EVALUATION OF PERFORMANCE OF THE BOARD, ITS COMMITTEES AND DIRECTORS

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015, an annual evaluation of performance of the Board, its Committees and of individual Directors has been carried out.

The Nomination & Remuneration Committee evaluated performance of the Directors including Independent Directors for the financial year 2020-21 based on the performance rating document submitted by individual directors and recommended its report to the Board. Thereafter, the Board reviewed performance of its own, its committees and of individual directors including independent Directors based on the performance rating document submitted by individual directors. The assessment is carried out by means of a structured questionnaire with ranking. Based on the report, the Board and the Nomination & Remuneration Committee has informed that the performance of Directors including Independent Directors is satisfactory and they are recommended for continuation as Directors of the Company.

The criteria for performance evaluation of the Board include aspects like experience, proper mix of qualifications, skills and competencies to conduct its affairs effectively, diversity, its roles and responsibilities, its functions, evaluation of risks, setting up of corporate culture and values, conduct of board meetings and its effectiveness, corporate strategy, business plans, corporate performance, etc. The criteria for performance evaluation of the Committees include aspects like structure, mandate, composition, independence, working procedures and functions of committees and effective contribution to the board, etc. The criteria for performance evaluation of the individual Directors (including Independent Directors) include aspects like qualifications, experience, competency, professional conduct, sufficient understanding and knowledge of the entity, fulfilling of functions, active initiation with respect to various areas, attendance at the meetings, contribution to the company and board meetings, commitment to the Board, integrity, etc., In addition, the performance of Independent Directors is evaluated on aspects such as his/her independence from the company and other directors, exercise of judgement and expression of opinion, etc. In addition, the performance of the Chairman is also evaluated on key aspects of his leadership, decisiveness, commitment to the Board, roles and responsibilities, etc.

Separate Meeting of the Independent Directors

A separate meeting of the Company's Independent Directors was also held on March 24, 2021. The meeting was held to:

- i. Review the performance of non-independent directors and the Board as a whole;
- ii. Review the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors;
- iii. Assess the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Opinion of the Board

The Board is of the opinion that all the Independent Directors of the Company including Independent Director appointed/re-appointed during the financial year possess integrity, necessary expertise and experience for performing their functions diligently. The Independent Director(s) appointed/re-appointed during the financial year are yet to undertake online proficiency self-assessment test, wherever required, conducted by the institute notified under sub-section (1) of section 150 of the Act and hence, opinion cannot be formed by the Board with regard to their proficiency. The Board also confirms that in its opinion, the independent directors of the Company fulfill the conditions specified in these regulations and are independent of the management.

AUDITORS & AUDITORS' REPORT

Statutory Auditors

M/s. Anandam & Co., Chartered Accountants (Firm Registration Number: 000125S) were appointed as Statutory Auditors of the Company from the conclusion of 17th Annual General Meeting till the conclusion of 22nd AGM i.e., ensuing AGM of the Company subject to ratification of their appointment by the members at every Annual General Meeting.

The Companies Amendment Act, 2017 w.e.f May 07, 2018, has omitted the first proviso to Section 139 of the Companies Act, 2013 that provided for the ratification of appointment of the Statutory Auditors by the Members at every Annual General Meeting. The appointment of Statutory Auditors shall continue to be valid until the conclusion of 22nd Annual General Meeting i.e., ensuing AGM of the Company. The Company and the Board of Directors are yet to decide on appointment of Statutory

Auditors of the Company at the ensuing 22nd AGM of the Company. The appointment of the same along with required details will be included in the notice of 22nd AGM of the Company which will be approved by the Board of Directors in due course. Please refer the said notice for appointment of Statutory Auditors of the Company.

The Company has received audit report for both standalone and consolidated audited financial statements of the Company for the financial year ended March 31, 2021 from the statutory auditors, M/s. Anandam & Co., Chartered Accountants and forms part of this Annual Report. There are no qualifications, reservation, adverse remarks or disclaimer made by the Statutory Auditors in their Reports. However, there is an emphasis of matter made by the Statutory Auditors in their report on standalone as well as consolidated financial statements and they have stated that their opinion is not modified in respect of this matter.

Emphasis of Matter – Standalone Financial Statements

The Company has significant investments in subsidiaries.

Explanation by the Board:

The Company is of the opinion that investments in subsidiaries have a realizable value not less than that is stated. Further, where applicable, the downstream investments of the respective subsidiaries are expected to carry valuations that will not lead to any diminution in value of the Company's investment in subsidiaries. (Refer Note 5.1 of the standalone financial statements).

Emphasis of Matter – Consolidated Financial Statements

The Group has non-current investments which are valued at cost less impairment.

Explanation by the Board:

The Group is of the opinion that these investments carry the value as stated in the consolidated financial statements. (Refer Note 5.1 of the consolidated financial statements).

The statutory auditors stated in their reports that they have relied on the same and their opinion is not modified in respect of this matter.

Further, in addition to the above explanation, the Board would like to state that going forward, the above said emphasis of matter is not required as all the companies value investments at cost. Also, the provisions created for investments, which are unrewarding in the opinion of the Company, are written off. The current investments carry better value than what is appearing in the books.

Internal Auditors

Your Directors have appointed M/s. Narven Associates, Chartered Accountants, Hyderabad as Internal Auditors of the Company for the financial year 2020-21.

Secretarial Auditor

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and remuneration of Managerial personnel) Rules, 2014. M/s. B. Krishnaveni, a Company Secretary in Practice was appointed to undertake the Secretarial Audit of the Company for

the financial year 2020-21. The Secretarial Audit Report for financial year 2020-21 forms part of the Annual Report as **Annexure 2** to the Board's Report.

The following qualifications, reservation, adverse remarks or disclaimer are made by the Secretarial Auditor in her Report:

"The Company did not have requisite number of Directors on its Board as required under Regulation 17(1) r Regulation 17 (1) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015."

She further stated the following in the said report:

"The Company was not been able to appoint One Director to meet the criteria of the number of Directors as required under the provisions of Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015. Pursuant to Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015, the board of directors of the top 2000 listed entities (with effect from April 1, 2020) shall comprise of not less than six directors. After expiration of term of one of the Director during financial year on May 13, 2020, the board of directors of the Company, which is one of the top 2000 listed entities, comprised of less than six directors. The Company submitted to the exchange that the expiration of term of one of the Director happened during Covid-19 Pandemic and due to such unavoidable circumstances, it is facing a great challenge in finding a suitable person to be appointed as Director. Since Director is an important position and the Company has to meet suitable persons to finalize the candidate, due to pandemic, the identification of proposed candidate(s) and meeting with them was taking time. By considering the above fact, the Company requested stock exchange(s) to kindly condone the delay and grant company some time for appointment of new Director. BSE and NSE had levied monetary fine(s) for non-compliance with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 for the quarters ended December 31, 2020 & March 31, 2021 and the Company has paid the same within time specified by the Exchanges. The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1) of SEBI (LODR) Regulations, 2015.

The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 and is in compliance of the same as on March 31, 2021. The company submitted its disclosure to Exchange(s) about the said appointment on March 02, 2021."

Explanation by the Board of Directors:

The Members of the Board after due enquiry and deliberation provides its comments as follows:

"The delay in appointment of Director resulting in non-compliance of regulatory requirement under Regulation 17(1)(c) of the Listing Regulations was not intentional and beyond control of the Management of the Company due to Covid-19 pandemic. The Board understand that the expiration of term of one of the Director happened during Covid-19 crises and due to such unavoidable circumstances, it was facing a great challenge in finding a suitable person to be appointed as Director at that moment. Since Director is an important position and the Company have to meet suitable persons to finalize the candidate, due to pandemic, the identification of proposed candidate(s) and meeting with them was taking time. The company also stated the same in its quarterly corporate governance filed with the Exchange(s). We would like to state that our Company has always been meticulous in complying with the SEBI Regulations/Companies Act, etc., but the appointment of new director after expiration of term of one of the Directors during 2020-21 got delayed due to unavoidable circumstances. The Company has also appointed Mr. Naveen Kumar Yelloji as an

Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 and is in compliance of the same as on March 31, 2021. The company submitted its disclosure to Exchange(s) about the said appointment on March 02, 2021.

The Board further emphasize that aforesaid non-compliance of regulatory requirement under Regulation 17(1)(c) of the Listing Regulations was not intentional and was due to the reasons associated with the unprecedented COVID -19 crises. The Board herewith apologize to stock exchange(s) and shareholders for the said non-compliance and emphasized that going forward, composition of board as prescribed under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 shall be strictly adhered to as far as practically possible.”

of its role as a Socially Responsible Corporate.

Non-applicability of CSR

As stated in the Directors Report for the financial year 2019-20 dated June 22, 2020, the Board, on recommendation of Corporate Social Responsibility ("CSR") Committee, in its meeting dated February 11, 2020 has decided on the non-applicability of Corporate Social Responsibility provisions i.e., Section 135 of the Companies Act, 2013 read with the rules made thereunder.

