group is not held in dematerialized form as required by Regulation 31 (2) of the Securitiy and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
3. During the period under review, the trading of the Company's securities was suspended by BSE due to non-payment of Annual Listing Fees and other non-compliances, and accordingly, the Company's credentials for making submissions on the BSE Listing Portal were also frozen. Pursuant to a meeting held with BSE in June 2024, the Delisting Committee, vide its Order under Regulation 32(2) of the SEBI Delisting Regulations, restored the credentials of the Company subject to the condition that the Company shall complete the pending compliances and formalities for revocation of suspension, including payment of processing fees, Annual Listing Fees, SEBI SOP fines and reinstatement fees within four (4) months from the date of receipt of the Order. The Company has complied with the said requirements and completed the formalities. Post restoration of credentials, the Company has also made all required disclosures and compliances as per the applicable provisions, and the submissions pertaining to the period April to June 2024 were filed upon restoration of credentials, with delay.

Observations of Companies Act, 2013 are defined herein under:-

4. From the beginning of the financial year until July 19, 2024, the composition of the Board was not in compliance with the requirements relating to the minimum number of Independent Directors. Consequently, the Audit Committee and the Nomination and Remuneration Committee were also not constituted in accordance with the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

From July 20, 2024 onwards and continuing till date, the Company is in compliance with

the aforesaid requirements;

5. During the period under review, the Company has not transferred its unpaid and unclaimed dividend to the Investor Education and Protection Fund (IEPF) established by the Government of India, as per the provision of section 124 of Companies Act, 2013;

6. During the period under review, the Company has not transferred its shares in respect of which dividend has not been paid or claimed for seven consecutive years or more, to IEPF account as per the provision of section 124 (6) of Companies Act, 2013;

7. During the period under review, the Company has not filed the necessary e-forms with the Registrar with respect to the following matters:-

- Appointment of Internal Auditor;
- E-form DPT-3 and IEPF-2 are also not filed by the company;

And thus contravenes the provisions of the applicable sections of Companies Act, 2013.

Management Reply:-

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED March 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Mayur Leather Products Limited

50 Ka 1 Jyoti Nagar, Legislative Assembly,
Jaipur-302005, Rajasthan

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mayur Leather Products Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; (**Not applicable to the Company during the Audit Period**);
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the Company during the Audit Period);**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI" Act):-
 - (a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereof;
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Depositories and Participant) Regulations, 2018;
 - (e) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; **(Not applicable to the Company during the Audit Period);**
 - (f) The Securities and Exchange Board of India (Share Based Employee Benefits & Sweat Equity) Regulations, 2021; **(Not applicable to the Company during the Audit Period);**
 - (g) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not applicable to the Company during the Audit Period);**
 - (h) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable to the Company during the Audit Period);**
 - (i) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the Audit Period);**
 - (j) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable to the Company during the Audit Period)** and

as confirmed by the management, there are no sector specific laws that are applicable specifically to the company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with BSE Limited and CSE Ltd and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. The trading of the company's shares was suspended on exchange w.e.f. June 12, 2023 as per initial public notice of BSE as published in financial express, Business Standard & Nav Shakti Newspaper dated May 04, 2024;
2. The Hundred percent shareholding of the promoter(s) and promoter group is not held in dematerialized form as required by Regulation 31 (2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
3. **During the period under review, the trading of the Company's securities was suspended by BSE due to non-payment of Annual Listing Fees and other non-compliances, and accordingly, the Company's credentials for making submissions on the BSE Listing Portal were also frozen. Pursuant to a meeting held with BSE in June 2024, the Delisting Committee, vide its Order under Regulation 32(2) of the SEBI Delisting Regulations, restored the credentials of the Company subject to the condition that the Company shall complete the pending compliances and formalities for revocation of suspension, including payment of processing fees, Annual Listing Fees, SEBI SOP fines and reinstatement fees within four (4) months from the date of receipt of the Order. The Company has complied with the said requirements and completed the formalities. Post restoration of credentials, the Company has also made all required disclosures and compliances as per the applicable provisions, and the submissions pertaining to the period April to June 2024 were filed upon restoration of credentials, with delay.**

Observations of Companies Act, 2013 are defined herein under:-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Leather industry in India holds a significant place in the Indian economy. This sector is known for its consistency in high export earnings and it is among the top ten foreign exchange earners for the Country. The leather industry is bestowed with an affluence of raw materials as India is endowed with 20% of world cattle & buffalo and 11% of world goat & sheep population. Added to this are the strengths of skilled manpower, innovative technology, increasing industry compliance to international environmental standards, and the dedicated support of the allied industries.

The Indian footwear industry is currently under transformation phase and moving from a traditionally labour-intensive industry to a more technological and innovation driven industry. The leather industry is an employment intensive sector, providing job to about 4.42 million peoples, mostly from the weaker sections of the society. Women employment is predominant in leather products sector with about 30% share. India is the second largest producer of footwear in the world. The Council for Leather Exports has been playing an active role in the overall growth and development of the leather and footwear industry. [Source: Council for Leather Exports]

OPPORTUNITIES AND THREATS

OPPORTUNITIES

The Company foresees significant opportunities in the leather footwear segment, driven by increasing consumer preference for high-quality, durable, and premium products. Rising disposable incomes, urbanization, and evolving lifestyle trends are expected to support sustained growth in both domestic and international markets. The rapid expansion of e-commerce platforms and digital retail channels provides additional avenues to enhance market penetration and reach new customer segments. Furthermore, growing consumer awareness and demand for sustainable and responsibly manufactured footwear present prospects for product diversification and brand positioning.

THREATS

Despite the favorable outlook, the Company remains exposed to certain threats inherent to the industry. Volatility in the prices of raw materials, particularly leather, can exert pressure on margins. The industry is also susceptible to rapidly changing fashion trends and heightened competition from synthetic and non-leather alternatives, which may influence consumer preferences. Additionally, stricter environmental regulations governing tanning and processing activities, along with increasing global focus on sustainability and animal welfare, could result in higher compliance costs and operational challenges.

CAUTIONARY STATEMENT

Certain statements contained in the Management Discussion and Analysis report describing the Company's objectives, estimates, projections, expectations, or predictions may constitute 'forward-looking statements' within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed or implied. Factors that could cause such differences include changes in domestic and international economic conditions affecting demand and supply, fluctuations in pricing in both domestic and overseas markets, regulatory changes, alterations in tax policies, and other economic developments in India and in the countries where the Company operates, as well as other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To,
The Members
MAYUR LEATHER PRODUCTS LTD

Report on the Standalone Financial Statements

Adverse Opinion: -

We have audited the accompanying Standalone Financial Statements of Mayur Leather Products Ltd ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the aforesaid Standalone Financial Statements do not give the information required by the Companies Act, 2013 (the "Act") in the manner so required and does not give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Adverse Opinion:-

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in Auditor's Responsibilities for Audit of the Standalone Financial Results for the year ended March 31, 2025, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2025 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our adverse opinion on Standalone Financial Statements.

We draw attention to the matters described in **Annexure A** the effects of which, individually or in aggregate, are material and pervasive to the Standalone Financial Statement and matters where we are unable to obtain sufficient and appropriate audit evidence. The effects of matters described in said **Annexure A** which could be reasonably determined are quantified and given therein. Our opinion is adverse in respect of these matters as per Annexure-A.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters (if any). We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. Company has following Statutory dues unpaid as on 31.03.2025:
 - Provident Fund payable amounting to Rs. 5,82,620/-
 - TDS Payable Rs. 29,90,640/-
 - ESI Payable Rs. 70,425/-
2. Company is not classifying its creditors under classification as prescribed under the MSME Act. So we cannot comment upon the liability if any may arise in future on the company under the said act.
3. Company was declared NPA by CANARA Bank in Feb. 2023.
4. Company's application for revocation of suspension in trading has been approved by BSE before signing of this report.

