## NOTES:

1. The Ministry of Corporate Affairs ('MCA') has vide its General Circular no. 09/2024 dated September 19, 2024 all other relevant circulars issued from time to time in continuation to this Ministry's General Circular No. 20/2020 dated May 05, 2020, General Circular No. 02/2022 dated May 05, 2022, General Circular No. 10/2022 dated December 28, 2022 and General Circular 09/2023 dated September 25, 2023 (collectively referred to as 'MCA Circulars') permitted the holding of the Annual General Meeting ('AGM') through Video Conferencing ('VC') facility or other audio visual means ('OAVM'), without the physical presence of the Members at a common venue. Similar relaxation has been provided by the Securities and Exchange Board of India vide its circulars no. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 03, 2024 and all other relevant circulars issued from time to time ('collectively referred to as SEBI Circulars').

Accordingly, in compliance with the applicable provisions of the Companies Act, 2013 ("Act") read with the aforesaid MCA Circulars and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM is being held through VC/OAVM and the members can attend and participate in this AGM through VC/OAVM.

2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC/OAVM pursuant to the aforesaid MCA and SEBI Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed to this Notice.
3. In terms of the provisions of Section 113 of the Act read with the aforesaid MCA Circulars Institutional/Corporate Shareholders (i.e. other than individuals, HUF, NRI etc.) are entitled to appoint their authorized representatives to attend the AGM through VC/OAVM on their behalf and participate thereat, including cast votes by electronic means (details of which are provided separately in this notice). Such corporate members are requested to refer 'General Guidelines for shareholders' provided in the notice, for more information.
4. The Register of Members of the Company and the Share Transfer Books shall remain closed from July 25, 2025 to July 31, 2025 (both days inclusive) for the purpose of Annual General Meeting.
5. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned

Depository Participant and holdings should be verified carefully.

6. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their Demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
7. The attendance of the Members at the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. The members, seeking any information with regard to the accounts or any matter to be placed at the AGM or having any questions in connection with the matter placed at AGM, are requested to send email to the Company on or before July 25, 2025, on [cs\\_jphoto@jindalgroup.com](mailto:cs_jphoto@jindalgroup.com). The same will be replied suitably.
9. Pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard – 2 on General Meetings, brief profile and other details of Directors seeking appointment/re-appointment are **provided in the “Annexure 1” to this Notice**.
10. In case of joint holders attending the Meeting. Only such joint holder who is higher in the order of names will be entitled to vote.
11. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form at earliest.
12. Members holding shares under different Folio Nos. in the same names are requested to apply for consolidation of folios and send relevant original share certificates to the Company's RTA for doing the needful.
13. In compliance with MCA Circulars, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice of AGM and Annual Report for FY 2024-25 will also be available on the Company's website [www.jindalphoto.com](http://www.jindalphoto.com) and websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively, and on the website of MUFG Intime India Private Limited at <https://in.mpms.mufg.com/>.  
Members of the Company holding shares either in physical form or in Dematerialised forms as on Benpos date i.e. **Monday, June 30, 2025** will be sent Annual Report through electronic mode.
14. Members who wish to inspect statutory registers required to be made available/kept open for inspection at AGM and Relevant documents referred to in this Notice of AGM can send an email to [cs\\_jphoto@jindalgroup.com](mailto:cs_jphoto@jindalgroup.com).
15. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice. The deemed venue for the AGM will be the Registered Office of the Company.
16. Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses for receiving all communications including Annual Report, Notices, Circular, etc. from the Company in electronic mode.
17. Pursuant to Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the dividend, which remains unpaid or unclaimed for a period of 7 years from the date of transfer to the unpaid dividend account of the Company, is required to be transferred to IEPF. Further, all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more are required to be transferred by the Company to the demat account to IEPF Authority. Accordingly, Company has transferred unpaid dividend amount and shares to IEPF in earlier years. However, Company was not required to transfer of unpaid dividend amount and shares during the year 2024-25 to IEPF.

# Jindal Photo Limited

18. Any person whose share(s)/unpaid dividend is transferred to the IEPF Fund may claim the share(s)/ dividend from the Investor Education and Protection Fund Authority ("IEPF Authority") pursuant to the provisions of Section 124 and 125 of the Act by submitting an online application in Form IEPF-5 available on the website [www.iepf.gov.in](http://www.iepf.gov.in). Simultaneously, claimant shall be required to submit a copy of Form IEPF-5 submitted with IEPF Authority duly signed and accompanied by all requisite documents to the Company at its head office address at Plot No. 12, Local Shopping Complex, Sector B-1, Vasant Kunj, New Delhi-110070 in an envelope marked as "Claim for refund from IEPF Authority" for verification. You are requested to go through the provisions of Section 124 and 125 of the Act and the Rules, as amended and also the information provided on the website [www.iepf.gov.in](http://www.iepf.gov.in). You may also write to the Company or Company's RTA for any further information / clarification in this regard.
19. In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (LODR) Regulations, 2015, the Company has provided members the facility to exercise their right to vote on resolutions proposed to be considered at the ensuing Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by MUFG Intime India Private Limited (MI IPL).
20. The remote E-voting facility will be available during the following voting period:  
Commencement of E-voting: From 9:00 a.m. (IST), on Monday, **July 28, 2025**, and End of E-voting: Up to 5:00 p.m. (IST), on Wednesday, **July 30, 2025**.
21. E-voting shall not be allowed beyond 5:00 p.m. (IST) on **July 30, 2025** and shall be disabled by Mufg Intime India Private Limited for voting thereafter.
22. During the e-voting period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on **July 24, 2025** may cast their vote electronically.
23. Explanatory Statement pursuant to the provisions of Section 102 of the Act in respect of special business to be transacted at the meeting is annexed hereto. Further, additional information as required under the SEBI (LODR) Regulations and Circulars issued thereunder are also annexed.

