Network18 is unique. We are an Indian media Company with strong roots and a partner of choice for multiple international content powerhouses. Our portfolio of offerings include both news and entertainment, delivered through a multitude of brands that are as relevant and relatable as they are eclectic and aspirational. We have an unparalleled presence across India, and are known to deliver the widest variety of information and immersion; in languages that reflect India's diversity, and mediums that span the full spectrum hyper-growth (Digital), mainstay (Television) and mature (Print).

It is as rewarding as it is difficult to understand the pulse of a country as vast and dynamic as India. We strive to have our ear to the heart of India, and that of Indian diaspora across the globe. Guided by this bond with our consumers, we are able to create stories, characters, conversations, debates and dialogues to enthral every kind of audience.

In a world of exploding media choices and technologies, we deliver our content across platforms, screens and devices. With this, we are able to reach our audiences everywhere – from the 70-inch TV in one's living room to the 5-inch smartphone in one's palm.

CHAIRMAN'S MESSAGE TO SHAREHOLDERS

Dear Shareholders,

FY 2018-19 has been a year of unprecedented change for the TV and Digital media industry. Amidst a new regulatory regime in broadcasting, rising competitive intensity in digital and an ad-environment that ebbed and flowed, we are happy to have emerged stronger and having reinforced our consumer connect. A strong and pipe-agnostic content strategy, innovations in programming formats, and a focus on building robust platforms have been the keys to our success. We have continued to enhance our reputation as the premier multi-platform destination for objective, cutting-edge news and entertainment that pushes the envelope.

We reach 800 million Indians today through our 55 domestic TV channels, making 1 in 2 Indians a consumer of our broadcast content. Our digital properties reach 130 million Indians, implying that 1 in 4 internet users in India are on our websites or apps. The year gone by was defined by regional content consumption and monetisation across news, entertainment and digital. Our portfolio of channels and digital properties reaches consumers in 15 languages across 26 states. Building on our position as India's top media house with unparalleled reach, we touch lives of Indians across geographies and genres every day, speaking to them in their own language.

We are the No. 1 news broadcaster by a wide margin. Our entertainment portfolio is the youngest and fastest growing amongst peers, and is the No. 3 pan-India entertainment network. In addition to TV broadcasting, it includes a film studio renowned for clutter-free cinema (a peerless example is the film "Andhadhun") and leading OTT platform VOOT. Our digital news offering under the News18 umbrella is now available in 12 languages and is India's largest multi-language news destination. Flagship business and finance app MoneyControl is today ranked as Asia's No. 1. A key achievement has been our foray into subscription and transaction models in our flagship digital properties, aimed at embracing change and accelerating growth.

We remain committed to invest across segments and stitch partnerships across the media value-chain, so as to ring-fence growth and leadership, derive synergies of scale and cost, and improve profitability in the medium-term.

Regards,

Adil Zainulbhai

- Surpassed 100 billion minutes of watch-time and gross downloads of 132 million
- Gained more than 45 million Monthly Active Users (MAUs)
- More than 85% of content consumption comes from mobile devices

THE YEAR **OF VERNACULAR**

We are spread from India to Bharat – and cover issues and content sensibilities that range from national to regional to hyperlocal. Our wide portfolio of regional channels in more than 15 languages cater to over 600 million vernacular viewers across India.

The year was defined by regional content consumption in broadcasting and digital; straddling across news, entertainment and movies. Advertising spend in regional channels too has been rising.

Entertainment

After the entry into Tamil with Colors Tamil late last fiscal, we further deepened our presence in regional entertainment with the launch of Colors Kannada Cinema. This regional movie channel complements our leading GECs in Karnataka. The channel opened well with 70 million gross viewership and became the No. 2 Movie Channel in the second week of launch.

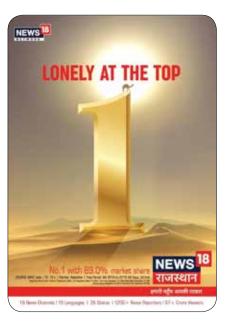

The regional TV news cluster has the highest reach and viewership in India, with 540 million viewers tuning into the network and a 6% share of news viewership. News18 Rajasthan and News18 Uttar Pradesh maintained No. 1 and No. 2 rank in the respective regions.

News18.com languages portfolio grew steadily and traffic more than doubled.

Movies

- Leveraging growth opportunities in regional movies with Apla Manus, Cycle, Ani... Dr Kashinath Ghanekar and Bhai.
- Devadas has been our first feature film in Telugu. We also completed our first Malayalam film, while two movies are in progress in Gujarati and Bangla.

The Year of Vernacular Driven by Accessibility, Availability and Affordability

DRIVEN BY ACCESSIBILITY, AVAILABILITY AND AFFORDABILITY

Under the New Tariff Order, we aim to be the go-to network that best caters to content needs across demographics and geographies. With our "consumer first" strategy, we enable viewers to pay only for what they watch through our economic and competitive bouquets. Our carefully curated packs bring the best value-for-money for an Indian household.

The new tariff regime is a transparent and consumer-focussed regulation that gives freedom and choice to the end-user. It is a pioneering move that aims to increase transparency across the broadcast value chain. It empowers consumers to select channels of their choice and improves transparency across the broadcast ecosystem. The regulation is expected to turn the broadcaster model from B2B to B2C, thereby improving yields for broadcasters with a strong content proposition.

Our base offering, the "Colors Wala pack" provides the widest spread of premium content at a class-leading price-point. Our channel brands have witnessed a strong uptake in the new tariff regime, which places the consumer at the centre of the broadcasting business model more than ever.

COMPANY OVERVIEW

Network18 Media & Investments Limited is India's most diversified Media & Entertainment conglomerates with interests across television, digital content, filmed entertainment, e-commerce, print and allied businesses.

'TV18 Broadcast Limited', a subsidiary of Network18, manages its primary business of broadcasting. It runs the largest news network in India which spans across business news (4 channels with market leadership), general news (1 each in English and Hindi) and regional news (14 channels across India, including ioint venture News18-Lokmat). Marquee brands CNBC-TV18 and CNN-News18 are part of this bouquet.

TV18's entertainment subsidiary Viacom18 (a joint venture with Viacom Inc.) operates an array of entertainment channels. The entertainment portfolio comprises Hindi general entertainment channels, English entertainment, movies, vouth and musical entertainment, kids genre and regional entertainment channels. This includes leading brands such as Colors, MTV and Nickelodeon. The Group has a presence in the movies business too, through Viacom18 Motion Pictures. TV18's Infotainment subsidiary AETN18 (a joint venture with A+E Networks) operates factual entertainment and lifestyle channels History TV18 and FYI TV18, respectively. TV18 and Viacom18 have formed Indiacast, a multi-platform content asset monetisation JV.

India continued to be the world's fastest growing major economy in FY 2018-19.

In the publishing space, Network18 has a market presence through niche and special interest magazines, Forbes India, Overdrive, Better Photography and Better Interiors.

Network18 also has a digital content business spanning websites and mobile applications, covering general and business news, entertainment, technology and sports. This includes well-known platforms such as MoneyControl, News18, CNBCTV18.com, CricketNext and Firstpost, a digital newsroom powered by expert writer-editors across the country and the globe. Viacom18 also operates VOOT, an OTT (Over the Top) distribution platform offering Video On-Demand.

Network18 also is the largest shareholder in BookMyShow, India's largest Online Entertainment Ticketing Platform.

INDIAN ECONOMY

India continued to be the world's fastest-growing major economy. After touching a high of 8% in the first quarter of FY 2018-19, GDP growth fell steadily in the

second and third quarter to 7% and 6.6%, respectively¹. The declining rates were triggered by a slowdown in both private and public expenditure, manufacturing and agriculture. Although household spending, government consumption and inventories fell, there was a marginal pick-up in capital formation and some improvement on the external trade front.

In its World Economic Outlook (April 2019 update)², the IMF suggested that India's growth is expected to pick up to 7.3% in 2019 and 7.5% in 2020 on the back of a sustained recovery in investment and strong consumption, triggered by a more expansionary monetary policy stance and some impetus expected in the fiscal space as well.

INDIAN MEDIA & ENTERTAINMENT

Industry overview

Despite falling quarterly economic growth, the Media & Entertainment (M&E) industry grew by a strong 13.4% in 2018, more than the nominal GDP, to reach ₹ 1.67 trillion (US\$ 23.9 billion), according

to the 'FICCI-EY - 2019 report, A Billion Screens of Opportunity'. With its current trajectory, the sector is expected to cross ₹ 2.35 trillion (US\$ 33.6 billion) by 2021, at a CAGR of 11.6%.

Akin to 2017, all segments of the M&E industry posted growth, with digital media in the lead (only surpassed by the nascent, niche sub-segment of online gaming). While television retained its position as the largest segment, digital media grew sharply by 41.9%, while print, once again, grew the slowest at a negligible 0.7%. In terms of size, however, television and print continued to top the list, followed by filmed entertainment and digital media.

Within this milieu, advertising outpaced subscription in terms of growth rate and volume, demonstrating that it was finally over the transitory effects of demonetisation and the implementation of the Goods & Services Tax (GST). Digital advertising led growth with a 34% increase over 2017, while television advertising stayed steady with 14% growth, driven by sporting events, state elections, and growth in regional advertising. Growth in subscription was largely on account of international film exhibition revenues, the digitisation of DAS-III and IV television markets and digital streaming on Overthe-top (OTT) video platforms. Among some of the interesting trends that emerged during the year, media buyers began shifting budgets to segments with more Direct to Consumer (D2C) capabilities. On the other hand, Small and Medium Enterprises (SMEs) diverted advertising spends towards digital platforms from the traditional channels of yellow pages, local print, Out-of-home (OOH) and radio. Further, there was a spike in digital subscription and in the demand for original digital content over 2017. And most interestingly, Indian content was much appreciated on global platforms.

Growth Drivers

Expansion of the Digital Content Universe According to a report by KPMG –

'#IndiaTrends2018: Trends Shaping Digital India', the predominant medium of digital content consumption will continue to be the mobile phone, especially for the media and gaming entertainment segments. This medium will generate significant avenues for consumer outreach and engagement. The report revealed that as around 95% of Indian homes have a single TV, consumers are driven towards mobile consumption. This trend will drive the OTT market to potentially reach 100 million monthly OTT users by 2020³.

The increasing demand for content by OTT platforms is already apparent, as is the trend towards localisation strategies to engage audiences further. Consequently, in 2018, the demand for original digital content increased by around 1,200 hours, leading to a rise in cost of content creation⁴.

Explosion of regional digital content

A study by KPMG in India and Google (April 2017) 'Indian Languages – Defining India's Internet' suggests that languages are expected to take centre stage in digital consumption in the years to come with 521 million Hindi language speakers currently and approximately 500 million other Indian language speakers compared to English speakers at 124 million. Indic

language internet users are expected to be 75% of India's internet user base by 2021. Digital news is expected to be consumed by 284 million Indian consumers by 2021. It also expected the General Elections in India to drive news consumption to an all-time high, which was seen happening.

Re-emergence of Advertising spends

The recovery in advertising expenditure was driven by two primary factors. On the one hand, advertisers have recovered from the transient impacts of demonetisation and the shift to GST, which caused a temporary slack in their momentum. At another level, there is a fresh realisation that personalised and targeted communications are possible due to the gaining popularity in online video and paid searches. As a result, advertisers have begun to consider using online video and television to make a greater impact; while television offers a wider reach, online video enables better targeting and scope to optimise frequency. Interestingly, there was also a clear shift towards performance-led advertising spends, as opposed to just brand building. Advertisers are also showing growing interest in audiences that visit platforms

for content and can get drawn away to e-commerce platforms when interested in purchasing. This emerging trend is expected to attract innovative advertising strategies, and therefore, flexible budgets.

Subscription gains acceptance amongst consumers

A World Administrative Radio Conference (WARC) report, 'Trend Snapshot, Media in the subscription economy', observed that there is a growing willingness in consumers to pay for digital content services. This is apparent from the expanding subscriptions to OTT services like Netflix and music-streaming services like Spotify. In India, the number of users who paid for any online content (not including content consumed through bundled telco offerings) almost doubled from 7.5 million in 2017 to 12-15 million in 2018. Reflecting this trend, the digital subscription market grew 262% during this period to touch ₹ 14.2 billion. Telco bundling offerings, however, continued to be significant, accounting for an estimated 60% of consumption.

The world watches India

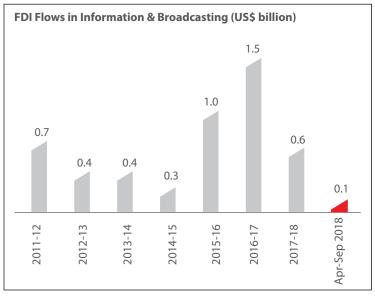

Beyond the regular demand for Indian content from the great Indian diaspora, during 2018

appreciated the non-diaspora by audience Consequently, too. global digital platforms have begun to buy more Indian content. This has opened up a huge new opportunity for domestic content creators to showcase their skills and produce and garner greater revenues.

Fund inflows spur industry infrastructure

There has been greater liberalisation in

FDI norms for the telecom sector since 2013, and the media & entertainment industry since 2015 and 2016. In June 2016, 100% FDI through the automatic route was allowed in teleports, DTH, cable networks, mobile TV, headend-in-the-sky broadcasting service and cable networks. This resulted in a volatile, but upward trend in FDI inflows into the information and broadcasting sector.

Media gains traction from thoughtprovoking and life-impacting events

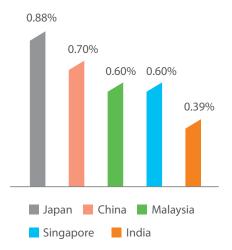

In recent times, due to the reach of social media and increasing conversations around events that impact the socialpolitical-economic fabric of the country, the media has played a role in conveying perspectives too. Events and movements such #Metoo, #BalakotStrikes, #Elections2019, and others have played a role in driving content consumption in the news space. In fact, a large part of FY 2018-19 was spent in preparedness for the elections. The trend of covering such social-political-economic events and movements appears to be here to stay.

OUTLOOK FOR THE MEDIA INDUSTRY

The world has recognised the fact that India offers a huge market which is extremely diverse and spans across virtually every type of media. Despite the current vibrancy and strong progress, the growth story is far from peaking. Advertising spends as a percentage of GDP in India are still relatively low. Further, the uptick in wireless broadband connectivity and infrastructure seen alongside the country's predominantly young demographics presents a vast new opportunity.