Report on other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
3. Further to our comments in Annexure C, as required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements except matters stated in Annexure A on the Basis of Adverse Opinion.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books subject to matters stated in Annexure A on the Basis of Adverse Opinion.
 - c. Except matters stated in Annexure A on the Basis of Adverse Opinion the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act, subject to matters stated in Annexure A on the Basis of Adverse Opinion.
 - e. On the basis of the written representations received from the directors of the Company as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g. With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position except the following cases:
 - a) **Suspension & Revocation matter:**
 - The Board of Directors of the Company, with the approval of shareholders obtained at the 37th Annual General Meeting held on February 22, 2023, resolved to initiate the Corporate Insolvency Resolution Process (CIRP) under Section 10 of the Insolvency and Bankruptcy Code, 2016. Subsequently, the

Company's account was classified as a Non-Performing Asset (NPA) by Canara Bank, which issued notices under the provisions of the SARFAESI Act, 2002. These actions culminated in the auction of the Company's properties in accordance with statutory procedures.

- Furthermore, the Bombay Stock Exchange (BSE) suspended the trading of the Company's securities on June 12, 2023, citing non-compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations. A show-cause notice for compulsory delisting was issued on March 18, 2024, followed by a public notice on May 4, 2024, intimating the proposed delisting. The Company subsequently sought a hearing with the BSE Delisting Committee on June 24, 2024, requesting the revocation of the suspension and a reconsideration of the delisting decision, while committing to address all instances of non-compliance. The BSE has granted the Company permission to complete all necessary compliances by December 22, 2024, as a prerequisite to revoking the suspension of trading in the Company's securities.
- In response to these challenges, the Board has engaged strategic planners to formulate a comprehensive revival strategy. This plan focuses on withdrawing the CIRP application, repaying outstanding debts to creditors, and achieving full compliance with regulatory requirements under the Companies Act, 2013, and BSE listing obligations. The proposed measures aim to address past discrepancies, ensure adherence to applicable laws, and position the Company for sustainable financial and operational recovery.
- Company's application for revocation of suspension in trading has been approved by BSE before signing of this report.

b) Declaration of NPA by bank & appeal challenging the Auction process:

- The Company was declared NPA by the Canara bank during the month of Feb. 2023 for non-payment of bank borrowings. After declaration of NPA by the bank, bank decided to sale the collateral security of the company.
 - As per Company, the Bank had auctioned company's properties without considering the IA filed with DRT by the company. Company had filed IA to cancel the auction done at undervalued price by the Bank.
 - The Company has filed an appeal challenging the auction process initiated by Canara Bank and is pursuing appropriate legal remedies.
- ii. There were amounts which were required to be transferred to the Investor Education and Protection Fund by the Company (Refer Annexure-A).
- iii. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies),

including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly, or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

- iv. Based on our examination, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2025 which does not has a feature of recording audit trail (edit log) facility.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention. Company has not preserved audit trail for the financial year ended March 31, 2025.

- v. The Company has not declared or paid any dividend during the year ended 31 March 2025.

Annexure A – Referred in our Report under “Basis of Adverse Opinion Paragraph”

1. Bank statements not on Records for following Bank accounts :

During the course of audit Company has not provided bank statement and confirmation of the current status of the following bank accounts-

S. No.	Particulars	Amount (in Rs.)
1	PNB New Delhi	553
2	SBBJ ICD Jaipur	71,684
3	MLP Gratuity Fund	10,000
4	IDFC First Loan	(7,36,083)
5	Unpaid Dividend account (Various A/c)	4,26,622
6	Canara Bank Loan account	43,00,000

In the absence of bank statements and related documents, we are unable to verify the existence, completeness and accuracy of the above bank accounts and consequential impact if any.

2. Non-transfer of Unpaid Dividend to IEPF (Investor Education and Protection Fund)-

As per the provisions of Section 125 of The Companies Act, 2013, the amount which remained unclaimed and unpaid for a period of seven years or more from the date it became due for payment should be transferred to Investor Education and Protection Fund. During the course of Audit we have observed that unclaimed dividend pertaining to FY 2013-14(Final Dividend), 2014-15 (Final & Interim Dividend) & 2015-16 (Final & Interim Dividend)has not been transferred to Investor Education and Protection Fund and also no provision for consequential financial impacts has been made in books of accounts for non-compliance of the Act.

3. Non-disclosure of calculation related to Deferred Tax Liability-

Deferred tax liability amounting to Rs.14.30 lakhs has been recognized in the books of accounts in previous financial years. However, the requisite details outlining the basis for the recognition of such deferred tax liability, including the specific timing differences and corresponding line items to which the liability pertains, have not been provided for our verification.

In the absence of sufficient and appropriate audit evidence regarding the composition of the deferred tax liability, we are unable to comment on its reliability or appropriateness of the said liability. We are also unable to determine further creation or reversal of deferred tax during the current financial year.

4. Uncertainty on Going Concern:

Company is incurring operating losses from last few years and also during the current FY 2024-25. There is no sale and purchase and manufacturing activity done by company in current as well in last FY except for sale of old fixed Assets.

All Plant, property and Equipment have been relocated to another location being land on which these PPE are situated have been detached by CANARA Bank and furthermore this land have sold through auction by the bank.

The company has also not filed its Income Tax Return for the previous FY 2022-23 and onwards.

These factors indicate the existence of material uncertainties that may cast significant doubt on the Company's ability to continue as a going concern, as required to be evaluated and disclosed under **Ind AS 1 – Presentation of Financial Statements**

5. Impairment of PPE – Ind AS 36

The Company has not performed an impairment assessment for its Property, Plant and Equipment (PPE) as required under Ind AS 36 – Impairment of Assets.

All Plant, property and Equipment have been relocated to another location being land on which these PPE are situated have been detached by CANARA Bank and furthermore this land have sold through auction by the bank. Company has moved to DRT challenging auction process of bank. Although because of case pending at DRT, PPE amounting to Rs. 183.19 Lakhs as on 31.03.2025 is shown under PPE Note no. 6(a) of financial statements and borrowing against hypothecation of these PPE is shown under note no. 19 and 21 of financial statements.

6. Non-Compliance of IND AS -19 – Employee Benefits -

Company has not complied with valuation methodology as laid down in IND AS -19 as company has failed to provide actuarial valuation of the Gratuity and Leave Encashment payable as required under INDAS-19.

In the absence of such valuation, we are unable to comment on the accuracy and completeness of employee benefit liabilities recognized in the financial statements

7. Expected Credit Loss(ECL) IND AS 109 and no records of confirmations related to Assets & Liabilities-

Company has not provided any balance confirmation of the Trade Receivables- Note no. 8 & 12 (Rs. 35.98 Lacs)., Loans and advances- Note No 15 (Rs. 371.90 Lacs), Other Current & Non Assets- Note no. 9 & 16 (Rs. 258.37 Lacs), Trade Payables- Note No.- 23A/B (Rs. 303.43 Lacs), Borrowings- Note No. 22 (Rs. 52.32 Lacs), Other Financial Liabilities Note 24A/B (Rs. 120.47 Lacs), Other Current Liabilities Note no. 25A/B (Rs. 248.52 Lacs).

Therefore, we are unable to comment on the consequential impact of the same if any on the statement because of uncertainty about recoverability of amount from Trade

Receivable, Loan and advances & other Current Assets neither there are any confirmations regarding the liabilities standing to the credit for payment to be made as on 31.03.2025.

Due to the prevailing uncertainties regarding the recoverability and settlement of these balances, and in the absence of a formally documented Expected Credit Loss (ECL) policy to assess the collectability of such balances no ECL has been created on any of these assets, so we are unable to ascertain the potential impact of these factors on the financial statements. It has been noticed that some parties were given loan/advances on interest free basis as mentioned in Note no. 15.

8. Valuation for Investment in Subsidiary company-

The Company holds 13,56,000 equity shares in its subsidiary, Mayur Global Private Limited. However, no fair valuation of this investment has been performed in accordance with the relevant accounting framework, including Ind AS 27 – Separate Financial Statements and Ind AS 113 – Fair Value Measurement. Consequently, we are unable to assess the appropriateness of the carrying value of this investment.

