NOTES:

1. Pursuant to General Circular No.09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs (MCA), Circular dated October 3, 2024 issued by SEBI and such other applicable circulars issued by MCA and SEBI (the Circulars), the Company is convening the 38th Annual General Meeting (AGM) through Video Conferencing (VC)/Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Bigshare Services Private Limited (BSPL), Registrar and Transfer Agents ("RTA"), for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by BSPL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Since this AGM is being held through VC / OAVM, pursuant to the MCA Circulars:
 - a. Members can attend the AGM through login credentials provided to them for this purpose. Physical attendance of the Members at the AGM venue is not required and accordingly attendance slip is not annexed to this Notice.
 - b. Appointment of proxy to attend and cast vote on behalf of the Member is not available and hence the Proxy Form is also not annexed to this Notice.
 - c. However, Body Corporate are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and participate thereat and cast their votes through e-Voting.

Further, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC and cast their votes through e-voting.
6. Since the AGM will be held through VC / OAVM, the route map of the venue of the AGM is not annexed to this Notice.
7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at vashubhagnaniindustries.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e., BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of BSPL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://ivote.bigshareonline.com>.
8. In compliance with the aforesaid MCA Circulars and SEBI Circular, Notice of the AGM inter-alia, indicating the process and manner of voting through electronic means along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories and whose names appear in the Register of Members/list of Beneficial Owners as received from National Securities Depository Limited (NSDL)/Central Depository Services (India) Limited (CDSL).
9. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 setting out facts concerning the business of the Notice is annexed hereto, wherever required.

10. All documents referred to in the Notice will be available for inspection electronically and as such the Members are requested to send an email to cs@poojaentertainment.in up to date of the AGM.
11. The register of members and transfer books of the Company shall remain closed from **<<September 14, 2025>> to <<September 20, 2025>> (both days inclusive)** for the purpose of Annual General Meeting.
12. Any query relating to accounts or any other items of business set out in the agenda of the meeting must be sent to the Company's email cs@poojaentertainment.in.
13. The Securities and Exchange Board of India has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. - iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS

Economy Scenario:

The Company is engaged in Entertainment and Media industry since 2008. The Company is pleased to announce that the Company has collaborated with Pooja Leisure and Lifestyle for engaging in Real Estate Business as well.

-Media and Entertainment Industry:

In 2025, traditional media and entertainment companies are expected to confront larger competitors—not just for time and attention, but also for the content and advertising that fuel the video business. The cost of content continues to rise for the largest TV, film, and gaming studios, while the capital intensity of data centers and AI hangs over hyperscalers and top social platforms. Between global companies delivering free user-generated fare and the rise of interactive and immersive gaming experiences, media habits have shifted, and reliable business models have been challenged.

As growth for paid or subscription products slows amid heightened industry competition and constrained consumer spending – particularly in mature markets – advertising is forecast to represent a significant driver of revenue growth for the E&M industry at-large.

Of the three major E&M categories analysed (connectivity, advertising, consumer), advertising is expected to grow fastest – three times as fast (6.1% CAGR) as the consumer category (2%).

The fastest growing E&M revenue metrics over the next five years are all advertising driven – including retail advertising (15%), social and mobile on-stream video advertising (15%), and connected TV in-stream internet advertising (14%). Digital formats, which account for 72% of overall ad revenue in 2024, will rise to 80% in 2029, with new technologies including AI and hyper-personalisation expected to drive this even further. High growth areas include retail search advertising in e-shopping (rising from 32.7% in 2020 to 45.5% in 2029) and advertising in video games (rising from 32.8% in 2024 to 38.5% in 2029).

AI is impacting the E&M industry in many ways. One of the areas in which it is likely to influence revenue growth is in connected TV (any television that connects to the internet to stream video content). In 2020, connected TV advertising revenue equated to just 5.9% of total traditional broadcast TV advertising. In 2024, this figure had jumped to 22%. But with the rise of digital engagement and the prospect of AI-assisted hyper-personalisation, which may lead to greater end-user uptake, connected TV ad revenues will rise to \$51 billion in 2029 – equal to 45% of traditional broadcast TV advertising.

For now, connectivity remains the largest category, with spending reaching US\$1.3 trillion in 2029, growing at CAGR of 2.8% and driven mainly by mobile internet service revenue. However, advertising's pronounced growth rates are set to see the gulf between connectivity and advertising spend rapidly narrow by 2029.

