COMPANY SECRETARY**

DIRECTORS' REPORT

To,
The Members
VOLTAMP TRANSFORMERS LIMITED
Makarpura, Vadodara – 390014, Gujarat.

Your Directors have pleasure in presenting the 49th Annual Report and Financial Statements for the Financial Year ended 31st March, 2016.

WORKING RESULTS:

(₹ in Lacs)

PARTICULARS	2015-2016	2014-2015
Sales & Services Income	56,330.32	51,688.75
Profit before Financial Charges and Depreciation	6,570.77	4,091.15
Financial Charges (Bank Charges)	43.91	30.03
Depreciation	597.77	721.79
Profit before Taxation	5,929.09	3,339.33
Provisions for Taxation : Current Tax	1,550.00	875.00
Excess Provision of earlier years written back	----	(252.27)
Deferred Tax	(18.92)	(124.73)
Net Profit for the year	4,398.01	2,841.33
Add: Previous years' surplus	1,066.01	957.91
Profits available for appropriation:	5,464.02	3,799.24
Appropriation therefrom:		
A. Proposed Dividend	1,264.64	1,011.71
B. Dividend Tax on above	257.46	207.15
C. General Reserve	2,500.00	1,500.00
D. Surplus	1,441.92	1,066.01
E. Adjustment of Depreciation	----	14.37
	5,464.02	3,799.24

DIVIDEND:

The Directors recommend payment of dividend @ 125 %, i.e. ₹ 12.50 per equity share of ₹ 10 each on 1,01,17,120 equity shares, for the year ended March 31, 2016.

PERFORMANCE REVIEW:

During the year under review, the Sales and Other Income increased to ₹ 591.59 crores as compared to ₹ 538.05 crores in the previous year. The sales in terms of volume increased to 9202 MVA as compared to 8389 MVA in the previous year. The profit before tax (PBT) steeply increased to ₹ 59.29 crores as compared to ₹ 33.39 crores in the previous year and profit after tax (PAT) increased to ₹ 43.98 crores as compared to ₹ 28.41 in the previous year.

The performance of the Company exceeded the expectations both in terms of improvement in volumes as well as improvement in margins. The operating profit in year under review was much better than expected, largely due to fall in input material prices on fixed price orders. It is also due to volume getting lifted. The Company experienced high volatility in the prices of principal raw materials as well as currency exchange rates. The negative impact of the currency exchange rate fluctuation was compensated with the fall in the prices of Copper, Oil and Steel material. Since demand revival is not taking place on sustainable basis and under utilisation of industry capacity, the Company may not be able to maintain the similar level of margins for financial year 2016-17.

The financial year 2016-2017 started with order backlog of ₹ 239 crores (4642 MVA) with no sign of revival in Corporate Capex.

Timely collection of receivables has been the prime concerns of the Company. During the year, the collection drive has improved the realization of the old / stuck dues of the Company. With the Government thrust on investment revival, the position is expected to improve over a period of 12-18 months.

For detailed analysis of the performance, please refer to the Management Discussion and Analysis section of the Annual Report given in Annexure-IV.

TRANSFER TO INVESTOR EDUCATION AND PROTECTION FUND :

The unclaimed dividend amount aggregating to ₹ 1,09,238 for the financial year ended on 31st March, 2008 was transferred to the Investor Education and Protection Fund established by the Central Government, during the financial year ended March 31, 2016, pursuant to Section 205C of the Companies Act, 1956 (the relevant Section under the Companies Act, 2013 is yet to be notified).

DISCLOSURE OF PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

The disclosure of particulars relating to conservation of energy and technology absorption and foreign exchange earnings and outgo as required by Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 is given in Annexure - I.

EMPLOYEES:

The industrial relations during the year under review have remained cordial and satisfactory. The Board thanks all the Employees for their valuable contribution to the working of the Company.

In accordance with the provisions of Section 197(12) of the Companies Act, 2013 and Rule 5(1) and Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of employees and the Disclosure pertaining to remuneration and other details are set out in the Annexure - II to the Directors' Report. However, as per the provisions of Section 136(1) of the Companies Act, 2013, the Directors' Report is being sent to the shareholders without this Annexure. Shareholders interested in obtaining a copy of the Annexure may write to the Company Secretary at the Company's Registered Office.