9. Doubtful Recovery of Security deposits-

Company has shown security deposits of Rs. 34.75 Lakhs in Note No. 9 of Financial Statements. These security deposits were made to different parties such as RIICO, JVVNL or BSNL Etc. These Security deposits were made for different utilities available on the land owned by the company and hypothecated to Canara bank for advance purpose.

This hypothecated land has been sold by Canara Bank through auction process after company was declared NPA by the bank. Also, company has not made payment of its dues to these parties, so there arises uncertainty about its recoverability and no provision regarding the same has been made by the company.

Given these circumstances, and the absence of any provision, the recognition of these deposits appears to be inconsistent with the requirements of Ind AS regarding impairment and asset recoverability.

10. Valuation of Inventory & Physical Verification-

Company is not having any records which shows that inventories has been physically verified by the management neither they have provided us the access to verify the same during the course of audit.

In the absence of physical verification and related records, we are unable to comment on the accuracy, completeness, and valuation of inventory balances of Rs. 67.35 Lacs (Note 11) reported in the financial statements as at the reporting date.

11. Non reconciliation for amount appearing under the head Accrued Interest-

Attention is required to be made to Note No. 16 (Rs. 1.32 Lacs) of Financial Statements, where company has booked Accrued Interest on FDR. This FDR was issued for BG Limit but no confirmation & current status has been received from the Canara Bank regarding the same. Also no FDR is shown in books of accounts of the company as on 31.03.2025.

12. Written Off of Liabilities and Assets during the Year-

The company after analyzing its payables liabilities in balance sheet has written off Rs.180.10 Lacs and receivables of Rs. 6.16 Lacs. The management has represented that these balances were long outstanding, not recoverable/payable, and accordingly, no longer required to be carried in the books of accounts. The write-off has been carried out through the Statement of Profit and Loss under appropriate heads but in absence of specific document for communication with parties we are unable to comment on consequential financial impacts of the same.

Annexure-B: The Annexure referred to in paragraph 2 of Our Report on “Other Legal and Regulatory Requirements of even date to the members of Mayur Leathers Products Limited on the standalone financial statements for the year ended 31 March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

Property Plant & Equipment and Intangible Assets:

- (i) (a) (A) The Company has not maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and right of use assets.
(B) The Company has not maintained proper records showing full particulars of Intangible assets, hence we are unable to comment on the same.
- (b) The Property, Plant and Equipment have not been physically verified by the management during the year.
- (c) As on 31st March 2025, all title deeds of immovable properties are held in the name of Canara Bank. Company was declared NPA by the Canara Bank during the month of Feb. 2023 for non-payment of bank borrowings. After declaration of NPA by the bank, bank decided to sale the collateral security of company and same was done at below dates:
- In the Month of November, 2023 the canara bank had Auctioned Land situated at G-1-29 at Manpura RIICO Industrial Area Measuring 1222 Sq Mtr at Rs 35 Lacs.
 - In the Month of February, 2024 the bank had Auctioned Landwith Shed situated at H-1-24 at Manpura RIICO Industrial Area Measuring 1980 Sq Mtr at Rs 119.31 Lacs.
 - As per Company, the Bank had Auctioned these property without considering the IA filed with DRT by Company. Company had filed IA to cancel the auction done at undervalued price by the Bank. Company has filed an appeal against the auction of land by Canara Bank. So amount received against auction from the Bank is treated as Payables.
- (d) The Company has not revalued its Property, Plant and Equipment and Right of Use assets or intangible assets during the year.

“ANNEXURE –C” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENT OF MAYUR LEATHER PRODUCTS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAYUR LEATHER PRODUCTS LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (“ICAI”) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, have an adequate internal financial controls system over financial reporting **subject to matters as stated in our Audit Report** and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

This report is not modified on above matter.

2 SIGNIFICANT ACCOUNTING POLICIES, ASSUMPTIONS AND NOTES

2.1 BASIS OF PREPARATION

- Ministry of corporate affairs has notified roadmap to implement IND AS notified under Companies (Indian Accounting Standard) Rules 2015 as amended by the Companies (Indian Accounting Standard) Rules 2016. And according to the said roadmap the company is required to apply IND AS in preparation of financial statement from the financial year beginning from 1st April 2017.
- These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2016 as amended and other relevant provisions of the Act.

2.2 Use of estimates, assumption and judgement

The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Notes on critical accounting estimates, assumptions and judgements). The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

3 Statement of Compliance

The financial statements comprising of the Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, Statement of Cash Flow together with notes comprising a summary of Significant Accounting Policies and Other Explanatory Information for the Year ended on that date and comparative information in respect of the preceding period and Balance Sheet as on transition date, i.e. 1st April 2016 have been prepared in accordance with IND AS as notified and duly approved by the Board of Directors, along with proper explanation for material departures.

4 ACCOUNTING POLICIES

4.1 Basis of Measurement

The standalone financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- a. Financial assets and liabilities except those carried at amortised cost
- b. Defined benefit plans – Plan assets measured at fair value less present value of defined obligations

An asset is classified as current when it is:

- (a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- (b) Held primarily for the purpose of trading,
- (c) Expected to be realised within twelve months after the reporting period, or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current

A liability is classified as current when it is:

- (a) Expected to be settled in normal operating cycle,
- (b) Due to be settled within twelve months after the reporting period, or
- (c) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

- 4.2 **Inventories**
- a. **Raw Material :**
Raw materials, components, stores and spares are valued at cost or landed value whichever is lower. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components, stores and spares is determined on FIFO basis.
- b. **Finished goods & work in progress:**
Work in progress is valued at cost
Finished goods are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a portion of manufacturing overhead based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.
- 4.3 **Statement of cash flows**
The Statement of cash flows has been prepared under indirect method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.
- 4.4 **Prior Period Errors**
Prior period errors include omissions and misstatements arising from a failure to use reliable information that was available or could have been obtained when financial statements for those periods were approved for issue.

Prior period errors relating to the last comparative period will be shown by restating the comparative figures of Balance sheet and Profit and loss, wherever necessary. Thus, it will be disclosed in the comparative financial statements as if the error had not even occurred.
- 4.5 **Revenue recognition and other income**
- a. **Revenue on sale of products**
The Company recognise revenues on accrual basis and measured it at the fair value of the consideration received or receivable, net of discounts, volume rebates, GST. Revenue is shown inclusive of excise duty since excise duty is liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not.
Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.
Export sale has been recognised at the time of removal of goods from factory at invoice value (whether FOB or CIF) on the basis of exchange rates declared by Custom Department for that particular month.
No significant financing component exists in the sales.
- b. **Revenue from services (Job Charges Received):**
Revenue from services is recognised in the accounting period in which the services are rendered.
- c. **Export Benefits:**
Export benefits in the form of Duty Drawback, Duty Entitlement Pass Book (DEPB) and other schemes are recognized in the Statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.
- 4.6 **Other income**
- a. **Interest**
Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- b. **Dividend**
Dividend income is recognized in the Statement of profit and loss when the right to receive dividend is established.
- c. **Lease Rent**
Lease Rent is recognized as income in the Statement of profit and loss on accrual basis i.e. as and when lease rent is due.

4.7

Property, Plant and Equipment

Property, plant and equipment are tangible items that:

- (a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and
- (b) are expected to be used during more than one period.

Items such as spare parts, stand-by equipment and servicing equipment are recognised in accordance with this Ind AS when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventory.

Initial recognition: The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. The initial cost of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenses and recognition: Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the Statement of Profit and Loss in the period in which the costs are incurred. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Gain/loss on disposal: The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Depreciation: Property, Plant and Equipments except free hold land is depreciated on Straight Line Method in the manner prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions and deletion during the year has been provided on pro-rata basis with reference to the month of addition and deletion.

Capital work in progress

The expenses relating to the construction of building is capitalised at the time when they are incurred. And when the asset would be completed, the same shall be transferred to asset a/c.

4.8

Leases

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless either (a) another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis, or (b) the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. In the event that lease premiums are paid to enter into operating leases, such premiums are recognised as a prepaid expenditure and amortised over the period of lease.

