In the business-to-business model, businesses and organizations exchange goods and services. For example, one company may contract with another business to provide the raw materials needed to manufacture a product.

B2B (business-to-business), a type of electronic commerce (e-commerce), is the exchange of products, services or information between businesses, rather than between businesses and consumers (B2C). A B2B transaction is conducted between two companies, such as wholesalers and online retailers.

- Business buying is a complicated process
- Rational buying
- Complexity of products
- Less number of buyers and probably more sellers
- Fewer segmentation and needs
- Building personal relationships
- Long-term buying
- Business-to-business (B2B) marketers need to focus on innovation
- Looks & packaging do not matter
- Branding and sub-branding

| Chairman's message

Chandra Sekhar

Dear Shareholders,

As we reflect on the fiscal year 2024-25, I am pleased to report that our company has demonstrated remarkable resilience amidst challenging environment like the previous financial year.

Performance Highlights

Our revenues increased by 54% over the previous year however the Company had incurred a net loss of Rs. 1051.35 lakh (before tax) on account of recognition of foreign exchange variation on FCCBs. The Company has earned a net profit of Rs. 241.75 Lakhs prior to recognition of foreign exchange variation as against a net profit Rs. 81.89 Lakhs (before tax) in the previous year.

We are glad to inform the members that the Foreign Currency Convertible Bonds have all been converted into equity shares.

We are also proud to have listed the shares of our company on the National Stock Exchange.

Challenges Faced

The year was not without its challenges. These challenges were particularly due to increasing manpower costs and availability of skilled manpower, which tested our agility and resilience. However, through strategic planning and decisive action, we were able to mitigate their impact and continue our growth trajectory. Our ability to adapt quickly and effectively to these challenges has strengthened our foundation for future success.

People and Culture

Our people are our greatest asset, and their dedication and hard work have been instrumental in our success. We have continued to invest in our employees' development and well-being, fostering a culture of inclusivity, collaboration, and continuous learning. I am proud of the diverse and talented team we have built, and I am confident that they will continue to drive our growth in the years to come.

Future Goals

In the beginning of the current financial year we have focussed on the testing of our electronic health record platform www.indusayush.in. We are seeing reasonable traction for the platform. Looking ahead, we are committed to building on our successes and exploring new avenues for growth. Our strategic goals for the upcoming year include:

1. Expanding Market Presence:

We aim to launch at least three technology platforms and innovative offerings.

2. Enhancing Digital Capabilities:

We will continue to invest in digital transformation initiatives to improve operational efficiency, customer experience, and data-driven decision-making.

3. Fostering Innovation:

We will prioritize research and development to bring new and improved platforms and

services to market, ensuring we stay ahead of industry trends and meet customer needs.

4. Investing in Our People:

We will continue to support the growth and development of our employees, fostering a culture of innovation, collaboration, and inclusivity.

In closing, I would like to express my gratitude to our shareholders, customers, partners, and employees for their unwavering support and trust. Together, we have achieved remarkable milestones, and I am excited about the opportunities that lie ahead.

Thank you for your continued confidence in our company.

Yours Sincerely

P. Chandra Sekhar

5. Pursuant to aforesaid MCA Circulars, the facility for appointment of proxies by the Members will not be available. Since the AGM will be held through VC/OAVM, route map, proxy form and attendance slip are not annexed to the Notice.
6. The Explanatory Statement as required under Section 102 of the Act, is annexed hereto. Further, additional information, inter-alia, pursuant to Regulation 26(4) and 36 of the Listing Regulations, in respect of Directors seeking appointment/re-appointment at the AGM, forms part of the Notice and/or Annual Report
7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
9. The register of beneficial owners' registers of members and share transfer books of the Company will remain closed from **24th September 2025 to 30th September 2025** (both days inclusive).
10. Members are requested to notify immediately, of any change in their address, to the Company in case their shares are held in dematerialized form; this information should be passed on so that the updated information as required can be made available at the meeting.
11. Members holding shares in physical form are requested to de-materialize the shares in electronic form to facilitate faster transfer and avoid rejections for bad deliveries. The Original Share Certificates be sent to Aarthi Consultants (P) Ltd, 1-2-285, Domalguda, Hyderabad-500029.
12. Members seeking any information or clarifications on the Annual Report are requested to send in their written queries to the company at least one week before the meeting to enable the company to compile the information and provide replies at the meeting.
13. The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members are requested to register their e-mail addresses in respect of

electronic holdings with the depository through their concerned Depository Participants. Members who hold shares in physical form are requested to send their e-mail address to the following:

Item No 5: To Allot Equity Shares on a preferential basis to Mrs. P. Rajeswari , legal heir of Late Mr. P.C.Pantulu, Ex-CEO of the Company.

The following disclosure for the preferential issue of Equity Shares is made in accordance with the provisions of Chapter VII of SEBI (ICDR) Regulations 2018 ("the Regulations").

The Company has a balance outstanding loan of Rs.8,60,00,000/- (Rupees Eight Crores Sixty Lakhs Only) payable to Mrs. P. Rajeswari (Proposed allottee) , the legal heir of Mr. P.C. Pantulu the Promoter of the Company. The Company requested Mr. P.C. Pantulu to convert outstanding loan into equity to reduce the cash outflow from the Company and to improve financial position. Mr. P.C. Pantulu has agreed to convert an amount of Rs 15,00,00,000/- (Rupees Fifteen Crores only) into equity. In the interim after approval of the loan agreement and MOU, by its Board of Directors on 30th May 2022 and shareholders in the Annual General Meeting held on 19th September 2022, Mr. P.C. Pantulu died on 27th November 2022. His wife Mrs. P. Rajeswari has submitted a request along with a No Objection from their children, seeking allotment of shares. Based on the said request, the Board has allotted 2,00,00,000 Equity Shares (Two Crore only) Equity Shares of the face value of Rs.2/- (Rupees Two only) each fully paid up at an issue price of Rs.3.20 /- (Rupees Three and Paise Twenty only) including premium of Rs 1.20/- (Rupees One and Paise Twenty Only) per share to Mrs. P. Rajeswari, promoter of the Company by way of partial conversion of unsecured loan i.e upto Rs. 6,40,00,000 (Rupees Six Crore Forty Lakhs Only), on a preferential basis on 20th October 2023.

The Special Resolution as mentioned under **Item No. 5** proposes to authorize the Board to issue and allot equity these shares on preferential basis, in such manner and on such terms and conditions as prescribed under SEBI ICDR Regulations and in compliance with Sections 42 and 62 and other applicable provisions of the Companies Act, 2013, the Companies (Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debentures) Rules, 2014.

