MANAGEMENT DISCUSSION & ANALYSIS

2024 – 2025

Respected, Valued & Dear Shareholders

We meet today, exactly a year to the date, of our last Annual General Meeting.

At the very outset, we would like to thank our 13000 plus, esteemed and loyal shareholders for their continued Support, Co-operation, Bonding and for giving to your Company, a sense of belonging, that elevates and motivates us to **Perform, Persevere, Perfect, with a sense of Passion, all that we've set out to achieve, as a roadmap, for your Company!**

Like the saying goes:

**A Thought is Invisible,
But its Effects are Visible!**

It was first, only a thought that sparked the change, in your Company's destiny **and propelled Action, Movement, Resurgence and activity!**

Today, as things stand, your Company has registered a strong presence as Developers, along the Eastern Express Highway suburb of Kanjurmarg (W), **with its Joint Development Venture, with the K. Raheja Corp Real Estate Pvt. Ltd. Group! (Rated as the 7th largest Developers, in India at this point in time.)**

We've successfully commenced construction activity on this project, titled **"Antares" come late November 2024.**

It took K. Raheja Corp, almost a year and a little more, to break ground, due to several stringent changes instituted in the construction policy, for the entire construction industry, by the **Supreme Court of India, which not only created multiple hurdles, but also demanded an additional influx of funds, in addition to those allocated for the completion of the said project, to see it to the finishing line!**

Full compliments to Hafiz Contractor and the architectural team at K. Raheja Corp Real Estate Pvt. Ltd., for coming up with a design and structure, that will not only rule, but command respect and domination, in the entire L.B.S. Marg belt, stretching from Kanjurmarg, right upto Thane!

So, it was first a mere thought that sparked the ignition, in February 2020; with the advent of the pandemic, that root grew to be a plant and finally came to reality, **on that 29th day of May 2023, with the registration of the Joint development Agreement, between your Company and K. Raheja Corp, getting registered in the late hours, of the night, on that very historic day!**

Thus an invisible thought, that first sparked fire, in the mind of your Company's Managing Director in the early months of the calendar year 2020, has now turned into "Antares",

a 2 tower multi-storied project, with a unique 80 metre podium, stretching its largesse, between the 2 towers, 'A' and 'B', at the Company's parcel of land, at Kanjurmarg (W).

As all our valued, esteemed and loyal shareholders can now see, the effects of the dream/that germ, that thought, which first took birth, in February 2020 are both visible and discernable, now!

From being only a Media Company, we, your Company, are Developers, too!

Change is honestly, the only absolute and constant factor, that drives, motivates, and propels success, besides hard work, dedication and persistence.

Your Company, hit the '**Bulls Eye**', with its **Joint Development deal**, with the prestigious, renowned and reputed, **K. Raheja Corp Group**.

The project '**Antares**', as things stand, **has taken off, in an exemplary manner!**

Both buyers and investors, are vying with each other, to gain a foothold, in the project!

All relevant information has been posted on the **B.S.E. /N.S.E. sites**, from time to time, to **ensure total transparency!**

Also, we urge all our 13000 plus shareholders, to kindly visit the rera site, for any additional information that they might want to seek!

Your Company has received a total income of Rs. 11.46 Crores, from its revenue share portfolio, from K. Raheja Corp, in the Financial Year 2024-2025, and an additional Rs. 4.61 Crores in the first quarter of the Financial Year 2025-2026.

November 2029, has been intimated as the project completion date, by K. Raheja Corp and the same stands posted on the RERA site!

Streams of income from our revenue share portfolio will see an inflow over time, **to the Financial Year 2029-2030 and maybe even beyond, depending on the speed and velocity of sales, as time progresses!**

For the benefit of all our shareholders, we would, once again, like to reiterate, that your Company, has entered into a Joint Development deal for a project tilted 'Antares', with K. Raheja Corp Real Estate Pvt. Ltd. **and not gone in, for an outright sale, for the parcel of land situated at Kanjurmarg (W), which first housed the Company's studio and its activity!**

This industrial parcel of land, which housed and performed as the sheet anchor for your Company's shoot activities, **for a good 20 odd years, valued at Rs. 133.87 Crores, is your Company's contribution to this deal, now, actively under progress!**

Partnering K. Raheja Corp, in this Joint Development project and changing gears, from being just a Media Company, has been one of the biggest achievements, of your Company!

