8. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020, the members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. The instructions for participation by Members are given in the subsequent paragraphs. Participation at the AGM through VC shall be allowed on a first-come-first-served basis.
9. The Company has provided the facility to Members to exercise their right to vote by electronic means both through remote e-voting and e-voting during the AGM. The process of remote e-voting with necessary user

id and password is given in the subsequent paragraphs. Such remote e-voting facility is in addition to voting that will take place at the 37th AGM being held through VC.

10. Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.
11. Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s) and in respect of shares held in physical form by writing to the Company's Registrar and Share Transfer Agent, Link Intime India Private Limited, C 101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai- 400 083 or may write to company secretary at geecee.investor@gcvl.in.
12. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
13. All documents referred to in the accompanying Notice and the Explanatory Statement shall be available for inspection electronically. Members seeking to inspect such documents can send an email to geecee.investor@gcvl.in from the date of circulation of this Notice up to the date of AGM.
14. Register of Directors and Key Managerial Personnel and their shareholding, and the Register of Contracts or Arrangements in which the Directors are interested, as maintained under the Companies Act, 2013 will be available for inspection by the Members electronically during the 37th AGM. Members seeking to inspect such documents can send an email to geecee.investor@gcvl.in.
15. Members are requested to send all their documents and communications pertaining to shares including dividend matters to **Link Intime India Private Limited, Share Transfer Agent of the Company** at their address at C 101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai, - 400083, (Maharashtra), Telephone No. 022 - 4918 6000, Fax No. 022 – 4918 6060 for both physical and demat segments of Equity Shares. Please quote on all such correspondence- "Unit - GeeCee Ventures Limited."
16. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2012-13, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service ("NECS"), Electronic Clearing Service ("ECS"), mandates, nominations, power of attorney, change of address, change of name and email address, etc., to their Depository Participant only and not to the Company's Registrar and Transfer Agent Link Intime India Private Limited. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and Link Intime India Private Limited to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to Link Intime India Private Limited.
17. Those Members who have so far not encashed their dividend warrants for final dividend for 2013-14 and for the financial year 2015 onwards, may approach the Registrar and Share Transfer Agents, to **M/s. Link Intime India Private Limited**, for making their claim without any further delay as the said unpaid dividends will be transferred to the Investor Education and Protection Fund of the Central Government pursuant to the provisions of Companies Act. Further Ministry of Corporate Affairs has recently notified new Rules namely "Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016" which have come into force from September 7, 2016. The said Rules, amongst other matters, contain provisions for transfer of all shares in respect of which dividend has not been paid or claimed for seven consecutive years in the name of IEPF account. The details of unpaid / unclaimed dividend and number of shares liable to be transferred are available on our website: www.geeceeventures.com and also on the website of the Ministry of Corporate Affairs.

Members are requested to note that, dividends if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). The shares in respect of which dividends remain unclaimed for seven consecutive years are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form IEPF-5 available on www.iepf.gov.in. For details, please refer to Corporate Governance Report which is a part of this Annual Report. The Company has uploaded the information in respect of unclaimed dividends, as on the date of last AGM i.e. 28th September, 2020 on the website of the Company www.geeceeventures.com.

18. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Registrars and Share Transfer Agents, M/s. Link Intime India Private Limited.
19. The shares of the Company are under Compulsory Demat trading. Members holding shares in physical form are requested to convert their shares into dematerialized form in their own interest. As per SEBI Notification No. SEBI/LADNRO/GN/2018/24 w.e.f. 5th December, 2018 shares are required to be held in dematerialized form only. Members holding shares in physical form are requested to do the needful. For assistant/information required in this matter, kindly contact to our Registrar & Share Transfer Agent and/or Company Secretary.
20. Benefits of Dematerialization:
Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. Besides, no stamp duty is payable on transfer of shares held in demat form and risks as addressed are registered with the Company/Depositories, unless any member has requested for a physical copy of the same. For other Members who have not registered their e-mail addresses, physical copies are being sent in the permitted mode. Members may note that the Notice and the Annual Report 2020-21 will also be available on the Company's website www.geeceeventures.com. To support "Green Initiative", Members who have not registered their e-mail addresses are requested to register the same with M/s. Link Intime India Private Limited / their Depository Participants, in respect of shares held in physical or electronic mode respectively.
21. Dividend on Company's Equity Shares for the year ended 31st March, 2021, as recommended by the Board of Directors, if approved at the AGM, payment of such dividend subject to deduction of tax at source will be made as under:
 - i) To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of the close of business hours on Thursday, 02nd September, 2021.
 - ii) To all Members in respect of shares held in physical form after giving effect to valid transfer, transmission or transposition requests lodged with the Company as of the close of business hours on Thursday, 02nd September, 2021.

The Dividend, if approved, will be payable on or after 02nd October, 2021
22. The Register of Members and Share Transfer Books of the Company shall remain closed from 03rd September, 2021 to 28th September, 2021. (both days inclusive)

23. Members may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company is taxable in the hands of members. The Company shall therefore be required to deduct tax at source (“TDS”) at the time of making the payment of dividend. In order to enable us to determine the applicable TDS rate, members are requested to submit the relevant documents on or before Wednesday, 15th September, 2021. The detailed communication regarding TDS on dividend is provided on the link: <https://www.geeceeventures.com/uploads/Investor-relations/pdfs/communication-to-shareholders-deduction-of-tax-at-source-on-dividend-payment-of-2550.pdf>

24. Information and instructions relating to E-voting are as under:

In compliance with provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM (“remote e-voting”) will be provided by National Securities and Depositories Limited (NSDL).

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

- (i) The remote e-voting period begins on **Friday, 24th September, 2021 at 09:00 a.m.** and ends on **Monday, 27th September, 2021 at 05:00 p.m.** The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the **cut-off date i.e. Tuesday, 21st September, 2021**, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the **cut-off date, being Tuesday, 21st September, 2021.**

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013:

ITEM NO. 4:

Your Company is required to maintain cost records and have the same audited by Cost Auditor as per the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014. Your Directors accordingly at the recommendation of the Audit Committee re-appointed M/s. Kishore Bhatia & Associates, Cost Accountants (Firm Registration No. 00294), as the Cost Auditors to conduct the audit of the cost records of construction activities and supply of electricity services of the Company for the financial year 2021-2022 at a remuneration not exceeding Rs. 88,000/- (Rupees Eighty-Eight Thousand only) excluding re-imbursment of expenses, out of pocket expenses or otherwise incurred by them in connection with the aforesaid audit.

Thus the Board of Directors recommends the Ordinary Resolution as set out at Item No. 4 of the Notice relating to the ratification of the remuneration payable to the Cost Auditors for the financial year 2021-2022, for approval of the Members.

Nature of concern or interest of Directors:

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise in the resolution set out at Item No. 4 of the Notice.

ITEM NO. 5:

The Board of Directors, pursuant to the provisions of Section 161(1) of the Act and applicable rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Article 99A of the Articles of Association of the Company Ms. Rupal Anand Vora (Din: 07096253) shall hold office up to the date of this Annual General Meeting ("AGM") and is eligible to be appointed as Director.

Further based on the recommendation of Nomination and Remuneration Committee, the Board of Directors had appointed Ms. Rupal Anand Vora (Din : 07096253) as an Additional Director of the Company and also as an Independent Director, not liable to retire by rotation, for a term of 5 years i.e. from 12th August, 2021 to 12th August, 2026, subject to approval of the Members.

The Company has, in terms of Section 160(1) of the Act, received in writing a notice from Ms Rupal Anand Vora, proposing her candidature for the office of Director.

The Company has also received declaration from Ms. Rupal Anand Vora to the effect that they meet the criteria of independence as provided in Section 149(6) of the Act read with the Rules framed thereunder and Regulation 16(1) (b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). In terms of Regulation 25(8) of SEBI Listing Regulations, she has confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. In the opinion of the Board, each of these Directors fulfill the conditions specified in the Act, Rules and SEBI Listing Regulations for appointment as the Independent Director and they are independent of the management of the Company.

Additionally as per Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, with effect from April 1, 2019, no listed company shall appoint or continue the directorship of a non-executive director who has attained the age of 75 years, unless a special resolution is passed to that effect and justification thereof is indicated in the explanatory statement annexed to the notice for such appointment. Since Ms. Rupal Anand Vora won't attend the age of 75 during her tenure as the independent director no special resolution is required to be passed by the members in this reference.

The Board considers that her association would be of immense benefit to the Company as per his experience in the legal field of and hence it is desirable to avail services of Ms. Rupal Anand Vora as the Independent Director.