According to a PWC report, 'Global Entertainment & Media Outlook 2018-2022', the Media and Entertainment industry in India is expected to grow at a CAGR of 11.6% between 2018 and 2022 to reach ₹ 3.5 trillion. Some encouraging trends that supported the growth of this industry were the rise in device penetration, falling Internet prices, increasing demand for content and preferences for portability.

THE INDIAN TELEVISION INDUSTRY

Overview

The Indian TV industry grew 12% (gross of taxes) to ₹ 740 billion in 2018, according to the FICCI-Frames 2019 report. TV advertising revenues grew by 14% to reach ₹ 305 billion, while subscription revenues grew 11% to ₹435 billion. However, the implementation of the New Tariff Order (NTO) by the regulator Telecom Regulatory Authority of India (TRAI) in Q4 FY 2018-19 dragged the fiscal year's growth, as advertisers pulled back spends due to flux around implementation issues in the distribution value-chain. The NTO allows consumers to choose the channels they would wish to watch and pay for only those channels they subscribe to, which is a major change in the broadcasting business model prevalent in India.

In terms of viewership, the average time spent on watching television increased to 3 hours 46 minutes per day. This amounted to an all-time high total of around one trillion man minutes.

Trends in the TV industry

The television industry is gaining importance as a medium of impact with 2/3rd of Indian households now owning TVs, as per Broadcast Audience Research Council (BARC)'s latest Broadcast India survey. Of these television connects, 88% were digital in 2018, up from 72.6% in 2016. This digitisation of channels increased the width of consumption, as reflected in a rise in the number of unique channels viewed by a household in a day. It went up from 12 pre-digitisation (2017) to 15 post-digitisation (2018).

Advertising

Data from TAM Media Research's AdEX India reveals that in 2018, TV attracted

10,962 advertisers and covered 16,857 brands. Of these, around 50% (5,382 advertisers) were not on print or radio. Further, advertising insertions increased by 15% in 2018, while advertising revenues grew 14%.

Rural areas in focus

Interestingly, regional advertising outpaced national adverting growth. This was largely due to the fact that national brands began to spend more on non-metro markets to salvage growth. This was particularly after GST created a level-playing field between national and regional brands.

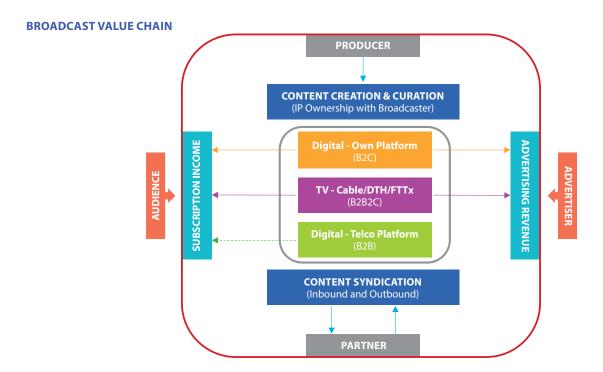

Broadcasters offering TV+Digital adsolutions

In order to seek better monetisation of marquee properties, broadcasters began offering combinations of advertising across OTT and linear TV platforms. It also enabled increased utilisation of digital inventory. By customising their offerings, they enabled advertisers to display separate messaging to segmented audiences.

Distribution

With the electrification drive in the states of Bihar and Jharkhand, the growth in television households was the highest in these States at 24%, followed by Assam, Sikkim and North East at 21%.

Additionally, there has been an increase in multiple TV homes in 2018 to 4 million households. In the lead, in terms of the highest incidence of multiple TV homes are UP / Uttarakhand, Delhi, West Bengal, Haryana, Himachal Pradesh, Jammu and Kashmir and Punjab and Chandigarh.

ARPU increases in DAS III and IV

The digitisation drive has also impacted the world of TV distribution positively. By 2018, India achieved 88% digitisation in TV viewing households. According to BARC, 31% of TV viewing households had paid Direct-to-home (DTH), 13% had free DTH and 44% had digital cable. This number indicates a 15% growth over 2016 and has contributed significantly to the growth in end-subscriber pricing.

Side by side, there have been changes in the subscriber mix, which have affected DTH Average Revenue Per User (ARPUs). There have been a number of incremental subscribers at lower price points, while some have moved to lower value regional packs. As a result, while the ARPU for Digital Addressable Cable TV Systems (DAS) I and DAS II for 2018 remained within the same band as 2017, digitisation led to an increase in collections from endusers in DAS-III and DAS-IV markets, with many cities crossing the ₹ 200 per month threshold.

Quest for quality viewing

With the rise in aspirational viewing, there is a strong and growing preference for High Definition (HD) channels. In response, the number of HD channels grew from 78 in 2017 to 92 in 2018, marking a growth of 18%. This was well received and reflected in the fact that HD viewership grew 57% in 2018 to reach 874,000 impressions, according to the Broadcast India Survey.

At another level, there has been a shift in the use of high-end television sets. The number of LED / LCD / Plasma television sets grew from 14% in 2017 to 21% in 2018. In addition, the sale of Smart TV sets crossed 10 million, though as few as 10% of them could be connected.

Price sensitive customers step up

The FICCI-EY report revealed that pricesensitive customers had begun to adopt both a Free Dish box as well as a paid TV service. This exercise of discretion and leveraging of flexibility offered by distributors and Distribution Platform Operators (DPOs) was typically activated during holidays and during times when there were large sporting events.

Broadcasters get a larger piece of the pie

The share of subscription revenues for broadcasters increased to around 25% of the total ground collections at ₹ 110 billion. With subscriber migration from the old tariff regime to the new tariff order, the share of broadcasters, especially from cable subscribers, is expected to increase significantly.

Management Discussion & Analysis

Content

Consumption trends

Content from the 'Films and Entertainment' genres, broadly categorised as escapism, has been predominantly in demand in 2018. Over half of the total content consumed (53%) was in the form of general entertainment, while an additional 24% was films. Despite 43% of TV channels in India being classified as news channels, news viewership remained at 7%.

Regional channels drove an overall growth of 13% in viewership. While Hindi content consumption clocked a 15% increase, the highest growth of 34% was recorded by Oriya, followed by Assamese (26%), Marathi (25%), Bhojpuri (22%) and Urdu (20%).

There was also a shift in sports viewership in proportion terms. While cricket still commanded a robust 19% of sports viewership in 2018, according to BARC data, wrestling took the number 1 position with a share of 20%. Kabaddi and Volleyball made it to the top five, with shares of 17% and 6%, respectively.

Growing penchant for the second screen

There has been a growing preference for second screen interactivity through laptops, tablets, smartphones and handheld gaming units. Sensing this, large TV broadcasters began to implement second screen interactivity for premium properties with great success. Beyond delivering viewer stickiness and an increase in viewership to broadcasters, these consumer engagement initiatives rewarded players all along the value chain. OTT platforms witnessed an increase in app downloads and subscription numbers, while advertisers were able to leverage innovative ways to engage with customers and increase sampling.

TRAI's New Tariff Order

The New Tariff Order (NTO) has implemented amendments to various aspects of the distribution of content. This has been initiated to create an ecosystem that is fair to viewers and suitably remunerative to all players along the value chain. This included revenues related to the cost of providing services and carrying content, Inter-connect agreements

between DPOs and broadcasters, and between Local Cable Operator (LCO) and Multiple System Operator (MSO), and last but not the least, channel pricing and offerings. By setting caps on fees and charges, declaring sharing ratios, MRPs and minimum receipts, it has laid out clear guidelines to pre-empt future disputes and breaches of faith. This could go a long way towards facilitating growth, transparency and impartiality, and eventually benefit consumers, broadcasters and those in between.

Conclusion

With new regulations in place and successful implementation of digitisation of Television, the M&E industry now rests on a stronger base, which will support future growth. At the same time, an unfolding of demand for various types of content across geographies, including international viewers, will drive the industry to create and package more content, more innovatively. With the help of data and analytics, advertisers and distributors can also hope to make more informed choices and monetise these choices better.

NETWORK SYNERGY

Network18 comprises leading television channels, digital and mobile properties and publications in all key media genres. This facilitates cross-promotion and cross-pollination of content and expertise across its network, enabling enhanced advertising and subscription revenue generation.

STRATEGIC COLLABORATIONS

Network18 has a track record of building successful strategic alliances with international media companies such as Viacom in entertainment, CNN in English general news and CNBC in business news, A+E Networks in factual entertainment and Forbes in the business magazine genre.

BRAND EXCELLENCE

At Network18, the focus is on driving the highest standards of creative excellence by fostering a culture of innovation to build new content formats across platforms, thereby creating strong brands across diverse media.

STRATEGIC INITIATIVES UNDERTAKEN

Network18 has been striving to improve its portfolio as well as enhance its outreach, to realise economies of scale and attain leadership. Substantial investments continue to be made to create a compelling proposition for viewers.

Free-to-air (FTA) channels, Rishtey and Cineplex, were taken to the pay ecosystem and rebranded as Colors Rishtey and Colors Cineplex respectively, establishing the channels as premium urban entertainment destinations. The Colors Cineplex library is being beefed up, to function as a full-fledged pay movie channel. In the case of Colors Rishtey, it is likely to allow for an overall increase in monetisation in the long-run, and slots-in better with industry dynamics in the new tariff regime.

Cricket portal CricketNext (#3 portal in India) was relaunched with a dedicated app. During the last few months, CricketNext has built on this momentum with its coverage of the IPL and World Cup.

News18 Languages portfolio has steadily grown its spread across Indic languages, with content in Hindi, Marathi, Bangla, Gujarati, Kannada, Tamil, Malayalam, Telugu, Punjabi, Urdu and Assamese (Malayalam was launched in May 2018 and Telugu went live in August 2018). Unique Users on languages grew 118% (Dec-18), with more than 96% of our Users coming through their Mobile Phones.

Entertainment portal IN.com was relaunched in Aug' 18. It will be India's premiere destination with opinionated content around celebrities. Largely aimed at millennials, the language and content will be fresh and young.

There have been realignments in corporate structure for group simplification. The scheme of arrangement for the merger by absorption of wholly-owned direct and indirect subsidiaries of Network18 and TV18 with the respective parent has been approved by the National Company Law Tribunal (Mumbai bench). The scheme has become effective from 1st November 2018, the appointed date being 1st April 2016.

Innovation

In April 2018, Network18 launched MC Pro – Paid app with Premium and Ad free content. Further, MoneyControl also launched MC Transact during the year, for enabling investments (into mutual funds at present). Both these innovations are aimed at deepening engagement with and improving monetisation of existing MoneyControl users.

General News

CNN-News18

Known for its legacy of diverse programming and rich-content, the channel presented a comprehensive coverage of the Assembly Elections. CNN-News18 delved into all aspects of the Lok Sabha elections with its special programming 'A Billion Votes'. With its diverse formats and data-driven programming, the channel delivered upto-the-minute updates through shows such as 'Election Epicentre' and 'Setting the Election Agenda'. 'Reporter's Project' and 'The Real Bharat' saw reporters traversing across the length and breadth of the country to present its viewers with realities and voter sentiments from ground zero. State Elections in key states - Karnataka, Madhya Pradesh, Rajasthan, Chhattisgarh, Telangana and Mizoram were presented under the umbrella branding 'Battle for the State(s)'. A major highlight of the election programming was the introduction of Al-driven live interactive tools, such as Magic Wall and Elex-A, which provided an unmatched viewing experience to its viewers.

CNN-News18 partnered with Hindustan Times for the annual Hindustan Times Leadership Summit. The summit witnessed the participation of dignitaries from various walks of life, including politicians, sportspeople and actors.

The channel also covered all major events from the world of sports, including the FIFA World Cup 2018 and the 17th Asia Cup, to name a few.

The year ended for the channel with another edition of 'The Bollywood Roundtables', hosted by the renowned critic Rajeev Masand. The show featured India's finest actors, actresses, newcomers and directors.

News18 India

This year, News18 India became the No. 2 General Hindi News channel⁹. It also holds No. 1 position in Indian urban prime time. During the State Elections, it aired indepth coverage of Rajasthan, Madhya Pradesh, Chhattisgarh & Karnataka elections through 'Sabse Bada Dangal'.

The channel undertook several investigative stories, which exposed crimes, which turned out to be the eye-openers.

Additionally, News18 India also added new shows to its line-up. These included Desh Ko Jawab Do, a weekend debate show that witnesses a face-off between two of the biggest newsmakers on the top issues of the week. Similarly, other new shows included were Akhada, Ye Desh Hai Hamara and Lunchbox. Apart from this, the channel extensively covered various big stories that broke through the year, such as the Kerala Floods and Chennai

water crisis, the Balakot Surgical Strike and Pulwama Attack, etc. There were also major interviews with top politicians like Amit Shah, Rahul Gandhi, Yogi Adityanath and Rajnath Singh, amongst others.

⁹(Source: BARC, NCCS All 15+, Wk 32-44'18, 24 Hrs, All Days, HSM). The channel also touched #1 with 16% market share during Primetime (Source: BARC, NCCS All 15+, Wk 44-47'18, 1900-2300 Hrs, Weekdays, HSM).

News18 (International)

News18 is available to the Indian diaspora through two international feeds in the US, UK, Singapore and Dubai under the same brand name – News18. The content mix includes two business shows - India Business Day & India Markets Live and two shows for the UK market – The UK edition and Shades of India that are specifically produced to reach the international audiences seeking definitive Indian news.

Regional News

News18 continues to be the largest regional news network in India, reaching an audience of 540 million across the country. The viewership share of the News18 Regional news network (as a percentage of overall TV News viewership)

has also grown to 6%¹⁰. 5 out of the 6 Hindi Regional News channels are in the top 2 ranks.

During the year, Network18 hosted one of the biggest thought leadership events -'News18 Rising India Summit', which was graced by the Prime Minister of India. The series of "Rising" events in different states is another milestone for the News18 Network.

It was an eventful year in terms of coverage of the elections, education and health-related events. Apart from this, the channels also focussed on covering state-wise regional niche events such as local festivals, movements etc. to improve audience connect. Few of the events included Panchayat Polls, Ratha Yatra, Food Festivals, Real Estate Expo, Winter Carnival, Education summits, etc. However, unaltered election reporting has been the forte of News18 regional channels.

In the recent elections, both News18 Rajasthan¹¹ & News18 MP and Chhattisgarh were leading the genre in their respective states¹². News18 Punjab, Haryana and Himachal have seen a dramatic upward swing in terms of market share – from a low of 4.4% to 14%¹³. Moreover, News18 is the only pan-India player with a presence in the South. This is backed by strong editorial and distribution footprints of the channels which comprise over 1,200 reporters, who strive to be the first to bring all the important news to their viewers.

