# MESSAGE FROM THE CHAIRMAN

**Dear Shareholders,**

With great pride and joy, I present the Annual Report of Brightcom Group. FY25 was a year of renewal and recovery. Revenues climbed back to ₹5,146 crores, a 10.4% YoY growth. Net Profit rose to ₹710 crores, with EPS at ₹3.52.

To truly understand FY25, we must place it within our three-year arc:

- FY23 was our strongest year: ₹7,065 crores in revenue, ₹1,081 crores in Net Profit, and an EPS of ₹5.36. Those results reflected the scale, profitability, and global relevance of our model.
- FY24 tested us. Revenues fell nearly 37% to ₹4,661 crores, and Net Profit dropped to ₹688 crores with EPS at ₹3.38. Marked by external headwinds, geopolitical instability, and internal transitions, it was a tough year. Yet, we remained profitable — proof of inherent resilience.
- FY25 turned the tide. The recovery in both revenue and profitability demonstrates not only resilience but also the enduring strength of Brightcom's fundamentals and our capacity to adapt and grow stronger through challenges.

These numbers are more than statistics. They tell a story: Brightcom does not falter under pressure. We adapt, regroup, and return stronger. FY25 is proof of resilience — and a signal of renewal.

## Recognition & Global Credibility

- Picalate Seller Trust Index (Mobile SSP): Brightcom's rankings improved across key geographies — now 6th in China, 10th in Spain, 14th in Ireland and Japan, 15th in France, and 17th in Switzerland. These gains reinforce our reputation as a transparent and reliable global partner.

# Message From the Chairman

- Notably, OMS, our subsidiary, was ranked the #1 Scaling SSP in DataBeat's Sellers Report, adding 1,169 new publishers in a single month.
- Prime Day 2024: Our campaign execution for Amazon Prime Day was among the most successful in our history, delivering measurable results for clients at global scale.
- Industry Presence: Brightcom's leadership was visible across premier global platforms — from the Digiday Summit in Colorado to roadshows in Seattle, San Francisco, and Los Angeles.

FY25 restored Brightcom's credibility in the global marketplace.

## The Road Ahead – Double Engine Growth

We recently launched the Brightcom Defence division — a bold step that extends our expertise beyond advertising into the critical domain of aerospace intelligence and national security. This marks the beginning of our double-engine growth model: one engine rooted in proven strength, the other in purposeful innovation.

### Engine 1: Advertising — Our Core Strength

- Expanding leadership in programmatic advertising, Connected TV, audio, and native formats.
- Harnessing AI-powered insights for predictive targeting, fraud detection, and dynamic creative optimization.
- Strengthening partnerships with global brands and publishers while scaling into high-growth regions.

This engine continues to power our scale and global relevance, ensuring Brightcom remains a trusted partner for advertisers worldwide.

### Engine 2: Defence — Our Strategic Frontier

The second engine is Brightcom Defence — where we bring our expertise in AI and data to the service of aerospace intelligence and national security. Our work spans:

- AI-powered UAV flight systems
- Coordinated drone swarms
- Mission simulation engines
- Aerial cybersecurity platforms

# Message From the Chairman

One transformative area is Swarm AI. In nature, ants build colonies, bees navigate vast distances, and birds migrate across continents — not through central command, but through collective intelligence. Swarm AI translates this principle into technology. In Defence, it enables overwhelming enemy systems, continuous surveillance, and coordinated missions with unmatched precision. Brightcom intends to stand at the forefront of this frontier, aligning advanced technology with national purpose.

We are privileged to be guided in this journey by some of the most reputed advisors. Their presence ensures that Brightcom Defence is aligned with both global standards and India's national priorities.

## Emerging Horizons – Strengthening Our Engines

While Advertising and Defence remain our two engines, we must keep our eyes open to new horizons. These are not distractions, but enablers that will strengthen our core engines:

- Quantum Computing: Unlocking breakthroughs in cryptography, simulation, and optimization — with applications for both advanced advertising algorithms and next-generation defence systems.
- Robotics-as-a-Service (RaaS): Scalable, on-demand robotics that will transform industries from logistics to healthcare, building naturally on our AI expertise.
- AI in Longevity & Healthcare: Data-driven technologies that extend lifespans and transform healthcare - proof that AI is not just reshaping industries, but human lives.

