Anil Singhvi, Executive Chairman of the Company said "Our performance during the quarter has shown an improvement compared to the previous year, despite facing challenges such as intense monsoon and impact of the pre-GST rate cut on demand. We anticipate a good demand in the busy season starting from November, post the festive period.

As previously announced, starting from October 1st, 2025, our company has doubled its cement manufacturing capacity to 3.0 million tons per annum by setting up a new Cement Grinding Plant at Sikka".
