NURTURING STAINLESS LEADERS

To the man who had the heart so fair
Every bud, every bloom, he nurtured with care
So many flowers, in so many shades
Breeze in bliss upon them played
Lilies, orchids and rosy-hued
The flare, the glint.. deeply imbued
Oh what a spirit he raised them with!!
The 'Stainless Leaders' for nation's pith.

SMT. SAVITRI DEVI JINDAL

Chairperson Emeritus

At Jindal Stainless Limited, we are committed to do business in a sustainable manner, with a focus on the concept of 'Shared Value'. Our core approach towards addressing the social and development issues is to encourage all stakeholders to undertake sustainable interventions, with the aim of achieving the overarching vision of Jindal Stainless Limited (JSL), 'To be admired as a Socially Responsible Corporate.'

I am happy to note that JSL, despite having many challenges, continues to serve the society at large and support the development agenda of the country, by undertaking a number of community development projects in the vicinity of the plant location. I am sanguine with the effort directed toward projects on empowering women, because I continue to believe that 'empowering a woman is to empower a family and in turn, empower a community'. With the innovative projects around education and skill development, I feel extremely encouraged to see how communities over a short span of five to seven years have transformed their lives, which lend towards the indicator, 'Improvement in the quality of life of the socially deprived community'. I am also happy to note that through the Company's CSR initiatives, the women have moved towards financial literacy and that they now have their own bank accounts, which is a good indicator of a robust and an effective community governance structure. The women Self Help Groups (SHG), which have been created in the remote areas of Odisha, primarily because of their empowerment are now engaged in micro credit activities and are taking loans from large and small banks. The livelihood generation programs in the villages, especially in projects linked to farmers and women, SHGs seem very rewarding and the small steps taken

toward livelihood generation activities in supporting projects like poultry and goatery are very encouraging. The steady growth of 'ASMITA' project by having given a voice to the rural women and showcase their prowess in entrepreneurial development is very impactful. Such case studies and stories need to be shared and replicated across geographies. This project, with a small number of women has trained women in various technical processes from sourcing, product design and product development to marketing. Such processes are great indicators in explaining project outcomes. It is also rather encouraging to be informed that women have now opened their own boutiques and shops and make good business with the skill sets acquired.

Toward education and health care, JSL is engaged with children out of schools addressing their health care through various programs. It is equally rewarding to note that mobile clinics visit villages every day of the week, with a large number visiting the facility provided. In addition to that, the specialist health camps conducted periodically are making a difference to lives of people. I am also happy to note that camps are being held for cancer detection and other health related innovative methods are being undertaken to address the issue of eradicating the problem.

JSL has been engaged in creating integrated and sustainable models of growth and development and linking up hard-core business strategies with the community outreach work, thereby strengthening inclusivity. I am certain with the support of all stakeholders, the vision of Mr. Ratan Jindal, CMD JSL, "To be admired as a Socially Responsible Corporate" will be achieved and demonstrated for others to emulate.

SHRI RATAN JINDAL

Chairman & Managing Director

Dear Shareholders,

It gives me pleasure to inform you that Jindal Stainless Limited (JSL) over the years has not only made significant strides forward despite challenges, but has also consistently surpassed the expectations of its stakeholders.

Undoubtedly, Indian economy has been resilient amid worldwide economic chaos. India has consistently bucked the trend to emerge as one of the fastest growing economies in the world, amid global economic stagnation. Both International Monetary Fund (IMF) and World Bank have reiterated that India would be one of the brightest spots with a growth rate of over 7% among emerging economies. Consistent turmoil in the Euro Zone has impacted the trade and business worldwide, while the US economy is struggling to recover completely. In contrast, Indian economy grew at 7.6% in FY 15-16, highest among all BRICS economies.

The global stainless steel industry was also impacted by the prevailing global economic scenario. The stainless steel industry was adversely impacted by the oversupply, continuous fall in commodity prices and trade protection measures by several countries. As an outcome of the supply glut, the year 2015 showed a decline of 0.3% YoY in global melt shop production. Oversupply from China continued to deluge the global markets despite of marginal decline in production.

However, you would be happy to note that your Company's standalone profit before depreciation, interest, exceptional item and tax (EBIDTA) stood at Rs. 520 crore in FY 15-16 as against Rs.304 crore in FY 14-15, showing a growth of 71%.

Global Stainless Steel Scenario

The global stainless steel meltshop production, for the year 2015 saw a dip of 0.3% YoY to 41.5 MT from 41.7 MT in year 2014 as per International Stainless Steel Forum (ISSF). Noticeably, the production increased in Asia by 1.4% whereas production in China stagnated. The weakness in global economy is also reflected on the demand side. As per CRU estimates, the consumption of cold-rolled flat products would increase by barely 1% in 2016 globally. Major quantum of the growth will come from mature markets in Europe and America, as well as India. Nickel prices saw a decline of almost 32% since April, 2015 leading to a fall in the prices of Nickel bearing Stainless Steel. Consequently, buyers were forced to reassess the inventory holding strategy and had to push back their buying decisions.

Indian Stainless Steel Scenario

Domestic Stainless Steel production continues to grow steadily as demand from Architecture, Building and Construction (ABC) and Automotive, Railway & Transport (ART) segments are expected to augment consumption. The total stainless steel melt production in India was 3.3 MT, registering a growth of 1.4% as compared to last year. India continues to be the fourth largest producer and the third largest consumer of stainless steel. The demand for Industrial Stainless Steel grades was subdued during FY 15-16 as a consequence of moderate Industrial activity which is likely to recover this year on account of improved industrial production. With a mandate to manufacture new coaches using stainless steel, Railways is

expected to be one of the key drivers for the growth of stainless steel in India. Indian Auto Sector is also expected to contribute to the stainless steel growth as Auto Majors expect a double digit growth with key players lining up their new production facilities. Infrastructure sector will also be a big propeller of stainless steel demand as the government plans to invest USD 7.34 billion for the development of 100 smart cities across the country. Other sectors including construction equipment, power etc. will also drive stainless steel usage in India.

Introduction of Quality Control Order this year will phase out substandard goods and ensure only quality products in the market. Highest ever imports of 5,32,033 MT flat products were registered in 2015-16. Dumped imports from China and ASEAN countries continue to pose risk for domestic stainless steel industry. Imports from China increased by nearly 20% over last year and constituted over 50% of the total imports into India. While trade remedial measures in the form of Anti-dumping Duties have been imposed, but they have been largely unsuccessful due to circumvention. Countervailing duty investigation against imports from China is underway and industry expects a prompt remedial action. An increase in Basic Customs Duty on Finished goods and lowering of duties on inputs would provide significant relief to the industry. We are proactively working with various sections of government to ensure level playing field for the domestic industry and also to enhance the usage of stainless steel in India.

Business Highlights (Standalone)

JSLs (Standalone) gross revenue for the financial year ended 31st March, 2016 stood at Rs. 7073 crore as against Rs. 6459 crore for the financial year ended 31st March 2015. Profit before depreciation, interest, exceptional item and taxes (EBIDTA) stood at Rs. 520 crore as against Rs. 304 crore in FY 14-15. Net profit/ (loss) stood at Rs. (388) crore [including exceptional gain of Rs. 327 cr] as compared to Rs. 223 crore of last year [including exceptional gain of Rs. 1173 cr]. The Company incurred Interest cost of Rs. 1005 crore in comparison to Rs. 916 crore in FY 14-15. JSL has done significant ramp up of its operations during the financial year 2015-16 and achieved capacity utilization of 75% and production of 603,863 MT as against production of 448,478 MT in FY 2014-15.

Way Forward

The demand for stainless steel would grow almost in proportion to the economic growth. With view to meet the demand, the company is enhancing its cold rolling capacity. Additionally, HRAP capacity will also be added within two years to serve the auto sector, Railways and process industry. Capacity utilization of the Ferro Chrome unit has drastically improved and has almost touched 90%. The cost of material movement will drastically reduce as railway sliding is 100% operational now. Greater value addition due to newly stalled No.4 finishing line is now an added advantage as width upto 1500mm can be processed on this line.

The company has been making consistent efforts and is committed to produce more efficient and innovative products through sustained R&D efforts. JSL in collaboration with the government is making all endeavours to augment the consumption of stainless steel in India. Special skill training sessions are being held for fabricators. We are improving our services levels through production planning. We have plans to increase distribution centres to increase availability and reduce the lead time. We are laying our emphasis on value added products in newer applications. Educative seminars and workshops to familiarise with the benefits of stainless steel are now a regular feature. We are introducing our product range in space, shipping and other areas of consumer goods, building construction and the newly driven smart city concept. I am a firm believer that outlook for stainless steel is promising in India and JSL being one of the largest stainless steel producers will remain committed to fulfil the demand of stainless steel in the country.

I am assured that with sincerity, hard work and dedication of entire JSL team, we will steer the company to scale new heights. I would like to express my gratitude and acknowledge the efforts of all my employees, lenders, shareholders, customers and other stakeholders who have consistently supported us at all times. I look forward to your continued support in future.

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

ITEM NO. 4

In terms of Section 149 of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors), Rules 2014, the Independent Directors shall hold office for a period of up to 5 consecutive years and shall not be liable to retire by rotation. They may be appointed for a maximum of two consecutive terms of up to 5 years each. Further, in terms of Regulation 25 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the tenure of independent directors shall be in accordance with the Companies Act, 2013 and rules made thereunder, in this regard, from time to time.

Mr. T.S. Bhattacharya, Independent Director of the Company was appointed as an Independent Director for a term of two years commencing from the 34th Annual General Meeting ("AGM"), by the Shareholders at the AGM of the Company held on 22nd September, 2014. Accordingly, the current tenure of Mr. Bhattacharya expired on 21st September, 2016.

The Nomination and Remuneration Committee of Directors have, keeping in view the feedback received from other Directors with respect to Performance Evaluation of Board and also the skills, experience and contributions of Mr. Bhattacharya, recommended reappointment of Mr. Bhattacharya for a further period of 3 (three) years with effect from 22nd September, 2016.

The Company has received notice in writing from a member along with the deposit of requisite amount under Section 160 of the Act proposing the candidature of Mr. T.S. Bhattacharya for appointment as an Independent Director of the Company. He is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director. The Company has also received declaration from him that he meets the criteria of Independence as prescribed under Section 149(6) of the Act and Regulation 16(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board of Directors considered the matter of his appointment in its meeting held on 12th August, 2016 on recommendation of the Nomination and Remuneration Committee and felt that his continued association would be of immense benefit to the Company and approved the appointment of Mr. T.S. Bhattacharya as an Independent Director under Section 149 of the Act, whose office shall not be liable to retirement by rotation, to hold office for a term of 3 (three) years with effect from 22nd September, 2016. In the opinion of the Board, Mr. T.S. Bhattacharya fulfills conditions of appointment as Independent Director as specified in the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Brief resume of Mr. Bhattacharya, his educational and professional qualifications, nature of his work experience etc. are given under the head "Additional Information".

The Board recommends the resolution set out at Item No. 4 as a special resolution to the shareholders for their approval.

Mr. T.S. Bhattacharya and his relatives are interested in this resolution. Save and except the above, no other Director / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in this resolution.

ITEM NO. 5

Pursuant to Section 148(3) of the Act read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to Cost Auditors should be ratified by the shareholders of the Company. The Board of Directors, in its meeting held on 28th May, 2016, on the basis of recommendations of the Audit Committee appointed M/s Ramanath Iyer & Co., (FRN 000019), Cost Accountants, 808, Pearls Business Park, Netaji Subash Place, Pitampura, New Delhi- 110088, as the Cost Auditors to conduct audit of cost records of the Company for the financial year 2016-17 in respect of business activities relating to Steel business and subject to ratification by shareholders, fixed their remuneration at ₹ 1,75,000 (Rupees One Lakh Seventy Five Thousand only).

The Board recommends the resolution set out at Item No. 5 as an ordinary resolution to the shareholders for their approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise in this resolution.

ITEM NO. 6

The Company in the ordinary course of its business and on arm's length basis, sells goods to PT. Jindal Stainless Indonesia ("PTJSI"), Jindal Stainless (Hisar) Limited ("JSHL"), Jindal United Steel Limited ("JUSL") and Jindal Coke Limited ("JCL") and also purchases goods from them, besides allocating common corporate expenditure. Further, the Company also, from time to time, may enter into the transactions specified under Section 188 of the Companies Act, 2013 including availing of and rendering services from / to the above entities.

PTJSI and JUSL are subsidiaries of the Company and are 'Related Party' of the Company within the meaning of Section 2(76)(viii) of the Companies Act, 2013 ("the Act"); JCL is an associate company and is 'Related Party' within the meaning of Section 2(76)(viii)(A) of the Act; and JSHL is a 'Related Party' of the Company within the meaning of Section 2(76)(v) and 2(76)(viii)(A) of the Act. PTJSI, JUSL, JCL and JSHL are also related parties in terms of the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The explanation to Regulation 23(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, provides that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. Further, Regulation 23(4) provides that all material related party transactions shall require approval of the shareholders through ordinary resolution.

Further, in terms of first proviso to Section 188 of the Companies Act, 2013 read with Rule 15 of The Companies (Meetings of Board and its Powers) Rules, 2014, the contracts or arrangements exceeding the sums as may be prescribed, shall be approved by the shareholders of the Company.

The contracts / arrangements / transactions relating to sale or purchase of products, goods, materials, leasing of property of any kind or rendering / acquiring of services besides sharing of common corporate expenditure with PTJSI, JSHL, JUSL and JCL likely to exceed either the thresholds prescribed under explanation to Regulation 23(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for being considered material or the thresholds prescribed under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014.

Approval of the Shareholders is therefore being sought in terms of explanation to Regulation 23(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and first proviso to section 188 of the Companies Act 2013. The Board recommends the resolution set out at Item No. 6 as an Ordinary Resolution to the shareholders for their approval.