Also, as stated in the said report, your company does not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more for the financial year ended March 31, 2018, March 31, 2019 & March 31, 2020. Hence, Corporate Social Responsibility provisions i.e., Section 135 of the Companies Act, 2013 read with the rules made thereunder are not applicable to the Company.

In this regard, the Board on its meeting dated February 10, 2021, dissolved Corporate Social Responsibility ("CSR") Committee with immediate effect.

Also, your company does not have net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more for the financial year ended March 31, 2021.

GENERAL

The Company has considered the possible effects that may result from the pandemic relating to Covid 19 in the preparation of the financial statements for the period ended March 31, 2021 including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of the said financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial statements may differ from that estimated as at the date of approval of the financial statements.

Your Directors further state that no disclosure or reporting is required in respect of the following items as there were no transactions on these items during the year under review:

- a. The Company has neither accepted nor renewed any deposits from the public or otherwise in terms of Section 73 of the Companies Act, 2013 read with the rules made thereunder and as such no amount on account of principal or interest thereon on deposits from public was outstanding as on the date of Balance Sheet.
- b. There is no issue of equity shares with differential rights as to dividend, voting or otherwise.
- c. There were no significant or material orders passed by the Regulators, Courts or Tribunals which impact the going concern status and Company's operations in future.
- d. There were no material changes and commitments affecting financial position of the company between 31st March, 2021 and the date of this Board's Report.
- e. The Auditors have not reported any matter under Section 143(12) of the Companies Act, 2013

and therefore no detail is required to be disclosed under Section 134(3)(ca) of the Act.

- f. Maintenance of cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act 2013 is not required by the Company and accordingly such accounts and records are neither made nor maintained.
- g. Pursuant to the SEBI (Share Based Employee Benefits) Regulations, 2014 and the Company's Employee Stock Option Scheme 2011 & Employee Stock Option Scheme 2015, the Company, during the year 2015 – 16, has granted employee stock options through a trust set up for the same. The shares purchased by the trust for the said schemes are held by the trustee(s) for the benefit of the employees and are transferred to employee(s) when the employee(s) exercise the vested option. Also, the said trust is a non – promoter and non – public shareholder and it is herewith not exercising its voting rights. Hence, pursuant to Section 67(3) read with Rule 16(4) of the Companies (Share Capital and Debentures) Rules, 2014, the disclosures in respect of voting rights not exercised directly by the employees in respect of shares to which the scheme relates to be made in the Board's report is not applicable.
- h. The disclosure required under Rule 8(5)(xi) & (xii) of the Companies (Accounts) Rules, 2014 is not applicable to the Company for the financial year ended March 31, 2021.

APPRECIATIONS & ACKNOWLEDGEMENTS

Your Directors look to the future with confidence. Your Directors wish to express their appreciation for the valuable support and co-operation received from customers, vendors, investors, lenders, business associates and bankers for their continued support during the year. The Directors also thank the State Governments, Government of India, Governments of various countries, other Government Departments particularly Ministry of Electronics and Information Technology, the Ministry of Commerce, the Ministry of Finance, the Ministry of Corporate Affairs, the Income Tax Department, Reserve Bank of India and other government agencies for their support, and looks forward to their continued support. Your Directors are especially indebted to employees of the Company and its subsidiaries at all levels, who through their dedication, co-operation, support and dynamic work, have enabled the company to achieve rapid growth. The Board also wishes to place on record their appreciation of business constituents like SEBI, BSE, NSE, NSDL, CDSL etc. for their continued support for the growth of the Company. Your Directors seek, and look forward to the same support during the future years of growth.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
Cambridge Technology Enterprises Limited
CIN: L72200TG1999PLC030997
Unit No. 04-03, Level 4, Block 1, Cyber Pearl,
Hi-Tec City, Madhapur, Hyderabad (TS) – 500 081

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Cambridge Technology Enterprises Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Cambridge Technology Enterprises Limited books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Cambridge Technology Enterprises Limited (“the Company”) for the financial year ended on March 31, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the Extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements)

Regulations, 2018.

(d) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

(e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

(f) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

(vi) Other laws applicable specifically to the Company namely:

(a) The Information Technology Act, 2000 and the rules made thereunder;

(b) Software Technology Parks of India rules and regulations, 2004;

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable to the Company during the year as there no relevant transactions during the audit period:

(a) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

(b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and

(c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by the Institute of Company Secretaries of India.

(ii) the (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of the Listing Agreements entered into by the Company with BSE Limited & NSE.

I report that, during the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:

"The Company did not have requisite number of Directors on its Board as required under Regulation 17(1) r Regulation 17 (1) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015."

I further report that

- The Company was not been able to appoint One Director to meet the criteria of the number of Directors as required under the provisions of Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015. Pursuant to Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015, the board of directors of the top 2000 listed entities (with effect from April 1, 2020) shall comprise of not less than six directors. After expiration of term of one of the Director during financial year on May 13, 2020, the board of directors of the Company, which is one of the top 2000 listed entities, comprised of less than six directors. The Company submitted to the exchange that the expiration of term of one of the Director happened during Covid-19 Pandemic and due to such unavoidable circumstances, it is facing a great challenge in finding a suitable person to be appointed as Director. Since Director is an important position and the Company has to meet suitable persons to finalize the candidate, due to pandemic, the identification of proposed candidate(s) and meeting with them was taking time. By considering the above fact, the Company requested stock exchange(s) to kindly condone the delay and grant company

some time for appointment of new Director. BSE and NSE had levied monetary fine(s) for non-compliance with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 for the quarters ended December 31, 2020 & March 31, 2021 and the Company has paid the same within time specified by the Exchanges. The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1) of SEBI (LODR) Regulations, 2015.

- The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 and is in compliance of the same as on March 31, 2021. The company submitted its disclosure to Exchange(s) about the said appointment on March 02, 2021.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and there are no dissenting views to be recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the members of the Company has passed the following special resolution, the details of which are stated in the notice of Annual General Meeting dated September 02, 2020:

1. Re-appointment of Ms. Jayalakshmi Kumari Kanukollu as an Independent Director.

and there were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

Certificate on Corporate Governance

[Pursuant to Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To the Members of M/s. Cambridge Technology Enterprises Limited

I have examined the compliance of conditions of Corporate Governance by Cambridge Technology Enterprises Limited ('the Company'), for the year ended March 31, 2021, as stipulated in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "SEBI Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned SEBI Regulations, as applicable except to the extent as mentioned below:

"The Company did not have requisite number of Directors on its Board as required under Regulation 17(1) (c) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015."

I further report that

- The Company was not been able to appoint One Director to meet the criteria of the number of Directors as required under the provisions of Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015. Pursuant to Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015, the board of directors of the top 2000 listed entities (with effect from April 1, 2020) shall comprise of not less than six directors. After expiration of term of one of the Director during financial year on May 13, 2020, the board of directors of the Company, which is one of the top 2000 listed entities, comprised of less than six directors. The Company submitted to the exchange that the expiration of term of one of the Director happened during Covid-19 Pandemic and due to such unavoidable circumstances, it is facing a great challenge in finding a suitable person to be appointed as Director. Since Director is an important position and the Company has to meet suitable persons to finalize the candidate, due to pandemic, the identification of proposed candidate(s) and meeting with them was taking time. By considering the above fact, the Company requested stock exchange(s) to kindly condone the delay and grant company some time for appointment of new Director. BSE and NSE had levied monetary fine(s) for non-compliance with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 for the quarters ended December 31, 2020 & March 31, 2021 and the Company has paid the same within time specified by the Exchanges. The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1) of SEBI (LODR) Regulations, 2015.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Management Discussion & Analysis Report

INDUSTRY STRUCTURE AND DEVELOPMENTS

DRIVING GROWTH AND EFFICIENCY WITH DATA AND AI SOLUTIONS

The world is at a pace of significant transformation, where data is the next big resource, much like air, oil, and water. This makes the convergence of big data and cloud-powered by Artificial Intelligence (AI) and Machine Learning (ML) a multi-trillion opportunity. Companies are trying to reduce their operational cost to increase profit margins, due to which AI is gaining more prominence. Notably, companies are more interested in cloud-based machine learning, which helps in experimenting with their offerings.

What can AI do?

One of the broad goals of AI is autonomous machine intelligence, with machine learning being one of the specific scientific methods used in constructing AI.

Through autonomous machine intelligence computers, mechanisms, and systems powered by AI could negate the burden of decision-making, repetitive action, and instantaneous response by shifting actions from humans for greater efficiencies and performance improvements. This is one of the more optimistic visions of how artificial intelligence will change the future. Currently, the artificial intelligence we have is narrow — systems are designed to perform specific tasks without human intervention and with a limited range of autonomy. However, numerous AI capabilities are being exploited even at this level, such as sifting through vast amounts of data and making logical connections between past actions and different criteria. You may have found your way to this webpage through a search engine, for example. AI powered that process.

AI applications today

Artificial Intelligence Platforms: These provide tools and environments for developing AI software like built-in algorithms, templates, and drag-and-drop facilities.