Financial lease transactions entered are considered as financial arrangements and the leased assets are capitalised on an amount equal to the present value of future lease payments and corresponding amount is recognised as a liability. The lease payments made are apportioned between finance charge and reduction of outstanding liability in relation to leased asset.

Leasehold land has been amortised over the remaining period of lease term.

4.9

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Intangible assets under development :

Expenditure incurred on intangible assets under development stage eligible for capitalization carried as intangible assets under development.

4.10

Investments in Subsidiary

The Company has invested in shares of its subsidiary Mayur Global Private Limited of whose 52% shares are in hand of Mayur Leathers Product Limited.

4.11

Borrowing

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Transaction cost is amortized over the period of Borrowing using straight line method

- 4.12 **Employee retirement benefits**
- a. **Short - term Employee Benefits:-**
All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services
The Company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.
- b. **Post-employment Benefits:-**
(a) **Defined Contribution Plan:** Contribution to superannuation fund is recognised as an expense in the Statement of Profit & Loss as it is incurred. There are no other obligations. Eligible employees receive benefits from a provident fund which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.
- 4.13 **Earnings per share**
- Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.
 - Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.
- 4.14 **Impairment of assets**
An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. Any impairment gain loss is transferred to profit and loss.
- 4.15 **Provisions, Contingent Liabilities and Contingent Assets**
Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation (legal or constructive) as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but disclosed in the notes. Contingent assets is neither recognised nor disclosed in the financial statement.
- Provisions and contingencies**
- a) **Provisions**
- Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
 - If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate.
Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.
- b) **Contingencies**
- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liabilities is disclosed in the Notes to the Financial Statements.
 - Contingent assets are not recognised in the books of the accounts and are not disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally forceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank, deposits held at call with banks.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, having maturity less than 3 months.

Other bank balances include FDRs with government department which are not readily available.

Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial Assets

- Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on the judgment of the management for managing those financial assets and the assets' contractual cash flow characteristics.
- Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes, financial assets are assessed individually.

De-recognition of financial Asset

A financial asset is primarily derecognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

Trade receivables:

- A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less expected credit loss if any.
- Impairment is made for the expected credit losses. The estimated impairment losses are presented as a deduction from the value of trade receivables and the impairment losses are recognised in the Statement of Profit and Loss under "Other expenses".
- Subsequent changes in assessment of impairment are recognised in ECL and the change in impairment losses are recognised in the Statement of Profit and Loss under "Other Expenses".
- Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivables and the amount of the loss is recognised in the Statement of Profit and Loss under "Other Expenses".
- Subsequent recoveries of amounts previously written off are credited to "Other Income".

Investments in Mutual Funds

Investments in Mutual Funds have been valued at their fair values through Profit and Loss account, as on the closing date. The fair value has been taken from the market.

Financial liabilities

At initial recognition, all financial liabilities other than those valued at fair value through profit and loss are recognised at fair value less transaction costs that are directly related to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

De-recognition of financial liability

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid is recognised in profit or loss as "Other Income" or "Finance Expense".

4.19 Foreign Currency Transaction

Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of transaction.

Monetary items denominated in foreign currency at the year end and not covered by forward exchange contracts are translated at the year end rates and those covered by forward contracts are restated at each reporting date by using spot rate and exchange rate difference was booked. Corresponding Forward Contract Receivable & Payable is also booked in books of account taken on such forward contracts. The Exchange rate difference on Forward Contract was charged to Statement of Profit & Loss. Premium paid on such Forward Contract is charged to Statement of Profit & Loss on periodic basis.

4.20 Assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. Any resulting impairment loss is recognized in the Statement of Profit and Loss. On classification as held for sale the assets are no longer depreciated.

4.21 Segment reporting

The Company identifies primary segments based on nature of products and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the managing board in deciding how to allocate resources and in assessing performance.

4.22 Government Grants

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

5 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events that existed as at the reporting date, or that which occurred after the date but provide additional evidence about the conditions existing at the reporting date.

a Property, plant and equipment

- Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

b Income taxes

- Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.
- The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

c Contingencies

- Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

d Impairment of accounts receivable and advances

- Trade receivables carry interest and are stated at their fair value as reduced by appropriate allowances for expected credit losses. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised for the expected credit losses.

e Discounting of Security deposit and other long term liabilities

- For majority of the security deposits received, the timing of outflow, as mentioned in the underlying contracts, is not substantially long enough to discount. The treatment would not provide any meaningful information and would have no material impact on the financial statements.

- The Company's principal financial liabilities comprise of trade payables, borrowings and other liabilities. The main purpose of these financial liabilities is to manage finances for the Company's operations and also for purchase of capital assets and for safeguarding its interests under contracts.

- The Company has given loans to other parties, trade and other receivables, investments in equity shares and cash and cash equivalents that arise directly from its operations as a part of its financial assets.

The Company's activities expose it to a variety of financial risks:

a. Market risk

- Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

b. Interest Rate Risk

- Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

c. Credit risk

- Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

- The Company makes major of its sales, either on an advance basis or against credit, and hence the credit risk is minimal. Financial Instruments like trade receivables are subject to slight credit risk against which the Company has booked Expected Credit Losses.

The ageing of trade receivables as on 31st March 2025 is as below:

Particulars	Due upto 36 Months	Due for more than 36 Months	Total
Good	32.27	2.99	35.26

Particulars	Due upto 36 Months	Due for more than 36 Months	Total
Good	0.67	0.59	1.26
Doubtful		-	
Others			
Gross	0.67	0.59	1.26
Expected Credit Losses		-	-

d. Liquidity risk

- Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

- The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash requirements. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs.

Market Risk

Commodity price risk and sensitivity:

Being a manufacturing Company, the commodity risk of the Company is there. In case of some commodities sold by the Company, there is a price risk for which no specific arrangements have been made by the Company.

Expected Credit Losses

100% Expected Credit losses are recognised for all financial assets which have become due for more than 36 months.

Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations. The rest amount is deposited in the PD account, with the government, which can be withdrawn as and when required and on which interest, as fixed by government, is being received. This PD account is a risk free deposit.

37 Fair Value Measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- 1 Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
- 2 Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
- 3 IND AS 101 allows Company to fair value its property, plant and machinery on transition to IND AS, the Company has fair valued property, plant and equipment, and the fair valuation is based on deemed cost approach where the existing carrying amounts are treated as fair values.
- 4 The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. In case of security deposits, Company has used the fixed deposit rate of the year of making advance. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.
- 5 The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For other financial assets and liabilities that are measured at amortised cost, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices / published NVA (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published mutual fund operators at the balance sheet date.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

38 FAIR VALUE HEIRARCHY

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

- a** Quoted prices/published NAV (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.
- b** Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial instruments that are not traded in an active market (for example, interest free security deposits) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.
- c** Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
MAYUR LEATHER PRODUCTS LTD

Report on the Consolidated Financial Statements

Adverse Opinion

We have audited the accompanying Consolidated Financial Statements of **MAYUR LEATHER PRODUCTS LTD** ("the Parent"), and its subsidiary, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of unaudited report on separate financial statements of the subsidiary referred to in the Other Matters section below, because of the significance of the matter discussed in the Basis for Adverse Opinion section of our report, the aforesaid Consolidated Financial Statements do not give the information required by the Companies Act, 2013 (the "Act") in the manner so required and does not give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and their Consolidated profit, their Consolidated total comprehensive income, their Consolidated cash flows and their Consolidated changes in equity for the year ended on that date.

Basis for Adverse Opinion

We draw attention to the matters described in **Annexure A** the effects of which, individually or in aggregate, are material and pervasive to the Financial Statements and matters where we are unable to obtain sufficient and appropriate audit evidence. The effects of matters described in said Annexure A which could be reasonably determined are quantified and given therein. Our opinion is adverse in respect of these matters as per **Annexure-A**.

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in Auditor's Responsibilities for Audit of the Consolidated Financial Results for the year ended March 31, 2025, section of our report. We are independent of the Company & its subsidiary, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results for the year ended March 31, 2025 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our adverse opinion on Consolidated Financial Statements.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The accompanying Consolidated Financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management and Board of Directors of the companies included in the Group are responsible for assessing ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal

financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls with reference to the financial statements that we identify during our audit.

