12. STATUTORY DISCLOSURES

A. Conservation of Energy

Your company is engaged in the business of Real Estate, Investments/Financing and Wind Power Generation. Currently the company is developing a Residential Cum Commercial Project named "Cloud 36" at Ghansoli, Navi Mumbai. The project Cloud 36 has been reclassified as Green Building under GRIHA certification. GRIHA is an acronym for Green Rating for Integrated Habitat Assessment. Human Habitats (buildings) interact with the environment in various ways. Throughout their life cycles, from

construction to operation and then demolition, they consume resources in the form of energy, water, materials, etc. and emit wastes either directly in the form of municipal wastes or indirectly as emissions from electricity generation. GRIHA attempts to minimize a building's resource consumption, waste generation, and overall ecological impact to within certain nationally acceptable limits / benchmarks.

The benefits of registering under GRIHA Certification are as follows:

- Reduced energy consumption without sacrificing the comfort levels.
- Reduced destruction of natural areas, habitats, and biodiversity, and reduced soil loss from erosion etc.
- Reduced air and water pollution (with direct health benefits).
- Reduced water consumption
- Limited waste generation due to recycling and reuse.
- Reduced pollution loads.

The Company continues its efforts to reduce and optimize the use of energy consumption by installing energy monitoring and conservation systems to monitor usage, minimize wastage and increase overall efficiency at every stage of power consumption.

The Company is also emphasizing on utilizing natural sources of energy in its business activity.

B. Technology Absorption

Currently the company is developing a Residential Cum Commercial Project named "Cloud 36" at Ghansoli, Navi Mumbai. For this purpose, the company has imported technology known as MIVAN formworks system. MIVAN is an aluminium formwork system developed by a European construction company. MIVAN technology is suitable for constructing large number of houses in a short span of time using room size forms to construct walls and slabs in one continuous pour on concrete. In this system of formwork construction, concrete wall and floor slabs cast monolithic provides the structural system in one continuous pour. To facilitate fast construction, early removal of forms can be achieved by hot air curing / curing compounds. Large room sized forms for walls and floor slabs are erected at site. These strong and sturdy forms are fabricated with accuracy and are easy to handle. The concrete is produced in RMC batching plants under strict quality control and convey it to site with transit mixers.

Uses and benefits of MIVAN Formwork:

- 3S – System of Construction – Speed, Strength, Safety.
- Column and beam construction are eliminated.
- Walls and slabs are cast in one operation.
- Specially designed, easy to handle light weight pre-engineered aluminium forms.
- Fitting and erecting the portion of shuttering.
- Carrying out concreting of the walls and slabs together.

*There has been increase in the Shareholding of Mr. Ashwin Kumar Kothari, Mr. Gaurav Shyamsukha, Mrs. Nidhi Shyamsukha and Mrs. Tejal Kothari belonging to promoter and promoter group as on 31st March, 2016 due to conversion of 27 lakh warrants into Equity Shares on 20th January, 2016 which was allotted to them pursuant to special resolution passed at the Extra-Ordinary General Meeting of the Company held on 9th July, 2014.

Further there has been no change in the shareholding of other persons belonging to promoter and promoter group other those specified above. However due to increase in total paid up capital of the Company consequent upon allotment of Equity Shares on account of conversion of warrants there is negligible reduction in their shareholding.

The CSR Committee and the Board of Directors of the Company are of the view that CSR expenditure should be made on the activities which are beneficial to the public at large in line with the CSR policy and which are able to meet genuine concerns of the needy. The Committee is also concerned with the process adopted by the agencies and organisation engaged in the social activities while carrying out the CSR activities. The Committee is striving to identify some public service oriented organisations working in the area of Education, Health Care and Environmental Sustainability and will be soon finalising one of those so that there is no further delay in spending towards CSR activity.

The Board of the Company is very keen to execute CSR spending and has been discussing internally on the same. To avoid the instances of frauds and prevent outflow of funds in wrong hands and to avoid instances of non-spending by the appointed agencies, the Board of Directors and the CSR Committee of the Company are identifying the right avenue for effecting the CSR spending.

If found appropriate Company will engage external agency/NGO's for carrying out CSR activities.

7. **Responsibility statement**

The CSR Committee hereby confirms that the implementation and monitoring of CSR policy has been carried out with all reasonable care and diligence and the same is in compliance with the CSR objectives and the policy of the company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company Operates in 3 Business Segments viz. (i) Real Estate (ii) Investments /Financing and (iii) Wind Power Generation.

➤ Industry Structure & Developments :

The global economy struggled to gain momentum as many developed countries continued to struggle and emerging economies have also seen downward pressure on their growth rates.