The following are the details of the unsecured loan sought to be converted into Equity Shares pursuant to this resolution:

S.No	Name of the Proposed Allottee	Amount of Balance Outstanding Loan as on 31-03-2025 (in Rs.)	Number of Equity Shares to be allotted	Balance of loan outstanding after conversion (in Rs.)
1	Mrs. P. Rajeswari	8,60,00,000	2,68,75,000	0.00

It may be noted that:

1. All equity shares of the Company are already made fully paid up as on date. Further, all equity shares to be allotted by way of preferential issue shall be made fully paid up at the time of the allotment.
2. All equity shares of the Company held by the Proposed Allottee, if any, are in dematerialised form.
3. The Company is in compliance with the conditions for continuous listing of equity shares as specified in the listing agreement with the Stock Exchange where the equity shares of the Company are listed and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), 2015, as amended, and any circular or notification issued by the SEBI thereunder.
4. The Company has obtained the Permanent Account Numbers of the Proposed Allottee.
5. The Proposed Allottee has represented and declared to the Company that she has not sold or transferred any equity Shares of the Company during the 90 trading days preceding the relevant date.
6. None of the Promoters and Directors of the Company are fugitive economic offender.
7. The Company does not have any outstanding dues to the Stock Exchange or the Depositories.
8. The Company will make the application for in-principle approval to the Stock Exchange, where its equity shares are listed, on the same day when the notice has been sent in respect of the Annual General Meeting seeking shareholders' approval by way of Special Resolution. In terms of Section 102 of the Companies Act, 2013 ("Act"), this Explanatory Statement sets out all the material facts in respect of aforementioned business. As required under Section 23, 42 and 62(1)(c) of the Act read with Rule 14(1) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 and Rule 13(2)(d) of the Companies (Share Capital and Debentures) Rules, 2014 and Regulation 163(1) of the Chapter V of the SEBI ICDR Regulations, necessary information, or details in respect of the proposed Preferential Issue of Equity Shares are as under:

A. Particulars of the offer including date of passing of Board resolution:

To create, issue, offer and allot up to **2,68,75,000** Equity Shares (Two Crores Sixty Eight Lakhs and Seventy Five Thousand Only) Equity Shares of the face value of Rs. 2/- (Rupees Two only) each fully paid up at an issue price of **Rs.3.20/-** (Rupees Three and Paise Twenty Only) including premium of **Rs 1.20/-** (Rupees One and Paise Twenty Only) per Equity share, being the price higher than the price determined in accordance with Chapter V (Preferential Issue) of the SEBI ICDR Regulations and upon such terms and conditions as may be deemed appropriate by the Board in accordance with the relevant provisions of SEBI ICDR Regulations, or other applicable laws in this regard.

The Board of Directors has approved afore mentioned Preferential Issue in their meeting held on Saturday the 30th August 2025.

B. The Objects of the Issue:

The object of this issue is to convert the outstanding unsecured loan received from Late Mr. P. C. Pantulu into Equity Shares to Mrs. P. Rajeswari ("Proposed Allottee") , legal heir of late Mr. P.C.Pantulu, Promoter & Ex CEO of the Company on a preferential basis upon conversion of total outstanding unsecured loan, as specified in the resolution and thereby to close the amount of outstanding liabilities of the Company.

C. Number of securities, kinds of securities offered and the price at which security is being offered:

To create, issue, offer and allot up to **2,68,75,000** Equity Shares (Two Crores Sixty Eight Lakhs and Seventy Five Thousand Only) Equity Shares of the face value of Rs. 2/- (Rupees Two only) each fully paid up at an issue price of **Rs.3.20/-** (Rupees Three and Paise Twenty Only) including premium of **Rs 1.20/-** (Rupees One and Paise Twenty Only) per Equity share, being the price higher than the price determined in accordance with Chapter V (Preferential Issue) of the SEBI ICDR Regulations and upon such terms and conditions as may be deemed appropriate by the Board in accordance with the relevant provisions of SEBI (ICDR) Regulations or other applicable laws in this regard.

D. Basis or justification for the price (including premium, if any) at which the offer or invitation is being made & Pricing of the preferential issue:

The Company is listed on BSE Limited & NSE Limited, and the Equity Shares of the Company are frequently traded in accordance with Regulation 164 of the SEBI (ICDR) Regulations.

The price of the Equity Shares to be allotted to the Proposed Allottee of the Company shall not be less than the price determined in accordance with the SEBI (ICDR) Regulations. Currently, SEBI (ICDR) Regulations provides that the pricing for the issue of securities on preferential basis by a listed Company is to be based on the following parameters:

a) In case of frequently traded shares (Regulation 164(1) of the SEBI (ICDR) Regulations:

If the equity shares of the Company have been listed on a recognised stock exchange for a period of 90 trading days or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

a. the 90 trading days' volume weighted average price of the related equity shares quoted on the recognised stock exchange preceding the relevant date; or

b. the 10 trading days' volume weighted average prices of the related equity shares quoted on a recognised stock exchange preceding the relevant date.

Provided that if the Articles of Association of the issuer provide for a method of determination which results in a floor price higher than that determined under these regulations, then the same shall be considered as the floor price for equity shares to be allotted pursuant to the preferential issue.

If the Articles of Association of the Company do not provide for any particular method of determination which results in a floor price higher than that determined under SEBI (ICDR) Regulations,

a) In case of Change in Control or allotment of more than five per cent. (Regulation 166A(1) of the SEBI (ICDR) Regulations):

Any preferential issue, which may result in a change in control or allotment of more than five per cent of the post issue fully diluted share capital of the issuer, to an allottee or to allottees acting in concert, shall require a valuation report from an independent registered valuer and consider the same for determining the price.

Though the present preferential issue does not result in any change on control, however the allotment is more than 05% of post issue capital. Therefore, valuation report from an independent registered valuer is required. The Valuation report is placed before the board of directors at its meeting held on 30-8-2025 for considerations. The Valuation report is placed on the website of the company at www.orchasp.com/investors/ under the tab disclosures & codes.

The issue Price of **Rs.3.20/-** (Rupees Three and Paise Twenty Only) is determined as higher of the floor price mentioned in (a) above or the value determined by the independent valuer.

E. The price or price band at/within which the allotment is proposed:

The price per Equity Share to be issued is fixed at **Rs.3.20/-** (Rupees Three and Paise Twenty Only) which consists of Rs.2/- (Rupees Two only) as Face Value and **Rs.1.20/-** (Rupees One and Paise Twenty Only) as premium per Equity Share. Kindly refer to the abovementioned point no. D for the basis of determination of the price.

F. Relevant Date with reference to which the price has been arrived at:

The "Relevant Date" as per Chapter V of the SEBI (ICDR) Regulations for the determination of the floor price for Equity Shares to be issued is Friday 29th August 2025 being the date 30 days prior to the date of Annual General Meeting.

G. The pre issue and post issue shareholding pattern of the Company:

The pre issue shareholding pattern of the Company as on 29th August 2025 and the post-issue shareholding pattern (considering full allotment of shares issued on preferential basis) is mentioned at Point L.

