FORWARD LOOKING STATEMENTS

In this report we have disclosed forward looking information so that the investor can better understand the Company's future prospects and make informed decisions.

The Report and other oral and written statements that we make from time to time contain such forward looking statements that set out anticipated results based on management's plan and assumptions. We have tried wherever possible to identify such statements by using words such as anticipate, estimate, expect, projects, intends, plan, believes and words and terms of similar substance in connection with discussion of future operating or financial performance. We cannot guarantee that any forward looking statement will be realized, although we believe that we have been prudent in our plan and assumptions. Achievements of future results are subject to identification and mitigation of risks & uncertainties and accuracy of the assumptions. If any risk or uncertainties could not be mitigated or if any assumptions prove inaccurate, actual results could vary from those anticipated, estimated or projected. Investor should bear this in mind as they consider forward looking statements.

We undertake no obligation or publicly update any forward looking statements, whether as results of new information, future events and/or otherwise.

To increase the contribution of auto division and significantly increase its presence in the premium Automotive market, the company has formed a strategic tie-up with Spanish oil major Repsol in year 2016, to exclusively manufacture and market Repsol branded, premium quality lubricants across India.

Headquartered in Madrid, Repsol is a global and integrated company, present along the entire value chain. Repsol is one of the world's leading publicly-traded oil and gas companies. The company operates in the areas with the most energy potential around the world and has one of the most efficient refining systems in Europe. Repsol is present in 37 countries employing over 24,000 people. The company has business activity across the entire value chain, including hydrocarbon exploration and production, refining, transport, chemicals, service stations and the development of new energy solutions.

Repsol branded products came with added benefits and special features that caters to the newly emerging premium and top-end segment across markets in the country.

REPSOL lubricants are developed in the state of the art global R&D centre in Spain, which caters to the newly emerging premium and top end segments. These premium products are produced by GP Petroleum Ltd in its own manufacturing plants Vasai, Mumbai & Daman, in India, with modern testing facilities, in accordance to the stringent quality standards, certified by Repsol S A, Spain.

GP Petroleum Limited looks forward to exciting activity in the Indian Automotive lube space together with Repsol and support the Make in India initiative by manufacturing Repsol lubricants in our plants in India.

GP Global Group – UAE Head Office & Units

GP Global enables economic development by offering bespoke solutions to satisfy the commodity needs of businesses and communities worldwide. It understands that global progress and economic development requires innovative and bespoke commodity solutions. That's why it has made its business to deliver comprehensive and integrated solutions to clients who are forging the building blocks of economies around the world.

GP Global products are at work around the globe wherever new infrastructure is developed, machinery and industry spin into gear, and a complicated system of logistics connects countries and economies. GP Global is a multi- billion dollars business that is rapidly expanding to catalyse economic growth by supporting clients in existing markets while unlocking potential in new geographies.

GP Global has set apart by the synergies our complementary business lines unlock to create commercial success. We also have the ability to tailor turnkey answers to client needs and create solutions that meet their specific requirements. It is present around the globe and actively engaged in linking markets through new and exciting channels of opportunity and trade.

GP Global is engaged in complementary business streams that combine to shape turnkey solutions that meet customer needs in the commodity sector.

GP Petroleums Ltd.

VISION

“GP Petroleums Ltd., will be the preferred partners, for providing world class Lubricants & Services, by applying technology and creating innovative Business Solutions”.

MISSION

To be the most sought after partner for lubricants & value added services for our Customers.

•
To cater to the growing needs of Automotive, Industrial, Marine and Process oil markets through technology and compliance.

•
To ensure continuous improvement in operating efficiency and innovate, as we move ‘Towards New Horizons’.

Dear Shareholders,

The Indian economy did face slower growth over the last 24 months due to transformational changes undertaken at the policy level. However, the latest IMF forecast reveals economic growth is expected to grow 7.4% in the current fiscal from 6.7% in FY18 and accelerate further in FY20 to 7.8%. In contrast to China which is estimated to slow, India will strengthen its position as the world's fastest-growing major economy.

This positive and encouraging growth momentum has been possible because of the transformational policy changes that inflicted short-term pain but propelled the national economy onto the fast track towards enhanced growth. Economic growth also brings along increased prosperity and improved standards of living thereby providing fillip to sales of vehicles and augments industrial consumption.

It would be pertinent to point out that your company is well placed to cater to the growing lubricants demand – both automotive and industrial resulting from higher vehicular and industrial equipment sales. Furthermore, we have successfully catered to the growing needs of automotive, industrial, marine and process oil markets through implementation of cutting-edge technologies and competent compliance systems.

Current & Future Strategy:

The IPOL brand has been growing in visibility and credibility through various initiatives like having cricketer Suresh Raina as brand ambassador, a complete change of packaging colour scheme to purple, reflecting the vibrance of the brand and launching new products like IPOL Clear Blue which will be required by most of the new technology engines to meet the emission norms of BS IV and BSVI.

Your company has also enhanced its distribution network in the premium automotive lubricant segment through the introduction of the Spanish brand REPSOL which has been well received by the market.

We have expanded our customer base in the manufacturing segment through Industrial lubricants which include Metalworking and specialty lubricants through a value selling approach. We have also secured a supply position with all tyre manufacturers for supply of Rubber Process oils.

We have invested in high precision quality-control and product development labs to meet global standards and OEM expectations. In addition to sprucing up outer décor of the plant, we have introduced de-aerator for grease manufacturing and new 50 kg capacity pilot kettle for R&D work.

Our endeavour has consistently been to be the preferred partner, for providing world-class lubricants and services by applying technology and creating innovative business solutions. All our efforts are focused towards catering to the growing needs of automotive, industrial, marine and process oil markets through technology and compliance. We aim to achieve our goals through continuous improvement in operating efficiency and innovate, as we move 'Towards New Horizons'.

Our stock points in various states cover all India market through well established distribution network. Additionally, the automotive lubricants are sold through a network of distributors and a wide spread of dealer network across the country. Industrial lubricants and rubber process oils are sold directly to key customers. The small and medium manufacturing establishments are serviced through a country wide network of distributors.

Our customer offering falls under three broad areas a) Direct product offers b) Product offer supported by technical services and c) A holistic package of fluid management solutions.