rotation. One-third of these Directors must retire from office at each AGM, but each retiring Director is eligible for re-election at such meeting. Independent Directors are not subject to retirement by rotation.

Mr. Prakash Matai is now required to retire by rotation at this AGM and being eligible, has offered himself for re-appointment.

Keeping in view Mr. Prakash Matai's extensive experience, a proven track record, growth-oriented mindset and unwavering commitment to ensuring client satisfaction, the Board of Directors is of the opinion that it would be in the interest of the Company to re-appoint him as a Director of the Company.

Additional information in respect of Mr. Prakash Matai, pursuant to Regulation 36 of the Listing Regulations and the Secretarial Standard on General Meetings (SS-2), is given as part of Annexure 1 to this Notice. Brief profile of Mr. Prakash Matai is given as Annexure 2 to this Notice.

Save and except the above, None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 2. The Board of Directors recommends the resolution as set out in Item No. 2, for approval of the Members of the Company by way of an Ordinary Resolution.

## **Item No. 3 Re-appointment of Mr. Suresh Chander Sharma (DIN: 00006394) as Director of the Company.**

Mr. Suresh Chander Sharma (DIN: 00006394) was appointed as Independent Director on the Board of your Company at the 17<sup>th</sup> AGM of the Company w.e.f. May 04, 2020 for a period of 5 years to hold office upto May 03, 2025.

On the basis of performance evaluation of Independent Directors and taking into account the knowledge, acumen, experience and substantial contribution made by Mr. Suresh Chander Sharma, the Nomination and Remuneration Committee (NRC) in its meeting held on May 02, 2025 has recommended to the Board that his continued association as Independent Director of the Company would be beneficial to the Company.

In compliance of the Section 149, 178 of the Companies Act, 2013 read with Rules made thereunder and any other applicable provisions of the Companies Act, 2013 and Regulations 17(1C) of the SEBI (LODR) Regulations, 2015 and any other applicable statutory provisions [including any statutory modification(s) or amendment(s) thereto or re-enactment(s) thereof for the time being in force], the Board of Directors of the Company, subject to the approval of the Shareholders at the ensuing Annual General Meeting has appointed Mr. Suresh Chander Sharma (DIN 00006394) for his second term of 5 years as Director in the category Non-executive Independent w.e.f. May 04, 2025. His office shall not liable to retire by rotation.

The letter of appointment containing the terms and conditions of appointment of the above Director shall be open for inspection by any member at the Registered Office during normal business hours on any working day of the Company. Other details in accordance with Regulation 36 (3) of SEBI (LODR) Regulations are provided as annexure to this notice

Save and except the above, None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3. The Board of Directors recommends the resolution as set out in Item No. 3, for approval of the Members of the Company by way of a Special Resolution.

## **Item No. 4 To Appoint M/s Pragnya Pradhan & Associates, Practicing Company Secretaries, as Secretarial Auditors of the Company**

Pursuant to Section 204 of the Companies Act, 2013 read with rules made thereunder and Regulation 24A of the Listing Regulations, a listed entity shall appoint or re-appoint an individual as a Secretarial Auditor, on the basis of the recommendation of the Audit Committee and the Board of Directors, for not more than one term of five consecutive years or a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years, with the approval of its shareholders in the Annual General Meeting.

## REPORT ON CORPORATE GOVERNANCE

### 1. Company's Philosophy on Corporate Governance

The company has always focused on good corporate practices, which are key drivers of sustainable growth and long-term value creation for its shareholders. The company believes that corporate governance is not limited to merely creating checks and balances. It is more about creating organizational excellence leading to increase in employee and customer satisfaction and long-term shareholders' value without compromising on ethical standards.

### 2. Board of Directors

As on March 31, 2025, the Board was duly constituted comprising of 6 (Six) Directors consisting of one Executive and five Non-Executive Directors out of which two were Non-Executive Independent Directors. There was one women director.

The Non-Executive Directors bring objective and independent perspective in Board deliberations and decisions as they have a wider view of external factors affecting the Company and its business. These directors make a constructive contribution to the Company by ensuring fairness and transparency while considering the business plans devised by the management team.

All the Independent Directors have requisite knowledge of business, in addition to the expertise in their area of specialization. The Company has received declaration from each of the Independent Directors confirming that he meets the criteria of independence as defined under the Companies Act, 2013 (the Act) and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board of Directors, the Independent Directors fulfil all the conditions as specified in the Listing Regulations and are independent of the management. The Board of the Company after taking these declarations on record and acknowledging the veracity of the same, concluded that the Independent Directors are persons of integrity and possess the relevant proficiency, expertise and experience to qualify as Independent Directors of the Company and are Independent of the Management of the Company. The Company has issued letters of appointment to the Independent Directors and the terms and conditions of their appointment have been uploaded on the website of the Company.