There's a saying that goes this way;

**Look back and get experience!
Look forward and see hope
Look around and find reality
Look within and find yourself.**

A lot to learn, from the above, if one were to truly introspect.

And now, let's move over to the Company's You Tube channels launched, on the Google platform!

Though late entrants, we've made decent progress.

We've 5 channels on air, at this point in time!

They are:

- 1. Cinevista Classics**
- 2. Swift & Fast**
- 3. Cinevista Entertainment**
- 4. Cinevista Marathi**
- 5. Cinevista Gujarati**

Cinevista Classics, our primary channel, has 5 of our golden period shows, on air.

- 1. A Mega Mythological titled 'Jai Mata Ki',** starring the evergreen star, **'Hema Malini'**, in the titular role, portraying all the roles of 'Mata', deeply entrenched, in our Hindu culture.
- 2. 'Noorjehan', a Mega Historical,** starring **Milind Soman, Gauri Pradhan, whom your Company launched, with Noorjehan, way back, in the calendar year 1999.**
- 3. 'Sita', a Mega Mythological;**
For the very first time, **'Ramayana', told from Sita's perspective!**
- 4. 'Zindagi', starring Sharmila Tagore, besides Supriya Pathak, Benjamin Gilani, Raza Murad, Urmilla Matondkar, Kiran Kumar, besides a host of other stars, in pivotal roles.**
- & 5. 'Gul Gulshan Gulfam', the emerald in Cinevista's crown!**
Shot at the height of insurgency in the valley of Srinagar, in the year, **1989, when terrorism first raised its warheads**, this is an evergreen show, that **reminisces, about a time and era, when the Hindu Pandits and the local Kashmiri Muslim** populace, lived, in total harmony and peace, without any animosity or differences.

'Cinevista Classics', has today garnered 6,09,000 subscribers within its fold and records 20.5 Crore of views, to the 11th of August 2025, with a watchtime of 65.7 Lac hours!

Average views per day, fall in the range of 1.15 lacs, per day!

Considering we're rather late entrants, in this field, this is good going, one can say!

'Swift & Fast', our other channel, has garnered within its fold, 1,11,000 subscribers, to the 11th of August, 2025.

Daily views per day range in the region of **2+ to 4+ Lacs, per day!**

The other 3 channels, have been launched just a few months back and will take their course in time, to grow and magnify!

Finally, before we sign off today, we would like to conclude with:

**Strength grows, when we dare
Unity grows, when we pair,
Love grows, when we share
& Relationships grow, when we care.**

**We, your Company values its relationship, with its 13000 plus shareholders, immensely;
We wish to not only share our dreams and aspirations, with our esteemed shareholders
but stand united, with them, in their quest for advancement and growth!**

**And finally strength does stem from inner confidence, which aspires us to dare and
raise the bar!**

**That's what your Company has achieved with distinction and determination, with this
radical change, from being just a Media Company to becoming a Developer, too!**

Finally, wishing all our Loyal shareholders a healthy body, a calm soul and peace of mind, for
with those, in your stead, you're richer, than most, as these are things, that money can't buy!

Thank you and take care, till we meet again.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CINEVISTA LIMITED

Report on the audit of the Standalone Financial Statements:

Opinion:

We have audited the accompanying Standalone Financial Statements of Cinevista Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

Qualified Opinion:

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

- i. We draw attention to Note No. 31 of the Financial Statements regarding Management Assessment related to realisation of carrying value of Investments and advances in subsidiary and associate companies in light of substantial erosion in the net worth of these companies.

