The Board of Gulshan Polyols Limited (GPL) met today to approve Unaudited Financial Results for the Quarter ended June 30, 2021.

Briefing by Dr. Chandra Kumar Jain, Chairman and Managing Director of Gulshan Polyols on the Company's performance:

"During the quarter, we worked diligently by assuring employees' safety while continuing to serve our customers by running our operations successfully. I feel elated to announce that your Company has recorded a market cap of 1,000 Crore during this quarter which is due to constant conviction and faith of all Stakeholders in the Company.

"Employee wellbeing is of paramount importance to us and we have had multiple interventions in this regard including facilitating vaccination for them and their dependents.

The COVID-19 pandemic has posed significant unforeseen challenges for all businesses, including GULSHAN POLYOLS LIMITED. However, driven by the dedication of our employees and the trust of our customers, we have grown and growing ahead at the fastest pace ever in a decade, constantly. We are proud, that our strengthened Boardroom and Executive team have demonstrated expert leadership, and our employees are demonstrating resilience and commitment in delivering higher volumes. We are setting up and expanding your Company for its next phase of growth and are confident to deliver superior value to our stakeholders in a sustainable manner. I wish to extend my gratitude to all employees, customers, suppliers, bankers, investors and other stakeholders....

Company is contemplating to expand the business and explore the business opportunities globally. In this regard, we have already initiated the process to incorporate a wholly owned subsidiary of the Company in International Free Zone Authority (IFZA), Dubai Silicon Oasis, Dubai, United Arab Emirates.

The Grain Processing business has grown tremendously as it has contributed to a revenue growth by Rs. 8,306.10 Lakhs in Q1'FY22 vs. Q1'FY21, which is almost 71 % of total revenue growth during the quarter, due to good demand and improved pricing of select products.

Further, the Distillery segment is continuously doing exceptionally well in processing and supply of 'Ethanol' to 'Public Sector Companies'. It has also contributed into revenue growth by Rs. 3,198.99 Lakhs in Q1'FY22 vs. Q1'FY21.

The recovery in demand to pre-Covid levels, credible resumption of supply chain and logistics, cost & cash management and a vigorous boost in production has helped us to deliver profitability. The Initial quarter of FY22 delivered a strong performance, reflecting a sequential growth, signaling an astonishing year ahead, for the company which would definitely built us in achieving our vision of becoming 1000 Crore Company.