The brief resume and other requisite details of the Director proposed to be re-appointed/appointed is given in the notice convening the ensuing AGM. In accordance with the provisions of Section 150 of the Act read with the applicable Rules made thereunder, the Independent Directors of the Company have registered themselves in the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs, Manesar ["IICA"]. The Independent Directors of the Company are exempted to pass an online proficiency self-assessment test conducted by IICA. All the Independent Directors have submitted declarations that they meet the criteria of independence as provided under Section 149 of the Companies Act, 2013 and the Listing Regulations.

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

### Industry Overview and Development

The Company is a Core Investment Company under Core Investment Companies (Reserve Bank) Directions, 2016 not required to get registered with RBI. Company holds investment mainly in power sector group companies. The performance of the investments mainly relies on the economic developments and the performance of the investee companies and its profits. The Company's revenue also primarily depends on the movements in the value of the investee companies. Investments outside the group can only be made in specified short term securities like money market instrument including money market Mutual Fund.

### Industry Overview (Power Sector)

In FY 2024-25, India's power sector witnessed significant progress across energy generation, transmission, and distribution sectors. Per capita electricity consumption surged to 1,395 kWh in 2023-24, reflecting a 45.8% increase (438 kWh) from 957 kWh in 2013-14 (Source: PIB). The sector demonstrated resilience by being able to reduce both monthly energy and peak demand shortages to an average of 0.09% and 0.03% in FY 2024-25 (Source: CEA). Energy requirements, grew by 4.2%, reaching 1,695 billion units (BU) (Source: CEA).

### Operational and Financial Performance

Details of Financial Results and Operations of the Company are given as under:

(Rs. in Lakhs)

Particulars	Standalone		Consolidated	
	2024-25	2023-24	2024-25	2023-24

The financial results of the Company have been prepared in accordance with The Companies (Indian Accounting Standards) Rules, 2015 as amended, prescribed under section 133 of the Companies Act, 2013.

### Outlook

Outlook and performance of the Company in the coming year will be better as the Company is having investment in group companies in power sector which are doing well.

### Opportunities and Threats

The Company depends on the capital appreciation from the investments done by the Company. Thus, better performance of the investee companies may be beneficial for the Company while on the other hand, any failure by any investee Company to earn profits or distribute dividends or provide capital appreciation can impact the revenue stream of the Company. As the Company holds major investment in Power Sector which is doing well and any favourable policy of the Government in power Sector may prove boon to the Company on the contrary any unfavourable policy of the Government will affect the profitability of the investee Company and will be threat to the Company.

### Performance

Financial Parameters of the Company are provided in the Board report under the head Financial Result and Operations in details. The Company continues to carry on the business as Core Investment Company and for that purpose it plans

# Jindal Photo Limited

to invest in, acquire, subscribe for and hold shares, bonds, units, stocks, securities, debentures in group Companies and/or mutual funds.

## Risks and Concerns

Your Company fundamentally has been built on the principle of sound risk management practices, it has successfully weathered the market turbulence and continues to remain resilient. The Audit Committee of the Company reviews the probable risk that may affect the financial position of the Company from time to time.

## Internal Control System and Their Adequacy

As per Section 134(5)(e) of the Companies Act, 2013, the Directors have an overall responsibility for ensuring that the Company has implemented a robust system and framework of internal financial controls. The Company had already developed and implemented a framework for ensuring internal controls over financial reporting.

This framework includes entity-level policies and processes such as code of conduct, confidentiality and whistle blower policy and other policies such as organisation structure, insider trading policy, HR policy, etc. During the year, controls were tested and no reportable material weakness in design and effectiveness was observed.

## Discussion on financial performance with respect to operational performance and significant changes in key financial ratios

## INDEPENDENT AUDITOR'S REPORT

**To the Members of Jindal Photo Limited**

**Report on the Audit of the Standalone Financial Statements**

### **Opinion**

We have audited the standalone financial statements of Jindal Photo Limited ("the Company"), which comprise the balance sheet as at 31st March 2025, the statement of Profit & Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and profit, and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

**We draw attention to:**

- i. *Note 30(c) and 30(d) to the financial statements relating to non-provision of doubtful loans and non-provision of amount recoverable from MCCL, a joint Venture Company due to petition and claims are pending for finalization/settlement.*

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters to communicate other than the matters those are described under the heading Emphasis of Matter.

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report including annexures to Board's Report, If, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

## **Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# Jindal Photo Limited

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:  
  
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company, if any, to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

**Annexure B referred to in Paragraph (II)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date on the standalone Financial Statements**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Jindal Photo Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

## **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:

## Notes to Accounts

### 1 COMPANY INFORMATION

Jindal Photo Limited ('the Company') is a public listed company incorporated under the Companies Act, 1956, and regulated by the Ministry of Corporate Affairs ('MCA') and the Securities and Exchange Board of India (SEBI). It is a Core Investment Company (CIC) engaged in the business of holding investments in the securities of group companies and providing management consultancy.