None of the Directors, Key Managerial Personnel or their relatives, except Mr. Ratan Jindal who is also Director of Jindal Stainless (Hisar) Limited, Jindal United Steel Limited and Jindal Coke Limited and Mr. Gautam Kanjilal, who is also a Director of Jindal Coke Limited, is in any way, concerned or interested, financially or otherwise, in this resolution.

Financial Highlights

The above financial results of the Company for the year ended 31st March, 2016 are not comparable with the financial results for the year ended 31st March, 2015 as the financial results for FY 2015-16 have been revised to give effect to the terms of Sections III and IV of the Scheme of Arrangement ("Scheme") amongst the Company, Jindal Stainless (Hisar) Limited, Jindal United Steel Limited and Jindal Coke Limited which was approved by the Hon'ble High Court of Punjab and Haryana at Chandigarh vide its order dated 21st September, 2015 (as modified on 12th October, 2015). The certified copy of the said order was filed with the office of the Registrar of Companies on 1st November, 2015. Consequent thereupon, Sections I and II of the Scheme became operative with effect from the Appointed Date 1 i.e. close of business hours before midnight of 31st March, 2014 and effect of the same was given in the financial results of the Company during the last financial year 2014-15. The Company received approval from the Orissa Industrial and Infrastructure Development Corporation Limited (OIIDCO) on 24th September, 2016 with respect to transfer / right to use the land on which Hot Strip Mill (HSM) and Coke Oven Plant is located from the Company to Jindal United Steel Limited and Jindal Coke Limited respectively and consequent thereupon, Sections III and IV of the Scheme became operative with effect from the Appointed Date 2 i.e. close of business hours before midnight of 31st March, 2015 and accordingly effect of the same has been given in the financial results of the Company during the financial year 2015-16.

On a pre-recast basis, during the year, the net Revenue from operations of your Company on standalone basis has increased by 13.92% at ₹ 6,847.92 Crore as compared to ₹ 6,010.94 Crore during previous financial year 2014-15. The Profit before other income, Finance Cost, Depreciation, Exceptional Items, Tax & Amortisation (EBIDTA) on standalone basis stood at ₹ 638.88 Crore as compared to ₹ 304.00 Crore during previous year.

Further, during the year, the consolidated net Revenue from operations, on pre-recast basis, of your Company has increased by 7.42% at ₹ 7,463.55 Crore as compared to ₹ 6,947.96 Crore during previous financial year 2014-15. Consolidated Profit before other income, Finance Cost, Depreciation, Exceptional Items, Tax & Amortization stood at ₹ 690.62 Crore as compared to ₹ 368.41 Crore during previous year.

During the year under review, the operations of the Company improved significantly and the EBIDTA of the Company on standalone and pre-recast basis increased by more than 110% over the last financial year. However, the high interest burden continued to put pressure on the profitability of the Company.

Indian Stainless Steel industry continues to suffer from surge in imports forcing capacities to remain idle. Import prices are significantly lower than the domestic prices, especially from countries like China and Korea. Measures such as Anti Dumping have failed to guard the domestic industry from unwarranted imports because of wide spread circumvention of anti-dumping duties. We anticipate Stainless Steel demand to grow steadily in tune with the GDP growth, however, infrastructure spending would be instrumental to drive stainless steel demand in coming time.

Operations

Your Company has been able to improve its performance significantly during the year 2015-16 despite the adverse global position of Stainless Steel industry. Steel Melting Shop produced 6,03,852 MT as compared to 4,48,476 MT in the last year, Hot Strip Mill (since transferred to JUSL under Composite Scheme of Arrangement) produced 7,72,885 MT against 4,40,360 MT in the last year having rolled both stainless steel material (5,55,552 MT) and mild steel material (1,82,074 MT), Plate Finishing Shop produced 33,081 MT against 32,143 MT in last year, HAPL in CRM produced 5,51,983 MT against 4,06,782 MT in last year and CAPL in CRM produced 3,56,652 MT against 2,49,074 MT produced in last year.

The production at Ferro Alloys during the year was 1,42,204 MT against 1,07,596 MT. Performance of Coke Oven unit (since transferred to JCL under Composite Scheme of Arrangement) during FY 2015-16 improved producing 3,18,245 MT of Coke against 2,31,370 MT produced in last year.

Both the power plants (2X125MW) generated 1,469.574 million units (net) of power as compared to 1,486.241 million units (net) in the last year. Out of the total generation 224.181 million units were wheeled to Jindal Stainless (Hisar) Limited and 2.912 million units sold through exchange.

The Company is certified for various product and system certifications including integrated management system comprising of ISO 9001:2008 Quality Management System (ISO 9001:2008), Environment Management System (ISO 14001:2004) and Health and Safety Management System as per BS OHSAS 18001:2007. Scope of Construction Product Directive (CE Marking) certification is expanded to include grades – EN 1.4003, 1.4016, 1.4512 and 1.4372. This has enabled the Company to be the preferred and certified manufacturers of stainless for construction field in the European market with 10 grades covered under the CE marking scope. Validity of AD/ PED certification has been extended for the current financial year along with the grade additions of EN 1.4003. JSL, Jajpur unit has also successfully completed DNV audit against DNV guidelines for Manufacturer Product Quality Assessment (Level 4) and Marine approvals.

The Company is in the process of incorporating Energy Management System (ISO 50001:2011) to the existing integrated management system. Furthermore the chemical testing facility of Quality Assurance labs is in the process of enhancing the testing standards in line with the requirements of NABL as per ISO 17025: 2005. The Company is now in receipt of REACH/RoHS certification for 200, 300 & 400 series stainless steel grades. This includes compliance to the 7 new additions of Substances of Very High Concern (SVHC) in the REACH regulation 1907/2006.

The Company is in receipt of ISI mark/ BIS certification for Stainless Steel grades – 304S1, 304S2 and 316L grades as per IS 6911: 1992 (Stainless steel plate, sheet and strips). This has enabled the Company to be first stainless steel manufacturer to receive BIS license for stainless steel as per IS 6911: 1992. Application for 200 series austenitic and 400 series ferritic grades against IS 6911:1992 is in progress with Bureau of Indian Standards. Furthermore the Company has successfully undergone ISI mark/ BIS certification audits of stainless steel standards IS 5522: 2014 (Stainless Steel Sheets and Strips for Utensils) & IS 15997:2012 (Low Nickel Austenitic Stainless Steel and Strip for Utensils and Kitchen Appliances).

Products approval received for critical nuclear applications by many pioneer and reputed organizations viz Bhabha Atomic Research Center and Indira Gandhi Centre for Atomic Research.

Asset Monetization and Business Reorganization Plan (AMP) and Composite Scheme of Arrangement

The Company, after having various rounds of discussions with the CDR Lenders, had finalized a comprehensive plan of Asset Monetization cum Business Reorganisation Plan ("AMP"), which entailed monetization of identified business undertaking(s) of the Company through demerger/slump sale(s) and utilization of the proceeds of the slump sale(s) in reduction of debt of the Company.

As a part of the above said AMP, a Composite Scheme of Arrangement among the Company and its three wholly owned subsidiary companies viz. Jindal Stainless (Hisar) Limited ("JSHL"), Jindal United Steel Limited ("JUSL") and Jindal Coke Limited ("JCL") and their respective creditors and shareholders was undertaken which was approved by the Hon'ble High Court of Punjab and Haryana at Chandigarh, vide its order dated 21st September, 2015 (as modified on 12th October, 2015), Certified true copy of the said Order was filed on 1st November, 2015, with the office of Registrar of Companies, NCT of Delhi and Haryana. Consequently, Section I (pertaining to demerger of Mining Division and Ferro Alloys Division and vesting the same in JSHL) and Section II (pertaining to slump sale of manufacturing facility at Hisar from the Company to JSHL) of the Scheme became operative from the Appointed Date 1 i.e. close of business hours before midnight of 31st March, 2014. The Scheme envisaged demerger of Mining Division including the Chromite Mines located at Sukinda and vesting the same in JSHL, however, the Company did not receive approval from the Ministry of Mines, Government of Odisha for transfer of the said Mines to JSHL, therefore, the Board of Directors of the Company in its meeting held on 23rd November, 2016, in terms of clause 1.10 of Section V of the Scheme, decided not to transfer the Mines to JSHL.

Section III and IV of the Scheme with respect to JUSL and JCL respectively became operative from Appointed Date 2 i.e. close of business hours before midnight of 31st March, 2015, upon receipt of approval from Orissa Industrial and Infrastructure Development Corporation Limited (OIIDCO), on 24th September, 2016, with respect to the transfer / right to use the land on which Hot Strip Mill and Coke Oven Plant is located, from the Company to JUSL and JCL respectively.

Post implementation of the Scheme, the Company has already received an amount of ₹ 2600 Crores as consideration for slump sale from JSHL, which has been utilized to prepay the debts of the Company and accordingly the debt of the Company as on date has been reduced to that extent. The Company will further receive an amount of ₹ 2400 Crores from JUSL and ₹ 500 Crores from JCL towards consideration of slump sale and interest free security deposit for sharing infrastructure facilities in due course and that amount shall also be utilized to prepay the debts of the Company.

- Major developmental achievements includes low Ni 200 series Cr-Mn grade JT to cater Hinge/ Cutlery segment customers.
- Modified 310S to reduce ferrite segregation for critical turbo charger applications,
- Plate processing of 400 series through continuous plate finishing line (grade EN 1.4003 and 410S) by controlling cooling rate after annealing.
- Improvement of mechanical properties in grades – JT and 409L by modifying thermal profile for annealing,
- Reduction in strip tension in 304-304L for thickness above 2 mm by optimizing annealing temperature,
- Improvement in polishability of grades – JSLSD/ DD
- Reduced surface roughness in grade 430 by controlling de-scaling practices and pickling parameters in continuous annealing & pickling line.

3) Cost reduction:

- Improvement in grinding practice of ferritic stainless steels leading to cost savings.

4) Benefits derived:

- Scope of construction and Product directive certification (CE marking) - Preferred and certified manufacturers of stainless for construction field in European market with 10 grades covered under CE marking scope.
- Incorporation of ISI/BIS certification as per IS 6911:1992 has also enabled the Company to be the first stainless steel manufacturer to receive BIS license for stainless steel.
- Receipt of REACH/RoHS certification for 200/300/400 series grades.
- ISI/BIS certification in carbon steel IS 10748:2004 and IS 2062:2011 and mild steel standard IS 11513:2011 & IS 6240:2008.
- Value addition of Grade – JT – new application include Hinge and Cutlery segment.

5) Future action plan:

- Energy conservation by warm charging of slabs.
- Development of value added products such as No.4 and Scotch-Brite finish and various other new grades.

6) Expenditure on R&D:

	2015-16 (₹ in Lakhs)
Capital	110
Revenue	30
Total	140
Total R&D expenditure as a percentage of turnover	0.002%

A. Cold Rolling Mill

I. Efforts made, in brief, towards technological absorption, adaptation and innovation:

CRM plant comprises the latest technology from Europe, increase in yield or decrease in consumables has a large effect on the final cost of the product. Being one of the leading producers of the SS in the country & even with the state-of-the-art technology and equipments, continual efforts have been made to further reduce wastages and improve beyond the designed capabilities.

Following facilities/developments are done for better environment & cost effectiveness.

- LPG/ Propane is being replaced by Coke Oven Gas (COG) on the Hot Annealing & Pickling Line (HAPL) including denox.
- Successful commissioning & Operation of Waste Acid recovery system (SCANACON)
- Two numbers Automatic coil wrapping machines are installed to improve packing efficiency & eliminate moisture ingress during transit.
- New segment developed for Hinges/cutlery applications using Skin Pass after 2E finish led to cost effectiveness.
- Installation of capacitor banks at both Annealing & Pickling lines & finishing lines resulting into reduction of power consumption.
- LED lighting in and around CRM is under progress will further result into decreased power consumption & improved bulb life with low maintenance cost.

II. Benefits derived as a result of the above efforts:

The overall benefits from the initiatives taken are:

- Reduction in steel wastage by overall yield improvement leading to improved resource saving and thus increasing cost effectiveness
- Improved productivity led to rise in production in FY'15-16 by 26% as compared to FY'14-15

Production Quantity (MT) for FY'2015-16 is as below:

• HAPL	:	0.552 million ton
• CAPL	:	0.357 million ton
• HRS	:	0.144 million ton
• HRCTL	:	0.060 million ton
• CRS1	:	0.115 million ton
• CRS2	:	0.051 million ton
• CR CTL	:	0.050 million ton
• SPM	:	0.048 million ton

B. Steel Melting Shop

I. Efforts made, in brief, towards technological absorption, adaptation and innovation:

Steel Melt Shop is equipped with modern state of the art facilities which form the basis for being one of the most cost competitive and international quality stainless steel manufacturer in India. To achieve cost effectiveness by increasing the heat size at EAF, smaller shell (120 MT tapping capacity) had been replaced by bigger shell (140 MT tapping capacity) in April 2015. Further, significant efforts were made to reduce the idle time of equipments which include successful operation of two furnaces simultaneously to achieve targeted production. Significant efforts have been made towards reduction of both conversion cost and raw material cost by continual improvement of operating practices which led to decline of costs incurred for refractory, power, fuel and electrode and use of cheaper raw material sources like LMS and Solumet sinters.

Though M/s HARSCO metal recovery plant started its operation last year, but has successfully completed its performance test in this year, recovering metal from slag thus strengthening the Company's commitment towards resource saving and re-utilization. Further, as a green initiative, the slag processed from the metal recovery plant is being tested and trialed as a soil conditioner for horticultural activities. Alongside production, the commitment towards environment and safety has been of highest order. A positive trend is also evident in the energy utilization of the department with reduction in usage of both electrical energy and fuel sources as compared to the previous years. New grades like 304N, 410 Jen and 317L were produced. Due to close quality control of carbon and nitrogen of grades like 409L, its production surged by 39.9%.

Continual improvements towards sustainability has also been recognized and appreciated – "Stainless Steel Recycling for Sustainable Future" has fetched prestigious award at "Manufacturing Today - Reinventing the Future" conducted by M/s. Aditya Birla Group for JSL in September 2015.