External Influence on Business:

Global crude prices rose sharply due to a multiple factor such as OPEC and Russia cutting supplies, declining production in Venezuela and geopolitical tensions. In April 2018, the price of the Indian basket of crude rose to an average of \$69.30 vis-à-vis \$47.56 and \$56.43 per barrel in FY17 and FY18 respectively. Anticipating this sharp spike in prices and in an endeavour to shield ourselves from such uncertain fluctuations, we maintained optimal stock level of base oils procured at economical prices subject to optimum usage of available storage space.

India has set for itself an ambitious target for increasing the Electric vehicles (EV) by 2030 and this is certainly expected to bring a transformational change across the automobile sector. However, it would be pertinent to point out that the need for lubricants would still remain significant for the next few decades as understood from the various research agencies in the oil & gas as well as from automotive OEMs.

The government's 'Make in India' policy aims to make India a global manufacturing hub. The ultimate objective is to enhance manufacturing's share of the nation's GDP. On our part, we have taken the step forward to make in India, the premium Spanish brand REPSOL lubricants in our plant in Vasai for which we have the license to manufacture and market in India. The push towards manufacturing activities by the Indian

government is expected to increase the demand for industrial lubricants and therefore provide new business opportunities for the Company.

A Responsible Corporate

As a responsible corporate citizen, our policy is to nurture a culture that imbibes the attributes of quality management and environment-friendliness in products and into our day-to-day work processes thereby ensuring a productive and healthy work-environment and reduced defects/errors in products, processes, systems and results.

Our approach extends across businesses, operations and management activities and is reviewed regularly to keep up with changing business needs. This policy, along with the 'Clean and Green Policy' forms an integral part of the Company's culture and is communicated through established channels of communication.

We remain highly enthusiastic to tap into awaiting opportunities and continuously look out for newer business avenues. Our business and product portfolio stands on strong fundamentals and this instills within us confidence to ask you to stay with us and be a part of our promising journey.

With my best wishes,

Manan Goel
Chairman

2012-13	Final	30 th September, 2013	5 th November, 2020
2013-14	Final	30 th September, 2014	2 nd November, 2021
2014-15	Final	30 th September, 2015	3 rd November, 2022
2015-16	Interim	11 th March, 2016	13 th April, 2023
2015-16	Final	30 th September, 2016	2 nd November, 2023
2016-17	Final	22 nd September, 2017	26 th October, 2024

Members can claim unclaimed dividend by writing letter to the Company or its Registrar and Share Transfer Agent along with indemnity bond before above mentioned dates.

11. The Company has transferred shares, in respect of which dividend has not been paid or claimed for a continues period of 7 years till 31st October, 2017 to Investor Education & Protection Fund (the “IEPF”) Account set up by Government of India. Members whose shares have been transferred to IEPF Account, may claim such shares by applying to IEPF Authority in e-Form IEPF-5 and by forwarding all requisite documents along with e-Form IEPF-5 with receipt to the Company for verification of their claim and if verified for release of shares. The list of members whose shares have been transferred to IEPF Account is available on website of IEPF Authority.

Also it is advisable to convert physical shares to demat and update demat account details in order to receive dividend, corporate action etc. within time.

12. Members may avail nomination facility and dividend through ECS. Kindly contact the Company/RTA for the aforesaid facilities.

13. E-Voting CDSL

As per provisions of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as amended the business at Annual General Meeting may be transacted through electronic voting system. The Company is providing facility of voting through electronic system (“e-voting”) to its members. The Company has engaged Central Depository Services (India) Limited (“CDSL”) to provide e-voting facility for security and enabling the members to cast their vote in a secured manner.

The instructions for members voting electronically are as under:

- (i) The voting period begins on Tuesday the 18th September, 2018 from 9.00 a.m. and ends on Thursday the 20th September, 2018 at 5.00 p.m. (IST). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 14th September, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Members who have already voted prior to the meeting date may attend the Annual General Meeting but would not be entitled to vote at the meeting venue.
- (iii) The Members should log on to the e-voting website www.evotingindia.com
- (iv) Click on Shareholders / Members
- (v) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	<ul style="list-style-type: none"> • Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (applicable for both demat as well as physical shareholding) • Members who have not updated their PAN with the Company/Depository Participant are requested to use the first 2 letters of their name and 8 digits of sequence number in the PAN field. • In case sequence number is less than 8 digits enter applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> • If both the details are not recorded with the depository or the Company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. **It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.**
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant "GP Petroleums Limited" on which you choose to vote.
- (xiii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013:

ITEM NO. 4:

Mr. Sudhakara Rao Ravipati was appointed as additional director in the category of independent director of the Company with effect from 14th May, 2018 in place Mr. Ramji Sinha, who has resigned from the directorship of the Company. In terms of Section 161 of the Companies Act, 2013 he shall hold the office of director up to the date of the ensuing Annual General Meeting.

Mr. Rao has signified his candidature for the office of independent director of the Company in terms of Section 160 of the Companies Act, 2013. The Nomination & Remuneration Committee has recommended the candidature of Mr. Rao for the office of independent director of the Company for a period of 5 (five) years with effect from 14th May 2018. His brief resume, qualification, area of expertise and other details as required under Regulation 36(3), Chapter IV of the SEBI (LODR), Regulations, 2015 are given herein above. He fulfills the criteria of independence specified in the Companies Act, 2013 for independent directors.

Your Directors feel that his presence in the Board will be beneficial for overall growth and development of the Company and recommend the Resolution as set out at item no. 4 for your approval as Ordinary Resolution.

None of the Directors except Mr. Sudhakara Rao Ravipati and Key Managerial Personnel of the Company or their relatives are, in any way concerned or interested in the matter.

ITEM NO. 5:

The Audit Committee has recommended and the Board of Directors of the Company has approved appointment of Mr. Dilip Murlidhar Bathija, Cost Accountant as Cost Auditor of the Company for the financial year 2018-19 at a remuneration of ₹ 1,00,000/- (Rupees One Lac only) plus out of pocket expenses.

Pursuant to Section 148(3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014 the remuneration, as approved by the Board of Directors of the Company on recommendation of the Audit Committee, is required to be subsequently ratified by the Members of the Company.

Accordingly, your Directors recommend the resolution set out at item no. 5 for your approval as Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the matter.

ITEM NO 6

As per newly inserted regulation 17(1A) of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 which would be effective from 1st April, 2019 no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained age of 75 years unless a special resolution is passed to that effect.

Mr. Narotamkumar G. Puri, independent director of the Company will attain age of 75 years on his next birthday i.e. 04.04.2019. Accordingly continuation of his directorship till completion of his present term of 5 years upto 13th August, 2019 requires approval of members by Special Resolution. Your Director feels that continuation of his directorship as independent director will be beneficial to the Company as he possess very rich exposure & experience of the oil industry.

