DIRECTORS' REPORT

To,
The Members
VOLTAMP TRANSFORMERS LIMITED
Makarpura, Vadodara – 390014, Gujarat.

Your Directors have pleasure in presenting the 50th Annual Report and Financial Statements for the Financial Year ended 31st March, 2017.

WORKING RESULTS:

(` in Lacs)

PARTICULARS	2016-2017	2015-2016
Sales & Services Income	60937.70	56330.32
Profit before Financial Charges and Depreciation	9727.91	6570.77
Financial Charges (Bank Charges)	47.17	43.91
Depreciation	581.72	597.77
Profit before Taxation	9099.02	5929.09
Provisions for Taxation : Current Tax	2300.00	1550.00
Deferred Tax	2.14	(18.92)
Net Profit for the year	6796.88	4398.01
Add: Previous years' surplus	1441.92	1066.01
Profits available for appropriation:	8238.80	5464.02
Appropriation therefrom:		
A. Proposed Dividend	1517.57	1264.64
B. Dividend Tax on above	----	257.46
C. General Reserve	----	2500.00
D. Surplus	----	1441.92
	8238.80	5464.02

DIVIDEND:

The Directors recommend payment of dividend @ 150%, i.e. ` 15 per equity share of ` 10 each on 1,01,17,120 equity shares, for the year ended March 31, 2017.

PERFORMANCE REVIEW:

During the year under review, the Sales and Other Income in monetary terms increased by about 10% to ` 651.45 crores as compared to ` 591.58 crores in the previous year. The Company has recorded its best ever performance in MVA term, achieving sales volume of 10189 MVA, as compared to 9202 MVA in the previous year, a growth of 10% compare to previous year. The Profit Before Tax (PBT) increased to ` 90.99 crores, as compared to ` 59.29 crores in the previous year and Profit After Tax (PAT) increased to ` 67.97 crores, as compared to ` 43.98 crores in the previous year.

The Company has been able to maintain its growth momentum both in terms of volume and margins for the second year in a row. Volatility in the Domestic as well as International market of principal raw materials had been a constant challenge for the Management to execute fixed price orders at budgeted cost and maintain the margins. The Company could avail some benefits out of falling material prices and better discipline in selecting orders along with scaling up volume help greatly to improve margin. The Company's dependence on TRANSCOs (erstwhile SEBs) business during the year come down drastically.

The financial year 2017-2018 started with an order backlog of ` 293.48 crores (4622.38 MVA) with sign of slow revival in Corporate CAPEX in select industries.

During the year, the Company's dedicated efforts towards timely collection of receivables has resulted in better liquidity position. The Company's efforts continued to have timely realization of receivables, which remain a challenging task.

For detailed analysis of the performance, please refer to the Management Discussion and Analysis section of the Annual Report given in Annexure-IV.

TRANSFER TO INVESTOR EDUCATION AND PROTECTION FUND :

The unclaimed dividend amount aggregating to ` 2,12,700 for the financial year ended on 31st March, 2009 was transferred to the Investor Education and Protection Fund established by the Central Government, during the financial year ended March 31, 2017, pursuant to Section 124 of the Companies Act, 2013.

Further, according to the Rules, the shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more shall also be transferred to the demat account created by the IEPF authority. Accordingly, the company has transferred the unclaimed and unpaid dividends. Further, the corresponding shares will be transferred as per the requirements of the IEPF rules.

DISCLOSURE OF PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

The disclosure of particulars relating to conservation of energy and technology absorption and foreign exchange earnings and outgo as required by Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 is given in Annexure - I.

EMPLOYEES:

The industrial relations during the year under review have remained cordial and satisfactory barring contract labour of Savli factory staying away from works for about 4-6 weeks. The Board thanks all the Employees for their valuable contribution to the working of the Company.

In accordance with the provisions of Section 197(12) of the Companies Act, 2013 and Rule 5(1) and Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of employees and the Disclosure pertaining to remuneration and other details are set out in the Annexure - II to the Directors' Report. However, as per the provisions of Section 136(1) of the Companies Act, 2013, the Directors' Report is being sent to the shareholders without this Annexure. ANNEXURE - IV TO THE DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY OVERVIEW:

The economic recovery is slow and policy measures taken by the Government are yet to positively influence the economy and the business of power industry. The Government has undertaken many policy reforms in the power sector in the past couple of years. Schemes like UDAY are likely to have a lasting impact on the fiscal health of discoms. Further, an increased emphasis on renewables has created new opportunities in the sector. However further reforms are required at the distribution level to improve the health of discoms, thereby increasing power offtake and thereby putting available power generation capacity to use. In spite of the Government's continued efforts to provide a fillip to the power sector by way of schemes like the UDAY, 24x7 Power for all, 100 per cent electrification of villages and the introduction of transparent mechanisms such as competitive bidding for the allocation of resources like coal, utility performances did not show any significant signs of improvement in current financial year.