II. Benefits derived as a result of the above efforts:

- The capacity utilization increased by 35% as compared to that of the previous financial year, consequently led to the production of 0.604 million ton of stainless steel in the FY 15-16.
- With two furnace operation, 19 heats per day from EAF achieved
- With ever fluctuating elemental prices and varied sourcing, challenge remained in conversion of the same in cost effective manner by achieving high metallic yield and elemental recoveries. A reduction in conversion cost by 11.32% and net raw material cost by 20.64% is evident of the continual improvements made.
- A reduction by 11.2% in overall energy consumption (electrical & fuel) was obtained in FY 15-16 over the previous financial year.
- Significant improvements have been observed in refractory wear with EAF life being the forerunner.
- The recovery rate from slag of +6 mm & -6mm metal particles is at 2.50%.
- Special grades like high Ni 304L saw a rise in production by 103% as compared to last financial year for supply to both national and international markets.

C. Hot Strip Mill (since transferred to JUSL under Composite Scheme of Arrangement)

Hot Strip Mill produced 0.775 million ton of steel (0.593 million ton Stainless steel & 0.182 million ton Carbon Steel) against a production of 0.440 million ton in the last year.

HSM facility received BIS certification license for carbon steel grades for Hot Rolled Steel Strips in coils (Grade 1 & 2 Si – Al Killed, WTCR) and HR Strips in coil form (Grade E 250, Quality – A, BR, Killed/ Semi Killed excluding suitable for impact test requirements) and LPG Grade 6240.

Technology Absorption

I. Efforts made, in brief, towards technological absorption, adaptation and innovation:

Initiatives were taken to cut down cost by replacing all Old burners with new Bloom burners after which LPG & COG can be replaced with FO.

HSM grabbed Carbon steel order for rolling of hot rolled Coils for SAIL-RSP on tolling basis.

II. Benefits derived as a result of the above efforts:

- Increase in Production Volume by about 43% from previous year. This played vital role in cutting Production cost by decrease in Major Techno economical Parameters.
- With new Bloom burners with usage of FO gives cost savings in Fuel upto 23%.

D. Coke Oven & By-product Plant (since transferred to JCL under Composite Scheme of Arrangement)

1. Efforts made in Battery area:

Stabilization of thermal and hydraulic regime of battery and ramp up of production.

Benefits derived as a result of the above efforts:

- Coke production increased by 37.5% in FY 2015-16 w.r.t FY 2014-15.
- Coke dispatch increased by 11% in FY 2015-16 w.r.t FY 2014-15.
- Coke dispatched in 2015-16 is 0.229 million ton

2. Efforts Made By Product Plant:

Renovation of lower and upper section of PGC tubes, De-sulphurisation area and ETP (Electrostatic tar Precipitator)

Benefits derived as a result of the above efforts:

- Coal Tar production increased by 67% in 2015-16 w.r.t FY 2014-15.
- Coal Tar dispatch increased by 96% in 2015-16 w.r.t FY 2014-15.
- Tar dispatched in 2015-16 is 11734 MT.

3. Efforts Made:

Secondary COG purification installed and Commissioned in Sept 15 to reduce impurities like H₂S & Tar Fog in COG and ensure supply of cleaner COG to in plant users.

Benefits derived as a result of the above efforts:

- COG Export Increased by 31.7% in FY 2015-16 w.r.t FY 2014-15 mainly due to Conversion of fuel from Propane to COG at HAPL in CRM. This also resulted in substantial savings on fuel cost.

E. Ferro Alloys

The production at Ferro Chrome during the year FY 2015-16 was 0.142 million ton against 0.104 million ton in FY 2014-15 & SAF Metal was 12105 MT against 13246 MT in FY 2014-15.

I. Efforts made in brief :

- A dedicated team was engaged to do a very coordinated approach and system improvements to optimize the liquid Ferro Chrome transfer to SMS.
- 100% utilization of domestic electrode carbon paste by replacing the imported ELKEM paste.
- Ferro Chrome conversion agreement for 7000 MT per month entered with M/s TATA Steel to ensure supply of raw material

II. Benefits derived as a result of the above efforts:

The transfer of liquid Ferro Chrome to SMS against the requirement was 81% against 74% in the FY 2014-15.

Continuous availability of raw materials paved the way to run all five furnaces, reach to a production of 18500 MT Ferro Chrome production per month, resulting in continuous utilization of power from CPP.

F. Captive Power Plant

Captive Power Plant (2X125MW) generated 1,469.574 million units (net) of power. Out of the total generation 224.181 million units were wheeled to Jindal Stainless (Hisar) Limited and 2.912 million units sold through exchange.

Efforts made:-

Energy savings potential of 5,72,746 units/year achieved by modifying DMCCW pumps for maintaining higher flow at required pressure effecting low power consumption.

Energy savings potential of 14,170 units/year achieved by reducing CT make up run time by maintaining clarified tank level above 100% to get natural water flow to CT basin.

Energy savings potential of 21,450 units/year achieved by modifying CW pumps discharge flow into ACW line thus requiring running of only 1 ACW pump instead of 2 pumps.

Future action plan:

Adoption of RO permeate (still under implementation stage) for effective reuse of Cooling Tower Blow down water will help in improving Boiler efficiency and reduced coal Consumption. 1500 m3/Day Cooling Tower Blow down water will be reused as input water to DM Plant & equivalent make up water will be reduced.

G. CRMHS (Central Raw material handling system)

I. Efforts made:

In order to minimize the cost of transportation, and reducing multi handling losses, with the commissioning of Railway siding, wagon tippler was also commissioned in the month of November, 2015 and around 90 rakes has been tipped through Wagon Tippler till March-2016.

II. Benefits derived as a result of the above efforts

- The transportation cost of coal reduced.
- The generation cost of power reduced.
- The Handling losses during transportation reduced.
- The mixing of foreign materials with coal in the general railway siding has minimized.
- The cost of coal feeding has reduced as feeding is directly from the wagon tippler to bunkers of coke oven and CPP.

H. Railway Siding

I. Efforts made, in brief, towards technological absorption, adaptation and innovation:

JSL's railway siding started operations from November 5, 2015. Recently it was awarded as a prime customer of East Cost Railway; since it was proven that the optimum level of rail goods traffic handled by the siding was in a short period of time. During the month of March 2016 a maximum of 79 rakes were handled and also highest number of container rakes both in- ward and out- ward were handled.

The railway siding is handling different commodities such as Inward Coking COAL, Non coking Coal, MS SLAB, MOLASSES, QUARTZITE and Outward HR COIL, CR COILS, LAM COKE, CONTAINER (EXPORT/ IMPORT & DOMESTIC)

II. Benefits derived as a result of the above efforts:

Operations activities of railway siding resulted in substantial savings on Rail freight, saving in transportation and control transit losses, pilferage and also reduce turnaround time and road congestion inside and outside the Plant in safe and effective manner.

Future plan for the railway siding

JSL has planned to set up ICD in JSL's siding. It will solve many operational difficulties in respect of cost effective manner.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Jindal Stainless Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and adherence to good corporate practices by Jindal Stainless Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company (as per Annexure – A1, hereinafter referred to as "Books and Papers") and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the period covered by our audit, that is to say, from April 01, 2015 to March 31, 2016 (hereinafter referred to as "Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the Books and Papers maintained by the Company for the Audit Period according to the provisions of:

1. The Companies Act, 1956, to the extent applicable. The Companies Act, 2013 ("the Act") and the rules made thereunder including any re-enactment thereof;
2. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
3. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment, Foreign Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (SAST Regulations);
 - b. The Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (to the extent applicable to the Company during the Period under Review);
 - c. Securities Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - d. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 ("SEBI (ICDR) Regulations, 2009");
 - f. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - g. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008

6. Laws specifically applicable to the industry to which the Company belongs, as identified by the management, that is to say:
- Mines Act, 1952 read with Mines Rules, 1955;
 - Mines and Minerals (Development and Regulation) Act, 1957 and Mineral Conservation and Development Rules, 1985;
 - Mines Vocational Training Rules, 1966;
 - Metalliferous Mines Regulations, 1961.
 - Mines Rescue Rules, 1985;
 - Mining Leases (Modification of Terms) Rules, 1956.
 - Payment of Wages Act, 1936 and Payment of Wages (Mines) Rules, 1956;
 - The Payment of Undisbursed Wages (Mines) Rules, 1989;
 - The Iron Ore Mines Manganese Ore Mines and Chrome Ore Mines Labour Welfare Fund Rules, 1978;
 - Iron Ore Mines Manganese Ore Mines and Chrome Ore Mines Labor Welfare Fund Act, 1976;
 - Orissa Minerals (Prevention of Theft, Smuggling & Illegal Mining and Regulation of Possession, Storage, Trading and Transportation) Rules, 2007 along with OMPTS Amendment Rules, 2015;
 - Orissa Minor Mineral Concession Rules, 2004;
 - Collection of Statistics Act, 2008;

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India;
- The Listing Agreements entered into by the Company with the BSE Limited and National Stock Exchange of India Limited.

During the Audit Period, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above.

Management Responsibility:

- Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit;
- We have followed the audit practices and the processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion;
- We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company or examined any books, information or statements other than Books and Papers;
- We have not examined any other specific laws except as mentioned above.
- Wherever required, we have obtained the Management Representation about the compliance of laws, rules and regulation and happening of events etc;
- The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis;
- The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Resolutions have been approved by majority while the dissenting members', if any, views are captured and recorded as part of the minutes.

We further report that to ensure compliance with the labour laws, industrial laws and environmental laws and other specific laws applicable to the Company, the Company has developed compliance tool which lists the applicable Acts, regulations and the compliances to be ensured under the same along with the time limit. The compliance tool lists the officer responsible for filling up the compliance status on a regular basis. Hence, in our view, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the Audit Period, the Company has not incurred any specific event/ action that can have a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., except as follows:

(i) Allotment of equity shares upon conversion of Cumulative Convertible Preference Shares

During the period under review, the Company has allotted 48,10,440 equity shares upon conversion of 48,10,440 Cumulative Compulsory Convertible Preference Shares on September 25, 2015 to JSL Overseas Limited.

(ii) Composite Scheme of Arrangement

Composite Scheme of Arrangement ("Scheme") among Jindal Stainless Limited and Jindal Stainless (Hisar) Limited, Jindal United Steel Limited and Jindal Coke Limited and their respective shareholders and creditors, as approved by the shareholders, secured creditors and unsecured creditors of Jindal Stainless Limited at separate meetings convened as per order of Hon'ble High Court of Punjab and Haryana at Chandigarh ("Hon'ble High Court") held on May 16, 2015 as well as by the Public Shareholders through Postal Ballot on May 16, 2015, has been approved by the Hon'ble High Court vide its order dated September 21, 2015 (as modified on October 12, 2015). Certified true copy of the order was received on October 20, 2015 and was filed with the office of Registrar of Companies, NCT of Delhi and Haryana on November 1, 2015.

REPORT ON CORPORATE GOVERNANCE

In accordance with Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), the report containing the details of Corporate Governance systems and processes at Jindal Stainless Limited ("JSL") is as follows:

1. COMPANY'S PHILOSOPHY ON THE CODE OF CORPORATE GOVERNANCE:

Corporate Governance is creation and enhancing long term sustainable value for the stakeholders through ethically driven business process. At JSL, it is imperative that your Company affairs are managed in a fair and transparent manner. We recognize communication as a key element of the overall corporate governance framework and therefore, emphasize on seamless and efficient flow of relevant communication to all external constituencies. We believe that appropriate disclosure procedures, transparent accounting policies, strong and independent Board practices and highest level of ethical standards are critical to enhance and retain investor's trust and generate sustainable corporate growth. We also believe that Corporate Governance is not just a definition but a journey to constantly improve sustainable value creation.

Keeping the above principles and beliefs in mind, your Company has formed the Corporate Governance Framework on the following broad practices:

- Engaging a diverse and highly professional, experienced and competent Board of Directors, with versatile expertise in industry, finance, management and law;
- Deploying well defined governance structures that establishes checks and balances and delegates decision making to appropriate levels in the organization;
- Adoption and implementation of fair, transparent and robust systems, processes, policies and procedures;
- Making high levels of disclosures for dissemination of corporate, financial and operational information to all its stakeholders; and
- Having strong systems and processes to ensure full and timely compliances with all legal and regulatory requirements and zero tolerance for non-compliance.

2. BOARD OF DIRECTORS:

(i) Composition and Category of Directors

The Board of Directors of your Company is having optimum combination of Executive and Non-Executive Directors, in conformity with Regulation 17 of the SEBI LODR. As at 31st March, 2016, the Board of JSL consisted of seven Directors, including four independent directors. Detail with respect to size and composition of Board of Directors is given hereunder:

(v) Board Meetings, its Committee Meetings and Procedures thereof:

A. Scheduling and selection of agenda items for Board Meetings

- (i) The Board meets at least in a quarter to review the quarterly results, performance of the Company and other items on the agenda. Apart from the four Board Meetings, additional Board Meetings are also convened as and when required to address the specific needs of the Company by giving appropriate notice to the Directors. The Board also approves permitted urgent matters by passing the resolutions through circulation.
- (ii) The meetings are usually held at the Company's corporate office at New Delhi.
- (iii) All divisions/departments in the Company are encouraged to plan their functions well in advance, particularly with regard to matters requiring discussion/approval/decision in the Board/Committee meetings. All such matters are communicated to the Company Secretary in advance so that the same could be included in the agenda for the Board meetings.
- (iv) The Board is given presentations on finance, sales and marketing, and the major business segments and operations of the Company, while considering the results of the Company at each of the pre-scheduled Board meeting.
- (v) The Company Secretary, in consultation with the Chairman and Managing Director / Whole Time Director and other concerned persons in the top management, finalizes the agenda papers for the Board meetings.

B. Distribution of Board material

- (i) Agenda papers are circulated to the Directors, in advance, in the defined agenda format. All material information is incorporated in the agenda papers for facilitating meaningful, informed and focused discussions at the meeting. Where it is not practicable to attach any document to the agenda, the same is placed on the table at the meeting with specific reference to this effect in the agenda.
- (ii) With the permission of Chairman and other directors present at the meeting, additional or supplementary item(s) in the agenda are taken up for discussion and consideration. Sensitive subject matters may be discussed at the meeting without written material being circulated in advance for the meeting.