### 2 MATERIAL ACCOUNTING POLICIES

#### 2.1 Statement of compliance and basis for preparation and presentation of financial statements

These standalone financial statements of the company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/clarifications/directions issued by RBI or other regulators are implemented as and when they are issued/applicable.

#### 2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rs.'), which is also the Company's functional currency. All amounts are rounded off to the nearest lakh, unless otherwise indicated.

#### 2.3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments, which are measured at fair values.

#### 2.4 Measurement of fair values

A number of the company's accounting policies and disclosures require the measurement of fair values for assets and liabilities. The company has established policies and procedures with respect to the measurement of fair values. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets and liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

#### 2.5 Use of estimates and judgements and estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

#### 2.6 Revenue recognition

##### a) Recognition of interest income on loans

Interest income is recognised in the statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract.

Transaction costs include incremental costs that are directly attributable to the acquisition of a financial asset.

The company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer credit impaired, the company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

**b) Rental Income**

Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

**c) Fee and commission income :**

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

**d) Dividend and interest income on investments**

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Interest income from investments is recognised when it is certain that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

## **2.7 Property, Plant and Equipments (PPE)**

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets.

Depreciation on PPE is provided on a straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013, on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income/netted off from any loss on disposal in the Statement of Profit and Loss in the year the asset is derecognised.

## **2.8 Investments in subsidiaries, associates and holding company**

Investments in subsidiaries, associate and holding company are measured at cost/amortised cost less accumulated impairment, if any.

# Jindal Photo Limited

## 2.9 Financial instruments

### a) Recognition and initial measurement

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the statement of profit and loss.

### b) Classification and Subsequent measurement of financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVOCI;
- FVTPL

#### Amortised cost

The company's business model is not assessed on an instrument-by-instrument basis but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding.

#### FVOCI

The company measures instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets.

#### FVTPL

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

#### Subsequent measurement of financial assets

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss.

Any gain and loss on derecognition is recognised in Statement of profit and loss. Debt investments at FVOCI are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified in the statement of profit and loss.

#### Financial liabilities and equity instruments: Classification as debt or equity

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

## **Financial liabilities**

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

### **c) Derecognition**

#### **Financial assets**

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

#### **Financial liabilities**

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in the statement of profit and loss.

### **d) Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

### **e) Impairment of financial instruments**

Equity instruments are not subject to impairment under Ind AS 109.

The company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired.

### **f) Write offs -**

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the company determines that the debtor/borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in the statement of profit and loss.

## **2.10 Employee benefits**

### **a) Short-term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### **b) Contribution to provident fund and ESIC**

The company's contribution paid/payable during the year to the provident fund and ESIC is recognised in the Statement of Profit and Loss.

### **c) Gratuity**

The company's liability, if any, towards the gratuity scheme is determined by independent actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by

discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment/curtailment and recognition of related restructuring costs/termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains/losses - Remeasurement of defined benefit plans, comprising of actuarial gains/losses, return on plan assets excluding interest income, are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to the statement of profit and loss in the subsequent period.

**d) Leave encashment/compensated absences/sick leave**

The company provides for the encashment/availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability, if any, is provided based on the number of days of unutilized leave at each balance sheet date.

## **2.11 Finance costs**

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the statement of profit and loss.

## **2.12 Taxation - current and deferred tax**

Income tax expense comprises of current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

**a) Current tax**

Current tax comprises the amount of tax payable in respect of the taxable income or loss for the year determined in accordance with the Income Tax Act, 1961, and any adjustment to the tax payable or receivable in respect of previous years. The company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

**b) Deferred tax**

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

## 2.13 Provisions

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

## 2.14 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand and balances with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

## 2.15 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, subdivision of shares etc., that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Accordingly Mandakini Coal Company Limited (MCCL), Joint Venture of the Company has claimed compensation of Rs. 24,049.00 Lakhs, which included compensation towards leasehold land and other expenses which are to be received by MCCL from subsequent buyer/allottee of the Coal Mine after the reauction/reallotment of Coal Mine.
- Nominated Authority passed claim of Rs. 22,279.31 Lakhs in favour of MCCL (Company is entitled for 1/3rd claim of Rs. 7,426.44 Lakhs). MCCL has also filed Appeal for the balance compensation before Coal Bearing Tribunal, Talcher for the additional amount of Rs. 13,361.00 Lakhs against land compensation purchased

# Jindal Photo Limited

directly from land owners (Company's claim being 1/3rd i.e. Rs. 4,453.00 Lakhs), which is pending before Tribunal.

Meantime, IFCI lodged their claim before the Nominated Authority towards their loan to MCCL. To stall the said proceedings, Jindal Photo Limited and Tata Power Company Limited have filed writ petitions before Delhi High Court in which status quo order has been passed.

Further, Nominated Authority has now proposed to reduce the compensation to Rs. 15,519.85 Lakhs, from the amount already granted to MCCL i.e. Rs. 22,279.31 Lakhs. Against this proposed action, Jindal Photo Limited and Tata Power Company Limited have filed writ petitions before Delhi High Court and status quo order has been granted by High Court.