The Indian Economy has been one of the radiant spots amidst the global slowdown. GDP growth in FY16 stood at 7.6 % compared with 7.2% last year. According to the Economic Survey 2015-16, the Indian economy will continue to grow more than 7 per cent in 2016-17. Also, given a normal monsoon forecast for this year, even food inflation could be kept under control in the near-to-medium term while triggering a healthy growth of agriculture and rural economy.

There is an immense potential for residential real estate in India despite the short term and subdued demand factors, economic downturn, complex approval process and other challenges. However, growth in the residential real estate sector is supported by robust underlying market drivers such as favourable macroeconomic conditions, increasing affordability and urbanization, improved access to credit and the gradual shift from unorganised real estate construction to organised development. The Real Estate (Regulation and Development) Act (RERA), is a landmark reform for the real estate sector which has the potential to address long standing issues which have plagued the growth of the sector. The government is focussed on working to deliver its promise of "Housing for All" by 2022. RERA is aimed primarily at ensuring that real estate projects around the country follow certain guidelines from the government to ensure that the interest of the buyer is protected.

The Make in India, Swachh Bharat, Digital India, Housing for All 2022, Start up, Stand up India relaxation of FDI norms in Real Estate, REIT for

Real Estate Sector are some initiatives as are unfolded in the Budget 2016 in an attempt to take India to the next leap of growth .

FY 16 was a roller coaster year for equity markets primarily due to significant global head winds and poor earnings momentum. However, going ahead, sentiments should be better with gradual improvement in economy and corporate earnings. With greater interest in equities, bonds, debt instruments & retirement savings, the wealth management industry is also on the cusp of significant growth going forward. Though RBI resumed accommodative stance and has reduced the policy rates by more than 1% in FY 15-16, the transmission of the rate cut is yet to be done in a meaningful full way by the banks.

However on the back of continued reforms by government agencies and a favourable demography, financial services sector as a whole is at an inflection point, this will present a structural growth opportunity to the organised players.

Power Sector is one of the most diversified in the world. Sources of power generation range from fossil and renewable sources.

India meets close to 65% of its electricity needs from fossil fuels and is expected to continue doing so in future. This poses questions on cost of electricity supply, environmental impacts and energy security. At this juncture, Renewable Energy (RE) is being seen as one of the important means to meet the growing power needs of the economy while enhancing energy security through diversification of fuel sources and providing opportunities for mitigating greenhouse gas emissions. India has vast renewable energy potential through wind, solar, biomass, small hydro etc.

➤ Opportunities and Threats :

The RERA provides a huge opportunity to organised Real Estate players. The major advantage for the buyer by introduction of

Real Estate (Regulation and Development) Act is that it provides for mandatory registration of all projects with the Real Estate Regulatory Authority in each State. Only developers with viable business proposals and plans for future development would remain in the market. Delays in project launches, lack of transparency, lack of legal aegis and information, delays in dispute resolution, fraudulent practices and so on will be dealt with. This is just the beginning; the Indian Real Estate Sector is in the right direction.

With the Government initiative of relaxation of foreign direct investment (FDI) norms in the Indian real estate sector, foreign entities are now flocking to strengthen their position by investing in real estate stock of completed or under construction projects. The new FDI norms will also help to ease the entry and exit for foreign investors. With the removal of dividend distribution tax on distribution of profits by special purpose vehicles to REITs, removal of tax deducted at source on distribution of income by business trust to non-residents and exemption from stamp duty on transfer of asset to REITs is available, this sector will further open another avenue for funding for the Real Estate Sector.

The demand for real estate in a country like India should remain strong and with your Company's well-designed strategy and focus on making sound and informed strategic decisions catering to the market requirements makes it much preferred choice for customers and shareholders – medium to long term. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

While the Management of your Company is taking efforts in exploiting the opportunities, the key challenges and threats that come their way include lack of clear land titles, absence of title insurance, absence of industry status, lack of adequate sources of finance, shortage of labour, rising manpower and labour costs, and the approval difficulties. Approval time is the biggest bottleneck of the industry with demand for a single window clearance having

been a unanimous voice for many years now. Real Estate industry was expecting measures to reduce time and cost involved in getting permissions. In fact, the addition of 0.5% Krishi Kalyan Cess on all services would cause additional burden on home buyers who are already burdened with various types of taxes & duties in addition to cost escalation.

In the Investing/Financing business while there has been considerable improvement in macro variables, the same has not yet favourably impacted the corporate earnings owing to lower rural demand, currency headwinds and delay in the revival of investment cycle. It is expected to have picked on corporate earnings with full transmission of interest rate and impact of lower commodity prices translates to lower input costs for corporate. Medium term risk in the form of global growth slowdown and slow movement of critical reforms to push through may continue to weigh on market sentiments. Nevertheless, we continue to remain positive on equities as an asset class with expectations of improvement in corporate balance sheet and revival of investment cycle.

