Investor Presentation – November 2025
Camlin Fine Sciences Limited

This presentation and the accompanying slides (the “Presentation”), which have been prepared by **Camlin Fine Sciences Limited** (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward looking statements concerning the Company’s future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the Company.

**Q2 & H1FY26
Performance Highlights**

Q2 & H1FY26 Operational Highlights

Revenue (Rs. In Mn)

EBITDA (Rs. In Mn)

EBITDA Margin %

PAT (Rs. In Mn)

Continued Operation

Discontinued Operation

From Continuing Operations

- Revenue in the quarter improves to Rs. 4,598 mn, a growth of 8.6%
- Revenue for Speciality Ingredients Straights grew, however demand remains sluggish with local competition on the horizon
- Blends business witnessed steady growth in key markets with impressive growth in CFS Vitafor
- Vanillin revenue grew by 41% despite channel stocks and tariff impact, however the realization were lower than expected which impacted the margins
- Employee cost increase due to emphasis on strengthening of Blends marketing team in key geographies which will bear fruit in the coming quarters
- Consequentially, adjusted EBITDA increased to Rs. 334 mn in the quarter from Rs. 190 mn in last quarter
- EBITDA margin stood at 7.3% in Q2FY26 (4.5% in Q1FY26)
- Losses of discontinued operations are as expected
- Substantial reduction in losses (before taxes) from continued business from Rs 43 mn to Rs 1mn
- Net Debt remains under control at Rs. 5,197 mn
- Outlook for remaining Financial Year
 - Blends business to grow at higher pace fueled by strong marketing team, deeper market penetration, encouraging orderbook visibility and Inorganic acquisition
 - Volume of Vanillin will remain on a growth path with margin improvement on tariff situation

Powered by Vertical Integration

- Efforts in both organic and inorganic expansions, showcases company's commitment to fortifying position in the market
- Strategic focus on captive consumption ensures utilization of raw materials for downstream products
- Strategic forward integration into Blends and Vanillin swings company's business model to high-value additives / solutions

Process Optimization Initiatives

- **Vanillin Production Optimization:** Continuous improvement at Dahej plant, refining processes and setting a future - oriented strategic direction
- **Animal Nutrition:** Dedicated to the continuous improvement and development of products using technical expertise of CS Dresen and customizing products to suit the market needs, anticipated for the upcoming year
- **Quality Enhancements:** Focused on Analytical and Quality Enhancements through Instrumental Analysis and Method Development, which play critical roles in ensuring the integrity and efficacy of our products

Product Development:

- **High-Quality Hydroquinone:** Developed a high-quality specialized grade for Hydroquinone, leading to the crucial phase of conducting plant trials
- **Catechol Downstream Products:** Development of new downstream products in progress
- **Antioxidant Innovations:** Continuous development and enhancement of quality antioxidants, tailored specifically for discerning customers. These products have smoothly transitioned from R&D to full scale production and have already made market debut
- **Naturals & Emulsifiers:** Newest offerings include emulsifier-based ingredients designed to enhance texture, consistency, mouthfeel, appearance, process efficiency and yield for diverse range of food industry applications
- **Upcoming Products:** FY26 will see the commercialization of many new speciality ingredients.

Environment

- **Main goal by 2030 is to switch to renewable electricity for all manufacturing facilities.** Currently, company is exploring different options to achieve this goal
- Dedicated to sustainability and done few initiatives from reducing food waste to sourcing clean energy
- Constantly seeking new ways to promote eco-friendliness
- Specifically target food segments that require improved shelf life
- Offer solutions for improving nutrition, health, and hygiene in livestock, resulting in enhanced Food Conversion Ratio (FCR) and overall animal performance

Social

- Supported organizations such as Akhil Bharatiya Vanavasi Kalyan Ashram & Institute of Chemical Technology to improve quality of life and sustain humanity
- Employee Wellness Initiatives to provides nutritionist consulting, diet planning, gym access, and frequent health monitoring to boost employee wellness

Governance

- Have a Governance Board that comprises highly skilled and visionary leaders from diverse backgrounds, bringing a wealth of technical and business expertise to the table
- Actively participate in brainstorming sessions with the aim of formulating comprehensive strategies and policies

Board Of Directors

Ashish Dandekar
**Chairman &
Managing Director**

- › Over three decades of experience in pharmaceuticals and specialty chemical products including business planning, information systems, research & development, product development, and marketing
- › Holds a BA in Economics and Management studies from Temple University, USA

Nirmal Momaya
Managing Director

- › Qualified Chartered Accountant with over three decades of experience in finance, taxation, audit, and management consultancy
- › He has been instrumental in providing strategic guidance & direction to the company on all significant business matters