Chatbots: Conversational AI programs that achieve realistic and real-time dialogue with users.

Machine Learning Software: A general class of programs that can learn from data and previous interactions with the software.

Deep Learning Software: Programs that perform speech recognition, image recognition, and other complex functions based on sophisticated algorithms.

Future of AI

When it comes to businesses, monitoring and reevaluation of the existing processes help build the future. The future scope of AI has paved the way for smart monitoring, faster feedback, and improved business lines. The Robotic Process Automation (RPA) will reduce the time taken to complete repetitive tasks, make the strategies less cumbersome and more effective.

Getting a clear view of the customers' minds can build insights and help you make real-time decisions to improve their experiences. The mobile apps and other mediums that are using AI will help you realize what the users want. Data-driven insights lead to personalized solutions and improve interactions.

There will be more people behind AI solutions. As a result, the interactions will be in sync with the AI machines. The collaboration will lead to successful engagements and better exposure. The future devices will have more data to learn from, which will eventually help them garner better decisions.

In the next few years, the businesses that have not shown interest in AI solutions will start consuming this technology. This creates opportunities for more competition and improved business processes.

CAMBRIDGE TECHNOLOGY (CT): INTELLIGENT TRANSFORMATIONS, CRAFTED WITH EXCELLENCE AND SIMPLICITY

Since 2020, businesses have accelerated the pace of their digital and AI transformation journeys. What was a choice until three years ago rapidly became a necessity. But for those embarking on the journey, the road to becoming an AI-first, mobile-first, or digital-first business can get tricky. From the right infrastructures and approaches to the right applications and innovation, several factors define the success of the transformation.

That's where our focus has been – to help businesses of all sizes, across industries and geographies, simplify their cloud and digital journeys with tailor-made services and solutions that breathe in simplicity, agility, growth, and efficiency. With decades-long expertise as a global technology services company, we help businesses solve complex challenges with intelligent services. Ranging across domains, we bring in the goodness of AI, machine learning, data engineering, SaaS, and DevOps with strategic workshops, ready-to-deploy solutions, and straightforward implementations.

Headquartered in India with marketing and support from the US, we pride ourselves on partnerships with experts like AWS, Confluent, Google, Oracle, and many more to give our customers the best technology in the market. We believe in excellence as a differentiator, which is why we have competencies in niche technologies from AWS. We bring certainty to delivery standards while helping customers scale up quickly to create a digital workspace, embedding resiliency, continuity, and security.

Service Offerings

Recognized as a thought leader with ISO 20000-1: 2011, ISO 27001:2013 certifications, our gamut of end-to-end services in AI, data, applications, infrastructures, and cloud can help with every unique, complex challenge. Our services, solutions, and over 500 employees transform businesses for a changing world with strategic workshops to ready-to-deploy solutions.

There is no guarantee that old businesses will survive. On the other hand, new businesses may not have all the tools to transform industries. They are the 'have-nots' and will need help. Your company is transforming businesses across multiple verticals like energy/industrials, life sciences & pharmaceuticals, demand funnel, BFSI, and identity /access management.

Energy/Industrials

AI can revolutionize the way energy is produced, transmitted, and consumed. For instance, about 40% of total US energy consumption is by the residential and commercial sectors. Advances in the AI and smart grid infrastructure will see potential challenges in the energy sector getting resolved. Additionally, powerful computation models can help reduce dependency on energy, availability, costs, and consumption.

Your company is proud to serve one of the world's largest energy management and automation specialists in the energy vertical.

Life Sciences

The use of transformative technologies to understand the complexities that arise from the combination of a variety of data from areas like clinical research, plants, and animal genomics could reveal completely innovative approaches to the treatment of diseases. With AI, the time spent to make a drug discovery can be brought down significantly by migrating to virtual trials to detect patterns and anomalies.

In this vertical, your company serves as a global leader in pet nutrition and nutrigenomics.

Demand Funnel Management

Your company is serving a leading consumer company to predict shifts in demand and changes in demand.

Your company articulated the problem as a multi-arm bandit maximization problem. The solution aims to optimize the client conversion ratio for key lines of businesses by employing a systematic, automated, and statistically sound methodology to formulate offers optimally.

The solution employs several state-of-the-art algorithmic techniques like contextual multi-armed bandits and using techniques in the emerging subfield of counterfactual machine learning.

Identity/Access Management

According to CISCO, global internet traffic in 2021 will be equivalent to 127 times the volume of the entire global Internet in 2005, and annual global IP traffic will reach 3.3 ZB by 2021. This presents a huge opportunity to collaborate Information Management with AI in data storage, fraud detection & prevention, compliance reporting, risk management, and several other areas.

Your company serves one of the world's largest companies in storage and information management solutions in this vertical.

Banking, Financial Services & Insurance (BFSI)

Your company serves a US-based pioneering platform in building cross-border electronic trading infrastructure to enable global institutional flows and provide a unique distribution and regulatory network for capital raising in international markets.

Highlights

Strategic Importance to AWS

Your company launched its cloud practice in the 1st quarter of 2010, and over the years, it has built its expertise across the AWS platform. As the AWS platform grew, so have your company's capabilities. Since then, your company has consistently kept advancing with Azure, Google, and Oracle as strong strategic cloud partners.

Our capabilities span a broad set of services, complementary to the AWS (also Azure, Google, Oracle) platform by building practices that support Application Development, DevOps, Cloud, Managed Services, Big Data, Analytics, AI/ML, and IoT.

Your company's cloud-managed services on AWS are supported by a 100% AWS-certified team of IT professionals.

Your company's workforce includes over 40 engineers with AWS professional certifications in SysOps, DevOps.

Strong Partner Ecosystem for Referenceability

Your company has strengthened its partner ecosystem to provide access to an innovative solution to its customers and build reference ability in client acquisition.

Culture

While your company is developing revolutionary solutions and applications for businesses, your company also shares the same values and vision. We are changing the way organizations do business with the latest technology internally and creating a partnership to foster the growth of the individual employees and, in turn, your organization.

Focused on USA - Presence in India, USA, Philippines & Malaysia

In line with providing its global customers access to a 24/7 development cycle, your company has also expanded its presence across the USA (Atlanta, Boston, Kansas, and Louisville), India, and the Philippines.

Your company realizes the significance of trained and skilled employees and has invested heavily into training employees through its competency centers in India and the US.

Certifications

Awarded ISO/IEC 20000-1:2011 & ISO/IEC 27000: 2013 certification(s) in recognition of its IT Service & Information Security Management excellence.

Attainment of ISO/IEC 20000-1:2011 certification validates that your company meets international standards for IT Service Management Systems.

Attainment of ISO/IEC 27000: 2013 certification validates your company's continued efforts towards ensuring data safety and complying with the highest level of security standards.

OUTLOOK

Your company's client base of established market players encompasses the US, Europe, and Asia. Its service solutions have received some of the highest industry certifications. Your company has completed a substantial restructuring and retooling of capabilities to position as a market leader in AI and Data Management to focus on higher-margin service solutions.

The client ecosystem is changing at a rapid pace. Your company's trained employees, deep delivery capabilities, technological expertise, and customer interests have established a strong foundation over the years, which have resulted in exciting new projects and opportunities.

Despite unpredictable times, the company is committed to safeguarding the health of the workforce and continues to recruit the best talent. The clients are maintaining business as usual. The best part is that all our customers are now looking to invest in technology to approach the future, with an edge to tackle the uncertainty.

The long-term objective is to create transformative business models and build real value for our customers, employees, and shareholders.

THREATS, RISKS & CONCERNS

The potential threats and risks are usually aligned either to change in the external environment such as changes in the technology/customer preferences/business dynamics or finding the right talent and retaining them. Your company is well positioned to minimize the potential identified threats and risks, and the way it does is detailed below:

Changing Technological Trends

With the rapid advancements in technology in this day and age it becomes imperative for the service provider to keep pace and adopt the learning curve. We constantly endeavour to stay ahead of the curve by building capabilities that meet the current and future needs of our customers.

Training

At your company all employees undergo relevant set of trainings imperative to serve the existing and future business needs. This helps greatly minimize the risk of change of technology.

Attracting and Retaining Talent

Finding the right kind of talent and retaining them could pose a challenge for a business like ours. The dynamic nature of technology, increasing demand from clients, etc., warrants the company to focus on finding the right kind of talent and their retention for its existence and delivering sustainable growth. Hiring the best of the breed talent forms the core belief at your company.

Financial Risk

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company. The details related to financial risk management are provided in Note 35 of the Standalone Financial Statements which forms part of the annual report.

Exchange rate risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the trade/other payables, trade/other receivables and derivative assets/liabilities. The risks primarily relate to fluctuations in US Dollars against the functional currencies of the Company. The Company's exposure to foreign currency changes for all other currencies is not material. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

Employee benefits – Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are Interest rate risk, Salary inflation risk and Demographic risk. The details of the same are provided in Note 33 of the Standalone Financial Statements which forms part of the annual report.

