  - Order book as on March 31, 2025 - INR 730 Cr

Press Release

From the CMD's Desk

Mr. Srinivasagopalan Rangarajan, Chairman & Managing Director, Data Patterns (India) Limited commenting on the company's performance said, "The quarter has met our expectations. Order inflow has been encouraging since the start of the financial year, with over Rs. 320 Cr in orders received so far, and more in the pipeline. While revenue for the quarter was modest, primarily due to temporary delays in customer approvals, these are expected to normalize in the coming quarters. We remain confident of delivering our year's targets.

Our continuous focus on new product developments have yielded products of international quality. We are optimistic that these products will soon be tested and potentially lead to bigger contracts.

We are excited about the opportunities ahead and remain committed to driving continued growth and value for our stakeholders."

About Data Patterns

Data Patterns' core competencies include design and development across electronic hardware, software, firmware, mechanical, product prototype besides its testing, validation and verification. Its involvement has been across Radars, Electronic Warfare Suites, Communications, Avionics, Small Satellites, Automated Test Equipment, COTS and programmes catering to Tejas Light Combat Aircraft, Light Utility Helicopter, BrahMos and other Communication & Electronic Intelligence Systems.

The company works closely with the defence PSUs such as Hindustan Aeronautics Ltd and Bharat Electronics Ltd as well as government organisations involved in defence and space research like DRDO and ISRO.