Brightcom is watching these horizons closely - and will engage where they amplify and reinforce our double-engine growth model.

## The Brightcom Promise

The years ahead will be defined by acceleration, transformation, and global leadership. Our path is clear:

- Advertising will remain our core growth engine.
- Defence will be our bold new frontier, aligning global technology with national purpose.
- Emerging technologies will act as accelerators, keeping us on the cutting edge.

With your trust and our steadfast effort, Brightcom will script its strongest chapter ever.

Thank you.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above subject to the following observation:

1. Considering the SEBI's Interim order cum show-cause notice dated 13th April, 2023 we have made the following observations:
  - A. SEBI vide its letter dated 13.04.2023 has ordered company to undertake examination of its financial statements for the period 2014-15 to 2021-22 by a peer-reviewed Chartered Accountant, to ensure that the same are in compliance with all the applicable accounting standards and submit the statement of impact of all the non-compliances. To this extent the current year's opening balances and consequent effect on the closing balances thereof are subject to the verification and confirmation by the peer review auditor. (Refer SEBI Order No WTM/ASB/CFID/\_4/25730/2023-24 point no 177(b)).
  - B. The Company's revenue is predominantly derived from its foreign branch in the USA, which constitutes a significant portion of its financial performance. In his regard, we have relied upon the financial statements of the said foreign branch, which have been confirmed by a Certified Public Accountant (CPA) in the USA. No audit procedures with respect to the financial statements of the foreign branch have been carried out by us, and we have placed reliance solely on the financial statements confirmed by the US CPA.
  - C. Considering the SEBI's Interim order cum show-cause notice dated 13th April, 2023 we have made the following observations:
    - a) As referred in Point No. 72, the company's investment in Ybrant Media Acquisition Inc, one of the subsidiaries of the company has negative equity/net worth indicating the existence of an indicator of impairment. But the company has neither impaired nor created any provision against the value of Investments in Ybrant Media Acquisition Inc.
    - b) As referred in Point No. 177[e] "the company" has to disseminate the standalone financial statements of each of its subsidiaries on its website, for the period between FY 2014-15 and FY 2021-22.
    - c) The opening balances of Investments, receivables and payables with related to subsidiaries in standalone financial statements are subject to the confirmation of peer review auditor and due to its consequent effect, the closing balances thereof are also subject to variation.
    - d) The promoters shareholding is based on available information and may change, as the company has appealed against SEBI's interim order dated 22nd August 2023 and subsequent confirmatory order dated 28th February 2024. The proceedings are ongoing.
    - e) "The company" has still not made any provision for impairment of investments of Rs.16,886.81 lakhs made in M/s Vuchi Media Private Limited despite the fact that the proposed acquisition transaction was revoked by both the parties and have cancelled the definitive share purchase agreement that was entered into. And also 1,40,70,000 equity shares allotted to M/s Vuchi Media Private Limited are pending for cancellation subject to the legal process completion.

D. SEBI has issued a show-cause notice and an interim order dated 13-04-2023, observing certain irregularities, followed by interim order dated 22-08-2023 and confirmatory order dated 28-02-2024. SEBI passed a final order (WTM/AN/CFID/CFID\_4/31187/2024-25) dated 6th February, 2025 in relation to the 'Impairment of Assets' case. The Company filed a writ petition challenging the said order, which had imposed penalties under various provisions of the SEBI -- Act and the Securities Contracts (Regulation) Act. The Hon'ble High Court, upon perusal of the material on record, observed that there was no substantive evidence to justify the quantum of penalty imposed. Consequently, the Court has granted an interim suspension of the recovery of the penalty, while the remaining provisions of the SEBI order dated 06.02.2025 are pending adjudication. It may be noted that SEBI had earlier passed an interim order on 22nd August, 2023, and subsequently, a confirmatory order on 28th February, 2024 on certain other matters. This confirmatory order has been appealed by the company in SAT through appeal number 474 of 2024. The same is pending in SAT. we are not able to express an opinion on above issues covered, due to its pendency.