C. Recording minutes of proceedings at Board / Committee meeting

The Company Secretary records the minutes of the proceedings of each Board and Committee Meetings. Draft minutes of the meetings are circulated to the Directors within 15 days of the meetings for their comments / inputs. Thereafter, the minutes of the proceedings of a meeting are entered in the minute book within thirty days from the conclusion of the meeting and signed by the Chairman of the next Board / Committee Meeting.

D. Post meeting follow up mechanism

There is an effective post meeting follow-up, review and reporting process for the action taken on decisions of the Board and Committees. Important decisions taken at Board / Committee meetings are communicated promptly to the concerned departments / divisions.

E. Compliance

The Company Secretary, while preparing the agenda, notes on agenda, minutes etc. of the meetings and holding and conducting the meetings, is responsible for and is required to ensure adherence to material provisions of all applicable laws. Certificates relating to compliance of important provisions of law are placed in every Board Meeting.

(vi) Familiarization Programme for Board Members including Independent Directors

The Board members are provided with necessary documents/brochures, reports and internal policies to enable them to familiarize with Company's procedures and practices.

Periodic presentations are made at the Board and Committee meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved. The Company through its Key Managerial Personnel / Senior Managerial Personnel conducts programs / presentations periodically to familiarize the Independent Directors with the strategy, operations and functions of the Company and to apprise them about their roles, rights and responsibilities in the Company to enable them to make effective contribution and discharge their functions as a Board Member.

The Independent Directors are given every opportunity to interact with the Key / Senior Management Personnel and are given all the documents sought by them for enabling a good understanding of the Company, its various operations and the industry of which it is a part.

The familiarization programme for Independent Directors in terms of the provisions of Regulations 25 and 46 of the SEBI LODR is uploaded on the website of the Company and can be accessed through following link:

Global Economic Outlook

As per International Monetary Fund, the projected global growth for 2016 is anticipated at 3.2%, almost equivalent to last year's growth of 3.1%. In the second half of 2015, the growth rate sagged to 2.8% with a sizable slowdown during the last quarter of 2015. The main contributors to this weakness were advanced economies like USA, where growth was effected by weak exports, low domestic demand and a decline in nonresidential investment, including outside the energy sector. Japan experienced a sharp drop in private consumption. The recession in Russia in 2015 effected global growth rate and had a negative spillover effect on other Commonwealth of Independent States (CIS) economies. The drop in oil prices, decline in other commodity prices, and geopolitical and domestic strife in a few countries pinched the Global growth rate.

The inflation reduced in both advanced and emerging economies mainly due to lower prices for oil and other commodities, but the effect was offset due to sizable currency depreciations in number of countries such as Brazil, Colombia, Russia. The slowdown and rebalancing of the Chinese economy, lower commodity prices, and strains in some large emerging market economies will continue to weigh on growth prospects in 2016-17.

Indian Economy

India continues to remain a bright spot in the otherwise bleak global economic forecast of the International Monetary Fund (IMF). India clocked Real GDP growth of 7.6% in 2015-16. With the majority ruling party still enjoying the popularity, it is expected that India will be the fastest growing major economy in 2016-17 growing at 7.5%.

The growth will continue to be driven by private consumption, which has benefited from lower energy prices and higher real incomes. Buoyant by several government initiatives to boost industrial growth such as ease of doing business, Make in India, Invest India, and e-biz Mission Mode Project, the growth of industrial sector is estimated to be 7.3% during 2015-16, with manufacturing sector growing at 9.5%. With the revival of sentiment and pickup in industrial activity, a recovery of private investment is expected to further strengthen growth.

India's inflation based on the consumer price index is projected to be around 5.3% in 2016, mainly driven by a rise in prices for food and beverages as well as for tobacco and intoxicants. With the flattened Global growth and unsupportive environment India's exports witnessed decline due to sluggish global demand and low global commodity.

Global Stainless Steel scenario

As per, the International Stainless Steel Forum (ISSF) Stainless Steel melt shop production for Year 2015 has decreased by 0.3% YOY to 41.5 million metric tons. Production has increased in Asia (w/o China) by 1.4% and there is a marginal decrease in China by 0.6%, as compared to last year same period.

As per CRU, consumption of cold-rolled flat products will increase globally by less than 1% in 2016. The bulk of this growth will be accounted for, by increases in 'mature' markets in Western Europe and North America, as well as India. Chinese apparent demand will act as a drag on the rate of global growth in 2016 due to country's prolonged process of downstream inventory correction continues.

Global Stainless Steel Market in FY 2015-16 has been in tremendous pressure with Ni falling continuously from 12,800 USD/MT (Apr'15) to 8,700 USD/MT (Mar'16) i.e. 32% reduction. This has led to the fall of Ni bearing Stainless Steel (304SS) prices on regular basis. Stainless Steel buyers were forced to review their inventory holding strategy and some of them kept postponing their buying decision. In the USA & Western Europe overhanging stocks built up in 2014, due to nickel price surge, adversely effected demand growth in 2015. As a result, demand was supplied from inventory rather than new production and apparent demand for cold-rolled flat products fell by around 7% and 3% in the USA and Western Europe, respectively.

In February 2016, US Stainless Steel producers collectively have filed antidumping and countervailing duty petitions against Chinese importers. The petition has been filed with a view from China and form a basis for a more level playing field in the US.

Indian Stainless Steel Scenario

Total stainless steel production in India was 3.1 M tonnes and registered a growth of 1.4% as compared to last year. India continues to be the third largest producer and second largest consumer of stainless steel. Though industrial activity continued to be moderate- thereby limiting demand for Industrial grade Stainless Steel products like Plates- during FY 15-16, the same is showing signs of picking up in FY 16-17. The growth in Stainless Steel demand continues to be increasing in segments like Architecture, Building & Construction (ABC) and Automotive, Road & Transport (ART).

With the drive to convert all fresh Coaches production in Stainless Steel, initiatives like fitting all toilets in Coaches with retention tanks, Railways emerges as one of the key sectors for growth of Stainless Steel Consumption in India.

As per SIAM's Automotive Mission Plan 2016-2026, Automobile Industry in value terms is expected to grow around 4 times, from current 72 Billion to about 300 Billion, which is 15% CAGR for next 10 Years. In FY 16-17, the Indian Auto sector is expected to grow in double digits. Major players like Honda Motors and Maruti and Ford are commissioning new production facilities. Also Hyundai, Volkswagen, Renault and Nissan are increasing exports of cars from their India plants.

Due to safety norms for 2-wheeler from Apr'17 onwards, the SS Usage will increase due to usage in disk brake for motorcycle with 125CC and above. Similarly, BS IV which is expected to be launched on all India bases from Apr'17 will further increase in SS usage. As per IBEF, Infrastructure sector which includes power, bridges, dams, roads and urban infrastructure is a key driver for the Indian economy. The Government of India has

earmarked USD 7.34 billion for development of 100 smart cities across the country and has released the list of 98 cities. Airports Authority of India (AAI) have planned city-side infrastructure at 13 regional airports across India, with help from private players for building of hotels, car parking and other facilities. The Indian construction equipment industry which is reviving after a gap of four years is expected to grow to US\$ 5 billion by FY2019-20 from current size of US\$ 2.8 billion. The Indian power sector itself has an investment potential of US\$ 250 billion in the next 4-5 years. With about US\$ 24.18 billion FDI in construction development sector 2000 to 2015 there is huge potential for Stainless Steel industry.

Way Forward

Jindal Stainless group has increased efforts in making Stainless Steel popular amongst B2C & B2B segments. While end user is being made aware of the various benefits of Stainless Steel as compared to other materials; manufacturers and fabricators are being provided training to make many more products with a better quality.

Domestic Market

Sales in Domestic Segment posted impressive Q-o-Q growth trends with overall growth of 16% in FY 15-16 as compared to FY 14-15. Cold Rolled products accounted for major portion of the volume growth by increasing 25% YOY. Services levels are being increased through Made to Stock (MTS) with a dedicated order servicing team (OSD) and internal processes. New Stock yards are being opened to increase availability and reduce lead times. Customers are divided into 32 segments to bring further focus in sales at small segments level, find out business trends, address the concerns of individual segments. Awareness is being created through presentations in the annual conventions of the associations identified in various segments.

Export Market

Due to continuous fall in Nickel and prices under pressure, Jindal Stainless focused on 400 series grades, whose prices were not much influenced by Ni prices. The promotion of 400 series started primarily from North America and further penetrated into the European market. The Bright Annealing and Polishing capability of Indonesian facility for 400 series were also utilized. This created a strong market for BA finish material in NA and EU and No.4 finish in NA. For FY16-17 there is a strong focus towards further strengthening 400 series market.

The emphasis is also laid on increasing the share of Value Added Products (VAP) and sale of thinner gauge material within the Export portfolio. The focus is also on approvals from OEM's, Oil & Gas companies and strengthening of business relations with long term contracts with key customers. While most of the means of communication are being used in best possible & economical way, we are also trying to connect with various Govt initiatives like "Swaach Bharat" & "Skill India" to introduce Stainless Steel and contribute towards development of the country. The ongoing initiatives like commercial discipline on Credit checks, documentation, DOA implementation have fortified the internal processes. Further, sales focus is on expanding distribution channel, providing on time delivery with reduced lead time. Focus is now on Working Capital Management by reduction in inventory & receivables. Sales hygiene remains the focal point of all activities.

Environment

In the pursuit of Excellency in sustainable environment, Jindal Stainless Limited (JSL), Jajpur has taken various initiatives towards protection of environment by way of efficient use of all key resources through its effective management, technological advancement and sound environmentally workforce through implementation of an Integrated Management System (IMS) covering ISO 9001: 2008 for Quality Management System (QMS), ISO 14001: 2004 for Environment Management System (EMS) and OHSAS 18001: 2007 for Occupational Health & Safety Management System (OHSMS).

JSL has taken various environmental measures for stabilizing the BOD Plant of Coke Oven by suitable modification/up-gradation in the system to meet the stringent statutory norms. An Acid Recovery Plant (ARP) has been successfully installed and commissioned in the Cold Rolling Mill for effective recovery of waste Acids and substantial reduction of sludge generation. By way of recycle and reuse of waste water, adopting the 3-R philosophy, the plant has ensured zero liquid discharge (ZLD) norms as required for statutory compliances.

As a part of compliance towards pollution prevention and sound environmental performance, JSL has made substantial efforts in last three years towards 100 % fly ash utilisation by way of supplying fly ash to bricks manufacturing unit and Asbestos manufacturing Plant at free of cost. In turn, company saved on cost of dumping of fly ash at abandoned mines.

To be harmony with nature and green environment, JSL has undertaken mass plantation programmes in and around the Plant to create thick greenbelt and avenue plantations. Further, JSL has installed Organic Waste converter to use kitchen solid wastes for conversion to organic manure for horticulture use.

JSL is committed towards sustainable clean and green environment with compliance to all statutory obligations.

In this complex & rapidly changing business dynamics, talented & committed workforce will be one of the key tool to make a difference in the competitive scenario. In the same tone, JSL builds a platform of countless opportunities that offer individual growth, open culture and freedom to showcase Creativity & Innovation. In the FY 2014-15, various HR initiatives were rolled out which encompasses Employee Opinion Survey (EOS), digitization of HR processes, enhancing employee knowledge and creating avenues for sustaining the critical talent pool and outstanding performers.

For meeting the business requirements, hiring drive of Jajpur Unit continues. Overall employees added were 198 during the year which included 48 GETs (Graduate Engineer Trainees) from the premier engineering colleges. JSL recognizes that the key success to business is to maintain a vibrant workforce and leverage its collective intelligence effectively. The employee strength of Jajpur unit stood at 1656 as on 31st March 2015.

With the objective to create an environment of belongingness and enhance capability building, campaign of "Employee Opinion Survey" and "150+ Campaign" was done at JSL, Jajpur. In view of recognizing and encouraging individual and team performance, "STAR Reward" scheme of instant recognition to our employees and "Production Incentive Scheme for Stainless Steel and Non Stainless Steel operations" were launched which enabled the organization to foster meritocracy and result oriented. JSL continues to focus on process improvement thereby bringing in a robust online Performance Management System, Online Travel Management System and Delegation of Authority matrix for HR. Enhancing leadership potential and talent sustainability has always been on priority at JSL which is reflected through various Training & Development initiatives rolled out throughout the year and overall training mandays stood at 6451.

As part of long term skill development initiatives at Jajpur, a batch of 27 workmen was enrolled for 3 months "Fireman Certificate Training course" from 19th May 2015 to 18th August 2015 at Skill Development Center (SDC) after careful selection and prolonged counselling of each candidate. The training was conducted by an external agency, M/s Alpha Solutions, Jamshedpur. The fact that the batch comprised as many as four women employees taking up a job hitherto considered a male bastion, makes the initiative all the more significant. It was not so much about learning an altogether new skill, but overcoming a cultural taboo with unparalleled zeal and conviction. The training has not only resulted in tangible savings to the Company but enhanced the self-esteem of each member of the batch. JSL Jajpur has also initiated technical tie up with the premier engineering institute, IIT Kharagpur as a major step towards strengthening the Industry-Academic relationship and to bring value added relationship amongst the two entities which will benefit each other in future.

JSL's effort to bring in a working environment where women employees are provided with equal opportunities, International Women Day was celebrated at Jajpur unit followed by a sessions on Women Empowerment.

