Financial Highlights: -

For the quarter ended June 30th, 2025:

- Revenue grew from **Rs. 732.18 Crores** to **Rs. 745.34 Crores** on a QoQ basis, which is an increase of **1.80%** due to slight increase in sales volume, while stood at **Rs. 745.34 crores** against Rs. 781.13 crores in Q1 FY25. This decline was largely attributable to a lower raw material and average selling prices. On an overall basis, volumes remained stable, as a result of healthy underlying demand and consistently high levels of plant utilisation.
- EBITDA for the quarter is **Rs. 69.56 crores** as against Rs. 68.36 crores in Q4 FY 25 with margins being stable at **9.33%**
- PAT stood at **Rs. 40.43 crores** with margins at **5.42%**

Commenting on the result, **Mr Paresh Dattani, Chairman & Managing Director, Sanathan Textiles Ltd.** said, *"We are pleased to report a stable operational performance for Q1 FY26, underscored by steady sales volumes while EBITDA margins in Q1 have improved (9.33%) compared to the Annualised EBITDA margins for FY25 (8.76%) and we are hoping the EBITDA margins to improve going further.*

Looking ahead, the key growth catalyst for Sanathan Textiles is the imminent commissioning of

our greenfield manufacturing facility in Punjab.

*The Punjab plant marks a major leap in our transformation journey. With a total installed capacity of **3.46 lakh MTPA** to be added in two phases, this expansion will **more than double** our polyester filament yarn capacity from **2.00 lakh MTPA to 5.47 lakh MTPA**. The facility is built on an 80-acre freehold parcel and designed for scale, speed, and sustainable manufacturing.*

Its strategic location in North India will enable us to serve textile hubs in the region with greater speed and efficiency, reduce logistics costs and lead times, and drive better operating leverage and long-term cost efficiencies. This expansion will also allow us to deepen our engagement with customers in high-growth segments.

We remain confident that the Punjab facility will unlock the next phase of growth, margin improvement, and long-term value creation for our stakeholders.

We thank our shareholders, partners, and employees for their continued trust and support as we move forward with disciplined execution and a future-ready mindset.”