Youth & Music

MTV India

MTV is an iconic and multi award-winning youth brand that is irreverent, fun, innovative, passionate and optimistic, encouraging and inclusive. It garnered 300 million viewers across India in 2018²³. The channel had several successful shows during the year, such as 'Splitsvilla X1', 'Roadies Real Heroes' and 'India's Next

Top Model S4', all of which registered increased viewership since their past season. While the channel owns a highly successful original IP 'MTV Roadies', which was launched in 2004 and has its 16th season ongoing, MTV continues to be the leader in introducing new formats in India, with the launch of Elevator Pitch (India's first speed dating show) and Dating In The Dark (India's first blind dating show). The new captive reality show, Ace of Space, was also a huge success. Furthermore, MTV built on its legacy of music, with 8 years of MTV Unplugged, and introduced an array of differentiated youth content through strategic partnerships with the BRAVE series, Bollywood Music Project and India Music Summit-2. MTV is also one of the biggest youth brands on social media and has been the pioneer of 'Branded Content' today. MTV has successfully created impactful and awardwinning content and platforms for clients such as AirBnb, Havells, HP, Nestle and Renault, among others.

MTV/Reats

MTV Beats was launched in September 2016 as a 24x7 Bollywood Music channel with unique daily thematic play-listing. The channel has garnered an audience reach of 470 million plus in 2018²⁴ and has grown its viewership by 27%²⁵. Comedy Central

Comedy Central celebrated its 6th anniversary in 2018 with a FRIENDS Ultra-Marathon (FUM). It aired all 10 seasons of the popular "Friends" show back-to-back over a period of 5 days. This created a rating record in the genre, with Comedy Central getting 763 TVTs during this time. This was higher than the weekly cumulative ratings of all its competitors added together. The FUM promo organically reached over 1 million views on Facebook alone. 2018 also marked the premiere of 2 of the biggest sitcoms, '2 Broke Girls' and 'Two and a Half Men' on its channel. In October, the channel launched

a brand new prime-time with the premiere of "Two and a Half Men" and some of the best-unscripted shows (Impractical Jokers, Whose Line Is It Anyway?, Penn & Teller: Fool Us). Alongside, its 'Watch With The World' block continued to remain strong with the premiere of some of the biggest titles, such as Will & Grace, Young Sheldon, and Brooklyn Nine-Nine, among others. Comedy Central continued to remain a strong No. 1 across the year.

Colors Infinity

Colors Infinity celebrated its anniversary in 2018 with a 'Big Banga-thon' (Marathon of The Big Bang Theory). This was the first sitcom to be aired on Colors Infinity. The channel also underwent a 'Brand Refresh' and launched a brand new prime-time in October, where it premiered 14 day-and-date shows under its 'Instant Premieres' property. It also introduced 'Infinite Weekends'. wherein the channel premiered one full season of a show on the last weekend of every month. The entire season of 'Orange is the New Black - S6' and 'Mozart in the Jungle - S4' were aired at the same time, as its premiere in the US under the 'Live Binge' property.

Kids Entertainment

nickelodeon...

Nickelodeon

Nickelodeon has been the No. 1 channel in the kids' category since August 2014 and continues to rule supreme. The channel is home to the best and funniest in kids' entertainment, with chart busters 'Motu Patlu' and its newly launched, first of a kind show themed around magic – 'Rudra Boom Chik Boom'. Nickelodeon's thought leadership comes from its pioneering ability to create larger than life and one-of-a-kind properties, such as the Nickelodeon Kids Choice Awards or the specially created, made for TV movies that consistently captivate audiences. Motu

Patlu, a locally produced show, aired on Nickelodeon, is a top show in the kids' category and has become so popular that Google has declared it as the most popular Indian show on TV. The channel has the unique distinction of being able to connect with kids through numerous touchpoints, beyond TV.

Nickelodeon with kids engages throughout the year through innovative campaigns and larger than gratifications, such as 'Golden Ticket to USA Contest'. In addition to above-the-line, below-the-line, online and experiential campaigns, the franchise also has a school contact programme reaching out to more than 900 schools across the country with the campaign 'Nickelodeon Magic Masti'. As a responsible broadcaster, Nickelodeon has an annual pro-socio campaign, Together for Good, which aims at making kids responsible and positive agents of change in society. For Independence Day, Nickelodeon conveyed a message to the nation to 'Karo Soch Upgrade', where the promo asked hard-hitting questions to adults. This initiative received 1.1 million views.

Factual Entertainment and Lifestyle

History TV18

History TV18 delivered a slew of bigticket local shows in FY 2018-19, across sub-genres from military to humour, which changed the paradigm of factual entertainment in India.

These included 'Special Operations India: Myanmar' and 'Special Operations India: Pathankot' amongst others. At the other end of the spectrum, the channel introduced 'Crazy Wheels', a full-throttle entertaining show, hosted by Raghav Juyal and unveiled a new sub-genre with 'Mumbai: City of Ganesha' and 'Dwarkadhish - Kingdom of Krishna', showcasing India's cultural heritage in a format rarely witnessed in the country.

The channel also featured a new season of 'OMG! Chhattisgarh' and a new franchise, 'OMG! Odisha'. These were tailor-made initiatives created specifically by the tourism departments of the respective states.

While new shows engaged new viewers, HISTORY TV18's regular shows continued to enthral regular audiences. The hugely successful 'OMG! Yeh Mera India' entered its 5th season with more amazing and inspiring stories from across the nation.

FYITV18

During FY 2018-19, FYI TV18 has grown from strength to strength to cement its position as the No.1 lifestyle channel. Starting off as a channel with content based on key pillars of food, relationships and home, the channel has evolved into a

complete lifestyle destination providing premier content. With over 200 hours of premier content, FYI TV18 continued its thrust on providing differentiated content in lifestyle.

The year also saw the launch of FYI TV18 HD with a suitably executed marketing campaign activated across trade and press. FYI TV18 HD quickly became the No.1 HD lifestyle channel within a week of its launch, upstaging established players.

FYI TV18 continues to expand its digital footprint through continuous engagement on social media by focussing on short form and episodic video formats to drive sampling and reach.

FINANCIAL PERFORMANCE

Financial Overview

Network18 continued on its growth trajectory, and invested in key areas to fill whitespaces or ring-fence its position. While the first three quarter of FY 2018-19 were buoyed by the revival in ad-spends and rising traction with viewers across the board, the last quarter dragged due to the new tariff regime for TV channels, and impact of absence of movie 'Padmaavat', Union budget and some Cricket/Live events this year.

HUMAN RESOURCE DEVELOPMENT

There has been a continual focus on attracting and developing quality talent, and aligning them to the company vision and mission while deploying progressive Human Resource policies, systems and processes.

During the course of the fiscal year, given the growth agenda and the intensely competitive landscape, Talent Acquisition was a focus area. Organisational manpower was strengthened across levels and business verticals. Even with the annual number of recruits being the highest ever, the Talent Acquisition processes were sharpened and improved - resulting in a reduction in the average Turn-around-times for recruitments as well as a reduction in the average Cost per hire. Through an improved selection process, a significant saving was obtained on the replacement costs for new hires.

Integral to your Company's approach to human resource management is its focus on employee development. Your Company's Learning and Development initiatives were further strengthened with the launch of the Learning Management System (LMS), "Opigno", across the Network. This LMS was integrated with the existing online content platform Lynda, from LinkedIn. The LMS also provides curated technical programmes segregated by various academies - IT academy, HR academy and Finance academy. All of these were made available to our employees for developing their technical and behavioural capabilities for their current role and future requirements. A revamped Centralised Induction plan was created and deployed for our news trainees from top Journalism campuses. The programme, called "Aarambh", is a 5 days induction programme which provides support to the new joiners in their transition from campus to corporate life and is followed by function specific learning sessions. A structured monthly/

annual learning calendar was developed and training initiatives were undertaken for our employees through the year.

Employee engagement initiatives were further reinforced. A Health and Wellness portal was implemented to enable employees to access articles and videos related to health and wellness and live telecasts of talks by health experts anywhere / anytime. An annual health check-up policy was also introduced. Multiple Employee Health and Wellness based events like Health camps by specific ailments were conducted. Various events and festivals were conducted across locations to promote employee engagement at the workplace.

Your Company seeks to promote a just and safe workplace for its employees. To create organisation-wide awareness on Prevention of Sexual Harassment, multiple sessions were conducted, which were facilitated by external experts. A mandatory e-learning and certification on Prevention of Sexual Harassment, called "Creating a Respectful Workplace", was introduced.

Your Company has been bolstering its HR Technology framework to drive efficiency and productivity. For new joiners, videos were created to aid the inductions of employees joining us in remote locations. The travel process was simplified by the integration of the SAP travel module with a travel vendor and self-booking introduced for cost efficiencies and reduced turnaround times. Payroll operations were also centralised for all our employees.

While externally, your Company consolidated its brands under the 'News18' brand, internally it focussed on creating a 'One Network' culture. Talent movement across the various brands and properties of the company was encouraged, and processes were introduced to make it seamless.

As of 31st March 2019, there were 829 employees on the rolls of your Company.

| On-roll employee count Network18 | 31-Mar-18 | 31-Mar-19 |
|---|-----------|-----------|
| Network18 Media & Investments Limited | 618 | 829 |

The upcoming year will see further focus on talent development, succession planning and leadership development, while exploring further ways to improve the technology support for various HR systems and processes. Your Company and its employees remain committed to driving the ambitious growth agenda, attaining a leadership position in each of the genres/markets that we operate in and building a credible reputation as one of India's foremost media houses.

RISK MANAGEMENT

Network18 maintains a robust system of internal controls, commensurate with the size and complexity of its business operations. The system provides, inter alia, a reasonable assurance of protection against any probable loss of the Company's assets as a result of misuse of powers by those who are in a position to influence the working of the business verticals of the organisation. It ensures that the transactions of its business operation are recorded in all respects in a fair and transparent manner. The Company has an external and independent firm of Internal Auditors to scrutinise its financials and other operations. The Internal Auditors report their findings directly to the Audit Committee, which forwards them to the concerned departments/ business verticals for taking corrective measures. Internal audit also ensures that applicable laws are being complied with in true spirit.

Corporate Overview

Statutory Reports

RISKS AND MITIGATION STRATEGY

Content Risk

The content business (news. entertainment and film) depends upon the subject matter and its treatment resonating with viewers, which is difficult to predict accurately. A programme's (or film's) ratings and revenue are directly linked to viewership. Hence, there is a risk of revenue loss in case a programme is not liked by the majority of viewers in the target group.

Macro Risk

Advertising being a major source of revenue generation, any decline in advertising revenues (or disinflation of the advertising currency) could adversely impact Network18's revenue operating results. Network18's primary revenue generation is linked with the sale of advertisements through television channels, which is dependent on the overall macroeconomic and industry conditions, market trends, public policy and government regulation, viewership, budgets of advertisers, among other factors. TV advertisement sales are also threatened by the abrupt termination of contracts by advertisers, limits on advertising time, and advertising shift to new media formats such as digital, etc.

Regulatory Risk

The Indian broadcast industry is heavily regulated across a multitude of areas including distribution, taxation, etc. Any policy changes can have a material impact on the economic and strategic direction of the industry and may restrict Network18's ability to do business. In this context, the recent TRAI tariff order may create flux in the industry as the complete value-chain including consumers have to adjust to the new regime where bouquets are unbundled in part and a-la-carte channel selection is allowed. In this scenario, channels with weak content could stand to lose out on account of poor consumer demand.

Competition Risk

The emergence of digital media, along with the growth of mobile and radio, is causing a shift in part of the advertising revenue away from the television. With their greater local connect and more measurable reach index, such media are drawing in considerable advertising from sectors such as FMCG and BFSI. Also, the advent of these mediums has created a need for substantial investments into both content and platforms, so as to capture / ring-fence audiences which can be monetised later.

Third-Party Relations/JV/Partnerships

Network18 has relationships and JVs with external partners whose longterm continuation it cannot assure; though it has taken every effort to create long-term relationships through licensing and JV agreements. Sudden termination or deterioration of these relationships may materially adversely affect Network18's operations and financial condition. The success of any future JVs and strategic relationships with third parties is also not assured, as every relationship comes with its own set of risks, including failure to recover the investment made in such initiatives.

Brand Recognition and Popularity

Network18's brand strength is one of its biggest assets and its success depends upon the popularity and recognition of its brands, as well as its ability to deliver original and compelling content and services that attract and retain viewers. Failure to sustain the brands, or excessive expenditure incurred in doing so, could seriously impact Network18's business and financial operations.

Financing Risks

Majority of the company's debt is in the form of short-term debt from capital markets. This exposes the company to availability of external capital, at regular intervals, because of factors such as liquidity, volatility in interest rates, and general economic environment.

Litigation Risks

The Company may be exposed to the risk of litigation and legal action brought by various government authorities and private parties because of its actions, inactions, products, services or other events. From time to time, the Company may be involved in various disputes and proceedings which may have an adverse impact on its operational and financial performance as well as result in financial liabilities.

Personnel Risks

The Company's ability to operate its business and implement its strategies depends, in part, on the continued contributions of the Company's executive officers and other key employees. The loss of any of the Company's key senior executives could have an adverse effect on the Company's business unless and until a replacement is found. A limited number of persons exist with the requisite experience and skills to serve in the Company's senior management positions. The Company may not be able to locate or employ qualified executives on acceptable terms. In addition, the Company believes that its future success will depend on its continued ability to attract and retain highly skilled personnel with experience in the key business areas of the Company. The competition for these persons is intense, and the Company may not be able to successfully recruit, train or retain qualified managerial personnel.

INTERNAL CONTROL SYSTEMS

Network18 has exhaustive internal control systems that are aligned to its business requirements. Network18 regularly monitors the risks and has in place focussed risk mitigation strategies. Internal and external audit teams continuously monitor the adequacy and effectiveness of the internal control environment across Network18 and the status of compliance with operating systems, internal policies and regulatory requirements. The Audit Committee meets periodically to review the adequacy and efficacy of the internal control systems.

ANNEXURE I

DIVIDEND DISTRIBUTION POLICY

The Board of Directors (the "Board") of Network18 Media & Investments Limited (the "Company") at its meeting held on July 18, 2017 has adopted this Dividend Distribution Policy (the "Policy") as required by Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

OBJECTIVE

The objective of this Policy is to establish the parameters to be considered by the Board of Directors of the Company before declaring or recommending dividend.

