#### Forward-looking statements

In this Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievements of results are subject to risks, uncertainties, and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

## From Stepping Stones to Milestones

#### 1981

Commercial production of 0.40 Million Ton Per Annum (MTPA) cement commenced on 1st March, 1981.

#### 1993

The Company started setting up a new plant at the existing site, in the name of Neer Shree Cement (Unit II). The annual capacity was of 6 Lac Tonnes.

#### 1994

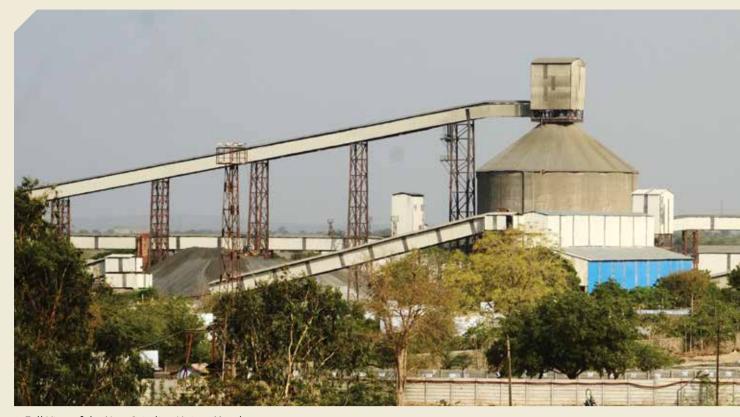

The commercial production of the new unit (Unit II) commenced. The capacity enhanced to 1.00 MTPA.

#### 2015

A new grinding unit of 0.5 MTPA is under construction at Aligarh, Uttar Pradesh.

#### 2014

A new cement grinding mill of 1.25 MTPA capacity was commissioned. The overall cement capacity enhanced from 2.00 MTPA to 3.25 MTPA.

♠ Full View of the New Grinding Unit at Morak

#### 2005

Clinker production increased by 700 MT per day and cement grinding capacity by 0.5 MTPA. The overall cement grinding capacity enhanced from 1.0 MTPA to 1.50 MTPA.

#### 2007

Captive thermal power plant, with a capacity of 17.5 MW started commercial production.

#### 2008

Seven wind turbines, with a total capacity of 6.15 MW were installed at Jaisalmer (four wind turbines of 0.6 MW each and three wind turbines of 1.25 MW capacity each).

#### 2013

Clinker production further enhanced by 0.5 MTPA, taking total clinker capacity to 2.30 MTPA.

#### 2011

The second captive thermal power plant, with 17.5 MW capacity was commissioned in February 2011.

#### 2009

Clinker production increased by 750 MT per day and cement grinding capacity by 0.5 MTPA. The overall cement grinding capacity enhanced to 2.00 MTPA.

## **Insight into Mangalam Cement**

Ever since its inception, Mangalam Cement has grown on the strength of the trust of our customers and the wider stakeholder fraternity. We have always focused on reaching promising markets on the strength of our quality standards and brand recall. We are committed to live up to the expectations of our customers and stakeholders for today, tomorrow and beyond.

Part of the illustrious B. K. Birla Group, we are one of India's trusted cement manufacturers with more than three decades of industry experience.

Our operations are cost-efficient and integrated (captive limestone mines and power).

Our brand Birla Uttam remains a preferred choice in Northern and Central India.

We optimise raw material utilisation, better product quality and higher input-output ratio through the intervention of contemporary technologies.

We operate across Delhi NCR, Rajasthan, Madhya Pradesh, Haryana and Uttar Pradesh through 1,126 dealers and 3,361 retailers. Our talented workforce ensures the efficiency of our operations and drives our brand promise.

We maintain a green belt in the vicinity of our manufacturing plant. We have also invested in wind energy to minimise our carbon footprint.

We support healthcare, rural infrastructure, education and women empowerment in the areas of our operation.

#### **OPERATING LOCATIONS**

- Corporate Office in Kolkata (West Bengal)
- Cement and coal-based power plant at Aditya Nagar, Kota district (Rajasthan)
- Wind power at Jaisalmer district (Rajasthan)
- Regional offices at Kota, Jaipur and Delhi
- Primarily caters to the markets of Delhi NCR, Rajasthan, Madhya Pradesh, Haryana and Western Uttar Pradesh, among others

#### **PRODUCT BASKET- BIRLA UTTAM**

## Portland Pozzolana Cement (PPC)

## Ordinary Portland Cement 43 Grade

## Ordinary Portland Cement 53 Grade

Special blended cement, produced by inter-grinding higher strength cement clinker with high quality processed fly ash - based on norms set by our R&D division. This unique, value-added product has hydraulic binding properties, not found in ordinary cements.