Accordingly, the Board recommends the resolution in relation to the appointment of Ms. Rupal Anand Vora as an Independent Director, for the approval by the shareholders of the Company.

The terms and conditions of their appointment shall be open for inspection by the Members electronically during the 37th AGM. Members seeking to inspect such documents can send an email to geecee.investor@gcvl.in.

Brief Profile of Ms. Rupal Anand Vora is given below:

Mrs. Rupal Anand Vora is a practicing advocate and specializes in Direct taxes. She has over 35 years of experience in the field of Direct Tax Practice and Accounts/Finance. She has been serving on the Board of several listed Companies.

Further details and current directorships Ms. Rupal Anand as per Regulation 26 (4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Para 1.2.5 of Secretarial Standard on General Meetings is provided in the Annexure to this Notice.

In compliance with the provisions of Section 149, read with Schedule IV of the Act and Regulation 17 of SEBI Listing Regulations and other applicable Regulations, the appointment of Ms. Rupal Anand Vora as an Independent Director is being placed before the Members for their approval.

The Board recommends Ordinary Resolution in relation to appointment of Ms. Rupal Anand Vora as an Independent Directors as set out at Item No. 5 of this Notice for approval of the Members by way of an Ordinary Resolution.

Except Mr. Rupal Anand Vora and her relatives, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

➤ OVERVIEW

Global Economy

It has been over a year since COVID-19 was declared a global pandemic, which totally changed the course of the world. Global economic recovery continues to remain uncertain in the near term. Growth suffered broad-based deterioration with a decline in global trade and marked slowing down in the various sectors across the globe. Contact-based services were majorly affected and with travel restrictions imposed to contain the spread of the virus, service sectors like airlines, tourism, hospitality, etc. were the worst hit. As per IMF, after an estimated contraction of -3.3% in 2020, it is expected to see a rebound in FY 2021-22 and it is projected to grow 5.5 percent in 2021-22.

On a positive note, the accelerated progress in vaccination efforts and generous fiscal support is ensuring that many of the developed nations regain ground and bring the economy back on the growth track.

Indian Economy

India implemented the strictest lockdown in the world from March 25, 2020, to control the spread of COVID-19 pandemic. Overall, India saw GDP contraction of 7.3% in FY 2020-21. In November 2020, the Government of India announced 2.65 lakh crore (US\$ 36 billion) stimulus package to generate job opportunities and provide liquidity support to various sectors such as tourism, aviation, construction and housing. Also, India's cabinet approved the production-linked incentives (PLI) scheme to provide approximately 2 trillion (US\$ 27 billion) over five years to create jobs and boost production in the country. While the second wave of COVID-19 infections has created significant uncertainty over the economic trajectory in the short term, various

initiatives by government will ensure a steady growth path in coming years.

➤ INDUSTRY STRUCTURE & DEVELOPMENTS :

The real estate sector is one of the most globally recognized sectors. The Indian real estate sector which includes the residential, office, retail, industrial, logistics and hospitality segments, is a key contributor to GDP growth, and is one of the largest employers in India- second only to agriculture. In India, real estate sector is expected to reach US\$ 1 trillion by 2030. By 2025, it will contribute 13 per cent to country's GDP. Emergence of nuclear families, rapid urbanisation and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial.

Apart from all this, it has been facing multi-year headwinds with many strategic reforms like Demonetisation, RERA, GST, and NBFC funding issues. However, the affordability of real estate has been improving with declining interest rates and flat property prices.

➤ COVID-19 IMPACT ON REAL ESTATE

While the pandemic outbreak could temporarily disrupt the sector, there are certain positives in this adverse situation. The recent liquidity crisis has worsened the situation for smaller players which were anyway finding it difficult to adhere to new norms laid by RERA leading to a new wave of consolidation. Industry consolidation is likely to get accelerated further with the COVID19 outbreak and many weak players may cease to exist. Established and organized players with strong Cash Flow are expected to gain market share. Also, the current situation is expected to open up a lot of business development opportunities for well capitalized developers.

Amidst the current COVID-19 outbreak, the sector is likely to witness major disruptions due to construction delays and financing issues. Also, many prospective customers could consider postponing their decisions either to stay away from the project sites or in the expectations of a price correction.

➤ **OPPORTUNITIES AND CHALLENGES :**

The impact of COVID-19 on India has been largely disruptive in terms of economic activity as well as a loss of human lives. Almost all the sectors have been adversely affected as domestic demand and exports sharply plummeted with some notable exceptions where high growth was observed, mostly e-commerce. Naturally our business bore the brunt of a massive push back as large corporates (our principal clients) cut their operating expenditure, and training became the immediate casualty.

The pandemic has reinforced the security that homeownership offers vis-a-vis rental housing, resulting in rising housing demand. A full-fledged expected economic recovery coupled with all-time low interest rates, stagnant house prices and rising income levels are some of the factors which will drive the housing demand going ahead. Affordable housing continues to remain a significant opportunity for developers and key focus area of the government. While the target customers of affordable housing were worst hit by the pandemic leading to lower sales in CY 2020-21, the share of launches in the affordable segment across the top 7 cities of India, has also dropped from 40% in CY 2019 to 30% in CY 2020 according to ANAROCK's Research. Affordable Rental Housing Complexes (ARHCs) have been accorded as a sub-scheme under Pradhan Mantri AWAS Yojana Urban (PMAY-U) to provide ease of living to urban migrants engaged in the informal sectors of the economy.

The new norm is Work from Home and the remote office culture has been both a bane and a blessing. We had to redefine our entire business model to respond to the new market place of digital consumption, including that of learning and development.

The Reserve Bank of India (RBI), has projected the GDP growth at 10.5% in the financial year beginning April 1, 2022. While many economists believe that India will see a GDP growth rate of 6.5% (on the much lower base of last year) in FY 21-22 the fact is that India remains vulnerable unless the pace of vaccination rises appreciably to cover the entire vulnerable population and everyone of any age can access it after that. The next few months are crucial as so far it is the virus and not the economy which is on a V-shaped curve.

➤ **BUDGET 2021 – TAKEAWAYS (TAXATION BENEFITS TO ENHANCED REAL ESTATE INDUSTRIES)**

The Government delivered an impressive growth-oriented budget, despite limited fiscal room in FY 2020-21. While there were limited announcements impacting the real estate sector directly, a major thrust on infrastructure spending will benefit the real estate sector. Additionally, as table tax regime will greatly benefit the demand in the housing sector.

Some of the key measures include:

- The Government in its attempt to boost affordable housing demand, proposed to extend additional tax benefit of Rs. 1.5 Lakh on interest paid on affordable housing loans by one year till March 2022.
- In order to encourage developers to focus on affordable housing projects, the Government extended the date of approval for these projects for availing tax holiday on profits earned by developers by one year till March 2022.
- The government has provided a tax exemption for notified rental housing projects for migrant workers which will facilitate supply and demand for affordable housing.
- The government has removed Tax Deduction at Source (TDS) on dividends paid to REITs, which will bring down the administrative burden for REITs.

➤ **SEGMENT-WISE/FINANCIAL & OPERATIONAL PERFORMANCE :**

The Construction activity at Karjat "The Mist" Phase II & "GeeCee Aspira 206" at New Panvel is progressing as per the scheduled plan of activities. We have got the approvals for "Proximus" Project situated at Chembur and construction activities have also started. Company has been declared as highest bidder for four plots at Kharghar at auction conducted by CIDCO between February 2021 to April 2021. Lease premium has been paid in full to CIDCO. The company is in the process of completing the procedure to take legal possession of these plots and will then commence the project after required approvals.

The Company has large pool of liquid assets and there exists an opportunity to invest it very efficiently.

The Company oversees good opportunities to invest its funds in risk free Inter-Corporate Deposits and interest bearing financial instruments. The Company endeavours to maximize its return on surplus funds, within the parameters of prudent investment norms giving highest regard to the quality of credit risk to its investment/financing portfolio.

The Wind Power Division of GeeCee Ventures Limited commissioned its operation in 2010 by setting up 5.35 MW Wind Turbine Generators in Jodhpur District, Rajasthan. The entire power generated from these wind turbines is supplied to the power deficit state of Rajasthan.

On Segmental basis, your Company has recognised revenue from the real estate segment has increased from ₹ 2358.87 Lakhs in FY 2019-20 to ₹ 2878.09 lakhs in F.Y. 2020-21. The revenue from investments / financing has decreased from ₹ 1625.60 Lakhs in FY 2019-20 to ₹ 1038.65 lakhs in F.Y. 2020-21. Revenue from wind power energy segment has decreased from ₹ 282.32 Lakhs in FY 2019-20 to ₹ 252.09 lakhs in F.Y. 2020-21.