Accordingly your Directors recommend the Resolution as set out at item no.6 for your approval as Special Resolution.

None of the Directors except Mr. Narotamkumar G. Puri and Key Managerial Personnel of the Company or their relatives are, in any way concerned or interested in the matter.

By order of the Board of Directors
For GP Petroleums Limited

SECRETARIAL AUDIT REPORT**FORM NO. MR-3****FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018**

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
GP Petroleums Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by GP Petroleums Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not Applicable to the Company during audit period)
 - (e) The Securities Exchange Board of India (Issue and Listing of Debt Securities), Regulations, 2008. (Not Applicable to the Company during audit period).
 - (f) The Securities Exchange Board of India (Registrar to an Issue and Share Transfer Agent), Regulations, 1993 regarding the Companies Act, 2013 and dealing with the clients.
 - (g) The Securities Exchange Board of India (Delisting of Equity Shares), Regulations, 2009. (Not Applicable to the Company during audit period).
 - (h) The Securities Exchange Board of India (Buyback of Securities), Regulations, 1998. (Not Applicable to the Company during audit period).
6.
 - (a) The Petroleum Act, 1934 and rules made thereunder;
 - (b) Maharashtra Solvents, Reffinate and Slop (License) Order, 2007;
 - (c) Lubricating Oils and Greases (Processing, Supply & Distribution) Order, 1987;

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India i.e. Secretarial Standards – 1 for Board Meetings and Secretarial Standards – 2 for General Meetings.
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period no specific events / actions took place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

Selection of Independent Directors

Individuals having an independent standing in their respective field/ profession and who can effectively contribute to the Company's business and policy decisions are considered by the Nomination and Remuneration Committee, for appointment, as Independent Directors on the Board.

The Committee, inter alia, considers qualification, positive attributes, area of expertise and number of directorships and memberships held in various companies and committees of other companies for selection of directors and determining director's independence. The Board considers the Committee's recommendation and takes appropriate decision.

Board and Directors evaluation and criteria for evaluation

During the year, the Board carried annual evaluation of its own performance, performance of the directors (including independent directors), as well as evaluation of working of its committees.

The Nomination and Remuneration Committee has defined the evaluation criteria, procedure and time schedule for the same. The criteria for Board evaluation include inter alia feedback, interview, questionnaire, survey, scores etc.

Criteria for evaluation of individual director include aspects such as attendance and contribution at Board/ Committee meetings and guidance/ support to the management outside Board/ Committee meetings, leadership style, unbiased approach, personal characteristics, core competency etc. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board members and motivating and providing guidance to the CEO. The code of conduct for director is available on Company website.

Familiarization Programme for Independent Directors

The Company familiarizes its Independent Directors with the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of

the Company, etc., through various programmes. These include orientation programme upon induction of new directors, as well as other initiatives to update the directors on a continuing basis.

The familiarization programme for Independent Directors is disclosed on the Company website.

Separate Meeting of Independent Directors

A separate meeting of Independent Directors of the Company, was held on 12th October, 2017 as required under Schedule IV to the Companies Act, 2013 (Code for Independent Directors) and Regulation 25 (3) of the SEBI (LODR) Regulations, 2015. The Meeting was attended by Mr. Narotamkumar G. Puri, Mr. Bhaswar Mukherjee, Mr. Jagat Singh and Mr. Ramji Sinha. Mr. Narotamkumar Puri chaired the Meeting

At the meeting, the Independent Directors:

- Reviewed performance of Non-Independent Directors and the Board as a whole;
- Reviewed performance of the Chairman of the Company, taking into account views of directors; and
- Assessed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

AUDITORS CERTIFICATE

To
The Members of
M/s GP Petroleums Limited

We have examined the compliance of conditions of Corporate Governance by GP Petroleums Limited having its Registered Office at 804, Ackruti Star, MIDC Central Road, MIDC, Andheri East, Mumbai 400 093 for the year ended on 31st March 2018, as stipulated in the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreement of the said Company with the stock exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementations thereof adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied in all material respects with the conditions of Corporate Governance as stipulated in SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 pursuant to the mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

1) Listed Entity's Competitive Position of the Company

GP Petroleums Ltd., India, is an ISO 9001:2008, EMS 14001:2004 & OHSAS 18001 certified company, specializes in formulating, manufacturing and marketing of industrial & automotive lubricants, process oils, transformer oils, greases and other specialties under the brand name of IPOL in India and internationally for more than four decades.

The IPOL brand of GP Petroleums has established itself as one of the well accepted industrial and automotive lubricants in India with a wide network of Distributors and Dealers in the country. The company has well equipped manufacturing facilities, with automated filling & packaging stations. GP has invested in high precision quality-control and product development labs to meet the growing needs of premium lubricants.

GP Petroleums plants in India has an annual production capacity of 80,000 KL. We have in-house Base Oil Storage facility of 15,000 KL is one of the largest in the Indian industry, which ensures consistency of quality and supply security.

The company has upgraded and refurbished the plant and lab to meet its ambitious growth plans and to meet global standards and OEM expectations

IPOL has one of the widest ranges of products carefully designed to suit various applications and deliver high performances. These are available in a variety of pack sizes as per market needs. The products have several latest national and international performance specifications and approvals to their credit such as API, JASO, ACEA etc. other than OEM credentials.

To increase the contribution of auto division and significantly increase its presence in the premium Automotive market, the company has formed a strategic tie-up with Spanish oil major Repsol, to exclusively manufacture and market Repsol branded, premium quality lubricants across India.

Headquartered in Madrid, Repsol is a global and integrated company, present along the entire value chain. With 27,000 employees across more than 40 countries, it operates in areas with the most energy potential around the world and has one of the most efficient refining systems in Europe.

Repsol branded products came with added benefits and special features that catered to the newly emerging premium and top-end segment across markets in the country.

REPSOL lubricants are developed in the state of the art global R&D center in Spain, which caters to the newly emerging premium and top end segments. These premium products are produced by GP Petroleums Ltd in its own manufacturing plants Vasai (Mumbai) & Daman, in India, with modern testing facilities, in accordance to the stringent quality standards, certified by Repsol S A, Spain.

GPPL look forward to exciting activity in the Indian Automotive lube space together with Repsol and support the **Make in India** initiative by manufacturing Repsol lubricants in our plants in India.

