DIVIDEND DISTRIBUTION POLICY

The Board of Directors (the “Board”) of ATAM VALVES LIMITED (the “Company”) has adopted the Dividend Distribution Policy (the “Policy”) of the Company as required in terms of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “Listing Regulations”) in its meeting held on 04th September 2021.

EFFECTIVE DATE

The Policy shall become effective from the date of its adoption by the Board i.e. 04th September 2021.

PURPOSE, OBJECTIVES AND SCOPE

The Securities and Exchange Board of India (“SEBI”) vide its Notification dated July 08, 2016 has amended the Listing Regulations by inserting Regulation 43A in order to make it mandatory to have a Dividend Distribution Policy in place by the top five hundred listed companies based on their market capitalization calculated as on the 31st day of March of every year. Considering the provisions of the aforesaid Regulation 43A, the Board of Directors (the “Board”) of the Company recognizes the need to lay down a broad framework for considering decisions by the Board of the Company, with regard to distribution of dividend to its shareholders and/ or retaining or plough back of its profits. The Policy also sets out the circumstances and different factors for consideration by the Board at the time of taking such decisions of distribution or of retention of profits, in the interest of providing transparency to the shareholders.

The Policy is not an alternative to the decision of the Board for recommending dividend, which is made every year after taking into consideration all the relevant circumstances enumerated hereunder or other factors as may be decided as relevant by the Board.

Declaration of dividend on the basis of parameters in addition to the elements of this Policy or resulting in amendment of any element or the Policy will be regarded as deviation. Any such deviation on elements of this Policy in extraordinary circumstances, when deemed necessary in the interests of the Company, along with the rationale will be disclosed in the Annual Report by the Board of Directors.

The Policy shall not apply to:

- Determination and declaring dividend on preference shares as the same will be as per the terms of issue approved by the shareholders;
- Distribution of dividend in kind, i.e. by issue of fully or partly paid bonus shares or other securities, subject to applicable law;
- Distribution of cash as an alternative to payment of dividend by way of buyback of equity shares.

GENERAL POLICY OF THE COMPANY AS REGARDS DIVIDEND

The general considerations of the Company for taking decisions with regard to dividend payout or retention of profits shall be as following-

1. Subject to the considerations as provided in the Policy, the Board shall determine the dividend

payout in a particular year after taking into consideration the operating and financial performance of the Company, the advice of executive management including the CFO, and other relevant factors.

2. The Board may also, where appropriate, aim at distributing dividends in kind, subject to applicable law, in form of fully or partly paid shares or other securities.

CONSIDERATIONS RELEVANT FOR DECISION OF DIVIDEND PAY-OUT

The Board shall consider the following, while taking decisions of a dividend payout during a particular year-

Statutory requirements

The Company shall observe the relevant statutory requirements including those with respect to mandatory transfer of a certain portion of profits to any specific reserve such as Debenture Redemption Reserve, Capital Redemption Reserve etc. as provided in the Companies Act, 2013, which may be applicable to the Company at the time of taking decision with regard to dividend declaration or retention of profit.

Agreements with lending institutions/ Debenture Trustees

The decision of dividend pay-out shall also be affected by the restrictions and covenants contained in the agreements as may be entered into with the lenders of the Company from time to time.

Proposals for major capital expenditures etc.

In addition to plough back of earnings on account of depreciation, the Board may also take into consideration the need for replacement of capital assets, expansion and modernization or augmentation of capital stock, including any major capital expenditure proposals.

Expectations of major stakeholders, including small shareholders

The Board, while considering the decision of dividend pay-out or retention of a certain amount or entire profits of the Company, shall, as far as possible, consider the expectations of the major stakeholders including the small shareholders of the Company who generally expects for a regular dividend payout.

FACTORS THAT MAY AFFECT DIVIDEND PAYOUT

External Factors

Taxation and other regulatory concern

Dividend distribution tax or any tax deduction at source as required by applicable tax regulations in India, as may be applicable at the time of declaration of dividend.

Any restrictions on payment of dividends by virtue of any regulation as may be applicable to the Company at the time of declaration of dividend.

Product/ market expansion plan

The Company's growth oriented decision to conserve cash in the Company for future expansion plan impacts shareholders expectation for the long run which shall have to be considered by the Board before taking dividend decision.

Macroeconomic conditions

Considering the state of economy in the Country, the policy decisions that may be formulated by the Government and other similar conditions prevailing in the international market which may have a bearing on or affect the business of the Company, the management may consider retaining a larger part of the profits to have sufficient reserves to absorb unforeseen circumstances.