Most commonly used cement in all constructions including plain and reinforced cement concrete, brick and stone masonry, floors and plastering. It is also used in finishing of all types of buildings, bridges, culverts, roads and water retaining structures, among others.

Produced from high-quality clinker, ground with high-purity gypsum. Provides high strength and durability to structures, because of its optimum particle size distribution, superior crystalline structure and balanced phase composition.

#### THE BRAND - BIRLA UTTAM

Birla Uttam Cement is a leading cement player and is one of the most trusted and preferred brand of engineers, builders, contractors and individual house builders.

## **Enhancing Capacities, Improving Efficiency.**

#### **UPGRADATION AND EXPANSION**

During the year, the modernisation of Unit-1 and expansion of cement capacity to 3.25 MTPA was completed and stabilised.

The resultant recurring savings in power and fuel consumption as well as significantly enhanced dispatch capacities have put Mangalam Cement on a more solid footing in an increasingly competitive industry environment.

A new grinding unit is being set up at Aligarh, Uttar Pradesh, with a capacity of 0.5 MTPA to fully leverage the output capabilities and to enable the Company to reach and service its core markets more effectively, while optimising logistics.

♠ Cement packing unit

#### **OPERATIONAL EFFICIENCY**

- Focused on reducing power and fuel consumption and eliminate process losses
- Reinforced multiple Kaizen projects for continuous operational improvement
- Upgraded and re-engineered our manufacturing process through multiple initiatives, which resulted in reduced power and raw material consumption for per ton of cement produced
- Completed the rehabilitation of our kiln one by replacing several key process components with the latest technology, facilitating higher cement output and better quality

#### **BEST-IN-CLASS MINING PRACTICES**

- Successfully completed a
   Kaizen project, bettering the fire extinguisher system in dumper and shovels, to prevent fire related accidents and machine damage
- Increased per hour meterage of drilling, which resulted in more limestone output
- Improved blasting techniques, which helped in increasing limestone output
- Enhanced limestone screening efficiency through modification of screening equipment

- Maintained Heavy Earth-Moving Machinery (HEMM) for material handling, enabling cost and fuel savings
- Conducted training programmes for mine workers to increase their productivity and efficiency

## Developing a Strategic Network

♠ Dealer trip to Gold Coast, Australia

♠ Newly launched mobile concrete lab

At Mangalam Cement, we believe that success in marketing lies not only in seizing opportunities but in methodically focussing on strategically strengthening our entire distribution network and ultimately delivering value to our customers through an efficient and motivated network chain. Thus, while we are entering select new geographies, our focus is on deepening our presence in existing markets.

Addressing the network

### 19.32%

## 1,126

Dealers as on 31st March, 2015

3,361

Retailer base as on 31st March, 2015

#### **MARKETING ENDEAVOURS**

- We took various steps to grow our sales volume in our key markets
- Strengthened our marketing team, restructured dealer network and expanded branding activities
- Organised multiple brand management activities across retail outlets for better brand positioning, enhancing brand recall
- Launched a technical marketing cell to educate dealers, masons and contractors
- Conducted dealer and mason meets to reinforce brand loyalty
- Launched various incentive schemes for dealers, motivating them to drive higher volumes

- Entered south Gujarat and penetrated deeper into our existing markets of western Uttar Pradesh, Delhi NCR, Punjab and Madhya Pradesh
- Introduced fully technically-equipped van to different villages to educate people on our product, and increase our product visibility

## **Nurturing our Human Resources**

A dynamic and dependable team is the biggest asset of an organisation. We groom our talent to enhance their skills and help them function more efficiently. We encourage a right work culture, supported by ethical work practices to facilitate good business.

♠ Central control room

#### **TEAM MANGALAM**

Our human resource management attracts, nurtures and retains talent. With a 1050+ strong member team, as on 31st March, 2015, our priority is to focus on the growth and development of each employee, which reflects in our growing productivity and low attrition level.

We aim to build a work culture that recognises our employees' contributions, as well as attain maximum job satisfaction.

#### **EMPLOYEE MOTIVATION**

We recognised the best performers of the month for their overall improvement in productivity, and also motivated others to follow their example. Over 155 employees have been awarded during this financial year.

#### LEADERSHIP DEVELOPMENT

Leadership development programmes develop future leaders that give any business a competitive edge. We organised a three-day training programme on 'Leadership Development'. The programme was meant for our senior officers. It primarily focused on areas of vision building, teamwork and result-oriented approach through personal improvements.

## PRODUCTIVITY WEEK CELEBRATIONS

We celebrated National Productivity Week by organising a variety of competitions to create awareness on the significance of growth in today's competitive environment. The focus remained on 'zero defect' (effective quality management system in production, maintenance, material management, and man and money management).

