Disclaimer

Mahindra CIE Automotive Limited, herein referred to as MCAL provides a wide array of presentations and reports, with the contributions of various professionals. These presentations and reports are for informational purposes and private circulation only and do not constitute a prospectus, a statement in lieu of a prospectus, an offering circular, offering memorandum, an advertisement, an offer, or a solicitation of any offer, or an offer document to purchase or sell any securities under the Companies Act, 2013, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, or any other applicable law in India. These presentations and reports should not be considered as a recommendation that any investor should subscribe for or purchase any securities of MCAL or its subsidiaries (collectively, the “Group”) and should not be used as a basis for any investment decision.

Further, these presentations and reports do not purport to be a complete description of the markets conditions or developments referred to in the material. While utmost care has been taken in preparing the above, none of the Group or any of its affiliates, advisors or representatives accept any liability whatsoever for any loss howsoever arising from any information presented / contained in these presentations and reports, or the opinions expressed by the presenters. We shall not be liable for any direct or indirect losses arising from the use thereof and the viewers are requested to use the information contained herein at their own risk. Furthermore, no person is authorized to give any information or make any representation which is not contained in, or is inconsistent with, these presentations and reports. Any such extraneous or inconsistent information or representation, if given or made, should not be relied upon as having been authorized by or on behalf of the Group.

These presentations and reports are confidential and should not be copied, reproduced, re-circulated, redistributed, published in any media, website or otherwise, in any form or manner, in part or as a whole, without the express consent in writing of the Group. Any unauthorized use, disclosure or public dissemination of information contained herein is prohibited. The distribution of these presentations and reports in certain jurisdictions may be restricted by law. Accordingly, any persons in possession of the aforesaid should inform themselves about and observe any such restrictions.

Unless specifically noted, MCAL is not responsible for the content of these presentations and/or the opinions of the presenters. Individual situations and local practices and standards may vary, so viewers and others utilizing information contained within a presentation are free to adopt differing standards and approaches as they see fit. You may not repackage or sell the presentation. Products and names mentioned in materials or presentations are the property of their respective owners and the mention of them does not constitute an endorsement by MCAL. Information contained in a presentation hosted or promoted by MCAL is provided “as is” without warranty of any kind, either expressed or implied, including any warranty of merchantability or fitness for a particular purpose.

The information contained in these presentations and reports are only current as of their date and have not been independently verified. The Group will not update you in the event the information in the above becomes stale. You must make your own assessment of the relevance, accuracy and adequacy of the information contained in these presentations and reports and must make such independent investigation as you may consider necessary or appropriate for such purpose. Moreover, no express or implied representation or warranty is made as to, and no reliance should be placed on, the accuracy, fairness or completeness of the information presented or contained in these presentations and reports. Further, past performance is not necessarily indicative of future results. Any opinions expressed in these presentations and reports or the contents of these presentations and reports are subject to change without notice. The presentation should not be construed as legal, tax, investment or other advice.

These presentations and reports contain certain statements of future expectations and other forward-looking statements, including those relating to the Group's general business plans and strategy, its future financial condition and growth prospects, and future developments in its sectors and its competitive and regulatory environment. In addition to statements which are forward looking by reason of context, the words ‘may’, ‘will’, ‘should’, ‘expects’, ‘plans’, ‘intends’, ‘anticipates’, ‘believes’, ‘estimates’, ‘predicts’, ‘potential’ or ‘continue’ and similar expressions identify forward looking statements. All forward looking statements are subject to risks, uncertainties and assumptions that could cause actual results, performances or events to differ materially from the results contemplated by the relevant forward looking statement. The factors which may affect the results contemplated by the forward looking statements could include, among others, future changes or developments in (i) the Group's business, (ii) the Group's regulatory and competitive environment, (iii) the information technology service sector, and (iv) political, economic, legal and social conditions in India and the United States.

The information contained herein does not constitute an offer of securities for sale in the United States or in any other jurisdiction. Securities may not be offered or sold in the United States absent registration or an exemption from registration under the U.S. Securities Act of 1933, as amended.