The Industry continue to live with surplus capacity resulting in continued pricing pressure. The outlook for the sector is improving with slow pace.

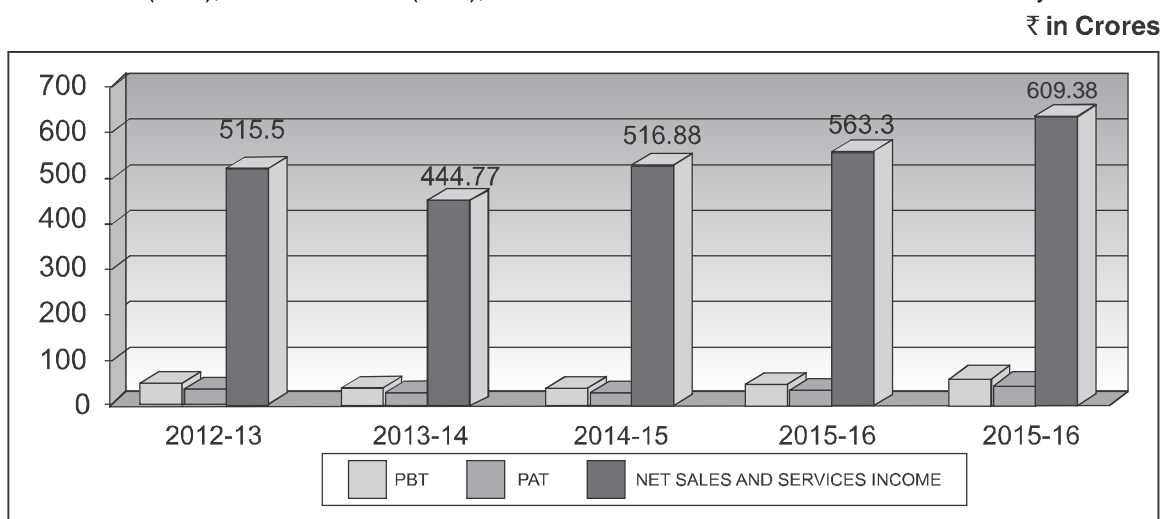

OUTLOOK FOR THE COMPANY:

Presently, Company is not witnessing sustainable demand growth but over the next few years concentrated efforts and policy initiatives of the Government will start showing results on ground. Large outlay by the Government on infrastructure projects and ambitious target of solar and wind energy projects is likely to improve tender / enquiry in pipeline for potential business. Initiatives such as UDAY, DDUGJY, aggressive renewable energy target, the new hydro policy and the massive transmission connectivity plans is expected to gradually ease competitive pressure. These reforms are ambitious. If executed properly, they could have a significant impact on the sector in the next few years. With this background, the Company look forward to improve business in volume term in current year, but margin continued to be under pressure in view of surplus capacity with organized sector players in industry. The Company has kept with volume growth pace of F.Y. 2015-2016 in the F.Y. 2016-2017 as well. The Company is focused on timely collection of receivables and cost control. However, pricing pressure with idle capacity in industry, are not allowing sustainable improvement in margin. GST implementation will impact first two quarters dispatches/ invoicing, particularly with non government customers.

As on date orders available for execution in the current year amount to ` 310 crores (5200 MVA) providing revenue visibility for about 7 months period.

PERFORMANCE OF THE COMPANY DURING THE LAST FIVE YEARS:

Profit Before Tax (PBT), Profit After Tax (PAT), and Sales and Services Income of the last five years.

The Company could achieve sales of ` 609.38 crores (10189 MVA) as compared to ` 563.30 crores (9202 MVA) in the previous year and the PBT increased to ` 90.99 crores as compared to ` 59.29 crores in the previous year and PAT increased to ` 67.97 crores as compared to ` 43.98 crores in the previous year. The Company has recorded its best

ever performance in MVA term, achieving sales volume of 10189 MVA as compared to 9202 MVA in the previous year, a growth of 10% compare to previous year.