The Company has not carried out impairment on its investments and advances in subsidiary companies as required by Indian Accounting Standards (Ind AS 36) and continued to carry at cost. On the basis of documents made available to us we are of the opinion that impairment should have been carried out on such investments and advances made to the said companies. Had impairment on the said investments and advances been carried out then loss of the current year would have increased by Rs.62,34,550/- and Rs.3,75,61,682/- respectively.

- ii. We draw attention to Note No.32 to the financial statements regarding intangible assets with a carrying amount of ₹20,90,27,340 as at 31st March 2025.

The Company has not recognized any impairment on intangible assets as required by Ind AS 36. In our view, based on the audit evidences obtained, indicators of impairment exist, and the recoverable amount of these assets is likely to be lower than their carrying amount. Since we are not technically qualified to value such intangible assets and in absence of any documents for realizable value of such intangible assets, we are unable to determine whether any adjustment to intangible assets was necessary.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Revenue recognition for Revenue from Joint Development agreement	
The Company applies Ind AS 115, Revenue from Contracts with Customers for recognition of revenue from Joint Development Agreement. Refer Note No. 2.4(A)(b) and Note No. 30 to the standalone financial statements for Accounting policy and related disclosures. For Revenue contracts under Joint Development arrangements ('JDA'), that are not jointly controlled operations, the revenue from the Development and transfer of constructed area/Revenue share with corresponding Development Rights given by the Company is measured at the fair value of the estimated consideration receivable from the Developer to the Company under JDA. Such revenue is recognised over a period of time in accordance with the requirements of Ind AS 115. The above requires significant judgment in determining for projects executed through JDA, significant estimate is undertaken by management for determining the fair value of the estimated consideration receivable. Considering the significance of management judgements and estimates involved and the materiality of amounts involved, aforementioned revenue recognition is identified as a key audit matter.	Our audit procedures on Revenue Recognition from Joint Development Agreement included, but were not limited to the following: • Evaluated the appropriateness of accounting policy for Revenue Recognition on sale of residential units in terms of principles enunciated under Ind AS 115; • Obtained and understood the Revenue Recognition process, evaluated the design and performed test of controls over revenue recognition including determination of point of transfer of control and completion of performance obligations on a sample basis; • Obtained the JDAs entered into by the Company, including addendums thereto and compared the ratio of constructed area/ revenue sharing arrangement between the Company and the Developer as mentioned in the agreement to the computation statement prepared by the management; and • Tested the computation for recognition of revenue over a period of time for revenue contracts forming part of JDA and the assessment of stage of completion of projects and project cost estimates. • Assessed the adequacy of disclosures included in the standalone financial statements

Information other than the Financial Statement and Auditor's Report thereon:

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements:

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements.

1. As required by Section 143(3) of the Act, based on our audit we report that:

ANNEXURE 'I' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our Report of even date)

Independent Auditor's Report on the Internal Financial Controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Cinevista Limited ('the Company') as at and for the year ended 31st March 2025, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Management's Responsibility for Internal Financial Controls:

2. The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Standalone Financial statement based on criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility:

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements:

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the Financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements:

7. Because of the inherent limitations of Internal Financial Controls with reference to financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the Internal Financial Controls with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31st March 2025, based on the internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

‘ANNEXURE II’ : Report under the Companies (Auditor’s Report) Order, 2020

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of CINEVISTA LIMITED of even date)

In terms of the information and explanations sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that: -

- i. In respect of the Company’s property, plant and equipment, right-of-use assets and intangible assets:
 - (a) (A) According to information and explanation given to us and the records of the Company examined by us, in our opinion the Company has maintained proper records showing full particulars including quantitative details and situations of Property, Plant & Equipment.

(B) According to the information and explanations given to us and based on our verification of the records, the company is carrying intangible assets in its balance sheet amounting to ₹ 20,90,27,340/- as at 31st March 2025 at historical cost, which comprise Digital contents. We have verified that the recognition and disclosure are in compliance with the applicable Accounting Standard (Ind AS 38) except for (b) for non-carrying out of impairment on the said assets.
 - (b) (A) According to information and explanation given to us and on the basis of examination of the records of the company, the company has regular program of physical verification of its property, plant & equipment. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such verification.

