### **DIRECTORS' REPORT**

#### To the Members,

Your Directors have the pleasure in presenting their 10th Annual Report together with the audited Balance Sheet and Profit & Loss Account for the financial year ended 31st March 2011.

#### Socio Economic Environment

India is one of the world's fastest growing economies. Our country offers several economic advantages to its nationals as well as foreign investors. The Country's rise as an Asian economic powerhouse over the years has been quite remarkable. Economic conditions in India have become quite conducive towards meeting the wants of a wider cross section of people.

With economic liberalization of India in 1990s, the nation started generating a lot of interest among foreign investors. A rapidly developing economy coupled with favorable attitude of the Government of India towards foreign investors, have attracted substantial foreign direct investments to India.

Ernst & Young had carried out a survey in June 2008, which identified India as the fourth most attractive investment destination of the world. All this augurs well for the Indian economy.

On the downside, inflation in India is a matter of serious concern and rose to more than 13 percent in June 2010. But due to Government measures and role played by the Reserve Bank of India, high inflation was brought down to a level of about 8.62 percent in June 2011.

#### Company's Performance

The performance of your Company is greatly dependent upon two issues, one being, amount of dividend received from its subsidiary, Balmer Lawrie & Co. Ltd. ('BL') and the other being interest received from deployment of its surplus funds with scheduled commercial banks. In other words, financial performance of BL and interest prevailing at the time of deployment of surplus funds, are two issues, which are central to the performance of your Company. The interest rates have increased slightly as compared to the previous year 2009-10. The quantum of dividend received from the subsidiary, for the financial year 2010-11, too was higher as compared to the dividend received during the financial year 2009-10. The above two factors have contributed higher profit for the financial year 2010-11, as compared to the Profit for the financial year 2009-10.

Financial performance of your Company, for the year under review, 2010-11, as compared to the immediately preceding year, i.e., 2009-10, is enumerated below:

#### **Financial Results**

Year ended on 31st March 2011 2010 2484.64 2170.24

(₹ in lakhs)

Surplus for the year before Provision for Taxation 59.03 61.82 Net Profit 2422.82 2111.21

#### Dividend

Your Directors are now pleased to recommend, for declaration, a dividend of ₹ 8.50 (Rupees Eight and paise fifty only) per Equity share of ₹ 10/- each, fully paid-up, i.e., 85%, for the financial year ended 31st March 2011, as against dividend of ₹ 7.60 (Rupees Seven and paise Sixty only) per Equity share of ₹ 10/- each, fully paid-up, paid in the previous financial year ended 31st March 2010. Subject to declaration at the ensuing Tenth Annual General Meeting, dividend will be paid to those Shareholders who are holding the shares as on the date of the commencement of the Book closing period, i.e., on 16<sup>th</sup> September 2011. In respect of shares held electronically, dividend will be paid to the beneficial owners - as per details furnished by the Depositories, i.e., Central Depository Services (India) Ltd. and National Securities Depository Ltd.

#### **Appropriations**

Balance Profit amounting to ₹ 118.02 lacs, has been brought forward from the financial year 2009-10. This together with Net Profit for the financial year 2010-11, aggregates to ₹ 2540.84 lacs, which has been appropriated as given hereunder, against the backdrop of the appropriations of ₹ 2227.26 lacs, for the immediately preceeding financial year 2009-10:

#### **Appropriations**

(₹ in lakhs) Year ended on 31<sup>st</sup> March

|  | 2011    | 2010    |
|--|---------|---------|
| Proposed dividend @ ₹ 8.50 (Rupees Eight and paise fifty only) per Equity share [Previous year dividend @ ₹ 7.60 (Rupees Seven and paise sixty only) per Equity share of ₹ 10/- each fullypaid-up, was declared] | 1886.77 | 1686.99 |
| Corporate Tax on Dividend  | 0       | 0       |
| Transfer to Reserve Fund   | 484.57  | 422.25  |
| Surplus carried forward to the next year   | 169.50  | 118.02  |

#### **Deposits with Banks**

Surplus funds of the Company have been deployed in the Fixed Deposit Schemes of the Banks. As at 31<sup>st</sup> March 2011, the total amount of deployment in the Fixed Deposit Schemes of Schedule Banks stood at ₹ 3900 lakhs, which in turn has yielded interest income to the tune of ₹ 214.94 lakhs.

#### **Management Discussion and Analysis Report**

Your Company is not engaged in any other business activity, except, to hold the Equity shares of Balmer Lawrie & Co. Ltd. and accordingly matters to be covered under 'Management Discussion and Analysis Report', are not applicable to your Company.

#### **Report on Subsidiary Companies**

In terms of Sections 4(1)(b)(ii) and 4(1)(c) of the Companies Act, 1956 ('the Act'), your Company has two subsidiary companies, namely, Balmer Lawrie & Co. Ltd. ('BL') and Balmer Lawrie (UK) Ltd. ('BLUK'). By virtue of your Company's shareholding in BL (61.8%), your Company is the holding Company of the latter. BL has one subsidiary company, which is a foreign company, namely, BLUK, which in turn under Section 4(1)(c) of the Act, is also a subsidiary of your Company.

It is understood that BL, in terms of the recent General Circular No. 2/2011 (Ref. no. 5/12/2007 – CL III) of the Ministry of Corporate Affairs, has complied with the conditions, including obtaining consent from its Board of Directors for non-attachment of its subsidiary's accounts. Further, it is understood that BL is presenting the Annual Accounts of its subsidiary, BLUK, in Indian currency and has consolidated its financial statement with that of the above-referred foreign subsidiary company.

Your Company in terms of Section 212(1) of the Act has attached a copy of the Annual Report and Accounts of BL.

Further your Company has furnished the Annual Accounts of BLUK in the manner as was dealt in the Annual Report of BL.

# Conservation of Energy, Technology Absorption and Foreign Exchange Earnings & Outgo

Section 217 (1) (e) of the Companies Act, 1956, read with Rule 2 of the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988, dealing with the disclosures about the above matters, are not applicable to your Company.

#### **Particulars of Employees**

Your Company has no employee in the category to report under Section 217 (2A) of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975.

#### **Directors' Responsibility Statement**

Your Directors acknowledges the responsibility for ensuring compliance with the provisions of Section 217 (2AA) of the Companies Act, 1956, in preparation of the Annual Accounts of your Company for the financial year ended 31st March 2011 and confirm that:

- in the preparation of the accounts for the financial year ended 31<sup>st</sup> March 2011, the applicable Accounting Standards have been followed and there was no material departure from such standards;
- (ii) the Directors have selected such Accounting Policies and applied them consistently and made judgment and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company, as at the end of the financial year on 31<sup>st</sup> March 2011 and of the Profit of the Company for the said financial year;
- (iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the Assets of the Company and for preventing and detecting fraud and other irregularities; and
- (iv) the Directors have prepared the Accounts for the financial year ended 31st March 2011, on a 'Going Concern basis'.

#### **Consolidated Financial Statement**

The investment in Equity shares of your Company's in its subsidiary, Balmer Lawrie & Co. Ltd. ('BL'), was intended to be temporary and as of now there is no change in such intention. Thus in terms of paragraph 11(a) of the Accounting Standard-21, issued by the Institute of Chartered Accountants of India ('ICAI'), the annual financial statement of your Company has not been consolidated with the financial statement of its subsidary, i.e., BL and group compaines of BL, i.e., subsidary and joint ventures of BL, which in turn fall under the same group that of your Company.

However, the nature of equity share holding of BL in BL's subsidiary and joint venture companies are not temporary in nature and therefore BL, in terms of the Accounting Standards 21 and 27, issued by ICAI read with Clause 32 of the Listing Agreement of the Stock Exchanges, has consolidated its financial statement with that of its subsidiary and joint venture companies, which has been duly audited by BL's Statutory Auditors. In order to provide an insight about the group's financial performance, such Consolidated Financial Statement of BL along with the Report of the Auditors, is annexed hereto.

#### **Corporate Governance**

Your Company's Equity Shares are listed with the Stock Exchanges since the year-end 2002 & early 2003. Since the days of initial listing, your Company has consistently abided by the various regulations of the Stock Exchanges, including the regulations on Corporate Governance, as provided under Clause 49 of the Listing Agreement. A separate section titled 'Corporate Governance Report' is furnished in 'Annexure 1'.

In terms of Clause 49 of the Listing Agreement, the Statutory Auditors have examined the compliance of Corporate Governance guidelines and issued a certificate, which is annexed to this Report and marked as 'Annexure 2'.

We understand that necessary steps are being taken by the Administrative Ministry, i.e. Ministry of Petroleum & Natural Gas (MOP&NG) for induction of adequate number of independent Directors on the Board of Directors ('the Board') and Audit Committee of your Company.

Further, we would like to report that the Board and the Audit Committee met three times instead of four times and as such on one occassion the gap was more than the stipulated period of four months. The above non compliance was due to delay in replacement of the erstwhile directors, who were nominees of the erstwhile Administrative Ministry, namely, Department of Disinvestment, Ministry of Finance, with the present directors, who are nominees of the present Administrative Ministry, MOP&NG.

#### **Directors**

Last year's Directors' Report, covered changes in composition of the Board till the date of Reporting, i.e., till 25<sup>th</sup> August 2010, which formed a part of your Company's Annual Report for the financial year 2009-10. Thereafter there has been no change in composition of the Board.

Shri P. Kalyanasundaram, a nominee of the Government of India was appointed Director with effect from 13<sup>th</sup> October 2008 and subsequently designated as the Chairman of the Board with effect from 27<sup>th</sup> October 2008. Shri P. Kalyanasundaram will retire by rotation at the ensuing 10th Annual General Meeting and has expressed his willingness to be re-appointed, as a Director of your Company.

#### **Auditors**

Your Company pursuant to Section 617 of the Companies Act, 1956, is a 'Government Company'. Being a Government Company, the power to appoint the Statutory Auditors of your Company, lies with the Comptroller & Auditor General of India ('CAG').

Though the power of such appointment/re-appointment lies with CAG, in terms of Sections 224(8) (aa) and 619 of the Companies Act, 1956, the privilege of determining/fixing remuneration of the Statutory Auditors of a Government Company vests with the members.

Thus the proposal of fixing remuneration of the Auditors, has been included under Ordinary Business in the Notice convening the 10<sup>th</sup> Annual General Meeting of your Company.

The amount of remuneration payable to the Statutory Auditors of your Company would be commensurate with the volume of work involved in conducting audit of Annual Accounts for the financial year 2011-12. Since this cannot be quantified at this stage, the members are requested to authorize the Board of Directors to determine/fix the remuneration payable to the Statutory Auditors. The members may kindly note that in respect of the financial year 2010-11, the Board had fixed ₹15,000/-, as remuneration, which is exclusive of applicable service tax and other re-imbursements.