CIRCUMSTANCES UNDER WHICH THE SHAREHOLDERS MAY OR MAY NOT EXPECT DIVIDEND

The Board of Directors of the Company, while declaring or recommending dividend shall ensure compliance with statutory requirements under applicable laws including the provisions of the Companies Act, 2013 and Listing Regulations. The Board of Directors, while determining the dividend to be declared or recommended shall take into consideration the advice of the executive management of the Company and the planned and further investments for growth apart from other parameters set out in this Policy.

The Board of Directors of the Company may not declare or recommend dividend for a particular period if it is of the view that it would be prudent to conserve capital for the then ongoing or planned business expansion or other factors which may be considered by the Board.

PARAMETERS TO BE CONSIDERED BEFORE RECOMMENDING DIVIDEND

The Board of Directors of the Company shall consider the following financial/internal parameters while declaring or recommending dividend to shareholders:

- Profits earned during the financial year
- Retained Earnings
- Earnings outlook for next three to five years
- Expected future capital/liquidity requirements
- Any other relevant factors and material events

The Board of Directors of the Company shall consider the following external parameters while declaring or recommending dividend to shareholders:

- Macro-economic environment Significant changes in macro-economic environment materially affecting the businesses in which the Company is engaged in the geographies in which the Company operates
- Regulatory changes Introduction of new regulatory requirements or material changes in existing taxation or regulatory requirements, which significantly affect the businesses in which the Company is engaged
- Technological changes which necessitate significant new investments in any of the businesses in which the Company is engaged

UTILISATION OF RETAINED EARNINGS

The Company shall endeavour to utilise the retained earnings in a manner which shall be beneficial to the interests of the Company and also its shareholders.

The Company may utilize the retained earnings for making investments for future growth and expansion plans, for the purpose of generating higher returns for the shareholders or for any other specific purpose, as approved by the Board of Directors of the Company.

PARAMETERS THAT SHALL BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES

The Company has issued only one class of shares viz. equity shares. Parameters for dividend payments in respect of any other class of shares will be as per the respective terms of issue and in accordance with the applicable regulations and will be determined, if and when the Company decides to issue other classes of shares.

CONFLICT IN POLICY

In the event of any conflict between this Policy and the provisions contained in the regulations, the regulations shall prevail.

AMENDMENTS

The Board may, from time to time, make amendments to this Policy to the extent required due to change in applicable laws and regulations or as deemed fit on a review.

SECTION E: PRINCIPLE-WISE PERFORMANCE PRINCIPLE 1

BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

- 1. Coverage of Policy relating to ethics, bribery and corruption (viz. Joint Ventures, Suppliers, Contractors, NGOs/Others)
 At Network18, the Code of Conduct serves as a guiding policy to all the employees of the Company and subsidiaries across all levels and grades. The Company has adequate control measures in place to address issues relating to ethics, bribery and corruption in the context of appropriate policy. This mechanism includes directors, senior executives, officers, employees (whether, permanent, contractual or temporary) and third parties including suppliers, contractors & business partners associated with Network18. The Company has a well-defined policy which spells out principles on ethical business conduct and the framework for reporting concerns.
- Stakeholders' complaints received in the past financial year and percentage of complaints satisfactorily resolved by the management

During the financial year 2018-19, the Company has not received any complaint(s) from investor(s).

Additionally on an ongoing basis the complaints/ grievances/views from viewers and other stakeholders are dealt with by respective functions within the Company.

PRINCIPLE 2

BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

 List upto three Products or services whose design has incorporated social or environmental concerns, risks and /or opportunities

The operations as carried by the Network18 are in compliance with applicable regulations / advisories issued

- by Registrar of Newspaper of India, Ministry of Information and Broadcasting and the Ministry of Electronics and Information and Technology.
- 2. For each such product, details in respect of resource use including a) Reduction during sourcing / production / distribution achieved since the previous year throughout the value chain and b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

The operations of the Company requires minimal energy consumption. Continuous efforts are being made to reduce the consumption of energy, viz. use of low energy consuming LED lights is being encouraged at workplace. The Company and its employees ensure that there is optimum utilisation of the available resources (like water, energy etc.).

 Procedures in place for sustainable sourcing (including transportation) and percentage of inputs sourced sustainably

The Company maintains a healthy relationship with its content providers, vendors and other suppliers and the business policies of the Company include them in its growth. The process of vendor registration lays emphasis on conformity of safe working conditions and business ethics by the vendor.

4. Steps taken to procure goods and services from local and small producers, including communities surrounding place of work and steps taken to improve the capacity and capability of local and small vendors

Most of the business operations of the Company are carried out from commercial hubs of the Country. The content provider and other goods and service providers required for the day-to-day operations are sourced from local vendors and small producers, which has contributed to their growth. Additionally, the Company encourages participation of local talent in production of content for its business. The Company also respects the right of people who may be owners of traditional knowledge and other forms of Intellectual Property.

5. Mechanism to recycle products and waste and the percentage of recycling of products and waste (Separately as <5%, 5-10%, >10%).

The Company is not involved in any manufacturing activity and hence there is no consequent discharge of waste and effluents. Additionally, any electronic item discarded by the Company is channelized through authorised recyclers in consonance with requisite enactment/rules/guidelines

issued by Ministry of Environment, Forest and Climate change/concerned Pollution Control Board.

PRINCIPLE 3

BUSINESSES SHOULD PROMOTE THE WELL-BEING OF ALL EMPLOYEES

1. Total number of employees:

As on March 31, 2019, the total number of employees was 829. In Network18, equal opportunity is given to employees at all levels both at the time of recruitment and during course of employment. The Company's Code of Conduct encourages equal opportunity and consider it as a matter of fairness, respect and dignity. Also, due cognizance is given to work-life balance of all employees. Company organises various training programs for employees. Company's contractual employees also undergo safety as well as other trainings.

2. Number of permanent women employees:

As on March 31, 2019, the total number of permanent women employees was 272.

3. Number of permanent employee with disabilities:

As on March 31, 2019, the total number of employees with permanent disabilities was Nil.

4. Employee association recognized by management:

No employee association exists.

Percentage of permanent employees that are members of recognized employee association

Not Applicable, as there is no recognized employee association.

6. Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending as on the end of the financial year.

No cases of child labour, forced labour, involuntary labour paid or unpaid, and no cases of sexual harassment discriminatory employment were reported in the last financial year. The Company has in place the Prevention of Sexual Harassment (POSH) Policy in line with the requirements of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013, which ensures a free and fair enquiry process with clear timelines. All employees (permanent, contractual, temporary, trainees) and visitors are covered under this Policy. Further, the Company has Internal Complaints Committee where employees can register their complaints against sexual harassment. The Company conducts awareness program against sexual harassment across the locations on a continuous basis.

7. Percentage of above mentioned employees who were given safety and skill up-gradation training in the last year

The Company has employee-centric culture. Training and development of people is given high importance in Network18. The HR function has robust overall functioning and continues to raise the bar of excellence in people policies, practices, systems and data. This is being accomplished by driving a mature governance and management assurance process. The Company organizes various training sessions inhouse on a regular basis and also sponsors its employees to attend training sessions organized by external professional bodies to facilitate upgradation of skills of employees handling relevant functions, basic fire and safety, training etc. During the year, around 54.4% of employees received formal training of safety and overall 80% of employees received formal training on skill upgradation.

PRINCIPLE 4

BUSINESSES SHOULD RESPECT INTEREST OF, AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALISED

Corporate Governance is about commitment to values and ethical business conduct. We look upon good Corporate Governance practices as a key driver of sustainable corporate growth and long-term shareholders value creation. Good Corporate Governance is about enhancing value for all our stakeholders. The Company is committed to adopt best practices in Corporate Governance and disclosures thereunder. This includes its corporate and other structures, its culture, policies and the manner in which it deals with various stakeholders. Timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the Company are an important part of Corporate Governance.

The Company believes that sound Corporate Governance is critical to enhance and retain investors' trust. The Company's Corporate Governance philosophy is based on the following core values of the Company:

- 1. Customer Value
- 2. Ownership Mindset
- 3. Respect
- Integrity
- 5. One Team
- 6. Excellence

The Company complies with all statutory and regulatory requirements on Corporate Governance and has constituted the requisite committees to look into issues of financial reporting, investor grievances, corporate social responsibilities, risk management and executive remuneration. This attitude of Network18 has strengthened the bond of trust with its stakeholders including the society at large.

Ethics/Governance Policies

At Network18, we strive to conduct our business and strengthen our relationships in a manner that is dignified, distinctive and responsible. We adhere to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. Therefore, we have adopted various codes and policies to carry out our duties in an ethical manner. Some of these codes and policies are:

- Code of Conduct
- Code to Regulate, Monitor and Report Trading by Designated Persons and Specified Connected Persons of the Company and material subsidiaries of the Company
- Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information
- Vigil Mechanism and Whistle-Blower Policy

2. Board of Directors

Board composition and category of Directors:

The composition of the Board, category and DIN of Directors as on the date of report are as follows:

| Category | Name of Directors | Director Identification Number (DIN) |
|------------------------------|--|--|
| Independent Directors | Mr. Adil Zainulbhai – Chairman | 06646490 |
| | Mr. Dhruv Subodh Kaji | 00192559 |
| | Mr. Rajiv Krishan Luthra | 00022285 |
| | Ms. Renuka Ramnath | 00147182 |
| Non-Executive | Mr. P.M.S. Prasad | 00012144 |
| Non-Independent Directors | Ms. Jyoti Deshpande | 02303283 |
| Executive Director | Mr. Rahul Joshi (Managing Director) | 07389787 |

None of the Directors are inter-se related to any other Director on the Board or are related to any Key Managerial Personnel of the Company.

Further, none of the Directors hold any share in the Company.

Ms. Nirupama Rao and Mr. Deepak Shantilal Parekh, who were Independent Directors, resigned from the directorship w.e.f. May 29, 2018 and April 1, 2019 respectively. Ms. Rao resigned due to her preoccupation with writing and research work and Mr. Parekh resigned due to his other commitments. Other than the reasons stated herein, there was no other material reason for their resignation.

Selection of Independent Directors

Considering the requirement of skill sets on the Board, eminent people having an independent standing in their respective field/profession, and who can effectively contribute to the Company's business and policy decisions are considered by the Nomination and Remuneration Committee for appointment as Independent Directors on the Board. The Committee, *inter-alia*, considers qualification, positive attributes, area of expertise and number of Directorships and Memberships held in various committees of other companies by such persons in accordance with the Company's Policy for Selection of Directors' and Determining Directors' Independence. The Board considers the Committee's recommendations and takes appropriate decision.

Every Independent Director, at the first meeting of the Board in which he participates as a Director and thereafter at the first meeting of the Board in every financial year or whenever there is any change in the circumstances which may affect

his status as an independent director, gives a declaration that he meets the criteria of independence as provided under the law and that he is not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact his ability to discharge his duties with an objective independent judgment and without any external influence. All the Independent Directors have given the requisite declarations of independence during the year.

In the opinion of Board, the Independent Directors fulfil the conditions specified in the Listing Regulations and are independent of the management.

Meetings of Independent Directors

The Company's Independent Directors meet at least once in every year without the presence of Non-Independent Directors and Management Personnel. Such meetings are conducted to enable Independent Directors to discuss matters pertaining to the Company's affairs and put forth their views to the other Independent Directors. Independent Directors take appropriate steps to present their views to the Board.

Performance Evaluation Criteria of Directors

Performance of Directors is evaluated based on the criteria of evaluation of Directors (including Independent Directors) devised by the Nomination and Remuneration Committee of the Board. As per the criteria, the directors are evaluated based on their attendance, effective contributions in the meetings, domain knowledge, vision and strategy, awareness of the business and regulatory environment in which the Company operates etc.

Familiarisation Programmes for Board Members

The Board members are provided with necessary documents, reports and internal policies to enable them to familiarize with the Company's procedures and practices. The Company organizes programmes and presentations for the Board of Directors in order to familiarize them with their roles, rights, responsibilities in the Company, nature of the industry in which it operates, Business model of the Company and other related matters.

Presentations are made periodically at the Board and its Committee Meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved. Updates on relevant statutory changes and landmark judicial pronouncements encompassing important laws are also informed to the Directors.

3. Board and Committee Meetings and its Procedures

(a) Institutionalised decision-making process

The Board of Directors is the apex body constituted by members for overseeing the Company's overall functioning. The Board provides and evaluates the Company's strategic direction, management policies and their effectiveness, and ensures that the stakeholders' long-term interests are being served.

The Board has constituted various committees, namely Audit Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders' Relationship Committee and Risk Management Committee. The Board is authorised to constitute additional functional committees, from time to time, depending on business needs.

The Company's internal guidelines for Board/Board Committee meetings facilitate the decision making process at the meetings in an informed and efficient manner. The following sub-sections deal with the practice of these guidelines in the Company.

(b) Scheduling and selection of agenda items for Board meetings

- (i) Minimum five pre-scheduled Board Meetings are held in a financial year. Board Meetings are convened by giving appropriate notice to address the Company's specific needs. In case of business exigencies or urgency of matters, resolutions are passed by circulation.
- (ii) All departments of the Company are encouraged to plan their functions well in advance, particularly with regard to matters requiring discussion/ approval/decision at Board/Board Committee meetings. Such matters are communicated by them to the Company Secretary in advance so that they are included in the agenda for Board/ Board Committee Meetings.
- (iii) The Board is given presentations/briefed on areas covering operations of the Company, before taking on record the quarterly/annual financial results of the Company. The Chairman of the Board and Company Secretary, in consultation with other concerned members of the senior management, finalize the agenda for Board Meetings.

(iv) The agenda and notes on agenda are circulated to Directors in advance, in the defined agenda format. All material information is incorporated in the notes to the agenda for facilitating meaningful and focused discussions at the meeting. Where it is not practicable to attach any document to the agenda, it is tabled before the meeting with specific reference to this effect in the agenda. In special and exceptional circumstances, additional or supplementary item(s) on the agenda are permitted.

All Board and Committee meetings' agenda papers are disseminated electronically, on a real time basis, by uploading them on a secured online application specifically designed for this purpose.

(c) Recording minutes of proceedings of Board and Board Committee meetings

The Company Secretary records minutes of proceedings of each Board and Committee meeting. Draft minutes are circulated to the Board/Board Committee members within 15 days from the date of Board/Board Committee meeting for their comments. The minutes are entered in the Minutes Book within 30 days from the conclusion of the meeting.