The Company has earned revenue of ₹ 4168.83 lakhs as compared to previous year revenue of ₹ 4266.79 lakhs. Net Profit after tax has decreased from ₹ 1518.75 lakhs to ₹ 1260.23 lakhs in the current year.

➤ **OUTLOOK, RISK AND CONCERNS:**

The real estate sector in India is heavily regulated by the central, state and local governments. Real estate developers are required to comply with a number of laws and regulations, including policies and procedures established and implemented by local authorities in relation to land acquisition, transfer of property, registration and use of land. These laws often vary from state to state.

Outlook

The ongoing Covid-19 outbreak and its impact on economy have effect on the Financials of the Company. Both residential and commercial real estate sectors are expected to be hit in term of launches, sales and prices.

As the real estate sector continues to tackle the existing issues created by the aftershocks of the liquidity crisis and resulting disruption of COVID-19, we

see an opportunity for well established players in the industry. The start of FY 2021 is little muted due to the lockdown and subsequent impact on economy, but we believe our strong project pipeline and healthy balance sheet will help maintain operational performance going ahead. The pace of consolidation in the sector is also expected to accelerate further and we expect to gain market share.

Our Company has a proven track record in residential developments. In the last few years, it has expanded its presence in the residential segment with a superior delivery model and a successful foray into affordable housing.

The Company has a well-structured and robust risk management mechanism which continuously evaluates risk mitigation on an on-going basis. The risk management system is working smoothly and will be evaluated for stress test or modification upon change in size or nature of business. The Risk Management System is reviewed periodically and necessary changes are made, if required. The Company faces risks in real estate sector business mainly on account of following factors:

- a) **Market price fluctuation:** The performance of your Company may be affected by the sales realizations of its projects. These prices are driven by prevailing market conditions, the nature and location of the projects, and the design of the projects.
- b) **Sales:** The volume of bookings depends on the ability to design projects that will meet customer preferences, getting various approvals in time, general market factors, project launch and customer trust in entering into sale agreements well in advance of receiving possession of the projects.
- c) **Execution:** Execution depends on several factors which include labour availability, raw material prices, receipt of approvals and regulatory clearances, access to utilities such as electricity and water, weather conditions and the absence of contingencies such as litigation. Your Company manages the adversities with cautious approach, meticulous planning and by engaging established and reputed contractors.
- d) **Land / Development rights –Availability:** The cost

of land forms a substantial part of the project cost, particularly in Mumbai. Your Company acquires land / land development rights from the government and/or private parties. Delay in acquisition of Land Development Rights at reasonable cost, could affect the growth of the business.

- e) **Policy and Regulatory Risks:** The real estate industry is easily affected by changes in government policies and regulations. There are considerable procedural delays with respect to approvals related to acquisition and use of land. Unfavourable changes in government policies and the regulatory environment may adversely impact the performance of the Company. The Company attempts to mitigate these risks through its approach towards acquisition of land based on the thorough due diligence and its transparent processes in developing the project. Besides, its focus on environment friendly and sustainable practices also helps in mitigating risks associated with environmental regulations.
- f) **Economic Risks:** GDP growth rate decelerated marginally during the year. Although there are signs of a turnaround, there are still downside risks. Lending rates for business and home loans continue to be high and there are risks associated with increase in policy rates if inflation rises. These can have a direct impact on a real estate sector and the Company. Besides, even as global economic growth witnessed a significant revival, investment outlays in Indian businesses, especially those in export-oriented industries, is yet to benefit from emerging trends.

GeeCee Ventures Limited is conscious of these risks and is taking measures to mitigate them. For instance, Company's focus on residential sector has been significant source of comfort during periods of slow economic performance.

The Company addresses these risks through a well-structured framework which identifies desired controls and assigns ownership to monitor and mitigate these risks. It also has a Code of Conduct for all Board members and senior management personnel. The Company's corporate governance

policies ensure transparency in operations, timely disclosures and adherence to regulatory compliance.

➤ **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has adequate internal control systems commensurate with the size and nature of its business. Well documented policies, guidelines and procedures to monitor business and operational performance, all of which are aimed at ensuring business integrity and promoting operational efficiency. All assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The internal control is supplemented by extensive programme of internal audits and review by management. The system has been designed to ensure that financial and other records are reliable for preparing financial information and for maintaining accountability of assets. All financial and audit control systems are also reviewed by the Audit Committee of the Board of Directors of the Company. The Audit Committee of the Board reviews the adequacy and effectiveness of the internal control systems and suggests improvements, if any for strengthening them.

An independent internal audit firm appointed by the Company conducts periodical audits to ensure adequacy of internal control systems, adherence to management policies and compliance with the laws and regulations of the country. Their scope of work also includes internal controls on accounting, efficiency and economy of operations.

➤ **HUMAN RESOURCES**

Your Company's closing headcount for F.Y. 2020-21 was 46. GeeCee Ventures Limited recognizes that its people are key to the success of the organization. Your Company continued to make substantial investments in human capital to meet its growth targets. The Company's business is managed by a team of competent and passionate leaders capable of enhancing

your Company's standing in the competitive market. The Company's focus is on unlocking the people potential and further developing their functional, operational and behavioural competencies. The relations with all employees of the Company remained cordial and there were no significant issues outstanding or remaining unresolved during the year. The Board of Directors and the Management wishes to place on record their appreciation of the efforts put in by all the employees.

The ultimate aim of the management is to create a dependable work force that will play a key role in assisting the Company to achieve its goals in the various new business opportunities the Company is pursuing. To achieve the highest levels of organizational performance, Company has a well exercised approach to organizational and personal learning that includes sharing knowledge via systematic processes. In this process, the Company has appointed an external

agency to secure protection of and safeguard the women employees against sexual harassment at workplace. Organizational learning includes both continuous improvement of existing approaches and significant change of innovation leading to new goals and approaches.

We believe that our continued success will depend on ability to attract and retain key personnel with relevant skills and performance.

CORPORATE GOVERNANCE REPORT FOR THE YEAR 2020-2021

[As required under Schedule V(C) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

Corporate Governance is about promoting the fairness, transparency, accountability, commitment to values, ethical business conduct and about considering all stakeholders' interests while conducting the business. It represents the value framework, principles, rules, practices by which a company conducts its business activities. Corporate Governance essentially involves balancing the interests of a Company's shareholders, management, customers, suppliers, financiers, government and the community. The philosophy of the Company on corporate governance is to ensure transparency in all its operations, provide disclosures, and enhance stakeholder value without compromising in any way on compliance with the laws and regulations. The Company believes that good governance brings sustained corporate growth and long-term benefits for all its stakeholders.

This Corporate Governance Report is pursuant to Regulation 34 read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI (LODR) Regulations, 2015").

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance is about meeting our strategic goals responsibly and transparently, while being accountable to our stakeholders. The Company is equipped with a robust framework of corporate governance that considers the long-term interest of every stakeholder as we operate with a commitment to integrity, fairness, equity, transparency, accountability and commitment to values. The framework lays down procedures and mechanisms for enhancing leadership for smooth administration and productive collaboration among employees, value chain, community, investors and the Government.

Your Company continues to focus its resources, strengths and strategies to become the nation's leading real estate Companies, while continuing to be the most trusted name in the industry. This is ensured by conducting business with a firm commitment to values, while at the same time, meeting stakeholders' expectations.

The management ensures compliance with corporate governance laws, regulations and policies and the Company is focusing on building business processes and infrastructures that not only ensure compliance but also increase their company's capacity for efficiency, ability, and responsive management. We decisively believe that it is only through good corporate governance practices that we can achieve sustainable growth of the organisation and create long term shareholder value.

The guiding principles and practices are summarised in this Corporate Governance Report. These are articulated through the Company's Code of Conduct for Board of Directors and Senior Management, Policies and Charters of various Committees of the Board and Company's Disclosure Policies. These Policies seek to focus on enhancement of long term shareholder value without compromising on Ethical Standards and Corporate Social Responsibilities.

(o) Dematerialization of shares and liquidity:

The Company's shares are compulsorily traded in dematerialized form and are available for trading on both the Depositories in India viz., NSDL and CDSL. Equity shares representing 99.99% of the Company's Share Capital are dematerialized as on 31st March, 2021. The Company's shares are regularly traded on BSE and NSE, in the electronic form.