#### **Reports of the Auditors**

You may appreciate that Report of the Statutory Auditors on Annual Accounts of your Company for financial year ended 31st March 2011, does not have any reservation, qualification or adverse remark.

The CAG for the financial year 2010-11, has decided not to review the report of the Statutory Auditors on Annual Accounts of your Company for the year ended 31st March 2011 and as such have no comments to make under Section 619(4) of the Companies Act, 1956.

#### **Appreciation**

Your Directors wish to place on record their appreciation of the continued guidance and support extended by MOP&NG and other Ministries. Your Directors also acknowledge the valuable support and services provided by Balmer Lawrie & Co. Ltd. Your Directors appreciate and value the trust imposed upon them by the members of the Company.

# REPORT ON CORPORATE GOVERNANCE

CORPORATE GOVERNANCE is about commitment to values and ethical business conduct. It is a set of laws, regulations, processes and customs affecting the way a company is directed, administered, controlled or managed.

Corporate Governance guidelines and best practices have evolved over a period of time. The Cadbury Report on financial aspects of corporate governance, published in the United Kingdom in 1992, was a landmark in the history of Corporate Governance.

IN INDIA, the Confederation of Indian Industry ('CII') took the lead to frame up a Corporate Governance Code, in April 1998, which was followed by the recommendations of "Kumar Mangalam Birla Committee". Such recommendations of the "Kumar Mangalam Birla Committee", led to inclusion of the Code of Corporate Governance under new Clause 49 in the Listing Agreement of the Stock Exchanges, which are applicable for those companies listed with the Stock Exchanges.

The Department of Public Enterprises ('DPE'), brought out 'Corporate Governance Guidelines 2010', which has been made mandatory for non-listed Central Public Sector Enterprises ('CPSEs'). In respect of listed CPSEs, like your Company, which are already complying with the SEBI norms on Corporate Governance – have to comply with the DPE norms on Corporate Governance, only with regard to the provisions which do not exist or contradict with SEBI norms.

#### **CORPORATE PHILOSOPHY**

YOUR COMPANY strives to achieve governance through the system of checks and balances by conducting periodical audits, to ensure that the management takes care of all its stakeholders' aspirations.

YOUR COMPANY'S CORPORATE GOVERNANCE POLICY, is based on the principles of ensuring the following:

- Constitution of a Board of Directors with appropriate composition and size commensurate with the activities of the Company;
- Induction of Directors with adequate qualification and experience/expertise, commensurate with their responsibilities and duties;
- Timely flow of information to the Board and Board Committees to enable them to discharge their functions, effectively:
- Safeguarding integrity of the Company's financial reporting;
- A sound system of internal control;
- Timely and adequate disclosures of all material information concerning the Company to all its shareholders;
- Transparency and accountability;

- Compliance of all applicable Rules and Regulations; and
- Fair and equitable treatment of all its shareholders and investors.

YOUR COMPANY with limited business activity has always strived for better return to its shareholders by strictly governing its activities, in terms of cutting down un-necessary cost and emphasizing on consistent growth in the area of interest income from its bank deposits.

# BOARD OF DIRECTORS ('THE BOARD')

The Board manages your Company. It acts as a trustee to the shareholders and other stakeholders and primarily its role is to protect and enhance shareholders value and growth of the organization.

All statutory and other significant and material information are placed before the Board to enable it to discharge its responsibilities of strategic supervision of the Company as trustee to the shareholders.

#### Composition

The Board is comprised of three Non-Executive Directors. Out of them two are nominees of the Promoter, i.e., Government of India, including the Chairman and the third Director is an exofficio member from the subsidiary of your company, namely, Balmer Lawrie & Co. Ltd.

Steps have been taken for induction of adequate numbers of independent directors on the Board, which is under consideration of the Administrative Ministry of your company, viz., Ministry of Petroleum & Natural Gas, Government of India.

As of 30<sup>th</sup> June 2011, the Board is comprised of the following three Directors:

- a. Shri P. Kalyanasundaram, Chairman;
- b. Shri Sukhvir Singh; and
- c. Shri K Subramanyan

#### **Shareholdings**

The Articles of Association of your Company does not stipulate any holding of Shares in the form of qualification shares by its Directors.

On the date of reporting, none of the Directors hold Equity Shares in your Company.

#### **Remuneration Policy**

None of the Directors receive any remuneration/compensation, including sitting fee, for attending meetings of the Board and/ or any Board Committees. Therefore, under the present scenario, the Company does not require to lay down its Remuneration Policy.

#### **Other Directorship & Committee Positions**

# Auditors' Certificate on Corporate Governance To the Members of Balmer Lawrie Investments Ltd.

Annexure - '2'

We have examined the compliance of Corporate Governance by Balmer Lawrie Investments Ltd., for the financial year 31<sup>st</sup> March, 2011 as stipulated in Clause 49 of the Listing Agreement of the said Company with the Stock Exchanges in India.

The compliance of the conditions of Corporate Governance is the responsibility of the Management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance (as stipulated in Clause 49 of the Listing Agreement), issued by the Institute of Chartered Accountants of India, and was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we hereby certify that the company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreements, except, the followings:

1. The statutory minimum requirements of the Board Meetings and the maximum time gap of 4 months between two consecutive meetings have not been duly complied with. As per the information/explanation given to us, such noncompliance was due to delay in replacement of the erstwhile Directors with the present Directors, which was made in line with the change of Administrative Ministry of the Company in the year 2006.

- 2. The statutory minimum requirements of the Audit Committee Meetings and the maximum time gap 4 months between two consecutive meetings have not been duly complied with. As per the information/explanation given to us, such noncompliance was due to the reason as mentioned above.
- 3. Since the Chairman of the Board of Directors of the Company being a non-executive Director, at least one-third of the Board should comprise of independent Directors. But in the present instance none of the Directors are of independent category. However, as per the information and explanation received, the Administrative Ministry, i.e., Ministry of Petroleum and Natural Gas, has taken the initiative of inducting adequate number of independent Directors on the Board of the Company.

We state that such compliance is neither an assurance to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

#### **AUDITOR'S REPORT**

to the members of Balmer Lawrie Investments Ltd.

- We have audited the attached Balance Sheet of Balmer Lawrie Investments Limited as at 31<sup>st</sup> March, 2011, the related Profit & Loss Account for the year ended on that date and the Cash Flow Statement annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material mis-statement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Companies Act 1956, as amended by Companies (Auditor's Report) (Amendment) Order, 2004, we enclose in the Annexure, a statement on the matter specified in paragraphs 4 & 5 of the said Order.
- 4. Further to our comments in the Annexure referred to above, we report that:
  - We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - In our opinion, proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books;
  - The Balance Sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of accounts;

- iv) In our opinion, the Balance Sheet and Profit & Loss Account and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in section 211 (3C) of the Companies Act, 1956;
- v) In our opinion and to the best of our information and according to the explanations given to us, the accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31<sup>st</sup> March, 2011 and
  - b) in the case of the Profit & Loss Account, of the profit of the Company for the year ended on that date and,
  - c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

#### **Management Discussion and Analysis Report**

An analytical Report on the businesses of your Company is furnished along with this report under the heading "Management Discussion and Analysis".

#### **Report on Subsidiary**

#### Balmer Lawrie (UK) Ltd.

Balmer Lawrie (UK) Ltd ('BLUK') is a wholly owned subsidiary of your Company incorporated in the U.K. BLUK was earlier engaged in Leasing & Hiring of Marine Freight Containers and Tea Warehousing, Blending & Packaging. After exiting these two businesses, the company utilized the proceeds to fund other business opportunities.

BLUK has to date invested approximately US \$ 1.32 million [including US\$ 0.14 million in 2010-11], equivalent to Indonesian Rupiah12.30 billion, representing 50% of the paid-up equity share capital of the joint venture company, PT. Balmer Lawrie Indonesia (PTBLI), formed to manufacture and market lubricating greases and other lubricants in Indonesia.

PTBLI's plant is in advanced stage of completion and is expected to be commissioned by September 2011.

#### **Exemption from attaching accounts of the Subsidiary**

In the past the Ministry of Corporate Affairs, New Delhi had exempted your Company from attaching with the Company's Accounts, the Annual Accounts of Balmer Lawrie (UK) Ltd pursuant to Section 212(8) of the Companies Act, 1956. Recently, under its General Circular No. 2/ 2011(Ref. No. 5/ 12/2007-CL-III) the Ministry of Corporate Affairs, Government of India has stipulated that the provisions for attachment of the accounts of the subsidiary shall not apply if the conditions specified therein -- including consent of the Board of Directors of the concerned company by resolution, for not attaching the Balance Sheet of the subsidiary -- are duly fulfilled. These conditions have been duly complied with by your Company and the consent of the Board for the non-attachment of the subsidiary's Annual Accounts has also been obtained.

However, such accounts have been duly consolidated in terms of applicable Accounting Standards and have been shown translated into the Indian Rupee.

#### **Report on Joint Ventures**

#### **AVI-OIL India Private Ltd. (AVI-OIL)**

During 2010-11 Avi-Oil has recorded lower sales of ₹ 34 crore as against ₹ 40 crore achieved in the previous year. The decline has been due to delay in the renewal of the rate contract with its major customer and consequent lower off-take.

Avi-Oil participated in the International Aerospace Exposition "AERO INDIA 2011" at Bengaluru, projecting the theme of 'Self-Reliance'. The contribution of Avi-Oil towards indigenisation of aerolubes was well appreciated by the visitors.

During the year, Avi-Oil continued to maintain its registrations with Director General Aeronautical Quality Assurance, Director

General of Civil Aviation and other registrations. An audit of Avi-Oil's production, quality assurance and documentation were conducted by Nyco, France. To augment its production facilities, Avi-Oil effected several improvements in its blending and filling operations and launched a novel pack design for certain aerolubes after validation by the concerned customers / authorities. Exports of esters to Nyco continued and efforts were initiated to develop certain industrial speciality products based on the high quality esters.

#### Balmer Lawrie-Van Leer Ltd. (BLVL)

BLVL's net sales, inclusive of other income increased to ₹ 17761 lakh in 2010-11 from ₹ 15727 lakh in the previous year. The demand for Drum Closures both in the local and export market continued to be buoyant throughout the year and business improved significantly with net sales up by about 11% compared to the previous year. In Plastic Containers sales volume of Valerex 20 range increased by 9% over the previous year.

During the year 2010-11, the Profit Before Tax of BLVL increased to ₹ 1005 lakh from ₹ 767 lakh in 2009-10, an increase of 31%.