#### **TRAINING ENDEAVOURS**

Continual improvement is an integral part of working and is strongly supported at all levels in our organisation. We undertook several skill development and training initiatives throughout the year.

We provide essential training to our employees for enhancing effective use of technology. Such efforts in turn help improve productivity and profitability.

## Strengthening our Green Initiatives

♠ Green belt around the plant

#### **CLEAN AIR**

We have installed electrostatic precipitators/bag filters at all transfer points and raw material handling areas for control of fugitive dust emissions. Regular water spray at plant roads, hoppers and raw material storage areas further control emission by vehicular movement.

Moreover, ambient air quality monitoring stations are provided at the periphery of our existing premises.

#### **GREEN BELT**

We have planted over 125,000 saplings to ensure a dense green belt around the plant and mine areas. Over 90 hectares of land have been covered with plantations. We encourage our employees and their families to actively participate in our plantation drives.

#### **WATER HARVESTING**

Water harvesting has helped us store 22 lac cubic metres of water in the mined-out areas. Accumulated rain water from the roof tops is used across various areas of the plant.

#### **ZERO DISCHARGE**

We have an effluent treatment plant in place, ensuring zero discharge. Treated waste water is used in green belt development within the factory premises.

#### **CLEAN ENERGY**

We operate a wind turbine of an aggregate capacity of 13.65 MW at Jaisalmer, Rajasthan. This has helped us mitigate 22,700 MT of equivalent CO<sub>2</sub> emissions annually. The project has been registered under the Clean Development Mechanism (CDM) with the United Nations Framework Conventions on Climate Change (UNFCCC).

## **Embracing our Social Responsibilities**

At Mangalam Cement, we try to touch the lives of our communities in a meaningful way. Our initiatives address some of the persistent challenges in the areas of education, healthcare and community development.

#### **CSR Agenda**

Financial Assistance

Community Development Programme

♠ Medical check-up camp

#### **HEALTH CARE**

We conducted regular health camps to monitor the health of farmers and educate them about disease prevention and care. We also provided financial assistance to several hospitals.

We adopted CHC Morak under a scheme of the Government of Rajasthan and assisted its maintenance and refurbishment. We also organised healthcare camps for specially-abled people. A team of specialised doctors, in collaboration with the Government of Rajasthan made the event successful.

♠ Providing quality education at Mangalam DAV School

★ Skill development initiatives

♠ ITI-Khairabad - Empowering rural youth

#### **EDUCATION**

We strive to provide quality education to the youth. The Mangalam DAV School imparts quality education to over 1000 students, under the CBSE Board. We also adopted ITI Kherabad under PPP (Public Private Partnership) model to deliver technical education to the rural youth in the vicinity. 'On-the-job' training courses are offered to the students for a duration of 15 days to enable them to become self-sufficient and independent.

Moreover, we also provide higher education allowance for BPL students, assisting them financially for further education. We adopted a few schools in the surrounding gram panchayats and are taking care of their infrastructure, repair and maintenance. Government Middle School, Mahaveer colony, Morak and Government Middle School, Chousla were benefited from this initiative.

#### SKILL DEVELOPMENT PROGRAMME

We conduct skill-based training for the youth through various programmes to make them self-sufficient. Our ongoing computer training programmes at *gram panchayats* have already benefited more than 100+ students. We also sponsored computer training courses at ITI Kherabad. Driving classes were also organised by us, where we distributed driving licenses to over 100 people.

#### **WOMEN EMPOWERMENT**

We focus on the provision of various training programmes for women living in these areas, to encourage women empowerment and help bring a sustainable change in society. We conducted tailoring training for 22 batches (approximately 300+ women), and also set up a tailoring centre at the Morak station.

#### **FINANCIAL ASSISTANCE**

We provide regular financial assistance to *gram panchayats* for the development and maintenance of their infrastructure, to help improve the quality of living of the people.

#### **COMMUNITY DEVELOPMENT**

We undertook various initiatives for holistic development of the community. We believe in communal equality and provide financial assistance for the construction of religious worship places and for the celebration of various religious festivals. We also constructed a community centre called Kalyan Mandapam for celebrating social events and gatherings.

We have also extensively promoted the Swachh Bharat Abhiyan campaign in *gram panchayats*, where we undertook cleanliness drives and planted saplings, simultaneously educating the people about the importance of a clean environment.