Benefits of Dematerialization:

Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. Besides risks associated with physical certificates such as fake certificates, bad deliveries, loss of certificates in transit, get eliminated. Since there are several benefits arising from dematerialization, we sincerely urge all the shareholders who are still holding their shares in physical form to dematerialize the shares at the earliest. As per Regulation 40 of the Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialised form, with effect from April 01, 2019, except in case of request received for transmission or transposition of securities.

Pursuant to Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018, a Company Secretary in Practice carries out Reconciliation of Share Capital Audit to reconcile the total share capital admitted with NSDL and CDSL and held in physical form, with the issued and listed capital.

This audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges. The audit confirms that the total listed and paid up/ issued share capital is in agreement with the aggregate of the total number of shares in demat form (held by NSDL and CDSL) and in physical form.

Outstanding GDRs/ ADRs/Warrants or any Convertible Instruments, conversion date and likely impact on equity:

As at 31st March, 2021, the Company don't have any outstanding GDR's/ADRs/Warrants or any Convertible Instruments.

Shares transferred to unclaimed suspense account:

Out of total paid up capital of the Company 115 shares are in physical mode out of which shareholder for 100 shares was not traceable and thus after sending 3 reminders to the concerned shareholder within the gap of 30 days each the shares were transferred to unclaimed suspense account after the completion of financial year 2020-21.

The voting rights on the shares outstanding in the suspense account shall remain frozen till the rightful owner of such shares claims the shares.

The Corporate Governance Report prepared by **Geecee Ventures Limited** ("the Company"), contains details as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ("applicable criteria") with respect to Corporate Governance for the year ended 31st March, 2021. This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company.

We, **MRB & Associates, Chartered Accountants**, the Statutory Auditors of **Geecee Ventures Limited** ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on March 31, 2021, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).

Management's Responsibility for compliance with the conditions of SEBI Listing Regulations

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.

The Management along with the Board of Directors is also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended March 31, 2021.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Other matters and restriction on use

This Report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Geecee Ventures Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Geecee Ventures Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion the standalone financial statements.

Emphasis of Matter

We further draw your attention to Note No. 40 of standalone financial statement, as regards the management's assessment of the financial impact due to restrictions and conditions related to Covid-19 pandemic situation.

Our opinion is not modified in respect of this matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. This matter was addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matter	Auditor's Response
<p>1. Revenue Recognition</p> <p>The Company's most significant revenue streams involve sale of residential and commercial units representing 69.04% of the total revenue from operations of the Company.</p> <p>Revenue is recognised post transfer of control of residential and commercial units to customers for the amount / consideration which the Company expects to receive in exchange for those units. The trigger for revenue recognition is normally completion of the project and receipt of approvals on completion from relevant authorities, post which the contract becomes non-cancellable.</p> <p>The risk for revenue being recognised in an incorrect period presents a key audit matter due to the financial significance.</p>	<p>Our audit procedures included following:</p> <ul style="list-style-type: none"> • Evaluating the design and implementation and tested operating effectiveness of key internal controls over revenue recognition. • Evaluating the accounting policies adopted by the Company for revenue recognition to check those are in line with the applicable accounting standards and their consistent application to the significant sales contracts. • Scrutinising the revenue journal entries raised throughout the reporting period and comparing details of a sample of these journals, which met certain risk-based criteria, with relevant underlying documentation. • Testing timeliness of revenue recognition by comparing individual sample sales transactions to underlying contracts. • Conducting site visits during the year for selected projects to understand the scope, nature and progress of the projects. • Considering the adequacy of the disclosures in the standalone financial statements in respect of the judgments taken in recognising revenue for residential and commercial property units in accordance with Ind AS 115.
<p>2. Inventories</p> <p>Inventories held by the Company comprising of finished goods and construction work in progress represent 21.13% of the Company's total assets. Inventory may be held for long periods of time before sale, making it vulnerable to reduction in net realizable value (NRV). This could result in an overstatement of the value of inventory when the carrying value is higher than the NRV.</p>	<p>Our audit procedures included</p> <ul style="list-style-type: none"> • Understanding from the Company the basis of estimated selling price for the unsold units and units under construction. • Evaluating the design and testing operating effectiveness of controls over preparation and update of NRV workings by designated personnel. Testing controls related to Company's review of key estimates, including estimated future selling prices and costs of completion for property development projects.

Key Audit Matter	Auditor's Response
<p>Assessing NRV</p> <p>NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale and estimated costs of completion (in case of construction work-in- progress). The inventory of finished goods and construction work-in- progress is not written down below cost when completed flats/ under-construction flats /properties are expected to be sold at or above cost.</p> <p>For NRV assessment, the estimated selling price is determined for a phase, sometimes comprising multiple units.</p> <p>The assessment and application of write-down of inventory to NRV are subject to significant judgement by the Company.</p> <p>As such inappropriate assumptions in these judgements can impact the assessment of the carrying value of inventories. Considering the Company's judgement associated with long dated estimation of future market and economic conditions and materiality in the context of total assets of the Company, we have considered assessment of net realizable value of inventory as key audit matter.</p>	<ul style="list-style-type: none"> • Understanding from the Company the basis of estimated selling price for the unsold units and units under construction. • Evaluating the design and testing operating effectiveness of controls over preparation and update of NRV workings by designated personnel. Testing controls related to Company's review of key estimates, including estimated future selling prices and costs of completion for property development projects. • Evaluating the Company's judgement with regards to application of write-down of inventory units by auditing the key estimates, data inputs and assumptions adopted in the valuations. Comparing expected future average selling prices with available market conditions such as price range available under industry reports published by reputed consultants and the sales budget plans maintained by the Company. • Comparing the estimated construction costs to complete each project with the Company's updated budgets. Re-computing the NRV, on a sample basis, to test inventory units are held at the lower of cost and NRV.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the AS Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our Report expressed an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements in Note No. 35.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
4. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Geecee Ventures Limited (“the Company”) as of 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of company’s internal financial control over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements as at 31st March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Nature and purpose of reserves**1. Capital reserve**

Capital reserve was created under the previous GAAP (Indian GAAP) out of the profit earned from a specific transaction of capital nature.

2. Securities premium

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.

3. Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilized in accordance with the provisions of section 69 of the Companies Act, 2013.

4. General reserve

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to statement of profit and loss.

5. Investment revaluation reserve

This reserve represents the cumulative gains and losses arising on the revaluation of equity / debt instruments measured at fair value through other comprehensive income, net of amounts reclassified to retained earnings / profit and loss when those assets have been disposed off.

NOTE 1:**Notes forming part of Standalone Financial Statements****1. CORPORATE INFORMATION**

Geecee Ventures Limited ("the Company") was incorporated on February 14, 1984. The Company is engaged in the business of real estate development, power generation and financing & investing activities. The Company is domiciled in India and is listed on Bombay Stock Exchange Limited (BSE) and The National Stock Exchange of India Limited (NSE). The address of its corporate office is 209-210, Arcadia Building, NCPA Marg, Nariman Point, Mumbai-400021.

The standalone financial statements are approved for issue by the Company's Board of Directors on **25th May, 2021**.

2. STATEMENT OF COMPLIANCE & BASIS OF PREPARATION OF FINANCIAL STATEMENTS**Statement of Compliance**

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 by Ministry of Corporate Affairs ('MCA') as amended by the Companies (Indian Accounting Standards) Rules, 2016.

Basis of Preparation

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values or at amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional Currency

The financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest lakhs, unless otherwise stated.

Current versus non-current classification

All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle. The normal operating cycle in respect of operation relating to under construction real estate projects depends on signing of agreement, size of the project, type of development, approvals needed and realization of project into cash and cash equivalents and range from 3 to 6 years. Accordingly project related assets and liabilities have been classified into current and non-current based on operating cycle of respective projects. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 PROPERTY, PLANT & EQUIPMENT (PPE)

Recognition and initial measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment is stated at cost less accumulated depreciation/amortisation and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent measurement (depreciation and useful lives)

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Depreciation is provided from the date the assets are ready to be put to use, on straight line method as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except stated otherwise.

Depreciable Assets	Useful Life
Vehicles	8 & 10 years
Computer	3 years
Office Equipment	5 years
Furniture	10 years
Office Building	60 years
Factory Building	30 years
Plant & Machinery (Windmill)	22 years
Plant & Machinery (Construction Equipment)	12 years
Plant & Machinery (Others)*	3 years
Electrical & Lab Equipment	10 years

*Based on technical evaluation, the Management believes that the useful lives as given above best represent the period over which the Management expects to use these assets. Hence, the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Depreciation method, useful life and residual value are reviewed periodically.