2. The standalone Ind AS financial statements of the Company for the year ended 31st March, 2024 are subject to variation pursuant to SEBI's observations/directions, which may have a consequential effect on the closing balances as at 31st March, 2025
3. There are instances in which the company was required to file documents and reports to the Central Government and the stock exchanges which the company has done in some cases by paying late fine.
4. **Qualifications in case of subsidiaries mentioned below:**

Considering the SEBI's Interim order cum show cause notice dated 13th April 2023 we have made the following observations:

- (a). As referred in Point No. 140[a] and 177(b), the order states that the company has wrongly capitalized expenditure incurred during the research phase and research-cum-development phase of the creation of intangible assets and has suggested that the expenditures may either get capitalized directly or get recognized as current assets initially and then get reclassified as Intangible assets under development or intangible asset and also SEBI has directed the company to undertake examination of its consolidated financial statements for the period 2014-15 to 2021-22 by a peer-reviewed Chartered Accountant, to ensure that the same are in compliance with all the applicable accounting standards and submit the statement of impact of all the non-compliances within three months from the date of the order. To this extent the current year's opening balances and consequent effect on the closing balances thereof are subject to the verification and confirmation by the peer review auditor.
- (b). As referred in Point No. 177(f), the company has to ensure that at least eighty percent of each of the consolidated revenue, assets and profits, respectively, is subjected to audit and as referred in point no. 177(b), the subsidiaries financial statements for the FYs 2014-15 to 2021-22 are subject to the verification and certification by a peer-reviewed chartered accountant within three months from the date of order. Since the company is in the process of getting the subsidiaries financial statements certified by a peer -reviewed chartered accountant, the opening balances are subject to variation and due to its consequent effect, the closing balances as on 31.03.2024 are also subject to variation. On account of this the audited financial statements of subsidiaries are yet to be reviewed by a peer reviewed chartered accountant. In view of the same we are unable to comment upon the true and fair view of the

consolidated financial statements of the group.

5. In the process of acquiring M/s Vuchi Media Private Limited BCG has paid consideration to the tune of 29.83% by allotting 1,40,70,000 equity shares at a price of Rs.120.02. But later on, the proposed acquisition transaction was revoked by both the parties and have cancelled the definitive share purchase agreement that was entered into. In view of the above cancellation of deal, the company has not considered M/s Vuchi Media Private Limited as an associate company in the consolidated financial statements.

**I further report that:-**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors. There are no change in the composition of the Board of Directors, that had taken place during the period under review

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

- c) The opening balances of Investments, receivables and payables with related to subsidiaries in standalone financial statements are subject to the confirmation of peer review auditor and due to its consequent effect, the closing balances thereof are also subject to variation.
- d) The promoters shareholding is based on available information and may change, as the company has appealed against SEBI's interim order dated 22<sup>nd</sup> August 2023 and subsequent confirmatory order dated 28<sup>th</sup> February 2024. The proceedings are ongoing.

### **Information Other than the Standalone Financial Statements and Auditor's Report thereon**

The "Company's" Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast a significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial

statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in: (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safe guards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would

reasonably be expected to outweigh the public interest benefits of such communication.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 2(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BRIGHTCOM GROUP LIMITED of even date

### **Report on the Internal Financial Controls over Financial Reporting under Clause(i) Of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of BRIGHTCOM GROUP LIMITED (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our Audit. We conducted our audit in accordance with the Guidance note on Audit of Internal Financial Controls Over Financial Reporting (the

“Guidance Note”) and the standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an Audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. These standards and guidance note require that we comply with ethical requirements and plan and performed the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor’s Judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion and the company’s Internal Financial Control system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes these policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company

- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitation of Internal Financial Controls over Financial Reporting**

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

In our opinion, the company does not have adequate Internal Financial Control Systems over financial reporting and such systems were not operating effectively as at March 31st, 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**2. SIGNIFICANT ACCOUNTING POLICIES****a) Statement of compliance**

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 read with rule 3 of companies (Indian

accounting standards) Rules, 2015 ("the rules") (as amended from time to time).

**b) Basis of preparation**

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**c) Use of estimates and judgements**

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

of deferred tax assets, provisions and contingent liabilities.

**Impairment of investments**

The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

**Useful lives of property, plant and equipment**

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

**Valuation of deferred tax assets**

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

**Contingencies**

Management judgement is required for estimating the possible inflow/outflow of resources, if any, in respect of contingencies/ claims/litigations against the Company/by the Company as it is not possible to predict the outcome of pending matters with accuracy.

**Defined Benefit Plans**

The present value of the gratuity obligation is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, rate of increment in salaries and mortality rates.

Due to complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All the assumptions are reviewed at each reporting date.