H. The class or classes of persons to whom the allotment is proposed to be made:

The allotment is proposed to be made to an Individual i.e., Mrs. P. Rajeswari, Promoter of the Company and legal heir of Late Mr. P.C. Pantulu, Promoter & Ex-CEO of the Company.

I. Proposal/Intention of Promoters, Directors, or Key Managerial Personnel to subscribe the offer:

The preferential issue is being made to Mrs. P. Rajeswari, Promoter of the Company, and who intends to subscribe to the Equity Shares. No shares are being offered to any other Directors or Key Managerial Personnel. This issue/offer is limited to the Promoter Mrs. P. Rajeswari on a preferential basis through acceptance of Loan agreement and MOU.

J. The proposed time within which the allotment shall be completed:

As required under the SEBI (ICDR) Regulations, the Company shall complete the allotment of the Equity Shares on or before the expiry of 15 (fifteen) days from the date of passing of the special resolution by the Members for issue and allotment of the Equity Shares, provided that where the issue and allotment of the shares is pending on account of pendency of any approval or permission for such issue and allotment by any regulatory authority, the issue and allotment shall be completed within a period of 15 (fifteen) days from the date of receipt of last of such approvals or permissions.

K. The identity of the Natural Persons who are the ultimate beneficial owners of the shares proposed to be allotted and/or who ultimately control the proposed allottee:

Name of the Proposed Allottee	Category	Ultimate Beneficial Owner

11. The Company is eligible to make the Preferential Allotment under Chapter V of the SEBI (ICDR) Regulations.

(X) Monitoring Agency:

Since the issue size is less than One hundred Crores Rupees, the Company will not be required to make arrangements for the use of proceeds of the issue to be monitored by Credit Rating Agency registered with SEBI pursuant to Regulation 162A of SEBI (ICDR) Regulations, 2018.

(Y) Approval under the Companies Act:

Section 62(1) of the Companies Act, 2013 provides, inter alia, that whenever it is proposed to increase the subscribed capital of a Company by further issue and allotment of shares/convertible warrants, such shares/ convertible warrants shall be first offered to the existing shareholders of the Company in the manner laid down in the said Section, unless the shareholders decide otherwise in General Meeting by way of special resolution.

Accordingly, the consent of the shareholders is being sought pursuant to the provisions of Section 62(1) of the Companies Act, 2013 and all other applicable provisions, SEBI Guidelines or Regulations and the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for authorizing the Board to offer, issue and allot convertible warrants as stated in the resolution, which would result in a further issuance of securities of the Company to the promoters and non- promoters on a preferential allotment basis, in such form, manner and upon such terms and conditions as the Board may in its absolute discretion deem fit.

The Board of Directors recommends the passing of the above resolution as a Special Resolution as set out in the Notice.

Except Mr. P. Chandra Sekhar, Managing Director and CFO of the Company, Mrs. P. Rajeswari, Proposed allottee, none of the other directors, key managerial personnel or their relatives is concerned or interested (financial or otherwise) directly/indirectly in the above said resolution.

The resolution as set out in **item No.5** of this Notice is accordingly recommended for your approval

Item No 6: To Approve Allotment of Equity Shares on a preferential basis to Global Focus Fund towards interest accrued on 1 % Unsecured Foreign Currency Convertible Bonds (FCCB's)

M/s Global Focus Fund having its registered and corporate office at AA, Capital International Limited, 3rd Floor, Manor House , 30, St Georges Street, Port Louis, Republic of Mauritius, had subscribed to the 1 % Unsecured Foreign Currency Convertible Bonds issued by the company in 2018.

Global Focus Fund has opted for conversion of the FCCB's into equity along with interest accrued as at the date of maturity or/ conversion of FCCB's into such number of equity shares as per as per SEBI (ICDR) regulations. However, the company and the Bond holders, did not mention the allotment of equity shares for the interest of 1% of the FCCB's at the time of seeking approval from shareholders at the AGM/EGM dated , application to BSE for inprincipal approval for FCCBs or in the offering circular dated 09th July 2018 to the subscribers. Thus, at the time of conversion of FCCB's into equity shares of the company along with accrued interest on FCCBs, the BSE advised the company to seek shareholders' approval for allotment of equity shares towards interest accrued.

The interest accrued and unpaid on the FCCB amounting to USD 5,00,000, i.e. Rs. 4,17,40,650/- as at the time of conversion of the FCCBs by allotment of equity shares of the company. The Bond holders M/s Global Focus Fund, have requested to convert the interest accrued into equity shares vide letter dated 08th July 2024. The company proposes to allot such number of equity shares to the bondholders subject to the approval of the shareholders in ensuing period. Hence the company is seeking approval from the shareholders.

The resolution as set out in **item No.6** of this Notice is accordingly recommended for your approval. None of the directors are interested parties to this resolution.

Item No 7: To Allot Equity Shares on a preferential basis to M/s WAHA AI Mesela for Contracting,(C.R.No 105596), upon conversion of his existing unsecured loan.

In continuation of the Resolution No 4 at the 29th Annual General Meeting approving and onfirming the Loan Agreement cum Memorandum of understanding of M/s WAHA AI Mesela for Contracting, held on 25th September 2023 which carried an incorrect name which has to be rectified as M/s Wahtulmsylh Llmqawlat. The company proposes to rectify the said error and thus, a revised agreement is entered by the company for the purpose. Hence this resolution.

The resolution as set out in **item No.7** of this Notice is accordingly recommended for your approval. Mr. Krishna Shankar, Additional Director is an interested party to this resolution.

This Remuneration Policy applies to the whole of the Company including directors, senior management including its Key Managerial Personnel (KMP) and other employees of the Company.

Guiding principle:

The guiding principle is that the remuneration and the other terms of employment should effectively help in attracting and retaining committed and competent personnel. While designing remuneration packages, industry practices and cost of living are also taken into consideration.

Statutory Requirements:

- Section 197(1) of the Companies Act, 2013 provides for the total managerial remuneration payable by the Company to its directors, including managing director and whole-time director, and its manager in respect of any financial year shall not exceed eleven percent of the net profits of the Company.
- Section 197(5) of the Companies Act, 2013 provides for remuneration by way of sitting fee to a director for attending meetings of the Board of Directors and Committee meetings or for any other purpose as may be decided by the Board.
- The Company with the approval of the Shareholders and Central Government may authorise the payment of remuneration exceeding eleven percent of the net profits of the Company, subject to the provisions of Schedule V of the Companies Act, 2013.
- The Company may with the approval of the shareholders authorise the payment of remuneration up to five percent of the net profits of the Company to its anyone Managing Director/Whole Time Director/Manager and ten percent in case of more than one such official.
- The Company may pay remuneration to its part-time directors, other than Managing Director and Whole Time Director up to one percent of the net profits of the Company, if there is a managing director or whole-time director or manager and three percent of the net profits in any other case.
- The net profits for the purpose of the above remuneration shall be computed in the manner referred to in Section 198 of the Companies Act, 2013.