(d) Post meeting follow-up mechanism

The guidelines for Board and Board Committee meetings facilitate an effective post meeting follow-up, review and reporting process for decisions taken by the Board and Board Committees. Important decisions taken at the Board/Board Committee meetings

are communicated promptly to the concerned departments/divisions. Minutes of the previous meeting(s) are placed at the succeeding meeting of the Board/Board Committee for noting. Further, action taken report on decisions on the previous meetings is placed at the succeeding meeting.

(e) Compliance

The Company Secretary, while preparing the agenda, notes on agenda, minutes of the meeting(s), is responsible for and is required to ensure adherence to all applicable laws and regulations including Companies Act, 2013 ("the Act") read with rules issued thereunder, Listing Regulations and the Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NETWORK18 MEDIA & INVESTMENTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

Standalone

We have audited the accompanying standalone financial statements of Network18 Media & Investments Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its loss, total comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matter | Auditor's Response |
|------------|--|---|
| 1 | Carrying values of investments in certain unlisted subsidiaries and associates Investments in unlisted subsidiaries and associates are accounted for at cost less impairment in the Company's Balance Sheet. Investments are tested for impairment if impairment indicators exist. If such indicators exist, the recoverable amounts of the investments in subsidiaries and associates are estimated in order to determine the extent of the impairment loss, if any. Any such impairment loss is recognised in the Statement of Profit and Loss. | Principal audit procedures performed: Our audit procedures included a combination of testing the design, implementation and operating effectiveness in respect of management's assessment of existence of indicators of impairment and where applicable determination of recoverable amounts to measure the impairment provision that needs to be accounted for. |

Sr. No.

Key Audit Matter

Management judgement is required in the area of impairment testing, particularly in assessing: (1) whether an event has occurred that may indicate that the related asset values may not be recoverable; (2) whether the carrying value of an asset can be supported by the recoverable amount, being the higher of fair value less costs to sell and value in use; considering recent transaction, independent valuer's report, the appropriate key assumptions to be applied in valuation including whether appropriate discounting rate/revenue multiple is applied. Any change in the basis or assumptions could materially affect the recoverable amount used in the impairment test with a consequent impact on the financial statements of the Company.

In view of the foregoing, valuation and allocation of investments in certain unlisted subsidiaries and associates have been identified as a Key Audit Matter. As at March 31, 2019, carrying values of such investments aggregates ₹81,951 lakhs.

Refer Notes 2.2(n)(E) and 3(e) to the financial statements.

Auditor's Response

Our substantive testing procedures included evaluation of appropriateness of management's assumption whether any indicators of impairment existed by reviewing financial and other available information/data, if any, of the unlisted subsidiaries and associates as at March 31, 2019.

For those investments where indicators of impairment existed, we have examined management's judgement in the area of impairment testing by considering and evaluating recent transaction, independent valuer's report, the reasonableness of key assumptions including discounting rate/revenue multiple applied. We evaluated appropriateness of management's impairment assessment by involving our valuation specialists.

2 Carrying values of goodwill

In accordance with Ind AS, goodwill needs to be tested for impairment at every reporting period. Recoverability of the carrying value of goodwill is predicated upon appropriate attribution of goodwill to a cash generating unit or group of cash generating units (CGU) and determination of recoverable amount of the underlying CGUs.

Management judgement is required in the area of impairment testing, particularly in assessing whether the carrying value of the CGU including the goodwill can be supported by the recoverable amount, being the higher of fair value less costs to sell and value in use; considering recent transaction, independent valuer's report, the appropriate key assumptions to be applied in valuation including whether appropriate discounting rate is applied. Any change in the basis or assumptions could materially affect the recoverable amount used in the impairment test with a consequent impact on the financial statements of the Company.

In view of the foregoing, valuation and allocation of goodwill have been identified as a Key Audit Matter. As at March 31, 2019, carrying values of goodwill is ₹ 29,100 lakhs.

Refer Notes 2.2 (g) and 3(d) to the financial statements.

Principal audit procedures performed:

Our audit procedures included a combination of testing the design, implementation and operating effectiveness in respect of management's basis for allocation of goodwill to CGUs and determination of recoverable amounts to measure the impairment provision, if any, that needs to be accounted for.

As part of our substantive testing procedures, we have examined management's judgement in the area of impairment testing by considering and evaluating recent transaction, independent valuer's report, the reasonableness of key assumptions including discounting rate applied. We evaluated appropriateness of management's impairment assessment by involving our valuation specialists.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Corporate Governance Report, but does not include standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and
 whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

As stated in Note 45 to the standalone financial statements, pursuant to the Scheme of Merger by Absorption ("the Scheme") for the merger of the Company's direct/indirect wholly owned subsidiaries as stated in the said Note ("transferor Companies") into the Company, the comparative financial information for the year ended March 31, 2018 have been restated to give effect to the Scheme.

Further, the above restatement, inter alia, is based on the financial information of ten transferor Companies which have not been audited by us. These financial information have been audited by other auditors.

Our opinion on the standalone financial statements is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NETWORK 18 MEDIA & INVESTMENTS LIMITED

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Network18 Media & Investments Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B"

TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NETWORK 18 MEDIA & INVESTMENTS LIMITED.

(Referred to in paragraph 2, under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

- i. In respect of its fixed assets:
 - a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered reconveyance deeds/Memorandum of Understanding provided to us, we report that the title deeds comprising all the immovable properties of freehold land and buildings are held in the name of the Company as at the balance sheet date.
- ii. As explained to us, the entire inventory of the Company is lying with the third parties and these have been confirmed by them as at the year end.
- iii. According to the information and explanations given to us, the Company has not granted loans, secured or unsecured to firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. The Company has granted loans, secured or unsecured, to two companies, covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, prima facie, not prejudicial to the Company's interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and the principal amounts and interest are not due for repayment currently as per stipulations.
 - (c) There is no overdue amount remaining outstanding as at the balance sheet date.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposit from public during the year. As informed and represented by the management, public deposits aggregating ₹ 137 lakhs and interest on public deposit of ₹ 65 lakhs, accepted under the Companies (Acceptance of Deposits) Rules, 1975 have not been claimed by the depositors till date. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 73 to 76 or other relevant provision of the Act and the rules framed there under with regard to the deposits. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal with respect to the Company.
- vi. The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues applicable to it to the appropriate authorities. The provisions relating to Sales Tax, Service Tax, Excise Duty and Value Added Tax are not applicable to the Company.

- b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Services Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.
- c) According to the information and explanation given to us, there are no dues of Sales Tax, Service Tax, Customs Duty, Excise Duty and Value Added Tax which have not been deposited on account of any dispute. According to the records of the Company, details of Income Tax and Service Tax dues which have not been deposited as on March 31, 2019 on account of disputes are given below:

1 CORPORATE INFORMATION

Network18 Media & Investments Limited ("the Company") is a listed entity incorporated in India. The registered office of the Company is situated at First Floor, Empire Complex, 414 Senapati Bapat Marg, Lower Parel, Mumbai - 400 013, Maharashtra. The Company is engaged in the business of publishing, digital and allied business.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, which have been measured at fair value amount.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

These financial statements are the Company's Standalone financial statements and are presented in Indian Rupees (\mathfrak{T}), which is its functional currency. All values are rounded to the nearest lakh (\mathfrak{T} 00,000), except when otherwise indicated.

2.2 Summary Of Significant Accounting Policies

(a) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when -

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or

 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

(b) Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably.

Depreciation on property, plant and equipment is provided using straight-line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Leasehold improvements are depreciated over the period of lease agreement or the useful life whichever is shorter.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(c) Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

for the year ended 31st March, 2019

Leased assets:

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

(d) Other Intangible assets:

Other Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate assets, as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Company and cost can be measured reliably.

Gains or losses arising from derecognition of an $intangible\,as set\,are\,measured\,as\,the\,difference\,between$ the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Computer Software and Website costs are being amortised over its estimated useful life of 3 to 5 years.

Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

Impairment of non-financial assets

The Company assesses at each reporting dates as to whether there is any indication that any Property, Plant and Equipment and Other Intangible assets or group of an asset, called Cash Generating Unit ('CGU') may be impaired, if any such indication exists, the recoverbale amount of an assets or CGU is estimated to determine the extent of impairment, If any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

Goodwill is allocated to each of the CGUs (or groups of CGUs) for the purposes of impairment testing. A CGU to which goodwill has been allocated is tested

for the year ended 31st March, 2019

for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each asset in the unit.

An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use; considering recent transactions, independent valuer's report. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed, other than goodwill, if there has been a change in the estimate of recoverable amount.

(h) Provisions and Contingencies

Provisions are recognised when the Company has a present obligation as a result of a past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements.

(i) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the

services rendered by employees are recognised as an expense during the period when the employees render the services.

Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation as per Projected Unit Credit Method.

Post-Employment Benefits Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund, Employee State Insurance and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The liability in respect of gratuity and other postemployment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income.

(j) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

for the year ended 31st March, 2019

i Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

ii Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax assets are reassessed at each reporting period and are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(k) Share based payments

Equity- settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on

the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(I) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency's closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

(m) Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Revenue from contracts with customers includes sale of goods and services. Revenue from rendering of services includes advertisement revenue, subscription revenue, revenue from sale of television content, facility

for the year ended 31st March, 2019

and equipment rental, program revenue, revenue from sponsorship of events and revenue from media related professional and consultancy services. Revenue from rendering of services is recognised over time where the Company satisfies the performance obligation over time or point in time where the Company satisfies the performance obligation at a point in time.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, net of returns and allowances, trade discounts and volume rebates and excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and the receivable is recognized when it becomes unconditional.

Contract balances

Trade receivables represents the Company's right to an amount of consideration that is unconditional. Revenues in excess of invoicing are considered as contract assets and disclosed as unbilled revenue.

Invoicing in excess of revenues are considered as contract liabilities and disclosed as unearned revenues. When a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised and disclosed as advances from customers.

Interest income

Interest Income from a Financial Assets is recognised using effective interest rate method.

Dividend income

Dividend Income is recognised when the Company's right to receive the amount has been established.

(n) Financial instruments

(i) Financial Assets

A. Initial recognition and measurement:

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not accounted at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement:

Financial assets measured at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The effective interest rate amortisation is included in other income in the Statement of Profit and Loss.

b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.

for the year ended 31st March, 2019

C. Investment in subsidiaries, associates and ioint ventures

The Company accounts for its investments in subsidiaries, associates and joint venture at cost less impairment loss (if any).

D. Other Equity investments:

All Other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

 a) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date);

or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables, Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further, Company uses historical default rates to determine impairment loss on the portfolio of the trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

A. Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

B. Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative Financial Instruments

The Company uses derivative financial instruments such as forwards, currency swaps and options to mitigate the risk of changes in exchange rates. Such derivative financial instrument are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as Financial Assets when the fair value is positive and as Financial Liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken to Statement of Profit or Loss.

(iv) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation

for the year ended 31st March, 2019

specified in the contract is discharged or cancelled or expires.

(v) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(o) Cash and cash equivalent

Cash and cash equivalents comprise of cash on hand and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(p) Earning per shares

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY:

The preparation of the Company's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Depreciation/ Amortisation and useful lives of Property, Plant and Equipment and Other Intangible Assets:

Property, Plant and Equipment/ Other Intangible assets are depreciated/amortised over their estimated useful

lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation/ amortisation for future periods is adjusted if there are significant changes from previous estimates.

b) Recoverability of trade receivables:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

d) Impairment of non-financial assets:

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. Goodwill is allocated to cash –generating units ('CGU') for the purposes of impairment testing. A CGU to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value

for the year ended 31st March, 2019

less costs of disposal and its value in use; considering recent transaction, independent valuer's report. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows covering generally a period of five years are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Estimated future cash flows involve judgement and estimates relating to revenue growth rates, net profit margin and perpetual growth rates. In determining fair value less costs of disposal, recent market transaction are taken into account, if no such transactions can be identified, an appropriate valuation model is used. Based on the impairment assessment as aforesaid, there is no impairment.

e) Impairment of financial assets:

The impairment provisions for financial assets depending on their classification are based on assumptions about risk of default, expected cash loss rates, discounting rates applied to these forecasted future cash flows, revenue multiples, recent transactions and independent valuer's report. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

f) Defined benefit plans:

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/income include the discount rate, inflation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

g) Fair value measurement

For estimates relating to fair value of financial instruments Refer Note 41.

4 STANDARDS ISSUED:

a) Effective during the year:

The impact on account of applying Ind AS 115 "Revenue from contracts with customers", applicable from 1st April 2018, on the financial statements of the Company for the year ended and as at 31st March 2019 is insignificant.

b) Not effective during the year:

On 30th March, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 – Leases and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from 1st April, 2019.

I) Issue of Ind AS 116 - Leases

Ind AS 116 will supersede the current standard on leases i.e. Ind AS 17- Leases. As per Ind AS 116, the lessee will record in its financial statements all the non-cancellable portion of leasing arrangement.

II) Amendment to Existing Standard

The MCA has also carried out amendments of the following accounting standards

- i. Ind AS 12 Income Taxes
- ii. Ind AS 19 Employee Benefits
- iii. Ind AS 23 Borrowing Costs
- iv. Ind AS 28 Investment in Associates and Joint Ventures
- v. Ind AS 101- First time adoption of Indian Accounting Standards
- vi. Ind AS 103 Business Combinations
- vii. Ind AS 109 Financial Instruments
- viii. Ind AS 111 Joint Arrangements

Application of above standards is not expected to have any significant impact on the Company's financial statements.

26.1 During the year ended 31 March, 2011, Roptonal Limited, Cyprus ('Roptonal') a subsidiary of the Company's then jointly controlled entity, Viacom18 Media Private Limited (Currently a subsidiary of the Company) made a public offer for purchase of entire issued capital of The Indian Film Company Limited, Guernsey ('TIFC'). The Company and its then subsidiary, Network18 Holdings Limited ('Network18 Holdings'), Mauritius (Merged with the Company), in their capacity as shareholders in TIFC accepted the public offer. Further, pursuant to an agreement between Roptonal and Network18 Holdings, Network18 Holdings has agreed to indemnify Roptonal against the amount, if any, by which the net cash generated by TIFC from its existing film library in respect of the period from the date on which the aforementioned public offer becomes unconditional up to 21st July, 2014 is less than the net asset value of the film library as per the TIFC's therein mentioned accounts for the year ended 31st March, 2010.

Network18 Holdings has also agreed to indemnify Roptonal against certain Indian tax liabilities that may potentially arise in TIFC or Roptonal in respect of certain withholding tax recoveries stated in TIFC's financial statements and other taxes relating to the sale of Network18 Holding's shares in TIFC. The aforementioned agreement further provided that if Network18 Holding does not undertake the indemnity obligations agreed in the agreement, the indemnity shall be provided by the Company.