**Fair Value measurement of financial instruments**

When the fair values of financial assets and financial liabilities on reporting date cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques i.e., the DCF model. The inputs to these models are taken from observable markets.

**Intangibles**

Internal technical or user team assess the useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

**d) Current Vs Non-current classifications**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it satisfies the below mentioned criteria:

Expected to be realised or intended to be sold or consumed in normal operating cycle;

ii. Held primarily for the purpose of trading;

iii. Expected to be realised within twelve months after the reporting period, or

#### h) **Leases**

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii)the

Company has the right to direct the use of the asset. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less(short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option

**iii. Conversion on reporting date:**

Foreign currency monetary items are reported using the closing rate. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

**iv. Exchange Differences:**

Exchange difference arising on the settlement of monetary items or on Presenting monetary items of Company at rates different from those at which they were initially recorded during the year or presented in previous financial statements are recognized as income or as expenses in the year in which they arise.

**k) Income taxes**

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

**Current income taxes**

The current income tax expense includes income taxes payable by the Company, its branches in India and overseas. The current tax payable by the Company in India is Indian income tax payable on worldwide income.

The Current income tax payable by overseas branches of the Company is computed in accordance with the tax laws applicable in the jurisdiction in which the respective branch operates. Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

paying units intends to settle the asset and liability on a net basis.

**Deferred income taxes**

Deferred income tax is recognized using the Balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to

give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

**1) Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**1. Financial Assets.****i) Initial recognition and measurement:**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**ii) Subsequent measurement:****Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

principal and interest on the principal amount outstanding.

**Financial assets  
at fair value through other  
comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

**Financial assets  
at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

**iii. Derecognition:**

A financial asset or where applicable, a part of a financial asset is primarily derecognised when: a. The rights to receive cash flows from the asset have expired, or b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and

rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

**iv. Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates.

Expected credit loss allowance or reversal recognised during the period is recognised as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

**2. Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

**Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

**i) Initial recognition and measurement:**

At initial recognition, all financial liabilities are recognised at fair value and in the case of loans, borrowings and payables, net of directly attributable transaction costs.

**ii) Subsequent measurement:****a. Financial liabilities at fair value through profit or loss:**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading are recognised in the profit or loss.

**b. Financial liabilities at amortised cost:**

Amortised cost, in case of financial liabilities with maturity more than one year, is calculated by discounting the future cash flows with effective interest rate.

The effective interest rate amortisation is included as finance costs in the Statement of Profit and Loss.

Financial liability with maturity of less than one year is shown at transaction value.

**iii. Derecognition:**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

**m) Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

**n) Financial Guarantee Contracts:**

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with original or modified terms of a debt instrument.

The Company measures any financial guarantee on initial recognition at their fair value.

Subsequently these contracts are measured at the higher of:

- a.** the amount of the loss allowance determined as per impairment requirements of Ind AS 109, and
- b.** the amount initially recognised, less where appropriate, cumulative amount of income recognized in accordance with the principles of Ind AS 18.

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

**o) Fair Value Measurement:**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for such asset or liability, or in the absence of a principal market, in the most advantageous market which is accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

a. Level 1 – Quoted (unadjusted market prices) in active markets for identical assets or liabilities.

b. Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurements is directly or indirectly observable.

c. Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

**p) Investment in subsidiaries**

Investment in subsidiaries are measured at cost less impairment.

**q) Property, plant and equipment**

Property, plant and equipment are stated at cost net of input tax credits, less accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and all attributable cost, to bring the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to put to use.

The Company adopted cost model as its accounting policy, in recognition of the property, plant and equipment and recognises transaction value as the cost.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Statement of Profit and Loss. Property, Plant and Equipment which are found to be not

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

usable or retired from active use or when no further benefits are expected from their use are removed from property, plant and equipment and the carrying amount net of scrap value, if any is charged to Statement of Profit and Loss.

The improvements/modifications carried on the lease hold land/property are recognised as lease hold improvements and are written off over the primary lease period or the life of such improvement whichever is lower.

The estimated useful lives are as mentioned below: ii.