Certain numbers in these presentations and reports have been subject to routine round off and accordingly figures shown as total in tables and diagrams may not be an arithmetic aggregation of the figures that precede them.

- 5 Goodwill amounting to ₹74,4321.23 Lakhs arises on consolidation of wholly owned subsidiaries namely MFGL and MFIL and their step down subsidiaries viz. Mahindra Forging Europe AG (MFE AG) and its wholly owned subsidiary companies, Jeco Jellinghaus GmbH, Schoneweiss & Co GmbH, Gesenkschmiede Scgneider GmbH and Falkenroth Unformetechnik GmbH (collectively referred to as step down subsidiaries). After significant decline in demand due to economic downturn in Europe and some one time costs due to one plant closure, which affected the result of last 2 years, the market demand is expected to show gradual recovery during next year. Action initiated by the new management team such as improving operational efficiencies, close monitoring, improving price realisation and reduction in people, under active guidance and supervision of CIE Automotive S.A, the ultimate parent company, will start yielding results in 2017. In view of future performance of MFE AG and its subsidiaries, the Company is of view that, there is no impairment of the goodwill or diminution other than temporary in the Company's Investment of Rs 76,375 Lakhs in MFIL and MFGL
- 6 Pursuant to the approval of the Board of Directors of the Company on September 12,2016, the company completed the acquisition of the entire share capital of **Bill Forge Private Limited ("Bill Forge")** and its wholly owned subsidiaries namely **Bill Forge Precision Private Limited , Bill Forge Global DMCC Dubai and Bill Forge Mexico S.DE R. L.DE C V** in October 2016 for a consideration of ₹ 130,279.6 Lakhs which included the issue and allotment of 3,19,91,563 equity shares of the Company to the shareholders of Bill Forge. To finance the acquisition, the Company also allotted 2,25,00,000 equity shares for cash on a preferential basis to its holding company Participaciones Internacionies Autometal, Dos SL. The assets acquired and liabilities assumed in the business combination were recognised at their acquisition date fair value in accordance with the requirements of IND AS 103-Business
- 7 The exceptional Item included in the standalone results for the year ended December 31,2016 relates to the Voluntary Retirement Scheme for workers in one of the plants of the Company.
- 8 The standalone results of the company constitute a single business and geographical segment i.e. automotive components manufactured in India and the Consolidated results comprises of geographical segments of India and Europe.
- 9 Diluted EPS for the Quarter ended Sep 30,2016 has been calculated after considering the dilutive impact of the aforesaid preferential allotment of equity shares of the Company.
- 10 The results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on February 23, 2017.

Market Outlook - India

- **PVs+ UVs:**

“With most of the turbulence caused by the demonetisation exercise subsiding, CRISIL Research expects PV sales to improve in the fourth quarter of 2016-17, supported by new launches.” “Domestic cars and utility vehicles (UVs) sales are expected accelerate from 6% compound annual growth rate (CAGR) between 2010-11 and 2015-16 to 11-13% CAGR from 2015-16 to 2020-21”... CRISIL Research report

- **CVs:**

“MHCV sales, which contracted between 2011-12 and 2014-15, are projected to rebound over 2015-16 to 2020-21, reporting a healthy 9-11% CAGR, as industrial activity improves, agricultural output steadies and infrastructure project execution receives strong focus.” ... CRISIL Research report

- **Tractors:**

“CRISIL Research now expects volumes to expand 15-17%. The forecast is owing to the higher demand estimated with the pick-up in the monsoon, which covered the entire country by mid-July, and increased implementation of infrastructure-related projects. In the long term, CRISIL Research projects domestic tractor sales to grow at 9-11% CAGR during 2015-16 to 2020-21, a slight improvement over the projected structural growth rate of 8-10%, mainly due to low base of 2015-16.”... CRISIL Research report

- **Two Wheelers:**

“Until 2019-20, CRISIL Research expects domestic two-wheeler sales to record an 8-10% CAGR. The payouts as per the Seventh Pay Commission recommendations are expected to boost two-wheeler sales over 2016-18. Scooters, the fastest growing segment, is likely to record a 14-16% CAGR.” ...