During the previous years, based on the assessment of estimated cash flow of the indemnified assets, the Company has estimated the liability as $\ref{21,726}$ lakh.

| In Other Comprehensive Income (OCI) | | |
| Actuarial (gain)/ loss for the year on defined benefit obligation | (1) | 7 |
| Net (income)/ expense for the year recognised in OCI | (1) | 7 |

for the year ended 31st March, 2019

iii) Actuarial assumptions:

| Particulars | Gratuity (| Gratuity (Unfunded) | |
|--|--------------|---------------------|--|
| | 2018-19 | 2017-18 | |
| Mortality Table | IALM (06-08) | IALM (06-08) | |
| Discount rate (per annum) | 7.69% | 7.70% | |
| Rate of escalation in salary (per annum) | 6.00% | 5.50% | |

IALM - Indian Assured Lives Mortality.

The discount rate is based on the prevailing market yields of the Government of India Bonds as at the Balance Sheet date for the estimated term of the obligations.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

iv) Sensitivity Analysis

Significant Actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

₹ in lakh

| Par | ticulars | Gratuity (Unfunded) | |
|-----|--|---------------------|---------|
| | | 2018-19 | 2017-18 |
| a) | Impact of the change in discount rate | | |
| | Present value of obligation at the end of the period | 362 | 277 |
| | i) Impact due to increase of 0.50% | (23) | (18) |
| | ii) Impact due to decrease of 0.50% | 26 | 20 |
| b) | Impact of the change in salary increase | | |
| | Present value of obligation at the end of the period | 362 | 277 |
| | i) Impact due to increase of 0.50% | 25 | 19 |
| | ii) Impact due to decrease of 0.50% | (23) | (18) |

These plans typically expose the Company to actuarial risks such as: interest risk, longevity risk and salary risk.

- (A) Interest risk A decrease in the discount rate will increase the plan liability.
- (B) Longevity risk The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
- (C) Salary risk The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Note 39 Obligation on long term, non cancellable operating lease

The Company has taken various premises under cancellable/ non-cancellable operating leases. There are no sub leases or restrictions imposed by lease arrangements. The cancellable lease agreements are normally renewed on expiry. Operating lease charges amounting to ₹ 711 lakh (Previous Year ₹ 801 lakh) have been debited to the Statement of Profit and Loss during the year. The details of future minimum lease payments under non-cancellable leases are as under:

₹ in lakh

| Particulars | As at 31st March, 2019 | |
|---|---------------------------|-----|
| Not later than one year | 172 | 193 |
| Later than one year but not later than five years | 568 | 740 |
| Total | 740 | 933 |

The operating leases were mainly relates to office premises with lease terms of between 2 to 10 years. Most of the operating lease contract contains market review clauses for rate escalation.

Note 40 Capital and Financial Risk Management

40.1 Capital Management

The Company manages it's capital to ensure that it will continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Company monitors Capital using a gearing ratio.

The capital structure of the Company consists of debt, cash and cash equivalents and equity.

The net gearing ratio at end of the financial year was as follows.

₹ in lakh

| Particulars | | As at 31st March, 2019 | As at 31st March, 2018 |
|---------------------------------|---------|---------------------------|---------------------------|
| Gross debt | | 2,10,071 | 1,60,208 |
| Less: Cash and cash equivalents | | 9 | 1,209 |
| Net debt | (A) | 2,10,062 | 1,58,999 |
| Equity | (B) | 1,70,165 | 2,34,676 |
| Net gearing ratio | (A)/(B) | 1.23 | 0.68 |

40.2 Financial Risk Management

The Company's activities exposes it mainly to credit risk, liquidity risk and market risk. The treasury team identifies and evaluates financial risk in close coordination with the Company's business teams.

(a) Credit Risk

Credit risk is the risk that customers or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities which is primarily trade receivables.

Customer credit risk is managed by each business team subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customers receivables are regularly monitored.

An impairment analysis is performed at each reporting date for major customers. Receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company evaluates the concentration of risk with respect to receivables as low.

for the year ended 31st March, 2019

(b) Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on the due date. The Company maintains sufficient stock of cash, marketable securities and committed credit facilities. The Company accesses local financial markets to meet its liquidity requirements. It uses a range of products to ensure efficient funding from across well-diversified markets and investor pools. Treasury monitors rolling forecasts of the Company's cash flow position and ensures that the Company is able to meet its financial obligation at all times including contingencies.

The Company's liquidity is managed by forecasting the cash and liquidity requirements. Treasury arranges to either fund the net deficit or invest the net surplus in the market.

(c) Market risk

(i) Foreign Exchange Exposure/ currency Risk

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than functional currency.

The Company's foreign currency exposure not hedged by a derivative instrument or otherwise as at year end is as follows:

₹ in lakh

| | | VIII Idilli | | |
|------------------------------|---------------------------|-------------|--|--|
| Particulars | As at 31st March, 2019 | | | |
| Trade payables | | | | |
| USD | 146 | 126 | | |
| GBP | 9 | - | | |
| EURO | 11 | - | | |
| Trade receivable | | | | |
| USD | 387 | 326 | | |
| GBP | 1 | 4 | | |
| EURO (Current Year ₹ 47,923) | 0 | - | | |
| Derivatives | | | | |
| Forwards | 246 | - | | |

Sensitivity analysis:

1% appreciation/ depreciation of the respective foreign currencies with respect to the functional currency of the Company would result in an decrease/increase in the Company's loss before tax by a negligible amount for the year ended 31st March, 2019 and by ₹ 2 lakh for the year ended 31st March, 2018.

(ii) Interest Rate Risk

The Company's exposure to the risk of changes in market interest rate relates to floating rate debt obligations.

The Company's borrowings at the end of the financial year are as follows:

₹ in lakh

| Particulars | As at 31st March, 2019 | As at 31st March, 2018 |
|-------------|---------------------------|---------------------------|
| Borrowings | | |
| Current | 2,10,071 | 1,60,208 |
| Total | 2,10,071 | 1,60,208 |

Sensitivity analysis:

1% appreciation/ depreciation in the interest rate on floating rate borrowing included above would result in a increase/ decrease in the Company's loss before tax by ₹ 92 lakh for the year ended 31st March 2019 and by ₹ 241 lakh for the year ended 31st March 2018.

for the year ended 31st March, 2019

^{*} Excludes group company Investments measured at cost (Refer Note 6.1)

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1: Inputs are Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs are other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Valuation Methodology

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- a) The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or Net Asset Value (NAV).
- b) The fair value of the remaining financial instruments is determined based on adjusted quoted price of underlying assets, information about market participants assumptions and other data that are available including using discounted cash flow analysis.

Note 42 Derivative contracts

Changes in the fair value of forward contracts that economically hedge monetary liabilities in foreign currencies, and for which no hedge accounting is applied, are recognised in the Statement of Profit and Loss. The changes in fair value of the forward contracts, as well as the foreign exchange gains and losses relating to the monetary items, are recognised in the Statement of Profit and Loss.

Following table details the derivative contracts outstanding at the end of the year:

| Particulars | Sell currency | Buy Currency | Nominal value of contract |

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NETWORK18 MEDIA & INVESTMENTS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Network18 Media & Investments Limited ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which includes the Group's share of profit/loss in its associates and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2019, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate/ consolidated financial statements/ financial information of the subsidiaries, associates and joint ventures referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, and their consolidated loss, their consolidated total comprehensive loss, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the sub-paragraph (a) of the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matter | Auditor's Response |
|------------|--|--|
| 1 | Carrying values of investments in unlisted associates | Principal audit procedures performed: |
| | Investments in unlisted associates are accounted on the basis of equity method. | Our audit procedures included a combination of testing the design, implementation and operating effectiveness |
| | Investments are tested for impairment if impairment indicators exist. If such indicators exist, the recoverable amounts of the investments in associates are estimated in order to determine the extent of the impairment loss, if any. Any such impairment loss is recognised in the Statement of Profit and Loss | in respect of management's assessment of existence of indicators of impairment and where applicable determination of recoverable amounts to measure the impairment provision that needs to be accounted for. |

Sr. No.

Consolidated

Key Audit Matter

Management judgement is required in the area of impairment testing, particularly in assessing: (1) whether an event has occurred that may indicate that the related asset values may not be recoverable; (2) whether the carrying value of an asset can be supported by the recoverable amount, being the higher of fair value less costs to sell and value in use; considering recent transaction, independent valuer's report, the appropriate key assumptions to be applied in valuation including appropriate discounting rate. Any change in the basis or assumptions could materially affect the recoverable amount used in the impairment test with a consequent impact on the financial statements of the Group.

In view of the foregoing, valuation and allocation of investments in certain unlisted associates have been identified as a Key Audit Matter. As at March 31, 2019, carrying values of such investments aggregates ₹ 41,416 lakhs.

Refer Notes 2.2 and 3(e) to the financial statements.

Auditor's Response

Our substantive testing procedures included evaluation of appropriateness of management's assumption whether any indicators of impairment existed by reviewing financial and other available information/ data, if any, of the unlisted associates as at March 31, 2019.

For those investments where indicators of impairment existed, we have examined management's judgment in the area of impairment testing by considering and evaluating recent transaction, independent valuer's report, the reasonableness of key assumptions including discounting rate applied. We evaluated appropriateness of management's impairment assessment by involving our valuation specialists.

This matter has been identified as KAM by the component auditors also. Component auditors have reported to us that they have performed these procedures.

2 Carrying value of goodwill

In accordance with Ind AS, goodwill needs to be tested for impairment at every reporting period. Recoverability of the carrying value of goodwill is predicated upon appropriate attribution of goodwill to a cash generating unit or group of cash generating units (CGU) and determination of recoverable amount of the underlying CGUs.

Management judgement is required in the area of impairment testing, particularly in assessing whether the carrying value of the CGU including the goodwill can be supported by the recoverable amount, being the higher of fair value less costs to sell and value in use; considering recent transaction, independent valuer's report, the appropriate key assumptions to be applied in valuation including appropriate discounting rate. Any change in the basis or assumptions could materially affect the recoverable amount used in the impairment test with a consequent impact on the financial statements of the Group.

In view of the foregoing, valuation and allocation of goodwill have been identified as a Key Audit Matter. As at March 31, 2019, carrying values of goodwill is ₹ 2,51,934 lakhs.

Refer Notes 2.3(d) and 3(d) to the financial statements.

Principal audit procedures performed:

Our audit procedures included a combination of testing the design, implementation and operating effectiveness in respect of management's basis for allocation of goodwill to CGUs and determination of recoverable amounts to measure the impairment provision, if any, that needs to be accounted for.

As part of our substantive testing procedures, we have examined management's judgment in the area of impairment testing by considering and evaluating recent transaction, independent valuer's report, the reasonableness of key assumptions including discounting rate applied. We evaluated appropriateness of management's impairment assessment by involving valuation specialists.

This matter has been identified as KAM by the component auditors also. Component auditors have reported to us that they have performed these procedures.

Sr. Key Audit Matter No.

Auditor's Response

3 Deferred tax & tax credits - valuation

As per Ind AS 12 – Income taxes, deferred tax is to be recognised for all deductible temporary differences between the tax bases of assets and liabilities and their carrying amount, the carry forward of unused tax credits and any unused tax losses.

As at March 31, 2019, the group has recognised deferred tax asset of ₹ 4,970 lakhs to the extent it is reasonably certain that sufficient taxable profits will be available in the future against which such deferred tax asset can be utilised. Significant judgements and estimates are involved in making this assessment.

Accordingly, the same is considered as a key audit matter.

Refer Notes 2.3(k) and 3(g) to the financial statements.

Principal audit procedures performed:

We obtained management's evaluation of recognition of deferred tax asset and the assumptions made in relation to likelihood of generating sufficient future taxable profits.

We independently evaluated the assumptions by assessing the historical accuracy of management's assumptions.

We discussed the basis of profit assumptions with management and reviewed underlying evidences where available.

Reviewed the profit forecasts along with the Group's tax position, the timing of forecast taxable profits and our knowledge and experience of the application of relevant tax legislation to validate recoverability assumptions.

We also assessed the adequacy of the disclosures made in the financial statements.

This matter has been identified as KAM by the component auditors. Component auditors have reported to us that they have performed these procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report and Corporate Governance Report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries, joint ventures and associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, joint ventures and associates, is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether

due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of the Group and of its associates and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statements/ financial information of ten subsidiaries, whose financial statements/financial information, before giving effect to the consolidation adjustments, reflect total assets of ₹ 4,35,724 lakhs as at March 31, 2019, total revenues of ₹ 1,35,683 lakhs and net cash outflows amounting to ₹ 112 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 5,432 lakhs for the year ended March 31, 2019, as considered in the consolidated financial statements, in respect of two joint ventures, four associates and fourteen subsidiaries of associates, whose financial statements/ financial information have not been audited by us. These financial statements/ financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, joint ventures and associates is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of this matter with respect to our reliance on the work done and the reports of other auditors.

(b) Pursuant to the Scheme of Merger by Absorption ("the Scheme") for the merger of the Company's direct/ indirect wholly owned subsidiaries and direct/ indirect wholly owned subsidiaries of TV18 Broadcast Limited (a subsidiary of the Company) as stated in Note 45 to the consolidated financial statements into the Company and TV18 Broadcast Limited respectively, consequential effects have been given in the financial statements.

Our opinion on the consolidated financial statements above is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate/ consolidated financial statements/ financial information of the subsidiaries, associates and joint ventures referred to in the Other Matters section above we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent as on March 31, 2019 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies, associate companies and joint venture companies incorporated in India, none of the directors of the Group companies, its associate companies and joint venture companies incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent, subsidiary companies, associate companies and joint venture companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NETWORK 18 MEDIA & INVESTMENTS LIMITED

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Network18 Media & Investments Limited (hereinafter referred to as Parent) and its subsidiary companies, which includes internal financial controls over financial reporting of its subsidiary companies, its associate companies and joint venture companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, its associate companies and joint venture companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent, its subsidiary companies, its associate companies and its joint venture companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing,

prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate companies and joint venture companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent, its subsidiary companies, its associate companies and its joint venture companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

Statutory Reports

Consolidated

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matter paragraph below, the Parent, its subsidiary companies, its associate companies and joint venture companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such

internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the criteria for internal financial control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to four subsidiary companies, three associate companies, three subsidiaries of an associate and a joint venture company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

[#] The Company holds effectively 18.52% of the shareholding through NW18 HSN Holding PLC and 31.44% directly. @ Accounted as Joint Venture till 28th February, 2018. Consolidated as subsidiary w.e.f. 1st March, 2018.