Competition

The IT services industry is intensely competitive with local and MNC players, each with a sizable presence in the market. Competitive pressure could adversely affect pricing strategy for services, impacting growth and profitability. To remain competitive over the years, your company has developed deep domain knowledge and delivery capabilities with skilled workforce.

All your Company's policies are focused towards a healthy, happy and prosperous work environment for its employees and thereby also fulfil the aspirations of the people at work. The key elements that define our culture include professional working environment, training and development, and compensation.

As of 31 March 2021, your Company had 220 permanent employees on its rolls. The headcount of the Company along with its subsidiaries is 287.

All offices of the Company and its Subsidiaries were closed pursuant to Government orders of respective regions during last year. The Company was able to seamlessly transition to the work from home protocols and have been following it diligently since late March 2020. The operations of the Company were not affected as operations are manageable remotely and with minimal human intervention from remote locations. All our customers were serviced as usual. While the Company is committed to providing safe work environment for employees to return to office, it also understand the need for flexibility based on employees individual circumstances. The situation will be closely monitored and as far as possible, we prefer to provide work from home facility to the employees till the situation improves.

As a business we have so far, had minimal impact on existing accounts in 2020-21. In anticipation of impact on growth, we made some tough business decisions including freeze in hiring (except for only essential), hikes, and non-essential spending until end of the year 2020. The current Covid-19 spikes have again added to business uncertainty, which may impact existing & new account acquisition and growth in 2021-22. However, we believe that salary increments ensure that individuals perform to the best of their ability, develop their potential, and are appropriately rewarded, in turn leading to improved organizational performance. Despite the pandemic, the company decided to go ahead with increments and has announced a salary hike for all its employees, eligible for the same with increment letters. The new hikes for financial year 2021-22 were effective from April 01, 2021 across all geographies. Also, the company is open to the hiring process to fill required positions, if any, available.

*Appointed as an Additional Director w.e.f March 02, 2021

On recommendation of the Nomination and Remuneration Committee, the Board of Directors by passing resolution through circulation on March 02, 2021, approved appointment of Mr. Naveen Kumar Yelloji (Director Identification No. 03227757) as an Additional Director (Non – Executive & Non-

Independent) of the Company with effect from i.e., March 02, 2021 and holds office till the conclusion of ensuing AGM of the Company. He is proposed to be appointed as a Director (Non-Executive & Non-Independent Director) at the ensuing AGM of the Company whose office shall be liable to retire by rotation. Also, the Board of Directors appointed Mr. Manjula Aleti (holding DIN 07563104) as an Additional Director (Non-Executive & Independent) effective from July 01, 2021 in its meeting dated June 29, 2021 in terms of Section 161 of the Companies Act, 2013 (the "Act") and holds office up to the date of forthcoming Annual General Meeting of the Company. Based on the recommendation of Nomination & Remuneration Committee and approval of the Board, and subject to approval of shareholders, she is also appointed as an Independent Director of the Company for a period of five years with effective from July 01, 2021, in terms of Section 149 read with Schedule IV of the Companies Act, 2013 ('the Act') and Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations 2015'). Accordingly Board recommends approval of the members for the aforesaid appointments.

The earlier term of Mrs. Jayalakshmi Kumari Kanukollu, Independent Director expired on March 14, 2020. The Board in its meeting dated February 11, 2020 and members at 21st AGM dated September 29, 2020 approved re-appointment of Mrs. Jayalakshmi Kumari Kanukollu (DIN: 03423518) as an Independent Director for a further period of 5 (five) years from the expiry of her present term of office, that is, with effect from March 14, 2020.

The Composition of the Board is in conformity with Section 149(4) of the Companies Act, 2013 and Regulation 17 of SEBI (LODR) Regulations, 2015 as on March 31, 2021 except that the Company has not been able to appoint requisite number of Directors as required under the provisions of Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015. Pursuant to Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015, the board of directors of the top 2000 listed entities (with effect from April 1, 2020) shall comprise of not less than six directors. After expiration of term of one of the Director during financial year, the board of directors of the Company, which is one of the top 2000 listed entity comprised of less than six directors. BSE and NSE had levied monetary fine(s) for non-compliance with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015 for the quarters ended December 31, 2020 & March 31, 2021 and the Company has paid the same within time specified by the Exchanges. The Company has also appointed Mr. Naveen Kumar Yelloji as an Additional Director of the Company w.e.f March 02, 2021 to comply with Regulation 17(1)(c) of SEBI (LODR) Regulations, 2015. The Company submitted to the exchange that the expiration of term of one of the Director happened during Covid-19 Pandemic and due to such unavoidable circumstances; it is facing a great challenge in finding a suitable person to be appointed as Director at this moment. Since Director is an important position and the Company have to meet suitable persons to finalize the candidate, due to pandemic, the identification of proposed candidate(s) and meeting with them was taking time. By considering the above fact, the Company requested stock exchange(s) to kindly condone the delay and grant company some time for appointment of new Director. The composition of the Board represents the finest blend of professionals from various backgrounds which enables the Board to discharge its responsibilities more efficiently and provide effective leadership which enables it to ensure long term value creation for all stakeholders.

Pursuant to Section 149(7) of the Companies Act, 2013, Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 25(8) of the SEBI (LODR) Regulations, 2015 the Company received declaration from Independent Directors. Accordingly, all the Independent Directors have confirmed that they meet the criteria of independence as mentioned under Listing Regulations and the Companies Act, 2013. All the Directors have made necessary disclosures regarding Committee positions and Directorships held by them in other companies. None of the Director is a member of more than 10 committees or chairman of more than 5 committees across all the companies in which they are directors.

Independent Auditor's Report

To the Members of Cambridge Technology Enterprises Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **Cambridge Technology Enterprises Limited** (hereafter referred to as "the Holding Company") and its wholly owned subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') which comprise the Consolidated Balance Sheet as at 31st March, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements of subsidiaries not audited by us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, of its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub- paragraphs (a) and (b) of other matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Our internal team also considered the status of the disputes, legal precedence and other rulings in evaluating management's position on these matters. We have also relied on assurances and opinions provided by the various agencies, representing the company.</p> |

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Emphasis of Matter

The Group has non-current investments which are valued at cost less impairment. The Group is of the opinion that these investments carry the value as stated in the consolidated financial statements. (Refer Note 5.1 of the consolidated financial statements). We have relied on the same and our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

- a) We did not audit the financial statements and financial information of Cambridge Technology Investments Pte Ltd, Singapore, whose financial statements and financial information reflect total assets of Rs. 1134.02 lakhs as at 31st March, 2021, total revenues of Rs. 38.96 lakhs, and net cash inflows amounting to Rs.47.29 lakhs for the year ended on that date as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Holding Company's Board of Directors and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of such other auditor.
- b) We did not audit the financial statements in respect of one wholly owned subsidiary namely Cambridge Bizserve Inc., Philippines whose financial statements and financial information reflect total assets of Rs. 61.85 lakhs as at 31st March, 2021, total revenue of Rs. 25.00 lakhs and net cash outflows amounting to Rs. 0.76 lakhs for the year ended on that date as considered in the consolidated financial statements, which have been audited by other independent auditor up to the period ended 31st December, 2020 and are unaudited for the period from 1st January, 2021 to 31st March, 2021. These financial statements have been audited for the period ended 31st December, 2020 since the wholly owned subsidiary follows a different accounting period from that of the Holding Company. Unaudited financial statements for the period from 1st January, 2021 to 31st March, 2021 have been furnished to us by the Holding Company's Board of Directors and our opinion on the consolidated financial statements, in so far it relates to the amounts and disclosures included in respect of the wholly owned subsidiary and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid wholly owned subsidiary is based solely on the report of the other auditor/unaudited financial statements/financial information as the case may be.
- c) We did not audit the financial statements in respect of one wholly owned subsidiary namely CT Software Solutions SDN BHD, Malaysia whose financial statements and financial information reflect total assets of Rs. 63.57 lakhs as at 31st March, 2021, total revenues of Rs. 6.59 lakhs, and net cash inflows amounting to Rs. 0.012 lakhs for the period ended on that date as considered in the consolidated financial statements. These financial statements and financial information have been furnished to us by the Holding Company's Board of Directors and our opinion on the consolidated financial statements and financial information, in so far as it relates to the amounts and disclosures included in respect of this entity is based solely on such financial statements and financial information. According to the information and explanations given to us by the Holding Company's Board of Directors, the financial results and financial information of this entity are not material to the Group. Our opinion is not modified in respect of this matter.
- d) The financial statements and other financial information of the wholly owned subsidiaries, located outside India, have been prepared in accordance with accounting principles generally accepted in those countries and have been audited by other auditors under generally accepted auditing standards applicable in those countries / certified by the Holding Company's Board of Directors under generally accepted accounting standards applicable in that country. The Holding Company's Board of Directors has converted the financial statements from accounting principles generally accepted in those countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's Board of Directors. Our opinion in so far as it relates to the balances and affairs of such subsidiaries is based on the reports of other auditors /certification by the Holding Company's Board of Directors and the conversion adjustments prepared by the Holding Company's Board of Directors and audited by us.