We also provide those with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters, (if any). We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. Company has following Statutory dues unpaid as on 31.03.2025:
 - Provident Fund payable amounting to Rs. 5,82,620/-
 - TDS Payable Rs. 29,90,640/-

This financial statements/ information has not been audited so far and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the unaudited statements certified by the management. In our opinion and according to the information and explanations given to us by the Board of Directors, this financial results / financial information is not material to the Group.

Report on other Legal and Regulatory Requirements

1. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
3. Further to our comments in Annexure C, as required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying Consolidated Financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except matters stated in Annexure A.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Consolidated Financial statements comply with the IND AS specified under Section 133 of the Act, except matters stated in Annexure A to our report.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.

- g) With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position except the following cases:

a) Suspension & Revocation matter:

- The Board of Directors of the Company, with the approval of shareholders obtained at the 37th Annual General Meeting held on February 22, 2023, resolved to initiate the Corporate Insolvency Resolution Process (CIRP) under Section 10 of the Insolvency and Bankruptcy Code, 2016. Subsequently, the Company's account was classified as a Non-Performing Asset (NPA) by Canara Bank, which issued notices under the provisions of the SARFAESI Act, 2002. These actions culminated in the auction of the Company's properties in accordance with statutory procedures.
- Furthermore, the Bombay Stock Exchange (BSE) suspended the trading of the Company's securities on June 12, 2023, citing non-compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations. A show-cause notice for compulsory delisting was issued on March 18, 2024, followed by a public notice on May 4, 2024, intimating the proposed delisting. The Company subsequently sought a hearing with the BSE Delisting Committee on June 24, 2024, requesting the revocation of the suspension and a reconsideration of the delisting decision, while committing to address all instances of non-compliance. The BSE has granted the Company permission to complete all necessary compliances by December 22, 2024, as a prerequisite to revoking the suspension of trading in the Company's securities.
- In response to these challenges, the Board has engaged strategic planners to formulate a comprehensive revival strategy. This plan focuses on withdrawing the CIRP application, repaying outstanding debts to creditors, and achieving full compliance with regulatory requirements under the Companies Act, 2013, and BSE listing obligations. The proposed measures aim to address past discrepancies, ensure adherence to applicable laws, and position the Company for sustainable financial and operational recovery.
- Company's application for revocation of suspension in trading has been approved by BSE before signing of this report.

b) Declaration of NPA by bank & appeal challenging the Auction process:

- The Company was declared NPA by the Canara bank during the month of Feb. 2023 for non-payment of bank borrowings. After declaration of NPA by the bank, bank decided to sale the collateral security of the company.
- As per Company, the Bank had auctioned company's properties without considering the IA filed with DRT by the company. Company had filed IA to cancel the auction done at undervalued price by the Bank.
- The Company has filed an appeal challenging the auction process initiated by Canara Bank and is pursuing appropriate legal remedies.

- ii. There were amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iii. (a.) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

(b.) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly, or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- iv. Based on our examination, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2025 which does not has a feature of recording audit trail (edit log) facility.
As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention. Annexure A – Referred in our Report under “Basis of Adverse Opinion Paragraph”

1. Bank statements not on Records for following Bank accounts :

During the course of audit Company has not provided bank statement and confirmation of the current status of the following bank accounts-

S.No.	Particulars	Amount (in Rs.)
1	PNB, New Delhi	553
2	SBBJ ICD, Jaipur	71,684
3	MLP Gratuity Fund	10,000
4	IDFC First Loan	(7,36,083)
5	Unpaid Dividend account (Various A/c)	4,26,622
6	Canara Bank Loan account	43,00,000

In the absence of bank statements and related documents, we are unable to verify the existence, completeness and accuracy of the above bank accounts and consequential impact if any.

2. Non-transfer of Unpaid Dividend to IEPF (Investor Education and Protection Fund) :

As per the provisions of Section 125 of The Companies Act, 2013, the amount which remained unclaimed and unpaid for a period of seven years or more from the date it became due for payment should be transferred to Investor Education and Protection Fund. During the course of Audit we have observed that unclaimed dividend pertaining to FY 2013-14(Final Dividend), 2014-15 (Final & Interim Dividend)& 2015-16 (Final & Interim Dividend)has not been transferred to Investor Education and Protection Fund and also no provision for consequential financial impacts has been made in books of accounts for non-compliance of the Act.

3. Non-disclosure of calculation related to Deferred Tax Liability :

Deferred tax liability amounting to Rs.14.30 lakhs has been recognized in the books of accounts in previous financial years. However, the requisite details outlining the basis for the recognition of such deferred tax liability, including the specific timing differences and corresponding line items to which the liability pertains, have not been provided for our verification.

In the absence of sufficient and appropriate audit evidence regarding the composition of the deferred tax liability, we are unable to comment on its reliability or appropriateness of the said liability. We are also unable to determine further creation or reversal of deferred tax during the current financial year.

4. Uncertainty on Going Concern:

Company is incurring operating losses from last few years and also during the current FY 2024-25. There is no sale and purchase and manufacturing activity done by company in current as well in last FY except for sale of old fixed Assets.

All Plant, property and Equipment have been relocated to another location being land on which these PPE are situated have been detached by CANARA Bank and furthermore this land have sold through auction by the bank.

The company has also not filed its Income Tax Return for the previous FY 2022-23 and onwards.

These factors indicate the existence of material uncertainties that may cast significant doubt on the Company's ability to continue as a going concern, as required to be evaluated and disclosed under **Ind AS 1 – Presentation of Financial Statements**

5. Impairment of PPE – Ind AS 36

The Company has not performed an impairment assessment for its Property, Plant and Equipment (PPE) as required under Ind AS 36 – Impairment of Assets.

All Plant, property and Equipment have been relocated to another location being land on which these PPE are situated have been detached by CANARA Bank and furthermore this land have sold through auction by the bank. Company has moved to DRT challenging auction process of bank. Although because of case pending at DRT, PPE amounting to Rs. 183.19 Lakhs as on 31.03.2025 is shown under PPE Note no. 6(a) of financial statements and borrowing against hypothecation of these PPE is shown under note no. 19 and 21 of financial statements.

6. Non-Compliance of IND AS -19 – Employee Benefits -

Company has not complied with valuation methodology as laid down in IND AS -19 as company has failed to provide actuarial valuation of the Gratuity and Leave Encashment payable as required under INDAS-19.

In the absence of such valuation, we are unable to comment on the accuracy and completeness of employee benefit liabilities recognized in the financial statements

7. Expected Credit Loss (ECL) IND AS 109 and No records of confirmations related to Assets & Liabilities-

Company has not provided any balance confirmation of the Trade Receivables- Note no. 8 & 12 (Rs. 35.98 Lacs), Loans and advances- Note No 15 (Rs. 371.90 Lacs), Other Current & Non Assets- Note no. 9 & 16 (Rs. 258.37 Lacs), Trade Payables- Note No.- 23A/B (Rs. 303.43 Lacs), Borrowings- Note No. 22 (Rs. 52.32 Lacs), Other Financial Liabilities Note 24A/B (Rs. 120.47 Lacs), Other Current Liabilities Note no. 25A/B (Rs. 248.52 Lacs).

Therefore, we are unable to comment on the consequential impact of the same if any on the statement because of uncertainty about recoverability of amount from Trade Receivable, Loan and advances & other Current Assets neither there are any confirmations regarding the liabilities standing to the credit for payment to be made as on 31.03.2025.

Due to the prevailing uncertainties regarding the recoverability and settlement of these balances, and in the absence of a formally documented Expected Credit Loss (ECL) policy to assess the collectability of such balances no ECL has been created on any of these assets, so we are unable to ascertain the potential impact of these factors on the financial statements. It has been noticed that some parties were given loan/advances on interest free basis as mentioned in Note no. 15.

8. Valuation for Investment in Subsidiary company-

The Company holds 13,56,000 equity shares in its subsidiary, Mayur Global Private Limited. However, no fair valuation of this investment has been performed in accordance with the relevant accounting framework, including Ind AS 27 – Separate Financial Statements and Ind AS 113 – Fair Value Measurement. Consequently, we are unable to assess the appropriateness of the carrying value of this investment.