Investments are never risk free and are prone to various global and local issues which may at any time turn a profitable investment to loss making investment. Investments in Equity, Debt, and Mutual Fund are all asset class whose performance depends on the various factors which are not controllable. Other risks which affect financial services in India are slower than expected recovery of macro-economy, domestically as well as globally, or inability of Government to push through major economic reforms can delay the return of growth. The total transmission of rate cuts would reduce the long term returns on interest bearing investment and financing instruments.

➤ **Segment-wise/Financial & Operational Performance :**

Currently the Company has two projects under development. The Cloud 36, project at Ghansoli, Navi Mumbai is progressing as per schedule, and your Company endeavours to complete the project within the stipulated time. Sales at the

project are also progressing as per targets. The Company has commenced the development of affordable housing project at Karjat, Raigad District in the last quarter of FY 2016.

The Company has large pull of liquid assets and there exists an opportunity to invest it very efficiently. The Company sees good opportunities to invest its funds in risk free Inter-Corporate Deposits and interest bearing financial instruments. The Company endeavours to maximise its return on surplus funds, within the parameters of prudent investment norms giving highest regard to the quality of credit risk to its investment/financing portfolio.

The Wind Power Division of GeeCee Ventures Limited commissioned its operation in 2010 by setting up 5.35 MW Wind Turbine Generators in Jodhpur District, Rajasthan. The entire power generated from these wind turbines is supplied to the power deficit state of Rajasthan.

Your Company has booked revenue from real estate in the current financial year as per the Guidance note issued by Institute of Chartered Accountants of India (ICAI) on real estate accounting. The revenue for the current year from real estate is Rs.10066.60 lakhs. The revenue from investments / financing has marginally increased from 4072.52 lakhs in FY 2014-15 to Rs. 4135.21 lakhs in FY 2015-16. Revenue from Wind Power Generation has decreased from previous year Rs.269.18 lakhs to the current year Rs.217.54 lakhs. During the year, the Company has accounted an extraordinary income of Rs.450 lakhs on account of reversal of provision for closing adjustment on business transfer made at the time of sale of Chemical Business for completion of certain post-closing conditions. The Company during the year booked revenue of Rs.445.61 lakhs account of transfer of land held as an investment to stock in trade.

The Company has earned revenue of Rs. 14611.80 Lakhs as compared to previous year revenue of Rs. 4608.21 Lakhs. Net Profit after tax increased to Rs. 3654.32 Lakhs for the current year as compared to Rs. 1252.43 Lakhs for the previous year.

The Company has only one class of shares – Equity shares of par value of Rs.10 each. The authorised share capital of the Company remains stable at Rs. 50 crores, however, there is an increase in the paid up share capital of the Company from 19.02 crores to Rs. 21.72 crores consequent to the preferential allotment of the shares made to the promoter and promoter group of the Company during the year.

➤ **Outlook, Risk and Concerns:**

The much awaited Real Estate Regulation Act (RERA) came into existence on May 1, 2016 which aimed primarily at ensuring that real estate projects around the country follow certain guidelines to ensure that the interest of the buyer is protected. However, a lot of work has to be done by state governments in the coming months in implementing the act such that the benefit of the same can be enjoyed by home-buyers and also organised developers. The Company will continuously work to ensure full compliance of the new Industry friendly Regulation. The improved economic growth and resultant improvement in demand of real estate, coupled with the Company's execution capability and brand value which it has been able to create in short span, the Company is well positioned to become a preferred Real Estate Developer. This in turn will drive the future growth of the Company.

The Company has a well-structured and robust risk management mechanism which continuously evaluates risk mitigation on an on-going basis. The risk management system is working smoothly and will be evaluated for stress test or modification upon change in size or nature of business. The Risk Management System is reviewed periodically and necessary changes are made, if required. The Company faces risks in real estate sector business mainly on account of following factors:

- a) **Market price fluctuation:** The performance of your Company may be affected by the sales realizations of its projects. These prices are driven by prevailing market conditions, the nature and location of the projects, and the design of the projects.

- b) Sales: The volume of bookings depends on the ability to design projects that will meet customer preferences, getting various approvals in time, general market factors, project launch and customer trust in entering into sale agreements well in advance of receiving possession of the projects.
- c) Execution: Execution depends on several factors which include labour availability, raw material prices, receipt of approvals and regulatory clearances, access to utilities such as electricity and water, weather conditions and the absence of contingencies such as litigation. Your Company manages the adversities with cautious approach, meticulous planning and by engaging established and reputed contractors.
- d) Land / Development rights –Availability: The cost of land forms a substantial part of the project cost, particularly in Mumbai. Your Company acquires land / land development rights from the government and/or private parties. Delay in acquisition of Land Development Rights at reasonable cost, could affect the growth of the business.