During the current financial year ICRA Ltd. upgraded BLVL's Short term rating from A2 to A2+ and Long term rating from LBBB+ to LA – reflecting an improvement of its financial health.

#### **Transafe Services Limited (TSL)**

TSL achieved a turnover of ₹ 76.4 crore during 2010-11— a fall of around 7% compared to the turnover of ₹ 82.47 crore during the previous year – and recorded loss (before tax) of ₹ 16.2 crore. Performance of TSL during 2010-11 was adversely affected due to severe fund crunch faced during major part of the year. While TSL's turnover was broadly in line with the projections made for the year, it recorded considerably higher loss largely on account of making provision against old un-reconciled debtors. TSL achieved EBIDTA [Earnings Before Interest, Depreciation, Tax and Amortization] of ₹ 15.1 crore as compared to ₹ -10.9 crore in the previous year.

The business activities of TSL include Leasing of freight containers, Logistics services including Warehousing operations, manufacture of custom-designed freight containers, Bunk Houses and other container derivatives. It is expected that TSL would achieve improved performance during 2011-12.

A scheme for restructuring the debts of TSL under the Corporate Debt Restructuring (CDR) mechanism was approved in October 2010. In terms of the CDR scheme, your Company has infused ₹ 7.8 crore into TSL -- ₹ 6 crore towards 60,00,000 Cumulative Redeemable Preference Shares [CRPS] of ₹ 10 each for cash at par and the balance ₹ 1.8 crore as unsecured loan, which would bear interest at the rate of 8.5% per annum till March 2015 and 9.5% thereafter. The unsecured loan of ₹ 7.3 crore earlier provided by the Company in 2009 to TSL, has also been converted in to 73,00,000 CRPS of ₹ 10 each at par.

## Balmer Lawrie & Co Ltd.

Further to the criminal complaint filed by TSL against Shri Gopal Krishna Mukerjea, former Managing Director & CEO of TSL (accused no.1), Shri Prithwi Manas Mitra, former Senior Vice President (Finance) of TSL (accused no.2) and certain other executives of TSL, it is known that the accused no.1 and 2 were arrested on 3rd December, 2010 and placed under judicial custody pending investigations. It is gathered that they were released on bail on 3rd March 2011. Further action by the state in the matter is awaited.

The Company, along with the other shareholder in TSL – Balmer Lawirie-Van Leer Ltd (BLVL) - has filed a civil suit against the erstwhile majority shareholders represented by ICICI Ventures, before the Calcutta High Court on 12th May 2011, seeking relief *inter alia* to the effect that the sale of shares in TSL to the Company and BLVL by ICICI Ventures is void entailing consequent restoration of all advantages derived by each party from the void contract.

#### Balmer Lawrie (UAE) LLC (BLUAE)

Despite the continuing effects of the global recessionary conditions, difficult local market conditions including intensified competition and pressure on product pricing, BLUAE turned in excellent results during the year 2010. Prices of main raw materials, viz. CR steel, Tinplate and HDPE showed softening trend internationally for most part of the year; with HDPE prices staging a mid-year reversal.

BLUAE is bracing itself to face the challenges and maintain its pre-eminent position in the market. The company continues to upgrade its facilities and systems to achieve process, product and technological improvements and further enhance service levels with the aim of strengthening its position as the most preferred vendor to customers in the region, maintaining the highest level of business ethics and dependability.

#### Memorandum of Understanding (MoU)

#### **Auditors' Report**

Members may note that the Auditors' Report dated 28 May 2011 for the year ended 31 March 2011 does not contain any reservation or qualification. However, the Statutory Auditors had made the following observations in their Report.

#### QUOTE

ICICI Venture Fund Management Co. Ltd. exited the joint venture unit, Transafe Services Ltd. [TSL] with full benefits without retaining any right of recovery on the part of Balmer Lawrie & Co. Ltd. [BL] for possible losses. Specific joint venture agreement between BL and ICICI specifying the exit clause, important for any joint venture agreement could not be provided.

Consequent to exit of ICICI Ventures from TSL, the entire financial burden fell upon and/or assumed by Balmer Lawrie & Co. Ltd.(BL) for arranging necessary fund for settling the accounts of ICICI Ventures with premium as well as bringing in new partner namely Balmer Lawrie Van Leer Ltd. (BLVL), another unit of joint venture arrangement with BL.

Investment of ₹ 553.28 lakhs during the previous year, a fresh further investment of a sum of ₹1330.00 lakh during the current year by way of acquiring preference shares in TSL and providing unsecured loan of ₹ 1817.92 lakh to BLVL for the purpose of purchase of shares held by ICICI Venture, was done without going through a process of Due Diligence. In addition, the interest falling due for payment as on 31/3/2011 has also been not serviced. Therefore, in our opinion, all these investments totalling to ₹ 3701.20 lakh appear to be prejudicial to the interest of the Company.

#### **UNQUOTE**

Explanatory Management Reply as approved by the Board:

During the year the Company has invested ₹ 6 crore towards

### Balmer Lawrie & Co. Ltd.

subscriptions to Convertible Redeemable Preference Shares (CRPS) in addition to converting earlier loan of ₹ 7.30 crores to CRPS. Further the Company has extended an unsecured loan of ₹ 1.80 crore during the year to TSL. These have been done in compliance with the Company's obligation as Promoter to TSL under the restructuring scheme approved under the CDR mechanism.

In 2009-10 the Company has acquired the shares held by two Funds represented by the respective Trustees and acting through their Investment Manager, ICICI Venture Fund Management Co. Ltd. [collectively referred to as ICICI Ventures] in Transafe Services Ltd. (TSL), a joint venture of the Company when ICICI Ventures desired to exit from TSL. Looking at the business prospects of TSL, increasing Company's holding in TSL to 50% was considered as an appropriate strategy to strengthen its presence in the logistics business.

The Company did not engage an external agency for due diligence considering the fact that TSL was a group company. However, as a normal practice it carefully assessed the financials based on audited financial statements of TSL and additional Board level information available to the Company. Subsequent to the Company increasing its holding in TSL to 50% and exit of ICICI Ventures, the accounting fraud was detected and criminal cases have been filed against TSL's erstwhile Managing Director, Chief Financial Officer and others. A plaint has also been filed before the Calcutta High Court against ICICI Venture for appropriate remedies.

The Shareholders' Agreement of TSL had an exit clause specifying the procedure for finalization of the exit price, which was adhered to in the process.

Considering the above factors, investments made by the Company in TSL are not prejudicial to the interest of the Company and are expected to create value for shareholders and other stakeholders in the long run.

The Statutory Auditors also commented in their Audit Report that the internal control system as regards management of debtors and generation of scrap by the manufacturing units of the Company needs to be further strengthened.

Explanatory Management Reply as approved by the Board:

The Company has a system of review of debtors on a periodic basis at various levels of the organisation and all outstanding debts are followed up for collection regularly. Major parts of the debts of the Company are outstanding from PSUs/Government and there are often delays in getting payments. However, the comments of the Statutory Auditors have been noted and the Company will make efforts for further strengthening of follow-up and monitoring system.

As regards management of scrap generation, the Company has a well laid down system, comparable to that practiced in similar industries, for monitoring/disposal of such manufacturing scrap. In view of the observations of the Statutory Auditors such procedure will be reviewed during 2011-12 and improvements to the extent feasible, would be incorporated.

The Statutory Auditors further observed in their Audit Report that in their opinion, the Company's present internal audit system as conducted in phased manner, by a firm of chartered accountants, is commensurate with its size and nature of its business but the same needs to be strengthened with regard to widening the coverage of various areas like investments made and its follow-up and in the matter of scrap management.

Explanatory Management Reply as approved by the Board:

The scope of Internal Audit was strengthened during the year and was considered fairly adequate. However, the Company, as a practice, reviews the scope of the Internal Audit programme on a yearly basis and effects modifications/improvements as deemed necessary and that the observations of the Statutory Auditor would be duly considered during such review.

The Statutory Auditors have also opined that the Balance Sheet of the Company as at 31 March 2011 and the Profit & Loss account and the Cash Flow Statement for the year ended on that date are in agreement with the books of account and comply with the Accounting Standards referred to in Section 211(3C) of the Act.

#### Acknowledgement

#### 3. Share Transfer Committee

The Share Transfer Committee oversees the physical share transfer procedure and miscellaneous share registry matters. The Committee meets every Monday and Thursday of the week to monitor and approve the various cases of physical share transfer subject to receipt of requests for transfer of shares or other miscellaneous share registry matters. Since, the Committee needs to meet at frequent intervals, it consists of the Chairman & Managing Director and a Whole-time Director.

The Company Secretary, being the Compliance Officer as per Clause 47(a) of the Listing Agreement, is responsible for monitoring the share transfer process and reports to the Company's Board at every meeting.

#### 4. Remuneration Committee

Formation of a Remuneration Committee is a non-mandatory requirement under the Listing Agreement. The

Company being a Government Company within the meaning of Section 617 of the Companies Act, 1956, the Whole-time Directors of the Company are Presidential appointees and their remuneration is fixed by the Government of India from time to time. Nevertheless, a Remuneration Committee has been constituted by the Board at its meeting held on 30th January 2009 to look into matters relating to managerial remuneration and such other issues relating to compensation that may be laid down or provided for under the Companies Act, 1956, the Listing Agreement and the applicable Government Guidelines. The Committee consists of three members, viz., Smt. Abha Chaturvedi, Independent Director — who is the Chairperson - Shri VLVSS Subba Rao, Government Nominee Director and Shri Arun Seth, Independent Director. During the financial year 2010-11, there was no occasion for the Committee to meet.

## 5. Committee for issue of Power of Attorney to functionaries and other Miscellaneous matters

The Committee is *inter alia* authorized by the Board to overview matters relating to issuance of Power of Attorney to various officers and cancellation thereof and consists of the Chairman & Managing Director and one Wholetime Director.

## Review of the functioning of Registrar & Share Transfer Agent (RSTA) of the Company

To ensure smooth functioning of the RSTA, the Company has voluntarily instituted a monthly audit by a Practicing Company Secretary. The scope of this audit includes stock-check of physical share certificates, timely disposal of the requests for physical share transfer and issuance of share certificates.

In compliance with Clause 47(c) of the Listing Agreement with stock exchanges, certificate(s) from a Practicing Company Secretary certifying that registration of all transfers have been completed within the stipulated time have been obtained by the Company and furnished to the Stock Exchanges.

A shareholder's satisfaction survey was last conducted in August 2009. Responses reflected that the services to the shareholders are generally satisfactory. The Company is committed to persistently improve and raise the standard of service to the shareholders. We propose to have the next survey done in August / September 2011.