2) Industry Structure and developments:

India is amongst top five countries for the demand of the lubricants. The lubricants market is broadly classified as Automotive and Industrial. The Industrial Lubricants consists of General Industrial Lubricants, Metalworking, Industrial Engine oils and Greases. The leading demand is in the Automotive followed by Industrial, Transformer Oils, White Oils and process oils. For any manufacturing concern keeping its equipment running efficiently is key to its profitability and industrial lubricants play key role in providing this. The increased activity in the personal mobility vehicles with some recovery in the commercial vehicle market are the drivers for the demand of Industrial as well as Automotive Lubricants. The Industrial Lubricants market is very competitive and cost driven. There are some limited niche segments in the Metal working market where premium pricing, based on the performance and OEM approvals, can be obtained.

3) Opportunities and threats:

Specialized Industrials Oils like Cutting Oils, Chain Oils, Cleaners, Rust Preventives and heat treatment oils are the segments which can provide better pricing. With the focus on infrastructure development, mining and road construction industry are reviving. The launch of initiatives like Make in India and Smart Cities will strengthen the Industrial activity in turn spur higher lubricant demand. The Industrial segment is highly competitive and price sensitive. Tender based procurement in areas such as coal, Railways and Defence have sizeable share of business but since the finalization is based on lowest bidder the margins are very thin and the business is generally bagged by large companies with base oil production facilities.

4) Segment Wise performance:

The growth in automotive sector with record sale of the vehicles has increased the manufacturing activity in the automotive manufacturing and ancillary industries. The resultant effect is the increase in demand of the Metal Working Fluids, Hydraulic Fluids, Gear Oils and Industrial Greases. These segment performed much better than the previous year. Similarly with good monsoon in the previous year and forecast for this year, the manufacturing in the Tractor Segment has been steadily increasing with growth in demand for Transmission Fluids, Engine Oils and Greases. Overall there has been increase in the business of the Metal Working Fluids.

5) Risk and concerns:

The Global Crude prices has increased since last year along with the depreciation of the Indian Rupee against the US Dollar. Due to this the cost of raw materials like base oil and additives has increased significantly. As the industrial lubricants market is highly price sensitive and competitive this immediately impacts the bottom line as the margins are compressed.

6) Outlook

We expect the overall lubricant industry to surmount the average yearly growth and set new records. It is expected that growth in automobile industry will continue and the demand in the medium term from each vehicle segment is catching up with global trends. Additionally, fuel economy is expected to be a key driver in determining future lubricant specifications. India's economy, currently is placed at an interesting cusp of rising disposable income, the Government's thrust on infrastructure development, implementation of GST, declining interest rates & inflation, strong rural demand, etc. would boost overall lubricant demand

In the Today, businesses are operating in a dynamic environment. It is important for business houses to build a mechanism for proactively assessing and mitigating risk involving change in government policies, legislation, information technology, customer preferences, competitors, initiatives, financial markets.

7) Internal Financial Control and Their Adequacy

The Company's internal Control System has been designed to provide for accurate recording of transactions with internal checks and prompt reporting, adherence to applicable Accounting Standards and Policies, compliance with applicable statutes, policies and procedures, guidelines, and authorisations. Consequent to the implementation of Companies Act 2013 (the Act), the Company has complied with the specific requirements in terms of Section 134 (5)(e) of the Act calling for the establishment and implementation of Internal Financial Control Framework that supports compliance with requirements of the Act in relation to Directors' Responsibility Statement.

8) Discussion on financial performance with respect to operational performance

Operational Highlights

Your Company is committed to increase the footprints in India and bring the advanced and best technological products to the end customers and accordingly:

- The Overall Manufacturing Sales Volume of 2017-18 increased by 6 % as compared to 2016-17 from 64,294 KL to 68,020 KL.

- There was a Plant up-gradation activity which was done in the year 2017-18 with the Laboratory being upgraded. Tank Farm modification completed.
- 24 new products were developed by the R& D Team and in the pipeline for introduction to market.

Financial Performance

- Revenue during the year 2017-18 increased by 7.3% to ₹ 57,342 Lakhs as against ₹ 53,438 Lakhs over the previous financial year.
- Net Profit during the year 2017-18 increased by 6.6% as compared to net profit in the year 2016 -17 post exclusion of amount of profit on sale of assets net of tax of ₹ 447.27 Lakhs.
- Dividend of ₹ 0.75 per equity share recommended for the year 2017- 18.

Finance Costs:

- During the year 2017-18 finance cost decreased by ₹ 153 Lakhs (FY 2017-18 : ₹ 653 Lakhs vs FY 2016-17 : ₹ 806 Lakhs) which is a combination of better fund management/ limit utilization and reduced forex exposure.

9) Material developments in Human Resources / Industrial Relations front, including number of people employed

Your Company adopts human capital strategy to develop and maintain required manpower.

Salient features of 'human capital' strategy are

- Attract Talent
- In still Leadership
- Develop a Culture
- Drive the Organisation Ahead

The Company places highest importance in implementation of contemporary HR practices to enhance the overall employee effectiveness. With a strong governance mechanism at its core, the code of conduct has been communicated to and implemented for all the employees. Being an equal opportunity employer, your company strives to implement the programs to promote various initiatives including awareness of 'The Prevention of Sexual Harassment at Work Place Policy'. There has been no complaint of the sexual harassment at workplace since its inception. It takes pride to have complied with all the legal requirements. The continuous process of audits & gap analysis helps the Company to have better compliance.

The Company has maintained cordial industrial relationship and solved maximum labour issues amicably. Your Company also provided opportunity to semi-skilled workers to make them skilled workers.

The Company has 261 permanent employees.

INDEPENDENT AUDITOR'S REPORT

To

The Members

GP Petroleums Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of GP Petroleums Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position) , profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2018, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matters

9. The financial information of the company for the year ended March 31, 2016 and the transition date opening balance sheet as at April 1, 2016 included in these financial statements, are based on the previously issued statutory financial statements for the year ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion. The adjustments to those financial statements for the differences in accounting principles adopted by the company on transition to the have been audited by us.

Report on Other Legal and Regulatory Requirements

10. As required by the 'Companies (Auditor's Report) Order, 2016' ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
11. As required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act;
 - On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact, if any, of pending litigations as at March 31, 2018 on its financial position in its financial statements.
 - The Company has made provisions as at March 31, 2018, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2018.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 9 of the Independent Auditors' Report of even date to the members of GP Petroleums Limited on the financial statements for the year ended March 31, 2018.