Type of asset	Method	Useful lives
Computer equipment	Straight line	3 years
Office equipments	Straight line	5 years
Furniture and fixtures	Straight line	10 years
Electrical installations	Straight line	10 years
Vehicles	Straight line	8 years

r) **Intangible assets**

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

Intangible assets consist of rights under licensing agreement and software licences which are amortised over license period which equates the useful life ranging between 5-6 years on a straight line basis.

s) **Impairment of Non-financial assets**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the asset are no longer existing or have decreased.

t) **Employee benefits**

**Defined benefit plans**

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance sheet date. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits. The retirement benefit obligations recognised in the Balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and deductions in future contributions to the scheme.

**Brightcom Group Limited**

Notes forming part of Standalone financial statements for the year ended 31<sup>st</sup> March 2025

**ii. Defined contribution plans**

Employer's contribution to provident fund/ employee state insurance which is in the nature of defined contribution scheme is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

reporting provided to the Chief operating decision maker ("CODM").

The board of directors of the company has identified the Chairman and Managing Director as the CODM.

**iii. Compensated absences**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the Balance sheet date.

**x) Provisions:**

Provisions are recognised when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses. Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

**u) Earnings per share**

Basic earnings per share are computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the years' presented.

**y) Contingencies:**

Where it is not probable that an inflow or an outflow of economic resources will be required, or the amount cannot be estimated reliably, the asset or the obligation is not recognised in the statement of balance sheet and is disclosed as a contingent asset or contingent liability. Possible outcomes on obligations / rights, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent assets or contingent liabilities.

**v) Borrowing Costs:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**z) Prior period items:**

In case prior period adjustments are material in nature the Company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". Immaterial items pertaining to prior periods are shown under respective items in the Statement of Profit and Loss.

## Independent Auditor's Report

### To The Members of BRIGHTCOM GROUP LIMITED Report on the Audit of the Consolidated Ind AS Financial Statements

#### Qualified Opinion

We have audited the accompanying consolidated Ind AS financial statements of BRIGHTCOM GROUP LIMITED ("the Holding Company"), its subsidiaries (the Company, its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us except for the possible effects of the matters described in the Basis for Qualified opinion the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IndAS") and other accounting principles generally accepted in India, of the consolidated state of affairs of "the Group" as at March 31, 2025, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### Basis for Qualified Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of "the Consolidated Financial Statements" section of our report. We are independent of "the Group" in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of "the consolidated financial statements" under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

- 1) We cannot confirm the opening and closing balances as they are subject to change. SEBI vide its letter dated 13.04.2023 has ordered company to undertake examination of its financial statements for the period 2014-15 to 2021-22 by a peer-reviewed Chartered Accountant, to ensure that the same are in compliance with all the applicable accounting standards and submit the statement of impact of all the non-compliances. To this extent the current year's opening balances and consequent effect on the closing balances thereof are subject to the verification and confirmation by the peer review auditor.
- 2) The Company's revenue is predominantly derived from its foreign branch in the USA, which constitutes a significant portion of its financial performance. In this regard, we have relied upon the financial statements of the said foreign branch, which have been confirmed by a Certified Public Accountant (CPA) in the USA. No audit procedures with respect to the financial

statements of the foreign branch have been carried out by us, and we have placed reliance solely on the financial statements confirmed by the US CPA.

- 3) The Consolidated Financial Results includes 14 foreign subsidiaries financial statements and whose Financial Statements reflect Group's share of total assets of Rs. 7,85,140 lakhs as at 31-03-2025 and total revenues of Rs 5,14,466 lakhs, total net profit/ (loss) after tax of Rs.71,616 lakhs, and total comprehensive income/loss of Rs. 91,259 lakhs for the year ended 31-03-2025, and cash flows (net) of Rs (5,495) lakhs for the period from 01-04-2024 to 31-03-2025 which are considered in preparation of the consolidated financial statement.

We have received Signed Financials of two foreign subsidiaries named Frontier Data Management Inc, and Dyomo Corporation whose Financial Statements reflect total assets of Rs. 3,26,904.08 lakhs as at 31-03-2025 and total revenues of Rs 3,75,615.41 lakhs, total net profit/ (loss) after tax of Rs.64,686.67 lakhs, and total comprehensive income/loss of Rs. 71,640.35 lakhs for the year ended 31-03-2025. No audit procedures with respect to the financial statements of the above two foreign subsidiaries have been carried out by us, and we have placed reliance solely on the financial statements signed by the US CPA.