Internal Factors

Past performance/ reputation of the Company

The trend of the performance/ reputation of the Company that has been during the past years determine the expectation of the shareholders.

Working capital management in the Company

The current working capital management system within the Company also impacts the decision of dividend declaration.

CIRCUMSTANCES UNDER WHICH DIVIDEND PAYOUT MAY OR MAY NOT BE EXPECTED

The Board shall consider the factors provided above Para 4, before determination of any dividend payout after analyzing the prospective opportunities and threats, viability of the options of dividend payout or retention etc. The decision of dividend payout shall, majorly be based on the aforesaid factors considering the balanced interest of the shareholders and the Company.

MANNER OF DIVIDEND PAYOUT

The discussion below is a summary of the process of declaration and payment of dividends, and is subject to applicable regulations:

In case of final dividends

1. Recommendation, if any, shall be done by the Board, usually in the Board meeting that considers and approves the annual financial statements, subject to approval of the shareholders of the Company.
2. The dividend as recommended by the Board shall be approved/declared at the annual general meeting of the Company.
3. The payment of dividends shall be made within 30 days from the date of declaration to the shareholders entitled to receive the dividend on the record date/book closure period as per the applicable law.

In case of interim dividend

1. Interim dividend, if any, shall be declared by the Board.
2. Before declaring interim dividend, the Board shall consider the financial position of the Company that allows the payment of such dividend.
3. The payment of dividends shall be made within 30 days from the date of declaration to the

shareholders entitled to receive the dividend on the record date as per the applicable laws.

4. In case no final dividend is declared, interim dividend paid during the year, if any, will be regarded as final dividend in the annual general meeting.

MANNER OF UTILISATION OF RETAINED EARNINGS

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The decision of utilization of the retained earnings of the Company shall be based on the following factors: Market expansion plan:

- Product expansion plan;
- Increase in production capacity;
- Modernization plan;
- Diversification of business;
- Long term strategic plans;
- Replacement of capital assets;
- Where the cost of debt is expensive;
- Other such criteria as the Board may deem fit from time to time.

AMENDMENT

The Managing Director or the Chief Executive Officer of the Company shall be jointly/severally authorized to review and amend the Policy, to give effect to any changes/ amendments notified by any regulator under the applicable law from time to time. Such amended Policy shall be periodically placed before the Board for noting and necessary ratification.

Indian Boiler Regulations and enjoy an active patronage of numerous Government and eminent Industrial houses in India & International Market.

Departmental Break up

a) Chemical & Mechanical Testing Laboratory

We have a well-equipped Laboratory run by qualified technician. We have installed universal testing machine, hardness testing machine for mechanical tests and Electro analyzer and all the equipment for ferrous & non-ferrous chemical analysis. We are already doing destructive & non-destructive tests and now company has plans to go for cryogenic and fire safe tests and we have installed spectrometer & PMI machine for identification of elements of material.

b) Castings

The company is having its own foundry. The foundry is having one 500 kg oil furnace, four 50-kg pit furnaces and one induction furnace 200 kg twin crucibles for non-ferrous castings. The total capacity of non-ferrous casting is 2000 kg/Day. Most of the non-ferrous castings are done by shell moulding technique. We are doing centrifugal castings and investment castings also for few products. The total non-ferrous casting capacity is 750 Tons per year and total consumption of Cast Iron, Cast Carbon Steel and Stainless Steel casting is 1000 Tons per year.

c) **Forgings**

The company is having one forging shop equipped with one forging press, Two power presses and hydraulic press. A few components of Valves which need to be forged one, are made in our own forging shop. We have our own dies for the valves bodies & parts for class 800 and class 1500 but we are getting these forged from the central institute of hand tools.

d) **Work Shops**

The company is having six workshops. Two workshops for machining of nonferrous parts, one for Stainless Steel parts, Two for Cast Iron and Cast Steel parts one for grinding and shot blasting. Our workshops are equipped with the most modern machines like SPMs, CNC, turrets besides other best make Lathe machines, drill machines, centreless grinders, surface grinders, burnishing machines, slotting machines, radial drills etc.

The total number of machines is about 200 and they have capacity to produce Valves up to 300 mm. Three heat treatment furnaces are also installed for treatment of required parts. We are also having one vinyl coating plant for dip insulation on handles of Ball Valves.

e) **Quality Assurance**

We are having strict control on quality in all stages of production. The raw material is tested chemically before going in for castings. The castings are checked for any casting defects before going for machining. During machining all the parts are checked with go and no go gauges for sizes. After machining the parts are assembled and after assembly the complete valve pass through the pressure test required.

f) **Testing**

The company has its own testing shop for testing of Valves & Boiler mountings. We have hydraulic pumps for hydraulic tests upto 3000 lbs./sq.inch. We have Air compressors for testing on Air and two boilers one for 150 lbs./sq.inch capacity and one for 250 lbs./sq.inch capacity for steam tests. Each and every piece is tested for required pressure before packing for final shipment.