- I. (a) The company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of 3 years which, in our opinion, is reasonable having regards to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties, as disclosed in Note 2 on fixed assets to the financial statements, are held in the name of the Company, except flat at Mumbai having a carrying value of ₹ 418.27 Lakhs as at March 31, 2018.
- II. The physical verification of inventory excluding stocks with third parties has been conducted at reasonable intervals by the management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been appropriately dealt with in the books of accounts.
- III. The company has not granted unsecured loans to the company covered in the register maintained under Section 189 of the Companies Act. There are no firms / LLP/ other parties covered in the register maintained under Section 189 of the Companies Act.(Register of contracts and arrangements in which director are interested).
- IV. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans and investment made, and guarantees and security provided by it.
- V. The company has not accepted any deposits from the public within the meaning of Sections 73 &74, 75 and 76 of the act and the rules framed thereunder to the extent notified.
- VI. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under subsection (1) of the Section 148 of the act in respect to its products. The Company has also appointed Cost Auditor to audit its cost records in pursuance of the provisions contained in Companies Act, 2013, The Cost Auditor has audited cost records for the financial year ended on 31st March 2018 and we have not noticed any adverse comment in their report issued in pursuance to such report. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- VII. (a) According to information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues in respect of sales tax including value added tax, and is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, service tax, duty of customs, duty of excise, cess and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to information and explanation given to us and the records of the Company examined by us, the particulars of dues (net of deposit under protest or under stay condition amounting to ₹ 8,01,71,419/- and stated under Non-Current Assets as recoverable) in respect of income tax, sales tax including value added tax, service tax, duty of customs, duty of excise, cess as at March 31st 2018 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹)	Period to which the amount relates	Forum where the dispute is pending
Central Sales Tax, 1956 and Local Sales Tax Act	Central sales tax and local sales tax	3,92,67,534	2003-04, 2004-05, 2009-10, 2010-11, 2011-12, 2012-13, 2013-14, 2014-15, 2015-16	First Appellate Authorities
Central Excise Act, 1944	Excise Duty	1,78,98,416	2013-14	Asst. Registrar CESTAT
Central Excise Act, 1944	Excise Duty	99,08,719	Up to 2005	Asst. Registrar CESTAT
Central Excise Act, 1944	Excise Duty	31,32,098	Oct 15 to June'17	Commissioner Appeal
Central Excise Act, 1944	Excise Duty	24,15,506	Jan'14 to June,15	Asst. Registrar CESTAT
Service Tax Act	Service Tax	48,63,711	Apr'11 to Apr 15	Joint Commissioner
Service Tax Act	Service Tax	26,85,435	Feb14 to March 17	Asst. Registrar CESTAT

- VIII. According to the records of the company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holder as at the balance sheet date.
- IX. In our opinion, and according to the information and explanations given to us, the terms loans have been applied, on an overall basis, for the purposes for which they were obtained.
- X. During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- XI. In our opinion and according to the information and explanations given to us, the Company has not paid/provided for any managerial remuneration, except board meeting sitting fees paid to Independent Director(s) during the year as stipulated to Section 197 read with Schedule V to the Act, hence clause (xi) of paragraph 3 of the Order is not applicable.
- XII. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company, hence clause (xii) of paragraph 3 of the Order regarding default is not applicable.
- XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties have been entered into by the company in its ordinary course of business on an arm's length basis and therefore the provisions of Section 177 and 188 of the Act are not applicable to the company, however the details of such transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18 related party disclosures specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules 2014.
- XIV. According to the records of Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore provisions of clause (xiv) of paragraph 3 of the Order are not applicable.
- XV. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with its directors or persons connected with him. Therefore provisions of clause (xv) of paragraph 3 of the Order are not applicable.
- XVI. In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Therefore provisions of clause (xvi) of paragraph 3 of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of GP Petroleums Limited on the financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of GP Petroleums Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies

A) Basis of Preparation and Presentation of Financial Statements

The Company's financial statements for the year ended 31st March, 2018 have been prepared in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015, and Companies (Indian Accounting Standards) Amendment Rules, 2016, notified, under Section 133 of Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

The financial statements are prepared on the basis of going concern under the historical cost convention using the accrual method of accounting, except for the following items:-

Items	Basis of measurement
Land and Building	Measured at Fair Value
Defined Benefit Plan	Plan assets are Measured at Fair Value

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest rupee, unless otherwise stated.

All the Assets and Liabilities have been classified as Current or Non – Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of the products and the time between the acquisition of Assets for processing and their realization in cash or cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current – non current classification of Assets and Liabilities.

B) Use of Estimates

The preparation of financial statements requires management to make estimates, assumptions and judgements that affect the reported balances of assets and liabilities and disclosures as at the date of the financial statements and the reported amounts of income and expenditure for the periods presented. Actual results may differ from the estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Impact on account of revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

C) Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:-

Note 2:- Useful life of Property, plant and equipment

Note 31:- Defined benefit obligation

Note 5:- Recognition of Deferred taxes

D) Measurement of Fair Values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. the fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

E) Property, Plant and Equipment (PPE)

Recognition and Measurement

PPE is measured on initial recognition at cost net of taxes/duties, credits availed, if any, and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE includes borrowing costs directly attributable to acquisition, construction or production of qualifying assets. Qualifying assets are assets which necessarily take a substantial period of time to get ready for its intended use.

Machinery spares that meet the definition of PPE are capitalized and depreciated over the useful life of the principal item of the asset.

Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Derecognition

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the item. Any gain or loss arising on disposal or retirement of item of PPE is determined as the difference between the sale proceeds and the carrying amount of the item and is recognized in the statement of profit or loss in the period in which the PPE is derecognized.

F) Intangible Assets

Intangible Assets are recognized initially at acquisition cost and subsequently carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated lives.

Gains or Losses arising from the retirement or disposal proceeds and the carrying amount of the assets are recognized as income or expense in the Statement of Profit & Loss.

G) Investment Property

Investment property is the property either to earn rental income or for capital appreciation or for both but not for sale in ordinary course of business, use in production or supply of goods or services or for administrative purpose. Investment properties are measured initially at cost, including transaction costs.

Investment properties are derecognized either upon disposal or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period in which the property is derecognized.

H) Transition to Ind AS

On transition to Ind AS, the Company has elected to use the exemption available under Ind AS 101 to continue with the carrying value of all its PPE & Investment Property recognized as at 1st April 2016 (transition date) except land and building measured at Fair Value as deemed cost and use that as its deemed cost as at date of transition.