CORPORATE GOVERNANCE:

In line with requirement of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Report on Corporate Governance is given in Annexure – III along with certificate from M/s. Chandulal M. Shah & Co., Chartered Accountants confirming compliance with the requirement of Corporate Governance.

MANAGEMENT DISCUSSION AND ANALYSIS:

Management Discussion and Analysis Report is given in Annexure - IV.

DIRECTORS' RESPONSIBILITY STATEMENT UNDER SECTION 134 (5) OF THE COMPANIES ACT, 2013:

The Directors confirm that:

- 1) In the preparation of the annual accounts, the applicable accounting standards have been followed by the Company;
- 2) Such accounting policies have been selected and consistently applied and judgments and estimates made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2016 and of the profit of the Company for the year ended on that date;
- 3) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the applicable provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- 4) Annual accounts have been prepared on a going-concern basis;

- 5) Internal financial controls to be followed by the Company have been laid down and that such internal financial controls are adequate and were operating effectively.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW:

During the F.Y. 2015-16, India's Macro economic scenario remained stagnant with demand for Capital Goods waiting to recover. The investment by the state power transmission utilities (transcos) is expected to get momentum. With the budget target of 100% village electrification by May 2018, coupled with Government projects like Green Energy Corridor for power generation from renewable resources would augment the growth of Transformer industry in medium term. Overall CAPEX by corporate both private and public sectors, are much lower and with that limited demand is being chased by huge capacity. This has caused industry's capacity utilization at sub-optimum level and price realization and liquidity problem is still faced by most of players in transformer industry.

However, the inflation rate, currency rate fluctuation and the release of planned funds for the power sector are the challenges adversely affecting the performance of the industry. The market is crowded with capacity expansion by all players and sizable investments by the Chinese manufacturers. The uncertainty and slow down in the overseas markets are expected to substantially affect the exports potential.

OUTLOOK FOR THE COMPANY:

With Inflation on downward trend, the Reserve Bank of India finally initiated a cycle of interest rate cuts. Investment in industry however continue to be impacted by interest rates, which continue to remain relatively high, and slow pace of project implementation. However, the industrial economy continues to witness sub-par growth with the capex cycle clearly awaiting more policy actions from the Government before taking forward its investment decisions. Company is continuously focusing on cost control to effectively fight competition. Aggressive pricing by the new entrants from the chinese market and multinational companies will impact the margins of the Company in the near future. The medium term perspective of the Company is positive considering the planned expenditure in the power and distribution sector, with reduction in interest rates by banks, the stuck projects are likely to be revived over a period of time.

Considering the future plans of the Government such as 100% Village electrification by 1 May 2018, Power for all by 2019, and Green Energy Corridor, the outlook for our Company seems positive in the long run.

As on date orders available for execution in the current year amount to ₹ 285.48 crores (5407 MVA) providing revenue visibility for 6 to 7 months period.

PERFORMANCE OF THE COMPANY DURING THE LAST FIVE YEARS:

Profit Before Tax (PBT), Profit After Tax (PAT) and Sales and Services Income of the last five years.

₹ in Crores

The Company could achieve sales of ₹ 563.30 crores (9202 MVA) as compared to ₹ 516.88 crores (8389 MVA) in the previous year and the PBT increased to ₹ 59.29 crores as compared to ₹ 33.39 crores in the previous year and PAT increased to ₹ 43.98 crores as compared to ₹ 28.41 crores in the previous year.

FINANCE:

The Company continued to remain debt free during the year. The Company continued to focus on optimizing its working capital to improve cash position. The Company could leverage its cash availability position to get better terms from suppliers. The Company has maintained excellent relationship with its bankers and was able to enjoy favorable terms for various banking facilities. The Company has continued investment of surplus funds available, in various debt and equity schemes of mutual funds, fixed deposit with banks, debentures and bonds, PMS, tax-free bonds, etc. and earned a reasonable return on the same and the Company has also expanded its investment portfolio, from time to time. The receivable position and inventory holding level is not improving and higher investment in receivables and inventory has become reality for the Company to live with. In this uncertain market condition, the Company has limited options to deal with this situation.