#### **Reconciliation of Share Capital Audit**

During the Financial year 2010-11, Secretarial Audit – which pursuant to SEBI Circular No. CIR/MRD/DP/30/2010 dated 6 September 2010 has been renamed as "Reconciliation of Share Capital Audit"— as stipulated under Regulation 55A of SEBI (Depositories and Participants) Regulations, 1996 was carried out on quarterly basis by Practicing Company Secretary for reconciliation of the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) with total issued and listed capital. The audit confirms that the total issued/paid-up capital is in agreement with the total number of shares held in physical form and the total number of dematerialized shares held with NSDL and CDSL.

#### **Legal Compliance Audit**

With a view to ensure better compliance with the provisions of Clause 49(I)(C)(iii) of the Listing Agreement, the Company conducts a Legal Compliance Audit every year. For the financial year 2009-10, this audit has been initiated in the year 2010-11 and is currently in the stage of submission of final report to the management. The objective of the audit is to check the quality of compliance of all applicable laws under which the Company and its Strategic Business Units operate.

#### **Cost Auditor**

Pursuant to Section 233B of the Companies Act, 1956, the Ministry of Corporate Affairs has directed Cost Audit in respect of the Strategic Business Unit: Greases & Lubricants of the Company from the financial year 2006-07 onwards. Accordingly, Messrs Shome & Banerjee, Cost Accountants was appointed under Section 233B (2) of the Act for conducting the audit for the financial year 2010-11 and the appointment has also been approved by the Ministry of

Corporate Affairs. The Audit is under way and the report would be submitted to the Central Government within 180 days from the close of the financial year 2010-11 as mandated under Rule 5 of the Cost Audit Report Rules 2001.

Meanwhile, the Company has also received a direction from the Ministry of Corporate Affairs for audit of accounting records relating to Steel Industry which covers the SBU: Industrial Packaging with effect from the financial year 2011-12.

#### **Board Procedure**

The Board of Directors meets from time to time with appropriate notice and agenda papers in a defined agenda format, which are circulated in advance to the Directors. All proposals to the Board in the form of Board Notes are prepared at the senior management level and are placed after being vetted by the Chairman & Managing Director and the concerned Whole-time Director besides obtaining concurrence of the Director (Finance), wherever the proposals involve financial implications.

Agenda papers are made in such form so as to facilitate meaningful and focused deliberations at the meeting. Where it is not practicable to attach any document in the agenda papers, the same is placed on the table at the meeting with specific reference to this effect in the agenda. In exceptional circumstances, and in matters having sensitivity, additional items on the agenda are submitted directly to the Board without written material being circulated in advance. The Secretarial Standards issued by The Institute of Company Secretaries of India are not mandatory; however the Company endeavors to adhere to these to the best possible extent, especially in the matters of board meetings, dividend and transmission of shares.

## Payment of Dividend through National Electronic Clearing Services (NECS)

The Reserve Bank of India(RBI) under Circular no. DPSS (CO) EPPD No. 2283 / 04.01.04 /2008-2009 dated 25 June 2009 addressed to the chief executives of banks, advised optimal usage and expansion of the NECS in order to provide credit to customer accounts without delay. The Company, accordingly, encourages use of NECS for payment of Dividend, wherever available. Shareholders are requested to avail of NECS facility by furnishing the 9 digit (MICR) code number of their bank and branch along with their 15 digit account number to the Registrar & Share Transfer Agent of the Company, viz. Link Intime India Pvt. Ltd in case they hold the shares in the physical mode and to their depository participant where the shares are held in dematerialized mode. This would facilitate prompt encashment of dividend proceeds and enable the Company to reduce costs of dividend distribution. It may be relevant to mention that RBI under Circular No. DPSS (CO) EEPD No. 282 / 04.03.01 /2010-11 dated 5 August 2010 has advised member banks participating in the electronic payment system to strictly adhere to the provisions contained in the procedural guidelines to avoid delays in affording credits through NECS/ECS.

## Transfer of Unclaimed Dividend to the Investor Education and Protection Fund

- h) The Company introduced the 'Whistle Blower Policy' with effect from 9 April 2010 as per Clause 49 of the Listing Agreement. Although this is a non mandatory requirement of the Listing Agreement, it has been introduced to promote and encourage transparency in the Company. It may be pertinent to mention that under the policy, whistle blowers have access to the Ombudsperson who is a non-executive Independent Director. The Listing Agreement enjoins that whistle blowers would also have direct access to the Chairman of the Audit Committee in exceptional cases.
- i) On and from 9 April 2010 the Company also introduced a 'Fraud Prevention Policy' with the object of promoting high standards of professionalism, honesty, integrity and ethical behavior. This policy meets the requirements laid down in the Guidelines on Corporate Governance for Public Sector Enterprises, 2010, which were made effective by the Government in May 2010.

#### j) Remuneration Policy

By virtue of Article 7A of the Articles of Association of the Company, the President of India is entitled to determine terms and conditions of appointment of the Directors. This *inter alia* includes determination of remuneration payable to the Whole-time Directors. The Company circulates/discloses to the Members such terms of appointment & remuneration/any variation thereof together with memoranda of interest of Directors in accordance with Section 302 of the Companies Act, 1956. The Company pays sitting fees of a sum of ₹ 10,000/- per meeting of the Board or Committee thereof attended by each of the non-executive Independent Directors. No sitting fee is paid to the Whole-time/Non-Wholetime Government Nominee Directors for the meetings of Board of Directors or Committees attended by them.

Details of remuneration paid to the Directors during 2010-11 are enumerated hereunder:

### **Management Discussion and Analysis**

[Forming Part of the Directors' Report for 2010-11]

A discussion and analysis of the performance of your Company during the financial year 2010-11 would be better evaluated/understood with a brief survey of the macroeconomic scenario both within and outside the country. Available statistics indicate that the global economy staged a smart recovery in 2010 with the output rising by 5% reversing the decline of 0.6% in 2009. Nevertheless, uncertainty still persists particularly in Europe where some of the countries are facing difficult fiscal situation arising out of debt crisis. Also, the recovery of the US economy has continued to be slow and tentative. The developments in Japan, which was beset by a severe earthquake, a devastating tsunami and a consequential nuclear accident, have intensified the world's economic problems.

Even with the ongoing ripple effects of the global crises – post economic recession of 2008-09 – and the high rate of inflation experienced during the last one year, the economic outlook in India still portends to be encouraging. After growing at 8% in 2009-10, the Indian economy picked up further momentum recording GDP growth rate of 8.5% during 2010-11.

Your Company, Balmer Lawrie & Co. Ltd. is a multi-product and multi-location Company engaged in both manufacturing and service businesses focused on increasing shareholder value. The business of the Company consists of eight Strategic Business Units (SBUs), which are being discussed separately herein below:

#### 1. INDUSTRIAL PACKAGING [SBU-IP]

#### **Industry Structure and developments**

SBU-IP offers an extensive range of 165 to 210 litre capacity mild steel barrels from its six manufacturing units spread across the country to serve diverse applications in the Petroleum, Chemicals and Food industries. The Company is the largest manufacturer of steel barrels in the country.

The Industrial Packaging Industry is characterized by surplus capacities and a large number of manufacturers, leading to depressed margins. The year 2010-11, witnessed a significant growth of the market enabling the SBU to record its highest ever volume of sales and also contributed to the substantially higher profits vis-à-vis 2009-10. Cost of Cold rolled steel, which is the main material input for the SBU, rose in the first quarter, was thereafter stable for the better part of the year, picking-up once again towards the latter part of the last quarter.

In 2010-11, the SBU commissioned a new barrel manufacturing plant at Chittoor in Andhra Pradesh to provide better service for the local fruit industry. The SBU continues to hold its lead position in terms of market share.

#### Opportunities & Threats

The major Opportunities for the SBU lie in:

Extension of its product range, leveraging the benefit of

its multi-locational presence and well-accepted quality standards across diverse industry segments leading to "most preferred supplier" status with some customers and nurturing its Leading-edge technology and technical expertise.

The major Threats being faced by the SBU are the excess manufacturing capacity in the Industry leading to depressed pricing, competition from alternative products such as plastic drums and volatility in steel prices.

#### Segmentwise or Productwise Performance

In 2010-11, the demand for the products offered by the SBU increased substantially compared to the preceding year. As a consequence, the SBU achieved its highest-ever sales volume and turnover and improved profits.

#### Outlook

Indicative trends point to an equally good, if not better demand in 2011-12. Based on the country achieving its targeted GDP growth, the SBU expects its volume to grow further and market share to remain stable in 2011-12.

#### Risks & Concerns

The plastic drum offer strong competition to SBU's products. This is an area of concern. Escalation in input costs, especially steel and paints, often results in less than commensurate product price adjustments and has generally subjected the industry to margin pressures. Sluggish growth rate in demand for / consumption of lubricants also forms an area of concern.

#### Internal Control Systems and their Adequacy

The SBU is governed by performance budget system and internal control measures to monitor performance against targets/norms. BIS certificate is available for all products of the SBU. Five out of the six plants under the SBU are certified to ISO 9001:2000 Quality Management Systems and two plants are certified to ISO 14001:2004. Additional checks are maintained through Internal Audit, Vigilance Inspection, etc.

## Discussion on Financial Performance with respect to Operational Performance

The financial performance of the SBU for the year 2010-11 was extremely satisfactory owing to increasing market demand and higher sales volume achieved in respect of the products offered by the SBU.

## Material Developments in Human Resources / Industrial Relations

The SBU continues to enjoy cordial relationship with employees at all its units.

#### 2. | GREASES & LUBRICANTS [SBU-G&L]

#### Industry Structure and developments

The size of the lubricant industry is estimated to have grown to about 1.5 million tons in 2010-11 valued at about ₹12000 crore. Automotive applications account for around 65% of the total lubricant market and the balance would mainly consist of industrial & institutional sectors. The per capita consumption of lubricants in India is still low compared to the developed countries and thus offers more scope for the lubricant industry to grow. Currently, India is the sixth largest market in the world and the third largest in Asia after China and Japan.

The lubricant industry in India is dominated by the PSU Oil Companies and MNCs who together have a market share of over 75%, with several other large, medium and small-scale players making up the rest. Competition is fierce but the Company has the potential to expand the lubricant business on account of its strength in both industrial and automotive sectors. The market remains highly price sensitive.

Despite these challenges, in the long-term the overall outlook for the automotive lubricant business appears to be good due to growing Indian economy and increased purchasing power of the consumers.

#### **Opportunities and Threats**

The Company sees good opportunity to build upon its lubricants business in the context of improved availability of imported base oil in India and the infrastructural growth that is likely to accentuate transportation leading to higher demand for lubricants. The expected growth in the 4-Stroke 2-Wheeler segment would also provide opportunity for launching value-added, high-quality engine oils suited for such application. Small goods vehicles, cars and motorcycles have made deep inroads into the rural market; this is expected to boost lubricant sales over a wide customer segment.