(B) According to the information and explanations given to us and based on our audit procedures, the company has not carried out an impairment assessment of its intangible assets during the year, although indicators of impairment were present. In our opinion, this constitutes non-compliance with the requirements of Accounting Standard [Ind AS 36], and accordingly, the carrying amount of intangible assets may be overstated to that extent.

The standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the standalone financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, paragraph 66 and 69 of Ind AS 1 and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

Foreign exchange gains and losses from settlement of these transactions are recognised in the standalone statement of profit and loss. Foreign currency denominated monetary assets and liabilities are translated into functional currency at exchange rates in effect at the balance sheet date, the gain or loss arising from such translations are recognised in the standalone statement of profit and loss.

The Company has decided to round off the figures to the nearest lakhs. Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes to these financial statements.

The standalone financial statements of the Company for the year ended 31st March 2025 were approved for issue in accordance with the resolution of the Board of Directors on 30th May 2025.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

The Company classifies an asset as current asset when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading;
- it expects to realise the asset within twelve months after the reporting period; or
- the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when –

- it expects to settle the liabilities, in its normal operating cycle;
- it holds the liability primarily for the purpose of trading;
- the liability is due to be settled within twelve months after the reporting period; or
- it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

The real estate development project undertaken by the Company will generally run over a period ranging up to 5 years. Based on the nature of service and the time between the acquisition of assets for development and their realization in cash and cash equivalents, Operating assets and liabilities relating to such projects are classified as current based on an operating cycle as 5 years. For all other assets and liabilities the Company has considered twelve months.

2.2 Basis of Measurement

The accounting policies adopted are the same as those which were applied for the previous financial year.

2.3 Key Accounting Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The Management believes that, although these estimates used in preparation of the financial statements are prudent and reasonable and are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities.

Revenue generated from the commissioned television programs and Internet series produced for broadcasters is recognized over the period of time (i.e. over the contract period).

Revenue from sale and licensing of movies – The Company evaluates if a license represents a right to access the content (revenue recognized over time) or represents a right to use the content (revenue recognized at a point in time). The transaction price, being the amount to which the Company expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. Revenue from the Joint Development contract is accounted to the extent of revenue share of the Company from the total bookings of flats carried out by K. Raheja Corp. Real Estate Private Limited.

c. Interest and Dividend Income Recognition:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

B. Inventories:

Media business

Company does not have physical inventory (i.e. goods)

Inventories consist of films or movies, serials, other digital content, etc. that are awaiting launch / release or unamortized portion of the costs. Inventories are stated at the lower of cost and net realizable value. Cost is determined on the basis of actual / amortized cost.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and costs necessary to make the sale.

Real Estate business

Direct and other expenditure is determined based on specific identification to the real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

- i. Land stock- Represents the cost comprises of purchase price under agreement to purchase, stamp duty, registration charges, brokerage cost and other incidental expenses.

i) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

iii) Exchange differences

The Company accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as income or as expense in the period in which they arise.

D. Income Taxes:

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

Current income tax:

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the Company generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax:

Deferred tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred Tax assets are recognized to the extent that it is probable that future taxable income will be available against which for all deductible temporary differences, unused tax losses, depreciation carry forward and unused tax credit could be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

E. Cash & Cash Equivalents:

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

F. Financial Instruments:**(i) Financial Assets.****Classification:**

The Company classifies its financial assets at amortised cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

There are no transactions in respect of classification of financial assets to be Measured at Fair Value through Other Comprehensive Income (FVOCI) and measured at Fair Value Through Profit or Loss (FVTPL).

Investments in Subsidiaries and Associates:

The Company accounts for its equity investments in subsidiaries and associates at amortized cost. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the retained earnings under the head "Other Equity Reserves & Surplus".

Impairment of Financial Assets:

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. The Company applies the simplified approach permitted by Ind AS 109 financial instruments.

