## Operational Performance: Q1 FY2012

- Factors contributing to increase in profitability
a. Increase in sales by $52.68 \%$ including lifestyle accessories items sold under 'ADDICTION' brand. Addiction sale exceeded last whole years sale during Q1 of current year.
b. Realisation per garment increased by $17.46 \%$ (excluding excise duty) as compared to the corresponding period previous year
c. All expenses though increased in absolute value but lower as a percentage of sales due to benefit of scale and higher activity level.
d. Opening of 26 retail stores, majorly on franchisee model.
- Factors contributing to decrease in profitability
a. Cost of goods sold increased by $2.12 \%$ of sales due to increased share of lifestyle accessories which at promotional stage and escalation in cotton and denim fabric prices even after realisation per garment increased by $17.46 \%$
b. Selling and distribution expense increased by $3.61 \%$ as a result of the advertising cost associated with sponsoring the Pune Warriors team during IPL 2011