-Real Estate Industry:

Despite prevailing global economic uncertainty, the Indian real estate sector has demonstrated sustained momentum over the past year, emerging as a key pillar of the nation's economic revival. It continues attracting strong interest from domestic and international investors, driven by structural reforms, urbanisation and evolving consumer aspirations.

In particular, India's residential real estate market has rebounded sharply in the post-pandemic period. From FY 2019 to 2025, total residential sales in major cities have surged by nearly 77% per cent, underscoring buyer confidence from FY 2019 to FY 2025. Primary transactions, comprising under construction homes sold by developers, accounted for 57% per cent of the total transactions in FY 2025. Secondary transactions, involving the resale of properties, made up the remaining 43% per cent, showing a notable shift from the 38% per cent share recorded in FY 2019.

India's residential market maintained its upward momentum in FY2024-25, though trends varied by price segment. Affordable housing saw mixed results—sales fell 9% YOY in Q1 2025, but unsold inventory reduced by 19%, indicating gradual absorption. Growth remained restricted due to limited new launches and a developer shift toward premium housing. Despite affordability challenges, steady end-user demand helped clear inventory.

Luxury housing (above INR 1 crore) surged from 2019 to 2025, driven by higher incomes, lifestyle changes, and targeted developer efforts.

The industrial and warehousing sector maintained its growth, driven by 3PL players, e-commerce, 'Make in India,' and rising logistics needs for shifting consumer and supply chain dynamics.

Office leasing rebounded sharply in FY2025, hitting record levels. Demand surged due to GCCs, IT/ITES, e-commerce, and flexible workspaces, especially in Tier 1 cities and emerging Tier 2 hubs. India's office market shows strong absorption and positive rental growth. *(Source: Square yards report)*

Opportunities & Threats:

-In Media and Entertainment Industry:

Opportunities:-

- **Rapid Digitalization and Technological Advancements:** The advent of digital platforms and the increasing penetration of the internet across India present significant opportunities for growth in the media and entertainment industry. The rise of Over-The-Top (OTT) platforms such as Netflix, Amazon Prime, and Hotstar has revolutionized content consumption patterns, offering vast potential for content creators and distributors to reach a larger audience. (*KPMG India, "India's Digital Future,"*)
- **Growing Middle Class and Increased Disposable Income:** The expanding middle class and rising disposable income levels in India have led to higher consumer spending on entertainment. This trend is expected to drive demand for diverse and high-quality content across various media formats, including films, television, and digital media. (*Source: PwC India, "Entertainment and Media Outlook 2023-2027," 2023*)
- **Regional Content Expansion:** There is a growing demand for regional content as audiences increasingly seek content in their native languages. This presents an opportunity for media companies to produce and distribute content tailored to regional preferences, thereby capturing a larger market share. (*Source: FICCI-EY, "Reimagining India's M&E Sector"*)
- **Advertising Revenue Growth:** The Indian advertising market is projected to grow significantly, driven by increased spending by brands on digital advertising. The proliferation of social media platforms and the integration of advanced data analytics offer lucrative opportunities for targeted advertising. (*Source: Dentsu India, "Digital Advertising in India,"*)
- **Expansion of Film and Television Production:** The global success of Indian films and television shows has opened up opportunities for co-productions and collaborations with international studios. This expansion can lead to increased investment in the Indian entertainment industry and the creation of high-quality content for both domestic and international audiences. (*Source: Deloitte, "The Future of Indian Entertainment,"*)

Threats:-

Accelerating secular trends across the entire media ecosystem. Worsening declines in linear TV and shifts in advertising away from legacy media could weaken media issuers' credit metrics.

Failure to scale streaming. Not all media companies will build scale with their streaming services. There will likely be a maximum number of streaming services the world needs.

Macroeconomic weakness/geopolitical shocks/a global trade war could hurt consumer discretionary spending, which will affect streaming subscription growth and advertising.

The potential for sustainable streaming profitability margins. Disney recently provided guidance for 10% operating income margins by 2026 and double-digit margins longer-term, and Netflix is approaching sustainable 30% margins. This level may be out of reach for legacy media companies with smaller global scale and greater dependence on high-priced sports programming.

Media consolidation. With the change in U.S. administration and expectations for a more lenient regulatory environment, mergers and acquisitions (M&A) look more likely. However, we believe continued regulatory bias against tech companies, a lack of capital for legacy media companies, sizable differences in perceived valuation, and cultural issues will limit significant M&A in 2025.