The audited financial statements of the remaining 12 foreign subsidiaries (other than *Frontier Data Management Inc.* and *Dyomo Corporation*) have not been furnished to us. Consequently, we have not carried out any audit procedures with respect to the financial information of these subsidiaries due to non-availability of the information.

The management of "the Holding company" after converting the financial information into reporting currency & consolidating as per Ind AS, submitted the consolidated financial statements to us and our opinion on the Statement, in so far

as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on such financial statements/financial information/financial results.

- 4) Considering the SEBI's Interim order cum show-cause notice dated 13th April, 2023 we have made the following observations:
- As referred in Point No. 72, the company's investment in Ybrant Media Acquisition Inc, one of the subsidiaries of the company has negative equity/net worth indicating the existence of an indicator of impairment. But the company has neither impaired nor created any provision against the value of Investments in Ybrant Media Acquisition Inc.
  - As referred in Point No. 177[e] "the company" has to disseminate the standalone financial statements of each of its subsidiaries on its website, for the period between FY 2014-15 and FY 2021-22.
  - The opening balances of Investments, receivables and payables with related to subsidiaries in standalone financial statements are subject to the confirmation of peer review auditor and due to its consequent effect, the closing balances thereof are also subject to variation.
  - "The company" has still not made any provision for impairment of investments of Rs.16,886.81 lakhs made in M/s Vuchi Media Private Limited despite the fact that the proposed acquisition transaction was revoked by both the parties and have cancelled the definitive share purchase agreement that was entered into. And also 1,40,70,000 equity shares allotted to M/s Vuchi Media Private Limited are pending for cancellation subject to the legal process completion.
  - The promoters shareholding is based on available information and may change, as the company has appealed against SEBI's interim order dated 22<sup>nd</sup> August 2023 and subsequent confirmatory order dated 28<sup>th</sup> February 2024. The proceedings are ongoing.

5) In the process of acquiring M/s Vuchi Media Private Limited BCG has paid consideration to the tune of 29.83% by allotting 1,40,70,000 equity shares at a price of Rs.120.02. But later on, the proposed acquisition transaction was revoked by both the parties and have cancelled the definitive share purchase agreement that was entered into. In view of the above cancellation of deal, the company has not considered M/s Vuchi Media Private Limited as an associate company in the consolidated financial statements.

1) SEBI has issued a show-cause notice and an interim order dated 13-04-2023, observing certain irregularities, followed by interim order dated 22-08-2023 and confirmatory order dated 28-02-2024. SEBI passed a final order (WTM/AN/CFID/CFID\_4/31187/2024-25) dated 6th February, 2025 in relation to the 'Impairment of Assets' case. The Company filed a writ petition challenging the said order, which had imposed penalties under various provisions of the SEBI Act and the Securities Contracts (Regulation) Act. The Hon'ble High Court, upon perusal of the material on record, observed that there was no substantive evidence to justify the quantum of penalty imposed. Consequently, the Court has granted an interim suspension of the recovery of the penalty, while the remaining provisions of the SEBI order dated 06.02.2025 are pending adjudication. It may be noted that SEBI had earlier passed an interim order on 22nd August, 2023, and subsequently, a confirmatory order on 28th February, 2024 on certain other matters. This confirmatory order has been appealed by the company in SAT through appeal number 474 of 2024. The same is pending in SAT. we are not able to express an opinion on above issues covered, due to its pendency.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon:**

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibility of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements**

The Holding Company's Board of Directors are responsible for the preparation and presentation of these Consolidated IND AS Financial Statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated IND AS Financial Statements by the Directors of "the Holding Company", as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management

either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated IND AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

- Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in : (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BRIGHTCOM GROUP LIMITED of even date

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of BRIGHTCOM GROUP LIMITED (herein after referred to as “the Holding Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of “the Holding Company” and the respective Board of Directors of its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting

records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its Subsidiary Companies.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

In our opinion, "the Holding company" does not have adequate Internal Financial Control Systems over financial reporting and such systems were not operating effectively as at March 31st, 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

	<i>In determining the allowances for doubtful trade receivables the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.</i>

**49. Financial risk management objectives and policies**

The Group's principal financial liabilities comprise, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's management oversees the management of these risks. The Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. The Board of Directors reviews and makes policies for managing each of these risks, which are summarized below.