De-recognition of Financial Assets:**A financial asset is de-recognized only when :**

- The Company has transferred the right to receive cash flows from the financial asset or
- Obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(ii) Financial Liabilities:**Classification as debt or equity:**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement:

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at amortized cost.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Derecognition:

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(iii) Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

G. Property, Plant and Equipment:

All property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate the cost of the asset, net of their residual values, if any, over their estimated useful lives which are in accordance with the useful lives prescribed under Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is higher than its estimated recoverable amount.

Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

H. Impairment of assets:**i. Financial assets**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets (except financial assets valued through fair value through profit or loss) is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The presumption under Ind AS 109 with reference to significant increases in credit risk since initial recognition (when financial assets are more than 30 days past due), has been rebutted and is not applicable to the Company, as the Company is able to collect a significant portion of its receivables that exceed the due date.

ii. Non-Financial assets

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized immediately in the Statement of Profit or Loss.

I. Capital work-in-progress and intangible assets under development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/ intangible assets under development which are not yet ready for their intended use and are carried at cost less accumulated impairment loss, if any.

Depreciation/ amortisation is not provided on capital work-in-progress and intangible assets under development until construction/ installation are complete and the asset is ready for its intended use.

J. Intangible Assets:

Intangible assets are stated at cost of acquisition less accumulated amortization/impairment losses.

Acquired intangible assets

Separately acquired intangible Assets are shown at historical cost. They have a finite useful life and subsequently carried at cost less accumulated amortization and impairment losses, if any.

The Company amortizes impairment losses with finite useful life using Straight Line method over the estimated useful life. In respect of the above assets Management estimates is based on internal assessment.

The amortization period and amortization method for intangible assets are reviewed at the end of each reporting period.

Losses arising from disposal of intangible assets are determined by comparing sales proceeds with carrying amount in the financial statements and disclosed in the statement of Profit & Loss.

K. Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

L. Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Where the likelihood of outflow of resources is remote, no provision or disclosure as specified in Ind AS-37 "Provision, contingent liabilities and contingent assets" is made.

M. Employee Benefits:

i) Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

ii) Post-employment obligations:

There are no post-employment benefit plans such as gratuity and defined contribution plans such as provident fund.

N. Earnings Per Share:

(1) Basic earnings per share:

Basic earnings per share is calculated by dividing-

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year

(2) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilute potential equity shares.

O. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby net profit/(loss) for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, cash at banks, other short term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

The above statement of cash flows has been prepared under the 'indirect method' as set out in Ind AS 7 statement of cash flows.

P. Segment Reporting:

i) Identification of segments

component of the Company that engages in business activities from which it earns revenues and incurs expenses, including revenues and expenses that relate to transactions with any of the Company's other components. Results of the operating segments are reviewed regularly by the Managing Director who has been identified as the chief operating decision maker (CODM), to make decisions about resources to be allocated to the segment and assess its performance.

ii) Inter-segment transfers

iii) Unallocated items

3. New Standards, Interpretations and Amendments Adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. The Company has reviewed the new pronouncements and based on its evaluation has determined that it is not likely to have any significant impact in its financial statements.

4. Rounding of Amounts:

Report on the audit of the Consolidated Financial Statements:

Opinion:

We have audited the accompanying Consolidated Financial Statements of Cinevista Limited ("the Holding Company"), and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive income) the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

Qualified Opinion:

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31st March 2025, its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

- i. We draw attention to Note No. 31 to the financial statements regarding intangible assets with a carrying amount of ₹ 20,90,27,340 as at 31st March 2025.