AI presents both opportunities and risks. Companies have already identified, and in some cases already implemented, ways in which AI could unlock material workflow efficiencies. How AI can be used to create content is still being determined and may be fraught with legal and regulatory risk.

In conclusion, while the media and entertainment industry in India is poised for significant growth driven by digitalization, rising consumer demand, and regional content expansion, it must navigate challenges such as piracy, regulatory hurdles, intense competition, economic uncertainties, and technological disruptions. By strategically leveraging opportunities and mitigating threats, industry players can achieve sustainable growth and success.

-In Real Estate Industry:

Opportunities:-

- **Housing Demand:** Economic growth, rising income levels, and stabilized housing prices have led to increased demand for homes. The shift to remote and hybrid work models is driving the need for more spacious living arrangements, with flexible work options allowing employees to live further from their offices, boosting residential property demand.
- **Sector Consolidation:** The Indian real estate sector, historically fragmented, is undergoing significant consolidation. The pandemic has accelerated this trend, sidelining weaker participants and creating opportunities for dominant developers to meet the growing housing demand.
- **Affordable Housing:** Affordable housing remains a key focus for developers and the government. The new Union budget's Middle-Class Housing Scheme and the Pradhan Mantri Awas Yojana (PMAY) target significant housing development, indicating a surge in demand for affordable homes, supported by economic revival and rising incomes.
- **Digital Real Estate Sales:** Digital marketing is crucial for real estate sales. Developers are leveraging technology to engage with buyers, offer virtual tours, and facilitate online property purchases. Advanced tools like VR, AR, and AI-driven chatbots enhance customer experiences, with online transactions expected to grow.

Threats:-

• Economic and financial pressures:

Global economic volatility and elevated domestic interest rates impacted homebuyer affordability and increased the cost of capital for developers. As housing prices rose faster than incomes, affordability constraints became more pronounced, particularly in mid income and affordable segments. Private equity remained active, but fundraising for early-stage projects tightened.

• Economic and financial pressures:

Supply chain disruptions, rising material costs, and margin pressures strained project viability. Developers needed to diversify sourcing and manage budgets carefully to sustain timelines. Additionally, growing sustainability expectations, particularly for commercial Grade A assets, added incremental compliance costs, although ESG adoption remains at an early stage in India.

• Regulatory and approvals hurdles:

Land acquisition complexities, delayed environmental clearances, and slower municipal approval processes continued to cause project delays and added execution risk. While regulatory reforms like RERA have improved sectoral transparency, procedural hurdles remain particularly acute for new developments and smaller players.

• Urbanisation and infrastructure gaps:

Urban expansion continued to outpace infrastructure creation, leading to congestion and pressure on civic amenities, especially in Tier-2 and emerging Tier-3 cities. Infrastructure bottlenecks affected project attractiveness and viability beyond metro locations.

• **Digital transformation and cybersecurity risks:**

The push towards technology driven real estate, including smart homes and digital transactions, has increased vulnerabilities to cybersecurity risks. Protecting sensitive data and adapting internal processes became essential, requiring additional investments by developers and service providers.

Outlook:

Media and Entertainment Industry: The global entertainment & media (E&M) industry edged towards US\$3 trillion in revenue in 2024 and is forecast to hit \$3.5 trillion in 2029 as advertising spend surges across platforms, according to PwC's Annual Global Entertainment & Media Outlook 2025-29, released today.

The E&M industry is projected to grow at a compound annual growth rate (CAGR) of 3.7% until 2029 – a rate above the projected global economic growth average, but below pre-pandemic highs. Economic uncertainty and anaemic consumer spending growth, amid heightened domestic and international competition in the industry, is expected to weigh on E&M growth rates through the forecast period until 2029.

As growth for paid or subscription products slows amid heightened industry competition and constrained consumer spending – particularly in mature markets – advertising is forecast to represent a significant driver of revenue growth for the E&M industry at-large.

Of the three major E&M categories analysed (connectivity, advertising, consumer), advertising is expected to grow fastest – three times as fast (6.1% CAGR) as the consumer category (2%).

The fastest growing E&M revenue metrics over the next five years are all advertising driven – including retail advertising (15%), social and mobile on-stream video advertising (15%), and connected TV in-stream internet advertising (14%). Digital formats, which account for 72% of overall ad revenue in 2024, will rise to 80% in 2029, with new technologies including AI and hyper-personalisation expected to drive this even further. High growth areas include retail search advertising in e-shopping (rising from 32.7% in 2020 to 45.5% in 2029) and advertising in video games (rising from 32.8% in 2024 to 38.5% in 2029).