9. Doubtful Recovery of Security deposits-

Company has shown security deposits of Rs. 34.75 Lakhs in Note No. 9 of Financial Statements. These security deposits were made to different parties such as RIICO, JVVNL or BSNL Etc. These Security deposits were made for different utilities available on the land owned by the company and hypothecated to Canara bank for advance purpose.

This hypothecated land has been sold by Canara Bank through auction process after company was declared NPA by the bank. Also, company has not made payment of its dues to these parties, so there arises uncertainty about its recoverability and no provision regarding the same has been made by the company.

Given these circumstances, and the absence of any provision, the recognition of these deposits appears to be inconsistent with the requirements of Ind AS regarding impairment and asset recoverability.

10. Valuation of Inventory & Physical Verification-

Company is not having any records which shows that inventories has been physically verified by the management neither they have provided us the access to verify the same during the course of audit.

In the absence of physical verification and related records, we are unable to comment on the accuracy, completeness, and valuation of inventory balances of Rs. 67.35 Lacs (Note 11) reported in the financial statements as at the reporting date.

11. Non reconciliation for amount appearing under the head Accrued Interest-

Attention is required to be made to Note No. 16 (Rs. 1.32 Lacs) of Financial Statements, where company has booked Accrued Interest on FDR. This FDR was issued for BG Limit but no confirmation & current status has been received from the Canara Bank regarding the same. Also no FDR is shown in books of accounts of the company as on 31.03.2025.

12. Write Off of Liabilities and Assets during the Year-

The company after analyzing its payables liabilities in balance sheet has written off Rs.180.10 Lacs and receivables of Rs. 6.16 Lacs. The management has represented that these balances were long outstanding, not recoverable/payable, and accordingly, no longer required to be carried in the books of accounts. The write-off has been carried out through the Statement of Profit and Loss under appropriate heads but in absence of specific document for communication with parties we are unable to comment on consequential financial impacts of the same.

13. Non-compliance of Section 185 of Companies Act, 2013 by Subsidiary Company

As per provisions of The Companies Act, 2013, subsidiary company cannot provide loan to its holding company. It has been noted that company has accepted a loan amounting to Rs.33.65 lakhs from its subsidiary company (Mayur Global Private Limited). This transaction appears to be in contravention of the aforesaid provisions of the Act.

“ANNEXURE –C”

TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENT OF MAYUR LEATHER PRODUCTS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAYUR LEATHER PRODUCTS LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (“ICAI”) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and the Guidance Note issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over

financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary company, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting subject to the effect of the matters stated in **Annexure-A** of our Audit Report. Such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Internal Auditor has been appointed by the company as required u/s 138 of the act.

2 SIGNIFICANT ACCOUNTING POLICIES, ASSUMPTIONS AND NOTES

2.1 BASIS OF PREPARATION

- Ministry of corporate affairs has notified roadmap to implement IND AS notified under Companies (Indian Accounting Standard) Rules 2015 as amended by the Companies (Indian Accounting Standard) Rules 2016. And according to the said roadmap the company is required to apply IND AS in preparation of financial statement from the financial year beginning from 1st April 2017.
- These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2016 as amended and other relevant provisions of the Act.
- The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2016 being the date of transition to Ind AS. The financial statements of the Parent Company, its subsidiary have been consolidated using uniform accounting policies

2.2 Principles of consolidation and equity accounting

• Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

• Associates

Associates are all entities over which the company has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

• Equity Method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

2.3 Use of estimates, assumption and judgement

The preparation of the financial statements requires management to make estimates, judgements and assumptions. Actual results could vary from these estimates. The estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years (refer Notes on critical accounting estimates, assumptions and judgements). The management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

3 Statement of Compliance

The consolidated financial statements comprising of the Consolidated Balance Sheet, Consolidated Statement of Profit and Loss, Statement of changes in equity, Consolidated Statement of Cash Flow together with notes comprising a summary of Significant Accounting Policies and Other Explanatory Information for the year ended 31st March 2025 and comparative information in respect of the preceding period and Balance Sheet as on transition date, i.e. 1st April 2016 have been prepared in accordance with IND AS as notified and duly approved by the Board of Directors, along with proper explanation for material departures.

4 ACCOUNTING POLICIES

4.1 Basis of Measurement

The consolidated financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value:

- a Financial assets and liabilities except those carried at amortised cost
- b Defined benefit plans – Plan assets measured at fair value less present value of defined obligations

Current versus non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- (a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- (b) Held primarily for the purpose of trading,
- (c) Expected to be realised within twelve months after the reporting period, or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current

A liability is classified as current when it is:

- (a) Expected to be settled in normal operating cycle,
- (b) Due to be settled within twelve months after the reporting period, or
- (c) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The consolidated financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency.

4.2 Inventories

a. Raw Material :

Raw materials, components, stores and spares are valued at cost or landed value whichever is lower. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components, stores and spares is determined on FIFO basis.

b. Finished goods & work in progress:

Work in progress is valued at cost

Finished goods are valued at lower of cost or net realisable value. Cost includes direct materials and labour and a portion of manufacturing overhead based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

4.3 Statement of cash flows

The Statement of Cash flows are prepared using the indirect method as prescribed in IND AS 7 'Statement of Cash flows', where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expense associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

4.4 Prior Period Errors

Prior period errors include omissions and misstatements arising from a failure to use reliable information that was available or could have been obtained when financial statements for those periods were approved for issue.

Prior period errors relating to the last comparative period will be shown by restating the comparative figures of Balance sheet and Profit and loss, wherever necessary. Thus, it will be disclosed in the comparative financial statements as if the error had not even occurred.

4.5 **Revenue recognition and other income**

a. **Revenue on sale of products**

The Company recognise revenues on accrual basis and measured it at the fair value of the consideration received or receivable, net of discounts, volume rebates, GST. Revenue is shown inclusive of excise duty since excise duty is liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not.

Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

Export sale has been recognised at the time of removal of goods from factory at invoice value (whether FOB or CIF) on the basis of exchange rates declared by Custom Department for that particular month.

No significant financing component exists in the sales.

b. **Revenue from services (Job Charges Received):**

Revenue from services is recognised in the accounting period in which the services are rendered.

c. **Export Benefits:**

Export benefits in the form of Duty Drawback, Duty Entitlement Pass Book (DEPB) and other schemes are recognized in the Statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

4.6 **Other income**

a. **Interest**

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

b. **Dividend**

Dividend income is recognized in the Statement of profit and loss when the right to receive dividend is established.

c. **Lease Rent**

Lease Rent is recognized as income in the Statement of profit and loss on accrual basis i.e. as and when lease rent is due.

4.7 **Property, Plant and Equipment**

Property, plant and equipment are tangible items that:

(a) are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and

(b) are expected to be used during more than one period.

Items such as spare parts, stand-by equipment and servicing equipment are recognised in accordance with this Ind AS when they meet the definition of property, plant and equipment. Otherwise, such items are classified as inventory.

Initial recognition: The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS. The initial cost of property, plant and equipment comprises its purchase price, including non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenses and recognition: Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the Statement of Profit and Loss in the period in which the costs are incurred. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Gain/loss on disposal: The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

Depreciation: Property, Plant and Equipments except free hold land is depreciated on Straight Line Method in the manner prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions and deletion during the year has been provided on pro-rata basis with reference to the month of addition and deletion.

Capital work in progress

The expenses relating to the construction of building is capitalised at the time when they are incurred. And when the asset would be completed, the same shall be transferred to asset a/c.

4.8 **Leases**

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term unless either (a) another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis, or (b) the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. In the event that lease premiums are paid to enter into operating leases, such premiums are recognised as a prepaid expenditure and amortised over the period of lease.

Financial lease transactions entered are considered as financial arrangements and the leased assets are capitalised on an amount equal to the present value of future lease payments and corresponding amount is recognised as a liability. The lease payments made are apportioned between finance charge and reduction of outstanding liability in relation to leased asset.

