Historic Perspective

Quarter 3, FY2022 – Overall Update

The company reported a strong quarter, with Consolidated **Revenues rising 130.08% YOY** and **PAT rising 167.99% YOY**. For the quarter – Consolidated **Revenues were Rs 2021 Crores & PAT was 371 Crores**.

Notably, also **EBITDA rose to 126.84% YOY** achieved on the back of better cost management & better yields.

- 14 new newspaper relationships for our local news platform 'Blocal' exchange. As consumers are wanting to go hyperlocal in their media consumption.
- The target FCF for FY22 remains at Rs 250 cr, and as stated in earlier communication, is slated to reach Rs 500 cr by June quarter, 2022. Improving Free Cash generation is a key financial target for management.
- Improved eCPMs due to better spurious traffic filters have increased the budgets towards online advertising, and clients thus have higher proclivity toward digital marketing spends.
- Newer phenomenon like Metaverse and augmented reality are acting as Force multipliers to an already snowballing trend in favor of AdTech.

Brightcom Video Player, our brand new product, gaining tremendous traction in the market.

Our network traffic touched **90 Billion** impressions/month for the December 21. This is the highest monthly digital traffic till date.

The outlook for our sector remains extremely **robust**, with massive shift from traditional to digital advertising, accentuated by the pandemic.

Company's **Return on Equity (ROE)**, on an annualized basis has reached **21.74%** approximately. The entire management team is focused on improving this key ratio substantially.

Industry Growth

More & more people are spending a lot of time online & on digital platforms. The AdTech industry is witnessing massive growth because of an accelerating shift to online media consumption, propelled by the Covid pandemic and offline to online buying. The tailwinds are powerful, which indicate a complete change in consumer behaviour rather than a short-term spike.

Digital Advertising is currently a **\$500 Billion industry**, dominated by Google and Facebook and critical players such as US-based The Trade Desk, China-based Mobvista, and Japan-based CyberAgent.

AdTech – Tools and Services

Quest is to constantly support Marketers to use sophisticated AdTech, to smartly target specific audiences across the Internet, mobile telephone networks and other forms of communication media. The company invests significantly in product development to stay ahead of the curve & continue to grow.

The Core AdTech Platform is leveraged with AI/ ML Analytics-based Ad delivery technologies, tracking of traffic, and tracking of revenues across various layers. The company is powerful in both SSP (Sell Side Platform), working with all notable publishers & DSP (demand-side platform), where it works with Ad agencies & direct advertisers.

A recent acquisition, **Mediamint**, strengthens the backend and allows the company to offer related services. All global teams will have the support of Mediamint to use for the overall benefit of the Group. This large and talented digital & tech team brings great value and cost arbitrage to the group

We are making progress in the Audio Advertising M&A opportunity, which will add significantly to our capabilities and the financials in the coming quarters.

The Core AdTech Platforms

“Compass” and “Brightcom”

the technological brains - a proprietary technology, designed and developed with a main objective of offering an end-to-end solution.

- Efficient in-house video and display Ads - constantly evolving and dynamic platform
- Demographics, interests, & habits of the people viewing & interacting with your ads
- Easy Tag integration & maximum yield over video & display, both mobile & desktop
- Real-Time Bidding, Header Bidding & Advanced Hybrid Solutions
- Filtering Technology is for removing the BOT based traffic.

B-local is a local news audience exchange

- Unique monetization tools for relevant publishers
- Providing advertisers with direct access to its customer base
- Advanced AI platform at its heart
- Offers advertisers an alternative Programmatic Ads
- Re-incorporating brands into a community
- Increase CTR & Conversion Rates
- Brand Trust by advertising on Local News Sites
- Premium inventory, simple integrations and high viewability rates

VoloMp

- VoloMP is high-performance emails delivery platform
- Provides control & flexibility with regard to Email campaigns - Scheduling & Reporting
- Enabling to target customers better, save time and money setting up campaigns
- Collect & measure detailed customer response data
- Customizable to suit your mailing strategy
- Easy data list management and keep your IPs healthy

Audienciad Programmatic Advertising made simple.

- Video, Display and Mobile on a single platform. All SSPs and exchanges merged into a single solution.
- Ad Exchanges connected to the platform
- 92 percent coverage in LATAM
- 91 percent coverage in US Hispanics
- Connection with all SSPs, real-time purchase, purchasing capacity
- Evaluation of results in real time
- Real-time reporting, and the ability to learn from each campaign to improve results with full transparency.

mediamint

The acquisition enhances M&A strategy by having a more robust back end to improve future targets' operating efficiencies and expedite other synergy realization efforts. Thus offers the potential for strong organic growth in Media Mint's backend services business. Stand-alone Financials of Media Mint for FY22 are trending towards an annualized Adjusted EBITDA of Rs 67 crores and revenues of about Rs 187 crores. Will be immediately and meaningfully accretive to the overall earnings.

Acquired Company Vuchi Media (Brand: Media Mint) is In Ad Operations, Creative Production, Technical Support, Data Analytics, Customer Experience, Billing Operations, and DevOps. It has Premium clients like Netflix, Disney, Expedia, Bitly, Hulu, The New York Times, etc. The company has a team of 1500+ professionals located in India.

They do display, video and mobile advertising for ad agencies and publishers. Works closely with creative agencies, media buying firms and analytics suites to deliver results for top brands. It is renowned for its data and metrics-driven performance and continuous improvement approach to deliver EPIC results.

Strengthening the Team

Brightcom has increased the management bandwidth recently. It has brought in two senior leaders at the CXO level: Peshwa Acharya and Satish Cheeti.

- Peshwa Acharya, an accomplished senior management professional and business leader with over 25 years of work experience, has joined to spearhead the Company's Corporate strategy & Communications
- Satish Cheeti has joined as President and Division Chief for the new division: Brightcom Audio, to help with the organic and inorganic growth initiatives there.

The recent acquisition of Media Mint has provided a large talent pool of professionals, especially to handle the complete range of backend development & customer support for a broader range of services.

Accolades and Capital Markets Development

BCG was recognized as the "Biggest Value Gainer" across India by Burgundy Private Hurun India 500 List, 2021.

Bonus announcement of (2 : 3) for the investors in January 2022.

Acquisition of Mediamint at around 8 times EBITA.

Looking to acquire a high margin audio advertising company in the USA.

Addition of industry leading talents at executive level to lead future growth initiatives.

More than 4-fold increase to over 2 Lakh+ shareholders.

MSCI (Morgan Stanley Capital International).