2 Significant Accounting Policies

2.1 Basis of Preparation and Presentation

The consolidated financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities and defined benefit plans - plan assets which have been measured at fair value.

The financial statements of the Group have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Group's financial statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

2.2 Principles of Consolidation

The consolidated financial statements relate to the Company and its subsidiary companies, associates and joint ventures. The consolidated financial statements have been prepared on the following basis.

- a The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, income, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- c In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve (FCTR).
- d Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.

^{\$} TV18 Broadcast Limited holds 50% of the shareholding through Viacom18 Media Private Limited and 50% directly.

for the year ended 31st March, 2019

- e The carrying amount of the parent's investments in each subisidiary is offset (eliminated) against the parent's portion of equity in each subisidiary.
- f The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subisidiary.
- g Non Controlling Interest's share of profit/ loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- h Non Controlling Interest's share of net assets of consolidated subisidiaries is identified and presented in the Consolidated Balance Sheet.
- i Investment in Associates and Joint Ventures has been accounted under the equity method as per Ind AS 28 -Investments in Associates and Joint Ventures.
- j The Group accounts for its share of post acquisition changes in net assets of associates and joint ventures, after eliminating unrealised profits and losses resulting from transactions between the companies within the Group and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

2.3 Summary of Significant Accounting Policies

(a) Current and Non-Current Classification:

The Group presents assets and liabilities in the Balance Sheet based on Current/Non-Current classification.

An asset is treated as current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

(b) Property, plant and equipment:

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Projects under which assets are not ready for their intended use are shown as Capital Work -in-Progress.

Depreciation on property, plant and equipment is provided using straight-line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013, except for certain assets where useful life is considered based on internal technical evaluation. Leasehold improvements are depreciated over the period of lease agreement or the useful life whichever is shorter.

The residual values, useful lives and methods of depreciation of property, plant and equipment are

for the year ended 31st March, 2019

reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.

(c) Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets

Assets held under finance leases are initially recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the Consolidated Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Consolidated Statement of Profit and Loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Group's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

(d) Goodwill and Other Intangible assets:

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

Other Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the items will flow to the entity and cost can be measured reliably.

Gains or losses arising from derecognition of an other intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in Consolidated Statement of Profit and Loss when the asset is derecognised.

Computer Software, Electronic Programming Guide Slot, Brand/ Trademarks, Website costs and License pertaining to satellite rights are being amortised over its estimated useful life of 2 to 5 years. News Archives is being depreciated over a period of 21 years as the contents of the same are continuously used in day to day programming and hence the economic benefits from the same arise for a period longer than 20 years. Film telecast rights are amortised over a period of 10 years.

Intangible assets under development: Expenditure on programming costs eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

for the year ended 31st March, 2019

(e) Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Consolidated Statement of Profit and Loss in the period in which they are incurred.

(f) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs net of recoverable taxes incurred in bringing them to their respective present location and condition.

The Group evaluates the realizable value and/ or revenue potential of inventory based on the type of programming assets. Cost of shows, events and films are expensed off based on the expected pattern of realisation of economic benefits. Acquired rights of shows and music rights are amortised evenly over the license period. The Group evaluates the realizable value and/ or revenue potential of inventory on an ongoing basis and appropriate write down is made in cases where accelerated write down is warranted.

Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

(g) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(h) Impairment of non-financial assets

The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and other intangible assets or group of Assets, called Cash Generating Units ('CGU') may be

impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

Goodwill is allocated to each of the CGUs (or groups of CGUs) for the purposes of impairment testing. A CGU to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata based on the carrying amount of each asset in the unit.

An impairment loss is recognized in the Consolidated Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use, considering recent transactions, independent valuer's report. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed, other than goodwill, if there has been a change in the estimate of recoverable amount.

(i) Provisions and Contigencies

Provisions are recognised when the Group has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

for the year ended 31st March, 2019

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements.

(j) Employee Benefits

(i) Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(ii) Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recongnised as a liability as at the Balance Sheet date on the basis of acturial valuation as per the Projected Unit Credit Method.

(iii) Post-employment Benefits Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions towards Provident Fund, Employee State Insurance and Pension Scheme. The Group's contribution is recognised as an expense in the Consolidated Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit plans

The Group pays gratuity to the employees who have completed five years of service with the Group at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act.

The liability in respect of gratuity and other postemployment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Re-measurement of defined benefit plans in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income.

(k) Tax Expenses

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognised in Consolidated Statement of Profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

ii Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of Deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted

for the year ended 31st March, 2019

by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

(I) Share based payments

Equity- settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Consolidated Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

(m) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency's closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Consolidated Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary

items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

(n) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Revenue from contracts with customers includes sale of goods and services. Revenue from rendering of services includes advertisement revenue, subscription revenue, revenue from sale of television content, facility and equipment rental, program revenue, revenue from sponsorship of events and revenue from media related professional and consultancy services. Revenue from rendering of services is recognised over time where the Group satisfies the performance obligation over time or point in time where the Group satisfies the performance obligation at a point in time.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Group has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Group expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, net of returns and allowances, trade discounts and volume rebates and excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and the receivable is recognized when it becomes unconditional.

Contract balances

Trade receivables represents the Group's right to an amount of consideration that is unconditional. Revenues in excess of invoicing are considered as

for the year ended 31st March, 2019

contract assets and disclosed as unbilled revenue. Invoicing in excess of revenues are considered as contract liabilities and disclosed as unearned revenues. When a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised and disclosed as advances from customers.

Interest Income

Interest Income from a financial asset is recognised using effective interest rate method.

Dividend income

Dividend income is recognised when the Group's right to receive the amount has been established.

(o) Financial Instruments

(i) Financial Assets

A. Initial recognition and measurement:

All financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not accounted at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement:

a) Financial assets measured at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The effective interest rate amortisation is included in other income in the Consolidated Statement of Profit and Loss.

b) Financial assets measured at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets measured at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.

C. Investment in joint ventures and associates

The Group accounts for its investments in joint ventures and associates at equity method.

D. Other Equity Investments:

All other equity investments are measured at fair value, with value changes recognised in Consolidated Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables the Group applies a 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further, the Group uses historical default rates to determine impairment loss on the

for the year ended 31st March, 2019

portfolio of the trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Group uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial liabilities

a. Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in Consolidated Statement of Profit and Loss as finance cost.

b. Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative Financial Instruments and Hedge Accounting

The Group uses derivative financial instruments as forwards, currency swaps and options to mitigate the risk of changes in exchange rates. Such derivative financial instrument are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as Financial Assets when the fair value is positive and as Financial Liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Consolidated Statement of Profit and Loss.

(iv) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(v) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Group has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(p) Earnings per share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY:

The preparation of the Group's financial statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Depreciation/ amortisation and useful lives of Property, Plant and Equipment and Other Intangible Assets:

Property, plant and equipment/ Other Intangible assets are depreciated/ amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/ amortisation to be recorded during any reporting period. The

for the year ended 31st March, 2019

useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation/ amortisation for future periods is adjusted if there are significant changes from previous estimates.

b) Recoverability of trade receivables:

Judgements are required in assessing the recoverability of overdue trade receivables and detemining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigae the risk of non-payment.

c) Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

d) Impairment of non-financial assets:

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. Goodwill is allocated to cash generating units ('CGU') for the purposes of impairment testing. A CGU to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use; considering recent transaction, independent valuer's report. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying

amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows covering generally a period of five years are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Estimated future cash flows involve judgement and estimates relating to revenue growth rates, net profit margin and perpetual growth rates. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used. Based on the impairment assessment as aforesaid, there is no impairment.

e) Impairment of financial assets:

The impairment provisions for financial assets depending on their classification are based on assumptions about risk of default, expected cash loss rates, discounting rates applied to these forecasted future cash flows, recent transactions and independent valuer's report. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

f) Defined benefit plans:

The employment benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost/ income include the discount rate, inflation and mortality assumptions. Any changes in these assumptions will impact upon the carrying amount of employment benefit obligations.

g) Deferred tax:

Deferred income tax assets are reassessed at each reporting period and are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused

for the year ended 31st March, 2019

tax losses can be utilised. The Group uses judgement to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

h) Fair value measurement:

For estimates relating to fair value of financial instruments refer note 40 of consolidated financial statements.

4 STANDARDS ISSUED

a) Effective during the year:

The impact on account of applying Ind AS 115 "Revenue from contracts with customers" applicable from 1st April, 2018, on the financial statements of the Group for the year ended and as at 31st March, 2019 is insignificant.

b) Not effective during the year:

On March 30, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 – Leases and certain amendment to existing Ind AS. These amendments shall be applicable to the Group from April 01, 2019.

i. Issue of Ind AS 116 - Leases

Ind AS 116 will supersede the current standard on leases i.e. Ind AS 17- Leases. As per Ind AS 116, the lessee will record in its financial statements all the non-cancellable portion of leasing arrangement.

ii. Amendment to Existing Standard

The MCA has also carried out amendments of the following accounting standards. These are:

- a Ind AS 12 Income Taxes
- b Ind AS 19 Employee Benefits
- c Ind AS 23 Borrowing Costs
- d Ind AS 28 Investment in Associates and Joint Ventures
- e Ind AS 101- First time adoption of Indian Accounting Standards
- f Ind AS 103 Business Combinations
- g Ind AS 109 Financial Instruments
- h Ind AS 111 Joint Arrangements

Application of above standards is not expected to have any significant impact on the Group's consolidated financial statements.

IALM - Indian Assured Lives Mortality 2006-2008

The discount rate is based on the prevailing market yields of the Government of India Bonds as at the Balance Sheet date for the estimated term of the obligations.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The expected rate of return on plan assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on plan assets and the Group's policy for plan assets management.

vii) The expected contributions for Defined Benefit Plan for the next financial year will be in line with financial year 2018-19.

viii) Sensitivity Analysis

Significant Actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonable possible change of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of Sensitivity Analysis is given below:

| Particulars | Gratuity (Funded) As at 31st March | | , (, (| | |

| ii) Impact due to decrease of 0.50% | (194) | (184) | (63) | (52) | |

for the year ended 31st March, 2019

These plans typically expose the Group to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the discount rate will increase the plan liability.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

iv. The operating leases mainly relates to office premises with lease terms of between 2 to 10 years. Most of the operating lease contract contains market review clauses for rate escalation.

Note 39 Capital and Financial Risk Management

39.1 Capital Management

The Group manages its capital to ensure that it will continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Group monitors Capital using a gearing ratio. The financial covenants relating to debt have been adhered to.

The capital structure of the Group consists of debt, cash and cash equivalent and equity attributable to owners:

The Net gearing ratio at end of the reporting period was as follows:

₹ in lakh

| Particulars | As at 31st March, 2019 | As at 31st March, 2018 |
|--|---------------------------|---------------------------|
| Gross debt | 3,04,535 | 2,20,334 |
| Less: Cash and cash equivalent | 18,556 | 18,853 |
| Net debt (A) | 2,85,979 | 2,01,481 |
| Equity attributable to owners of the Group (B) | 81,081 | 1,13,320 |
| Net gearing ratio (A)/(B) | 3.53 | 1.78 |

39.2 Financial Risk Management

The Group's activities exposes it mainly to credit risk, liquidity risk and market risk. The treasury team identifies and evaluates financial risk in close coordination with the Group's business teams.

(a) Credit risk

Credit risk is the risk that customers or counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities which is primarily trade receivables.

Customers credit risk is managed by each business team subject to the Group's established policy, procedures and control relating to customers credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customers receivables are regularly monitored.

for the year ended 31st March, 2019

An impairment analysis is performed at each reporting date for major customers. Receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group evaluates the concentration of risk with respect to receivables as low.

(b) Liquidity Risk

Liquidity risk arises from the Group's inability to meet its cash flow commitments on the due date. The Group maintains sufficient stock of cash, marketable securities and committed credit facilities. The Group accesses local financial markets to meet its liquidity requirements. It uses a range of products to ensure efficient funding from across well-diversified markets and investor pools. Treasury monitors rolling forecasts of the Group's cash flow position and ensures that the Group is able to meet its financial obligation at all times including contingencies.

The Group's liquidity is managed by forecasting the cash and liquidity requirements. Treasury arranges to either fund the net deficit or invest the net surplus in the market.

(c) Market risk

(i) Foreign exchange exposure/ currency risk

Foreign Currency Risk is the risk that the Fair Value or Future Cash Flow of an exposure will fluctuate because of changes in foreign currency rates. Exposure can arise on account of various assets and liabilities which are denominated in currencies other than functional currency.

The Group's foreign currency exposure not hedged by a derivative instrument or otherwise as at year end is as follows:

| | _ | ₹ in lakh |
|-----------------------------|------------------|------------------|
| Particulars | As at | As at |
| | 31st March, 2019 | 31st March, 2018 |

| MYR | 14 | - |
| Derivatives - Forwards | | |
| USD | 246 | - |

for the year ended 31st March, 2019

Sensitivity analysis:

1% appreciation/ depreciation of the respective foreign currencies with respect to the functional currency of the Group would result in an increase/ decrease in Group's profit before tax by ₹ 101 lakh for the year ended 31st March, 2019 and by ₹ 113 lakh for the year ended 31st March, 2018.

(ii) Interest Rate Risk

The Group's exposure to the risk of changes in market interest rate relates to the floating rate debt obligations.

The Group's borrowings at the end of the financial year are as follows:

₹ in lakh

| Particulars | As at 31st March, 2019 | |
|--|---------------------------|---------|
| <u>Borrowings</u> | | |
| Non Current - (including current maturities) | 25,544 | 820 |
| Current | 278,991 | 219,514 |
| Total | 304,535 | 220,334 |

Sensitivity analysis:

1% appreciation/ depreciation in the interest rate on floating rate borrowing included above would result in a increase/ decrease in the Group's loss before tax by ₹ 613 lakh for the year ended 31st March 2019 and by ₹ 617 lakh for the year ended 31st March 2018.

^{*}Excludes Investments in associates and joint ventures measured at cost (Refer Note 6.1)

for the year ended 31st March, 2019

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1: Inputs are Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs are other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly.

Level 3: Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Valuation Methodology

All financial instruments are initially recognised and subsequently re-measured at fair value as described below:

- a) The fair value of investment in quoted Equity Shares and Mutual Funds is measured at quoted price or Net Assets Value (NAV).
- b) The fair value of the remaining financial instruments is determined based on information about market participants, assumptions and other data that are available including using discounted cash flow analysis.