- b) On the basis of book value per share of MCCL as per latest unaudited balance sheet certified by management (including claim recoverable as per (a) above), the company has up to March 31, 2025 booked fair valuation loss amounting to Rs. 1,692.89 Lakhs (Rs 1,688.04 Lakhs up to March 31, 2024) against investment of Rs. 3,930.00 Lakhs in shares of MCCL. In the opinion of the management, the provision is adequate.
- c) The company had given interest bearing loan of Rs 537.33 lakhs upto March 31, 2025 (excluding interest receivable of Rs. 21.35 Lakhs upto March 31, 2015) to MCCL, a joint venture of the company. MCCL, due to its worsen financial conditions, has approached the company to waive the interest on loan. The Board has agreed to waive off the interest for the financial year from 2015-16 to 2024-25, hence no provision for interest has been made for financial years from 2015-16 to 2024-25. In the opinion of the Board, the amount due is good and recoverable.
- d) Company had given Corporate Guarantee to IFCI in respect of loan given by IFCI to Mandakini Coal Company Limited (MCCL), a joint venture of the company. Up to 31.3.2018, the company has made payment of Rs 5132 lakh to IFCI to discharge its obligation under the deed of guarantee. The said amount has been shown as recoverable from MCCL in these accounts and no interest has been charged thereon. In the opinion of the Board, the amount is good and recoverable and in view thereof no provision has been created.

- 31 In the opinion of the Board of Directors the current assets, loans and advances are expected to realise at least the amount at which they are stated, if realised in the ordinary course of business and provision for all known liabilities has been adequately made in the accounts.

## 32.2 Fair Value Hierarchy

- a) This section explains the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard.

### Financial assets and liabilities measured at fair value

(Rs. in Lakhs)

Particulars	As at March 31, 2025			
	Level 1	Level 2	Level 3	Total
<b>Financial assets</b>				
<b>Financial Investments at FVTPL</b>				
Investments				
Mutual Funds	315.27	-	-	315.27
Preference Shares and Equity Instruments	-	1,120.68	2,511.13	3,631.81
<b>Total</b>	<b>315.27</b>	<b>1,120.68</b>	<b>2,511.13</b>	<b>3,947.08</b>

(Rs. in Lakhs)

Particulars	As at March 31, 2024			
	Level 1	Level 2	Level 3	Total
<b>Financial assets</b>				
<b>Financial Investments at FVTPL</b>				
Investments				
Mutual Funds	274.91	-	-	274.91
Preference Shares and Equity Instruments	-	318.20	2,347.69	2,665.88
<b>Total</b>	<b>274.91</b>	<b>318.20</b>	<b>2,347.69</b>	<b>2,940.79</b>

Level 1: The hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

**b) Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

**c) Fair value estimation**

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the company's financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the company could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

**Interest-bearing borrowings**

Fair value is calculated based on discounted expected future principal and interest cash flows. The carrying amount of the company's loans due after one year is also considered as reasonable estimate of their fair values as the nominal interest rates on the loans due after one year are variable and considered to be a reasonable approximation of the fair market rate with reference to loans with similar credit risk level and maturity period at the reporting date.

**Trade and other receivables/payables**

Receivables/payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amount for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

**d) Valuation process**

The accounts & finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once in every quarter, in line with the company's quarterly reporting periods.

The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.

# Jindal Photo Limited

- Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the company's internal credit risk management group.
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

## 33 FINANCIAL RISK MANAGEMENT

### a) Risk management framework

In the ordinary course of business, the company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

### b) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers and investments in financial instruments.

The carrying amount of financial assets represents the maximum credit exposure. The company monitor credit risk very closely both in domestic and export market. The management impact analysis shows credit risk and impact assessment as low.

### c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the company can be required to pay. The table includes only principal cash flows.

## d) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2025 and March 31, 2024. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

## Currency risk

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (Rupees). As the company does not possess such asset and does not have foreign commercial transactions the Company is not exposed to foreign exchange risk arising from foreign currency transactions.

## Interest rate risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During March 31, 2025 and March 31, 2024, the Company's borrowings at variable rate were denominated in Rs. Currently the company's borrowings are within acceptable risk levels, as determined by the management, hence the company has not taken any swaps to hedge the interest rate risk.

## INDEPENDENT AUDITOR'S REPORT

**To the Members of Jindal Photo Limited**

**Report on the Audit of the Consolidated Financial Statements**

### **Opinion**

We have audited the accompanying consolidated financial statements of Jindal Photo Limited (hereinafter referred to as the 'Holding Company') and its share of the net profit/(loss) after tax and total comprehensive income of its associates and joint ventures (the Holding Company and its associates and joint ventures together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2025, and the consolidated statement of Profit and Loss and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs as at March 31, 2025, consolidated profit and its consolidated cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