The Group has not recognized any impairment on intangible assets as required by Ind AS 36. In our view, based on the audit evidences obtained, indicators of impairment exist, and the recoverable amount of these assets is likely to be lower than their carrying amount. Since we are not technically qualified to value such intangible assets and in absence of any documents for realizable value of such intangible assets, we are unable to determine whether any adjustment to intangible assets was necessary.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the Consolidated financial statements of the current year. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Revenue recognition for Revenue from Joint Development agreement	
The Group applies Ind AS 115, Revenue from Contracts with Customers for recognition of revenue from Joint Development Agreement. Refer Note No. 2.4(A)(b) and Note No. 30 to the Consolidated financial statements for Accounting policy and related disclosures. For Revenue contracts under Joint Development arrangements ('JDA'), that are not jointly controlled operations, the revenue from the Development and transfer of constructed area/ Revenue share with corresponding Development Rights given by the Group is measured at the fair value of the estimated consideration receivable from the Developer to the Group under JDA. Such revenue is recognised over a period of time in accordance with the requirements of Ind AS 115. The above requires significant judgment in determining for projects executed through JDA, significant estimate is undertaken by management for determining the fair value of the estimated consideration receivable. Considering the significance of management judgements and estimates involved and the materiality of amounts involved, aforementioned revenue recognition is identified as a key audit matter.	Our audit procedures on Revenue Recognition from Joint Development Agreement included, but were not limited to the following: • Evaluated the appropriateness of accounting policy for Revenue Recognition on sale of residential units in terms of principles enunciated under Ind AS 115 • Obtained and understood the Revenue Recognition process, evaluated the design and performed test of controls over revenue recognition including determination of point of transfer of control and completion of performance obligations on a sample basis; • Obtained the JDAs entered into by the Group, including addendums thereto and compared the ratio of constructed area/ revenue sharing arrangement between the Group and the Developer as mentioned in the agreement to the computation statement prepared by the management; and • Tested the computation for recognition of revenue over a period of time for revenue contracts forming part of JDA and the assessment of stage of completion of projects and project cost estimates. • Assessed the adequacy of disclosures included in the Consolidated financial statements

Information other than the Financial Statement and Auditor's Report thereon:

The Group's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements:

The accompanying Consolidated financial statements have been approved by the Group's Board of Directors. The Group's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the Board of Directors is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of

not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to Financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements.

1. As required by Section 143(3) of the Act, based on our audit we report that:

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with for the period where audit trail is enabled and operated. Furthermore, the audit trail has been preserved by the Group as per the statutory requirements for record retention where the audit trail feature was enabled.

ANNEXURE 'I' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our Report of even date)

Independent Auditor's Report on the Internal Financial Controls with reference to the Consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the Consolidated financial statements of Cinevista Limited ('the Group') as at and for the year ended 31st March 2025, we have audited the internal financial controls with reference to Consolidated financial statements of the Group as at that date.

Management's Responsibility for Internal Financial Controls:

2. The Group's Management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial statement based on criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility:

3. Our responsibility is to express an opinion on the Group's internal financial controls with reference to Consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's Internal Financial Controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements:

6. A Group's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control with reference to Financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Group's assets that could have a material effect on the Financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements:

7. Because of the inherent limitations of Internal Financial Controls with reference to financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the Internal Financial Controls with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Group has in all material respects, adequate internal financial controls with reference to Consolidated financial statements and such controls were operating effectively as at 31st March 2025, based on the internal financial control with reference to Consolidated financial statements criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

During F.Y. 2024-25, Group has recognised revenue from the said project as per Ind AS 115, as per Project Completion Method.

2. Summary of Significant Accounting Policies

2.1 Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

The consolidated financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle, paragraph 66 and 69 of Ind AS 1 and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The consolidated financial statements are presented in Indian Rupees (INR), the functional currency of the Group. Items included in the consolidated financial statements of the Group are recorded using the currency of the primary economic environment in which the Group operates (the 'functional currency'). Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions are recognised in the consolidated statement of profit and loss. Foreign currency denominated monetary assets and liabilities are translated into functional currency at exchange rates in effect at the balance sheet date, the gain or loss arising from such translations are recognised in the consolidated statement of profit and loss.

The Group has decided to round off the figures to the nearest lakhs. Transactions and balances with values below the rounding off norm adopted by the Group have been reflected as "0" in the relevant notes to these financial statements.