Quality & Quality Management System

TO THE MEMBERS OF JINDAL STAINLESS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying REVISED standalone financial statements of JINDAL STAINLESS LIMITED ("the Company"), which comprise the REVISED Balance Sheet as at 31st March, 2016, the REVISED Statement of Profit and Loss, the REVISED Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information in which impact of the Scheme (as stated in Note No. 27) have been incorporated.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these REVISED standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these REVISED standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the REVISED standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid REVISED standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

Emphasis of Matters:

We draw attention to the following matters:

- a) Net worth of the company has been eroded as stated in note no. 34 of the REVISED financial statements. The company continues to prepare its accounts on a going concern basis for the reasons as stated in the said note;
- b) Pending necessary approvals for managerial remuneration as stated in Note no. 49(C)(i) of the REVISED financial statements;
- c) Pending confirmations/reconciliation of balances of certain secured loans (read with Note No. 27), loans & advances, trade receivables, trade payables & other liabilities read with Note no. 32(A)(iii)(g) & 32(B) and 40(A) of the REVISED financial statements;
- d) Investments and loan & advances to certain subsidiary/other companies and Mat Credit entitlement, considered as good and fully realizable/recoverable and no provision for diminution in value is considered necessary in the opinion of the management as stated in note no. 40(B) of the REVISED financial statements;

- e) Note no. 35 of the REVISED financial statements wherein the company has made investment of ₹ 8.56 crore (along with bank guarantee of ₹ 10.01 Crore) and ₹ 0.10 Crore in MJSJ Coal Limited and Jindal Synfuels Limited respectively. The company continues to treat the investment as good and recoverable in view of the pending decision challenging the Order and other circumstances mentioned therein;
- f) Note no. 27 (5) of the REVISED financial statements regarding Mining Rights and effect of mining operations recorded in the financial statement of the Company for the reasons and as stated in said note no.

Our opinion is not modified in respect of these matters.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE REVISED STANDALONE FINANCIAL STATEMENTS OF JINDAL STAINLESS LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of JINDAL STAINLESS LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the REVISED standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No - 1 Significant Accounting Policies

i) Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention, on accrual basis of accounting, in accordance with the generally accepted accounting principles in India as applicable, accounting standards notified under section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014 and the other relevant provisions of the Companies Act, 2013.

ii) Use of Estimates

The preparation of financial statements requires use of estimates and assumptions to be made that affect the reported amounts of assets, liabilities and disclosure of contingent liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

iii) A) Fixed Assets & Depreciation

a) Fixed Assets

Fixed Assets are stated at their cost of acquisition / construction less accumulated depreciation and impairment losses. Cost comprises of all cost, net of income (if any), incurred to bring the assets to their present location and working condition and other related overheads till such assets are ready for intended use. Assets vested in the company pursuant to the Scheme of Arrangement & De-merger are stated at their fair market values based on the valuation report of financial consultant.

b) Depreciation

Depreciation on Fixed Assets is provided on Straight Line Method over their useful lives and in the manner specified in Schedule II of the Companies Act, 2013. However, in respect of certain Plant & Machinery and Electric Installation, depreciation is provided as per their useful lives assessed on the basis of technical evaluation by the external valuer, ranging from 20 to 25 years.

c) Assets not owned by the Company are amortised over a period of ten years.

d) Lease Hold Assets are amortised over the period of lease.

e) Classification of plant & machinery into continuous and non-continuous is made on the basis of technical assessment and depreciation is provided for accordingly.

B) Intangible Assets

Intangible Assets are stated at cost which includes any directly attributable expenditure on making the asset ready for its intended use. Intangible Assets are amortised over the expected duration of benefit or 10 years, whichever is lower.

C) Impairment

Impairment loss is recognized wherever the carrying amount of an asset is in excess of its recoverable amount and the same is recognized as an expense in the Statement of Profit and Loss and carrying amount of the asset is reduced to its recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased.

iv) Revenue Recognition

Revenue is recognized when it is earned and no significant uncertainty exists to its realization or collection.

Revenue from sale of goods: is recognized on delivery of the products, when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred and no effective ownership is retained.

Revenue from other activities: is recognized based on the nature of activity, when consideration can be reasonably measured. Certain claims like those relating to Railways, Insurance, Electricity, Customs, and Excise are accounted for on acceptance/when there is a reasonable certainties.

v) Borrowing Costs

Borrowing costs attributable to the acquisition /construction of qualifying assets are capitalized as part of cost of such assets and other borrowing costs are recognized as expense in the period in which these are incurred.

vi) Foreign Currency Transactions

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transactions. Monetary assets and liabilities related to foreign currency transactions remaining unsettled are translated at year end rate.

The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transaction are recognized in Statement of Profit & Loss except of loan/liability related with acquisition of depreciable fixed asset where the same is treated as cost of the assets. Exchange difference of other outstanding loan / liability (against which there is no depreciable fixed assets exists) is recognized as Foreign Currency Monetary Item Translation Difference Account and amortized over period / remaining period of loan/liability.

Foreign currency gain/loss relating to translation of net investment in non-integral foreign operation is recognized in the foreign currency translation reserve.

Premium/Discount on forward foreign exchange contracts are pro-rated over the period of contract.

vii) Investments

Long term investments are carried at cost. When there is a decline other than temporary in their value, the carrying amount is reduced on an individual investment basis and decline is charged to the Statement of Profit & Loss. Appropriate adjustment is made in carrying value of investment in case of subsequent rise in value of investments.

Current Investments are carried at lower of cost or market value.

viii) Valuation of Inventories

Inventories are valued at the lower of cost and net realisable value except scrap which is valued at net realisable value. The cost is computed on Weighted Average basis. Finished goods and Work in Progress includes cost of conversion and other overheads incurred in bringing the inventories to their present location and condition.

ix) Employee Benefits

a) Short term Employee Benefits

Short term employee benefits are recognized during the year in which the services have been rendered and are measured at cost.

b) Defined Contribution Plans

The Provident Fund and Employee's State Insurance are defined contribution plans and the contributions to the same are expensed in the Statement of Profit and Loss during the year in which the services have been rendered and are measured at cost.

c) Defined Benefit Plans

The Provident Fund (Funded), Leave Encashment and Gratuity are defined benefit plans. The Company has provided for the liability at year end based on actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses are recognized as and when incurred.

d) Employee Stock Option Scheme

The excess of market price on the date of grant over the exercise price is recognized as deferred compensation expenses amortized over the vesting period on a straight-line basis, as per the accounting treatment prescribed by the Employee Stock Option Scheme and Employee Stock Purchase Scheme Guidelines, 1999 issued by the Securities and Exchange Board of India.

x) Miscellaneous Expenditure

a) Preliminary expenses are written off over the period of ten years.

b) Bonds issue expenses and premium on redemption are written off over the expected duration of benefit or life of the bonds, whichever is earlier.

c) Mines development expenses incurred for developing and preparing new mines are written off over the period of expected duration of benefits or ten years, whichever is earlier.

xi) Taxation

Provision is made for income-tax liability in accordance with the provisions of Income-Tax Act, 1961.

Deferred tax resulting from timing differences between book profits and tax profits is accounted for applying the tax rates and laws that have been enacted or substantively enacted till the Balance Sheet date.

Deferred Tax Assets arising from timing differences are recognized to the extent there is a reasonable/virtual certainty that the assets can be realized in future.

xii) Management of Metal Price Risk/ Derivatives

Risks associated with fluctuations in the price of the raw material metal are mitigated by hedging on futures/option market. The results of metal hedging contracts/transactions are recorded upon their settlement as part of raw material cost.

Risk of movements in the interest rates, foreign currencies are hedged by derivatives contract such as Interest Rate Swaps, Currency Swaps, Forward Contracts and Currency Options.

All outstanding derivative instruments at year end are marked-to-market by type of risk and the resultant losses, if any, are recognized in the Statement of Profit & Loss /Pre-operative expenses, gains are ignored.

xiii) Government Grants

Government Grants are recognized when there is a reasonable assurance that the same will be received. Revenue grants are recognized in the Statement of Profit and Loss. Capital grants relating to specific fixed assets are reduced from the gross value of the respective fixed assets. Other capital grants are credited to Capital Reserve.

xiv) Earnings Per Share

The Company reports basic and diluted earnings per share (EPS) in accordance with Accounting Standard 20 "Earnings per Share". Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

xv) Leases

a) Finance Leases

Assets acquired under finance leases are recognised as an asset and liability at the commencement of the lease at the lower of the fair value of the assets and the present value of minimum lease payments. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability. Assets given under finance leases are recognised as receivables at an amount equal to the net investment in the lease and the finance income is based on a constant rate of return on the outstanding net investment.

b) Operating Leases

Operating lease receipts and payments are recognized as income or expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

xvi) Contingent Liabilities

Contingent liabilities, if material, are disclosed by way of notes.

27. Composite Scheme of Arrangement

1. A Composite Scheme of Arrangement (here in after referred to as 'Scheme') amongst Jindal Stainless Limited (the Company/Transferor Company) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) limited (JSHL), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provision of Sec 391-394 read with Sec 100-103 of the Companies Act, 1956 and other relevant provision of Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon'ble High Court of Punjab & Haryana, Chandigarh vide its Order dated 21st September, 2015, as amended vide order dated 12th October, 2015.

Section I and Section II of the Scheme became effective on 1st November, 2015, operative from the appointed date i.e. close of business hours before midnight of March 31, 2014.

Section III of the scheme comprising Transfer of the Business undertaking 2 (as defined in the scheme) of the Company comprising, inter-alia, of the Hot Strip Plant of the Company located at Odisha and vesting of the same in Jindal United Steel Limited (JUSL) on Going Concern basis by way of Slump Sale w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2015 and Section IV of the Scheme comprising Transfer of the Business Undertaking 3 (as defined in the Scheme) of the Company comprising, inter-alia, of the Coke Oven Plant of the Company Located at Odisha and vesting of the same with Jindal Coke Limited (JCL) on Going Concern basis by way of Slump Sale w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2015. Section III and section IV of the Scheme has become effective on 24th September, 2016 [i.e. on receipt of approvals from the Orissa Industrial Infrastructure Development Corporation (OIIDCO) for the transfer/grant of the right to use in the land on which Hot Strip (HSM Plant) & Coke Oven Plants are located to JUSL & JCL respectively as specified in the Scheme].

2. Pursuant to the Section I and Section II of the Scheme becoming effective:
 - a) Against amount of ₹ 36,618.67 Lacs, the company is required to issue and allot equity shares to JSHL at a price to be determined in accordance with chapter VII of SEBI (ICDR) regulations 2009, with the record date jointly to be decided by the board of directors of the Company and JSHL being considered as relevant date as specified in the Scheme. The board of the Company and JSHL have, in their respective meetings held on 06th November, 2015, fixed 21st November, 2015 as the record date. However, since the price worked out for issue of equity shares by the Company to JSHL, in terms of the provisions of chapter VII SEBI (ICDR) was not reflective of the actual price of the equity shares of the Company on Ex -JSHL basis, therefore the allotment of equity shares based on the aforesaid record date has not been pursued. Hence, pending allotment by the Company of the aforesaid equity shares to JSHL as on 31st March, 2016, the same has been shown as "Share Capital Suspense Account". Subsequent to the Balance Sheet date the company has allotted 16,82,84,309 nos. fully paid up equity shares of ₹ 2/ each @ ₹ 21.76 per share (including premium of ₹ 19.76 per share) on 3rd July 2016.
 - b) Out of ₹ 2,60,000.00 Lacs payable by JSHL, ₹ 1,18,493.00 Lacs has been received upto 31st March, 2016 and also balance amount of ₹ 1,41,507.00 Lacs has been received subsequent to balance sheet date.
 - c) In terms of the Scheme, all the business and activities of Demerged Undertakings and Business Undertaking 1 carried on by the Company on and after the appointed date, as stated above, are deemed to have been carried on behalf of JSHL. Accordingly, necessary effects had been given in the previous year accounts and in these accounts on the Scheme becoming effective (read with note no. 5 below).
3. Pursuant to the Section III and Section IV of the Scheme becoming effective:
 - a) Business undertaking 2 & Business undertaking 3 have been transferred to and vested in JUSL & JCL respectively with effect from the Appointed Date i.e. close of business hours before midnight of March 31, 2015 and the same has been given effect to in these accounts.
 - b) (i) Business Undertaking 2 has been transferred at a lump sum consideration of ₹ 2,41,267.33 Lacs; out of this ₹ 2,15,000.00 Lacs shall be paid by JUSL and against the balance amount of ₹ 26,267.33 Lacs, the JUSL is to issue & allot to the Company 17,50,00,000 nos. 0.01% non-cumulative compulsorily convertible preference shares having face value of ₹ 10 each and 8,76,73,311 nos. 10% non-cumulative non-convertible redeemable preference shares having face value of ₹ 10 each as specified in the Scheme; AND (ii) Business undertaking 3 has been transferred at a lump sum consideration of ₹ 49,264.71 Lacs; out of this ₹ 37,500.00 Lacs shall be paid by JCL and against the balance amount of ₹ 11,764.71 Lacs, the JCL is to issue & allot to the Company 2,60,00,000 nos. 0.01% non-cumulative compulsorily convertible preference shares having face value of ₹ 10 each and 9,16,47,073 nos. 10% non-cumulative non-convertible redeemable preference shares having face value of ₹ 10 each as specified in the Scheme. Pending allotment as stated above the same have been shown as "Investment- pending Allotment"
 - c) On transfer of Business Undertaking 2 & Business Undertaking 3, the differential between the book values of assets & liabilities transferred and the lump sum consideration received as stated above amounting to ₹ 36,259.75 Lacs has been credited in the Statement of Profit & Loss and included under Exceptional Item. (Note no. 30).