FINANCE:

The Company continued to remain debt free during the year. The Company continued to focus on optimizing its working capital to improve cash position. The Company could leverage its cash availability position to get better terms from suppliers. The Company has maintained excellent relationship with its bankers and was able to enjoy favorable terms for various banking facilities. The Company has continued investment of surplus funds available, in various debt and equity schemes of mutual funds, fixed deposit with banks, debentures and bonds, PMS, tax-free bonds, etc. and earned a reasonable return on the same and the Company has also expanded its investment portfolio, from time to time. The receivable position is at healthy level and majority of past issues got addressed .

FACTORS AFFECTING OUR FUTURE RESULTS OF OPERATIONS:

The major factors affecting future results of operations of your Company are the currency fluctuation, competitive pressures from local as well as recently entered International competitors, Govt. policies on power and infrastructure sectors and project implementation, large unutilized capacity in Industry, aggressive pricing, continuing and highly volatile raw material prices, and timely availability of imported raw materials at budgeted cost.

HUMAN RESOURCES:

The Company continue its focus on development of human resources. The Company is a firm believer that its employee are its strength and the Company therefore respects individual rights and dignity of all its employees. The relations of the management with employees during the year continued to be cordial barring contract labour of Savli factory staying away from works for about 4-6 weeks. Learning and development has been strengthened to bring value addition in the employee and to enhance team building leading towards success. The Company focuses on providing the employees, employee - friendly environment and culture and career growth opportunities.

INTERNAL CONTROL SYSTEMS:

The Company has in place, commensurate with the size and complexity of Company's business operation effective internal control systems and policies for compliance of laws and to safeguard the interest of the Company. The Company maintains a system of internal controls designed to provide reasonable assurance regarding the efficiency and reliability of operations and for safeguarding the assets of the Company and for ensuring appropriate recording and reporting of financial information for ensuring reliability of financial controls and for ensuring compliance of applicable laws and regulations.

The internal financial controls are adequate and are operating effectively and there are proper systems in place to ensure compliance with the provisions of all applicable laws and such systems are adequate and operating effectively.

The internal audit covers a wide variety of operational matters and ensures compliance with specific standards with regard to reliability and suitability of policies and procedures.

The internal auditors report to the top management through Chairman & Managing Director and continuously monitors adherence to laid down systems and policies. Services of internal auditors are being outsourced through established audit firm. The systems are regularly reviewed and modified for changes in operating and regulatory requirements.

The Audit Committee reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening the same from time to time.

RISKS & CONCERNS:

The major risk factors affecting the Company are over capacity in industry, non-lifting of ready materials due to cash constraints at customers' end building inventory and liquidity issues, increase in receivable positions due to delay in payment by certain customers, uncertainty in execution of low fixed price orders. The wide fluctuation of rupee against US Dollars also affects margin since the key raw materials, viz. copper, transformer oil, special steels for lamination, etc., are of import origin.

STRENGTH:

The Company is debt free since many years and having a good amount of investments of its surplus funds in diversified portfolios, viz. debt and equity mutual funds, bonds, debentures, fixed deposits, PMS, tax-free bonds, etc. and the Company has efficient working capital management. The Company has a diverse industrial client base and not dependent on any particular industry segment or region to book orders.

INDEPENDENT AUDITORS' REPORT

To

The Members of Voltamp Transformers Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Voltamp Transformers Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the auditor report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state affairs of the Company as at 31 March, 2017, and its profit and its cash flows for the year ended on that date.

Annexure 'B' to the Independent Auditors Report

Refer to the Paragraph 2(f) of the independent auditors' report of even date to the members of Voltamp Transformers Limited on the financial statements for the year ended on 31st March 2017.

Report on the Internal Financial Controls under Clause(i) of sub-section 3 of section 143 of the Companies Act 2013 ("The Act")

We have audited the internal financial controls over financial reporting of Voltamp Transformers Limited ("The company") as on 31 March 2017, in conjunction with our audit of the standalone financial statement of the company for the financial year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for laying down and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, to the extent applicable to an audit of internal financial controls and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the control weakness/es identified and reported in Risk Control Matrix (RCM) in determining the nature, timing, and extent of audit tests applied in our review of the March 31, 2017 standalone financial statements of the Company, and these control weaknesses do not affect our opinion on the financial statements of the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements

The financial statements are prepared and presented under the historical cost convention on the accrual basis of accounting and comply with Rule 7 of the Companies (Accounts) Rules, 2014, Section 133 of the Companies Act, 2013 and guidelines issued by SEBI. Accounting policies have been applied consistently except where a newly issued accounting standard is initially adopted or a revision in existing accounting standard requires a change in accounting policy hitherto in use.

2. Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles in India requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

3. Fixed assets and depreciation/amortisation

Tangible Fixed assets are stated at historical cost less accumulated depreciation. Cost comprises purchase price, duties, levies and other directly attributable expenses of bringing the asset to its working condition for the intended use.

Advances paid towards acquisition of fixed assets and the cost of assets acquired but not ready for use as at the balance sheet date are disclosed under capital work-in-progress.

Depreciation on tangible fixed assets, is provided using the written down value method as per the useful life of various assets specified under Schedule II to the Companies Act, 2013 after considering the residual value as prescribed under the said schedule except in case of Computers where in residual value @ 2.50% of the original cost of the asset is taken as residual value instead of 5% prescribed under the said schedule. In respect of fixed assets purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to put to use.

Intangible fixed assets are stated at historical cost less accumulated amortisation. Cost comprises purchase price, duties, levies and other directly attributable expenses of bringing the assets to its working condition for the intended use. Cost is amortised over its useful economic life based on expected benefit.

4. Impairment of assets

In accordance with accounting standard 28 on 'Impairment of assets', the Company assesses at each balance sheet date whether there is an indication that assets of the Company may be impaired. Where any such indication exists the company estimates the recoverable amount of the assets. The recoverable amount of the assets (or where applicable that of the cash generating unit to which the asset belongs) is estimated at the higher of its net selling price and its value in use. An impairment charge is recognised whenever the carrying amount of the asset or cash-generating unit exceeds its recoverable amount.

5. Investments

Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment. Current investments are carried at lower of cost and fair value.

6. Inventories

Inventories are valued at lower of cost and net realisable value. Cost is determined under the first-in, first-out method and includes all costs incurred in bringing the inventories to their present location and condition. Finished goods and Work-in-progress include appropriate proportion of costs of conversion.

7. Revenue recognition

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of excise duty, sales tax and trade discounts.

Interest on deployment of surplus funds is recognized using the time-proportion method, based on interest rates implicit in the transaction based on reasonable certainty of receipt. Interest on advances is recognized when the ultimate collection is not uncertain.

Dividend income is recognized when the right to receive dividend is established.

Service Revenue is recognized, net of service tax, when the services are performed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

8. Employee benefits

(i) Post-employment Benefits:

(a) Defined Contribution Plans:

The company has Defined Contribution Plans for post employment benefits, charged to Profit & Loss Account, in form of:

- Provident Fund / Employee's Pension Fund administered by the Regional Provident Fund Commissioner,
- Superannuation Fund as per Company's policy administered by Life Insurance Corporation of India;
- Group Life Insurance cover, as per company's policy.

(b) Defined Benefit Plans:

Funded Plan: The Company has Defined Benefit Plan for post employment benefits in the form of Gratuity for all employees administered through trust, funded with Life Insurance Corporation of India.

Unfunded Plan: The Company has unfunded Defined Benefit Plans in the form of Compensated Absences [CA] as per Company policy.

Liability for the above Defined Benefit Plans is provided on the basis of actuarial valuation, as at the balance sheet date, carried out by independent actuary. The actuarial method used for measuring the liability is the Projected Unit Credit Method.

- The actuarial gains and losses arising during the year are recognized in the Profit & Loss Account for the year.

9. Foreign currency transactions

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. The difference between the actual rate of settlement and the rate on the date of the transaction is charged or credited to profit and loss account.

In respect of monetary current assets and liabilities denominated in foreign currencies the overall net gain or loss, if any, on conversion at the exchange rates prevailing on the date of the balance sheet is charged to revenue.

10. Taxation

Income tax expense comprises current tax expense and deferred tax expense/credit.

Current tax

Provision for current tax is calculated in accordance with the provisions of the Income-Tax Act, 1961 and is made annually based on the tax liability computed after considering tax allowances and exemptions.

Assets and liabilities representing current tax are disclosed on a net basis when there is a legally enforceable right to set off and where the management intends to settle the asset and liability on a net basis.

Deferred tax

Deferred tax liability or asset is recognised for timing differences between the profits/losses offered for income taxes and profits/losses as per the financial statements. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date.

Deferred tax assets are recognised only to the extent there is a reasonable certainty that the assets can be realised in future; however where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

11. Earnings per share ('EPS')

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti dilutive. The number of equity shares is adjusted for any share splits and bonus shares issued effected prior to the approval of the financial statements by the Board of Directors.

12. Contingencies and provisions

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