Design-Development and Continual Improvement

We are having in house design facility. The company has engaged well-qualified design engineers and we are having the modern Autocad systems. After designing of valves we have our own pattern and Die development shop having milling station, pantograph besides the lathe machines, where the desired patterns or dies are made for regular production. We have CAD CAM software for designing and development of dies for Investment casting & shell Mouldings

Product Range

The company is manufacturing a wide range of Bushings, Valves and Boilermountings. The company has the ability to design and manufacture valves orbushings as per customer's design and specification.

Our product range include

- Bushing in Brass/Gun-Metal/Bronze/ up to 300 mm OD and 600 mm length.
- Brass/Bronze/Cast Iron/Cast Steel/Forged Steel/Stainless Steel Investment Castings Valves and Boiler mountings viz. Gate, Globe, Check Valves, Pressure reducing Valves, Steam Traps, Gauge Glass Cocks, Strainers, Safety Valves (High & Full lift) Single post/Double post, Ball Valves, Steam stop Valves, Parallel slide Blow down valves, fusible plugs,combined feed check Valves, Injectors, Sight glass, moisture separators etc.

Sales

We are having a large Sales network in India and in overseas countries. We are having about 350 dealers in the country and abroad. These dealers are approached through Sales agents and our special engineering personnel also visit the dealers whenever our customers have any technical problem in any industry or in any project.

Management

Efficient board of Directors and qualified professionals manage the affairs of the company.

Aim

Atam's aim is to give long term commitment to their customers by supplying best quality products. To serve the nation by giving more employment and by increasing production continuously. To earn more foreign exchange for the country by exploring more export markets.

INDUSTRY STRUCTURE AND DEVELOPMENT

As you are aware, your Company has been engaged in the manufacturing of Valves, Cocks & Boiler Mountings. The year that went by, did pose a lot of challenges wherein the entire Global market was facing a slowdown and we too were impacted by the same. While working towards addressing the challenges posed by the slowdown in Business, the unexpected impact of Covid-19 Pandemic only aggravated the situation further.

In spite of all our proactive efforts to combat the impact arising from the above developments, we fell short of reaching our Targets set at the beginning of the year.

OPPORTUNITIES AND THREATS

In spite of the current situation with the Pandemic impact on businesses worldwide, our TEAM continues with its efforts to explore opportunities within this situation. With renewed focus and awareness on Hygiene and Safety, we foresee a good potential opportunity for our products in the coming years. Further with the sustained efforts of our Government and launch of "AatmaNirbhar Bharat" movement, we foresee an increased potential for our range of products in the coming years.

The challenges still lie in the short term (till situation comes back to normalcy and business picks up) in managing our Cash flows and Working Capital prudently. We have taken various initiatives in this direction.

OUTLOOK

With the “New Normal” being set, we expect a challenging future ahead. Though we may have to face and manage challenges in the short term over the next few months, we foresee a Silver lining ahead. Further with the amplified focus on “Aatmanirbhar Bharat”, we foresee an increased shift towards Domestic Production and Sales. This will definitely help in effectively utilizing our plant capacities to the optimum and also help in planning for future growth and investments.

RISKS AND CONCERNS

Along-with Technological obsolescence, dynamically changing market conditions, environmental concerns, growing competition including imports; we now have a new challenge posed by the Pandemic which has disrupted the entire Value chain of every business and severely impacted businesses globally.

Even though the impact due to the Pandemic and subsequent Lockdown is still to be fully ascertained, we foresee a challenging period over the next few months till the situation returns to normalcy. Hence the immediate focus is to ensure Survival and minimize the impacts on our business by focusing on conservation and effective utilization of all resources in the organization.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company continues its focus to further strengthen the internal controls mechanism. These controls ensure safeguarding of assets, reduction and early detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

- i. The Sales and other income of the company for the year ended March 31, 2021 were Rs. 18.36 Crores as compared to Rs. 16.32 Crores in the previous year.
- ii. The Company on a continuous basis sets up policies to exercise cost control and cost reduction programme.
- iii. The Company has earned a profit after tax of Rs. 87.44 Lacs.