- e) The consolidated financial statements do not include financial statements and other financial information of one subsidiary namely Cloud Computing Global Pte Ltd, Singapore which has been disposed off during the year ended 31st March, 2021. In our opinion and according to the information and explanations given to us by the Holding Company's Board of Directors, these financial statements and financial information are not material to the Group. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on separate financial statements of subsidiaries, as referred to in 'Other Matters' paragraph, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and returns and reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its consolidated financial statements (Refer note 38 of the consolidated financial statements);
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Holding Company.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Cambridge Technology Enterprises Limited** (“the Holding Company”) as of 31st March 2021 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Cambridge Technology Enterprises Limited**Notes to consolidated financial statements for the year ended 31 March 2021**

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

Group Information:

Cambridge Technology Enterprises Limited, 'the parent' and its subsidiaries (collectively referred to as 'the Group') are primarily a global technology services and outsourcing Group dedicated to serving the midsize market enterprises and the midsize units of Global 2000 enterprises across the spectrum of business industries. The Group is recognised as a thought leader and innovator of comprehensive Service Oriented Architecture (SOA)-based enterprise transformation and integration solutions and services.

The Group includes the following wholly owned subsidiaries, viz, M/s Cambridge Technology Inc. USA, M/s Cambridge Technology Investments Pte Limited, Singapore, M/s Cambridge Innovations Capital LLC, USA, M/s Cambridge Bizserve Inc. Philippines, Cloud Computing Global Pte Ltd, Singapore.

Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of Compliance:

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017, the relevant provisions of the Companies Act, 2013 ('the Act') and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Basis of preparation:

The Consolidated Financial Statements (CFS) include the financial statements of the Parent and its wholly owned subsidiaries excluding Cloud Computing Global Pte Ltd, Singapore. The assets, liabilities, income and expenses of the wholly owned subsidiaries is aggregated and consolidated line by line. Profit or loss and each component of other comprehensive income are attributed to the owners. All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values as per Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c) Revenue Recognition**i) Income from Software services**

Revenue is recognised upon transfer of control of services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services.

- Revenue from fixed price development contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.
- Revenue related to fixed price maintenance and support services contracts where the Group is standing ready to provide services is recognised based on time elapsed mode.
- Revenue from cost plus contracts is recognised based on cost incurred towards a particular project after adding a margin of profit

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

ii) Income from Software Products

Revenue from the sale of user licenses for software applications is recognized on transfer of the title in the user license, except in case of multiple element contracts requiring significant implementation services, where revenue is recognized as per the percentage of completion method.

iii) Other Income:

Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is recognised on impaired investments on receipt basis.

d) Borrowing Costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset are included in the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

e) Employee benefits**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Cambridge Technology Enterprises Limited**Notes to consolidated financial statements for the year ended 31 March 2021**

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

(ii) Other long-term employee benefit obligations

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss.

The gratuity liability is covered through a recognized Gratuity Fund managed by Life Insurance Corporation of India and the contributions made under the scheme are charged to Statement of Profit and Loss.

iv) Defined contribution plans

The group pays provident fund contributions to publicly administered funds as per local regulations. The group has no further payment obligations once the contributions have been paid, the contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

(v) Employee Share-based payments

Stock Options are granted to eligible employees in accordance with the CTE Employee Stock Option Schemes ("CTE ESOS"), as may be decided by the Nomination & Compensation Committee. Eligible employees for this purpose include employees of the group including Directors.

Equity-settled share-based payments to employees are measured at the fair value of the employee stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is amortised over the vesting period, based on the group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the Statement of Profit and Loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

Income Taxes

Tax expense for the year comprises current and deferred tax.

Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Tax relating to items recognized directly in equity or other comprehensive income is recognised in equity or other comprehensive income and not in the Statement of Profit and Loss.

Cambridge Technology Enterprises Limited**Notes to consolidated financial statements for the year ended 31 March 2021**

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they are related to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

g) Property, plant and equipment:

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Lease Hold improvements are stated at original cost including taxes, freight and other incidental expenses related to acquisition/installation and after adjustment of input taxes less accumulated depreciation in accordance with Lease hold period.

h) Expenditure during construction period:

Expenditure during construction period (including finance cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

i) Depreciation

Depreciation on tangible assets is provided on the written down value method and at the useful life and in the manner specified in Schedule II of the Companies Act, 2013. For assets acquired or disposed off during the year, depreciation is provided on prorata basis.

Individual assets acquired for less than Rs.5,000/-are entirely depreciated in the year of acquisition. Leasehold improvements are depreciated over the the remaining primary period of lease.

j) Intangible Assets and Amortization:

Intangible assets are recorded at consideration paid for acquisition and other direct costs that can be directly attributed, or allocated on a reasonable and consistent basis, to creating, producing and making the asset ready for its intended use.

The amortized period and amortization method are reviewed at each financial year end.

Software used in development for projects are amortized over the license period or estimated useful life of five years, whichever is lower.

k) Impairment of Assets:

Intangible assets and property, plant and equipment: Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

l) Provisions, Contingent Liabilities & Contingent Assets:

The group recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statment of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realised.

Cambridge Technology Enterprises Limited**Notes to consolidated financial statements for the year ended 31 March 2021**

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

m) Financial instruments:

Financial assets and financial liabilities are recognised when the group becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets**(i) Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the group has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) The group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

Financial liabilities and equity instruments Classification as debt or equity

Financial liabilities and equity instruments issued by the group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant

Interest bearing bank loans, overdrafts and unsecured loans are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial instruments

The group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

n) Earnings Per Share :

The basic earnings per share is computed by dividing the profit/(loss) for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit/(loss) for the year attributable to the equity shareholders and the weighted average number of the equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Cambridge Technology Enterprises Limited

Notes to consolidated financial statements for the year ended 31 March 2021

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

o) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

p) Transactions in foreign currencies:

The financial statements of the group are presented in Indian rupees (₹), which is the functional currency of the parent and the presentation currency for the financial statements.

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.

Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

q) Segment Reporting - Identification of Segments:

An operating segment is a component of the group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the group's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

r) Derivatives:

The group enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted at fair value through profit or loss and are included in profit and loss account.

s) Leases:

The Company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

As lessee:

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to Statement of profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

With effective from 1 April 2019:

As a lessee:

The Company assess whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (1) The Contract involves the use of an identified asset;
- (2) The Company has substantially all the economic benefits from use of the asset through the period of the lease and
- (3) The Company has the right to direct the use of the asset.

Cambridge Technology Enterprises Limited**Notes to consolidated financial statements for the year ended 31 March 2021**

(All amounts are in Indian rupees in thousands except per share data and where otherwise stated)

The Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the balance lease term of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset shall be separately presented in the Balance Sheet and lease payments shall be classified as financing cash flows.

As Lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

Dividend Distribution:

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

u) Rounding off amounts:

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousands as per the requirement of Schedule III, unless otherwise stated.

v) Standards issued but not yet effective:

There is no such notification which would have been applicable from April 1, 2020.

Use of estimates and critical accounting judgements:

In preparation of the financial statements, the group makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected. Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

Software services

Cambridge Technology (CT) is a global technology company focused on AI as a Service (AlaaS) to transform organizations into AI-first leaders. AI is not a one-size-fits-all solution. It needs incorporation of numerous aspects of technologies, platforms, and services tailored to meet the specific business needs. CT offers solutions ranging from strategic workshops to AlaaS implementation and elements that are required to put all of these things together. CT's offerings fit together because of its understanding towards the entire life cycle of a business.

CT's offerings include, AI, Big Data and Cloud services, Application and Develop services, IAM and Infrastructure management services. The group is confident of staying innovative amid the fastest pace of transformation with its strong focus on delivery and AI. It aims to consolidate innovation, skills and delivery for best customer value.

Trade receivables and contract balances

The group classifies the right to consideration in exchange for deliverables as receivable.

A receivable is a right to consideration that is unconditional upon passage of time. Revenue for fixed price development contracts contracts are recognized as related service are performed. Revenue for fixed price maintenance contracts is recognized on the basis of time elapsed.

Revenue recognition for fixed price development contracts is based on percentage of completion method. Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers.

Revenue recognition for fixed price maintenance contracts is based on utilisation of man power in a particular project during the period, which will be according to master service agreement or purchase order or statement of work of respective projects.

Revenue recognition for cost plus contracts is based on cost incurred towards a particular project during the period by adding the profit margin, according to master service agreement or purchase order or statement of work of respective projects.

Trade receivable are presented net of impairment in the Balance Sheet.

Performance obligations and remaining performance obligations

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Group expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the group has not disclosed the remaining performance obligation related disclosures for contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on fixed price maintenance contract basis and in cases where the performance obligation is part of a contract that has an original expected duration of one year or less. Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revaluations, adjustment for revenue that has not materialized and adjustments for currency.

