So far...And beyond

SEPTEMBER 2025

Certain statements in this presentation concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in BPS market including those factors which may affect our cost advantage, wage increases, our ability to attract and retain highly skilled professionals, time and cost overruns on client contracts, client concentration, our ability to manage ramp-ups and growth, our ability to manage our international operations, reduced demand in our key focus verticals, disruptions in telecom infrastructure and technology, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, performance of our subsidiaries, withdrawal of government fiscal incentives, political instability, legal restrictions on raising capital and acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our industry. Firstsource may, from time to time, make additional written and oral forward-looking statements, including our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.

Looking beyond...
Leading in the unBPO™ world

Geopolitical

- Rise of **nationalistic policies, tariffs and trade barriers**
- Growing client demand for closer **cultural & time zone alignment**

Technological

- Accelerated **pace of technology innovation**
- Diminishing **barriers to access**

- Integrated workforce of **digital and human employees**

Leading in the unBPO™ world

Traditional business model is at risk

Traditional BPO Approach

Front, middle and back-office tasks with defined boundaries

Labor arbitrage/global delivery are the key assets

Labor-based resourcing model; focus on pyramid optimization

Shared service delivery models; one size fits all

Location dispersion driving competitive differentiation

Hierarchical org. structure; generational workforce

Traditional L&D; traditional incentive structures

Leverage AI for point solutions and drive productivity

Use partners to fill technology gaps

Linear revenue model

The UnBPO™ Mindset

'Service-as-a-software'; boundaries between process and IT blurring

'Technology arbitrage' not just for cost, but for leverage

Skill-based resourcing; full/part time, gig, and agentic workforce

'Fit-for-purpose' technology contextualized for deep domain

Location dispersion is 'location debt'; AI centers of excellence

Cross-functional structure; distributed decision-making

Personalized skilling and reskilling; Retooled incentive structures

AI-at-the-core with human-in-the-loop

Orchestration of specialized partners integrated into the operating model

Disruptive growth with non-linear commercial models

In summary...

We see potential to grow at an **accelerated** pace over the medium term...

- ⌚ Discontinuities caused by macro and technology shifts are creating market opportunities
- ⌚ We are disrupting the traditional business model with the UnBPO™ playbook
- ⌚ Our 'right' scale gives us an advantage

...Helped by our unique **differentiators**...

- ⌚ Roster of long-standing relationships with quality clients with large spend
- ⌚ Recognized market leadership in our chosen domains
- ⌚ Bring technology and AI induced capabilities to solve clients' business problems

...And driven by the **OneFirstsource** playbook...

- ⌚ Focus on account mining and expanding capabilities
- ⌚ Steady upward movement in client numbers across revenue buckets
- ⌚ Speed-to-market, clear accountability and improved market visibility are key imperatives

...Even as we remain focused on **execution** in the near term

- ⌚ Four large deal wins in Q1FY26; at-least three every quarter since Q1FY25
- ⌚ 17 new logo added in Q1FY26, highest quarterly addition in last three years
- ⌚ FY26 revenue growth guidance at the top decile of the peer group