The Consolidated financial statements of the Group for the year ended 31st March 2025 were approved for issue in accordance with the resolution of the Board of Directors on 30th May 2025.

Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

The Group classifies an asset as current asset when:

- it expects to realise the asset, or intends to sell or consume it, in its normal operating cycle;
- it holds the asset primarily for the purpose of trading;
- it expects to realise the asset within twelve months after the reporting period; or
- the asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when –

- it expects to settle the liability, in its normal operating cycle;
- it holds the liability primarily for the purpose of trading;
- the liability is due to be settled within twelve months after the reporting period; or
- it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

The real estate development project undertaken by the Group will generally run over a period ranging up to 5 years. Based on the nature of service and the time between the acquisition of assets for development and their realization in cash and cash equivalents, Operating assets and liabilities relating to such projects are classified as current based on an operating cycle as 5 years. For all other assets and liabilities the Group has considered twelve months.

2.2 Basis of Measurement

These financial statements are prepared under the historical cost convention except for certain class of financial assets/ liabilities, share based payments and net liability for defined benefit plans that are measured at fair value.

The accounting policies adopted are the same as those which were applied for the previous financial year.

2.3 Key Accounting Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The Management believes that, although these estimates used in preparation of the financial statements are prudent and reasonable and are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities.

2.4 Material Accounting Policies

A. Revenue Recognition:

a. Media business

The Group derives revenue from producing television programs, Internet series, sale or licensing movie rights, service fee for content development, production of exhibition of feature films. The Group identifies and evaluates each performance obligation under the contract. Revenue recognition is based on the delivery of performance obligations and an assessment of when control is transferred to the customer. Revenue is recognized either when the performance obligation in the contract has been performed ('point in time' recognition) or 'over time' as control of the performance obligation is transferred to the customer.

Revenue generated from the commissioned television programs and Internet series produced for broadcasters is recognized over the period of time (i.e. over the contract period).

Revenue from sale and licensing of movies – The Group evaluates if a license represents a right to access the content (revenue recognized over time) or represents a right to use the content (revenue recognized at a point in time). The Group has determined that most license revenues are satisfied at a point in time due to their being limited ongoing involvement in the use of the license following its transfer to the customer.

Revenue from events is recognized at a period in time.

Service Income for curation of digital content is recognized over the period of time.

The transaction price, being the amount to which the Group expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable consideration where the Group's performance may result in additional revenues based on the achievement of agreed targets.

Revenue excludes any taxes and duties collected on behalf of the government.

b. Real Estate business

Recognition of revenue from sale of Development Rights

For projects executed through joint development arrangements not being jointly controlled operations, wherein the Group provides development rights and Developer undertakes to develop properties on such land and in lieu of said development rights, the Developer has agreed to transfer certain percentage of constructed area or certain percentage of the revenue proceeds, the revenue from the development and transfer of constructed area/revenue sharing arrangement in exchange of such development rights, Revenue is recognised over a period of time, on the basis of the inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation.

Revenue from the Joint Development contract is accounted to the extent of revenue share of the Group from the total bookings of flats carried out by K. Raheja Corp. Real Estate Private Limited.

c. Interest and Dividend Income Recognition:

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably.

B. Inventories:

Media business

Group does not have physical inventory (i.e. goods)

Inventories consist of films or movies, serials, other digital content, etc. that are awaiting launch / release or unamortized portion of the costs. Inventories are stated at the lower of cost and net realizable value. Cost is determined on the basis of actual / amortized cost.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and costs necessary to make the sale.

Real Estate business

Direct and other expenditure is determined based on specific identification to the real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

- i. Land stock- Represents the cost comprises of purchase price under agreement to purchase, stamp duty, registration charges, brokerage cost and other incidental expenses.
- ii. Stock of constructed units - constructed units received under Joint Development Agreement as a part of revenue against sale of development rights is measured at the fair value of the estimated construction service rendered by the developer to the land owner.