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors. An

impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

De-recognition

PPE are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

3.2 REVENUE RECOGNITION

A) Revenue from real estate projects

Pursuant to the application of Ind AS 115 - 'Revenue from Contracts with Customers', the Company has applied following accounting policy for revenue recognition:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the standalone financial statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:-

- The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from real-estate projects is recognised when control over the property has been transferred to the customer. An enforceable right to payment does not arise until the development of the property is completed. Therefore, revenue is recognised at a point in time when the legal title has passed to the customer and the development of the property is completed.

B) Revenue from sale of power

Sale is recognized when the power is delivered by the Company at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Power Purchase Agreement. Sale of power is accounted for as per tariff specified in the Power Purchase Agreement. The sale of power is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

C) Interest Income

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

D) Gain/(Loss) on sale / fair value of Investments

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. For all financial instruments measured at FVTPL, the company recognizes gains/losses on fair value changes of these instruments in Profit & Loss (PL), for financial instruments measured through OCI with reclassification option to profit or loss, the company recognizes gains/losses on fair value changes of these instruments in Other Comprehensive Income (OCI) & reclassify it to Profit & Loss (PL) on derecognition of these instruments & for financial instruments measured through OCI with non-reclassification option to profit or loss, the company recognizes gains/losses on fair value changes of these instruments in Other Comprehensive Income (OCI).

E) Dividend Income

Dividend income is recognized when the Company's right to receive payment is established.

F) Other Income

Other incomes are accounted on accrual basis, except interest on delayed payment by vendors which are accounted on acceptance of the Company's claim.

G) Share in profits of partnership firm/LLP investments

The Company's share in profits from a firm/LLP where the Company is a partner, is recognised on the basis of such firm's accounts, as per terms of the partnership deed.

3.3 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial assets**Initial measurement**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset. However, trade receivable that do not contain a significant financing component are measured at transaction price.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- (i) if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day 1 profit or loss);
- (ii) in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability).

Subsequent measurement**(i) Financial assets at amortised cost**

Financial assets are measured at the amortised cost, if both of the following criteria are met:

- a) These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and

- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. The losses arising from impairment are recognised in the statement of profit and loss.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI if both of the following criteria are met:

- a) These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the statement of profit and loss.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are classified as FVTPL if one of the following criteria are met:

- a) If such financial assets does not meet the criteria for categorization as at amortized cost or as FVTOCI; or
- b) If such financial assets are held for trading.

Gain or losses on changes in fair value of such instruments are recognised in the statement of profit and loss.

(iv) Equity instruments

Investment in equity instruments in scope of Ind AS 109 are measured at fair value. The company makes an irrevocable choice to classify the same as at fair value through other comprehensive income (FVOCI). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Impairment of financial assets

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on financial assets apart from financial assets fair valued through profit or loss OR other comprehensive income (OCI) and Trade receivables, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has

not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

B) Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost using the EIR method.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized.

For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction cost. The EIR amortization is included as finance costs in the statement of Profit and Loss.

De-recognition

A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the De-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

C) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Company measures financial instruments at fair value on initial recognition & at each balance sheet date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

D) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management process.

3.4 INVESTMENT IN SUBSIDIARIES & JOINT VENTURES

Investments in subsidiaries & joint ventures are carried at cost less provision for impairment, if any. Investments in subsidiaries & joint ventures are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the carrying amount of investments exceeds its recoverable amount.

3.5 INCOME TAXES

A) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

B) Deferred tax

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, except:

- a) When the deferred tax assets arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognized outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The Company has elected to exercise the option permitted under section 115BAA of the Income-tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for the year ended 31st March 2021 and re measured its Deferred Tax Asset basis the rate prescribed in the said section.

3.6 IMPAIRMENT OF NON-FINANCIAL ASSETS

An entity assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted market prices or other available fair value indicators.

3.7 INVENTORIES

A) Construction raw material

The construction raw materials are valued at lower of cost or net realisable value. The construction raw materials purchased for construction work issued to the construction work in progress are treated as consumed. The cost is computed on Weighted Average Cost basis.

B) Construction work in progress

The construction work in progress is valued at lower of cost or net realisable value. Cost includes cost of land, development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

C) Finished stock of completed projects

Finished stock of completed projects and stock in trade of units is valued at lower of cost or net realisable value.

3.8 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A) Provision is recognised when:

- i) The Company has a present obligation (legal or constructive) as a result of a past event; It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- ii) A reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognized because it cannot be measured reliably.

Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

3.9 EMPLOYEE BENEFITS

A) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

B) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further

amounts. The Company makes specified monthly contributions towards Government administered provident fund & employee state insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

C) Defined benefit plans

For defined benefit retirement plans (i.e. gratuity) the cost of providing benefits is determined using the projected unit credit method, with independent actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognised in other comprehensive income in the period in which they occur. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements)
- Net interest expense or income; and
- Re-measurement.

D) Other employee benefits

Leave encashment is recognised as an expense in the statement of profit and loss account as and when they accrue. The Company determines the liability using the projected unit credit method, with actuarial valuations carried out as at balance sheet date. Actuarial gains and losses are recognized in the statement of other comprehensive income.

3.10 LEASES

The Company as a lessee

The Company assess whether a contract contains a lease at the inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease, and (iii) the Company has the right to direct the use of the asset. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Lease payments associated with Low-value & Short term Leases are continued to be recognized as an expense on a straight-line basis over the lease term or another systematic basis if that basis is more representative of the pattern of the lessee's benefit (refer note no 31).

3.11 EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue and buy back.

4. USE OF JUDGMENTS AND ESTIMATES

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

The following are significant management judgements, estimates and assumptions in applying the accounting policies of the Company that have a significant effect on the financial statements.

A) Revenue Recognition

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The Company has evaluated and generally concluded that the recognition of revenue over the period of time criteria are not met owing to non-enforceable right to payment for performance completed to date and, therefore, recognises revenue at a point in time. The Company has further evaluated and concluded that based on the analysis of the rights and obligations under the terms of the contracts relating to the sale of property, the revenue is to be recognised at a point in time when control transfers which coincides with receipt of Occupation Certificate.

B) Classification of property

The Company determines whether a property is classified as investment property or as inventory:

- i) Investment property comprises land and buildings that are not occupied for use by, or in the operations of, the Company, nor for sale in the ordinary course of business, but are held primarily to earn rental income and capital appreciation. These buildings are held for capital appreciation and are not intended to be sold in the ordinary course of business.
- ii) Inventory comprises property that is held for sale in the ordinary course of business. Principally these are properties that the Company develops and intends to sell.

C) Classification of assets and liabilities into current and non-current

The management classifies the assets and liabilities into current and non-current categories based on the operating cycle of the respective business / projects.

D) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

E) Impairment of assets

In assessing impairment, management estimates the recoverable amounts of each asset or CGU (in case of non-financial assets) based on expected future cash flows and uses an estimated interest rate to discount them. Estimation relates to assumptions about future cash flows and the determination of a suitable discount rate.

F) Useful lives of depreciable / amortisable assets (Property, plant and equipment, intangible assets and investment property)

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected usage of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the usage of certain assets.

G) Defined benefit obligation

The cost of defined benefit gratuity plan and the present value of the gratuity obligation along with leave salary are determined using actuarial valuations. An actuarial valuation involves making various assumptions such as standard rates of inflation, mortality, discount rate, attrition rates and anticipation of future salary increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

H) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument /assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

I) Provisions

The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

J) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

D. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors are responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

I) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from receivables from customers, investment in various instruments and loans.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer pertaining to real estate business & receivables of power generation business. However credit risk with regards to trade receivable is almost negligible in case of its residential sale as the same is due to the fact that Group does not handover possession till entire outstanding is received & also of trade receivable of power sale as the same is backed by the state government.

Investment in various instruments

Credit risk on investment in various instruments is limited as we generally invest in financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units & overnight mutual funds units, quoted equity securities, quoted & unquoted bonds, debentures & commercial papers issued by organizations with high credit ratings.

Loans

Credit risk on loans has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for loans. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies and the Company's historical experience for customers.

II) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no outstanding borrowings. The Company believes that the working capital is sufficient to meet its current requirements.

As at March 31, 2021, the Company had a cash and cash equivalents of ₹252.55 lakhs, other bank balances of ₹20.95 and current investments of ₹20,639.22 lakhs. As at March 31, 2020, the Company had a cash and cash equivalents of ₹14,465.53 lakhs, other bank balances of ₹16.67 and current investments of ₹9,046.72 lakhs.