Opportunities exist for developing and promoting ecofriendly, biodegradable lubricants and other high-end innovative products leveraging the Company's own inhouse R&D.

The Company's ester manufacturing facility at Kolkata and capabilities in in-house development of ester based lubricants would facilitate creation of market for eco-friendly / biodegradable lubricants.

Amongst the threat perceptions, volatility in the prices of key raw materials viz. base oils and additives is at the forefront. This often pushes up the lubricant prices and affects the demand as also profit margins. Technological advancements such as longer 'drain intervals' and use of 'filled-for-life' lubricants, would tend to contain increase in lubricant consumption in the long term..In Tenderbased businesses, PSU oil majors have the advantage of their own base oil production and this causes pressure on the margins and market share of the Company. Nevertheless, the Company proposes to meet the threats harnessing its technological superiority in order to retain/improve its market share.

#### Segmentwise or Productwise Performance

The business of SBU: G&L may be broadly divided into-

- (a) Processing Business or Contract manufacturing for others including oil/ lube companies, and
- (b) Direct Sales

The Processing business during 2010-11 has shown a growth of 18% compared to 2009-10.

The direct sales segment may be categorized into [a] Institutional/Industrial sales, [b] Retail sales and [c] Export. In the Institutional/Industrial sales category, the major consumers are Railways, Defence, Steel, Coal / Mining, Jute and Sponge Iron sectors.

The SBU achieved its highest ever production, sales / retail sales volume as well as turnover during the year. OHSAS-18001:2007 certification for the Kolkata, Silvassa and Chennai plants were obtained.

#### Outlook

The lubricant industry has a good growth orientation against the economic backdrop. From a strategic perspective, the Company proposes to introduce more and more value-added speciality products for niche markets particularly for the steel and the automobile sectors. Also on the anvil are plans to manufacture ecofriendly / biodegradable lubricants in the Indian market. Currently, the Indian market has only a negligible presence in these types of lubricants.

#### **Risks and Concerns**

The major risk factors emanate from increasing prices of base oils and other input materials. Prices of certain materials are seen to be close to the peak levels reached in 2009. Possible slowdown in growth in manufacturing and transportation sectors is another major risk. Some contracts with major customers where the Company is committed to make supplies at fixed prices aggravate the risks associated with rising input costs.

#### **Internal Control Systems and their Adequacy**

The SBU has a detailed Management Information System to control and monitor performance against budget / targets. On-line Depot Management System has been made operational in all regions in view of the growing retail sales volume. Other internal control systems such as Internal Audit, Vigilance inspections etc are also adopted suited to its business needs and these are reviewed periodically.

The Quality, Safety and Environment Management systems at all plants are certified to ISO 9001:2000, ISO 14001:2004 standards and OHSAS 18001 Certification.

## Discussion on Financial Performance with respect to Operational Performance

The SBU achieved all-time high levels of production, sales volume and turnover during the year. Profit was marginally lower than the previous year primarily due to the increasing trend in prices of base oils.

## Material Development in Human Resources / Industrial Relations

The industrial relations scenario in all the Divisions / Units of the SBU continued to be cordial and peaceful.

#### 3. LOGISTICS SERVICES (SBU-LS)

#### **Industry Structure and Developments**

Logistics Industry is a sunrise industry which is forecast to grow rapidly at a Compounded Annual Growth Rate (CAGR) of approximately 9%. Available data indicates that the industry turnover lies somewhere in the region of \$80 billion - \$100 billion. Much of the industry is fragmented with a mere 10% under the control of the organized sector. The logistics cost in India is estimated at around 13% to 14% of the GDP as against 9% to 10% in the industrialized nations. Higher logistics cost together with the requirement of progressively larger investments in the sector are twin factors which would provide impetus for the growth of the organized sector. One other driver of growth would be the benefits accruing from the long awaited implementation of GST.

#### **Opportunities and Threats**

The SBU is heavily reliant on air cargo consolidation. The Logistics Industry has emerged from the shadows of the global economic slowdown witnessed in the previous year; but air-cargo has been confronted by serious disruptions during 2010-11 in the form of the Islandic Volcanic eruptions and the consequent phenomenon of 'ash cloud' in the European skies. The inevitable fallout of these was a hardening of airline rates followed by distinct shift in movement of air cargo to alternative transport modes such as sea freight especially from Europe, which detrimentally impacted the revenues of the SBU in the year under report.

As the strength of the SBU lies essentially in interfacing with the Government Departments and in providing total door-to-door logistics solutions to PSUs, the SBU has been making concerted efforts to cater to the ocean import requirements of the Government departments and the PSUs. These efforts have not produced the desired results inasmuch as the Government departments and PSUs continue to route imports through the Chartering wing of the Ministry of Shipping on 'Free on Board' [FOB] basis. However, the SBU continues to target the export business of Government departments and the PSUs.

#### Segmentwise or Productwise Performance

The SBU-LS offers a comprehensive array of services including import consolidation by Air and Ocean, customs clearance at various sea ports, handling of project cargo through multi-modal transportation, chartering of aircrafts and vessels besides providing express services.

Air cargo handling, provision of related services like customs clearance and chartering continue to be the core revenue generator of the SBU. Strengthening of air-freight rates and drop in imports by some major customers adversely affected the profit from the air activity during 2010-11, which was marginally lower than the previous year.

#### Outlook

Enhanced focus on marketing efforts, especially directed at the Private Sector, has been initiated by the SBU. The SBU expects to show growth both in the top line and bottom line and is exploring possibilities of expanding its business coverage through the opening of new branches in various cities and towns.

#### **Risk and Concerns**

With virtually no entry barriers and highly fragmented industry structure, the Logistics Industry is acutely competitive. Despite these factors, the last few years have seen the emergence of major players and multinational companies into this arena. Additionally, a number of shipping lines are getting deeper into the logistics value chain — either directly or through their subsidiaries — and providing end-to-end solutions. The SBU is fully seized of the associated risks and is taking suitable action geared to not only protecting but also enhancing its market share.

#### **Internal Control Systems and their Adequacy**

The SBU has in place an effective internal control mechanism which includes external and periodical internal audits. All major branches of the SBU are ISO 9001: 2008 accredited.

## Discussion on Financial Performance with respect to Operational Performance

Despite intensive marketing efforts, the turnover of the SBU in 2010-11 was down primarily due to reduction in handling of air import tonnage and accordingly profits was also affected.

## Material Developments in Human Resources / Industrial Relations

Industrial relations continue to be cordial at all units of SBU while operating with optimum level of manpower.

#### 4. |TOURS & TRAVEL [SBU-T&T]

#### **Industry Structure and Developments**

The Aviation sector is amongst the fastest growing sectors in India driven by a massive boom in Tourism and increasing levels of disposable incomes. After a drop in traffic growth in the previous year, the industry saw a growth in excess of 15% making India the 9<sup>th</sup> largest aviation market in the world. Domestic Aairlines carried more than 50 million passengers during the year 2010-11 and given the strong market fundamentals, it is expected that the civil aviation market will register more than 15% CAGR in the next 2-3 years.

The SBU is one of the largest travel agencies in the country affiliated to the International Air Transport Association (IATA) which is currently estimated to have more than 2600 members in India. In addition to IATA approved travel agents, there are approximately 5500 non-IATA travel agents functioning in the country.

During 2010-11, the Government of India lifted the austerity measures – restricting travel in the executive class in the Domestic sector and the business class in the International sector for employees working in the Government departments and PSUs. This had a positive impact on the business as the SBU's main customers are Government Departments and PSUs. On the

downside, there was no change in the status of 'zero' commission norm applied by the European carriers despite advisory from the Directorate General of Civil Aviation (DGCA) to all the airlines to restore commission payable to Travel Agents.

A welcome development during 2010-11 was Lufthansa giving an outstanding performance award to the SBU for its efficiency and effectiveness in functioning as an agency of the travel industry.

#### **Opportunities and Threats**

The business opportunities for the SBU lies in the fact that India is back on the track of sustained economic growth which will continue to provide impetus to growth of Air travel both by the corporate and the individual travellers. The availability of low-cost airlines offering choice of multiple destinations, both domestic & international, is giving further impetus to the growth of this sector. Growth in outbound and domestic tourism are also positive indicators for the SBU.

During the year 2010-11 the SBU initiated a number of steps to improve technology in the back office. Steps were taken to install a new operating system which has since been commissioned at Delhi branch and will be rolled out to all the other branches in the ensuing year. During the year, action was also initiated to put in place a web-based platform for providing on-line travel services to both corporate and individual travellers. Call Centre operations have been further strengthened to provide a 24x7 service to the SBU's customers. All major branches of the SBU are certified to ISO 9001: 2000 standards which re-affirms the quality of service offered by the Company.

Amongst the threat factors, as mentioned earlier are reduction in commission and incentives by the airlines. Apart from the on-line travel agencies, the Airlines are providing incentives and facilities for directly dealing with the customers through the internet. This has imparted a degree of challenge to the business. High overheads of the Company together with some of the PSUs resorting to tender system are areas of concern for the SBU.

#### Segmentwise or Productwise Performance

The business of the SBU comprises 3 main segments viz., Domestic Travel, International Travel and Tours. During 2010-11, the performance in all the above segments exceeded the budgeted targets on account of diverse positive factors as explained above.

#### Outlook

Given the strong market fundamentals, increase in capacity in the domestic Airlines, particularly LCCs and Open Sky policy, it is expected that the civil aviation market would continue to grow in the near term. Domestic and International travel business is poised to grow with higher disposable income in the hands of the people.

#### **Risks and Concerns**

Lower commission by domestic carriers and zero commission by the European airlines have been areas

of concern. Competition in the market is becoming more intense day by day inasmuch as private sector operators / small operators are offering / giving away commission and discounts to wean away clients.

The last few years have witnessed the emergence of major players and multinational companies into this business. The entry of multinationals has raised the bar both in terms of technology and service levels to customers. These have imparted a new dimension to the risk-return profile.

#### **Internal Control Systems and their Adequacy**

SBU: T&T has adequate internal control as well as checks and balances in its systems and procedures.

## Discussion on Financial Performance with respect to Operational Performance

Segment-wise performance analysis and sales indicate that the SBU: Tours & Travel was one of the main revenue generators for the Company. Actual performance during 2010-11 in the Travel as well as the Tours segments was significantly higher than the previous year.

## Material Development in Human Resources / Industrial Relations

Industrial relations continue to be cordial at all units of SBU while operating with optimum level of manpower.