AI is impacting the E&M industry in many ways. One of the areas in which it is likely to influence revenue growth is in connected TV (any television that connects to the internet to stream video content). In 2020, connected TV advertising revenue equated to just 5.9% of total traditional broadcast TV advertising. In 2024, this figure had jumped to 22%. But with the rise of digital engagement and the prospect of AI-assisted hyper-personalisation, which may lead to greater end-user uptake, connected TV ad revenues will rise to \$51 billion in 2029 – equal to 45% of traditional broadcast TV advertising.

For now, connectivity remains the largest category, with spending reaching US\$1.3 trillion in 2029, growing at CAGR of 2.8% and driven mainly by mobile internet service revenue. However, advertising's pronounced growth rates are set to see the gulf between connectivity and advertising spend rapidly narrow by 2029.

Real Estate Industry: India's real estate sector enters FY 2025–26 on a resilient footing, supported by structural drivers such as urbanisation, infrastructure expansion, capital market innovations, and accelerating digitalisation. Despite global uncertainties and domestic affordability challenges, the sector is expected to continue evolving towards greater institutionalisation, technological integration, and sustainable growth.

Residential demand is anticipated to sustain its momentum, driven by the mid-income and premium segments, while affordable housing may face ongoing affordability pressures. Developers are expected to strategically pivot towards well-connected suburban hubs and Tier-2 cities, leveraging infrastructure-led growth corridors. Cities like Jaipur, Bhubaneswar, Nagpur, and Vishakhapatnam are becoming growth hotspots due to increased government focus on regional development and rising employment opportunities outside of traditional metros. Developers are shifting focus from high-end to volume-based affordable projects that offer greater sales velocity and cater to the aspirations of India's growing middle class. At the same time, the concept of "live-work play" communities—self-sustained townships offering integrated amenities—is gaining momentum among urban homebuyers.

Commercial real estate will likely remain robust, fuelled by the continued expansion of global capability centres (GCCS), technology sector leasing, and growing tenant demand for flexible, ESG-compliant Grade A office spaces. Digitalisation, tenant experience upgrades, and smart asset management will become increasingly critical for maintaining occupancy and rental growth. Office spaces will not disappear but will evolve to become more flexible, collaborative, and technology-enabled. The demand for Grade A offices, tech parks, and managed co-working spaces is expected to remain strong, especially in IT hubs like Bengaluru, Hyderabad, Pune, and Chennai. Further, India is fast becoming a global hub for data centres, thanks to the exponential rise in digital consumption, which is attracting heavy investment from technology firms and global investors.

Industrial and logistics assets are poised for further expansion, supported by domestic manufacturing incentives (PLI schemes), fuelled by the boom in e-commerce, rapid digitisation of retail, and the push for robust supply chain networks. This sector is shifting from fragmented, unorganised setups to institutional grade warehousing parks. The implementation of GST and the National Logistics Policy is helping to streamline operations and attract foreign direct investment (FDI) in this space.

Investment trends are expected to deepen around platform-led acquisitions, strategic mid-sized consolidations, and expanding REIT platforms. The evolution of small and medium REITs (SM REITs) is unlocking new investor participation, and emerging innovations such as real estate tokenisation—although still nascent—offer the potential to further democratise ownership and enhance liquidity in traditionally illiquid asset classes.

Technology integration will continue to reshape the sector, with AI, blockchain, IoT, and data-driven asset management transforming development, leasing, and customer engagement models. Cybersecurity, data protection, and smart infrastructure investments will become core operational priorities. A defining trend in the coming years will be adopting sustainable practices and green building standards. With increased awareness of climate change and pressure from regulators and investors, real estate players are moving toward net-zero buildings, energy efficient materials, and ESG-compliant designs. Smart home technologies integrated with AI and IoT will also become mainstream, as consumers prioritise security, convenience, and energy conservation.

INDEPENDENT AUDITOR'S REPORT**To the Members of
Vashu Bhagnani Industries Limited
Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of Vashu Bhagnani Industries Limited (the Company), which comprise the Balance Sheet as at 31st March, 2025, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

The Company's profit / (loss) are dependent on proper accounting of Revenue and are therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.