Exposure to liquidity risk

The details regarding the contractual maturities of significant financial liabilities as at March 31, 2020 are as follows:

(₹ in Lakh)

Particulars	Less than 1 Year	1-2 Years	2-4 Years	Total
Trade payables	1138.19	-	-	1138.19
Employee benefit obligation	26.90	-	45.18	72.08
Other current liabilities	124.87	-	-	124.87

III) Market risk

Market risk is the risk that changes in market prices – such as interest rates and commodity prices– will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including payables and debt. We are exposed to market risk primarily related interest rate risk and the market value of certain commodities. Thus, our exposure to market risk is a function of investing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure to these risks in our revenues and costs.

A) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Company holds portfolio of debentures, commercial paper & alternate investment fund (AIF's) which is subject to fair value interest rate risk because of fluctuations in the market interest rates.

Sensitivity analysis

Particulars	Fair Value	Sensitivity to fair value	
		1% increase	1% decrease
Investment in debentures, bonds & commercial papers (FVTPL)	8893.06	(44.59)	44.72

The Company does not have any long term external borrowing as on March 31, 2021.

B) Currency risk

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

C) Other price risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through Other Comprehensive Income. If the equity prices of quoted investments are 10% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2021 would increase by ₹ 1,421.55 lakhs (Previous year – ₹ 428.71 lakhs) and decrease by ₹ 1,421.55 lakhs (Previous year – ₹ 428.71 lakhs) respectively with a corresponding increase/decrease in Total Equity of the Company as at 31st March, 2021. 10% represents management's assessment of reasonably possible change in equity prices.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Geecee Ventures Limited
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Geecee Ventures Limited (hereinafter referred to as "the Holding Company") and its subsidiaries, (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2021, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We further draw your attention to Note No. 48 of Consolidated Financial Statements, as regards the management's assessment of the financial impact due to restrictions and conditions related to Covid-19 pandemic situation.

Our opinion is not modified in respect of this matter

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. This matter was addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	Auditor's Response
<p>1. Revenue Recognition</p> <p>The Group's most significant revenue streams involve sale of residential and commercial units representing 67.70% of the total revenue from operations of the Group.</p>	<p>Our audit procedures on Revenue recognition included the following:</p> <ul style="list-style-type: none"> Evaluating the design and implementation and tested operating effectiveness of key internal controls over revenue recognition.

Key Audit Matter	Auditor's Response
<p>Revenue is recognised post transfer of control of residential and commercial units to customers for the amount /consideration which the Group expects to receive in exchange for those units. The trigger for revenue recognition is normally completion of the project and receipt of approvals on completion from relevant authorities, post which the contract becomes non-cancellable.</p> <p>The risk for revenue being recognised in an incorrect period presents a key audit matter due to the financial significance.</p>	<ul style="list-style-type: none"> • Evaluating the accounting policies adopted by the Group for revenue recognition to check those are in line with the applicable accounting standards and their consistent application to the significant sales contracts. • Scrutinising the revenue journal entries raised throughout the reporting period and comparing details of a sample of these journals, which met certain risk-based criteria, with relevant underlying documentation. • Testing timeliness of revenue recognition by comparing individual sample sales transactions to underlying contracts. • Conducting site visits during the year for selected projects to understand the scope, nature and progress of the projects. • Considering the adequacy of the disclosures in the Consolidated Financial Statements in respect of the judgments taken in recognising revenue for residential and commercial property units in accordance with IND AS 115.
<p>2. Inventories</p> <p>Inventories held by the Group comprising of finished goods and construction work in progress represent 20.35% of the Group's total assets. Inventory may be held for long periods of time before sale, making it vulnerable to reduction in net realisable value (NRV). This could result in an overstatement of the value of inventory when the carrying value is higher than the NRV.</p> <p>Assessing NRV</p> <p>NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale and estimated costs of completion (in case of construction work-in- progress). The inventory of finished goods and construction work-in- progress is not written down below cost when completed flats/ under-construction flats/properties are expected to be sold at or above cost.</p> <p>For NRV assessment, the estimated selling price is determined for a phase, sometimes comprising multiple units. The assessment and application of write-down of inventory to NRV are subject to significant judgement by the Group.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Understanding from the Group the basis of estimated selling price for the unsold units and units under construction. • Evaluating the design and testing operating effectiveness of controls over preparation and update of NRV workings by designated personnel. Testing controls related to Group's review of key estimates, including estimated future selling prices and costs of completion for property development projects. • Evaluating the Group's judgement with regards to application of write-down of inventory units by auditing the key estimates, data inputs and assumptions adopted in the valuations. Comparing expected future average selling prices with available market conditions such as price range available under industry reports published by reputed consultants and the sales budget plans maintained.

Key Audit Matter	Auditor's Response
<p>As such inappropriate assumptions in these judgements can impact the assessment of the carrying value of inventories.</p> <p>Considering the Group's judgement associated with long dated estimation of future market and economic conditions and materiality in the context of total assets of the Group, we have considered assessment of net realisable value of inventory as key audit matter.</p>	<ul style="list-style-type: none"> Comparing the estimated construction costs to complete each project with the Group's updated budgets. Re- computing the NRV, on a sample basis, to test inventory units are held at the lower of cost and NRV.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the Financial Statements of the subsidiary companies audited by the other Auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other Auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, is traced from their Financial Statements audited by other Auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' responsibilities for the consolidated financial statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of Consolidated Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities or business activities included in the Consolidated Financial Statements of which we are the Independent Auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by other Auditors, such other Auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning

the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and other financial information of the four subsidiary included in the consolidated financial statements, whose financial statements reflect total assets of ₹ 616.49 lakhs as at March 31, 2021, total revenues of ₹ 9.51 lakhs for the year ended March 31, 2021, total net profit/(loss) after tax of ₹ (22.97) lakhs for the year ended March 31, 2021 and total comprehensive income of ₹ (22.97) lakhs for the year ended March 31, 2021 and net cash inflows of ₹ 41.72 lakhs for the year ended March 31, 2021, as considered in the Statement. These financial statements of the subsidiary have been audited by other auditor whose reports have been furnished to us by the Management and our opinion and conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on the reports of the other auditor and the procedures performed by us as stated under Auditor's Responsibilities section above.

The audited consolidated financial statements also include the Group's share of net profit/(loss) after tax (before consolidation adjustments) of ₹ (0.02) lakhs and total comprehensive profit/(loss) (before consolidation adjustments) of ₹ (0.02) lakhs for the ended March 21, 2021 in respect of one joint venture, based on their unaudited standalone financial statements. According to the information and explanation given to us by management, these standalone financial statements are not material to the Group.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement

of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

- d. In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the Directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the Statutory Auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a Director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in Annexure A, which is based on the Auditor's reports of the Holding company and subsidiary companies incorporated in India to whom internal financial controls over financial reporting is applicable. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for the reasons stated therein.
2. In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries incorporated in India, the managerial remuneration for the year ended March 31, 2021 has been paid/provided by the Holding Company, its subsidiaries, incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group in its consolidated AS financial statements – Refer Note No 42 to the consolidated financial statements;
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of Geecee Ventures Limited (“the Holding Company”) as of 31 March 2021, We have audited the internal financial controls with reference to the financial statements of the Holding Company and its subsidiaries, which are incorporated in India as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiaries which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding company and its subsidiaries, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India.

Meaning of company’s internal financial control over financial reporting

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures

that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 4 subsidiary companies which are entities incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

NOTE 1: NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS**1. CORPORATE INFORMATION**

Geecee Ventures Limited ("The Company") was incorporated on February 14, 1984. The consolidated financial statement comprises financial statements of the Company, together with its subsidiaries collectively referred to as "The Group" for the year ended March 31, 2021. The Group is primarily engaged in the business of real estate development, power generation and financing & investing activities. The Company is domiciled in India and is listed on Bombay Stock Exchange Limited (BSE) and The National Stock Exchange of India Limited (NSE). The address of its corporate office is 209-210, Arcadia Building, NCPA Marg, Nariman Point, Mumbai-400021.

The consolidated financial statements are approved for issue by the Company's Board of Directors on **25th May, 2021**.

2. STATEMENT OF COMPLIANCE & BASIS OF PREPARATION OF FINANCIAL STATEMENTS**Statement of Compliance**

The consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015 by Ministry of Corporate Affairs ('MCA') as amended by the Companies (Indian Accounting Standards) Rules, 2016.