#### 5. LOGISTICS INFRASTRUCTURE [SBU-LI]

#### **Industry Structure and Development**

The Logistics container market consists of two major segments viz., (a) Container Freight Station (CFS) and (b) Inland Container Depot [ICD]. The CFSs represent the fastest growing segment in the Logistics container Industry. Increasing international trade and rising containerization in India have fuelled the growth. The CFSs function as extension of the port and helps in decongesting the ports. They provide facilities for storage of containers, customs clearance, aggregation and segregation of EXIM Cargo and transportation to and from ports, which are the gateway to international trade.

In the last five years, container traffic in Indian Ports has grown at a CAGR of over 12%. However, the total containerised traffic, at major ports in 2010-11, was only 20% of the tonnage handled at these ports. This is quite low compared with statistics pertaining to world sea trade which indicate that nearly 50% thereof is containerized. The total containerized traffic currently in India lies in the range of 8.75 million TEUs per annum and the market size of Indian Container logistics is valued at close to '75 billion.

The SBU-LI specializes in operating CFSs and Warehousing & Distribution. Currently, the 3 CFSs of the Company are at Nava Sheva-Navi - Mumbai, Chennai and Kolkata. Incidentally, these three ports account for nearly 80% of the total container traffic in India. Warehousing & Distribution too has been a traditional activity of the Company and the SBU operates warehousing facilities at Kolkata and Coimbatore.

#### **Opportunities and Threats**

95% of the global trade by volume takes place through the sea route and more than half of it is containerized. Growth of international trade coupled with increasing containerization in India has contributed to the enhanced usage of CFSs and ICDs.

In 1992, when the Inter-ministerial committee for ICDs and CFSs was put in place, India had only 27 functional CFSs and ICDs. As of today, this number has crossed 250. Proliferation of CFSs has led to capacity underutilization with the average utilization of CFS standing at about 60%. This is no doubt a dampening factor. Realizing the impact of this negative factor, the SBU: LI put in considerable marketing efforts with the result that all three CFSs have achieved capacity utilization close to 100% thereby converting the threat into an advantage. Further, to take care of increasing demand, all three CFSs are in various stages of expansion; the SBU expects to start deriving benefits from the expansion at Kolkata and Chennai before the close of the next year.

#### Segmentwise or Productwise Performance

Compared to the preceding year, the year 2010-11 was a satisfactory year in which the SBU recorded a volume growth of 20%. Of the total volume handled by the CFSs of the Company, nearly 94% was due to handling of import containers, the balance 6% being attributable to handling of export boxes. All 3 CFSs of the Company recorded growth in excess of 10% with Chennai clocking more than 40% growth over the previous year.

Warehousing & Distribution activity which traditionally had been handling bulk metal, has initiated steps for increasing covered warehousing to meet the requirements of the retail and the consumer durables sectors. This helped the activity to show nominal profit. Steps have been taken to increase the covered warehousing capacity.

#### Outlook

With the continued growth in the EXIM trade, the SBU expects to accomplish further growth in the coming years. This would be spurred by the increase in handling capacity which is nearing completion at Kolkata and Chennai CFSs. However, competitive pressures would be expected to increase and this is expected to affect margins.

#### **Risks and Concerns**

The industry is highly fragmented and there are hardly any entry barriers. Competition is aggravated by the presence of many of the global logistics service providers in the business space in India. The shipping lines are increasingly entering this business directly and adding to the competition. This is having a double-edged effect; on the one hand, the market size of the "free CFSs" is diminishing and on the other, the margins are getting increasingly squeezed.

#### **Internal Control Systems and their Adequacy**

The SBU has in place an effective internal control mechanism which includes periodical internal and external audit. All three CFSs are certified to ISO 9001: 2008, ISO14001: 2004 and ISO: 18001: 2007.

## Discussion on Financial Performance with respect to Operational Performance

Segment-wise performance analysis and sales indicate that Logistics Infrastructure was one of the main revenue generators for the Company. Accordingly, the SBU ended the year with its highest ever turnover and profit also showed a healthy growth of 20% over 2009-10.

## Material Developments in Human Resources / Industrial Relations

Industrial relations in all the Container Freight Stations and Warehousing & Distribution Units have remained cordial throughout the year.

#### 6. PERFORMANCE CHEMICALS [SBU-PC]

#### **Industry Structure & Developments**

Globally Leather Trade is valued at US \$ 145 Billion and is expected to grow at the rate of 6% per annum to reach US \$ 245 billion by 2020. India's export of Leather & Leather articles which is currently at US \$ 3.7 Billion is expected to grow to a level of US \$ 9.8 Billion by the year 2020.

India is the second largest manufacturer of footwear, after China, producing 16% of global output.

Footwear segment would be the engine of growth for the leather sector. Footwear will constitute about 60% of export and second important segment will be leather goods.

Referring to the Leather Chemicals Industry, globally consumption of Leather Chemicals is estimated at 1.8 million Tonnes. India consumes 4% of the Leather Chemicals. India's Leather Chemicals market size is about ₹ 1500 crore which is expected to increase further in tandem with the increase in volume of leather processing in the country.

#### **Opportunities and Threats**

India has become one of the global sourcing centres for finished leather and leather products on account of the availability of vast raw materials in the form of goat, cow, buffalo and sheep hides. The low cost of production compared to other countries has given a definite edge to India in the pursuit of becoming a global major in this industry. Domestic consumption of leather goods too has received a boost with the emergence of modern retailing outlets in major cities, which has paved the way for the entry of branded leather products in the market place. These developments augur well for the growth of the Leather Chemicals industry in India. The strong brand of the Company, capability to manufacture cost effective Fat Liquors and Syntans, R&D capabilities, familiarity with the Indian Market and high customer retention are positive factors for the SBU.

Against the above backdrop, the objective of SBU-Performance Chemicals has been to not only consolidate its existing product-lines within the area of Leather processing chemicals but also to broaden its product range by entering into construction chemicals, . Entry into new areas of Performance Chemicals is considered

to be desirable as it would leverage the technological strengths and help deal with the cyclical swings in the markets. This accounts for the change of name from SBU-Leather Chemicals to SBU-Performance Chemicals which has been made operative in 2010-11.

The threat perceptions of the SBU:PC are essentially linked to liberal financial terms offered by foreign companies in selling competitive products, , entry of small players in the domestic market offering low priced products and fluctuation in foreign exchange rates all of which can potentially impact the margins of the SBU.

#### **Segmentwise or Productwise Performance**

In the Fat Liquors segment, the Company has had a volume growth of 13% over the last year which corresponds to 16% rise in turnover. Using in-house R&D, the Company has introduced new Fat Liquor Chemicals in the product-mix.

In the Syntan segment, an impressive growth of 30% both in volume and turnover was achieved in 2010-11 compared with the previous year. Overall, the SBU achieved 17% growth against last year's sales by volume which is equivalent to 22% rise in turnover.

#### Outlook

The leather industry in India is again witnessing a difficult phase with inadequate availability and spiralling prices of hides and skins. This slow-down, if sustained, could adversely impact the leather chemicals business. The Company however has confidence in the longer-term prospects of this vital business and is investing further in R&D and Technical services for strengthening its product range and service support to customers.

As mentioned, the SBU has striven to broaden its activities by entry into the business of manufacturing Construction Chemicals.

#### Risks and concerns

The steady rise in the prices of raw materials, energy and other input costs has relentlessly impacted the margins in the business. The performance of the leather processing industry also has direct impact on the SBU's business.

#### **Internal Control Systems and their Adequacy**

The SBU has internal control systems commensurate with the complexity and scale of its operations. There is a computerised business operation system. The manufacturing unit, product development and marketing functions are now certified under Integrated Management System comprising of ISO 9000:2000, ISO 14000 and ISO 18000 standards.

## Discussion on Financial Performance with respect to Operational Performance

Sales volume and turnover of the SBU: PC increased significantly when compared with the financial year 2009-10. This was achieved *inter alia* owing to success of R&D efforts, commitment of the distributors, expanding reach and strengthened Technical service support to customers.

## Material developments in Human Resources / Industrial Relations

The SBU continues to upgrade skill of the employees through in-house training programmes. Industrial relationship continued to be satisfactory during 2010-11.

#### 7. TEA [SBU-TEA]

#### **Industry Structure and Developments**

India's tea production during 2010 was about 965 million Kg down by 14 million Kg from the previous year figure. The drop in production was due to erratic weather conditions coupled with pest attack in North Eastern India. There was a diminution in the volume of tea exported as compared to 2009. However, domestic consumption of tea touched 840 million Kg as against 832 million Kg. in the previous year, a growth of around 3%.

#### **Opportunity and Threats**

The Company has decided to revive the SBU: Tea and, accordingly, the entire infrastructure has been revamped to cater to the increase in activity. The management setup has been made more pro-active and young, energetic, professionally qualified personnel have been inducted in the division. The SBU now possesses a modern packaging unit with the latest automated blending drum, sachet and pouch-packing and Tea bagging machines. The SBU is focused on building up its strength in packing high value-added teas for the domestic market and its overseas buyers.

As a merchant exporter, the SBU faces stiff competition from the producer exporters since the major tea consuming / importing countries are increasingly becoming price conscious in sourcing their teas.

#### **Segmentwise or Productionwise Performance**

During the year 2010-11, both export sales and domestic sales have shown improvement over the previous year.

#### Outlook

Plans have been chalked out to launch packed tea in domestic market and to sell the same in select markets utilising the FMCG distribution channel. The SBU proposes to launch high quality CTC tea under the Brand name *Tarang* and premium quality Darjeeling orthodox and green tea under the Brand name *Balmer Lawrie – The Tea*. Also, on the anvil are plans for coming out with tea bags. In addition, greater opportunity is seen in Contract Packaging.

#### **Risks and Concerns**

The increasing demand of the developed countries for tea having no chemical / pesticide residue and also conforming to their chemicals and residue levels, as put forth by the Health Ministry, is an area of concern not only for the SBU but also for the Indian tea industry.

The major concern continues to be the manpower costs which are high compared to the volume of business generated.

#### **Internal Control System and their Adequacy**

The activities of the SBU are strictly governed by the Internal Control System laid down by the Company.

## Discussion on Financial Performance with respect to Operational Performance

During the year 2010-11, the SBU achieved a growth of 27% in export turnover. However, the financial performance was far from satisfactory as significant investments were required to be made during the year. We expect the SBU to turnaround in about 2-3 years.

## Material Development in Human Resources / Industrial Relations

Industrial relations in the SBU remained cordial. Further, to increase productivity, training is being imparted on the new automated machines to the operating staff.

#### 8. Refinery & Oilfield Services [SBU:ROFS]

#### **Industry Structure and Developments**

The Refinery & Oilfield Services portfolio consists of

Mechanized Tank Sludge Cleaning & Hydrocarbon Recovery services, Not many players are there in the industry.

