## INDEPENDENT AUDITOR'S REPORT

To,  
The Members of  
**Gopal Iron and Steel Co (Guj) Limited**

### Report on the Audit of the Standalone Financial Statements

---

#### Opinion

We have audited the accompanying Standalone Financial Statements of **Gopal Iron and Steel Co (Guj) Limited** ("the Company"), which comprise the Balance Sheet as at **March 31, 2025**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the **Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act**, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and of its loss, changes in equity, and its cash flows for the year then ended.

---

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

---

#### Emphasis of Matter

We draw attention to the fact that the accompanying financial statements have been prepared on a going concern basis. **However, the Company has incurred recurring operational losses and has disposed of all its plant, machinery, and other major fixed assets, resulting in the discontinuation of its operations.** Further, we draw attention to **Note 24 and Note 25** of the financial statements, which disclose pending **income tax demands aggregating to ₹916.77 lakhs**, including a **tax demand of ₹838.30 lakhs currently pending before the Hon'ble Supreme Court.**

The Company has classified these tax demands as contingent liabilities based on its legal assessment that the outcomes will be in its favor. However, **in the event of an adverse outcome of these litigations, the same may have a material impact on the Company's ability to continue as a going concern.**

**These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern.** Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon. We do not provide a separate opinion on these matters.

#### 1. Going Concern Uncertainty and Material Tax Litigations

##### Description of Key Audit Matter:

As disclosed in **Note 24 and Note 25** to the standalone financial statements, the Company has incurred recurring operational losses, discontinued its operations, and disposed of all its plant, machinery, and major fixed assets. Additionally, there are pending **income tax demands aggregating to ₹916.77 lakhs**, including ₹838.30 lakhs currently

# GOPAL IRON AND STEEL CO. (GUJARAT) LIMITED

pending before the Hon'ble Supreme Court.

The management has assessed the Company's ability to continue as a going concern and classified these tax liabilities as contingent, based on legal opinion. These conditions indicate the existence of a **material uncertainty** that may cast significant doubt on the Company's ability to continue as a going concern.

## How our audit addressed the Key Audit Matter:

- We assessed the appropriateness of the going concern basis of accounting adopted by the management.
- We reviewed the details of pending litigations and legal opinions obtained by the Company.
- We examined the classification of these tax demands as contingent liabilities.
- We evaluated the adequacy of disclosures made in the financial statements under Ind AS 1 and Ind AS 37. Based on the above procedures, we found the disclosures in the financial statements to be adequate and consistent with the audit evidence obtained.

---

## Information Other Than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

---

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity, and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence

## GOPAL IRON AND STEEL CO. (GUJARAT) LIMITED

the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with the Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **25. Management's Response to the Emphasis of Matter Raised by Statutory Auditors**

In response to the Emphasis of Matter paragraph included in the Independent Auditor's Report for the financial year ended March 31, 2025, the management of Gopal Iron and Steel Co. (Guj) Limited respectfully submits the following:

#### **1. Going Concern Assumption**

The financial statements for the year ended March 31, 2025, have been prepared on a going concern basis, despite the Company having incurred recurring operational losses and having discontinued its manufacturing operations due to disposal of all major fixed assets.

However, the management reaffirms that:

- The Company is actively exploring strategic options, including but not limited to, revival of business through alternative operations, asset monetization, or potential merger/acquisition avenues.
- There are no external borrowings or overdue financial obligations as at balance sheet date, and the Company continues to honour all its statutory and regulatory compliances in a timely manner.
- The Company has adequate cash and cash equivalents and low operational overheads, allowing it to sustain basic corporate operations for the foreseeable future.

Accordingly, the Board believes that the Company has the ability to realise its assets and discharge its liabilities in the normal course of business and thus, the going concern basis of accounting is appropriate.

#### **2. Tax Litigations and Contingent Liabilities**

With respect to the disputed tax demands aggregating ₹1,051.45 lakhs as disclosed in Note 24 to the standalone financial statements, we clarify that:

- All the demands are contested based on strong legal grounds and supported by independent expert legal opinions.
- A significant portion of the demands (including matters aggregating to ₹969.37 lakhs) are pending adjudication before the Hon'ble Supreme Court, with favourable precedence in similar matters.
- The Company has not accepted the liability in principle and no order requiring final payment has been passed as on the reporting date.
- Amounts paid under protest (₹36.24 lakhs towards Central Excise) have been appropriately classified as assets in the financial statements.

Based on legal advice and assessment of current status of proceedings, the management considers the likelihood of an outflow of economic resources as remote to possible and hence no provision has been made under Ind AS 37.

## GOPAL IRON AND STEEL CO. (GUJARAT) LIMITED

The management remains committed to maintaining transparency and providing regular updates on the progress of legal cases, financial sustainability measures, and any material developments that may impact the going concern assessment.

#### a) Credit risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Trade receivables The Company's exposure to credit risk is

## GOPAL IRON AND STEEL CO. (GUJARAT) LIMITED

influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also influence credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business

Summary of Companies Exposure to credit risk as follows.

Particulars	At	At
	31st March 2025	31st March 2024
Past dues not impaired	Nil	Nil
Not past dues not impaired	1,49,37,766	1,45,15,688
<b>Total in `</b>	<b>1,49,37,766</b>	<b>1,45,15,688</b>

Expected credit loss assessment The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgment.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue

Cash and cash equivalents

As at the year end, the Company held cash and cash equivalents of ` 2,01,765/- (previous year ` 2,10,000/-).

The cash equivalents are held with banks.

The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company enjoys an overdraft limit from the bank.

The Company invests its surplus funds in bank fixed deposit which carry no/low mark to market risks. The Company monitors funding options available in the debt and capital markets to maintain financial flexibility.

<b>Net Exposure</b>	<b>Nil</b>	<b>Nil</b>

### Sensitivity analysis

A possible strengthening (weakening) of the Indian Rupee against US dollars at March 31 would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular, interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Profit (Loss) for FY 2024-25		Profit (Loss) for FY 2023-24	
	Strengthening	Weakening	Strengthening	Weakening

Cash flow interest rate risk is the risk that the future cash flows of floating interest-bearing borrowings will fluctuate because of fluctuations in the interest rates. Exposure to interest rate risk Company's interest rate risk arises from borrowings and finance lease obligations. The interest rate profile of the Company's interest-bearing borrowings is as follows:

Particulars	As on 31.03.2025	As on 31.03.2024
Non-Current Borrowings		
- Fixed Rate Borrowings	Nil	Nil

Current Borrowings		

## GOPAL IRON AND STEEL CO. (GUJARAT) LIMITED

- Fixed Rate Borrowings	Nil	Nil
- Variable Rate Borrowings	Nil	Nil
<b>Total</b>	<b>Nil</b>	<b>Nil</b>

### Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate borrowings at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

### Cash flow sensitivity analysis for variable-rate instruments

A possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant.

Particulars	Profit (Loss) for FY 2024-25		Profit (Loss) for FY 2023-24	
	Increase	Decrease	Increase	Decrease
100 bps Movement				
Variable Rate Borrowings	Nil	Nil	Nil	Nil

The risk estimates provided assume a change of 100 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarized above. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.