INDEPENDENT AUDITOR'S REPORT

To the Members of Atam Valves Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Atam Valves Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss and the Statement of Cash flows for the year ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, of the state of affairs of the Company as at 31 March 21, the profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements for the year ended March 31, 2021. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. The Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information mentioned above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, based on our audit, we report, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance sheet, the statement of profit and loss and the statement of cash flows dealt with by this Report are in agreement with the books of account.

Annexure – “B” TO THE INDEPENDENT AUDITORS REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Atam Valves Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial control over financial reporting of Atam Valves Limited (“the Company”) as of 31st March 2021 in conjunction with our audit of financial statements of company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting with reference to these financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

1(a) Corporate Information:

M/s. Atam Valves Limited hereinafter referred to as "the Company" was incorporated on 30th Sept, 1985 under the Companies Act, 1956 and is having registered office at 1051, Industrial Area, Jalandhar, Punjab. The Company is engaged in the business of manufacturing of Valves and fittings, steam traps and strainers.

1(b) Basis of Preparation:

The financial statements have been prepared on accrual basis under historical cost convention in accordance with Generally Accepted Accounting Principles in India (Indian GAAP) to comply with accounting standards prescribed under section 133 of Companies Act, 2013. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in previous years. As per MCA Notification dated 16th February 2015, the companies whose shares are listed on SME exchange are exempted from the compulsory requirement of adoption of Ind AS. As the company is covered under exempted from the compulsory requirement of adoption of Ind AS, the company has not adopted Ind AS.

1(c) Significant Accounting Policies:

(a) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amounts of revenue and expenses during the reported period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Revenue Recognition:

Sale of goods

Revenue from sale of goods are recognized:

When all the significant risks and rewards of ownership are transferred to the buyer and the company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(c) Property, Plant and Equipment:

- a) Property, plant and equipment are stated as per cost model i.e., at cost less accumulated depreciation and impairment, if any;
- b) Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management;

- c) Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of profit and loss when incurred;
- d) The cost and related accumulated depreciated are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed of are reported at the lower of the carrying value or net realizable value;
- e) Depreciation is provided on written down value basis based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

(d) Inventories:

Inventories are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

The cost is determined as under in separate conditions:

- Raw material and stores and Spares on FIFO basis.
- Work in Progress on material cost and appropriate share of overheads in bringing the inventory in present location and condition.
- Finished Goods on material cost and overheads in bringing the inventory in present location and condition.

(e) Employee Benefits:

(a) Short Term Employee Benefits :

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

(b) Post-Employment Benefits:

(i) Defined Contribution Plans:

Provident Fund:

The Employer's contribution to Provident Fund and Employees Pension Scheme, a defined contribution plan is made in accordance with the Provident Fund Act, 1952 read with the Employees Pension Scheme, 1995 and is charged to the Statement of Profit and Loss.

(ii) Defined Benefit Plans

Gratuity:

The liability for gratuity is provided on the basis of actuarial valuation carried out by an independent actuary at the balance sheet date using projected unit credit method.

Actuarial gain or loss is recognized immediately in the statement of profit and loss.

(f) Accounting For Taxes on Income:

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961.

Deferred Tax is recognized on timing difference being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax Assets arising from timing differences are recognized to the extent there is a reasonable certainty that the assets can be realized in future.

(g) Borrowing Cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

(h) Segment Reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance.

(i) Earnings per share:

Basic earning per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earning per share is computed by taking into account the aggregate of the weighted average number of equity shares outstanding during the period and the weighted average number of equity shares which would be issued on conversion of all the dilutive potential equity shares into equity shares.

(j) Foreign currency transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

Operating Leases

Assets acquired on leases wherein a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals paid for such leases are recognised as an expense on systematic basis over the term of lease.

(k) Intangible assets

Intangible Assets are stated at cost less accumulated amount of amortization.

(l) Amortization

Intangible assets are amortized over their estimated useful lives from the date they are available for use.

(n) Impairment of Assets

At each balance sheet date an assessment is made whether any indication exists that an asset has been impaired. If any such indication exists, an impairment loss i.e. the amount by which the carrying amount of an asset exceeds its recoverable amount is provided in the books of account.

(o) Cash and cash equivalents

Cash comprises of cash on hand and demand deposit with banks other than under lien. Cash equivalents are short term, highly liquid investments that are readily convertible into known amount of cash and which are subject to insignificant risk of change in value.

(p) Cash flow statement :

The cash flow statement has been prepared using indirect method in respect of operating activities in accordance with the Accounting Standard (AS) – 3 on “Cash flow statements”.

(q) Provisions and Contingent Liabilities:

- (i) Provision is recognized (for liabilities that can be measured by using a substantial degree of estimation) when:
 - a) the company has a present obligation as a result of a past event;
 - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation; and