Auditor's response

Our audit procedures with regard to revenue recognition included testing controls, automated and manual, inventory reconciliations and assessing the recoverability of trade receivable balances, substantive testing for cut-offs and analytical review procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the report of the Board of Directors including Annexures thereto, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

A. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 1B(vi) below on reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) The modification relating to maintenance of accounts and other matters connected therewith are as stated in the paragraph 1A(b) above on reporting under section 143(3)(b) of the act and paragraph 1B(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at 31st March, 2025 on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company did not declare or paid dividend during the year, accordingly compliance with Section 123 of the Act is not applicable.
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended 31st March 2025 which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail, where enabled has been preserved by the company as per the statutory requirements for record retention.

	Total	905.70		

- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- (ix) (a) Based on our audit procedures and according to the information and explanations given by the management and as per the books of accounts, the Company has taken unsecured loan from a related party which is repayable on demand, further the Company has not defaulted in repayment of such loan and the payment of interest thereon.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries companies.
- (x) (a) During the year, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented by the management, there are no whistle blower complaints received by the company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a

period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx)(a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) There are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects requiring a transfer to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

Annexure - B to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Vashu Bhagnani Industries Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements for the year ended 31st March, 2025

NOTE - 1 CORPORATE INFORMATION

Vashu Bhagnani Industries Limited ("the Company" or "VBIL") is engaged in film production and other related activities. The company is a public limited company incorporated and domiciled in India and has its registered office at FLAT NO 1, COELHO HOUSE, NO 2 JUHU VASANT BABA CHS LTD, JUHU TARA ROAD, JUHU, NEAR SEA PRINCES HOTEL, Juhu, Mumbai, Maharashtra, India, 400049

NOTE - 2 MATERIAL ACCOUNTING POLICIES

2.01 Basis of preparation of financial statements

The financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

2.02 Foreign currency translation

(i) Functional and presentation currency Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The standalone financial statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

(ii) Transactions and balances Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit and loss are also recognised in OCI or profit and loss, respectively).

2.03 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Significant estimates used by the management in the preparation of these financial statements include, classification of assets and liabilities into current and non-current, estimates of the economic useful lives of fixed assets. Any revision to accounting estimates is recognised prospectively.

2.04 Tangible Fixed Assets - Property Plant and Equipment

Tangible fixed assets are stated at cost less accumulated depreciation. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

2.05 Inventories

Inventory comprises of unamortised cost of films and cost incurred till date for under production films. The cost of films is amortised in the ratio of current revenue to expected total revenue. At the end of each accounting period, balance unamortised cost is compared with net expected revenue. If net expected revenue is less than unamortised cost, the same is written down to net expected revenue.

Expenses of under production films incurred till the films are ready for release are inventoried.

2.06 Investments:

All long-term investments are valued at cost. Provision for diminution in the value of each long-term investment is made to recognise a decline other than a temporary nature. Current Investments are carried individually at lower of cost or fair value and the resultant decline is charged to the revenue.

2.07 Revenue Recognition

The Company has adopted Ind AS 115, Revenue from Contract with Customers with effect from 1st April 2018.

Film production and related income

Revenue is measured at the Transaction price of the consideration received or receivable. Revenue from production of movie is recognized on assignment/ sale of the rights in the concerned movie from the date of their availability for exploitation or on the date of release of the movie and in some other cases as per the terms of movie production agreements entered into with the customer, as applicable.

Revenue from other rights in the movie such as satellite rights, overseas rights, music rights, video rights, etc., is recognized on assignment/ sale of the rights in the concerned movie from the date of their availability for exploitation, as applicable.

Interest income

Interest income is recognised on a time proportion basis.

2.08 Depreciation:

Depreciation on Tangible fixed assets are provided for in accordance with schedule II of the Companies Act, 2013. Depreciation on addition/deduction during the year has been provided on

Pro-rata basis.

2.09 Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Provision for current income tax is made on current tax rate based on assessable income computed under Income Tax Act 1961 or Book profit is computed under section 115JB (MAT) whichever is higher. MAT credit is recognised subject to requirement of virtual certainty that sufficient future taxable income will be available for set off.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognized unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

2.10 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, call deposits and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.11 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i) Financial assets

Classification

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. However, trade Receivables that do not contain a significant financing component are measured at transaction price

Debt instruments

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
 - After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.
 - Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognised in the statement of profit and loss.