- d) In terms of the Scheme, all the business and activities of Business Undertaking 2 & Business Undertaking 3 carried on by the company on and after the appointed date, as stated above, are deemed to have been carried for and on behalf of JUSL & JCL respectively. Accordingly, necessary effects have been given in these accounts on the Scheme becoming effective.
4. The necessary steps and formalities in respect of transfer of the properties, licenses, approvals and investments in favor of JSHL, JUSL & JCL and modification of charges etc. are under implementation.
5. 32. (A) Corporate Debt Restructuring
- Pursuant to the approval of reworked CDR package ("Rework Scheme") in September 2012 and execution of Amended & Restated Master Restructuring Agreement ("Amended MRA"), the long term financial obligations to the CDR lenders were reworked including reworking of repayment schedule, creation of Funded Interest Term Loan (FITL II) for certain facilities, adjustment in interest rates, etc. w.e.f. 31st March, 2012. Accordingly, interest has been accounted for based upon the terms of the Rework Scheme / confirmations received from the banks.
 - During the financial year 2014-15, CDR EG vide its letter dated December 26, 2014 has approved conversion of both FITL I & FITL II ("FITL") into equity / other instruments, on certain terms and conditions, within 30 days of effective date of the Asset Monetisation cum Business Reorganization Plan ("AMP") subject to compliance with applicable laws. As per the approval, ₹250 Crore has been proposed to be converted into equity and balance outstanding amount of FITL into 0.01% Cumulative Redeemable Preference Shares (CRPS) / Optionally Convertible Redeemable Preference Shares (OCRPS). Redemption of CRPS/OCRPS shall be by March 31, 2022 and the CDR lenders would have the right to convert CRPS/OCRPS into equity at any time after 5 years from the effective date of the AMP. Alternatively, the Company might redeem these CRPS/OCRPS along with all dues thereof including recompense before conversion option is exercised by the CDR lender.
 - The credit facilities / loans under Rework Scheme are/will also be secured by:-
 - Unconditional & irrevocable personal guarantee of CMD Mr. Ratan Jindal;
 - Unconditional & irrevocable corporate guarantee of promoter group companies in proportion to the number and to the extent of equity shares pledged or required to be pledged by each promoter group company;

- c. Unconditional & irrevocable corporate guarantee of Jindal Stainless (Hisar) Limited.
- d. (i) Pari-passu pledge of 10,54,17,065 nos. of equity shares held in the company by promoters. Creation of security over the additional shares allotted subsequent to March, 2016 (share allotted to JSHL pursuant to scheme referred in note no. 27 (2)(a)) is in process of being pledged with lenders; and (ii) pledge of shares of JCL & JUSL to be allotted to JSL /promoters (refer note no. 27) (will be pledged with lenders).
- e. All assets transferred to JSHL, JUSL and JCL pursuant to the Scheme; and
- f. Pledge and non-disposal undertaking for all investment of the Company in subsidiaries as listed below:

(B) Restructuring of ECB Facilities

Besides reworking of its domestic term debt obligations as stated in note A above, the Company has also completed the restructuring of its debt obligations in relation to USD 250 million ECB facilities (outstanding of USD 196.88 million as on 31st March 2016) availed for the part financing of Odisha Phase II project and has executed requisite amendment agreements with all the ECB lenders on 29th March 2013. The revised terms inter-alia includes deferment of repayment schedule, increase in interest rates, etc. had been implemented on receipts of RBI approvals. Consent of certain ECB lenders to AMP is under discussion.

33. As on March 31, 2016, the overdue financial obligations to banks/financial institutions (30 in nos.) (23 in nos.) were ₹ 55,359.54 Lacs (₹ 40,144.56 Lacs) of which maximum overdue period was 61 days (59 days).
34. In view of losses, as at 31st March, 2016, the net worth of the Company have been eroded. However, keeping in view the improving business climate in the recent past giving optimism for the future, increase in the business volume and the expected full implementation of AMP [including conversion of Funded Interest Term Loan by the Lenders of the Company into Equity Shares / Cumulative Redeemable Preference Shares / Optionally Convertible Redeemable Preference Shares (refer note no. 32(A)(ii))], the management of the Company expects that the net worth of the Company will become positive and hence, the accounts have been prepared on a going concern basis.
35. The Company has made investment of ₹ 8.56 Crore (along with bank guarantee of ₹ 10.01 Crore) in MJSJ Coal Limited (MJSJ) and ₹ 0.10 Crore in Jindal Synfuels Limited (Jindal Synfuels), wherein JSL hold 9% and 10% stake respectively (both joint venture companies). The Hon'ble Supreme Court of India vide order dated 24.09.2014 has cancelled 214 out of 218 coal blocks allotted to various companies/entities, including the coal blocks allotted to MJSJ & Jindal Synfuels. No mining activity/production had commenced in these coal blocks, therefore cancellation of these coal blocks allotted to the MJSJ and Jindal Synfuels will not have any material impact on the current operations of the Company. The Company has filed review petition on 18.11.2014 challenging the order dated 24.09.2014 passed by Hon'ble Supreme Court and the matter is pending adjudication in respect of coal block allotted to MJSJ. After the enactment of the Coal Mines (Special Provisions) Act, 2015 dated 30th March, 2015 allowing compensation to the prior allottees in respect of land and mining infrastructure, the management does not anticipate any material variance between carrying value of assets in investee companies and the expected compensation.

36. (a) Company has filed Writ Petition (C) before the Hon'ble High Court of Orissa, challenging the order passed by the Dy. Commissioner of Commercial Tax, Jajpur for the period from 01/10/2006 to 30/09/2010, for payment of Entry Tax under the Odisha Entry Tax Act 1999 on the goods procured from outside the territory of India. The demand is on 2/3rd amount of Entry Tax on the goods imported from outside the territory of India on which the payment of 1/3rd amount of entry tax deposited as per the interim order of the Hon'ble Supreme Court. Considering the prudence, demand of entry tax have been fully provided for and pending final decision interest and penalty have been included under note no. 28(A)(d)(i) (Contingent Liability).

The Hon'ble Court has heard the matter and vide its interim order dated 14.03.2012, directed the company to deposit 50% of the amount of interest i.e. ₹ 1.08 crores by 25.03.2012 and granted stay for the balance amount of demand till disposal of the case. The company has deposited the amount within the permitted time and informed to the Hon'ble Court.

- (b) The Company had challenged the legality of Odisha Entry Tax Act 1999 in the Hon'ble Supreme Court of India. On 16.04.2010 the Entry tax matters of the states have been referred to a larger 9-judge Constitutional Bench of the Hon'ble Supreme Court of India. The Hon'ble 9 judge bench while holding the constitutional validity of entry tax, has, vide its Order dated 11th November 2016, referred the same to divisional/regular benches for testing and determination of the Article 304 (a) of the constitution vis a vis state legislation and levy of entry tax on goods entering the landmass of India from another country. The liability in this regards have been provided. Interest/ penalty if any, will be accounted for as and when this is finally settled/ determined by the Regular Benches hearing the matters/where the appropriate proceedings are continuing. Pending decision, presently included under note no. 28(A)(d)(i) (Contingent Liability).
37. Due from Grid Corporation of Odisha Limited (Gridco) is of ₹ 10,530.58 Lacs (₹ 11,055.01 Lacs). The company had realized part of the overdue amount on receipt of the order of Odisha Electricity Regulatory Commission (OERC) in Case no. 106 of 2011 No. 4387 dated 17/11/2012. Delayed payment surcharge (Interest) on this have been accounted in terms of contractual obligation. The management is hopeful of recovery of due from Gridco.
38. The company has filed Writ Petition (C) before the Hon'ble High Court of Orissa, Cuttack challenging the order passed by the Jt Commissioner of Commercial Tax, Jajpur disallowing the issue of C Form for the procurement of plant and machinery for Captive Power Plant during the year 2005-06, 2006-07 & 2007-08. The Hon'ble Court heard the matter and passed interim order dated 14.03.2012, directing the company to deposit 25% out of total demanded amount of ₹ 3,305.92 Lacs. The company has deposited an amount of ₹ 826.47 Lacs within the permitted time and informed the Hon'ble Court. Pending final decision, no provision in this respect has been made in the books and the same is included in note no. 28(A)(d)(i) (Contingent Liability).

- (B) Although the book value\ fair value of certain unquoted investments amounting to ₹ 8,275.51 Lacs (₹ 5,894.74 Lacs), as reflected in note no. 12, is lower than the cost or companies are having negative net worth, considering the strategic and long term nature of the investment, future prospectus and assets base of the investee company, such decline, in the opinion of the management, has been considered to be of temporary in nature and hence no provision for the same at this stage is considered necessary.
- The company has also given inter corporate deposit to its subsidiary companies amounting to ₹ 1,656.25 Lacs (₹ 1,562.38 Lacs) where the subsidiary companies has accumulated losses\negative net worth. In view of the long term involvement of the company, in the said companies no provision has been considered necessary.
- (C) In the opinion of board, assets have a realizable value, in the ordinary course of business at least equal to the amount at which they are stated.

41. In accordance with the provisions of "Accounting Standard-28 – Impairment of Assets", the company has made an assessment of the recoverable amount of assets based on higher of , the value in use considering its projected scale of operations, prevailing market conditions, future cash flows and future growth projections for domestic consumption and export of stainless steel items in general and estimated net selling price of the assets pertaining to its various Cash Generating Units and found recoverable amount of these assets to be higher as compared to carrying value of assets in its Financial Statements. Accordingly, management consider that there is no need for the provision on account of impairment of assets.

We have audited the accompanying REVISED Consolidated financial statements of JINDAL STAINLESS LIMITED (herein after referred to as "the Holding Company") and its subsidiaries ("the Holding Company & its subsidiaries" together referred as "the Group") and its associate, comprising of the REVISED Consolidated Balance Sheet as at 31st March 2016, the REVISED Consolidated statement of profit and loss, the REVISED Consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information in which impact of the Scheme (as stated in Note No. 27) have been incorporated (hereinafter referred to as "the REVISED Consolidated financial statements").

Management's Responsibility for the REVISED Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the REVISED Consolidated financial statements in terms of the requirements of the Companies Act, 2013 (herein after referred as "the Act") that give a true and fair view of the REVISED Consolidated financial position, REVISED Consolidated financial performance and REVISED Consolidated cash flows of the Group and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group and its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its Associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the REVISED Consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the REVISED Consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to in the other matter below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid REVISED Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group, as at 31 March 2016, and their Consolidated Loss and their Consolidated cash flows for the year ended on that date.

Emphasis of Matters:

We draw attention to the following matters:

- a) Net worth of the company has been eroded as stated in note no. 32 of the REVISED financial statements. The company continues to prepare its accounts on a going concern basis for the reasons as stated in the said note;
- b) Pending necessary approvals for managerial remuneration as stated in Note no. 46 of the REVISED financial statements;
- c) Pending confirmations/reconciliation of balances of certain secured loans (read with Note No. 27), loans & advances, trade receivables, trade payables & other liabilities read with Note no. 30(A)(iii)(g) & 30(B) and 38(A) of the REVISED financial statements;
- d) MAT Credit entitlement, considered as good and fully realizable/ recoverable and no provision for diminution in value is considered necessary in the opinion of the management;
- e) Note no 33 of the REVISED financial statements wherein the company has made investment of ₹ 8.56 crore (along with bank guarantee of ₹ 10.01 Crore) and ₹ 0.10 Crore in MJSJ Coal Limited and Jindal Synfuels Limited respectively. The company continues to treat the investment as good and recoverable in view of the pending decision challenging the Order and other circumstances mentioned therein;
- f) Note 27 (5) of the REVISED financial statements regarding Mining Rights and effect of mining operations recorded in the financial statement of the Company for the reasons and as stated in said note.

Our opinion is not modified in respect of these matters.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON REVISED CONSOLIDATED FINANCIAL STATEMENTS of JINDAL STAINLESS LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the REVISED Consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of JINDAL STAINLESS LIMITED ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries (incorporated in India) together referred to as "the Group") which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the companies are being made only in accordance with authorizations of management and directors of the Group (Holding Company and its subsidiary companies, which are companies incorporated in India); and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

27. Composite Scheme of Arrangement

1. A Composite Scheme of Arrangement (here in after referred to as 'Scheme') amongst Jindal Stainless Limited (the Company/Transferor Company) and its three wholly owned subsidiaries namely Jindal Stainless (Hisar) limited (JSHL), Jindal United Steel Limited (JUSL) and Jindal Coke Limited (JCL) under the provision of Sec 391-394 read with Sec 100-103 of the Companies Act, 1956 and other relevant provision of Companies Act, 1956 and / or Companies Act, 2013 has been sanctioned by the Hon'ble High Court of Punjab & Haryana, Chandigarh vide its Order dated 21st September 2015, modified by order dated 12th October, 2015.

Section I and Section II of the Scheme became effective on 1st November, 2015, operative from the appointed date i.e. close of business hours before midnight of March 31, 2014.

Section III of the scheme comprising Transfer of the Business undertaking 2 (as defined in the scheme) of the Company comprising, inter-alia, of the Hot Strip Plant of the Company located at Odisha and vesting of the same in Jindal United Steel Limited (JUSL) on Going Concern basis by way of Slump Sale w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2015 and Section IV of the Scheme comprising Transfer of the Business Undertaking 3 (as defined in the Scheme) of the Company comprising, inter-alia,

of the Coke Oven Plant of the Company Located at Odisha and vesting of the same with Jindal Coke Limited (JCL) on Going Concern basis by way of Slump Sale w.e.f. appointed date i.e. close of business hours before midnight of March 31, 2015. Section III and section IV of the Scheme has become effective on 24th September 2016 [i.e. on receipt of approvals from the Orissa Industrial Infrastructure Development Corporation (OIIDCO) for the transfer/grant of the right to use in the land on which Hot Strip (HSM Plant) & Coke Oven Plants are located to JUSL & JCL respectively as specified in the Scheme].