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the parent is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

Note on "Code on Security, 2020"

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published

35 Financial instruments and risk management**Fair values**

a) The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

b) The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

c) The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies and interest rate curves. Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the group could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

36 Financial risk management

The group is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

(A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analyses in the following sections relate to the position as at March 31, 2020 and March 31, 2019.

The analysis exclude the impact of movements in market variables on the carrying values of financial assets and liabilities .

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2020 and 31 March, 2019.

(i) Foreign currency exchange rate risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The group's exposure to the risk of changes in foreign exchange rates relates primarily to the trade/other payables, trade/other receivables and derivative assets/liabilities. The risks primarily relate to fluctuations in US Dollars against the functional currencies of the group. The group's exposure to foreign currency changes for all other currencies is not material. The group evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The following tables demonstrate the sensitivity to a reasonably possible change in US dollar exchange rates, with all other variables held constant. The impact on the group's profit before tax is due to changes in the fair value of monetary assets and liabilities.

| | 31 March, 2021 | 31 March, 2020 |
|--|-----------------|----------------|
| | USD | USD |
| Foreign currency liabilities | | |
| Foreign currency term loan | 1,750.00 | 332.20 |
| Exposure to foreign currency risk - liabilities | 1,750.00 | 332.20 |
| Derivative liabilities - foreign exchange forward contracts | - | - |
| Net exposure to foreign currency risk - liabilities | 1,750.00 | 332.20 |

(ii) Sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments and from foreign forward exchange contracts:

| Particulars | Increase/(decrease) in profit before tax | | Increase/(decrease) in other components of equity | |
|---------------|--|----------------|---|----------------|
| | 31 March, 2021 | 31 March, 2020 | 31 March, 2021 | 31 March, 2020 |
| Change in USD | | | | |
| 1% increase | 17.50 | 3.32 | 12.63 | 2.40 |
| 1% decrease | (17.50) | (3.32) | (12.63) | (2.40) |

The movement in the pre-tax effect is a result of a change in the fair value of monetary assets and liabilities denominated in US Dollars where the functional currency of the entity is a currency other than US Dollars.

(iii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The group's exposure to the risk of changes in market interest rates relates primarily to the group's debt obligations with floating interest rates. As the group's has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the group's has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

Interest rate sensitivity

The exposure of the group's borrowing to interest rate changes at the end of the reporting period are as follows:

| Particulars | 31 March, 2021 | 31 March, 2020 |
|--------------------------|-------------------|-------------------|
| Variable rate borrowings | 117,136.00 | 77,234.24 |
| Fixed rate borrowings | 10,981.50 | 25,044.95 |
| Total | 128,117.50 | 102,279.19 |

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the group's profit before tax is affected through the impact on floating rate borrowings, as follows:

| Particulars | Increase/(decrease) in profit before tax | | Increase/(decrease) in other components of equity | |
|------------------------------|---|----------------|--|----------------|
| | 31 March, 2021 | 31 March, 2020 | 31 March, 2021 | 31 March, 2020 |
| Change in interest rate | | | | |
| increase by 100 basis points | (1,171.36) | (772.34) | (845.49) | (557.48) |
| decrease by 100 basis points | 1,171.36 | 772.34 | 845.49 | 557.48 |

The assumed increase/decrease in interest rate for sensitivity analysis is based on the currently observable market environment

(B) Credit Risk

Financial assets of the group include trade receivables, loans to wholly owned subsidiaries, employee advances, security deposits held with government authorities and others and bank deposits which represents group's maximum exposure to the credit risk.

With respect to credit exposure from customers, the group has a procedure in place aiming to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors.

The carrying amount of trade receivables, loans, advances, deposits, cash and bank balances, bank deposits and interest receivable on deposits represents group's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Bank deposits and cash balances are placed with reputable banks and deposits are with reputable government, public bodies and others. The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including default risk associate with the industry and country in which customers operate. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. With respect to other financial assets viz., loans & advances, deposits with government and banks, the credit risk is insignificant since the loans & advances are given to its wholly owned subsidiary and employees only and deposits are held with government bodies and reputable banks. The credit quality of the financial assets is satisfactory, taking into account the allowance for credit losses. Credit risk on trade receivables and other financial assets is evaluated as follows:

(i) Expected credit loss for trade receivable under simplified approach:

| Particulars | 31 March, 2021 | 31 March, 2020 |
|---|-------------------|-------------------|
| Gross carrying amount | 327,079.37 | 309,849.79 |
| Expected credit losses (Loss allowance provision) | (13,988.71) | (6,251.66) |
| Carrying amount of trade receivables | 313,090.66 | 303,598.13 |

Expected credit loss for financial assets where general model is applied

The financial assets which are exposed to credit are loans to wholly owned subsidiaries and employee advances.

(ii) Reconciliation of loss allowance provision

| Particulars | Trade receivables |
|--|-------------------|
| Loss allowance as at 1 April, 2019 | 1,034.25 |
| Changes in loss allowance during the period of 2019-20 | 5,217.41 |
| Loss allowance as at 31 March, 2020 | 6,251.66 |
| Changes in loss allowance during the period of 2020-21 | 7,737.05 |
| Loss allowance as at 31 March, 2021 | 13,988.71 |

(iii) Significant estimates and judgements

Impairment of financial assets:

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(C) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Group's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements:

The company had access to the following undrawn borrowing facilities at the end of the reporting period

| Particulars | As at | |
|--|----------------|----------------|
| | 31 March, 2021 | 31 March, 2020 |
| Expiring within one year (bank overdraft and other facilities) | 117,136.00 | 16,563.58 |

(ii) Maturities of Financial liabilities

| Total | 314,657.75 | 32,938.12 | 208,360.36 | 57,946.73 |

(iii) Management expects finance cost to be incurred for the year ending 31 March 2021 is Rs 7951.59 thousands.

37 Capital management

Capital management and Gearing Ratio

For the purpose of the group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The group monitors capital using a gearing ratio, which is debt divided by total capital. The group includes within debt, interest bearing loans and borrowings.

| Particulars | 31 March, 2021 | 31 March, 2020 |
|---|-------------------|-------------------|
| Borrowings | | |
| Current | 117,136.00 | 77,234.24 |
| Non current | 10,927.98 | 10,774.86 |
| Current maturities of long term debt | 53.52 | 14,270.09 |
| Debt | 128,117.50 | 102,279.19 |
| Equity | | |
| Equity share capital | 196,310.15 | 196,310.15 |
| Other equity | 524,403.05 | 511,827.65 |
| Money received against share warrants | 26,811.43 | 26,811.43 |
| Total capital | 747,524.63 | 734,949.23 |
| Gearing ratio in % (Debt/ capital) | 17.14% | 13.92% |

In order to achieve this overall objective, the group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2021 and 31 March, 2020.

Independent Auditor's Report

To the Members of Cambridge Technology Enterprises

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Cambridge Technology Enterprises Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2021 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, and the Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matter | Auditor's Response |
|---------|--|---|
| 1. | <p><i>Transactions with related parties - Revenue Recognition</i></p> <p>A significant part of the revenue generated during the year arose out of transactions with the wholly owned subsidiary of the Company (Note 39 to the Standalone Financial Statements). Due to the materiality involved, the revenue requires to be recognized at arms-length.</p> | <p><i>Principal Audit Procedures</i></p> <p>Our audit procedures include—</p> <ul style="list-style-type: none"> • Testing controls over sales process to related parties including application of margin based on the agreement. • Testing the supporting documentation for sales transactions including transfer pricing documentation prepared by the Company. We involved tax specialists to assess the key assumptions made by the management. • Assessing the application of the Company's transfer pricing documentation in executing business transactions. |
| 2. | <p><i>Evaluation of uncertain tax positions</i></p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant management judgment to determine the possible outcome of these disputes. Refer Note No 37 to the Standalone Financial Statements</p> | <p><i>Principal Audit Procedures</i></p> <p>Obtained details of litigations for the year ended March 31, 2021 from Holding Company's management. We have relied upon our internal experts to challenge the management's underlying assumptions in estimating the possible outcome of the disputes. Our internal team also considered the status of the disputes, legal precedence and other rulings in evaluating management's position on these matters. We have also relied on assurances and opinions provided by the various agencies, representing the company.</p> |
| 3. | <p><i>Impairment for investments in subsidiaries</i></p> <p>The Company has significant investments in subsidiaries which is recorded at cost. Impairment of investment in subsidiaries is considered as a key audit matter due to the materiality of investments. Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Directors, Management Discussion & Analysis Report and Corporate Governance Report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Emphasis of Matter

The Company has significant investments in subsidiaries. Where applicable, the downstream investments of the respective subsidiaries are expected to carry valuations that will not lead to any diminution in value of Company's investment in subsidiaries. (Refer Note 5.1 of the standalone financial statements). We have relied on the same and our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.
 - g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 37 of the Standalone financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016, (“the Order”) issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Cambridge Technology Enterprises Limited** (“the Company”) as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Company overview

Cambridge Technology Enterprises Limited (CTE), "the Company" is a public limited company incorporated in India having its registered office at Hyderabad, Telangana, India. The Company is an information technology services provider dedicated to serving the midsize market enterprises and the midsize units of Global 2000 enterprises across the spectrum of business industries. The Company was incorporated on January 28, 1999 in Hyderabad, Telangana, India.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors dated 18 May, 2021

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of Compliance:

The financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017, the relevant provisions of the Companies Act, 2013 ('the Act') and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Basis of preparation:

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

c) Revenue recognition

i) Income from Software services

Revenue is recognised upon transfer of control of services to customers in an amount that reflects the consideration which the group expects to receive in exchange for those products or services.