Equity instruments

The Company subsequently measures all equity investments in companies other than equity investments in subsidiaries, at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

De-recognition

- A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:
 - The rights to receive cash flows from the asset have expired, or
 - The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

- When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

- Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance

b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ii) Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit and loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.12 Earning Per Share:

Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of the equity shares outstanding during the period.

2.13 Current vs non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current

classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.14 Key estimates and assumptions

• Provisions and contingent liabilities

The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

• Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The finance team has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the CFO.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

2.15 Impairment of Tangible assets

Carrying amount of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit & loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.16 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the company.

2.17 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (upto 2 decimal) as per the requirement of Schedule III, unless otherwise stated.

2.18 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 - Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements. On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

NOTE NO.26
Financial instruments – Fair values and risk management
A. Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

Financial assets	As at 31 March 2025						
	Carrying amount			Fair value			
	Fair value through profit and loss	Amortised Cost	Total	Level 1	Level 2	Level 3	Total
Cash and cash equivalents (Including other bank balances)	-	43.66	43.66	-	-	-	-

TOTAL	-	2,198.98	2,198.97	-	-	-	-

Financial assets	As at 31 March 2024						
	Carrying amount			Fair value			
	Fair value through profit and loss	Amortised Cost	Total	Level 1	Level 2	Level 3	Total
Cash and cash equivalents (Including other bank balances)	-	13.15	13.15	-	-	-	-

TOTAL	-	4,182.96	4,182.96	-	-	-	-

Carrying amounts of cash and cash equivalents, trade receivables and trade payables as at March 31, 2025 and 2024, approximate the fair value due to their nature. Carrying amounts of, other financial assets and other financial liabilities which are subsequently measured at amortised cost also approximate the fair value due to their nature in each of the periods presented.

Fair values for financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three-level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity and debt securities.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Unquoted Equity / Debt Securities	At Cost	Not applicable	Not applicable
There are no transfers between the levels			

C. Financial risk management

The Company is exposed primarily to fluctuations in foreign currency exchange rates, credit, liquidity and interest rate risks, which may adversely impact the fair value of its financial instruments. The Company has exposure to the following risk arising from the financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

i. Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

Financial instruments that are subject to credit risk consist of trade receivables, loans, investments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company result in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation. The Company has obtained fund and non-fund based working capital lines from one bank. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

As at 31st March, 2025, the Company had working capital of ₹.5631.67 Lakhs, including cash and cash equivalents of ₹.43.66 Lakhs.

As at 31st March, 2024, the Company had working capital of ₹.4234.65 Lakhs, including cash and cash equivalents of ₹.13.15 Lakhs.

Exposure to liquidity risk

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities:

Contractual cash flows						
As at 31st March 2025	Carrying amount	Total	1 year or less	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Borrowings	83.00	83.00	83.00	-	-	-
Trade payables	2,110.73	2,110.73	2,110.73	-	-	-
Other financial liabilities	5.25	5.25	5.25	-	-	-

Contractual cash flows						
As at 31st March 2024	Carrying amount	Total	1 year or less	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Borrowings	1,161.17	1,161.17	1,161.17	-	-	-
Trade payables	2879.06	2879.06	2879.06	-	-	-
Other financial liabilities	142.73	142.73	142.73	-	-	-

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates.

For details of the Company's short-term loans and borrowings, including interest rate profiles, refer to Note of these financial statements.

Particulars		
	As at 31st March, 2025	As at 31st March, 2024
Fixed-rate instruments		
Financial liabilities	83.00	1,161.17
Total	83.00	1,161.17

There are no variable rate instruments (Financial assets and Financial liabilities)

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

NOTE NO. 29**Capital Management**

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Company monitors capital using a ratio of 'net debt' to 'equity'. For this purpose, net debt is defined as total debt, comprising loans and borrowings less cash and cash equivalents and current investments.

The Company's net debt to equity ratio as at 31st March 2025 and 31st March 2024 is as follows.

Particulars	(Rs in Lakhs)	
	As at 31st March, 2025	As at 31st March, 2024

INDEPENDENT AUDITORS' REPORT

**To the Members of
Vashu Bhagnani Industries Limited**

Report on the Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of Vashu Bhagnani Industries Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31st March, 2025, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2025, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statement.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

The Company's profit / (loss) is dependent on proper accounting of Revenue and is therefore susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the year.