Note 41 Derivative contracts

Changes in the fair value of forward contracts that economically hedge monetary liabilities in foreign currencies, and for which no hedge accounting is applied, are recognised in the Consolidated Statement of Profit and Loss. The changes in fair value of the forward contracts, as well as the foreign exchange gains and losses relating to the monetary items, are recognised in the Consolidated Statement of Profit and Loss.

Following table details the derivative contracts outstanding at the end of the year:

| Particulars | Sell currency | Buy Currency | Nominal value of contract |
|-------------------|---------------|--------------|---------------------------|
| Forwards contract | USD | INR | USD 355,500 |

for the year ended 31st March, 2019

Note 43 Segment Reporting

- a) The Group operates in a single reportable operating segment (Media Operations). Hence there are no separate reportable segments as per Ind AS 108 'Operating Segments'. Since the Group's operations are primarily in India, it has determined single geographical segment.
- b) No single customer represents 10% or more of the Group's total revenue.

Note 44 TV18 Home Shopping Network Limited ("HomeShop18") was a subsidiary of the Group, held directly/ indirectly through its subsidiary NW18 HSN Holdings Plc. ("HSN Plc").

During the previous year, the Company, other shareholders of HSN Plc and shareholders of Shop CJ Network Private Limited ("Shop CJ") entered into agreement, subject to various preconditions, inter alia, to combine the business of HomeShop18 and Shop CJ and to infuse further capital. Upon consummation of the transaction and issuance of shares in HomeShop 18 to shareholders of Shop CJ, it became a subsidiary of HomeShop 18 with it ceasing to be a subsidiary of the Group with effect from 15th February, 2018. Consequently, the Group de-consolidated HomeShop 18 and has accounted for its investments in HomeShop 18 and Shop CJ using equity method.

This combination makes HomeShop18 the largest TV home-shopping network in India. The resultant benefits of scale shall better the growth prospects for the combined entity, allowing it to improve its standing in the TV home-shopping landscape and compete better with the challenge from e-commerce companies.

Note 45 The National Company Law Tribunal, Mumbai Bench, has approved the Scheme of Merger by Absorption ("the Scheme") for the merger of direct/ indirect wholly owned subsidiaries of Network18 Media & Investments Limited ("the Company"), namely, Digital18 Media Limited, Capital18 Fincap Private Limited, RVT Finhold Private Limited, RRB Investments Private Limited, Setpro18 Distribution Limited, Reed Infomedia India Private Limited, Web18 Software Services Limited, Television Eighteen Media and Investments Limited, Television Eighteen Mauritius Limited, Web18 Holdings Limited, E-18 Limited and Network18 Holdings Limited into the Company with appointed date as 1st April, 2016. The Scheme has become effective on 1st November, 2018.

The National Company Law Tribunal, Mumbai Bench, has also approved the Scheme of Merger by Absorption ("the Scheme") for the merger of direct/ indirect wholly owned subsidiaries of TV18 Broadcast Limited (TV18), namely, Equator Trading Enterprises Private Limited, Panorama Television Private Limited, RVT Media Private Limited and ibn18 (Mauritius) Limited into TV18 (a subsidiary of the Company) with appointed date as 1st April, 2016. The Scheme has become effective on 1st November, 2018.

Note 46 Consequent to Viacom18 Media Private Limited and IndiaCast Media Distribution Private Limited becoming subsidiaries with effect from 1st March 2018 and TV18 Home Shopping Network Limited and NW18 HSN Holdings Plc ceasing to be subsidiaries and becoming associates with effect from 15th February 2018, the figures for the current year are not comparable with those of the previous year.

Note 47 The financial statements were approved for issue by the Board of Directors on 15th April, 2019.

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

The following Statement sets out all material facts relating to the Special Business mentioned in the Notice:

Item No.3

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company, pursuant to the provisions of Section 161(1) of the Act and the Articles of Association of the Company, appointed Ms. Renuka Ramnath (DIN: 00147182) as an Additional Director (Independent) on the Board of the Company for a term of 5 (five) consecutive years w.e.f. April 1, 2019. She holds the office as an additional director up to the date of this Annual General Meeting.

In accordance with the provisions of Section 149 read with Schedule IV to the Act, appointment of an Independent Director requires approval of Members of the Company.

The Company has received a notice in writing from member(s) under Section 160 of the Act proposing the candidature of Ms. Renuka Ramnath for the office of Director of the Company. Ms. Renuka Ramnath is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director.

The Company has also received declaration from Ms. Renuka Ramnath that she meets the criteria of independence as prescribed under sub-section (6) of Section 149 of the Act and the Securities and Exchange Board of India (Listing Obligations and Disclosure Reguirements) Regulations, 2015 ('Listing Regulations').

In the opinion of the Board, Ms. Renuka Ramnath fulfills the conditions for appointment as an Independent Director as specified in the Act and Listing Regulations. Ms. Renuka Ramnath is independent of the management and possesses appropriate skills, experience and knowledge.

Details of Ms. Renuka Ramnath, as required to be disclosed under the provisions of the Listing Regulations and Secretarial Standard-2 ("SS-2") issued by the Institute of Company Secretaries of India, are provided in the "Annexure" to the Notice.

Copy of the letter of appointment of Ms. Renuka Ramnath setting out the terms and conditions of appointment is available for inspection by the members at the registered office of the Company.

Save and except Ms. Renuka Ramnath and her relatives, none of the other Directors/Key Managerial Personnel of the Company/ their relatives is, concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the Notice. The Board commends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the members.

Item No. 4 and 5

Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra were appointed as Independent Directors of the Company for a term of 5 (five) years and they hold office as Independent Directors up to November 26, 2019.

The Nomination and Remuneration Committee of the Board of Directors, on the basis of report of performance evaluation, has recommended re-appointment of Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra as Independent Directors for a second term of 5 (five) consecutive years, on the Board of the Company.

Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra are not disqualified from being appointed as Directors in terms of Section 164 of the Act and have given their consent to act as Directors. Further, the Company has received declarations from both of them that they meet the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The Board, based on performance evaluation and as per the recommendation of the Nomination and Remuneration Committee, considers that, given their background and experience and contributions made by them during their tenure, the continued association of Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra would be beneficial to the Company and it is desirable to continue to avail their services as Independent Directors. In the opinion of the Board, Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra fulfill the conditions for their appointment as Independent Directors as specified in the Act and the Listing Regulations. Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra are independent of the management. Accordingly, it is proposed to re-appoint Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra as Independent Directors of the Company, not liable to retire by rotation, for a second term of 5 (five) consecutive years on the Board of the Company.

Details of Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra, as stipulated under Listing Regulations and Secretarial Standard-2 ("SS-2") issued by the Institute of Company Secretaries of India, are provided in the "Annexure" to the Notice.

Copy of the draft letters of appointment of Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra as Independent Directors setting out the terms and conditions of appointment are available for inspection by members at the registered office of the Company.

Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra are interested in the resolutions set out respectively at Item Nos. 4 and 5 of the Notice with regard to their respective re-appointments. The relatives of Mr. Dhruv Subodh Kaji and Mr. Rajiv Krishan Luthra may be deemed to be interested in respective resolutions, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item Nos. 4 and 5 of the Notice.

This Statement may also be regarded as an appropriate disclosure under the Act and Listing Regulations.

The Board commends the Special Resolutions set out at Item Nos. 4 and 5 of the Notice for approval by the members.

Item No.6

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s Pramod Chauhan & Associates, Cost Accountants, as Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending March 31, 2020 as set out in the resolution.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board, has to be ratified by the members of the Company.

Accordingly, ratification by the members is sought for the remuneration payable to the Cost Auditors for the financial year ending March 31, 2020 by passing an Ordinary Resolution as set out at Item No. 6 of the Notice.

None of the Directors/Key Managerial Personnel of the Company/ their relatives are, concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of the Notice.

The Board commends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the members.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH. 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,
Viacom 18 Media Private Limited,
Zion Bizworld, Subhash Road - A,
Vile Parle (East), Mumbai – 400 057
Maharashtra, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **Viacom 18 Media Private Limited** (hereinafter called **"the Company"**). Secretarial audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for the financial year ended on March 31, 2019, according to the provisions of:

- (i) The Companies Act, 2013 and the rules made there under;
- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, as may be applicable;
- (iv) Policy Guidelines for Uplinking of Television Channels from India and the Policy Guidelines for Downlinking of Television Channels dated 5th December, 2011, to the extent applicable to the Company;
- (v) The Cable Television Networks [Regulation] Act, 1995;
- (vi) The Telecom Regulatory Authority of India Act, 1997 & Telecommunication [Broadcasting and Cable Services] Interconnection [Digital Addressable Cable Television Systems] Regulations, 2012; and
- (vii) The Indian Wireless Telegraphy Act, 1933.

We have verified systems and mechanism which is in place and followed by the Company to ensure compliance of these specifically applicable Laws (as mentioned in point iv above and applicable to the Company) and we have also relied on the representation made by the Company and its Officers in respect of systems and mechanism formed / followed by the Company for its compliances.

We have also examined the compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India and notified by the Ministry of Corporate Affairs, Government of India, from time to time.

Based on the above said information provided by the Company, we further report that the Company has complied with the provisions of the Companies Act, 2013, rules, regulations, guidelines, secretarial standards mentioned above as on March 31, 2019 and we have no material observations or instances of noncompliance in respect of the same.

We further report that:

The Board of Directors of the Company is constituted with Executive, Non-Executive and Independent Director. Further, the Company (being a "joint venture" in terms of the Shareholders' Agreement) is eligible to the exemption granted to a "joint venture" company from appointment of Independent directors vide Ministry of Corporate Affairs ("MCA") Notification dated July 5, 2017 read with subsequent notification dated July 13, 2017. However, voluntarily, as a part of Good Corporate Governance the Company has appointed Independent Director on its Board during the year under review. Various changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

We also report that adequate notice/s were given to all directors to schedule the Board Meetings and Agenda and detailed notes on agenda were sent to the Directors at least seven days in advance unless consented by Directors to conduct meeting with short notice. There exist a system for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting.

All decisions at Board and/or committee meeting are carried out unanimously as recorded in the minutes of the meeting of the Board of Directors and committees of the Board, as the case may be.

Based on the representation made by the Company and its Officers explaining us in respect of internal systems and mechanism formed by the Company for compliances of other acts, laws and regulations applicable to the Company:

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the year under report, except the amendment in the Articles of Association of the Company, the Company has no major event / action having a major bearing on the Company's statutory compliance and affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

- c. Member may call on Karvy's toll free number 1800-3454-001 (from 9:00 a.m to 6:00 p.m) (IST).
- d. Member may send an e-mail request to evoting.network18@karvy.com.

If the member is already registered with Karvy's e-voting platform, then he can use his existing User Id and password for casting the vote(s) through remote e-voting.

- 5. The Company has opted to provide the same electronic voting system at the Meeting, as used during remote e-voting, and the said facility shall be operational till all the resolutions proposed in the Notice are considered and voted upon at the Meeting and may be used for voting only by the members holding shares as on the cut-off date who are attending the Meeting and who have not already cast their vote(s) through remote e-voting.
- 6. Information and instructions for remote e-voting:
 - (A) In case a member receives an e-mail from Karvy [for members whose e-mail addresses are registered with the Company / Depository Participant(s)]:
 - a. Launch internet browser by typing the URL: https://evoting.karvy.com
 - b. Enter the login credentials (i.e. User ID and password as given in the e-mail). The E-Voting Event Number+Folio No. or DP ID Client ID will be your User ID. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote. If required, please visit https://evoting.karvy.com or contact toll-free number 1800 3454 001 (from 9:00 a.m. to 6:00 p.m.) (IST) for your existing password.
 - c. After entering these details appropriately, click on "LOGIN".
 - d. You will now reach Password Change Menu wherein you are required to mandatorily change your password upon logging-in for the first time. The new password shall comprise minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric (0-9) and a special character (@,#,\$,etc.). The system will prompt you to change your password and update your contact details like mobile number, email address, etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - e. You need to login again with the new credentials.
 - f. On successful login, the system will prompt you to select the E-Voting Event Number (EVEN) for Network18 Media & Investments Limited.
 - g. On the voting page, enter the number of shares (which represents the number of votes) as on the cut-off date under either "FOR" /"AGAINST" or alternatively, you may partially enter any number under "FOR" / "AGAINST", but the total number under "FOR/ AGAINST" taken together should not exceed your total shareholding as on the cut-off date. You may also choose the option "ABSTAIN" and vote will not be counted under either head.
 - h. Members holding shares under multiple folios / demat accounts shall choose the voting process separately for each of the folios / demat accounts.
 - i. Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as "ABSTAINED".
 - j. You may then cast your vote by selecting an appropriate option and click on "SUBMIT".
 - k. A confirmation box will be displayed. Click "OK" to confirm, else "CANCEL" to modify.
 - I. Once you confirm, you will not be allowed to modify your vote.
 - m. Corporate / Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) are also required to send legible scanned certified true copy (in PDF Format) of the Board Resolution / Power of Attorney / Authority Letter, etc., together with attested specimen signature(s) of the duly authorized representative(s), to the Scrutinizer at e-mail ID: n18.agmscrutinizer@nw18.com with a copy marked to evoting@karvy.com. They are also requested to upload the same in the e-voting module in their login. The naming format of the aforesaid legible scanned documents shall be "Corporate Name_EVENT NO."
 - (B) In case a member receives physical copy of the Notice by Post/Courier [for members whose e-mail addresses are not registered with the Company / Depository Participant(s)]:
 - a. User ID and password is given in this communication.
 - b. Please follow all steps from Sr. No. (a) to (m) as mentioned in (A) above, to cast your vote.
- 7. You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending further communication(s).
- 8. During the voting period, members can login to Karvy's e-voting platform any number of times till they have voted on all the Resolution(s).
- 9. Once the vote on a resolution is cast by a member, whether partially or otherwise, the member shall not be allowed to change it subsequently or cast the vote again.
- 10. Subject to receipt of requisite number of votes, the Resolutions proposed in the Notice shall be deemed to be passed on the date of the Meeting, i.e. Wednesday, September 11, 2019.
- 11. In case of any query pertaining to e-voting, members may refer to the "Help" and "FAQs" sections/E-voting user manual available through a dropdown menu at the "Download" section of Karvy's website for e-voting: https://evoting.karvy.com or contact Karvy as per the details given under point No. 12.