Basis of Preparation

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values or at amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional Currency

The consolidated financial statements are presented in Indian rupees, which is also the functional currency of the Group. All financial information presented in Indian rupees has been rounded to the nearest lakhs, unless otherwise stated.

Current versus non-current classification

All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. The normal operating cycle in respect of operation relating to under construction real estate projects depends on signing of agreement, size of the project, type of development, approvals needed and realization of project into cash and cash equivalents and range from 3 to 6 years. Accordingly project related assets and liabilities have been classified into current and non current based on operating cycle of respective projects. All other assets and liabilities have been classified into current and non current based on a period of twelve months.

3. BASIS OF CONSOLIDATION

The consolidated financial statements comprise of financial statements of the Company and its subsidiaries and joint arrangements for which the Group fulfills the criteria pursuant to Ind AS 110 and joint arrangements within the scope of Ind AS 111.

3.1 SUBSIDIARIES

Subsidiaries are entities controlled by the Company. Control exists if and only if all of the following conditions are satisfied–

- (a) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- (b) Exposure or rights to variable returns from its involvement with the investee; and
- (c) The ability to use its power over the investee to affect the amount of the investors' returns.

Subsidiaries are consolidated from the date control commences until the date control ceases.

3.2 MANNER OF CONSOLIDATION

The financial statements of the subsidiaries are consolidated on a line-by-line basis and intra-group balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. Non-controlling interests which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the company's interests and the non-controlling interests are adjusted to reflect changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

Details of subsidiaries considered in the consolidated financial statements are as under:

Name of the Entities & Country of Incorporation	Relationship with the Entities	% of holding as on 31st March 2021	% of holding as on 31st March 2020
Geecee Fincap Limited (Formerly known as GCIL Finance Limited) (India)	Direct subsidiary	100%	100%
Geecee Business Private Limited (India)	Direct subsidiary	63%	63%
Geecee Comtrade LLP (India)	Direct subsidiary	99%	99%
Retold Farming Private Limited (India)	Indirect subsidiary	100%	100%
Neptune Farming Private Limited (India)	Indirect subsidiary	100%	100%
Oldview Agriculture Private Limited (India)	Indirect subsidiary	100%	100%

3.3 BUSINESS COMBINATIONS AND GOODWILL ARISING ON BUSINESS COMBINATION

Business Combinations are accounted for using the acquisition method.

The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are recognised in the statement of profit and loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their ac

acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. Contingent liability is remeasured at subsequent reporting dates in accordance with IND AS 109 Financial Instruments or IND AS 37 Provisions, Contingent Liabilities and Contingent Assets, with the corresponding gain or loss being recognised in profit or loss.

Business combinations arising from transfers of interests in entities that are under the common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity are recorded in shareholders' equity.

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount. Any impairment loss for goodwill is recognised in the statement of profit and loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

3.4 JOINT ARRANGEMENTS – JOINT VENTURES

A joint venture is a type of joint arrangement whereby the parties have joint control of the arrangement and have rights to the net assets of the arrangement. Joint Control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in joint venture are accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

Unrealised gains and losses resulting from transactions between the Group and the joint venture are eliminated to the extent of the interest in the joint venture.

The financial statements of joint ventures are prepared for the same reporting period as of the Group. Wherever necessary, adjustments are made to bring the accounting policies in line with those of the Group.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 PROPERTY, PLANT & EQUIPMENT (PPE)

Recognition and initial measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment is stated at cost less accumulated depreciation/amortisation and impairment losses, if any.

Cost comprises the purchase price and any attributable / allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition / construction / development of tangible assets, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets

Subsequent measurement (depreciation and useful lives)

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Depreciation is provided from the date the assets are ready to be put to use, on straight line method as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except stated otherwise.

Depreciable Assets	Useful Life
Vehicles	8 & 10 years
Computer	3 years
Office Equipment	5 years
Furniture	10 years
Office Building	60 years
Factory Building	30 years
Plant & Machinery (Windmill)	22 years
Plant & Machinery (Construction Equipment)	12 years
Plant & Machinery (Others)*	3 years
Electrical & Lab Equipment	10 years

* Based on technical evaluation, the Management believes that the useful lives as given above best represent the period over which the Management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

Depreciation method, useful life and residual value are reviewed periodically.

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of PPE is reviewed periodically for impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

De-recognition

PPE are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

4.2 INVESTMENT PROPERTY

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation or both. Investment properties are measured initially at cost, including transaction costs. The cost comprises purchase price,

borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer who holds a recognised and relevant professional qualification and has experience in the category of the investment property being valued.

Subsequent measurement

The carrying amount of Investment Property is reviewed periodically for impairment based on internal / external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When significant components of Investment Properties are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

4.3 REVENUE RECOGNITION

A) Revenue from real estate projects

Pursuant to the application of Ind AS 115 - 'Revenue from Contracts with Customers', the group has applied following accounting policy for revenue recognition:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the group and the revenue and costs, if applicable, can be measured reliably.

The Group has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the consolidated financial statements. The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the group's performance as the Group performs; or
- The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Group's performance does not create an asset with an alternative use to the group and the entity has an enforceable right to payment for performance completed to date

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue from real-estate projects is recognised when control over the property has been transferred to the customer. An enforceable right to payment does not arise until the development of the property is completed. Therefore, revenue is recognised at a point in time when the legal title has passed to the customer and the development of the property is completed.

B) Revenue from sale of power

Sale is recognized when the power is delivered by the Group at the delivery point in conformity with the parameters and technical limits and fulfilment of other conditions specified in the Power Purchase Agreement. Sale of power is accounted for as per tariff specified in the Power Purchase Agreement. The sale of power is accounted for net of all local taxes and duties as may be leviable on sale of electricity for all electricity made available and sold to customers.

C) Interest Income

For all financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets.

D) Gain/(Loss) on sale / fair value of Investments

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. For all financial instruments measured at FVTPL, the group recognizes gains/losses on fair value changes of these instruments in Profit & Loss (PL), for financial instruments measured through OCI with reclassification option to profit or loss, the group recognizes gains/losses on fair value changes of these instruments in Other Comprehensive Income (OCI) & reclassify it to Profit & Loss (PL) on derecognition of these instruments & for financial instruments measured through OCI with non-reclassification option to profit or loss, the group recognizes gains/losses on fair value changes of these instruments in Other Comprehensive Income (OCI).

E) Dividend Income

Dividend income is recognized when the Group's right to receive payment is established.

F) Other Income

Other incomes are accounted on accrual basis, except interest on delayed payment by vendors which are accounted on acceptance of the Group's claim.

4.4 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial assets

Initial measurement

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through

profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset. However, trade receivable that do not contain a significant financing component are measured at transaction price.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- (i) if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in profit or loss on initial recognition (i.e. day 1 profit or loss);
- (ii) in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability).

Subsequent measurement

(i) Financial assets at amortised cost

Financial assets are measured at the amortised cost, if both of the following criteria are met:

- a) These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. The losses arising from impairment are recognised in the statement of profit and loss.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI if both of the following criteria are met:

- a) These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI). On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the statement of profit and loss.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are classified as FVTPL if one of the following criteria are met:

- a) If such financial assets does not meet the criteria for categorization as at amortized cost or as FVTOCI; or
- b) If such financial assets are held for trading.

Gain or losses on changes in fair value of such instruments are recognised in the statement of profit and loss.

(iv) Equity instruments

Investment in equity instruments in scope of Ind AS 109 are measured at fair value. The group makes an irrevocable choice to classify the same as at fair value through other comprehensive income

(FVTOCI). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Group transfers the cumulative gain or loss within equity.

De-recognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Impairment of financial assets

The Group follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets financial assets apart from financial assets fair valued through profit or loss OR other comprehensive income (OCI) and Trade receivable the Group determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Group reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

6 B) Financial liabilities

Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost using the EIR method.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Method (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized.

For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction cost. The EIR amortization is included as finance costs in the statement of Profit and Loss.

De-recognition

A financial liability (or a part of a financial liability) is derecognised from the Group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the De-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

C) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Group measures financial instruments at fair value on initial recognition & at each balance sheet date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

D) Derivative financial instruments

The Group uses derivative financial instruments (forward nifty contracts) for speculation purpose. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss.

E) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management process.

4.5 INCOME TAXES

A) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

B) Deferred tax

Deferred income tax is recognised using the balance sheet approach.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.
- b) In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, except:

- a) When the deferred tax assets arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognized outside the statement of profit and loss is recognised outside the statement of profit and loss. Such deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

4.6 IMPAIRMENT OF NON-FINANCIAL ASSETS

An entity assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted market prices or other available fair value indicators.