- i. Attention is drawn to Note 30(c) and 30(d) to the financial statements relating to non-provision of doubtful loans and non-provision of amount recoverable from MCCL, a joint Venture Company due to petition and claims are pending for finalization/settlement.
- ii. Attention is drawn to Note 36 to the financial statements which states that Jindal India Powertech Limited (JIPTL) (associate company of the Company) in their meeting held on 25th October 2024 had considered and approved the conversion of Optionally Convertible Preference Shares (OCPS) of face value of Rs. 10 each into 44,02,00,000 equity shares of face value of Rs. 10 each. Pursuant to the aforesaid conversion of OCPS into equity shares, although the number of equity shares held by the Company in the equity share capital of JIPTL remained unchanged, the percentage of equity share capital held by the Company in the equity share capital of JIPTL has changed from 47.54% to 20.11%. Consequently, share of the Company in the net worth of the JIPTL has reduced proportionately which has been considered in other equity and investments.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters to communicate other than the matters those are described under the heading Emphasis of Matter.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the consolidated financial statements and our auditor's report thereon. The Board's Report including Annexures to

Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's report including annexures to Board's Report, If, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

# Jindal Photo Limited

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Other Matters

- a) We did not audit the consolidated financial statements of one associate wherein the Group's share of profit is Rs 22872.11 lakhs and total comprehensive income is Rs 23750.24 lakhs for the year ended 31.03.2025. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion to the extent they have been derived from such financial statements is based solely on the report of such other auditors.
- b) We did not audit the financial statements of one Joint Venture Company wherein the Group's share of loss is (4.85) lakhs and total comprehensive income is Rs 4.85 lakhs for the year ended 31.03.2025. These financial statements have been furnished to us by the Board of Directors and our opinion on the consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these companies is based

solely on such unaudited Financial Statements. In our opinion and according to the information and explanations given to us by the Board of Directors, these Financial Statements are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

## Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate report in Annexure B. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the group's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

**Annexure B referred to in Paragraph (I)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31 2025, we have audited the internal financial controls over financial reporting of Jindal Photo Limited (hereinafter referred to as “the Holding Company”) incorporated in India, as of that date.

## **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the of the Holding company are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

# Jindal Photo Limited

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Holding Company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

## NOTES TO ACCOUNTS

### 1.1 Company Information

Jindal Photo Limited ('the Company') is a public listed company incorporated under the Companies Act, 1956, and regulated by the Ministry of Corporate Affairs ('MCA') and the Securities and Exchange Board of India (SEBI). It is a Core Investment Company (CIC) engaged in the business of holding investments in the securities of group companies and providing management consultancy.

### 1.2 Basis of Consolidation

#### a) Subsidiary

There is no subsidiary company during the year, which has been considered for the purposes of Consolidation.

#### b) Associate

i) Investment in Associate has been accounted for under the equity method from the date on which the investee fall within the definition of an associate. On acquisition, as the case may be, the difference between the cost of acquisition and the share of Jindal Photo Limited in the equity of the associate has been described as goodwill or capital reserve and included in the carrying amount of the investment in the associates. The carrying amount in investment is adjusted thereafter for the post acquisition change in the investor share of net assets of the investee. An associate is an enterprise in which the investor has significant influence and which is neither a subsidiary nor a joint venture.

## 2 MATERIAL ACCOUNTING POLICIES

### 2.1 Statement of compliance and basis for preparation and presentation of financial statements

These consolidated financial statements of the company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/clarifications/directions issued by RBI or other regulators are implemented as and when they are issued/applicable.

### 2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rs.'), which is also the Company's functional currency. All amounts are rounded off to the nearest lakh, unless otherwise indicated.

### 2.3 Basis of measurement

The financial statements have been prepared on the historical cost basis except for certain financial instruments, which are measured at fair values.

## 2.4 Measurement of fair values

A number of the company's accounting policies and disclosures require the measurement of fair values for assets and liabilities. The company has established policies and procedures with respect to the measurement of fair values. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets and liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

## 2.5 Use of estimates and judgements and estimation uncertainty

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

## 2.6 Revenue recognition

### a) Recognition of interest income on loans

Interest income is recognised in the statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost, debt instruments measured at FVOCI and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of a financial asset.

The company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

When a financial asset becomes credit-impaired, the company calculates interest income by applying the effective interest rate to the net amortised cost of the financial asset. If the financial asset cures and is no longer credit impaired, the company reverts to calculating interest income on a gross basis.

Additional interest and interest on trade advances are recognised when they become measurable and when it is not unreasonable to expect their ultimate collection.

Income from bill discounting is recognised over the tenure of the instrument so as to provide a constant periodic rate of return.

### b) Rental Income

Income from operating leases is recognised in the Statement of profit and loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased asset is diminished.

### c) Fee and commission income:

Fee based income are recognised when they become measurable and when it is probable to expect their ultimate collection.

Commission and brokerage income earned for the services rendered are recognised as and when they are due.

## **d) Dividend and interest income on investments**

Dividends are recognised in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Interest income from investments is recognised when it is certain that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

## **2.7 Property, Plant and Equipments (PPE)**

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any. Assets held for sale or disposals are stated at the lower of their net book value and net realisable value.

Advances paid towards the acquisition of PPE outstanding at each balance sheet date are disclosed separately under other non-financial assets.

Depreciation on PPE is provided on a straight-line basis in accordance with the useful lives specified in Schedule II to the Companies Act, 2013, on a pro-rata basis.

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in other income/netted off from any loss on disposal in the Statement of Profit and Loss in the year the asset is derecognised.