## **Management Discussion and Analysis**

#### **INDIAN ECONOMY**

The Indian GDP registered a growth rate of 7.4% in 2014-15. The growth of Gross Value Added (GVA) at basic prices for agriculture and allied sectors, industry sector and services sector are estimated to be at 1.1%, 5.9% and 10.6% respectively in 2014-15. Overall growth in the Index of Industrial Production (IIP) was 2.1% during March 2015 as compared to a contraction of 0.5% in March 2014.

The Indian economy is likely to grow at over 8% in 2015-16, driven by strong consumer spending amid low inflation, infrastructure projects and the government's reform measures. The economy will see acceleration of infrastructure projects, growing consumer expenditure due to lower inflation and monetary easing and gradual changes in market sentiments.

#### **CEMENT INDUSTRY IN INDIA**

## The Indian cement industry is the second largest in the world and forms a vital part of the Indian economy.

During the year 2014-15, the Indian cement manufacturing industry pegged at 267.5 million tonnes (MT) and grew at a rate of 7.1% from previous year. This is a considerable increment as compared to the production growth of 3.8% reported in the preceding year. The momentum in production growth is expected to continue even in 2015-16 backed by a sustained, healthy rise in demand. The cement output is likely to increase by 8.2% to 289.4 MT during the current fiscal.

The Indian cement industry is marked with a trend of capacity underutilisation, having 23% of installed capacity stay idle during 2014-15.

#### **DEMAND DRIVERS**

#### Rising demand from the real estate sector

In India, the housing sector is the biggest demand driver of cement, accounting for about 67% of the total consumption. The sector is poised to witness a robust growth in investment during 2015-17.

In 2014-15, project commissioning is expected to be at ₹ 557.4 billion, which is over five times as compared to the preceding year. In the subsequent year, it is likely to increase to ₹ 726.4 billion. Besides, rising demand from the unorganised real estate segment (especially in rural housing and Tier I and II cities) is also likely to boost the demand prospects for cement. The hotel industry too is expected to see a strong growth in capacity addition in the near future.

#### Housing shortage in the country

India has an estimated urban housing shortage of 18.8 million dwelling units. The housing shortage in rural India is estimated to be at 47.4 million units, in 2012. With rapid urbanisation and migration of the rural population to urban and semi-urban cities and towns, there is a huge necessity for residential constructions which implies a boost for the cement industry.

#### Boost from the infrastructure industry

Among the infrastructure segments, roads account for the highest cement

Your Company's gross turnover crossed ₹ 1,000 crores mark this year registering a growth of 32.20% in revenue from operations over the previous year, inspite of depressed market conditions and weak prices.

consumption. An estimated 7,037 kilometres of road during the year is slated to be constructed by the infrastructure industry during 2015-16. Project completion in the railways, shipping and airport segments is likely to accelerate during 2015-17. All these factors are expected to lead to a healthy rise in demand for cement which currently accounts for 13% of the country's demands.

#### Impetus on capacity addition and utilisation

To meet the rise in demand, cement companies are expected to add 56 MT capacity over the next three years. The cement capacity in India may register a growth of 8% by next year end to 395 MT from the current level of 366 MT. It may increase further to 421 MT by the end of 2017. The country's per capita consumption stands at around 190 kg. The top 20 cement companies account for almost 70% of the total cement production of the country.

Assuming a demand growth of eight per cent over the next two years, the all-India cement capacity utilisation is likely to improve from 71% in 2014-15 to 72% in 2015-16 to 77% in 2016-17.

#### **Government Initiatives**

#### Swachh Bharat Abhiyan

The programme launched by the Prime Minister of India aims at achieving measures of cleanliness across the country. The programme entails an investment of nearly ₹ 2 lac crores over the next five years to construct 12 crores toilets in India.

The programme will draw in cement demand as it is the basic construction ingredient.

#### Smart Cities

The Government announced 100 smart cities to be built with the investment of ₹ 48,000 crores over the period of the next five year. The initiative is bound to keep cement demands afloat throughout the project implementation duration.

#### Housing for all by 2022

The Government of India announced facilities of affordable housing for the urban poor that includes a total of 60 million housing units -- 20 million of which are in urban India and 40 million in rural India. These will be developed and provided at subsidised rates of borrowing interest to the lower income group.

#### Other provisions

- Budgetary allocation of ₹ 70,000 crores to infrastructure sector
- PPP model for infrastructure development
- Proposal for five ultra-mega power projects, each of 4000 MW
- The CAPEX of the public sector units is expected to be ₹ 3, 17,889 crores, a 74% hike

#### **OVERALL PERFORMANCE REVIEW**

Your Company's gross turnover crossed ₹ 1,000 crores mark this year registering a growth of 32.20% in revenue from operations over the previous year, inspite of depressed market conditions and weak prices. During the year, our cement and clinker production stood at 21.40 lacs tonnes and 19.66 lacs tonnes respectively, which is our highest ever production.