The SBU offers systems for prevention of vapour loss of petroleum products from storage tanks and other technology driven services such as Composite repair service, non-metallic technology for repair of pipelines / storage tanks to avoid unplanned shutdown, preventive external action to check corrosion and decontamination services for refineries and petrochemical plants.

#### **Opportunities and Threats**

The SBU enjoys a market leadership in 'In-situ' tank sludge cleaning and hydrocarbon recovery having processed more than 80,000 KL of oily sludge during the last decade. The SBU also provides mechanized lagoon sludge treatment and hydrocarbon recovery services and have processed more than 35000 KL of oily sludge during the last five years. The process established for carrying out lagoon sludge treatment has been demonstrated to be a technologically advanced and sophisticated process. To maintain its leadership in the process and to effectively meet market demand, the SBU is working at capacity augmentation through fresh capital investment.

The SBU aims to provide state-of-the-art technology in niche areas with a view to improve / promote environment as also safety and productivity in oil refineries as also oil installations and exploration sites.

The main threat faced by the Company relate to long lead times in finalisation of contracts and entry of new players.

#### **Segmentwise or Productwise Performance**

The SBU continues to maintain its market leadership in the areas of Mechanized Tank and Lagoon sludge cleaning with growth in both segments.

#### Outlook

The SBU is working to expand its tie up with relevant international technology suppliers and to intensify the marketing of the technologies. Improved business prospects are seen in the coming years.

#### **Risks and Concerns**

The risk-profile of the SBU centres around threats of competitive technology and processes. The SBU attempts to bring forth technological advantage of its products and services and also align its service offerings to suit specific needs of its customers.

The SBU also faces risk of downtime during execution of work at site, due to factors beyond its control; the aim is to minimizing the gap through discussions with potential clients.

#### **Internal Control System and their adequacy**

The SBU has well defined and established working procedures and control systems accredited to ISO 9001: 2008. These are reviewed periodically and constantly upgraded.

## Discussion on Financial Performance with reference to Operational Performance

The SBU has recorded more than 19% increase in turnover during the financial year, with improvement in the bottom line.

## Material Developments in Human Resources / Industrial Relations

The SBU operates with a lean manpower structure. The SBU has extended its operations, simultaneously working in several locations of the country. To cope with the spread, the Company recruited a number of technical personnel for uninterrupted operations.. Extensive training programme are conducted for continuing upgradation of operating personnel at site.

#### **Corporate Social Responsibility**

[a] The Company firmly believes that an organisation's true worth extends beyond its business and is best reflected by the service it renders to the community and the society. Corporate Social Responsibility [CSR] has always been an integral part of the Company's vision and forms the cornerstone of Core Values underlying Good Corporate Citizenship. The need to strike a fine balance between the overall objective of achieving corporate excellence with growth vis-à-vis discharge of corporate social responsibility towards the community is well understood in the Company. The need for fusing the twin objectives spanning business and social commitment, has prompted the Company to embark upon CSR programmes in the ambit of education, health and infrastructural development. The Company has been contributing to the socioeconomic development of the weaker sections of the society and taking action in the gamut of CSR, the underlying objective being to ensure overall

- conservation of environment and improvement of ecological balance.
- [b] The Company's CSR policy addresses the issue of Community Development including Health & Hygiene, provision of drinking water, education infrastructure, old age care, income generation, etc. under its SCP/TSP and Gender Budgeting initiatives. The policy envisages spending 2% of the net profit of the previous year on identified CSR activities.
- [c] The Company has spent an amount of ₹ 117.41 lakh

during 2010-11 towards CSR under the 'Tribal Sub Plan [TSP' / 'Special Component Plan [SCP]' and Gender Budget through the two flagship schemes, i.e. "Balmer Lawrie Initiatives for Self-Sustenance" [BLISS] and "Samaj Mein Balmer Lawrie" [SAMBAL]. The contributions were made in different thrust areas like (i) Education, (ii) Health, (iii) Infrastructural Development, (iv) Environment & Ecology, (v) Nurture Nature through Tree Plantation, etc. The sector-wise break-up of the expenditure is as follows:

| Sector                                       | Summary of Projects   | AmountSpent<br>[₹/Lakh] |

|  | TOTAL   | 117.41                  |

- [d] The Company also contributed a sum of ₹ 12.86 lakh to honour the Indian medal winners in the recently concluded Commonwealth Games held at New Delhi.
- [e] CSR initiatives were undertaken in different villages around the establishments. These have been appreciated and earned accolade from local inhabitants. These have played a stellar role in improving quality of life for the local populace by providing them access to the physical infrastructure established by the Company.
- [f] Consistent with the guidelines stipulated by the Department of Public Enterprise [DPE], the Company is in the process of constituting a CSR Committee for driving the CSR initiatives.

## Auditor's Report to the Members of Balmer Lawrie & Company Limited

- 1. We have audited the attached Balance Sheet of Balmer Lawrie & Company Limited (the Company) as at 31<sup>st</sup> March 2011, and also the Profit and Loss Account and Cash flow Statement for the year ended on that date annexed thereto, in which are incorporated the accounts of the Regions audited by Branch Auditors in accordance with the letter of appointment issued by the Comptroller and Auditor General of India. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2. We have conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. As required by-the Companies (Auditor's Report) Order, 2003 ('the order') as amended, issued by the Central Government of India in terms of Sec 227(4A) of the 'Companies Act 1956' of India (the Act), we enclose in the Annexture a statement on the matters specified in paragraphs 4 and 5 of the said order.
- 4. Further to our comment in the Annexure referred to above, we report that:
  - (i) We have obtained all the information and explanations which to the' best of our knowledge and belief were necessary for the purposes of our audit subject to some observations as under:
    - a) ICICI Venture Fund Management Co. Ltd. exited the joint venture unit, Transafe Services Ltd. (TSL) with full benefits without retaining any right of recovery on the part of Balmer Lawrie & Co. Ltd. (BL) for possible losses. Specific joint venture agreement between BL and ICICI specifying the exit clause, important for any joint venture agreement could not be provided.

Consequent to exit of ICICI Ventures from TSL, the entire financial burden fell upon and/or assumed by Balmer Lawrie & Co. Ltd. (BL) for arranging necessary fund for settling the accounts of ICICI Ventures with premium as well as bringing in new partner namely Balmer Lawrie Van Leer Ltd. (BLVL), another unit of joint venture arrangement with BL.

Investment of ₹ 553.28 lakhs during the previous year, a fresh further Investment of a sum of ₹ 1330.00 lakhs during the current year by way of acquiring preference shares in TSL

and providing unsecured loan of ₹ 1817.92 lakhs to BLVL for the purpose of purchase of shares held by ICICI Venture, was done without going through a process of Due Diligence. In addition the interest falling due for payment as on 31/03/2011 has also been not serviced. Therefore, in our opinion, all these investments totaling to ₹ 3701.20 lakhs appear to be prejudicial to the interest of the company.

- b) The internal control system as regards management of debtors and generation of scrap by the manufacturing units of the Company needs to be further strengthened.
- (ii) In our opinion, proper books of account, as required by law, have been kept by the Company so far as appears from our examination of those books. The related Branch Auditor's Reports have been forwarded to us and have been appropriately dealt with in preparing this report;
- (iii) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
- (iv) In our opinion, the Profit and Loss Account, Balance Sheet and Cash Flow Statement dealt with by this report comply with the accounting standards referred to in sub-section (3C) of section 211 of the Act;
- (v) This being Government Company, the provisions of the Section 274(1) (g) of the Act relating to disqualifications of directors are not applicable; vide Government of India, Department of Company Affairs Notification No. GSR 829(E) dated 21 October, 2003
- (vi) Subject to our observation in 4 (i) above, in our opinion and to the best of our information and according to the explanations given to us, the said accounts together with the notes and accounting policies thereon and annexed thereto, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (i) in the case of the Balance Sheet of the state of the Company's affairs as at 31<sup>st</sup> March 2011;
  - (ii) in the case of Profit and Loss Account, of the Profit for the year ended on that date; and
  - (iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

### **Annexure to Auditor's Report**

The Annexure referred to in paragraph 3 of the Auditor's Report of even date to the members of Balmer Lawrie & Company Limited ('the Company') on the financial statements for the year ended 31st March, 2011. We report that:

- a. The Company has maintained proper record showing full particulars including quantitative details and situations of fixed assets.
  - b. The Company has a regular programme of physical verification of its fixed assets by which plant and machinery are verified every year, and other fixed assets are verified in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As explained to us, in accordance with its programme, plant and machinery and certain other fixed assets were verified during the year and no material discrepancies were noticed on such verification.
  - c. In our opinion and according to the information and explanations given to us, the Company has not disposed off a substantial part of the fixed assets during the year.
- 2. a. The inventory of the Company has been physically verified during the year by the management. In our opinion, having regard to the nature and location of inventory, the frequency of verification is reasonable.
  - b. In our opinion, the procedure of physical verification of the inventory followed by the management is reasonable and adequate in relation to the size of the Company and the nature of its business.
  - c. On the basis of our examination of the inventory records, in our opinion, the Company has maintained proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- As represented to us, there are no Companies, firms or other parties to be listed in the register maintained under Section 301 of the Companies Act, 1956 ('the Act'). Accordingly, paragraphs 4 (iii) (b) to 4 (iii) (g) of the Order are not applicable.
- 4. In our opinion and according to the information and explanations given to us, having regard to the explanation that certain items purchased are of special nature for which suitable alternative sources do not exist for obtaining comparative quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of businesses, for the purchase of inventory and fixed assets and for the sale of goods and services.

Further, on the basis of our examination of the. books and records of the Company, and according to the information and explanations given to us, we have neither. come across nor have been informed of any continuing failure on the part of the Company to correct major weaknesses in the aforesaid internal control system.

- 5. In view of our comment in paragraph (3) above, paragraphs 4(v) (a) and 4(v) (b) of the order in respect of contracts or arrangements referred to in Section 301 of the Act, and transaction made in pursuance of such contracts 'or arrangements exceeding the value of Five Lakhs Rupees in respect of any party, are not applicable to the company.
- The Company has not accepted any deposits from the public within the meaning of the sections 58A, 58AA of the Act and the rules framed there under.
- 7. In our opinion, the Company's present internal audit system as conducted in phased manner, by a firm of chartered accountants, is commensurate with its size and nature of its business but the same needs to be further strengthened with regard to widening the coverage of various areas like. investments made and its follow-up and in the matter of scrap management.
- 8. We have broadly reviewed the books of account maintained by the Company in respect of the products of Grease and Lubricants (petroleum products) and Tea Blending where, pursuant to the Rules made by the Central Government of india, the maintenance of cost records has been prescribed under Section 209(1) (d) of the Act, and are of the opinion that *prima facie*, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of such records with a view to determine whether they are accurate or complete.

To the best of our knowledge and according to the information and explanations given to us, the Central Government under the aforesaid Act has not prescribed the maintenance of cost records for any other products or services of the Company.

- 9. a. According to the information and explanations given to us and the records of the Company examined by us, the Company is generally regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, Sales Tax, 'Wealth Tax, Service Tax, Custom Duty and Excise Duty, Cess and any other material statutory dues applicable to it.
  - b. According to the information and explanations given to us and the records of the Company examined by

us, the particulars of dues of income-tax, sales-tax, service-tax, excise duty and cess as at 31<sup>st</sup> March, 2011 aggregating to ₹ 6952.14 lacs; which have not been deposited on account of a dispute, are as mentioned in note on accounts showing the amounts involved and the forum where dispute is pending.

- 10. The Company has no accumulated losses as at 31<sup>st</sup> March, 2011, and it has not incurred any cash losses during the financial year ended on the date or in the immediately preceding financial year.
- 11. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of dues to any financial institution or bank as at the balance sheet date. The Company has no debenture holder.
- 12. The Company has not granted any loans or advances on the basis ,of security by way of pledge of shares, debentures or other securities.
- 13. In our opinion, the provisions of any Special Statute applicable to Chit Fund, Nidhi Fund or Mutual Benefit Fund/Societies are not applicable to the Company.
- 14. In our opinion and according to the information and explanations given to us, the Company is not a dealer or trader in shares, securities, debentures and other investments.
- 15. In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from bank or financial institutions.
- 16. In our opinion, and according to the information and explanations given to us, and on an overall basis, the term loans have been applied for the purposes for which they were obtained. The Company did not have any outstanding term loan as at 31st March, 2011.

- 17. On an overall examination the Balance Sheet of the Company, in our opinion and according to the information and explanations given to us, there are no funds raised on short-term basis which have been used for long term investment during the year.
- 18. In view of our comment in paragraph (3) above, the question of any preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Act does not arise.
- 19. The Company has not issued any debentures during the year and no amount is outstanding in respect of debentures as on the balance sheet date.
- The Company has not raised any money by way of public issue during the year.
- 21. During the course of our audit, and according to the information and explanation given to us, we have neither come across any instance of fraud on or by the Company nor reported during the year, nor have we been informed of such case by the management.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 619(4) OF THE COMPANIES ACT, 1956 ON THE ACCOUNTS OF BALMER LAWRIE & CO. LIMITED, KOLKATA FOR THE YEAR ENDED 31 MARCH 2011.

The preparation of financial statements of Balmer Lawrie & Co. Limited, Kolkata for the year ended 31 March 2011 in accordance with the financial reporting framework prescribed under the Companies Act, 1956 is the responsibility of the management of the company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 619(2) of the Companies Act, 1956 are responsible for expressing opinion on these financial statements under Section 227 of the Companies Act, 1956 based on independent audit in accordance with the Auditing and Assurance Standards prescribed by their professional body, The Institute of Chartered Accountants of India. This is stated to have been done by them vide their Audit Report dated 28 May 2011 .

I, on behalf of the Comptroller and Auditor General of India have conducted a supplementary audit under Section 619(3)(b) of the Companies Act, 1956 of the financial statements of Balmer Lawrie & Co. Limited, Kolkata for the year ended 31 March 2011. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report under Section 619 (4) of the Companies Act, 1956.

For and on behalf of the Comptroller & Auditor General of India

- Revenue grant/subsidy in respect of research & development expenditure is set off against respective expenditure.
- Capital grant/subsidy against specific fixed assets is set off against the cost of those fixed assets.
- c) When grant/ subsidy is received as compensation for extra cost associated with the establishment of manufacturing units or cannot be related otherwise to any particular fixed assets the grant/subsidy so received is credited to capital reserve. On expiry of the stipulated period set out in the scheme of grant/subsidy the same is transferred from capital reserve to general reserve.

### **Significant Accounting Policies**

d) Revenue grant in respect of organisation of certain events is shown under Sundry Income and the related expenses there against under normal heads of expenditure.

### 11. Accounting for Borrowing Cost

Borrowing Costs that are directly attributable to the acquisition, construction or production of assets which take substantial period of time to get ready for its intended use are capitalised as part of the cost of those assets. Other Borrowing Costs are recognised as expense in the period in which they are incurred.

### 12. Impairment of Assets

An assessment is made at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amount of the fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of the asset exceeds the recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on appropriate discount factor.

### 13. Cash Flow Statement

Cash Flow Statement, as per Accounting Standard – 3 issued by The Institute of Chartered Accountants of India, is prepared using the Indirect Method.

### 14. Segment Reporting

Segment Reporting is done as per Accounting Standard – 17 issued by The Institute of Chartered Accountants of India .The Company has identified business segment as its primary reporting segment.

### 15. Intangible Assets

- (a) Expenditure incurred for acquiring intangible assets like software of ₹ 5,00,000 and above and license to use software per item of ₹ 25000 and above, from which economic benefits will flow over a period of time, is capitalised and amortised over the estimated useful life of the asset or five years , whichever is earlier, from the time the intangible asset starts providing the economic benefit.
- (b) In other cases, the expenditure is charged to revenue in the year in which the expenditure is incurred.

### 16. Provisions, Contingent Liabilities and Capital Commitments

- (a) Provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.
- (b) Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence of one or more uncertain future events not wholly within the control of the Company.
- (c) Capital commitments and Contingent liabilities disclosed are in respect of items which exceed ₹ 1.00.000 in each case.
- (d) Contingent liabilities are considered only on conversion of show cause notices issued by various Government authorities into demand.

### Directors'report for the year ended 31st March 2011

The directors present their report and the financial statements for the year ended 31 March 2011.

### Statement of directors' responsibilities

The directors are responsible for preparing the Director's Report and financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements: and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable the director to ensure that- the financial statements comply with. the Companies Act 2006. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Awareness of relevant audit information

The directors at the time the report was approved are aware that;

there is no relevant information of which the auditors are unaware and;
 that they have taken 'all the steps they ought to have taken to make themselves aware of any relevant audit information to establish that the auditors are aware of that information.

### Principal activity and review of business

The company was earlier engaged in Leasing and Hiring of Marine Freight Containers and Tea Warehousing, Blending & Packaging. After exiting these two 'businesses the proceeds are being used to fund other business opportunities.

The company has invested approximately US\$ 1.32 million (US\$ 1.18 million in FY 09-10 and 0.14 million in the current fmancial year) equivalent to Indonesian Rupiah 12.30 billion, being 50% of the paid-up equity capital of a Joint Venture Company (JVC) that has been formed in Indonesia. Balance 50% paid-up capital of JVC is subscribed by PT Imani Wicaksana, Indonesia to manufacture and market lubricating greases and other lubricants in Indonesia. The JVC has already commenced construction of a plant at an estimated cost of US\$ 5.3 million and this is likely to be completed in the financial year 2011-2012.

### Results and dividends

The results for the year are set out on page 101.

The profit for the year before taxation was US\$114,870 (2010: profit US\$242,024). The directors do not recommend the payment of a dividend (2009: \$nil).

### Independent auditors' report to the members of Balmer Lawrie (UK) Limited

We have audited the financial statements of Balmer Lawrie (UK) Limited for the year ended 31 March 2011 set out on page 101 to 104. The financial reporting frame work that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by Law. we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described in the Statement of Director's Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in "the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by directors; and the overall presentation of the financial statements.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the company's affairs as at 31 March 2011 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on-which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept., or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

### Balmer Lawrie (UK) Limited

### Notes to the Financial Statements for the year ended 31st March 2011

### 1. Accounting Policies

### 1.1 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention and have been prepared on a going concern basis.

### 1.2. Compliance with accounting standards

The accounts have been prepared in accordance with applicable accounting standards.

### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT .

### 1.4 Cashflow statement

The company is exempt from the requirement of Financial Reporting Standard 1, "Cashflow Statements" as it qualifies as a small company in accordance with the Companies Act 2006.

### 1.5 Related party transactions

The company has taken advantage of the exemption granted under Financial Reporting Standard 8 "Related Party Disclosures", not to disclose details of transactions with entities belonging to the group.

### 1.6 Foreign currency translation

The Company 's activities are more dependent on the American dollar than sterling. Consequently the company's financial statements are prepared in the American dollars on applying the following bases:

- (a) Monetary assets and liabilites denominated in a foreign currency were translated into dollars at the foreign exchange rates ruling at the balance sheet date.
- (b) Revenue and expenses in foreign currencies were translated in dollars at the average rate for the year.
- (c) Any gains or losses arising on translation were taken to the profit and loss account.

### 1.7 Investments

Investments are carried at cost or valuation. Cost is based on the fair value of the consideration paid for the investment, including acquisition costs.

Where a different value is demonstrated by a significant third party event, the investment is carried at a corresponding revalued amount. In the case of a permanent impairment in the carrying value of the asset, a write down provision is made in the profit and loss account.

### **Auditors' Report on the Consolidated Financial Statements**

- 1. We have audited the attached Consolidated Balance Sheet of Balmer Lawrie and Company Limited ('the Company'), and its Subsidiary and four Joint Venture Companies (collectively referred to as 'the Group') as at 31st. March, 2011, and also the Consolidated Profit and Loss Account and the Consolidated "Cash Flow Statement" for the year ended on that date annexed thereto. These Consolidated Financial Statements are the responsibility of the Company's management and have been prepared by the management on the basis of separate financial statements and other financial information regarding components. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
- 2. We have conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are prepared, in all material respects, in accordance with an identified financial reporting framework and are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3. We did not audit the financial statements of its subsidiary and the joint ventures whose financial statements reflect total assets of ₹ 41481 lakhs as at 31st March, 2011, total revenues of ₹ 36159 lakhs and net cash flows amounting to (-) ₹ 837 lakhs for the year then ended. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us and our opinion, in so far as it relates to the amounts included in respect of such subsidiary and joint ventures, is based solely on the reports of the other auditors.

We report that the Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS) and

- Standard (AS) 27, 'Financial Reporting of interests in Joint Ventures', prescribed by the-Companies (Accounting Standards) Rules, 2006 and on the basis of the separate audited financial statements of the Company and its subsidiary and joint ventures included in the Consolidated Financial Statements.
- 4. On the basis of the information and explanations given to us and on consideration of the separate audit reports on individual audited financial statements of the Company and its aforesaid subsidiary and joint ventures, in our opinion, the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March 2011;
  - (b) in the case of the Consolidated Profit and Loss Account, of the profit of the Group for the year ended on that date; and
  - (c) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows of the. Group for the year ended on that date.