The Indian economy currently stands at a strong footing with the interest rate rolling downwards, fiscal deficit mostly under control and the governments continued push for reforms and ease of doing business. Further, the pay commission suggestion for hikes in pay-outs for government employees coupled with soft commodity prices are likely to result in a consumption driven growth.

The securities market risk usually defines the risk involved in the investments. The stark potential of experiencing losses following a fluctuation in security prices is the reason behind the securities market risk. Risk is the integrated part of the investment. The higher the potential of return, the higher is the risk associated with it. Systematic & Prudent asset allocation is strong tool to mitigate the securities market risk.

➤ **Internal Control systems and their adequacy**

The Company has an adequate system of internal control to ensure that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The internal control is supplemented by extensive programme of internal audits, review by management, documented policies, guidelines and procedures. The system has been designed to ensure that financial and other records are reliable for preparing financial information and for maintaining accountability of assets. All financial and audit control systems are also reviewed by the Audit Committee of the Board of Directors of the Company.

➤ **Human Resources**

Your company's closing headcount for the FY 2015- 16 was 32.

The Company's business is managed by a team of competent and passionate leaders capable of enhancing your Company's standing in the competitive market. The Company's focus is on unlocking the people potential and further developing their functional, operational and behavioural competencies. The relations with all employees of the Company remained cordial and there were no significant issues outstanding or remaining unresolved during the year. The Board of Directors and the Management wishes to place on record their appreciation of the efforts put in by all the employees.

The ultimate aim of the management is to create a dependable work force that will play a key role in assisting the Company to achieve its goals in the various new business opportunities the Company is pursuing. To achieve the highest levels of organizational performance Company has a well exercised approach to organizational and personal learning that includes sharing knowledge via systematic processes. In this process, the Company has appointed an

external agency to secure protection of and safeguard the women employees against sexual harassment at workplace. Organizational learning includes both continuous improvement of existing approaches and significant change of innovation leading to new goals and approaches.

➤ **Cautionary Statement**

Statements in the Management Discussion and Analysis describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities, laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that would

influence the Company's operations include cost of raw materials, tax laws, interest and power cost and economic developments and such other factors within the country and the international economic and financial developments.

The Company assumes no responsibility nor is under any obligation to publicly amend, modify or revise any forward looking statements on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To

The Members of

GEECEE VENTURES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Financial Statements of GEECEE VENTURES LIMITED ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessment, the auditor considers internal control relevant to the Company's preparation of the Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the company's directors, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give true and fair view in conformity with the accounting principles generally accepted in India, of the State of Affairs of the company as at March 31, 2016 and its Profit and its Cash Flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of accounts as required by the law have been kept by the company so far as it appears from our examination of the books.
 - (c) The balance sheet, the Statement of Profit & Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of written representation received from the directors as on 31st March, 2016 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order 2016 ("the Order") issued by the Central Government in terms of Section 143(11) Act, we give in "Annexure B", a statement on the matters specified in paragraph 3& 4 of the order, to the extent applicable.

ANNEXURE ‘A’ TO THE AUDITOR’S REPORT

Annexure referred to in Para 1(f) of our Report of even date on the Standalone financial statements for the year ended 31st March 2016 of GEECEE VENTURES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of GEECEE VENTURES Ltd (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2016.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of company’s internal financial control over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

To The Members of

GEECEE VENTURES LIMITED

Report On The Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of GeeCee Ventures Limited ('the Holding Company') and its subsidiaries (collectively referred to as 'the Company' or 'the Group'), comprising the Consolidated Balance Sheet as at 31 March 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility For The Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as 'the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31 March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statement of four subsidiaries, whose Financial Statements reflect the group's share of total assets of 785.01 lacs as on 31st March, 2016, the group's share of total revenue of 19.19 lacs and net cash inflow amounting to 1.24 lacs for the year ended on that date, as considered in the Consolidated Financial Statements. Our opinion is not qualified in respect of the above said matter.

Report On Other Legal And Regulatory Requirements

1. As required by sub-section 3 of Section 143 of the Act, we report, to the extent applicable, that :
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary, none of the Directors of the Group companies is disqualified as on 31 March 2016 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
 - g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
 - i. The group does not have any pending litigations which would impact its financial position.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of GeeCee Ventures Limited ('the Holding Company') and its subsidiary companies, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and

directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to four subsidiary companies, is based on the corresponding reports of the auditors of such companies.