I) Depreciation

Depreciation on PPE is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II of The Companies Act, 2013.

In case of Electrical Fittings and Laboratory Equipment, Management has estimated useful life to be 15 years, instead of 10 years prescribed in Schedule II of Companies Act, 2013.

In case of Intangible Software, Management has estimated its useful life to be 6 years, as Schedule II does not provide the same.

J) Impairment

An assets is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss is charged to the Profit And Loss Statement in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

K) Foreign Currency Transactions

Transactions denominated in foreign currencies; if any, are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.

Monetary items denominated in foreign currencies at the yearend; if any, are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the yearend rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts; if any, is recognized over the life of the contract.

Non monetary foreign currency items; if any, are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation; if any, is recognized in the Profit And Loss Statement.

L) Financial Instruments

a) Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified into two broad categories:-

- Financial Assets at Fair Value
- Financial Assets at Amortized Cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A financial asset that meets the following two conditions is measured at amortized cost:-

- **Business Model Test:** The objective of the company's business model is to hold the financial asset to collect the contractual cash flows.

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. A financial asset that meets the following two conditions is measured at fair value through OCI:-

- **Business Model Test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit and loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI.

Impairment of financial assets

The company assesses impairment based on Expected Credit Losses (ECL) model at an amount equal to 12 months expected credit losses, or, lifetime expected credit losses, depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial Liabilities

All financial liabilities are initially recognized at fair value and, in case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified as measured at amortized cost or fair value through profit and loss (FVTPL). A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gain or losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on derecognition is also recognized in statement of profit **and loss**.

M) Inventories

Items of Inventories are measured at lower of cost and net realizable value after providing for obsolescence and damage, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incidental to purchase in bringing them to their respective present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

N) Revenue Recognition

Sale of Goods

Revenue from sales are recognized, when risks and rewards of ownership of products are passed on to the customers, which is generally on dispatch/delivery of goods and it can be reliably measured and there is reasonable certainty regarding amount of consideration that will be derived.

Revenue from sale of goods are recognized at the fair value of the consideration received or receivable, net of returns including estimated returns where applicable, and trade discounts, rebates, sales tax and value added tax/GST. .

Other Income

Interest income is recognized using effective interest rate method and on time proportion basis taking into account the amount outstanding and the interest rate applicable.

Dividend income is recognized when right to receive payment is established.

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

Rent income is recognized based on the mutual agreement between the parties on time proportion basis.

Export Incentives under the "Duty Drawback Scheme" are accounted in the year in which the exports are made.

O) Lease Accounting

Leases, where the lessor retains, substantially all the risk and rewards incidental to ownership of the leased assets, are classified as operating lease. Operating lease expense is recognized in the statement of profit and loss on a straight line basis over the lease term. In respect of assets given on lease, lease rentals are accounted on accrual basis in accordance with the respective lease terms.

P) Employee Benefits

Short-Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognized in the statement of Profit and Loss as an expense at the undiscounted amount on an accrual basis.

These benefits include compensated absences such as paid annual leave and performance incentives which are expected to occur within twelve months after the end of the period in which the employee renders the related services.

The cost of compensated absences is accounted as under:-

- a) In case of accumulated compensated absences, when employees render service that increase their entitlement of future compensated absences, and
- b) In case of non-accumulating compensated absences, when the absences occur.

Post-Employment Benefits

Defined Contribution Plans

Defined Contribution Plan is a post-employment benefit plan under which a Company pays specified contributions to a separate entity. Contributions to Employees Provident Fund, Employees State Insurance and Employees' Pension Scheme are as per the Statute and are recognized as expenses during the period in which the employees perform the services.

Defined Benefit Plans

The Company's liability towards Gratuity, which is a defined benefit plan, is determined on the basis of valuations, as at Balance Sheet date, carried out by an independent Actuary. Re-measurement of the net defined benefit liability which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset celling if any (excluding interest) are recognized immediately in the Balance Sheet with a charge or credit recognized in Other Comprehensive Income in the period in which they occur. Re-measurement gains/losses recognized in Other Comprehensive Income is recognized immediately in retained earnings and will be reclassified to statement of Profit and Loss.

Q) Borrowing Costs

Borrowing costs; if any, include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit & Loss statement in the period in which they are incurred.

R) Income Taxes

Income tax expense comprises of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Tax expenses comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rate. Deferred Income tax reflect the current period timing difference between taxable and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, incase there are unabsorbed depreciation or losses, are recognized if there is virtual certainty that sufficient future taxable income will be available to realize the same.

Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

Minimum Alternate Tax Credit (MAT Credit) is recognized as an asset only when and to the extent that,there is convincing evidence that, Company will pay normal tax during the specified period. Such asset is reviewed at each Balance sheet date and the carrying amount of the MAT Credit asset is written down to the extent there is no longer convincing evidence to the effect that, Company will pay normal income tax during the specified period.

S) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that there will be an outflow of resources required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimate.

Contingent Liabilities are disclosed unless the possibility of outflow of resources is remote.

Contingent Assets are neither recognized nor disclosed in the financial statements.

Weighted average number of shares outstanding as at period end	50,984,383	50,984,383
Earnings Per Share		
Basic EPS	3.21	4.02

30 Commitments and Contingencies

30 a Operating Leases

The company is a lessor and a lessee, in both the cases either of the party can terminate the agreement by giving the notice of 3 months and hence it is a cancellable lease, so the disclosure requirement of Ind AS 17 showing minimum lease payment for less than 1 year between more than 1 year and less than 5 year, and more than 5 years is not applicable.

30 b Contingent Liabilities

	March 31, 2018	March 31, 2017
	₹	₹
Sales Tax	39,267,534	32,635,074
Excise, Custom and Service Tax	40,903,885	103,949,906
Guarantees given by Banks	3,946,767	-
	84,118,186	136,584,980

31 Defined Benefit Obligation

GRATUITY - The Company has a defined benefit gratuity plan for its employees. Every employee who has completed five years of service or more gets a gratuity on resignation or death or retirement at 15 days of last drawn salary for each completed year of service.

COMPENSATED ABSENCES - The Compensated Absence Scheme of the Company is not funded, but the appropriate liability is provided in the Balance Sheet. On retirement or resignation every employee gets the amount of last drawn salary for the total accumulated leave as that date.

The following tables summarize the components of net benefit expense recognized in the Statement of profit and loss and the funded status and amounts recognized in the Balance sheet for the respective plans.