Directors:

As per the policy followed by the Company since inception, the non-executive directors are paid remuneration in the form of sitting fees for attending Board and Committee meetings as fixed by the Board of Directors from time to time subject to statutory provisions. Presently, sitting fee is Rs. 2,500/- per Board meeting and per Committee meeting per Independent and Non-Executive Director on Board of the Company.

Remuneration of Whole Time Directors including Managing Director reflects the overall remuneration philosophy and guiding principle of the Company. At the time of considering the appointment and remuneration of Whole Time Directors, the members of the Nomination & Remuneration Committee (NRC) consider the pay and employment conditions in the industry, merit, seniority of the person and the payment capacity of the Company.

The NRC while designing the remuneration package, considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the Company successfully.

The NRC while considering a remuneration package must ensure a balance between fixed and performance linked variable pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

The NRC considers that a successful Remuneration Policy must ensure that some part of the remuneration package be linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The term of office and remuneration of Whole Time Directors are subject to the approval of the Board of Directors, shareholders and the limits laid down under the present applicable sections read with relevant rules of Companies Act, 2013 and as modified from time to time.

The Independent Directors shall not be entitled to any stock option and may receive sitting fees for attending meetings of the Board or Committee thereof or for any other purpose as may be decided by the Board and profit related commission as may be approved by the members. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

Reward principles and objectives:

The Company's Remuneration Policy is guided by a reward framework and set of principles and objectives as more fully and particularly envisaged under section 178 of the Companies Act 2013, inter alia principles pertaining to determining qualifications, positive attributes, integrity and independence etc.

Reward policies:

Remuneration packages for Whole Time Directors are designed subject to the limits laid down under the Companies Act, 2013, to remunerate them fairly and responsibly.

The Whole Time Directors' remuneration comprises of salary, perquisites and performance-based commission/reward apart from retirement benefits like P.F., Superannuation, Gratuity, etc. as per Rules of the Company.

Remuneration also aims to motivate personnel to deliver Company's key business strategies, create a strong performance-oriented environment and reward achievement of meaningful targets over the short and long term.

The Whole Time Directors are entitled to customary non-monetary benefits such as company cars, furnished accommodation, health care benefits, leave travel, communication facilities, etc. Their terms of appointment provide for severance payments as laid down under relevant sections of the Companies Act, 2013.

Key Managerial Personnel [KMP] Senior Management:

Appointment of KMP & senior management and cessation of their service are subject to the approval of NRC and the Board of Directors. Remuneration of KMP and other senior management personnel is decided by the Managing Director (MD) on the recommendation of the Whole Time Director concerned, wherever applicable, broadly based on the Remuneration Policy in respect of Whole Time Directors. Total remuneration comprises of:

1. A fixed base salary - set at a level aimed at attracting and retaining executives with professional and personal competence, showing good performance towards achieving Company goals.

2. Perquisites - in the form of house rent allowance/ accommodation, furnishing allowance, reimbursement of medical expenses, conveyance, telephone, leave travel, etc.
3. Retirement benefits - contribution to PF, superannuation, gratuity, etc. as governed by respective acts and rules prevailing in the Company from time to time.
4. Motivation /Reward - A performance appraisal is carried out annually and promotions/ increments/ rewards are decided by the Managing Director based on the appraisal and recommendation of the concerned Whole Time Director, wherever applicable.
5. Severance payments - in accordance with terms of employment, and applicable statutory requirements, if any.

Other employees:

The remuneration of other employees is fixed from time to time as per the guiding principles outlined above and considering industry standards and cost of living. In addition to basic salary, they are also provided perquisites and retirement benefits as per schemes of the Company and statutory requirements, wherever applicable.

Policies of motivation / reward / severance payments are applicable to this category of personnel as in the case of those in the management cadre.

Removal:

The Committee may recommend, to the Board, removal of a Director, KMP or Senior Management Personnel due to following reasons:

- Any disqualification
- Misconduct
- Breach of Contract or trust
- Conflict in interest
- Such recommendation to the Board shall be with reasons recorded in writing.

Disclosure of information:

Information on the total remuneration of members of the Company's Board of Directors, Whole Time Directors and KMP/ senior management personnel may be disclosed in the Company's annual financial statements as per statutory requirements.

Application of the Remuneration Policy:

This Remuneration Policy shall continue to guide all future employment of Directors, Senior Management including Key Managerial Personnel and other employees. Any departure from the policy can be undertaken only with the approval of the Board of Directors.

IV. Opportunities and Threats

Our Strengths

We have positioned ourselves as a custom-built application development company suiting the requirements of mid and emerging companies.

Our strengths include:

Product development – We have invested time and effort in enhancing our domain expertise in health care, telecom, engineering, energy, logistics and retail segments. We have been able to quickly adopt to the emerging developments in trade practices and enabling new features to our products to keep our customers ahead of their expectations.

End to End Offerings – Our end-to-end business solutions include transaction processing, data management, integration with third party tools and applications, independent testing and validation, network and surveillance, IT Support and Analytics.

Relationships: We have long standing relationships with mid-sized companies and Government Business Units and are quite seasoned in their processes which enable us to seek repeat business. Our track record delivering quality solutions help us strengthen these relationships over time.

Quality and Process Execution: Our clients have always been appreciative of our process implementation procedures and documentation which helps us maintain a healthy relationship and achieve business value.

Our Strategy

Platforms : The emergence of digital platforms for day-to-day merchandise across domains has created a new business space for technology companies as service aggregators.

The company has adopted the aggregation of service model and has conceptualised platforms viz.

- (a) electronic health records repository : www.indusayush.in
- (b) Arts & Crafts ecommerce of niche arts and crafts : www.induscrafts.in
- (c) Corporate Information System : www.indusnetworkx.in
- (d) Job Profile : www.indusprofile.com

- (e) Cargo/Logistics services of small fleet operators : www.induscargo.in
- (f) Retail ecommerce aggregation of unorganised retail : www.indusretail.in
- (g) Healthcare aggregation of health emergency services : www.induskare.in
- (h) E Learning aggregation of informal learning : www.indusmaster.in
- (i) content management : www.indusmatter.in

These platforms work on enrolling service providers with technology support.

On the other hand, the service receivers(customers) register by paying a subscription fee in some cases or simply registering and availing services.

The success of the platforms depends entirely on the marketing campaign and the customer base created.

Our Competition

We compete with small and mid-sized companies in Government and large corporations in application development, maintenance, and business process outsourcing segments.

V. Outlook, Risks & Concerns

- Our revenue and expenses are difficult to predict and can vary significantly from period to period.
- Our success largely depends upon retaining skilled technology professionals and our ability to hire, motivate and retain them.
- We are a company in mid segment space and may not be providing adequate confidence to companies / customers for long term contracts.
- We may not be able to sustain the working capital cycles.
- Our liquidity may not keep us comfortable to stay in the race in case of long sale cycles.
- We may be unable to recoup investments made in developing our software products.
- Our success depends on our management team and key personnel and our ability to attract and retain them.
- Our failures to complete fixed price and fixed time frame contracts or transaction-based pricing contracts within budget and on time may adversely affect our profitability.

We may not be able to provide end to end business solutions for our clients which could lead to clients discontinuing their work with us which in turn could impact our business.

VI. Internal Control Systems and their adequacies

The MD and CFO certification provided in the Annual report discusses the adequacy of our internal control systems and procedures.

VII. Material Developments in Human Resources / Industrial relations, number of people employed.

Human Capital

As of March 31st, 2025, the company employed about 40 employees which include software engineers, trainees , process executives and administration.

Recruitment

We have built our software programming skill set by recruiting new graduates from different Engineering colleges and IT training institutes.

We have recruited process executives from Government aided foundations and aided consultancies.

We have in place a robust process which includes aptitude tests and interviews followed by a technology task approach in screening our programmers.

Training and development

Orchasp has always been conducting on the job training programmes on technology , business process , quality and presentation skills to mould its resources into techno commercial resources.

Compensation and Benefits

Orchasp has always been a mid-sized company attracting trainees to build their capabilities. Orchasp has always been facing challenges to retain its talent from large corporations which offer packages linked to performance and E- SOPs. In order to address this challenge, Orchasp has been considering an E-SOP to retain its talent.

Risk Management Framework:

In today's economic environment, Risk Management is a very important part of business. The main aim of risk management is to identify, monitor and take precautionary measures in respect of the events that may pose risks for the business. Your Company's Board believes that to ensure sustainable business growth with stability of affairs and operations of the Company, periodical review of various risks having a bearing on the business and operations is vital to proactively manage uncertainty and changes in the internal and external environment to limit negative impacts and capitalize on opportunities. Standalone Financial Statements

Independent Auditor's Report

To the Members of Orchasp Limited

Report on the Audit of Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Ind AS Financial Statements Orchasp Limited ("the company"), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and the notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Standalone Ind AS Financial Statements").

Based on the information and explanations provided to us, except for the possible effects of the matter described in the "Basis for Qualified Opinion" section of our report, we are of the opinion that the aforesaid standalone financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on 31st March 2025.

Basis for Qualified Opinion

1. We refer to the carrying value of investments of Rs. 6,825 lakhs held in Wholly Owned Subsidiary at Portugal in Cybermate International, Unipessoal, LDA which has been non -operational for over four years. The Company has defaulted in statutory filings for the period and the Portuguese Authorities have issued a notice of cancellation of Certificate of Incorporation. We are unable to comment upon the carrying value of investments whether any provision for impairment in the value of investments is required.
2. The Trade Receivables are due from more than 6 months. In the absence of confirmations of Trade payables, Trade Receivables and various advances/loans, we are unable to comment on the extent to which such balances are payable/recoverable.

We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing ("SA" s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone Financial Statements.

Key Audit Matter	How the Key Audit Matter was addressed in our audit
1. Issue of Foreign Currency Convertible Bonds (FCCB) The company has issued FCCB of US\$ 1,05,00,000 (Rs. 68,25,00,000/-), 1% coupon Foreign Currency Convertible Bonds due upon completion of five years from the date of issue. During the financial year, the Company fully converted its Foreign Currency Convertible Bonds (FCCBs) into equity shares, in line with the terms specified in the FCCB agreements.	The recognition of FCCB in Books of Accounts as per "Ind AS 109- Financial Instruments" and "Ind AS 32- Financial Instruments". Presentation involves professional judgment relating to determination of repayment and convertible obligations over the tenure of FCCB's. The FCCB's converted into equity as on 31-03-2025 is for an amount of Rs. 51,35,00,000/- Refer Note No. 33 in Notes to Standalone Ind AS Financial Statements.
2. Evaluation of uncertain tax positions The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.	Obtained details of completed tax assessments and demands for the year ended March 31, 2025 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain Tax Positions as at April 1st 2025 to evaluate whether any change was required to management's position on these uncertainties.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Ind AS Financial Statements or with our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company

and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional

skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on

our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and except for the effects of the matters described in the Basis for Qualified opinion paragraphs, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) Except for the effects of the matters described in the Basis for Qualified opinion paragraphs above, in our opinion, proper books of accounts as required by law have been kept by the Company.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) Except for the effects of the matters described in the Basis for Qualified opinion paragraphs above, in our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under.
 - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

Annexure “B” To The Independent Auditor's Report

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of M/s. Orchasp Limited ('the company') as of 31st March 2025 in conjunction with our audit of Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion, the company has in all material respects reasonable internal financial controls system over financial reporting but not adequate and such internal financial controls over financial reporting were operating effectively as at March 31st 2025 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

These Financial Statements have been prepared under the historical cost convention on the accrual basis except for certain financial assets and liabilities (including derivative instruments) which are measured at fair value.

ii. Current versus Non-Current Classification:

All assets and liabilities have been classified as current or non-current as per the company's operating cycle and other criteria set out in the schedule III to the Companies Act 2013. Based on the nature of products and services and their realisation in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current - noncurrent classification of assets and liabilities.

iii. Functional and Presentation Currency :

The Financial Statements are presented in Indian Rupees (*) which is the Company's functional and presentation currency, and all amounts are rounded to the nearest rupee in lakhs.

iv. Principles of Consolidation

The Standalone Financial Statements of Orchasp Limited and its overseas subsidiaries viz Cybermate Infotek Limited Inc and Cybermate International, Unipessoal LDA are prepared in accordance with the generally accepted accounting principles as applicable in India and the Indian Accounting Standard (Ind AS) 110 on Standalone Financial Statements.

The Standalone financial statements are prepared using uniform accounting policies for similar transactions to the extent in similar circumstances.

The company consolidates financial statements of all entities which are controlled by it.

The financial statements of the company and its subsidiaries are Standalone on a line-by-line basis by adding together like items of assets and liabilities, income, and expenses. Intragroup balances and intra group transactions and resulting unrealised profit s have been eliminated.

2. Summary of Significant Accounting Policies

a. Property, Plant & Equipment:

i. Recognition and Measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/ independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

b. Intangible Assets:

i. Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when: It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

ii. Depreciation

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

c. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets, and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

d. Foreign Currency Transactions:

i. Functional and Presentation Currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

ii. Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such

transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Accounting Policy on FCCBs / Compound Financial Instruments

i. Accounting Policy on FCCBs / Compound Financial Instruments

FCCBs are usually treated as compound financial instruments (if conversion is into a fixed number of shares and meets equity definition) or separated into liability and derivative components if not.

"The Company classifies FCCBs as compound financial instruments consisting of a liability component and an equity component. On initial recognition, the fair value of the liability is determined and the residual value is classified as equity. The liability component is subsequently measured at amortised cost using the effective interest rate method. The equity component is not remeasured. Upon conversion, the liability is derecognised and equity share capital and securities premium are recognized accordingly."

ii. Derecognition Policy

Include a brief policy on derecognition of financial liabilities:

"A financial liability is derecognised when the obligation under the liability is discharged, cancelled, or expires. Upon conversion of FCCBs into equity shares, the financial liability is derecognised and equity instruments are recognised."

f. Revenue Recognition:

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the

contract. The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

ii. Fixed-price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of-completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

iii. Services contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

iv. Sale of licenses & Subscriptions

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer, continuing managerial involvement usually associated with ownership and effective control have ceased,

the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

v. Ecommerce/Retail

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

vi. Other Income

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

g. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/ other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

h. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

i. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

j. Segment Reporting:

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st March 2025.

There are no secondary reportable segments (Geographical Segments).

k. Financial Assets

Initial Recognition and Measurement: All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTP L), transaction costs that are attributable to the acquisition of the financial

asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. “

“Revenue Recognition: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

ii. Impairment of financial assets:

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

iii. Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

I. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

m. Earnings per share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity

shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

n. Employee Benefits:

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting – Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

i. Revenue

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

ii. Provisions/Expenses

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

iii. Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

iv. Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

v. Income taxes

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

vi. Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

Notes to accounts.**24. Explanation to Modified Opinion on Financial Statements**

The statutory auditors have expressed a qualified opinion on the financial statements of the company pertaining to

a. Investment in Wholly Owned Subsidiary at Portugal viz Cybermate International, Unipessoal, LDA

We clarify that the Portuguese authority has issued a notice of cancellation of the Certificate of Incorporation of the WOS due to non-filing of statutory information. We are considering transferring the investment to another subsidiary and rectifying the non-compliance. We have been provided the final amounts due and pending compliances after which we propose to transfer the investment to another subsidiary. We will be completing the compliances during the present quarter.

b. Non-Receipt of trade receivables and payables due for more than 6 months.

We are of the opinion that the delays have been caused due to adverse conditions prevailing in the business and financial markets. We have extended our timelines by another six months for realizing of debtors due to adverse market conditions.

d. Disclosure**i. Conversion of Foreign Currency Convertible Bonds (FCCBs)**

During the year, the Company converted all outstanding Foreign Currency Convertible Bonds (FCCBs) aggregating to USD 6.7 million (equivalent to Rs. 55.93 crores) into equity shares, in accordance with the terms of issue.

As a result:

- 4,52,79,145 equity shares of Rs. 2/- each were issued at a conversion price of Rs. 3.85 per share.
- The FCCB liability outstanding as at the beginning of the year has been fully extinguished.
- The embedded derivative component (conversion option), previously classified as a financial liability, has also been derecognised.
- The difference between the carrying amount of the FCCBs (including any unamortised portion) and the equity issued has been transferred to securities premium account.
- Consequently, the capital structure of the Company has changed, with an increase in equity share capital and securities premium, and a corresponding reduction in financial liabilities.

The conversion of FCCBs has also impacted the calculation of earnings per share (EPS), with an increase in the weighted average number of equity shares outstanding during the year. Please refer to **Note No: 30** for EPS details.

- ii. The interest accrued and unpaid on the FCCB amounting to USD 5,00,000, i.e Rs. 4,17,40,650/- as at 31st March 2025. The Bond holders have requested to convert the interest accrued into equity shares. The company shall allot such number of equity shares to the bond holders subject to the approval of the shareholders in the ensuing period.

Consolidated Financial Statements

Independent Auditor's Report

To the Members of Orchasp Limited

Report on the Audit of Consolidated Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of Orchasp Limited (previously known as Cybermate Infotek Limited) (hereinafter referred to as Holding Company) which includes its two foreign subsidiaries (the Holding company and its Subsidiaries together referred to as "The Group") which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS Financial Statements").

The Consolidated Financial statements include the following entities

- 1) Cybermate Infotek Limited Inc, USA
- 2) Cybermate International, Unipessoal, LDA

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the "Basis for Qualified Opinion" section of our report, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting standards and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2025, its consolidated loss including consolidated total comprehensive income, their consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

1. We refer to the carrying value of investments of Rs. 6,825 lakhs held in Wholly Owned Subsidiary at Portugal in Cybermate International, Unipessoal, LDA which has been non -operational for over four years. The Company has defaulted in statutory filings for the period and the Portuguese Authorities have issued a notice of cancellation of Certificate of Incorporation. We are unable to comment upon the carrying value of investments whether any provision for impairment in the value of investments is required.
2. The Trade Receivables are due from more than 6 months. In the absence of confirmations of Trade payables, Trade Receivables and various advances/loans, we are unable to comment on the extent to which such balances are payable/recoverable.

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing ("SA" s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Consolidated Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated Financial Statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Consolidated Financial Statements.

Key Audit Matter	How the Key Audit Matter was addressed in our audit
1. Issue of Foreign Currency Convertible Bonds (FCCB) The company has issued FCCB of US\$ 1,05,00,000 (Rs. 68,25,00,000/-), 1% coupon Foreign Currency Convertible Bonds due upon completion of five years from the date of issue. During the financial year, the Company fully converted its Foreign Currency Convertible Bonds (FCCBs) into equity shares, in line with the terms specified in the FCCB agreements.	The recognition of FCCB in Books of Accounts as per "Ind AS 109- Financial Instruments" and "Ind AS 32- Financial Instruments". Presentation involves professional judgment relating to determination of repayment and convertible obligations over the tenure of FCCB's. The FCCB's converted into equity as on 31-03-2025 is for an amount of Rs. 51,35,00,000/- Refer Note No. 33 in Notes to Consolidated Ind AS Financial Statements.
2. Evaluation of uncertain tax positions The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.	Obtained details of completed tax assessments and demands for the year ended March 31, 2025 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain Tax Positions as at April 1st 2025 to evaluate whether any change was required to management's position on these uncertainties.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Audit Report Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS Financial Statements, Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian

Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in "the Group" are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Those respective Board of Directors of the companies included in "the Group" are also responsible for overseeing the financial reporting process of "the Group".

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to

fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within "the Group" to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We didn't audit the financial statements and other financial information, in respect of the two foreign subsidiaries, whose Ind AS Financial Statements include total Revenues Rs. Nil and total profit after tax Rs. Nil total comprehensive profit of Rs. Nil for the year ended 31st March 2025, as considered in financial statements of the Group. The Management of the Holding Company has prepared the financial statements and furnished to us and our conclusion on statement in terms of sub-sections (3) and (11) of section 143 of the Act, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the report of Management and procedures performed by us as stated above.

Our conclusion on the statement is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and except for the effects of the matters described in the Basis for Qualified opinion paragraphs obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.

- b) Except for the effects of the matters described in the Basis for Qualified opinion paragraphs above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.

- e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2025, and taken on record by the Board of Directors and the reports of the Statutory auditor who are appointed under Section 139 of the Act, of its Subsidiary none of the directors of the Holding Company and its Group Companies is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the companies included in the group and the operating effectiveness of such controls, refer to our separate report in **Annexure - A**.
- g) In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Holding Company to their directors in accordance with the provisions of section 197 read with Schedule V to the Act. The provisions of section 197 read with Schedule V of the Act are not applicable to its subsidiaries incorporated in India for the year ended March 31, 2025;
- h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- The Group has disclosed the impact of pending litigations on the consolidated financial position in its Consolidated Financial Statements – Refer **Note No: 24** to the Consolidated Financial Statements.
 - "The Group" did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
 - The management of the holding company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the holding company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the holding company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - The management of the holding company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the holding company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the holding company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations in sub-clause (a) and (b) of Rule 11(e), as provided under (iv) and (v) above contain any material misstatement.
 - The group has not declared or paid any dividend during the year.

Annexure - A**Annexure To Independent Auditors' Report Of Even Date On The Consolidated Ind As Financial Statements Of Orchasp Limited**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Orchasp Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under clause (i) of the Sub-section 3 of the Section 143 of the Companies Act, 2013 ('The Act')

We have audited the internal financial controls over financial reporting of Orchasp Limited ('the company') as of 31st March 2025 in conjunction with our audit of Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's Judgment, including the assessment of the risk of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion, the company has in all material respects reasonable internal financial controls system over financial reporting but not adequate and such internal financial controls over financial reporting were operating effectively as at March 31st 2025 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

2. Summary of Significant Accounting Policies

a. Property, Plant & Equipment:

i. Recognition and Measurement

Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to Property, Plant & Equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in Statement of Profit & Loss as incurred.

Gains or losses arising from discard/sale of Property, Plant & Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit & Loss when the asset is discarded/sold.

ii. Depreciation

The company depreciates property plant and equipment on straight-line-method (SLM) as per the useful life of assets, as estimated by the management/ independent professional, which are generally in line with Schedule-II to the Companies Act, 2013.

b. Intangible Assets:

i. Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. In case of internally generated intangible asset arising from development activity is recognised at cost only if it is probable that the asset would generate future economic benefit and the expenditure attributable to said assets during its development can be measured reliably. Capital expenditure on purchase and development of identifiable on monetary assets without physical substance is recognised as Intangible Assets when:

It is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the cost of the asset can be measure reliably.

ii. Depreciation

The company Amortises/Depreciates Intangible Assets on the basis of estimated useful lives of Intangible assets are as follows:

Particulars	Useful life
Software License	2 Years

Software internally developed

Particulars	Useful life
Product/Platform	4 Years

c. Impairment:

The carrying amount of Property, Plant & Equipment, Intangible Assets, and Investment Property are reviewed at each Balance Sheet date to assess impairment, if any based on internal/external factors. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is recognised as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

d. Foreign Currency Transactions:

i. Functional and Presentation Currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ("functional Currency"). The financial Statements are presented in Indian rupee (INR), which is the company's functional and presentation currency.

ii. Transactions and Balances:

Transactions in foreign currencies are translated into functional currency of the Company at rates prevailing

at the date of the transaction. Foreign exchange gain or losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currencies at the year-end exchange rates are generally recognised in Profit & Loss and reported with in Foreign exchange gain/(losses), except when deferred in other comprehensive income as qualifying cashflow hedges.

Non-monetary items that are measured in times of historical cost in a foreign currency are translated using the exchange rates at the dates of the transaction. Non-monetary items (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) carried at Fair Value that are denominated in foreign currencies are translated at the exchange rates prevailing at the date when the Fair Value was determined. Exchange component of the gain or loss arising on fair valuation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to such exchange difference.

e. Accounting Policy on FCCBs / Compound Financial Instruments

i. Accounting Policy on FCCBs / Compound Financial Instruments

FCCBs are usually treated as compound financial instruments (if conversion is into a fixed number of shares and meets equity definition) or separated into liability and derivative components if not.

"The Company classifies FCCBs as compound financial instruments consisting of a liability component and an equity component. On initial recognition, the fair value of the liability is determined and the residual value is classified as equity. The liability component is subsequently measured at amortised cost using the effective interest rate method. The equity component is not remeasured. Upon conversion, the liability is derecognised and equity share capital and securities premium are recognized accordingly."

ii. Derecognition Policy

Include a brief policy on derecognition of financial liabilities:

"A financial liability is derecognised when the obligation under the liability is discharged, cancelled, or expires. Upon conversion of FCCBs into equity shares, the financial liability is derecognised and equity instruments are recognised."

f. Revenue Recognition:

The Company derives revenue primarily from software development, maintenance of software/hardware and allied services, sale of software licenses, subscriptions for services and ecommerce.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable

consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company recognised revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

The Company estimates its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

i. Time and Material Contracts

Revenues and costs relating to time and materials contracts are recognized as the related services are rendered.

ii. Fixed- price contracts:

Revenues from fixed-price contracts, including IT Infrastructure development and integration contracts are recognized using the "percentage of-completion" method. Percentage of completion is determined based on efforts or costs incurred to date as a percentage of total estimated efforts or costs required to complete the project. The efforts or cost expended are used to measure progress towards completion as there is a direct relationship between input and productivity. If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of income in the period in which such losses become probable based on the current contract estimates.

Advance payments received from customers for which no services have been rendered are presented as 'Advance from customers'.

iii. Services contracts:

Revenue from services contracts is recognized ratably over the period of the contract using the percentage of completion method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight-line basis over the specified period unless some other method better represents the stage of completion. In certain projects, a fixed quantum of service or output units is agreed at a fixed price for a fixed term. In such contracts, revenue is recognized with respect to the actual output achieved till date as a percentage of total contractual output. Any residual service unutilized by the customer is recognized as revenue on completion of the term.

iv. Sale of licenses & Subscriptions

Revenue from sale of licenses and support are recognized when the significant risks and rewards of ownership have been transferred to the buyer,

continuing managerial involvement usually associated with ownership and effective control have ceased, the amount of revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenues from Sale of Subscriptions shall be recognized linear to the period of the contract.

v. Ecommerce/Retail

Revenue from Ecommerce transactions i.e., sale of third-party products/applications/services shall be recognized on realization of the merchandise.

vi. Other Income

Profit on Sale of investments is recorded on transfer of title from the company and is determined as the difference between the sale price and the carrying amount of the investment.

Dividend income is recognized when the company's right to receive dividends is established.

Interest income on time deposits is recognized using time proportion basis taking into account the amount outstanding and applicable interest rates.

g. Income Tax:

Income Tax comprises current and deferred tax.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws, prevailing in the respective tax, jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

The company offsets current tax assets and current tax liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends to settle on net basis, or to realise the asset and liability simultaneously.

Deferred tax is provided on temporary difference arising between the tax bases of assets & liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rate that are expected to apply in the year when the asset is realized, or the liability is settled based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized directly in equity/ other comprehensive income (OCI) is recognised in equity/ other comprehensive income (OCI) and not in the statement of Profit & Loss. Deferred tax asset is recognised to the extent that it is probable that sufficient future taxable profit will be available against which the deductible temporary differences and the carry forward unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient

taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

h. Provisions, Contingent Liabilities, Commitments and Contingent

Assets:

Provisions are recognised for present obligations of uncertain timing or amount arising as a result of a past event where a reliable estimate can be made, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability and commitments, unless the probability of outflow of resources embodying economic benefits is remote. Contingent assets are not recognised but disclosed in the Financial Statements when an inflow of economic benefits is probable.

i. Earnings per Share:

Basic earnings per share is computed using the net profit/(loss) for the year (without taking impact of OCI) attributable to the equity shareholders and weighted average number of shares outstanding during the year. The weighted average numbers of shares also include fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures, or any other instrument, from the date consideration is received (generally the date of their issue) of such instruments. The diluted EPS is calculated on the same basis as basic EPS after adjusting for the effect of potential dilutive equity shares unless impact is anti-dilutive.

j. Segment Reporting:

In accordance with the requirement of AS-108 on Segment reporting, the company has determined its business segment as Computer Programming Consultancy and related services. There are no other primary reportable segments. Thus, the segment revenue, segment result, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, the total amount of charge for depreciation during the year are all reflected in the financial statement of the company for the year ended 31st March 2025.

There are no secondary reportable segments (Geographical Segments).

k. Financial Assets

Initial Recognition and Measurement: All financial assets are recognized initially at fair value, plus in

the case of financial assets not recorded at fair value through profit or loss (FVTP L), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. “

“Revenue Recognition: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Financial asset at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an election for its investments which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) to present the subsequent changes in fair value through profit and loss account.

Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. The Company has elected to measure its investments, which are classified as equity instruments (other than investment in shares of Subsidiaries, Joint Ventures, and Associates) at fair value through profit and loss account.

ii. Impairment of financial assets:

The company assesses at each balance sheet date whether a financial asset is impaired. The company recognises the loss if any on such impairment in accordance with IND AS 109.

iii. Financial Liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. Financial liabilities at fair value through profit and loss includes financial liability held for trading and financial liability designated upon initial recognition as at fair value through profit and loss.

l. Investment in Subsidiaries, Associates and Joint Ventures:

Investment in equity shares of subsidiaries, associates and joint ventures is carried at cost in the standalone financial statements.

m. Earnings per share:

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

n. Employee Benefits:

Contributions to Provident and Employee State Insurance etc. accruing during the accounting period are charged to the statement of Profit and Loss. Provision for liabilities in respect of gratuity are accrued and provided at the end of each accounting period. Gratuity liability towards existing eligible employees will be met by the fund administered by LIC.

3. Critical Accounting – Estimates, Assumptions and Judgements:

The preparation of Financial Statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures at the date of the Financial Statements. The judgements, estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years and if material, their effects are disclosed in the notes to the Financial Statements. Actual results could vary from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The following areas of revenues, expenses, assets, and liabilities are likely to be impacted by events which give rise to revision of estimates made.

i. Revenue

The company uses estimates for computation of costs and efforts as a proportion of total costs and efforts made. These estimates are then used to derive the progress made towards completion of the contract.

ii. Provisions/Expenses

Provision for future expenses, liabilities are made on some occasions on the basis of pending effort for completion.

iii. Property, Plant & Equipment:

External advisor and/or internal technical team assesses the remaining useful life and residual value of property, plant & equipment. Management believes that the assigned useful lives and residual values are reasonable.

iv. Intangibles:

Internal technical and user team assess the remaining useful lives of intangible assets. Management believes that assigned useful lives are reasonable. All intangibles are carried at net book value on transition.

v. Income taxes

The provision for income tax at the end of each period is made on the basis of estimates on revenues and the receivables.

vi. Other Estimates:

The Company estimates the un-collectability of accounts receivables by analysing historical payment patterns, customer concentrations, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

Notes to accounts.**24. Explanation to Modified Opinion on Financial Statements**

The statutory auditors have expressed a qualified opinion on the financial statements of the company pertaining to

a. Investment in Wholly Owned Subsidiary at Portugal viz Cybermate International, Unipessoal, LDA

We clarify that the Portuguese authority has issued a notice of cancellation of the Certificate of Incorporation of the WOS due to non-filing of statutory information. We are considering transferring the investment to another subsidiary and rectifying the non-compliance. We have been provided the final amounts due and pending compliances after which we propose to transfer the investment to another subsidiary. We will be completing the compliances during the present quarter.

b. Non-Receipt of trade receivables and payables due for more than 6 months.

We are of the opinion that the delays have been caused due to adverse conditions prevailing in the business and financial markets. We have extended our timelines by another six months for realizing of debtors due to adverse market conditions.

25. Contingent Liabilities:

The Following are the contingent liabilities not provided for in respect of matters under dispute as the company is confident that the outcome would be in its favor based on merits

d. Disclosure**i. Conversion of Foreign Currency Convertible Bonds (FCCBs)**

During the year, the Company converted all outstanding Foreign Currency Convertible Bonds (FCCBs) aggregating to USD 6.7 million (equivalent to Rs. 55.93 crores) into equity shares, in accordance with the terms of issue.

As a result:

- 4,52,79,145 equity shares of Rs. 2/- each were issued at a conversion price of Rs. 3.85 per share.
- The FCCB liability outstanding as at the beginning of the year has been fully extinguished.
- The embedded derivative component (conversion option), previously classified as a financial liability, has also been derecognised.
- The difference between the carrying amount of the FCCBs (including any unamortised portion) and the equity issued has been transferred to securities premium account.
- Consequently, the capital structure of the Company has changed, with an increase in equity share capital and securities premium, and a corresponding reduction in financial liabilities.

The conversion of FCCBs has also impacted the calculation of earnings per share (EPS), with an increase in the weighted average number of equity shares outstanding during the year. Please refer to **Note No. 30** for EPS details.

- ii. The interest accrued and unpaid on the FCCB amounting to USD 5,00,000, i.e Rs. 4,17,40,650/- as at 31st March 2025. The Bond holders have requested to convert the interest accrued into equity shares. The company shall allot such number of equity shares to the bond holders subject to the approval of the shareholders in the ensuing period.