Leasehold land has been amortised over the remaining period of lease term.

4.9 **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Intangible assets under development:

Expenditure incurred on intangible assets under development stage eligible for capitalization carried as intangible assets under development

4.10 **Investments in Subsidiary**

The Company has invested in shares of its subsidiary Mayur Global Private Limited of whose 52.15% shares are in hand of Mayur Leathers Product Limited.

4.11 **Borrowing**

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Transaction cost is amortized over the period of Borrowing using straight line method

4.12 **Employee retirement benefits**

a. **Short - term Employee Benefits:-**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognised in the period in which the employee renders the related services

The Company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability after deducting any amount already paid.

b. **Post-employment Benefits:-**

(a) **Defined Contribution Plan:** Contribution to superannuation fund is recognised as an expense in the Statement of Profit & Loss as it is incurred. There are no other obligations other than the contribution payable to the respective trust. Eligible employees receive benefits from a provident fund which is a defined contribution plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.

4.13 **Earnings per share**

- Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.
- Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.

4.14 **Impairment of assets**

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset exceeds its recoverable amount (i.e. the higher of the fair value less cost to sell and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. Any impairment gain loss is transferred to profit and loss.

4.15 **Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation (legal or constructive) as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but disclosed in the notes. Contingent assets is neither recognised nor disclosed in the financial statement.

Provisions and contingencies

• **Provisions**

- Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

- If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate.

Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingencies

- Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liabilities is disclosed in the Notes to the Financial Statements.
- Contingent assets are not recognised in the books of the accounts and are not disclosed in the notes. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset and the corresponding income is booked in the Statement of Profit and Loss.

4.16 Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets are realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

4.17 Cash and cash equivalents

Cash and cash equivalents include cash in hand and at bank, deposits held at call with banks.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short term deposits, having maturity less than 3 months.

Other bank balances include FDRs with the government department which are not readily available.

4.18 Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. **Financial Assets**

- Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on the judgment of the management for managing those financial assets and the assets' contractual cash flow characteristics.
- Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes, financial assets are assessed individually.

b **De-recognition of financial Asset**

A financial asset is primarily derecognised (i.e. removed from the balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

c Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance

d **Trade receivables:**

- A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less expected credit loss if any.
- Impairment is made for the expected credit losses. The estimated impairment losses are presented as a deduction from the value of trade receivables and the impairment losses are recognised in the Statement of Profit and Loss under "Other expenses".
- Subsequent changes in assessment of impairment are recognised in ECL and the change in impairment losses are recognised in the Statement of Profit and Loss under "Other Expenses".
- Individual receivables which are known to be uncollectible are written off by reducing the carrying amount of trade receivables and the amount of the loss is recognised in the Statement of Profit and Loss under "Other Expenses".
- Subsequent recoveries of amounts previously written off are credited to "Other Income".

e **Investments in Equity Instruments**

Investments in Equity Instruments have been valued at their fair values through Profit and Loss account, as on the closing date. The fair value has been taken from the stock exchange where the shares are listed.

f **Financial liabilities**

At initial recognition, all financial liabilities other than those valued at fair value through profit and loss are recognised at fair value less transaction costs that are directly related to the issue of financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss.

g **Trade and other payables**

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

4.19 **Foreign Currency Transaction**

Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of transaction.

Monetary items denominated in foreign currency at the year end and not covered by forward exchange contracts are translated at the year end rates and those covered by forward contracts are restated at each reporting date by using spot rate and exchange rate difference was booked. Corresponding Forward Contract Receivable & Payable is also booked in books of account taken on such forward contracts. The Exchange rate difference on Forward Contract was charged to Statement of Profit & Loss. Premium paid on such Forward Contract is charged to Statement of Profit & Loss on periodic basis.

Monetary items denominated in foreign currency at the year end and not covered by forward exchange contracts are translated at the year end spot rates and those covered by forward contracts are restated at each reporting date by using forward rate for remaining period prevailing on the reporting date and exchange rate difference was booked. The Exchange rate difference on Forward Contract was charged to Statement of Profit & Loss, since Fair Value Model has been adopted by the Company.

4.20 **Assets held for sale**

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell. Any resulting impairment loss is recognized in the Statement of Profit and Loss. On classification as held for sale the assets are no longer depreciated.

4.21 **Segment reporting**

The Company identifies primary segments based on nature of products and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the managing board in deciding how to allocate resources and in

4.22 **Government Grants**

Grants from the government are recognised at their fair value where there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Consolidated Profit and Loss on a straight - line basis over the expected lives of related assets and presented within other income.

5 **CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS**

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectation of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events that existed as at the reporting date, or that which occurred after the date but provide additional evidence about the conditions existing at the reporting date.

a **Property, plant and equipment**

- Management assesses the remaining useful lives and residual value of property, plant and equipment. Management believes that the assigned useful lives and residual value are reasonable.

b **Income taxes**

- Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.
- The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the consolidated financial statements.

c **Contingencies**

- Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

d **Impairment of accounts receivable and advances**

- Trade receivables carry interest and are stated at their fair value as reduced by appropriate allowances for expected credit losses. Individual trade receivables are written off when management deems them not to be collectible. Impairment is recognised for the expected credit losses.

f **Discounting of Security deposit, and other long term liabilities**

- For majority of the security deposits received, the timing of outflow, as mentioned in the underlying contracts, is not substantially long enough to discount. The treatment would not provide any meaningful information and would have no material impact on the financial statements.

36 FINANCIAL RISK MANAGEMENT

36.1 Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

36.2 Financial risk factors

- The Company's principal financial liabilities comprise of trade payables, borrowings and other liabilities. The main purpose of these financial liabilities is to manage finances for the Company's operations and also for purchase of capital assets and for safeguarding its interests under contracts.
- The Company has given loans to other parties, trade and other receivables, investments in equity shares and cash and cash equivalents that arise directly from its operations as a part of its financial assets.

The Company's activities expose it to a variety of financial risks:

a. Market risk

- Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

i. Interest Rate Risk

- Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

b. Credit risk

- Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.
- The Company makes major of its sales, either on an advance basis or against credit, and hence the credit risk is minimal. Financial Instruments like trade receivables are subject to slight credit risk against which the Company has booked Expected Credit Losses.

The ageing of trade receivables as on 31 March 2025 is as below:

(In Rupees)

Particulars	Due upto 36 Months	Due for more than 36 Months	Total
Good	41.33	-	41.33
Doubtful	-	-	-
Others	-	-	-
Gross	41.33	-	41.33
Expected Credit Losses	0.00	-	-

The ageing of trade receivables as on 31 March 2024 is as below:

(In Rupees)

Particulars	Due upto 36 Months	Due for more than 36 Months	Total
Good	41.31	-	41.31
Doubtful	-	-	-
Others	-	-	-
Gross	41.31	-	41.31
Expected Credit Losses	-	-	-

Expected Credit Losses

100% Expected Credit losses are recognised for all financial assets which have become due for more than 36 months.

Financial instruments and cash deposits

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances and deposits are maintained. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations. The rest amount is deposited in the PD account, with the government, which can be withdrawn as and when required and on which interest, as fixed by government, is being received. This PD account is a risk free deposit.

Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash requirements. There are no borrowings by the Company, whether short term or long term. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs and the excess funds are transferred to the PD account as per guidelines of Government of Rajasthan.

Since it is a cash rich Company, the liquidity risk faced by the Company is very minute.

Competition and price risk

The Company faces competition from local and foreign competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and also owing to government regulations, because it enjoys monopoly in mining of Rock Phosphate which is the main source of revenue, in the state of Rajasthan, for the Company.

37 Fair Value Measurement

Financial Instrument by category and hierarchy

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- 1 Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.
- 2 Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.
- 3 IND AS 101 allows Company to fair value its property, plant and machinery on transition to IND AS, the Company has fair valued property, plant and equipment, and the fair valuation is based on deemed cost approach where the existing carrying amounts are treated as fair values.
- 4 The fair values for loans and security deposits were calculated based on cash flows discounted using a current lending rate. In case of security deposits, Company has used the fixed deposit rate of the year of making advance. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counter party credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For other financial assets and liabilities that are measured at amortised cost, the carrying amounts are equal to the fair values.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted prices / published NVA (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published mutual fund operators at the balance sheet date.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.

Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

38 FAIR VALUE HEIRARCHY

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

- a Quoted prices/published NAV (unadjusted) in active markets for identical assets or liabilities (level 1). It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date.
- b Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2). It includes fair value of the financial instruments that are not traded in an active market (for example, interest free security deposits) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.
- c Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

For this purpose, the company has engaged the services of **Central Depository Services (India) Limited (CDSL)** for providing e-voting facility to enable the shareholders to exercise their right to vote through electronic means in respect of businesses to be transacted in the AGM. Those shareholders, who do not opt to cast their vote through e-voting, may cast their vote through Ballot Paper at the AGM.

The Company has approached CDSL for providing e-voting services through our e-voting platform. In this regard, your Demat Account/Folio Number has been enrolled by the Company for your participation in e-voting on resolution placed by the Company on e-Voting system.

The e-voting shall commence on **Wednesday, September 24, 2025 (9.00 A.M. IST) and ends on Friday, September 26, 2025 (5.00 P.M. IST)**. The e-voting module shall be disabled by

CDSL for voting thereafter and shall not be allowed to change it subsequently. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **Saturday, September 20, 2025** will be eligible to cast their vote electronically.

The results of AGM declared along with Scrutinizer Report shall be placed on the Company's website www.mayurgroups.com & also on the website of the CDSL at www.cdslindia.com within 2 working days from the conclusion of the Meeting and be also communicated to BSE where the shares of the company are listed.

The voting rights of members shall be in proportion to their share of the paid up equity share capital of the Company as on the cut-off date of **Saturday, September 20, 2025**.

The facility for voting through ballot paper/e-Voting shall be made available at the AGM and in such case, the members attending the meeting who have not cast their vote by remote e-Voting shall be able to exercise their right at the meeting through ballot paper/electronic voting.

Those shareholders, who do not opt to cast their vote through e-voting, may cast their vote through Ballot Paper at the AGM. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again

Any person, who acquires shares of the Company and become member of the Company after email of the notice and holding shares as of the cut-off date i.e., **Saturday, September 20, 2025**, may obtain the login ID and password by sending a request at daamayurleather@gmail.com or helpdesk.evoting@cdslindia.com For any assistance or information about shares etc. members may contact the Company.

Shri Tara Chand Sharma, Practicing Company Secretary (PCS), (Membership No. FCS 5749) has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-Voting process in a fair and transparent manner.

The Scrutinizer shall after the conclusion of voting at the general meeting, first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-Voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than two working days of the conclusion of the Annual General Meeting, a consolidated scrutinizer's report of the total votes cast in favor or against, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.

The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.mayurgroups.com and on the website of CDSL at www.cdslindia.com after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the BSE.

27. SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE_IAD-1/P/ CIR/2023/131 dated July 31, 2023, and SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated August 04, 2023, read with Master Circular No. SEBI/HO/ OIAE/OIAE_ IAD-1/P/CIR/2023/145 dated July 31, 2023 (updated as on August11, 2023), has established a common Online Dispute Resolution

Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market.

28. Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website www.mayurgroups.com.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

The voting period begins on **Wednesday, September 24, 2025 (9.00 A.M. IST) and ends on Friday, September 26, 2025 (5.00 P.M. IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date **Saturday, September 20, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013

FOR ITEM 03

The management of the company have decided to diversify the business activities of the company by expanding into consultancy, advisory, compliance, taxation, finance, management, corporate affairs, administration, information technology, human resources, and business development services. The Company also proposes to undertake manpower solutions including recruitment, staffing, outsourcing, training, career counselling, and skill development, as well as establish and operate BPO, KPO, LPO, IT-enabled services, customer support centres, research and analytics, training institutes, seminars, workshops, and e-learning platforms. The Company intends to collaborate with government bodies, private and public sector organizations, educational institutions, and international agencies to provide consultancy, outsourcing, and training solutions in India and abroad.

In view of the proposed diversification, it is necessary to amend the Object Clause of the Memorandum of Association of the company to include the aforesaid activities as part of the main objects.

To facilitate such diversification, the Board of Directors, at their meeting held on August 30, 2025, approved the alteration to the objects clause of the Memorandum of Association (MOA) of the Company, subject to the approval of the shareholders of the Company by way of special resolution for additions of new Clauses III (a) 5 and 6 in Clause III (a) under the heading 'The objects to be pursued by the company on its incorporation' after Clause III (a) 2 to the Objects Clause in the Memorandum of Association (MOA) of the Company.

The aforesaid alteration, if approved by the shareholders, shall be registered with the Registrar of Companies, Rajasthan, Jaipur ('ROC') as per the provisions of the Act with such modifications as may be advised by the ROC.

The Special Resolution at Item No. 3 of the Notice is being recommended by the Board of Directors for approval of the members as a Special Resolution pursuant to Section 13 of the Companies Act, 2013.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the proposed resolution.

FOR ITEM 04

The Nomination and Remuneration Committee, at its meeting held on August 14, 2025, after taking into account the skills, knowledge, acumen, expertise, experience of **Mr. Vitthal Nawandhar (DIN: 07328750)** has recommended to the Board his appointment subject to the approval of the member for a first term of five years effective from September 27, 2025.

FOR ITEM 09

Pursuant to provisions of Section 204 of the Companies Act, 2013, and relevant rules thereunder, read with Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations, 2015"), every listed company is required to annex with its Board's Report, a secretarial audit report, issued by a Practising Company Secretary. For this purpose, based on the recommendation of the Audit Committee, the Board of Directors of the Company had appointed M/s ATCS & ASSOCIATES, a firm of Practising Company Secretaries, as Secretarial Auditors of the Company for the financial year 2024-25 and they have issued their report which is annexed to the report of the Board of Directors of the Company as a part of the Annual Report.

SEBI vide its notification dated December 12, 2024, amended the SEBI Listing Regulations, 2015. The amended regulations require companies to obtain shareholders' approval for appointment of Secretarial Auditors, in addition to approval by the Board of Directors. Further, such Secretarial Auditor must be a peer reviewed company secretary and should not have incurred any of the disqualifications as specified by SEBI.

Details in relation to credentials of the Secretarial auditor(s) proposed to be appointed

M/s ATCS & ASSOCIATES, established on 16th August, 2017, is a Jaipur-based partnership firm of Company Secretaries founded and currently led by two partners. Since its inception, the firm has been committed to providing high-quality professional services in the areas of corporate laws, governance, and compliance management. Over the years, it has cultivated a diverse client base across multiple sectors, built on a foundation of professional integrity, timely delivery, and practical solutions tailored to client needs.

Furthermore, in terms of the amended regulations, the firm has provided a confirmation that they have subjected themselves to the peer review process of the Institute of Company Secretaries of India and hold a valid peer review certificate. Moreover they are not disqualified from being appointed as Secretarial Auditors and that they have no conflict of interest. Further they have furnished a declaration that they have not taken up any prohibited non-secretarial audit assignments for the Company, its holding and subsidiary companies.

Basis of recommendation

After evaluating and considering various factors such as industry experience, competence of the audit team, efficiency in conduct of audit, independence, etc., the Board of Directors of the Company has, based on the recommendation of the Audit Committee, at its meeting held on August 14, 2025, proposed the appointment of M/s ATCS & Associates, a firm of Practising Company Secretaries as the Secretarial Auditors of the Company, for a term of five consecutive years commencing from Financial Year 2025-26 until Financial Year 2029-30 commencing from the conclusion of this Annual General Meeting and ending with the AGM to be held in the year 2029-30.

Proposed fees payable to Secretarial Auditors

The proposed remuneration to be paid to for the financial year 2025-2026 is INR 1.25 Lakh (Rupees One Lakh Twenty Five Thousand Only) with a yearly increment, excluding taxes and reimbursement of out of pocket expenses for carrying out Secretarial Audit and issue the Secretarial Compliance Report.