**A Credit Risk**

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

The Group considers a counterparty who fails to pay according to the contractual terms or obligations as a defaulted party. This is based on considering the market and economic forces in which the entities in the Group are operating. The Group creates provision for the amount if the credit risk of counter-party increases significantly due to its poor financial position and failure to make payment within the due date. In calculating expected credit loss, the Group has also considered historical pattern of credit loss, the likelihood of increased credit risk and consequential default.

**Trade receivables as contract asset:**

The customer credit risk is managed by the Group's established policy, procedures and control relating to customer credit risk management. Before accepting any new customer, the Group uses an internal credit scoring system to assess the potential customer's credit quality and defines credit limits by customer. Limits and scoring attributed to customers are reviewed on periodic basis. Outstanding customer receivables are regularly monitored. The Group's receivables turnover is quick and historically, there were no significant defaults. Ind AS requires an entity to recognise in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised in accordance with Ind AS 109. The Group assesses at each date of statements of financial position whether a financial asset or a group of financial assets is impaired.

**B. Liquidity Risk**

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group manages liquidity risk by maintaining adequate reserves, continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

**Brightcom Group Limited**Notes forming part of Consolidated financial statements for the year ended 31<sup>st</sup> March 2025**C. Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other market changes. Financial instruments affected by market risk include loans and borrowings and deposits.

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Group's exposure to the risk of changes in market interest rates is negligible.

- **Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities (when revenue or expense is denominated in a foreign currency).

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the respective entities.

53. SEBI passed a final order, WTM/AN/CFID/CFID\_4/31187/2024-25 dated February 6, 2025 with regards to "Impairment of assets" case. A writ petition was filed by the company challenging the SEBI order which imposed penalties under various provisions of the SEBI Act and the Securities Contracts (Regulation) Act. The High Court, upon perusal of the material on record, observed that there is no substantive evidence to justify the quantum of penalty imposed. Consequently, the Hon'ble Court has directed an interim suspension of the recovery of the penalty and the remaining provisions of the order dated 06.02.2025 are pending adjudication. SEBI had passed a different interim order on 22nd August, 2023, and later passed confirmatory order on 28th Feb, 2024 on certain other matters. The conformity order has been appealed by the company in SAT through appeal number 474 of 2024. The same is pending in SAT.

Net Profit (PAT) was ₹710 crores (FY24: ₹688 crores), with Earnings Per Share (EPS) at ₹3.52. Return on Equity (ROE) for the year was approximately 8.17%. Operationally, cash flows remained positive at Rs.175 crores, with a continued focus on enhancing free cash generation.

### **2. Business Developments**

- Expanded the publisher and advertiser networks across key regions.
- Enhanced the Compass platform with improved yield-optimization capabilities.
- Strengthened Blocl Exchange's position in local news advertising.
- Expanded video and audio advertising formats within the portfolio.
- Advanced preparatory work on the newly introduced Defence-focused initiative, alongside ongoing technology and capability development.

### **3. Geographic Presence**

The Company continued its global footprint, maintaining offices in the United States, Europe, and Asia-Pacific regions. Leadership enhancements were made in select geographies to further drive client and publisher engagement.

### **4. Industry Trends (Global Context)**

- Overall Advertising Market: Global advertising is expected to remain resilient, with forecasts estimating total media ad revenue for 2025 to hit approximately \$979billion, marking a 4.9% year-on-year growth.

- Digital's Share and Momentum: Digital ad spending is projected to account for over 75% of total global ad revenue in 2025. Growth in digital is expected to continue outpacing traditional media, driven by formats such as retail media, social media, and programmatic display.

- Retail Media Expansion: Retail media is among the fastest-growing segments, with projected double-digit growth. Global retail media ad spend is expected to surpass \$160–231 billion in 2025.

## **5. Programmatic Growth & Video**

Programmatic display advertising represents around 80% of global digital display ad spend today, and is projected to reach 90% by 2026.

- Creator Economy and Platform Shifts: Advertising via creator-centric platforms—such as YouTube, TikTok, and LinkedIn—is projected to exceed ad revenue generated by traditional media outlets in 2025. This marks a notable structural shift in monetization models within the advertising ecosystem.

These industry dynamics support the Company's continued investments in digital innovation, platform diversification, and audience-first media strategies.

## **6. Outlook**

Looking ahead, the Company anticipates steady growth supported by:

- Continued digital advertising demand globally.
- Innovation through enhanced ad-tech platforms and diversified ad formats.