2. Pursuant to the Section I and Section II of the Scheme becoming effective:
 - a) Against amount of ₹ 36,618.67 Lacs, the company is required to issue and allot equity shares to JSHL at a price to be determined in accordance with chapter VII of SEBI (ICDR) regulations 2009, with the record date jointly to be decided by the board of directors of the Company and JSHL being considered as relevant date as specified in the Scheme. The board of the Company and JSHL have, in their respective meetings held on 06th November, 2015, fixed 21st November, 2015 as the record date. However, since the price worked out for issue of equity shares by the Company to JSHL, in terms of the provisions of chapter VII SEBI (ICDR) was not reflective of the actual price of the equity shares of the Company on Ex -JSHL basis, therefore the allotment of equity shares based on the afore said record date has not been pursued. Hence, pending allotment by the Company of the aforesaid equity shares to JSHL as on 31st March, 2016, the same has been shown as "Share Capital Suspense Account". Subsequent to the Balance Sheet date the company has allotted 16,82,84,309 nos. fully paid up equity shares of ₹ 2 each @ ₹ 21.76 per share (including premium of ₹ 19.76 per share) on 3rd July 2016.
 - b) Out of ₹ 2,60,000.00 lacs payable by JSHL, ₹ 1,18,493.00 lacs has been received up to 31st March 2016 and also balance amount of ₹ 1,41,507.00 lacs has been received subsequent to balance sheet date.
 - c) In terms of the Scheme, all the business and activities of Demerged Undertakings and Business Undertaking 1 carried on by the Company on and after the appointed date, as stated above, are deemed to have been carried on behalf of JSHL. Accordingly, necessary effects had been given in the previous year accounts and in these accounts on the Scheme becoming effective (read with note no. 5 below).
3. Pursuant to the Section III and Section IV of the Scheme becoming effective:
 - a) Business undertaking 2 & Business undertaking 3 have been transferred to and vested in JUSL & JCL respectively with effect from the appointed date i.e. close of business hours before midnight of March 31, 2015 and the same has been given effect to in these accounts.
 - b) (i) Business Undertaking 2 has been transferred at a lump sum consideration of ₹ 2,41,267.33 Lacs out of this ₹ 2,15,000.00 lacs shall be paid by JUSL and against the balance amount of ₹ 26,267.33 Lacs, the JUSL has to issue & allot to the Company 17,50,00,000 nos. 0.01% non-cumulative compulsorily convertible preference shares having face value of ₹ 10 each and 8,76,73,311 nos. 10% non-cumulative non-convertible redeemable preference shares having face value of ₹ 10 each as specified in the Scheme; and (ii) Business undertaking 3 has been transferred at a lump sum consideration of ₹ 49,264.71 Lacs out of this ₹ 37,500.00 lacs shall be paid by JCL and against the balance amount of ₹ 11,764.71 Lacs, the JCL has to issue & allot to the Company 2,60,00,000 nos. 0.01% non-cumulative compulsorily convertible preference shares having face value of ₹ 10 each and 9,16,47,073 nos. 10% non-cumulative non-convertible redeemable preference shares having face value of ₹ 10 each as specified in the Scheme. Pending allotment as stated above the same have been shown as "Investment- pending Allotment".
 - c) On transfer of Business Undertaking 2 & Business Undertaking 3, the differential between the book values of assets & liabilities transferred and the lump sum consideration received as stated above amounting to ₹ 36,259.75 Lacs has been credited in the Statement of profit & loss and included under Exceptional Item. (Note no. 36).
 - d) In terms of the Scheme, all the business and activities of Business Undertaking 2 & Business Undertaking 3 carried on by the company on and after the appointed date, as stated above, are deemed to have been carried for and on behalf of JUSL & JCL respectively. Accordingly, necessary effects have been given in these accounts on the Scheme becoming effective.
4. The necessary steps and formalities in respect of transfer of the properties, licenses, approvals and investments in favor of JSHL, JUSL & JCL and modification of charges etc. are under implementation.
5. While according its approval for transfer/right to use of the land in the name of JUSL & JCL Government of Odisha, Department of Steel & Mines vide letter dated 16th August 2016, had put a condition that Section I & II of the Scheme will not be carried out in so far as the mining lease of the Company is concerned; accordingly transfer of the Mining Rights to Demerged Undertakings (as referred in the Scheme) (Demerged undertaking transferred to JSHL) is not been given effect, consequently :- (i) all mining activities in relation to the Mining Rights continue to be carried out by the company (JSL) ; and (ii) all assets (excluding fixed assets) and liabilities (including contingent liabilities) in relation to the Mining Rights continue to be recorded in the books of JSL; and (iii) all revenue and net profit: post 1st November 2015 on section I & II of the scheme becoming effective are recorded in the books of the company.
6. Post Section III of the scheme becoming effective, the Company has entered into an agreement for troling of slabs got done from (Business Undertaking 2) effective from 1st April 2015, accordingly impact of the same amounting to ₹ 35,262.50 lacs has been given under manufacturing expenses in these accounts.

7. A. Pursuant to the Scheme the effects on the financial statements of operations carried out by the company for on behalf of JUSL & JCL post the said appointed date have been given in these accounts from the effective date (for the close of business hours before midnight of 31st March, 2015) are as summarized below :

- B. As stated in note no. 1 above, the Section III and Section IV of the Scheme became effective on 24th September 2016, accordingly interest on amount receivable will be accounted for.
8. The financial statements of the Company for the year ended 31st March, 2016 were earlier approved by the Board of Directors at their meeting held on 28th May, 2016 on which the Statutory Auditors of the Company had issued their report dated 28th May, 2016. These financial statements have been reopened and revised to give effect to the Scheme as stated in note 1 & 3 herein above.
9. Current year's figures are not comparable with those of the previous year for the reasons as stated in note 1 & 3 herein above.
28. Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) is ₹ 1,378.06 Lacs (₹ 3,177.51 Lacs).
29. The Company had received a notice during the year 2012-13 from office of the Dy. Director of Mines, Jaipur Road Circle, Odisha (the Office) asking company to deposit in ₹ 8,540.27 Lacs with the department on account of cost price on mining of excess quantity of Chrome Ore over and above the approved quantity of mining plan/scheme. The company has disputed and challenged the same as demand made by the Office is incorrect, unjustified, baseless and was without furnishing any supporting documents and/or providing any basis/reason for such demand. The case is pending before Revisional Authority of Mining tribunal, Govt. of India.
- 30 (A) Corporate Debt Restructuring
- Pursuant to the approval of reworked CDR package ("Rework Scheme") in September 2012 and execution of Amended & Restated Master Restructuring Agreement ("Amended MRA"), the long term financial obligations to the CDR lenders were reworked including reworking of repayment schedule, creation of Funded Interest Term Loan (FITL II) for certain facilities, adjustment in interest rates, etc. w.e.f. 31st March, 2012. Accordingly, interest has been accounted for based upon the terms of the Rework Scheme / confirmations received from the banks.
 - During the financial year 2014-15, CDR EG vide its letter dated December 26, 2014 has approved conversion of both FITL I & FITL II ("FITL") into equity / other instruments, on certain terms and conditions, within 30 days of effective date of the Asset Monetisation cum Business Reorganization Plan ("AMP") subject to compliance with applicable laws. As per the approval, ₹ 250 Crore has been proposed to be converted into equity and balance outstanding amount of FITL into 0.01% Cumulative Redeemable Preference Shares (CRPS) / Optionally Convertible Redeemable Preference Shares (OCRPS). Redemption of CRPS/OCRPS shall be by March 31, 2022 and the CDR lenders would have the right to convert CRPS/OCRPS into equity at any time after 5 years from the effective date of the AMP. Alternatively, the Company might redeem these CRPS/OCRPS along with all dues thereof including recompense before conversion option is exercised by the CDR lender.
 - The credit facilities / loans under Rework Scheme are/will also be secured by:
 - Unconditional & irrevocable personal guarantee of CMD Mr. Ratan Jindal;
 - Unconditional & irrevocable corporate guarantee of promoter group companies in proportion to the number and to the extent of equity shares pledged or required to be pledged by each promoter group company;
 - Unconditional & irrevocable corporate guarantee of Jindal Stainless (Hisar) Limited.
 - (i) Pari-passu pledge of 10,54,17,065 nos. of equity shares held in the company by promoters. Creation of security over the additional shares allotted subsequent to March, 2016 (share allotted to JSHL pursuant to scheme referred in note no 27 (2)(a)) is in process of being pledged with lenders; and (ii) pledge of shares of JCL & JUSL to be allotted to JSL/promoters (refer Note No.27) (will be pledged with lenders).
 - All assets transferred to JSHL, JUSL and JCL pursuant to the Scheme; and

- f. Pledge and non-disposal undertaking for all investment of the Company in subsidiaries as listed below:
- JSL Lifestyle Limited (and JSL Architecture Limited since merged)*
 - JSL Logistics Limited *
 - PT. Jindal Stainless Indonesia
 - Jindal Stainless UK Limited
 - JSL Stainless FZE
 - JSL Group Holdings Pte. Limited
 - Jindal Stainless Madencilik Sanaye Ve Ticaret A.S.
 - Jindal Aceros Inoxidables S.L.
 - Iberjindal S.L.
- * transferred to JSHL pursuant to the Scheme.
- g. Certain conditions, covenants and creation of security under the Rework Scheme, as the case may be, are in process of compliance/waiver. Certain secured facilities from Banks are subject to confirmation and/or reconciliation.
- iv) The lenders have right to recompense as per the approval of reworked CDR package in accordance with applicable CDR guidelines.
- (B) Restructuring of ECB Facilities
- Besides reworking of its domestic term debt obligations as stated in note A above, the Company has also completed the restructuring of its debt obligations in relation to USD 250 million ECB facilities (outstanding of USD 196.88 million as on 31st March 2016) availed for the part financing of Odisha Phase II project and has executed requisite amendment agreements with all the ECB lenders on 29th March 2013. The revised terms inter-alia includes deferment of repayment schedule, increase in interest rates, etc. had been implemented on receipts of RBI approvals. Consent of certain ECB lenders to AMP is under discussion.
31. As on March 31, 2016, the overdue financial obligations to banks/financial institutions (30 in nos.) (23 in nos.) were ₹ 55,359.54 Lacs (₹ 40,144.56 Lacs) of which maximum overdue period was 61 days (59 days).
32. In view of losses, as at 31st March, 2016, the net worth of the Company have been eroded. However, keeping in view the improving business climate in the recent past giving optimism for the future, increase in the business volume and the expected full implementation of AMP [including conversion of Funded Interest Term Loan by the Lenders of the Company into Equity Shares / Cumulative Redeemable Preference Shares / Optionally Convertible Redeemable Preference Shares (refer note no. 30(A)(ii))], the management of the Company expects that the net worth of the Company will become positive and hence, the accounts have been prepared on a going concern basis.
33. The Company has made investment of ₹ 8.56 Crore (along with bank guarantee of ₹ 10.01 Crore) in MJSJ Coal Limited (MJSJ) and ₹ 0.10 Crore in Jindal Synfuels Limited (Jindal Synfuels), wherein JSL hold 9% and 10% stake respectively (both joint venture companies). The Hon'ble Supreme Court of India vide order dated 24.09.2014 has cancelled 214 out of 218 coal blocks allotted to various companies/entities, including the coal blocks allotted to MJSJ & Jindal Synfuels. No mining activity/production had commenced in these coal blocks, therefore cancellation of these coal blocks allotted to the MJSJ and Jindal Synfuels will not have any material impact on the current operations of the Company. The Company has filed review petition on 18.11.2014 challenging the order dated 24.09.2014 passed by Hon'ble Supreme Court and the matter is pending adjudication in respect of coal block allotted to MJSJ. After the enactment of the Coal Mines (Special Provisions) Act, 2015 dated 30th March 2015 allowing compensation to the prior allottees in respect of land and mining infrastructure, the management does not anticipate any material variance between carrying value of assets in investee companies and the expected compensation.
34. The company has filed Writ Petition (C) before the Hon'ble High Court of Orissa, Cuttack challenging the order passed by the Jt Commissioner of Commercial Tax, Jajpur disallowing the issue of C Form for the procurement of plant and machinery for Captive Power Plant during the year 2005-06, 2006-07 & 2007-08. The Hon'ble Court heard the matter and passed interim order dated 14.03.2012, directing the company to deposit 25% out of total demanded amount of ₹ 3,305.92 Lacs. The company has deposited an amount of ₹ 826.47 Lacs within the permitted time and informed the Hon'ble Court. Pending final decision, no provision in this respect has been made in the books and the same is included in note no. 26(A)(c)(i) (Contingent Liability).
- 35 (a) Company has filed Writ Petition (C) before the Hon'ble High Court of Orissa, challenging the order passed by the Dy. Commissioner of Commercial Tax, Jajpur for the period from 01/10/2006 to 30/09/2010, for payment of Entry Tax under the Orissa Entry Tax Act 1999 on the goods procured from outside the territory of India. The demand is on 2/3rd amount of Entry Tax on the goods imported from outside the territory of India on which the payment of 1/3rd amount of entry tax deposited as per the interim order of the Hon'ble Supreme Court. Considering the prudence, demand of entry tax have been fully provided for and pending final decision interest and penalty have been included under note no. 26(A)(c)(i) (Contingent Liability).
- The Hon'ble Court has heard the matter and vide its interim order dated 14.03.2012, directed the company to deposit 50% of the amount of interest i.e. ₹ 1.08 crores by 25.03.2012 and granted stay for the balance amount of demand till disposal of the case. The company has deposited the amount within the permitted time and informed to the Hon'ble Court.