Auditor's response

Our audit procedures with regard to revenue recognition included testing controls, automated and manual, inventory reconciliations and assessing the recoverability of trade receivable balances, substantive testing for cut-offs and analytical review procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Board of Directors including Annexures thereto, Management Discussion and Analysis Report, but does not include the consolidated financial statements, and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles

generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid. In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system with reference to financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters,

the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of the foreign subsidiaries, whose financial results include total assets of Rs.11,936.49 lakhs, total revenue of Rs.710.87 lakhs, total net profit after tax of Rs.597.06 lakhs, total comprehensive income of Rs.420.69 lakhs and net cash outflow of Rs.1642.78 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by the other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

1. A) As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books except for the matter stated in paragraph 1(B)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company, as on 31st March, 2025 and taken on record by the Board of Directors of respective companies, none of the directors of the Group Companies incorporated in India is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure A.
 - g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. Further the only Indian Subsidiary has not paid any remuneration to its directors during the current year.
 - h) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 1(A)(b) above on reporting under section 143(3)(b) of the Act and paragraph 1(B)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

- B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations as at 31st March, 2025 on the consolidated financial position of the Group.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March, 2025.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India during the year ended 31st March, 2025.
 - iv. (a) The respective Managements of the Company and its subsidiary incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Managements of the Company and its subsidiary incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company did not declared or paid dividend during the year, accordingly compliance with section 123 of the Act is not applicable.
 - vi. Based on our examination which included test check and as communicated by the respective auditor of subsidiary, the holding company and its subsidiary company incorporated in India has used accounting software for maintaining its Books of accounts which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the respective softwares. Further for the period where audit trail (edit log) facility was enabled and operated for the respective accounting software, we did not come across any instance of audit trail features being tampered with.
- Additionally, the audit trail, where enabled has been preserved by the company as per the statutory requirements for record retention
2. With respect to the matters specified in paragraphs 3(xxii) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, the Company has only one wholly owned foreign subsidiary hence reporting under the said clause of the order is not applicable.

Annexure - A to the Independent Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2025, we have audited the internal financial controls over financial reporting of Vashu Bhagnani Industries Limited ("the Company") and its subsidiary company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary company incorporated in India, have, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2025, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE - 2 MATERIAL ACCOUNTING POLICIES**2.01 Basis of preparation of financial statements**

a) The consolidated financial statements have been prepared in compliance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

b) Basis of consolidation

Subsidiary is an entity over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiary have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiary is shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Name of the Subsidiary Company - Morden Production FZ LLC (100% subsidiary)

Country of Incorporation - United Arab Emirates

Name of the Indian Subsidiary -Pooja Lesiure and Lifestyle (90% subsidiary)

c) Foreign currency translation**Functional and presentation currency:**

Items included in the consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian rupees, which is the Group's functional and presentation currency.

Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit and loss are also recognised in OCI or profit and loss, respectively).

2.02 Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Significant estimates used by the management in the preparation of these consolidated financial statements include, classification of assets and liabilities into current and non-current, estimates of the economic useful lives of fixed assets, Any revision to accounting estimates is recognised prospectively.

2.03 Tangible Fixed Assets - Property Plant and Equipment

Tangible fixed assets are stated at cost less accumulated depreciation. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

2.04 Inventories

Inventory comprises of unamortised cost of films and cost incurred till date for under production films. The cost of films is amortised in the ratio of current revenue to expected total revenue. At the end of each accounting period, balance unamortised cost is compared with net expected revenue. If net expected revenue is less than unamortised cost, the same is written down to net expected revenue.

Expenses of under production films incurred till the films are ready for release are inventoried.

2.05 Investments:

All long-term investments are valued at cost. Provision for diminution in the value of each long-term investment is made to recognise a decline other than a temporary nature. Current Investments are carried individually at lower of cost or fair value and the resultant decline is charged to the revenue.

2.06 Revenue Recognition

The Group has adopted Ind AS 115, Revenue from Contract with Customers with effect from 1st April 2018.

Film production and related income

Revenue is measured at the fair value of the consideration received or receivable. Revenue from production of movie is recognized on assignment/ sale of the rights in the concerned movie from the date of their availability for exploitation or on the date of release of the movie and in some other cases as per the terms of movie production agreements entered into with the customer, as applicable. Revenue from other rights in the movie such as satellite rights, overseas rights, music rights, video rights, etc., is recognized on assignment/ sale of the rights in the concerned movie from the date of their availability for exploitation, as applicable.

Interest income

Interest income is recognised on a time proportion basis.