Net employee benefit expense recognised in employee cost

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
Current Service Cost	6,297,253	5,282,630
Net Interest	707,215	521,543
Past Service Cost - (Vested Benefits)	690,521	-
Expected Return on Plan Assets	-	-
Net Benefit Expense	7,694,989	5,804,173

Other Comprehensive Income

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
Actuarial (Gain)/Loss recognized for the period	(4,473,239)	2,887,832
Return on Plan Assets excluding net interest	(133,655)	(57,862)
Re-measurement (Gain)/Loss on Defined Benefit Plans	(4,606,894)	2,829,970

Net Asset/(Liability) recognised in the Balance Sheet

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
Present Value of Defined Benefit Obligation at the end of the period	(27,820,207)	(27,204,146)
Fair Value of Plan Assets	17,595,856	13,550,356
Net Asset/(Liability) recognised in the Balance Sheet	(10,224,351)	(13,653,790)

Changes in the Present Value of the Defined Benefit Obligation are as follows:

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
PVO at beginning of the period	27,204,146	21,061,639
Interest Cost	1,729,084	1,451,091
Current Service Cost	6,297,253	5,282,630
Past Service Cost - Vested Benefits	690,521	-
Benefits Paid	(3,627,558)	(3,479,046)
Actuarial (Gain)/Loss on Obligation	(4,473,239)	2,887,832
Present Value of Obligations at the end of the Period	27,820,207	27,204,146

Changes in Fair Value of Plan Assets

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
Opening Fair Value of Plan Assets	13,550,356	12,191,992
Adjustment to opening Fair Value of Plan Asset	20,139	-
Return on Plan Assets excl Interest Income	133,655	57,862
Interest Income	1,021,869	929,548
Contributions by Employer	6,497,395	3,850,000
Benefits Paid	(3,627,558)	(3,479,046)
Closing Fair Value of Plan Assets	17,595,856	13,550,356

The principal assumptions used in determining gratuity for the Company's plans are shown below:

	As at	
	March 31, 2018 ₹	March 31, 2017 ₹
Discount Rate	7.33%	6.81%
Rate of Increase in Compensation Level	6.00%	7.00%
Expected Rate of Return on Assets	6.81%	7.51%
Employee Attrition Rate (Past Service)	PS 0-40 - 5%	PS 0-26 - 2%
		PS 26-40 - 1%

Estimate of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, increments and other relevant factors, such as supply and demand in employment market 100% of the Plan Asset(Gratuity) is entrusted to ICICI Prudential Life Insurance Co. Ltd. under their Group Gratuity Scheme.

Total	4,080,461,661	3,299,656,928

Segment Composition :

Manufacturing Segment includes Manufacturing and Marketing of Lubricating Oils, Greases etc. Trading Segment includes trading activities through Base Oil and Coal Trading.

As per Ind AS 108 paragraph 34 requires entities to disclose information about its major customers i.e. those contributing 10% or more of its total amount of revenue. There were no Customer contributing 10% or more of the Company's total amount of revenue in any of the three years reported.

34 Capital Management

For the purpose of company's capital management, equity includes equity share capital and all other equity reserves attributable to the equity shareholders of the company. The Company manages its capital structure and makes adjustments in light of changes in economic conditions or its business requirements. The Company's objectives are to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximise the shareholders value. The Company funds its operations through internal accruals. The management and the Board of Directors monitor the return on capital as well as the level of dividends to shareholders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio between 30% to 50%. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents.

As at March 31, 2016, March 31, 2017 and March 31, 2018, the Company has only one class of equity shares and has debt, consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the company allocates its capital for distribution of dividend or re-investment into business based on its long term financial plans.

The debt equity for the year is as under:

	As at March 31, 2018 ₹	As at March 31, 2017 ₹	As at April 01, 2016 ₹
Total Debt	1,227,167,880	802,879,678	1,173,796,084

35 FIRST-TIME ADOPTION OF INDIAN ACCOUNTING STANDARDS ('Ind AS')

These are the company's first financial statements prepared in accordance with Ind AS

These financial statements, for the period ended March 31, 2018, are the first financial statements the Company has prepared in accordance with Ind AS. The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from April 1, 2017, with a transition date of April 1, 2016. The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Company has prepared financial statements which comply with Ind AS for the period ended March 31, 2018, together with the comparative information as at and for the year ended March 31, 2017 and the opening Ind AS Balance Sheet as at April 1, 2016, the date of transition to Ind AS. In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its financial statements prepared under previous GAAP, including the Balance Sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2017.

Transition to Ind AS - Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101

1. Reconciliation of Equity as at April 1, 2016 and as at March 31, 2017
2. Reconciliation of Net Profit for the year ended March 31, 2017

The presentation requirements under Previous GAAP differ from Ind AS, and hence, previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The regrouped previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

Explanation to transition to Ind AS

Optional exemptions availed

Deemed Cost

IND-AS 101 permits a first – time adopter to elect to continue with the carrying value for all of its property, plant and equipment and Investment Property as recognized in the Ind AS financial statements as at the date of transition to IND-AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to continue with the carrying value determined in accordance with Indian GAAP for all its plant, property & equipment and intangible assets as deemed cost of such assets at the transition date except for Land and Building which are recognized at Fair Value as a Deemed Cost.

Functional currency

Items included in the financial statements of the company are recorded using the currency of the primary economic environment in which the company operates (the 'functional currency'). The financial statements are prepared in INR, the functional currency of the company.

De-recognition of Financial Assets and Liabilities

IND-AS 101 requires a first – time adopter to apply the de-recognition provisions of IND-AS 109 prospectively for transactions occurring on or after the date of transition to IND-AS. However, IND-AS 101 allows a first – time adopter to apply the de – recognition requirements in IND-AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply IND-AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the de-recognition provisions of IND-AS 109 prospectively from the date of transition to IND-AS.

Foreign Currency Monetary Items

There are no foreign currency monetary items.

Mandatory Exceptions from Retrospective Application

The Company has applied the following exceptions to the retrospective application of Ind AS as mandatorily required under Ind AS 101:

1. Estimates

The estimates at 1st April, 2016 and at 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the Impairment of financial assets based on expected credit loss model.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions at 1st April, 2016, the date of transition to Ind AS and as of 31st March, 2017.

2. Classification and Measurement of Financial Assets

The classification of financial assets to be measured at amortised cost or fair value through Other Comprehensive Income is made on the basis of the facts and circumstances that existed on the date of transition to Ind AS.