With the benefits of capex incurred for upgradation and operational initiatives undertaken to improve efficiency of various equipment, your Company could achieve savings in power consumption of 3 kwh/t of cement production as well as substantial savings in specific fuel consumption. In line with our plans, production of blended Pozzolana cement is likely to increase further which will also reduce the carbon footprint per ton of cement.

The EBIDTA for the financial year ended 31st March, 2015 increased by 56.31% over the previous year. However, finance cost and depreciation & amortisation expenses have also increased substantially due to completion of 1.25 MTPA cement grinding capacity expansion and 0.5 MTPA additional clinker manufacturing capacity in previous year resulting in lower Net Profit. The capacity utilisation for the year 2014-15 was 67% as the new grinding unit was commissioned during the year. It is expected to increase during coming years.

Despite increases in railway freight and diesel prices during the year, the overall freight and distribution costs as a percentage of sales have reduced due to various initiatives undertaken for improvement of the supply chain's efficiency and continuous focus on optimisation of logistics.

With the completion of upgradation and expansions during the year, your Company's overall cement manufacturing capacity has increased to 3.25 MTPA. The Board has also approved the

setting up of a new cement grinding unit of 0.5 MTPA at Aligarh, Uttar Pradesh. The required land is already in possession of the Company and the main statutory approvals for setting up of the plant have been received. The commencement of construction is expected during 1st Quarter of the Financial Year 2015-16.

#### **RISK MANAGEMENT**

Risk is an expression of uncertainty about events and their possible outcomes that could have a material impact on the Company's performance and prospects. Mangalam Cement is committed to ensure a secured business environment with proactive awareness, appraisal and mitigation measures. The Company has proper enterprise risk management (ERM) policies in place to identify, manage and mitigate risks and emerge as a risk-focused organisation.

**Economic volatility risk:** Macro-economic factors have always formed the fundamental baseline on which the economy's industrial performance and slowdown may impact the Company's performance. India's new government is implementing favourable policies and regulations that have strengthened business sentiments. India's GDP grew at 7.4%, compared to 6.9% in the previous year. With increased population, surged need for housing, moderating inflation, stabilising currency and improved disposable income, the Company expects the demand for cement to grow sustainably.

**Key input risk:** Procurement of key raw materials at the right time and right price is an essential requirement for maintaining the overall cost of production. Any unforeseen increase may impact the Company's profitability. The Company has strategically averted this risk by maintaining sufficient limestone reserves to meet their captive requirements. It has also formed and maintained long-term relationships with the suppliers to ensure consistent supply. Besides, the Company has undertaken various technological initiatives to optimise raw materials usage and enhance productivity.

**Competition risk:** Increasing cement players within the industry may impact realisation on account of stiff completion. To mitigate this risk, the Company has marked its product quality as its primary strength. Very efficiently, the Company has witnessed higher realisations per ton of cement on account

of this uniqueness. It maintains a judicious mix of retail and institutional sales as well, which further strengthens its dealer base and retailer network. The Company also reinforced its marketing and sales team, enabling increased market penetration, retaining existing clients and acquiring potential customers, simultaneously.

**Human asset risk:** Human resource is one of the most important assets of any company. The lack of a judicious employee mix (experienced and new) may hinder the Company's overall growth. Therefore, to maintain a steady balance, utmost emphasis has been laid down on retaining experienced personnel and recruiting management trainees to create a robust team. The Company provides specialised training to its employees and is consistently building a leadership pipeline. It maintains an attrition level that is much below industry standards.

**Customer reach risk:** Inability to reach out to the demand pockets in key regions across India may affect business growth. The Company has developed extensive network strength, ensuring its business growth. Logistics and transportation facilities have been strengthened for efficient dispatch. The Company's marketing department closely works with dealers and institutional clients to cater to their demand requirements. Strategic positioning and strong brand recall have ranked the Company among the top five cement manufacturers in its operating region..

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate internal controls across multiple areas of its operations. The systems are operating properly by utilising the services of internal and external auditors periodically, and also its own competent and qualified personnel. The Audit Committee ensures proper compliance with the provisions of the Listing Agreement with the stock exchanges and relevant provision of the Companies Act.

## HUMAN RESOURCE DEVELOPMENT AND INDUSTRIAL RELATIONS

The Company has integrated the belief of Human Resources Development in all its policies and strategies. The Company's human resource management function is aimed at sole objective of achieving high engagement level of its people which in turn ensures both higher productivity and happy people and thereby improve the bottom line.