2.07 Depreciation:

Depreciation on Tangible fixed assets are provided for in accordance with schedule II of the Companies Act, 2013. Depreciation on addition/deduction during the year has been provided on Pro-rata basis.

2.08 Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Provision for current income tax is made on current tax rate based on assessable income computed under Income Tax Act 1961 or Book profit is computed under section 115JB (MAT) whichever is higher. MAT credit is recognised subject to requirement of virtual certainty that sufficient future taxable income will be available for set off.

Deferred tax assets and liabilities are recognised for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the Balance Sheet date. Deferred Tax assets are not recognized unless, in the management judgment, there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The carrying amount of deferred tax is reviewed at each balance sheet date.

2.09 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, call deposits and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

i) Financial assets**Classification**

The Company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset. However, trade Receivables that do not contain a significant financing component are measured at transaction price

Debt instruments

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- . After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss.
- . Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognised in the statement of profit and loss.

Equity instruments

The Company subsequently measures all equity investments in companies other than equity investments in subsidiaries, at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit and loss as other income when the Company's right to receive payments is established.

De-recognition

- A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:
 - The rights to receive cash flows from the asset have expired, or
 - The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.
- Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance
- b) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ii) Financial liabilities**Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit and loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognised in OCI. These gains/losses are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.11 Earnings Per Share:

Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of the equity shares outstanding during the period.

2.12 Current vs non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.13 Key estimates and assumptions

• Provisions and contingent liabilities

The Company exercises judgment in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

• Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has an established control framework with respect to the measurement of fair values. The finance team has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the CFO.

They regularly review significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values then the finance team assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

2.14 Impairment of Tangible assets

Carrying amount of assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit & loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.15 Provisions and contingencies

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the company.

2.16 Rounding of amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III, unless otherwise stated.

2.17 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 - Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements. On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

Fair values for consolidated financial instruments carried at amortised cost approximates the carrying amount, accordingly the fair values of such financial assets and financial liabilities have not been disclosed separately.

B. Measurement of fair values

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three-level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 Hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. e.g. unlisted equity and debt securities.

Transfers between Levels

There have been no transfers between Levels during the reporting periods

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Level 3:			
Unquoted Equity / Debt Securities	At Cost	Not applicable	Not applicable

There are no transfers between the levels

C. Financial risk management**i. Risk management framework**

The Group's board of directors has overall responsibility for the establishment and oversight of the group's risk management framework. The board of directors are responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

Financial instruments that are subject to credit risk consist of trade receivables, loans, investments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company result in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure.

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

Trade and other receivables

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation. The Company has obtained fund and non-fund based working capital lines from one bank. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

As at 31st March, 2025, the Company had working capital of ₹.12258.60 Lakhs, including cash and cash equivalents of ₹.79.66 Lakhs.

As at 31st March, 2024, the Company had working capital of ₹.5401.48 Lakhs, including cash and cash equivalents of ₹.110.38 Lakhs.

Exposure to liquidity risk

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities:

Contractual cash flows						
As at 31st March 2025	Carrying amount	Total	1 year or less	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Borrowings	83.00	83.00	83.00	-	-	-
Trade payables	4,649.22	4,649.22	4,649.22	-	-	-
Other financial liabilities	5.25	5.25	5.25	-	-	-

As at 31st March 2024	Carrying amount	Total	1 year or less	1-2 years	2-5 years	More than 5 years
Non-derivative financial liabilities						
Borrowings	1,161.17	1,161.17	1,161.17	-	-	-
Trade payables	5,250.62	5,250.62	5,250.62	-	-	-
Other financial liabilities	142.73	142.73	142.73	-	-	-

iv. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk

and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. For details of the Company's short-term loans and borrowings, including interest rate profiles, refer to Note of these financial statements.

Particulars	(Rs. in Lakhs)	
	As at 31st March, 2025	As at 31st March, 2024
Fixed-rate instruments		
Financial liabilities	83.00	1,161.17
Total	83.00	1,161.17

There are no variable rate instruments (Financial assets and Financial liabilities)

Interest rate sensitivity - fixed rate instruments

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

NOTE NO. 34

Capital Management

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Group monitors capital using a ratio of 'net debt' to 'equity'. For this purpose, net debt is defined as total debt, comprising loans and borrowings less cash and cash equivalents and current investments.

The Group's net debt to equity ratio as at 31st March 2025 & 31st March 2024 is as follows.