## **2.8 Financial instruments**

### **a) Recognition and initial measurement**

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the statement of profit and loss.

### **b) Classification and Subsequent measurement of financial assets**

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVOCI;
- FVTPL

#### **Amortised cost**

The company's business model is not assessed on an instrument-by-instrument basis but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding.

#### **FVOCI**

The company measures instruments at FVOCI when the instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets.

## **FVTPL**

All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

### **Subsequent measurement of financial assets**

Financial assets at amortised cost are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss.

Any gain and loss on derecognition is recognised in Statement of profit and loss. Debt investments at FVOCI are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified in the statement of profit and loss.

### **Financial liabilities and equity instruments: Classification as debt or equity**

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

### **Financial liabilities**

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

## **c) Derecognition**

### **Financial assets**

The company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

### **Financial liabilities**

A financial liability is derecognised when the obligation in respect of the liability is discharged, cancelled or expires. The difference between the carrying value of the financial liability and the consideration paid is recognised in the statement of profit and loss.

## **d) Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## **e) Impairment of financial instruments**

Equity instruments are not subject to impairment under Ind AS 109.

# Jindal Photo Limited

The company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired.

**f) Write offs -**

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the company determines that the debtor/borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in the statement of profit and loss.

## **2.9 Employee benefits**

**a) Short-term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**b) Contribution to provident fund and ESIC**

The company's contribution paid/payable during the year to the provident fund and ESIC is recognised in the Statement of Profit and Loss.

**c) Gratuity**

The company's liability, if any, towards the gratuity scheme is determined by independent actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. Past services are recognised at the earlier of the plan amendment/curtailment and recognition of related restructuring costs/termination benefits.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains/losses - Remeasurement of defined benefit plans, comprising of actuarial gains/losses, return on plan assets excluding interest income, are recognised immediately in the balance sheet with corresponding debit or credit to Other Comprehensive Income (OCI). Remeasurements are not reclassified to the statement of profit and loss in the subsequent period.

**d) Leave encashment/compensated absences/sick leave**

The company provides for the encashment/availment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability, if any, is provided based on the number of days of unutilized leave at each balance sheet date.

## **2.10 Finance costs**

Finance costs include interest expense computed by applying the effective interest rate on respective financial instruments measured at amortised cost. Financial instruments include bank term loans, non-convertible debentures, fixed deposits mobilised, commercial papers, subordinated debts and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Finance costs are charged to the statement of profit and loss.

## **2.11 Taxation - current and deferred tax**

Income tax expense comprises of current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

## a) Current tax

Current tax comprises the amount of tax payable in respect of the taxable income or loss for the year determined in accordance with the Income Tax Act, 1961, and any adjustment to the tax payable or receivable in respect of previous years. The company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

## b) Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

## 2.12 Provisions

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

## 2.13 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand and balances with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

## 2.14 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, subdivision of shares etc., that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

27. It is management's perception that since the company is exclusively engaged in the activity which are governed by the same set of risks and returns the same are considered to constitute a single reportable segment in the context of Ind AS 108 "Operating Segments" issued by the Institute of Chartered Accountants of India.
28. The fair value of investments in shares of Jindal India Power Limited (Formerly known as Jindal India Thermal Power Limited) as on March 31, 2025 has been determined on the basis of valuation of shares as on March 31, 2025 report by IBBI Registered Valuer. During the financial year 2024-25, the company has booked fair valuation gain amounting to Rs. 802.49 Lakhs (previous year Rs 198.95 Lakhs). Till March 31, 2025, the company has booked fair valuation gain amounting to Rs. 933.59 Lakhs (previous year Rs. 131.11 Lakhs) against investment of Rs 187.09 Lakhs in equity shares of Jindal India Power Limited.
29. a) During the previous year, pursuant to scheme of Arrangement between Concatenate Advest Advisory Private Limited (Demerged Company) and Concatenate Flexi Films Advest Private Limited (Resulting Company No.-1), Concatenate Imaging Advest Private Limited (Resulting Company No.-2), Concatenate Metals Advest Private Limited (Resulting Company No.-3) and Concatenate Power Advest Private Limited (Resulting Company No.-4) as sanctioned by order of Hon'ble National Company Law Tribunal, Kolkata dated September 22, 2023, equity shares and preference shares of the company held by Concatenate Advest Advisory Private Limited (demerged company) stands transferred to Concatenate Power Advest Private Limited (Resulting Company No.-4). Accordingly, the Concatenate Power Advest Private Limited (Resulting Company No.-4) has become holding company and also become part of the promoter's group of the Company.
- b) Further, in lieu of investment held by the company in 1% NCRPS of Concatenate Advest Advisory Private Limited (demerged company), the company has been allotted 1% NCRPS of Concatenate Advest Advisory Private Limited (demerged company) and Concatenate Flexi Films Advest Private Limited (Resulting Company No.-1), Concatenate Imaging Advest Private Limited (Resulting Company No.-2), Concatenate Metals Advest Private Limited (Resulting Company No.-3) and Concatenate Power Advest Private Limited (Resulting Company No.-4) proportionately as per the scheme of demerger sanctioned by order of Hon'ble National Company Law Tribunal, Kolkata dated September 22, 2023 on the same terms and conditions.
30. a) In terms of Judgement of Hon'ble Delhi High Court dated March 09, 2017, the Ministry of Coal vide its Circular dated February 01, 2018 asked allocattees to file claims with regard to Compensation of Land and Mine. Accordingly Mandakini Coal Company Limited (MCCL), Joint Venture of the Company has claimed compensation of Rs. 24,049.00 Lakhs, which included compensation towards leasehold land and other expenses which are to be received by MCCL from subsequent buyer/allottee of the Coal Mine after the reauction/reallotment of Coal Mine.