- (b) The Company had challenged the legality of Orissa Entry Tax Act 1999 in the Hon'ble Supreme Court of India. On 16.04.2010 the Entry tax matters of the states have been referred to a larger 9-judges Constitutional Bench of the Supreme Court of India. The 9 judge bench while holding the constitutional validity of entry tax, has, vide its Order dated 11th November 2016, referred the same to divisional/ regular benches for testing and determination of the Article 304 (a) of the constitution vis-a-vis state legislation and left open levy of entry tax on goods entering the landmass of India from another country. The liability in this regards have been provided. Interest/ penalty if any, will be accounted for as and when this is finally settled/ determined by the Regular Benches hearing the matters/where the appropriate proceedings are continuing presently included under note no. 26(A)(c)(i) (Contingent Liability).
36. Exceptional items includes
- Gain/(Loss) (net) of ₹ (4,715.16) Lacs (₹ 500.23 Lacs) on translation/settlement of foreign currency monetary items (including borrowing), gain / (loss) of ₹ (647.31) Lacs (₹ (57.22) Lacs) upon marked to market of derivatives contracts, gain/(loss) of ₹ 1,623.26 Lacs (₹ 1,955.70 Lacs) on forward cover cancellation.
 - Provision for diminution in value of investment and advances ₹ 32.61 Lacs (₹ (1,637.49 Lacs) to Jindal Stainless Madencilik Sanayi VE Ticaret A.S., Turkey and Jindal Acerox Inoxidable S.L., Spain.
 - Gain ₹ 36,259.75 Lacs pursuant to the scheme pertaining to financial year 2014-15 ₹ 1,16,021.85 Lacs pursuant to the scheme pertaining to the financial year 2013-14.
 - Investment written off ₹ Nil (₹ 5.00 Lacs).
 - Foreign currency monetary item translation difference account amortization expense of ₹ 377.64 lacs (₹ Nil).
37. Due from Grid Corporation of Orissa Limited (Gridco) is of ₹ 10,530.58 Lacs (₹ 11,055.01 Lacs). The company had realized part of the overdue amount on receipt of the order of Orissa Electricity Regulatory Commission (OERC) in Case no. 106 of 2011 No. 4387 dated 17/ 11/2012. Delayed payment surcharge (Interest) on this have been accounted in terms of contractual obligation. The management is hopeful of recovery of due from Gridco.
38. (A) Certain balances of trade receivable, loan & advances, trade payable and other liabilities are subject to confirmation and/or reconciliation.
- (B) Although the book value/ fair value of certain unquoted investments amounting to ₹ 179.59 Lacs (₹ 179.59 Lacs), as reflected in Note no 12, is lower than the cost or companies are having negative net worth, considering the strategic and long term nature of the investment, future prospectus and assets base of the investee company, such decline, in the opinion of the management, has been considered to be of temporary in nature and hence no provision for the same at this stage is considered necessary.
- (C) In the opinion of board, assets have a realizable value, in the ordinary course of business at least equal to the amount at which they are stated.
- (D) The company has a regular programme of physical verification for its inventory. Further, during the year physical verification of significant part of inventory of finished goods and work in progress has been carried out by an independent firm of professionals and technical consultant and no material discrepancy were found.
39. On 28th July, 2010, the Company granted 35,77,500 stock options to eligible employees of the Company, its subsidiaries including non-executive directors (excluding Nominee Director), as per Employees Stock Option Scheme, 2010 (ESOP 2010). 40. a) In the year 2008, the company (Jindal Stainless Ltd.) and PT Antam (Persero) Tbk, Indonesia had entered into Joint Venture agreement (50:50) to establish integrated stainless steel facilities in Indonesia and for that purpose initial equity contribution of USD 45,00,000 was remitted to JSL Venture Pte. Ltd. (JSL-V) through JSL Group Holding Pte. Ltd., Singapore. Pending utilization and because in 2008 Joint Venture was in the initial stage of project report preparation, initial Equity Contribution by JSL Venture Pte. Ltd. of USD 45,00,000 was parked with PT Jindal Stainless Indonesia (PTJSI, a subsidiary company in Indonesia). As the JV was abandoned in 2010 between PT Antam (Persero) Tbk, Indonesia and the company on account of certain issues, JSL venture Pte. Ltd. had knocked off the equity liability against loan receivable from PTJSI. Further, as per the MOU dated 31st March, 2011 signed between JSL-V and PTJSI, the above USD 45,00,000 had been converted into an arrangement as cumulative Non-Convertible 0.01% subordinate un-secured term loan due in January, 2061, pending necessary approval. During the year JSL-V have decided to reduce its paid up capital from S\$68,38,211 to S\$4,27,961 (represented by sole shareholder holding 68,38,211 no. ordinary shares) and to distribute and transfer loan of USD 45,00,000 receivable from PTJSI to its sole shareholder and holding company JSL group Holding Pvt Ltd. (a wholly owned subsidiary of the company).
- b) Further in addition to above unsecured loan from the company (Jindal Stainless Ltd.) to PTJSI of USD 25,00,000 for purchase of assets from PT Maspion Stainless Steel Indonesia is outstanding till date where there is no terms of definite repayment.
- c) In PT Jindal Stainless, Indonesia with effect from January 1, 2012, it applied PSAK number 10 (revised 2010) "The Effects of Changes in Foreign Exchange Rates", which describes how to include foreign operations in the financial statements of an entity and translate financial statements into a presentation currency. The company considers the primary indicators and other indicators in determining its functional currency. The Company determined that its Company's functional currency is the US Dollar and decided that the presentation currency for the financial statements is the US Dollar. In relation to such change in the presentation currency, the statements of financial position as of March 31, 2012 and April 1, 2011/March 31, 2011 and the statements of comprehensive income, changes in equity and cash flows for the year ended March 31, 2012 were restated and presented using the US Dollar as the presentation currency.
41. CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) is the strategic approach toward sustainable community development and the key to inclusive growth. With that as a focus, JSL's Corporate Vision is "To be admired as a Socially Responsible Corporate and a Sustained Value Creator for all its Stakeholders".

Aligned to its vision, JSL through its Foundation has a wide range of social development programmes initiated near its Corporate Head office, Plant locations and factories with the aim of empowering communities and bringing succour to their woes. In addition, efforts are being made to get the employees sensitized on social issues and get them engaged in community work through volunteering programmes. This has given all stakeholders i.e. the employees; the community and others in the supply chain an opportunity to get connected with each other, especially in the immediate operational space. Jindal Stainless Limited has established links with various National/International CSR initiatives and stressed upon participatory approach of program development and design.

Promotion of Education – Mission Education Project (MEP)

Coaching Centre

A new initiative of imparting coaching to 5th standard students in four schools started this year. The centre has been operating from Jindal Institute of Industrial Training building since June 2015. The aim of the centre is to coach students for qualifying in the entrance examinations into various government run high-end schools like Eklavya Residential Model Schools, Narvodaya Vidyalayas, and other government run residential schools.

Bridge Course Education Centres

We run four bridge course education centres for the tribal and other children between the age group of four to eight years. The students are engaged in a joyful learning atmosphere with adequate learning materials provided. The parents of children and other community members are very supportive and encourage the children by volunteering their time and other means.

Mainstreaming students from Bridge Course Education Centres

76 students from all bridge course education centres have been mainstreamed to nearby government primary schools over the past year and their progress is being regularly monitored. Out of 76 children mainstreamed, 12 have been admitted in residential schools at Jajpur and Dhenkanal districts. As per the feedback received from the schools the children mainstreamed earlier from the bridge course centres are doing well in their studies.

Computer Education Centres

Two computer education centres are functioning at Gulam Rasul High School and Budhraj High School.

Village Library

A total of 5200 readers visited the village library at Hudisahi Community Centre, 4097 visited Bainsipur and 1278 readers visited the mobile library centres, with new books added each year to the library.

Employment Enhancing Vocational Skills

Courses such as Business Process Outsourcing, Computer Hardware, Summer IT Course, Industrial Electrical are offered at Jindal Institute of Industrial Training (JIIT). A total of 358 students are enrolled at JIIT in different courses.

Electrical Course

15 students enrolled themselves in the seven months course on Industrial Electrical. The courses covered are motor winding, house and industrial wiring, transformer, induction motor, etc. As part of their practical classes, students repaired various sizes of motors inside the plant at Central Growth Shop and they were taken to various sites inside the plant locations, such as motor winding shop, SMS pump house and so on. They were put through various processes on different types of PVC pipe wiring on the working board controlled by separate MBC circuits, master switch and three auxiliary switch connections. Besides these, they were trained on calling bell operations connected with three rooms with indicator and single switch. They were also given practical training on various cables like H.T cable, L.T. cable, etc. and in fact they even started earning money by undertaking various job works like repairing ceiling fans, house wiring, etc.

Women Empowerment and Livelihood Promotion

This year, 170 women SHGs were promoted / adopted by the CSR team with 2002 women members.

Mushroom Cultivation by Women SHGs

Mushroom cultivation is organized in seven phases in the villages involving the women SHG members. A consolidated income of Rs. 2,32,078/- was earned by the women in seven phases in different villages. This is the longest duration of mushroom cultivation facilitated by the CSR team.

Sahaja Sanitary Napkin Making Unit Inaugurated

Sanitary Napkin Making Unit for the Women SHGs at Trijanga village was inaugurated on 17th November 2015. The SHG members demonstrated different stages of napkin making and also prepared some napkin pads in the presence of the guests. The Sanitary Napkin Unit led to employment of 8-10 rural women directly and some others indirectly through marketing, etc. Subsequently, this unit got registered with District Industries Centre (DIC), Cuttack as a micro-enterprise model.

Poultry Farming

This year the CSR Department introduced Rainbow Rooster variety of poultry birds amongst the community with technical guidance from local animal resources development department. A total of 1161 chicks were arranged from the government approved poultry farm from Bhadrak which were distributed amongst 85 beneficiaries from 13 CSR villages. The poor women are provided with nets that opt for at least twenty numbers of birds. The required immunization of the birds is carried out by the community organizers and SHG members in consultation with veterinary officers. Rainbow rooster variety is better than the Vanraj variety as per the animal resources department.

Tailoring Training Centres

Six tailoring training centres are running at different locations. 171 girls/women were trained from these centres. In the review meeting with the tailoring instructors, the training curriculum was revised with weekly training plans for six months. The tailoring centres have been catering to the skill upgradation of the poor village girls and many of the girls have taken it up as their additional / main occupation.

Skill Training on 'Repair and Maintenance of Sewing Machines'

A skill training programme on 'Repair and Maintenance of Sewing Machines' for the girls of ASMITA production centre and for all the tailoring trainers was organized at Jindal Institute of Industrial Training (JIIT) from 5th to 7th August, 2015. A total of 18 girls participated in the training and were richly benefitted.

ASMITA Production Centre

Earth Goods Foundation, a specialized technical organization was assigned with the flagship program of JSL Foundation called Project 'ASMITA'. The purpose of project ASMITA is to establish a sustainable and successful SHG managed production centre that would provide employment to women in Jajpur and enable them to be financially secure. The aim is to create the brand 'ASMITA' that represents artisanal textiles and heritage craft based products made by women from economically constrained backgrounds.

The SHG operates under the brand name of ASMITA so that their work and products are known in the market. This year, the ASMITA Production Centre was given work order to supply 254 pair of uniforms for 127 students of Child Friendly Education Centres running under CSR department. Besides, ASMITA has been getting job work orders from the local schools, JP handloom and Fab India etc.

Health Care

CSR Department has been looking after the community health

care by organizing health camps in and around the periphery of JSL plant everyday with a doctor, pharmacist and one assistant. They are covering 14 villages every week as per the health camp schedule. This year, a total of 8946 patients visited the static clinic and mobile clinic in 382 health camps in the JSL periphery.

Awareness on TB and Lung diseases in Manpur Cluster

The Manpur cluster which is the most vulnerable to TB and Lung diseases due to coal dust has been taken up for creating awareness on preventive measures for eradication of the disease. The CSR department has been focusing on all the hamlets of Manpur.

Awareness programme on TB and lung diseases were organized besides the regular health camps in the villages involving the ASHA and Anganwadi workers in collaboration with the local CHC of Danagadi. The community leaders like the Panchayat members, women SHGs, children and school teachers were involved during the awareness campaign in the village.

JSL Dental Care Centre

The dental clinic is functioning at the Community Health Centre (CHC), Danagadi and Maria Bhawan, Duburi. The clinic functions from 8.30 AM to 1.30 PM on every Saturdays.

Others

Agriculture Development

The CSR department has taken the Solar Photovoltaic Irrigation Project in three villages. The farmers clubs are mobilized to open bank accounts in the local banks and start saving for the project towards farmer's contributions.

Environment Sustainability

This year, the CSR team distributed 2000 fruit bearing saplings to 400 households of Kharadi and Balungabandi villages and also distributed around 10,000 saplings to schools and colleges in Danagadi block for greenery in Kalinganagar.

Swachh Bharat Abhiyan

Six Stainless Steel Modular Toilets were installed at the Community Health Centre at Danagadi, Budhraj and Manpur High Schools. The students and teachers are using these toilets. But the patients coming from various remote villages are yet to be educated by the hospital authorities regarding the use of the toilets. The Medical officer has been sensitized and issued a letter regarding this.

Nurturing Stainless Leaders

Being the largest producer of Stainless Steel in the country, we have an even bigger responsibility of grooming talent for this business. At Jindal Stainless, it is our primary responsibility to nurture and grow talent which can meet the ever-growing demand of this wonder metal. We are near doubling our capacity in next couple of years and it becomes imperative that we have more leaders to keep pace with the challenge. Regular intake of fresh engineers and diploma holders every year keeps the talent pipeline going. "Catch them young and watch them grow" is the mantra we follow. Barring few, who move out to meet their academic goals, the young talent are nurtured and given proper learning forums such as on-the-job (shop floor) responsibility, job rotation with different work responsibility, structured classroom training, etc. We carve, chisel and polish the raw talent delivered to us from the technical and management institutions and make them the future leaders of the Stainless world. Giving honest recognition for their work achievements helps them feel appreciated and enhance their job satisfaction. The challenge is of meeting the aspirations of the young talent which generally has more tilt towards 'software' businesses. The grooming and nurturing becomes more serious when these talents reach the mid-level of the management hierarchy. We ensure that they are further exposed to the tone and texture of the leadership role. Some

of these leaders with customer interface roles get the feel of the real time market scenario and at times its idiosyncrasy also. Natural qualities are fundamental to leadership. However tailor-made extensive leadership training programs are organized which include learning labs, action learning projects, interaction with the apex leadership team, personal coaching, visit to other plants to see the best practices, etc. When we review future leaders for our business we want to be sure that they share the same core values of our organization and are also passionate to be associated with it. Inclusion of many of these young talents to the business excellence initiatives of the company helps them grow as fine leaders and also as a fine gentlemen. Promoting from within fosters a meritocratic culture, where employees understand that with the right qualities and behaviours they can rise up the ladder of the company. It is more beneficial to recruit internally rather than externally because it smoothen the transition between roles and increases employee engagement and retention. Effective employee engagement cultivates greater levels of innovation, increased commitment from employees and ultimately, better leaders that help us gain competitive advantage.