FACTORS AFFECTING OUR FUTURE RESULTS OF OPERATIONS:

The major factors affecting future results of operations of your Company are the currency fluctuation, competitive pressures from local as well as recently entered International competitors, Govt. policies on power and infrastructure sectors and project implementation, large unutilized capacity in Industry, aggressive pricing, continuing and highly volatile raw material prices, and timely availability of imported raw materials at budgeted cost.

HUMAN RESOURCES:

The Company is a firm believer that its employees are its strength and the Company therefore respects individual rights and dignity of all its employees. Training, Learning expands the knowledge base of employees and is a key element in the development of organization, thus adequate time was committed to such trainings. The Company focuses on providing the employees, employee - friendly environment and culture and career growth opportunities.

INTERNAL CONTROL SYSTEMS:

The Company has in place, effective internal control systems and policies for compliance of laws and to safeguard the interest of the Company. The Company maintains a system of internal controls designed to provide reasonable assurance regarding the efficiency and reliability of operations and for safeguarding the assets of the Company and for ensuring appropriate recording and reporting of financial information for ensuring reliability of financial controls and for ensuring compliance of applicable laws and regulations.

The internal financial controls are adequate and are operating effectively and there are proper systems in place to ensure compliance with the provisions of all applicable laws and such systems are adequate and operating effectively.

The internal audit covers a wide variety of operational matters and ensures compliance with specific standards with regard to reliability and suitability of policies and procedures.

The internal auditors report to the top management through Chairman & Managing Director and continuously monitors adherence to laid down systems and policies. Services of internal auditors are being outsourced through established audit firm. The systems are regularly reviewed and modified for changes in operating and regulatory requirements.

The Audit Committee reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening the same from time to time.

RISKS & CONCERNS:

The major risk factors affecting the Company are overcapacity in industry, non-lifting of ready materials due to cash constraints at customers' end building inventory and liquidity issues, increase in receivable positions due to delay in payment by certain customers, uncertainty in execution of low fixed price orders. The wide fluctuation of rupee against US Dollars also affects margin since the key raw materials, viz. copper, transformer oil, special steels for lamination, etc., are of import origin.

STRENGTH:

The Company is debt free since many years and having a good amount of investments of its surplus funds in diversified portfolios, viz. debt and equity mutual funds, bonds, debentures, fixed deposits, PMS, tax-free bonds, etc. and the Company has efficient working capital management. The Company has a diverse industrial client base and not dependent on any particular industry segment or region to book orders.

INDEPENDENT AUDITORS' REPORT

To
The Members of Voltamp Transformers Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Voltamp Transformers Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the auditor report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state affairs of the Company as at 31 March, 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c. The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on 31 March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016, from being appointed as a Director in terms of section 164(2) of the Act.
- f. With respect to adequacy of the internal financial control over financial reporting of the company and operating effective of such controls, refer to our separate report in Annexure 'B'.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

Annexure 'B' to the Independent Auditors Report

Refer to the Paragraph 2(f) of the independent auditors' report of even date to the members of Voltamp Transformers Limited on the financial statements for the year ended on 31st March 2016.

Report on the Internal Financial Controls under Clause(i) of sub-section 3 of section 143 of the Companies Act 2013 ("The Act")

We have audited the internal financial controls over financial reporting of Voltamp Transformers Limited ("The Company") as on 31 March 2016, in conjunction with our audit of the standalone financial statement of the company for the financial year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for laying down and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the control weakness/es identified and reported in Risk Control Matrix (RCM) in determining the nature, timing, and extent of audit tests applied in our review of the March 31, 2016 standalone financial statements of the Company, and these control weaknesses do not affect our opinion on the financial statements of the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2016

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements

The financial statements are prepared and presented under the historical cost convention on the accrual basis of accounting and comply with Rule 7 of the Companies (Accounts) Rules, 2014, Section 133 of the Companies Act, 2013 and guidelines issued by SEBI. Accounting policies have been applied consistently except where a newly issued accounting standard is initially adopted or a revision in existing accounting standard requires a change in accounting policy hitherto in use.

2. Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

3. Fixed assets and depreciation/amortisation

Tangible Fixed assets are stated at historical cost less accumulated depreciation. Cost comprises purchase price, duties, levies and other directly attributable expenses of bringing the asset to its working condition for the intended use.

Advances paid towards acquisition of fixed assets and the cost of assets acquired but not ready for use as at the balance sheet date are disclosed under capital work-in-progress.

Depreciation on tangible fixed assets, is provided using the written down value method as per the useful life of various assets specified under Schedule II to the Companies Act, 2013 after considering the residual value as prescribed under the said schedule except in case of Computers where in residual value @ 2.50% of the original cost of the asset is taken as residual value instead of 5% prescribed under the said schedule. In respect of fixed assets purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to put to use.

Intangible fixed assets are stated at historical cost less accumulated amortisation. Cost comprises purchase price, duties, levies and other directly attributable expenses of bringing the assets to its working condition for the intended use. Cost is amortised over its useful economic life based on expected benefit.

4. Impairment of assets

In accordance with accounting standard 28 on 'Impairment of assets', the Company assesses at each balance sheet date whether there is an indication that assets of the Company may be impaired. Where any such indication exists the company estimates the recoverable amount of the assets. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated at the higher of its net selling price and its value in use. An impairment charge is recognised whenever the carrying amount of the asset or cash-generating unit exceeds its recoverable amount.

5. Investments

Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment. Current investments are carried at lower of cost and fair value.

6. Inventories

Inventories are valued at lower of cost and net realisable value. Cost is determined under the first-in, first-out method and includes all costs incurred in bringing the inventories to their present location and condition. Finished goods and Work-in-progress include appropriate proportion of costs of conversion.

7. Revenue recognition

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of excise duty, sales tax and trade discounts.

Interest on deployment of surplus funds is recognized using the time-proportion method, based on interest rates implicit in the transaction based on reasonable certainty of receipt. Interest on advances is recognized when the ultimate collection is not uncertain.

Dividend income is recognized when the right to receive dividend is established.

Service revenue is recognized, net of service tax, when the services are performed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2016**8. Employee benefits****(i) Post-employment Benefits:****(a) Defined Contribution Plans:**

The company has Defined Contribution Plans for post employment benefits, charged to Profit & Loss Account, in form of:

- a. Provident Fund / Employee's Pension Fund administered by the Regional Provident Fund Commissioner,
- b. Superannuation Fund as per Company's policy administered by Life Insurance Corporation of India;
- c. Group Life Insurance cover, as per company's policy.

(b) Defined Benefit Plans:

Funded Plan: The Company has Defined Benefit Plan for post employment benefits in the form of Gratuity for all employees administered through trust, funded with Life Insurance Corporation of India.

Unfunded Plan: The Company has unfunded Defined Benefit Plans in the form of Compensated Absences [CA] as per Company policy.

Liability for the above Defined Benefit Plans is provided on the basis of actuarial valuation, as at the balance sheet date, carried out by independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit Method.

- (ii) The actuarial gains and losses arising during the year are recognized in the Profit & Loss Account for the year.

9. Foreign currency transactions

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. The difference between the actual rate of settlement and the rate on the date of the transaction is charged or credited to profit and loss account.

In respect of monetary current assets and liabilities denominated in foreign currencies the overall net gain or loss, if any, on conversion at the exchange rates prevailing on the date of the balance sheet is charged to revenue.

10. Taxation

Income tax expense comprises current tax expense and deferred tax expense/credit.

Current tax

Provision for current tax is calculated in accordance with the provisions of the Income-Tax Act, 1961 and is made annually based on the tax liability computed after considering tax allowances and exemptions.

Assets and liabilities representing current tax are disclosed on a net basis when there is a legally enforceable right to set off and where the management intends to settle the asset and liability on a net basis.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits/losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognised only to the extent there is a reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

11. Earnings per share ('EPS')

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti dilutive. The number of equity shares is adjusted for any share splits and bonus shares issued effected prior to the approval of the financial statements by the Board of Directors.

12. Contingencies and provisions

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