At Mangalam, measures for employee safety, training, welfare and development continue to get top priority at all levels and results are reflected in the improved quality and efficiency. The Company's training programmes and value-based teaching enhance motivational levels among its people. The Company's industrial relations as well as public relations with all external agencies have been cordial. The Company had 1079 employees, as on 31st March, 2015.

#### **CAUTIONARY STATEMENT**

The statement in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking, within the meaning of applicable security law or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand-supply conditions, finished goods prices, raw materials' cost and availability, changes in Government regulations and tax structure, economic developments and other factors such as litigation and industrial relations.

The Company assumes no responsibility in respect of forward looking statements herein which may undergo changes in future on the basis of subsequent developments, information, or events.

#### **SECRETARIAL AUDIT REPORT**

#### FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2015

{Pursuant to section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014}

To The Members, Mangalam Cement Limited Aditya Nagar, Morak, Dist. Kota

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mangalam Cement Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Mangalam Cement Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2015 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2015 according to the provisions of:

- The Companies Act, 2013 (the Act) and the rules made thereunder;
- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; (Not applicable to the Company during Audit Period)
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not applicable to the Company during Audit Period)
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
     (Not applicable to the Company during Audit Period)
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during Audit Period) &
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during Audit Period)

I have also examined compliance with the applicable clauses of the following:

 (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
 (Not Notified hence not applicable to the Company during Audit Period) (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

During the period under review the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except to the extent as mentioned below:

As per Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, the Company was required to spend during the financial year, at least two per cent (2%) of the average net profits of the Company made during the three immediately preceding financial years, in pursuance of its Corporate Social Responsibility (CSR) Policy. In order to undertake the CSR Activities, the Company had decided to undertake various activities as prescribed under Schedule VII of the Companies Act, 2013 including contribution for rural development in the construction of Railway Over-Bridge in Morak, Rajasthan, a project initiated by the Government of Rajasthan, subject to completion of work which was supposed to be completed by the end of the Financial Year 2014-2015. However, all such activities have been completed successfully but due to unavoidable circumstances, the Railway Over-Bridge work could not be completed in the Financial Year 2014-2015. Therefore, payment for the same could not be released by the Company during the Financial Year 2014-2015. And, therefore, the Company was unable to spend the prescribed amount of 2% towards its CSR Activities during the Financial Year 2014-2015 which it had planned to spend in the project initiated by the Government of Rajasthan.

I further report that, having regard to the compliance system prevailing in the company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company

 The Mines Act 1952, and Rules made thereunder and other related Acts and their respective Rules

#### I further report that, during the year under review:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors

and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda are sent at least seven days in advance, a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting member's views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

#### I further report that,

- (a) during the audit period, the Company has obtained approval of members under section 180(1)(a) creation of mortgages/charges/hypothecation and/or other encumbrances on its immovable and movable properties up to ₹ 1,000.00 crores and Under Section 180(1)(c) for borrowing in excess of its paid up capital and free reserves up to ₹ 1,000.00 crores.
- (b) during the audit period, the Company has established a new Cement Mill of 1.25 MTPA at Aditya Nagar - 326520, Morak, Dist. Kota, Rajasthan. Now the overall capacity is enhanced from 2.0 MTPA to 3.25 MTPA.

## **Independent Auditors' Report**

To

The Members of Mangalam Cement Limited

#### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Mangalam Cement Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

## MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **OPINION**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section 11 of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in

- its financial statements (Refer Note 29 (B3) to the financial statements).
- The Company has made provision as required under the applicable law or accounting standards for material foreseeable losses, if any, on long term contracts including derivative contracts.

#### **NOTE 29**

# Accounting Policies and Notes on Accounts for the year ended 31st March 2015.

#### A. Significant Accounting Policies

#### 1. Accounting Concepts

The financial statements have been prepared in compliance in all material respects with the accounting standards notified by the Companies Accounting Standard Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. These accounts are prepared on the historical cost basis and applying the principles of accounting for a going concern. The accounting policies are consistent with those used in the previous year.

#### 2. Recognition of Income and Expenditure

Expenses and income are accounted for on an accrual basis. Insurance and other claims raised by the Company are accounted for when received and are not material by reference to the total operations.

#### 3. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost for the purpose of valuation of Raw Materials and Stores and Spare Parts has been computed on the weighted average method. Cost for the purpose of valuation of Finished Goods and Material-in-Process has been computed on the basis of cost of material, labour and other costs incurred in bringing the inventories to their present location and condition. Scrap and Waste have been valued at net realisable value.

#### 4. Investments

Long Term Investments are stated at cost. Provision is made for diminution, other than temporary in the value of such investments and for this purpose, the investee company's assets and estimated future cash flows are used to determine whether any diminution other than temporary has taken place. Current Investments are stated at cost or fair value, whichever is lower, computed category wise.