- iii. Advance paid towards land procurement- Advances paid by the Group to the seller/ intermediary towards outright purchase of land is recognized as land advance under other assets during the course of obtaining clear and marketable title, free from all encumbrance and transfer of legal title to the Group, whereupon it is transferred to land stock under inventories.

C. Foreign currency transactions and balances

- i) Initial recognition
Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.
- ii) Conversion
Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.
- iii) Exchange differences
The Group accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as income or as expense in the period in which they arise.

D. Income Taxes:

The income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

Current income tax:

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the country where the Group generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax:

Deferred tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred Tax assets are recognized to the extent that it is probable that future taxable income will be available against which for all deductible temporary differences, unused tax losses, depreciation carry forward and unused tax credit could be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

E. Cash & Cash Equivalents:

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

F. Financial Instruments:

(i) Financial Assets.

Classification:

The Group classifies its financial assets at amortised cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

There are no transactions in respect of classification of financial assets to be Measured at Fair Value through Other Comprehensive Income (FVOCI) and measured at Fair Value Through Profit or Loss (FVTPL).

Investments in Subsidiaries and Associates:

The Group accounts for its equity investments in subsidiaries and associates at amortized cost. On disposal of investments in subsidiaries and associates, the difference between net disposal proceeds and the carrying amounts are recognized in the retained earnings under the head "Other Equity Reserves & Surplus".

Impairment of Financial Assets:

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. The Group applies the simplified approach permitted by Ind AS 109 financial instruments.

De-recognition of Financial Assets:

A financial asset is de-recognized only when :

- The Group has transferred the right to receive cash flows from the financial asset or
- Obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(ii) Financial Liabilities:

Classification as debt or equity:

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement:

Financial liabilities are recognized when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at amortized cost.

Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Derecognition:

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(iii) Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

G. Property, Plant and Equipment:

All property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the asset. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance expenses are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate the cost of the asset, net of their residual values, if any, over their estimated useful lives which are in accordance with the useful lives prescribed under Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is higher than its estimated recoverable amount.

Gains or losses arising from the retirement or disposal of a tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

H. Impairment of assets:**i. Financial assets**

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets (except financial assets valued through fair value through profit or loss) is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

The presumption under Ind AS 109 with reference to significant increases in credit risk since initial recognition (when financial assets are more than 30 days past due), has been rebutted and is not applicable to the Group, as the Group is able to collect a significant portion of its receivables that exceed the due date.

ii. Non-Financial assets

Non-Financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized immediately in the Statement of Profit or Loss.

I. Capital work-in-progress and intangible assets under development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/ intangible assets under development which are not yet ready for their intended use and are carried at cost less accumulated impairment loss, if any.

Depreciation/ amortisation is not provided on capital work-in-progress and intangible assets under development until construction/ installation are complete and the asset is ready for its intended use.

J. Intangible Assets:

Intangible assets are stated at cost of acquisition less accumulated amortization/impairment losses.

Acquired intangible assets

Separately acquired intangible Assets are shown at historical cost. They have a finite useful life and subsequently carried at cost less accumulated amortization and impairment losses, if any.

The Group amortizes impairment losses with finite useful life using Straight Line method over the estimated useful life. In respect of the above assets Management estimates is based on internal assessment.

The amortization period and amortization method for intangible assets are reviewed at the end of each reporting period.

Losses arising from disposal of intangible assets are determined by comparing sales proceeds with carrying amount in the financial statements and disclosed in the statement of Profit & Loss.

K. Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

L. Provisions and Contingent Liabilities:

Provisions are recognized when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are not recognized for future operating losses.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Where the likelihood of outflow of resources is remote, no provision or disclosure as specified in Ind AS-37 "Provision, contingent liabilities and contingent assets" is made.

M. Employee Benefits:**i) Short-term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's services upto the end of the reporting period and are measured at the amount expected to be paid when the liabilities are settled.

ii) Post-employment obligations:

- The profit attributable to owners of the Group

(2) Diluted earnings per share

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilute potential equity shares.

O. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby net profit/(loss) for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash in hand, cash at banks, other short term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.