- Revenue from fixed price development contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.
- Revenue related to fixed price maintenance and support services contracts where the group is standing ready to provide services is recognised based on time elapsed mode.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

ii) Income from Software Products

Revenue from the sale of user licenses for software applications is recognized on transfer of the title in the user license, except in case of multiple element contracts requiring significant implementation services, where revenue is recognized as per the percentage of completion method.

iii) Other income

Interest is recognized using the time-proportion method, based on rates implicit in the transaction.

d) Borrowing Costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilized for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalization of such asset are included in the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

e) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss.

The gratuity liability is covered through a recognized Gratuity Fund managed by Life Insurance Corporation of India and the contributions made under the scheme are charged to Statement of Profit and Loss.

iv) Defined contribution plans

The company pays provident fund contributions to publicly administered funds as per local regulations. The Company has no further payment obligations once the contributions have been paid, the contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

(v) Employee Share-based payments

Stock Options are granted to eligible employees in accordance with the CTE Employee Stock Option Schemes ("CTE ESOS"), as may be decided by the Nomination & Compensation Committee. Eligible employees for this purpose include employees of the Company including Directors.

Equity-settled share-based payments to employees are measured at the fair value of the employee stock options at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is amortised over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the Statement of Profit and Loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

f) Income Taxes

Tax expense for the year comprises current and deferred tax.

Current Tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Tax relating to items recognized directly in equity or other comprehensive income is recognised in equity or other comprehensive income and not in the Statement of Profit and Loss.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they are related to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

g) Property, plant and equipment:

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Lease Hold improvements are stated at original cost including taxes, freight and other incidental expenses related to acquisition/installation and after adjustment of input taxes less accumulated depreciation in accordance with Lease hold period.

h) Expenditure during construction period:

Expenditure during construction period (including finance cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress and the same is allocated to the respective PPE on the completion of their construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

i) Depreciation

Depreciation on tangible assets is provided on the written down value method and at the useful life and in the manner specified in Schedule II of the Companies Act, 2013. For assets acquired or disposed off during the year, depreciation is provided on prorata basis.

Individual assets acquired for less than Rs.5,000/- are entirely depreciated in the year of acquisition.

Leasehold improvements are depreciated over the remaining primary period of lease.

j) Intangible Assets and Amortization:

Intangible assets are recorded at consideration paid for acquisition and other direct costs that can be directly attributed, or allocated on a reasonable and consistent basis, to creating, producing and making the asset ready for its intended use.

The amortized period and amortization method are reviewed at each financial year end.

Software used in development for projects are amortized over the license period or estimated useful life of two years, whichever is lower.

k) Impairment of Assets:

Intangible assets and property, plant and equipment: Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

l) Provisions, Contingent Liabilities & Contingent Assets:

The Company recognises provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources and reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realised.

m) Investments in Subsidiary Company:

Investments in subsidiary companies are measured at cost less impairment

Cambridge Technology Enterprises Limited

Notes to the standalone financial statements for the year ended 31st March 2021

(All amounts are in ₹ 'thousands' except per share data and where otherwise stated)

n) Financial instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in case where the company has made an irrevocable selection based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant

Interest bearing bank loans, overdrafts and unsecured loans are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may or may not be realized.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

o) Earnings Per Share :

The basic earnings per share is computed by dividing the profit/(loss) for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, profit/(loss) for the year attributable to the equity shareholders and the weighted average number of the equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

q) Transactions in foreign currencies:

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements.

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.

Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

r) Segment Reporting - Identification of Segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

s) Derivatives:

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted at fair value through profit or loss and are included in profit and loss account.

t) Leases:

The Company determines whether an arrangement contains a lease by assessing whether the fulfilment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

As lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to Statement of profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

With effective from 1 April 2019:

As a lessee:

The Company assess whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (1) The Contract involves the use of an identified asset;
- (2) The Company has substantially all the economic benefits from use of the asset through the period of the lease and
- (3) The Company has the right to direct the use of the asset.

The Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the balance lease term of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset shall be separately presented in the Balance Sheet and lease payments shall be classified as financing cash flows.

As Lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease

u) Dividend Distribution:

Dividends paid (including income tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

v) Rounding off amounts:

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousands as per the requirement of Schedule III, unless otherwise stated.

w) Standards issued but not yet effective:

There is no such notification which would have been applicable from April 1, 2021.

3 Use of estimates and critical accounting judgements:

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

Software services

Cambridge Technology (CT) is a global technology company focused on AI as a Service (AlaaS) to transform organizations into AI-first leaders. AI is not a one-size-fits-all solution. It needs incorporation of numerous aspects of technologies, platforms, and services tailored to meet the specific business needs. CT offers solutions ranging from strategic workshops to AlaaS implementation and elements that are required to put all of these things together. CT's offerings fit together because of its understanding towards the entire lifecycle of a CT's offerings include, AI, Big Data and Cloud services, Application and Devop services, IAM and Infrastructure management services. The company is confident of staying innovative amid the fastest pace of transformation with its strong focus on delivery and AI. It aims to consolidate innovation, skills and delivery for best customer value.

Trade receivables and contract balances

The company classifies the right to consideration in exchange for deliverables as receivable.

A receivable is a right to consideration that is unconditional upon passage of time. Revenue for fixed price development contracts contracts are recognized as related service are performed. Revenue for fixed price maintenance contracts is recognized on the basis of time elapsed.

Revenue recognition for fixed price development contracts is based on percentage of completion method. Invoicing to the clients is based on milestones as defined in the contract. This would result in the timing of revenue recognition being different from the timing of billing the customers.

Revenue recognition for fixed price maintenance contracts is based on utilisation of man power in a particular project during the period, which will be according to master service agreement or purchase order or statement of work of respective projects.

Revenue recognition for cost plus contracts is based on cost incurred towards a particular project during the period by adding the profit margin, according to master service agreement or purchase order or statement of work of respective projects.

Trade receivable are presented net of impairment in the Balance Sheet.

Performance obligations and remaining performance obligations

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on fixed price maintenance contract basis and in cases where the performance obligation is part of a contract that has an original expected duration of one year or less. Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revalidations, adjustment for revenue that has not materialized and adjustments for currency.

(ii) Post- employment obligations
a) Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates post retirement gratuity plan with HDFC Life Insurance. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The following table sets out the amounts recognised in the financial statements in respect of gratuity plan

iv) Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is:

| Particulars | Key assumptions | | Defined benefit obligation | | | | | |
|--------------------|-----------------|----------------|----------------------------|---------------------------|---------------------------|------|---------------------------|---------------------------|
| | | | | Increase in assumption by | Decrease in assumption by | | Increase in assumption by | Decrease in assumption by |
| | 31 March, 2021 | 31 March, 2020 | Rate | 31 March, 2021 | 31 March, 2021 | Rate | 31 March, 2020 | 31 March, 2020 |
| Discount rate | 7% | 7% | 1% | 2,770.72 | (3,288.33) | 1% | 2,387.51 | (2,835.07) |
| Salary growth rate | 7% | 7% | 1% | 86.39 | (85.09) | 1% | (2,469.51) | 2,301.02 |
| Attrition rate | 5% | 5% | 1% | (3,009.43) | 2,748.17 | 1% | 44.19 | (42.53) |

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

Note on "Code on Security, 2020"

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published

34. Financial instruments and risk management
Fair values

a) The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

b) The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

c) The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies and interest rate curves.

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

35. Financial risk management

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial

(A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analyses in the following sections relate to the position as at March 31, 2021 and March 31, 2020.

The analysis exclude the impact of movements in market variables on the carrying values of financial assets and liabilities .

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2021 and 31 March, 2020.