Nominated Authority passed claim of Rs. 22,279.31 Lakhs in favour of MCCL (Company is entitled for 1/3rd claim of Rs. 7,426.44 Lakhs). MCCL has also filed Appeal for the balance compensation before Coal Bearing Tribunal, Talcher for the additional amount of Rs. 13,361.00 Lakhs against land compensation purchased directly from land owners (Company's claim being 1/3rd i.e. Rs. 4,453.00 Lakhs), which is pending before Tribunal.

Meantime, IFCI lodged their claim before the Nominated Authority towards their loan to MCCL. To stall the said proceedings, Jindal Photo Limited and Tata Power Company Limited have filed writ petitions before Delhi High Court in which status quo order has been passed.

Further, Nominated Authority has now proposed to reduce the compensation to Rs. 15,519.85 Lakhs, from the amount already granted to MCCL i.e. Rs. 22,279.31 Lakhs. Against this proposed action, Jindal Photo Limited and Tata Power Company Limited have filed writ petitions before Delhi High Court and status quo order has been granted by High Court.

- b) On the basis of book value per share of MCCL as per latest unaudited balance sheet certified by management (including claim recoverable as per (a) above), the company has up to March 31, 2025 booked fair valuation loss amounting to Rs. 1,692.89 Lakhs (Rs 1,688.04 Lakhs up to March 31, 2024) against investment of Rs. 3,930.00 Lakhs in shares of MCCL. In the opinion of the management, the provision is adequate.

- c) The company had given interest bearing loan of Rs 537.33 lakhs upto March 31, 2025 (excluding interest receivable of Rs. 21.35 Lakhs upto March 31, 2015) to MCCL, a joint venture of the company. MCCL, due to its worsen financial conditions, has approached the company to waive the interest on loan. The Board has agreed to waive off the interest for the financial year from 2015-16 to 2024-25, hence no provision for interest has been made for financial years from 2015-16 to 2024-25. In the opinion of the Board, the amount due is good and recoverable.
- d) Company had given Corporate Guarantee to IFCI in respect of loan given by IFCI to Mandakini Coal Company Limited (MCCL), a joint venture of the company. Up to 31.3.2018, the company has made payment of Rs 5132 lakh to IFCI to discharge its obligation under the deed of guarantee. The said amount has been shown as recoverable from MCCL in these accounts and no interest has been charged thereon. In the opinion of the Board, the amount is good and recoverable and in view thereof no provision has been created.

31. In the opinion of the Board of Directors the current assets, loans and advances are expected to realise at least the amount at which they are stated, if realised in the ordinary course of business and provision for all known liabilities has been adequately made in the accounts.

### 32.2 Fair Value Hierarchy

- a) This section explains the judgements and estimates made in determining the fair values of the financial instruments. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

<b>Total</b>	<b>274.91</b>	<b>318.20</b>	<b>2,26,713.29</b>	<b>2,27,306.39</b>

Level 1: The hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

### b) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

### c) Fair value estimation

Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of

the company's financial instruments, judgement is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the company could realize in a market exchange from the sale of its full holdings of a particular instrument.

The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.

## **Interest-bearing borrowings**

Fair value is calculated based on discounted expected future principal and interest cash flows. The carrying amount of the Company's loans due after one year is also considered as reasonable estimate of their fair values as the nominal interest rates on the loans due after one year are variable and considered to be a reasonable approximation of the fair market rate with reference to loans with similar credit risk level and maturity period at the reporting date.

## **Trade and other receivables/payables**

Receivables/payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amount for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.

### **d) Valuation process**

The accounts & finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).

Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once in every quarter, in line with the company's quarterly reporting periods.

The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the company are derived and evaluated as follows:

- Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.
- Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the company's internal credit risk management group.
- Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.

## **33 FINANCIAL RISK MANAGEMENT**

### **a) Risk management framework**

In the ordinary course of business, the company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

# Jindal Photo Limited

## b) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers and investments in financial instruments.

The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.

## c) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.

The following table provides details of the remaining contractual maturity of the company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the company can be required to pay. The table includes only principal cash flows.

## d) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a

financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2025 and March 31, 2024. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

## Currency risk

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (Rupees). As the company does not possess such asset and does not have foreign commercial transactions the Company is not exposed to foreign exchange risk arising from foreign currency transactions.

## Interest rate risk

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During March 31, 2025 and March 31, 2024, the Company's borrowings at variable rate were denominated in Rs. Currently the company's borrowings are within acceptable risk levels, as determined by the management, hence the company has not taken any swaps to hedge the interest rate risk.