#### 5. Fixed Assets

(a) Fixed assets are stated at their original cost of acquisition/installation net of accumulated depreciation, amortisation and impairment losses, except freehold land which is carried at cost. Leasehold land is amortised over the lease period.

- (b) Capital work in progress is stated at cost incurred during the construction/installation/ preoperative period relating to items or projects in progress.
- (c) Expenditure during Construction Period is included under Capital Work-In Progress and allocated to the respective fixed assets on commencement of commercial production.

#### 6. Impairment of Assets

The Management periodically assesses using external and internal sources whether there is any indication that an asset may be impaired. Impairment of an asset occurs where the carrying value exceeds the present value of the cash flow expected to arise from the continuing use of the asset and its eventual disposal. A provision for impairment loss is made when the recoverable amount of the asset is lower than the carrying amount.

#### 7. Depreciation

#### I. Tangible Assets

Depreciation is provided on the straight line method by depreciating carrying amount of fixed assets as on 1st April 2014 over remaining useful life of the assets as per schedule II of the Companies Act 2013. Continuous process plants as defined therein have been assessed technically and depreciation is provided accordingly. Depreciation on the increase in the value of fixed assets due to revaluation is computed on the basis of remaining useful life as estimated by the valuer on the straight line method. Depreciation of Fixed Assets on the land, belonging to Kota Super Thermal Power Station, Kota is amortised over the period of the agreement for extraction of fly ash between the company and Kota Super Thermal Power Station.

#### II. Intangible Assets

- (a) Mining rights are amortised over the period of the leases.
- (b) Computer software is amortised over a period of 5 year

#### 8. Employee Benefits

(i) Defined Contribution Plan : Employee benefits in the form of superannuation fund and the

forming part of the Financial Statements

state governed provident fund are defined contribution plan. The contribution under the scheme is recognised during the period in which the employee renders the related services.

(ii) Defined Benefit Plan: The employee's gratuity fund and leave encashment schemes are the Company's defined benefit plans. The present value of the obligations under such defined benefit plans is determined based on actuarial valuations using the Projected Unit Credit Method.

#### 9. Foreign Currency Transactions

All transactions in foreign currency are recorded at the rates of exchange prevailing on the date of the transactions. Monetary assets and liabilities in foreign currency outstanding at the close of the year are converted to Indian currency at exchange rates prevailing at the year end. The resulting gain or loss (other than for capital assets) is recognised in the statement of Profit and Loss. The gain or loss relating to long term monetary items for financing acquisition of capital assets is adjusted to the acquisition cost of such assets and depreciated over their remaining useful lives.

Foreign exchange contracts used to hedge foreign currency transactions are initially recognised at exchange rates prevailing on the date of the contracts. Foreign currency contracts pertaining to acquisition of capital asset remaining unsettled at the end of the year are translated at the year end rate and differences between the rates of the contract and year end rates are added to or deducted from the cost of the assets and depreciated over the balances of the useful life of the assets and the premium arising at the inception of such forward contract is amortised over the life of the contract.

#### 10. Government Grants

Government Grants are accounted for where there is reasonable certainty that the ultimate collection will be made. Government Grants of the nature of Project Subsidies are credited to Capital Reserve. Grants related to specific fixed assets are deducted from the gross value of the concerned assets in arriving at their book values. Revenue Grants are credited to Statement of Profit & Loss or deducted from the related expenses.

#### **11.** Borrowing Costs

Interest and other costs connected with borrowings for the acquisition/ construction of qualifying fixed assets are capitalised up to the date when such assets are ready for their intended use and other borrowing costs are charged to the Statement of Profit & Loss.

#### 12. Research & Development Expenditure

Revenue expenditure on Research and Development is charged as expenses under the head "Research and Development" in the year in which it is incurred. Capital expenditure incurred on equipment and facilities that are acquired for research and development activities is capitalised and depreciated according to the policy followed by the Company.

#### 13. Provisions and Contingent Liabilities/Assets

Provisions in respect of present obligations arising out of past events are made in the accounts when reliable estimates can be made of the amounts of the obligations. Contingent liabilities, if material, are disclosed by way of notes to the accounts. Contingent assets are not recognised in the financial statements, as they are dependent on the outcome of legal or other processes.

#### 14 Taxation

Provision for current tax is made in accordance with the provisions of the Income tax Act, 1961. Deferred tax resulting from "timing differences" between book and taxable profits for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. Deferred tax assets are recognised as income and carried forward only to the extent that there is virtual certainty that the assets will be adjusted in future. Pursuant to the approval of the shareholders and the Hon'ble Rajasthan High Court's order dated 30th November, 2007 deferred tax liabilities from the year 2007-08 and onwards are met from Securities Premium Account as disclosed in note no. 4.