4.7 INVENTORIES

A) Construction raw material

The construction raw materials are valued at lower of cost or net realisable value. The construction raw materials purchased for construction work issued to the construction work in progress are treated as consumed. The cost is computed on Weighted Average Cost basis.

B) Construction work in progress

The construction work in progress is valued at lower of cost or net realisable value. Cost includes cost of land, development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

C) Finished stock of completed projects

Finished stock of completed projects and stock in trade of units is valued at lower of cost or net realisable value.

4.8 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognised when:

- i) The Group has a present obligation (legal or constructive) as a result of a past event; It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- ii) A reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognized because it cannot be measured reliably.

Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

4.9 EMPLOYEE BENEFITS

A) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

B) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund & employee state insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

C) Defined benefit plans

For defined benefit retirement plans (i.e. gratuity) the cost of providing benefits is determined using the projected unit credit method, with independent actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognised in other comprehensive income in the period in which they occur. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements)
- Net interest expense or income; and
- Re-measurement.

D) Other employee benefits

Leave encashment is recognised as an expense in the statement of profit and loss account as and when they accrue. The Group determines the liability using the projected unit credit method, with actuarial valuations carried out as at balance sheet date. Actuarial gains and losses are recognized in the statement of other comprehensive income.

4.10 LEASES

The Group as a lessee

The Group's lease asset classes primarily consist of leases for office premises. The Group assess whether a contract contains a lease at the inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for

consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset; (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease, and (iii) the Group has the right to direct the use of the asset. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Lease payments associated with Low-value & Short term Leases are continued to be recognized as an expense on a straight-line basis over the lease term or another systematic basis if that basis is more representative of the pattern of the lessee's benefit (refer note no 35).

Initial Measurement

At the commencement date of a lease, the Group as a lessee recognises a lease liability to make lease payments at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate. Simultaneously, the Group recognises the right to use asset representing the underlying asset during the lease term (i.e., the right-of-use asset) at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. It separately recognises the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Subsequent Measurement

Group measure the lease liability by

- (a) increasing the carrying amount to reflect interest on the lease liability;
- (b) reducing the carrying amount to reflect the lease payments made; and
- (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

Right-of-use assets is subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

4.11 EARNING PER SHARE

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

5. USE OF JUDGMENTS AND ESTIMATES

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

The following are significant management judgements, estimates and assumptions in applying the accounting policies of the Group that have a significant effect on the financial statements.

A) Revenue recognition

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The Group has evaluated and generally concluded that the recognition of revenue over the period of time criteria are not met owing to non-enforceable right to payment for performance completed to date and, therefore, recognises revenue at a point in time. The Group has further evaluated and concluded that based on the analysis of the rights and obligations under the terms of the contracts relating to the sale of property, the revenue is to be recognised at a point in time when control transfers which coincides with receipt of Occupation Certificate.

B) Classification of property

The Group determines whether a property is classified as investment property or as inventory:

- i) Investment property comprises land and buildings that are not occupied for use by, or in the operations of, the Group, nor for sale in the ordinary course of business, but are held primarily to earn rental income and capital appreciation. These buildings are held for capital appreciation and are not intended to be sold in the ordinary course of business.
- ii) Inventory comprises property that is held for sale in the ordinary course of business. Principally these are properties that the Group develops and intends to sell.

C) Classification of assets and liabilities into current and non-current

The management classifies the assets and liabilities into current and non-current categories based on the operating cycle of the respective business / projects.

D) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

E) Impairment of assets

In assessing impairment, management estimates the recoverable amounts of each asset or CGU (in case of non-financial assets) based on expected future cash flows and uses an estimated interest rate to discount them. Estimation relates to assumptions about future cash flows and the determination of a suitable discount rate.

F) Useful lives of depreciable / amortisable assets (Property, plant and equipment, intangible assets and investment property)

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected usage of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the usage of certain assets.

G) Defined benefit obligation

The cost of defined benefit gratuity plan and the present value of the gratuity obligation along with leave salary are determined using actuarial valuations. An actuarial valuation involves making various assumptions such as standard rates of inflation, mortality, discount rate, attrition rates and anticipation of future salary increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

H) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument /assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

I) Provisions

The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

J) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

D. Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

Risk management framework

The Group's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The board of directors are responsible for developing and monitoring the Group's risk management policies. The committee reports regularly to the board of directors on its activities.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

I) Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from receivables from customers, investment in various instruments and loans.

Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer pertaining to real estate business & receivables of power generation business. However credit risk with regards to trade receivable is almost negligible in case of its residential sale as the same is due to the fact that Group does not handover possession till entire outstanding is received & also of trade receivable of power sale as the same is backed by the state government.

Investment in various instruments

Credit risk on investment in various instruments is limited as we generally invest in financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in liquid mutual fund units, overnight mutual funds units, quoted equity securities, quoted bonds & debentures issued by organizations with high credit ratings.

Loans

Credit risk on loans has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business.

The Group uses expected credit loss model to assess the impairment loss or gain. The Group uses a provision matrix to compute the expected credit loss allowance for loans. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies and the Group's historical experience for customers.

II) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Group's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Group has no outstanding borrowings. The Group believes that the working capital is sufficient to meet its current requirements.

As at March 31, 2021, the Group had a cash and cash equivalents of ₹270.54 lacs, other bank balances of ₹22.45 lacs and current investments of ₹21371.48 lacs. As at March 31, 2019, the Group had a cash and cash equivalents of ₹14526.98 lacs, other bank balances of ₹17.37 lacs and current investments of ₹9136.31 lacs.

Exposure to liquidity risk

Trade payables	1028.11	-	-	1028.11
Other current liabilities	128.47	-	-	128.47

The details regarding the contractual maturities of significant financial liabilities as at March 31, 2020 are as follows:

(₹ in Lakh)

Particulars	Less than 1 Year	1-2 Years	2-4 Years	Total
Borrowings	16.72	23.51	-	40.23
Trade payables	1144.67	-	-	1144.67
Other current liabilities	573.04	-	-	573.04

III) Market risk

Market risk is the risk that changes in market prices – such as interest rates and commodity prices– will affect the Group's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including payables and debt. We are exposed to market risk primarily related interest rate risk and the market value of certain commodities. Thus, our exposure to market risk is a function of investing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure to these risks in our revenues and costs.

A) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

The Group holds portfolio of debentures, commercial paper & alternate investment fund (AIF's) which is subject to fair value interest rate risk because of fluctuations in the market interest rates.

Sensitivity analysis

Particulars	Fair Value	Sensitivity to fair value	
		1% increase	1% decrease
Investment in debentures, bonds & commercial papers (FVTPL)	9582.13	(45.18)	45.31

The Group has no external borrowing as on March 31, 2021.

B) Currency risk

Currency risk is not material, as the Group's primary business activities are within India and does not have any exposure in foreign currency.

C) Other price risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through Other Comprehensive Income. If the equity prices of quoted investments are 10% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2021 would increase by Rs. 1,558.03 lakhs (Previous year – Rs. 515.10 lakhs) and decrease by Rs. 1,558.03 lakhs (Previous year – Rs. 515.10 lakhs) respectively with a corresponding increase/decrease in Total Equity of the Company as at 31st March, 2021. 10% represents management's assessment of reasonably possible change in equity prices.

EVENTS AFTER THE REPORTING PERIOD**

There was no significant event after the end of the reporting period which requires any adjustment or disclosure in the Financial Statements.

**NOTE 48:
RECENT ACCOUNTING DEVELOPMENTS**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1st April, 2021. MCA issued notifications dated 24th March, 2021 to amend Schedule III to the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Group for the financial year starting 1st April, 2021.

**NOTE 49:
ESTIMATION OF UNCERTAINTIES RELATING TO THE GLOBAL HEALTH PANDEMIC COVID-19**

The Group's operations were impacted by the Covid 19 pandemic. In preparation of these financials, the Group has taken into account internal and external sources of information to assess possible impacts of the pandemic, including but not limited to assessment of liquidity and going concern, recoverable values of its financial and non-financial assets, impact on revenues and estimates of residual costs to complete ongoing projects. Based on current indicators of future economic conditions, the Group has sufficient liquidity and expects to fully recover the carrying amount of its assets. Considering the evolving nature of the pandemic, its actual impact in future could be different from that estimated as at the date of approval of these financials. The Group will continue to monitor any material changes to future economic conditions.

**NOTE 50:
