Post-COVID, the bank opted for CGFMU cover in FY23 at a time when the credit costs were less than 3%, as part of its risk management strategy in respect of the Inclusive Finance portfolio given that the microfinance sector witnesses cyclicity.

As of June'25, the bank has paid cumulative premium of ~ Rs. 158 Cr.

Over 98% of the IF book is covered under the credit guarantee scheme.

In Q1FY26, a second claim of Rs. 56 Cr was made and fully received