35A Reconciliation between previously Indian GAAP (IGAAP) and Ind AS

Ind AS 101 requires an entity to reconcile equity, other comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from erstwhile Indian GAAP and IND AS

i Reconciliation of Equity between IGAAP and Ind AS

Particulars	As at April 01, 2016
Total shareholder fund as per previous GAAP	1,399,323,064
Proposed Dividend Account	5,098,438
Corporate Dividend Tax	1,037,940
Increase in Fair Value of Land	229,592,920
Increase in Fair Value Building	52,212,088
Deferred Tax Asset / (Liability) on Building	(18,070,604)
Total shareholder fund as per Ind AS	1,669,193,847

Particulars	As at April 01, 2017
Total shareholder fund as per previous GAAP	1,531,842,147
Increase in Fair Value of Land	229,592,920
Increase in Fair Value Building	52,212,088
Deferred Tax Asset / (Liability) on Building	(17,384,954)
Proposed Dividend Account	38,238,287
Corporate Dividend Tax	7,784,390
Depreciation on Building	(1,981,076)
Total shareholders' fund as per IND-AS	1,840,303,802

ii **Reconciliation of Net Profit after taxes previously reported under IGAAP and the Total Comprehensive Income as per Ind AS**

Particulars	For year ended March 31, 2017
Net profit after tax as per IGAAP	202,293,250
Depreciation on Building	(1,981,076)
DTL Reversal on Building	685,648
Actuarial gain on employee defined benefit plan recognised in OCI	2,829,797
Tax impact on above	979,393
Net profit after tax as per Ind AS	204,807,012
Other Comprehensive Income	
Remeasurement of Defined Benefit Plan	(2,829,797)
Tax impact on above	(979,393)
Total Comprehensive Income under Ind AS	200,997,822

Tax as per effective tax rate in India	88,219,358	107,132,578
Tax effect of adjustment for Profit	70,751	1,411,863
Income Tax Expense recognised in the Profit and Loss Account	88,290,109	108,544,442

39 Financial Risk Management Objectives and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Risk Management committee

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including deposits and loans and borrowings.

The company manages market risk through Risk Management committee, which evaluates and exercises independent control over the entire process of market risk management. The committee recommends risk management objectives and policies, which are approved by Risk Management and Board.

a Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market Risk comprises three types of risk: Interest Rate Risk, Currency Risk and Other Price Risk, such as Commodity Risk. Financial Instruments affected by Market Risk include Loans and Borrowings, Deposits and FVTOCI Investments.

The sensitivity analyses in the following sections relate to the position as at 31 March 2018 and 31 March 2017

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 18 and 31 March 2017.

The sensitivity of equity is calculated by considering the effect of any associated cash flow hedges at 31 March 2018 for the effects of the assumed changes of the underlying risk

i) Interest Rate Risk

Interest Rate Risk is the risk that the Fair Value or Future Cash Flow of a financial instrument will fluctuate because of changes in market interest rates. In order to balance the company's position with regards to interest income and interest expense and to manage the interest rate risk treasury performs a comprehensive interest rate risk management.

The company is not exposed to significant interest rate risk as at the respective reporting dates.

ii) Foreign Currency Risk

Foreign currency risk mainly arises from transactions undertaken by an operating unit denominated in currencies other than its functional currency. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency). The Company manages its foreign currency risk by converting the foreign currency exposure into INR on the date of entering into the transaction.

The carrying amounts of the Company's financial assets and financial liabilities denominated in foreign currencies at the reporting date are as follows:

Particulars	As at			
	31 st March 2018		31 st March 2017	
	USD	₹	USD	₹
Trade Receivables	852,488	54,918,128	120,266	7,850,695
Cash and Cash equivalents	132,190	8,615,458	106,208	6,887,576
Other Financial Assets	97,282	6,191,590	133,579	8,768,600
Net Exposure for Assets	1,081,960	69,725,176	360,052	23,506,871
Financial Liabilities				
Borrowings	16,778,079	1,119,051,996	9,104,606	653,037,391
Other Financial Liabilities	1,531,381	99,314,149	3,833,052	270,346,448
Net Exposure for Liabilities	18,309,460	1,218,366,145	12,937,658	923,383,839
Net exposure (Assets-Liabilities)	(17,227,500)	(1,148,640,969)	(12,577,605)	(899,876,968)

The following table details the Company's sensitivity to a 1% increase and decrease in the functional currency against the relevant foreign currencies of all the companies in the Company.

1% is the sensitivity rate used when reporting foreign currency risk and represents management's assessment of the reasonably possible change in foreign exchange rates.

The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 1% change in foreign currency rates. A positive number below indicates an increase in profit and other equity where the respective functional currency strengthens by 1% against the relevant foreign currency. For a 1% weakening of the functional currency against the relevant currency, there would be an equal and opposite impact on the profit and other equity, and the balances below would be negative:

Effect in INR	As at	
	March 31, 2018	March 31, 2017
	₹	₹
USD impact @ 1% Increase in Foreign Currency	(11,486,410)	(8,998,770)
USD Impact @ 1% Decrease In Foreign Currency	11,486,410	8,998,770

Credit Risk

Credit Risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the company periodically assesses the financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial Assets are written off when where there are no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. When such recoveries are made, these are then recognized as income in the statement of profit and loss.

The company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates.

Ageing of Accounts Receivables

	As at		
	March 31, 2018	March 31, 2017	March 31, 2016
	₹	₹	₹
Less than 180 days	1,362,917,905	1,245,541,476	1,396,389,108
More than 180 days	55,385,135	44,537,509	24,737,678

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low.

The following tables detail the Company's remaining contractual maturity for its financial liabilities. The tables have been drawn up based on the cash flows of financial liabilities based on the earliest date on which the Company can be required to pay:

Maturity Analysis of Significant Financial Liabilities

(Amount in ₹)

As at March 31, 2018	Contractual Cash Flows				
	Total	Up to 1 year	1-3 years	3-5 years	More than 5 years

Other Financial Liabilities	12,951,067	12,951,067	-	-	-

40 Standard issued but not effective

IND AS 115 - Revenue From Contract With Customers

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018. In which, it has notified the Ind AS 115, Revenue from Contract with Customers. The objective of this standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with customer. The core principle of this Standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

This standard will come into force from April 1, 2018. As per the evaluation of the management of the company, the effect on adoption of Ind AS 115 will not be material.

As per our Report of even date.