(i) Foreign currency exchange rate risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the trade/other payables, trade/other receivables and derivative assets/liabilities. The risks primarily relate to fluctuations in US Dollars against the functional currencies of the Company. The Company's exposure to foreign currency changes for all other currencies is not material. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The following tables demonstrate the sensitivity to a reasonably possible change in US dollar exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

| | 31 March, 2021 | 31 March, 2020 |
|--|-------------------|----------------|
| Particulars | USD | USD |
| Foreign currency assets | | |
| Trade receivables | 82.78 | 531.76 |
| Other receivables | - | - |
| Exposure to foreign currency risk - assets | 82.78 | 531.76 |
| Foreign currency liabilities | | |
| Foreign currency term loan | 1,600.00 | 332.20 |
| Exposure to foreign currency risk - liabilities | 1,600.00 | 332.20 |
| Derivative liabilities | | |
| Net exposure to foreign currency risk | (1,517.22) | 199.56 |

(ii) Sensitivity

| Particulars | Increase/(decrease) in profit before tax | | Increase/(decrease) in other components of equity | |
|---------------|--|----------------|---|----------------|
| | 31 March, 2021 | 31 March, 2020 | 31 March, 2021 | 31 March, 2020 |
| Change in USD | | | | |
| 1% increase | (15.17) | 2.00 | (10.95) | 1.44 |
| 1% decrease | 15.17 | (2.00) | 10.95 | (1.44) |

Cambridge Technology Enterprises Limited
Notes to the financial statements for the year ending 31 March 2021

(All amounts are in ₹ 'thousands' except per share data and where otherwise stated)

The movement in the pre-tax effect is a result of a change in the fair value of monetary assets and liabilities denominated in US Dollars where the functional currency of the entity is a currency other than US Dollars.

(iii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. As the Company has certain debt obligations with floating interest rates, exposure to the risk of changes in market interest rates are dependent of changes in market interest rates. Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

As the Company has no significant interest bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates.

Interest rate sensitivity

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

| Particulars | 31 March, 2021 | 31 March, 2020 |
|--------------------------|-------------------|------------------|
| Variable rate borrowings | 117,136.00 | 16,563.58 |
| Fixed rate borrowings | - | 25,044.91 |
| Total | 117,136.00 | 41,608.49 |

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

| Particulars | Increase/(decrease) in profit before tax | | Increase/(decrease) in other components of equity | |
|------------------------------|--|----------------|---|----------------|
| | 31 March, 2021 | 31 March, 2020 | 31 March, 2021 | 31 March, 2020 |
| Change in interest rate | | | | |
| increase by 100 basis points | (1,171.36) | (165.64) | (845.49) | (163.24) |
| decrease by 100 basis points | 1,171.36 | 165.64 | 845.49 | 163.24 |

The assumed increase/decrease in interest rate for sensitivity analysis is based on the currently observable market environment

(B) Credit Risk

Financial assets of the Company include trade receivables, loans to wholly owned subsidiaries, employee advances, security deposits held with government authorities and others and bank deposits which represents Company's maximum exposure to the credit risk.

With respect to credit exposure from customers, the Company has a procedure in place aiming to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors.

The carrying amount of trade receivables, loans, advances, deposits, cash and bank balances, bank deposits and interest receivable on deposits represents company's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Bank deposits and cash balances are placed with reputable banks and deposits are with reputable government, public bodies and others. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including default risk associate with the industry and country in which customers operate. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. With respect to other financial assets viz., loans & advances, deposits with government and banks, the credit risk is insignificant since the loans & advances are given to its wholly owned subsidiary and employees only and deposits are held with government bodies and reputable banks. The credit quality of the financial assets is satisfactory, taking into account the allowance for credit losses.

Credit risk on trade receivables and other financial assets is evaluated as follows:

(i) Expected credit loss for trade receivable under simplified approach:

| Particulars | 31 March, 2021 | 31 March, 2020 |
|---|------------------|------------------|
| Gross carrying amount | 19,959.98 | 55,857.67 |
| Expected credit losses (Loss allowance provision) | (505.70) | (144.59) |
| Carrying amount of trade receivables | 19,454.28 | 55,713.08 |

Expected credit loss for financial assets where general model is applied

The financial assets which are exposed to credit are loans to wholly owned subsidiaries and employee advances.

| Particulars | 31 March, 2021 | 31 March, 2020 |
|-------------------------------|--|--|
| Asset group | Estimated gross carrying amount at default | Estimated gross carrying amount at default |
| Gross carrying amount | | |
| Loans | - | 524.73 |
| Employee advances | 766.29 | 628.39 |
| | 766.29 | 1,153.12 |
| Expected credit losses | - | - |
| Net carrying amount | | |
| Loans | - | 524.73 |

(ii) Reconciliation of loss allowance provision

| Particulars | Trade receivables |
|--|-------------------|
| Loss allowance as at 1 April, 2019 | 223.36 |
| Changes in loss allowance during the period of 2019-20 | (78.77) |
| Loss allowance as at 31 March, 2020 | 144.59 |
| Changes in loss allowance during the period of 2020-21 | 361.11 |
| Loss allowance as at 31 March, 2021 | 505.70 |

(iii) Significant estimates and judgements

Impairment of financial assets:

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(C) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Company's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

(i) Financing arrangements:

The company had access to the following undrawn borrowing facilities at the end of the reporting period

| Particulars | As at | As at |

| Total | 166,171.29 | 20,551.56 | 91,787.08 | 52,207.34 |

(iii) Management expects finance cost to be incurred for the year ending 31 March 2022 is Rs 3514.08 thousands.

36. Capital management

Capital management and Gearing Ratio

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is debt divided by total capital. The Company includes within debt, interest bearing loans and borrowings.

| Particulars | As at 31 March, 2021 | As at 31 March, 2020 |
|---|-------------------------|-------------------------|
| Borrowings | | |
| Current | 117,136.00 | 16,563.58 |
| Non current | - | 10,774.86 |
| Current maturities of long term debt | - | 14,270.05 |
| Debt | 117,136.00 | 41,608.49 |
| Equity | | |
| Equity share capital | 196,310.15 | 196,310.15 |
| Other equity | 180,464.77 | 157,315.13 |
| Money received against share warrants | 26,811.43 | 26,811.43 |
| Total capital | 403,586.35 | 380,436.71 |
| Gearing ratio in % (Debt/ capital) | 29.02% | 10.94% |

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2021 and 31 March, 2020.

Minimum Remuneration: Where in any Financial Year during the tenure of Mr. Dharani Raghurama Swaroop, Whole – time Director, the Company has no profits or its profits are inadequate, he shall be eligible to receive remuneration as set out above, as the minimum remuneration notwithstanding that such remuneration may exceed the limits specified under Section 197 and Schedule V of the Companies Act, 2013.

Out of abundant caution and in view of the relevant extant provisions of law relating to managerial remuneration, the Company is complying with the provisions of Section II of Part II of Schedule V of the Companies Act, 2013 which prescribes that in case of no profits or inadequate profits, the Company may pay remuneration to its managerial personnel within the limits arrived at in accordance with the requirements of the said section II, subject to the following.

- (i) Payment of remuneration is approved by a resolution passed by the Board and, in the case of a company covered under sub-section (1) of section 178 also by the Nomination and Remuneration Committee;

(ii) The company has not committed any default in payment of dues to any bank or public financial institution or non-convertible debenture holders or any other secured creditor.

(iii) An ordinary resolution or a special resolution, as the case may be, has been passed for payment of remuneration as per item (A) or a special resolution has been passed for payment of remuneration as per item (B), at the general meeting of the company for a period not exceeding three years.

The Company may also pay remuneration in excess of limits specified in Part A of Section II of Part II of Schedule V to the Companies Act, 2013 if the resolution passed by the shareholders is a special resolution.

The Board of Directors, and the Nomination and Remuneration Committee of the Company, at its meeting held on August 27, 2021, has approved the proposal to revise the salary (as stated above) of Mr. Dharani Raghurama Swaroop, Whole Time Director. Also, the Company has not made any default in payment of dues to any bank or public financial institution or any other secured creditor.

Except for the aforesaid revision in remuneration, all other terms and conditions of his appointment as Whole Time Director of the Company as approved by the members of the Company in its meeting dated September 28, 2018 shall remain unchanged. The proposed revision in remuneration, as stated above is well in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act and hence approval of Central Government is not required for the above revision in remuneration. The remuneration payable to Mr. Swaroop is commensurate with his duties and responsibilities as the Whole Time Director of the Company. The special resolution proposed to be passed is pursuant to Clause (iii) of Section II of Part II of Schedule V to the Companies Act, 2013 and also an enabling resolution, permitting the Company to pay the remuneration to Mr. Swaroop even during absence or inadequacy of profits in any financial year, in compliance with Section 197 read with Schedule V to the Companies Act, 2013. Therefore, the Special Resolution at Item No. 6 is placed before the members for their approval.

Considering Mr. Swaroop's experience in IT industry, and the trend in the industry, the terms of his remuneration are considered to be fair, just and reasonable and are commended for your approval.

Except Mr. Dharani Raghurama Swaroop and their relatives to the extent of their shareholding interest, if any, in the Company for Item No. 6, none of the other Directors/Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the resolutions set out in Item No. 6. The information as required to be disclosed as per the provisions of Part II Section II(b)(iv) of Schedule V of the Companies Act, 2013 and Clause 1.2.5 of the Secretarial Standard 2 as issued by the Institute of Company Secretaries of India is given below in respect of Mr. Dharani Raghurama Swaroop. The Board of Directors, based on the recommendation of Nomination & Remuneration Committee, recommends the Special Resolution set out at Item No. 6 of the Notice for the approval of the Members.