#### B. Notes on Accounts

1. (a) Pursuant to the enactment of Company Act 2013, the Company revised its policy of providing depreciation in fixed assests effective from April 1, 2014 by depreciating carrying amount of fixed assets as on April 1, 2014 over the remaining useful life of the assets as per Schedule II as against at the rate and in

| The Company had received demand notices for ₹ 3890.17 Lacs towards tax and ₹4246.48 Lacs toward interest from the Rajasthan Sales Tax Authorities against sales tax incentive claimed by the Company in earlier years. It has made a payment of ₹ 3974.82 Lacs under protest and interest thereon has been stayed by the Hon'ble Rajasthan High Court on furnishing of Bank Guarantee and Bond in lieu of security as directed by Hon'able Rajasthan Tax Board, Ajmer. On the basis of the facts of case and a legal opinion obtained, the Company has a strong case in favour in view of direction of BIFR dated 31.05.2007. Accordingly, no provision in the financial statements has been made, as the matter is pending before the appropriate authority.  The Company has engaged competent professional advisors to defend its positions against all disputed claims/notices and based on advice received no liabilities are expected to materialise. | 8136.65          | 5874.89          |

#### The Group Logo – As represented by the 21st Century Atlas

#### Atlas, the Titan - Collective Strength

Atlas, bearer of the heavens is synonymous with vast, all encompassing strength and is used to symbolise the Group's own collective strength. It reflects the combined qualities of astute and dynamic management while emphasising the Group's tenacity, consistency, reliability and overall leadership.

#### The Sun - Enlightenment and Growth

The Sun, as a source of infinite energy and inspiration, is used here in conjunction with the Atlas head to represent the vitality and powerful presence of the Group - both in its industrial prowess and its financial, technological and intellectual skills.

#### **The Earth Segments - Diversified Activities**

Each of the latitudes around the Titan represent various sections - industrial, agricultural, financial and other activities of the Group. As with the infinite variety of the world, so is the strength of the Group, made up of its diverse activities.

#### The Globe - Global Vision

The Group's global presence and vision is reflected in the entirety of the Earth's sphere.

#### **The Base - Solid Foundations**

The strength of the entire edifice depends upon the strength of the foundation embedded in the bedrock, represented here by the Group Name.

#### The Symmetry - The Resilience, Versatility and Stability

Seen in its entirety, each of the elements - Atlas, the Sun, the Earth divisions, the Globe and the Base, together sum up a well conceptualised and balanced conglomerate.

#### Annexure to the Notice

# EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 ("the Act")

#### Item No. 05

Section 197 of the Companies Act, 2013 provides that in the case of Director who are neither managing director nor whole-time director/executive director may by way of special resolution, authorise payment of commission in addition to the fee for attending the meetings of the Board where such Directors are rendering useful advice to the Company. To retain such Non Executive Director, it is desirable that they should be paid commission @ 1% of the net profit of the Company not exceeding 7.00 Lacs (Rupees Seven Lacs Only) to each of the Director in any financial year, except the Managing Director and Executive Directors. The shareholders in their Annual General Meeting held on 29th July, 2013 had approved payment of commission @ 1% of the net profits of the Company but not exceeding 5.5 Lacs to each of the Non Executive Directors of the Company for a period of two years. This period of two years completes on 31st March, 2015. Hence the proposed resolution seeks authority for such payment to the Non Executive Directors for a period of three years effective from 01st April, 2015.

Therefore, the board of directors in the best interest of the Company, recommended before members the resolution for payment of commission to non executives directors.

All the Directors of the Company (except Smt. Vidula Jalan & Shri Anshuman Vikram Jalan, Executive Directors and the Key Managerial Personnel and their relatives) are interested in the Resolution to the extent the remuneration is payable to them in accordance with the proposed resolution.

#### Item No. 06

The Board on the recommendation of the Audit Committee has approved the re-appointment of M/s. J K Kabra & Co., Cost Accountants, New Delhi as Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2016 pursuant to Section 148 of the Companies Act, 2013 on a remuneration of ₹ 93,000/- (Rupees Ninety Three Thousand only) plus service tax as applicable and out of pocket expenses.

As per Rule 14 of Companies (Audit and Auditors) Rules 2014, the appointment and remuneration payable to the Cost Auditors is to be ratified by the Shareholders. Hence this resolution is put for the consideration of the shareholders.

None of the Directors and Key Managerial personnel or their relatives are interested in the above resolution.

The Board of Directors recommends the resolution for your approval.

By Order of the Board,
