Forward Looking Statements

Certain statements in this annual report concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, our actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind.

We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

MILLION SQ.FT. DELIVERED

Giving shape to so many dreams and aspirations is indeed a source of great pleasure, contentment and fulfillment. The journey of Omaxe appropriately resonates this thought in totality. The genesis of Omaxe started way back in 1987, and the Company had a single minded proposition which was to create positive spaces. The Company ventured with vigor to fulfill its cherished aspirations. These aspirations, through relentless pursuit of excellence, have today translated into delivering 100 million Sq. Ft. of realty, since the Company's inception. This is a very satisfying accomplishment to have delivered 21,245 housing units and indicates an amazing business journey in real estate development. The progressive Company made dreams turn into reality across 8 states and 27 cities, by delivering high quality residential and commercial spaces.

Omaxe believes that crossing 100 million Sq. Ft. is another milestone in its exciting journey and will be an inspiration to conquer many more milestones in the future. The Company would like to express its gratitude to its customers and stakeholders for their valuable contribution in making the company 100 million Sq.Ft. strong.

MILLION SQ.FT. OF BRINGING SMILES, SATISFACTION AND FULFILLMENT

Since its inception, Omaxe has been at the forefront of delivering innovative and value added spaces for diverse requirements; for an entire cross section of customers; across diverse geographies; for varying customer segments.

Omaxe is one of the pioneers in taking the promising real estate growth story to Tier II & III cities and towns. The overwhelming trust and confidence shown by its customers helped Omaxe in expanding and entrenching its footprints in these cities and towns. Today, Omaxe has an unmatched presence and delivery track record in Tier II & III segment. Omaxe was keen to replicate metro-like experience in these cities across residential, shopping and commercial avenues and is proud to have contributed towards bringing a world-class lifestyle dimension to the cities like New Chandigarh, Indore, Lucknow and Faridabad among others. During FY16 alone, out of the total 6 Mn Sq Ft of delivered area, 4.6 Mn Sq Ft area was delivered in Tier II & III Cities by the Company.

The varied product offerings by the Company suit discerning customers, across the economic strata of the country. This has truly helped Omaxe in fulfilling dreams of a large cross section of the society.

Omaxe also takes pride in being a prominent player in the affordable segment. On the other hand Omaxe has also proven its design, quality and timely delivery attributes in the premium residential segment as well. Today, the Company's upscale projects are seen as milestones in the real estate sector. Projects like The Nile (Gurgaon), The Forest (Noida), The Forest Spa (Faridabad), Omaxe Twin Towers (Noida), Omaxe Royal Residency (Ludhiana) and many others are the testimony to the fact that Omaxe delivers across India's discerning aspirations.

The Company believes in delivering quality habitats for total customer satisfaction and smiles.

MILLION SQ.FT. OF ADDING GROWTH, STABILITY & SUSTENANCE

The real estate sector is going through a challenging phase for the past few years. Even today, when economy is picking momentum, real estate sector has been bearing the brunt of a slowdown. There seems to be a sense of distrust and lack of transparency for the real estate sector. Omaxe, on the other side, firmly believes in the principal of delivering quality projects and on time. Today, possibly, delivery on commitments has emerged as the single most important consideration which will enable the growth and sustenance of the entire real estate sector. The real estate sector in general will do well if they follow a famous quote 'A happy customer is the best business strategy of all'. Having said that, by delivering 100 million Sq. Ft. of spaces, Omaxe has established its commitment to delivery.

Delivering on commitments as a strategy has worked well for Omaxe. Over the past 8 years, the Company's CAGR in terms revenue and Net Profit are 10% and 7% respectively, thereby substantiating the success of our execution strategy. During FY16, another year marked with slow down for real estate sector, Omaxe recorded 17% growth in turnover from ₹1,431 Cr. in FY15 to ₹1,668 Cr. in FY16. Although, the Company's EBITDA growth was 3% in FY16 over FY15, Omaxe managed to clock a 30% growth in Net Profits.

Going forward, Indian economy is likely to continue on its steady growth trajectory which will present substantial growth opportunities for the sector. Having said that, challenges, too, will remain. These challenges will test the mettle of the Real Estate Sector. On one hand, big transformation in the sector's direct and indirect regulatory framework is soon going to bring the desired trust, transparency, level playing field and fair play dynamics while causing some discomfort in the short run. The passage of Real Estate Regulation Act (RERA) is likely to bring the industry to a platform where delivery, compliance and transparency are going to prevail as central to core of business operations. The Government's growth inducing programs like 'Housing for all by 2022', '100 Smart Cities', Atal Mission for Rejuvenation and Urban Transformation' and others, are likely to expand the opportunities across industries, real estate in particular.

From here on real estate sector will realize, that the key to growth and sustenance is going to be delivery. The 100 million Sq. Ft. of achievement in delivery, positions Omaxe favorably and gives it the desired confidence to add growth, stability and sustenance to brand Omaxe.

“

“DURING OUR JOURNEY SINCE INCEPTION, WE HAVE NEVER COMPROMISED ON THE KEY PRINCIPLES OF TRANSPARENCY, QUALITY AND TIMELY DELIVERY. DRIVEN BY THESE CHERISHED PRINCIPLES, WE HAVE KEPT OUR FLAG FLYING HIGH WITH PRIDE AND SENSE OF PURPOSE AT ALL TIMES.”

”

Dear Shareholders,

It is my pleasure to announce that Omaxe has crossed an important milestone of delivering 100 million sq. ft. area in FY16. It's an accomplishment that I would like to dedicate to our customers, whose trust has kept egging our spirits and performance high, all these years. I would also like to thank Team Omaxe which includes our employees, suppliers and associates for their invaluable contribution and relentless efforts to strive for the best. During our journey since inception, we have never compromised on the key principles of transparency, quality and timely delivery. Driven by these cherished principles, we have kept our flag flying high with pride and sense of purpose at all times.

Today, as Indian economy has retained its luster amongst the major world economies, the real-estate sector has also played its role in the nation building process. The last couple of years have been challenging, as the sector is battling a perception of distrust, primarily on account of delay in delivering projects.

At Omaxe, we have managed to withstand this perception, as we have delivered most of our projects as per our commitments and timeline promised at the beginning of the project. We continue to enjoy utmost trust and sterling confidence of our customers due to our dedicated customer-centric values and services. The sector in tandem with the government must take some corrective measures, which can help rebuild the lost trust and the confidence.

The recent passage of much awaited RERA Bill could be a step in that direction. The bill was long overdue and it is expected to bring a lot of transparency and in the process will help the sector in getting its mojo back. Post witnessing an extended phase of slowdown, the sector needs some measures like quicker and fewer approvals via a single window. During FY16, the Reserve Bank of India softened the policy rates by 75 basis points; however scheduled commercial banks have failed to pass the entire benefits to the end users. We hope that the Government and RBI will work towards extending these benefits to the industry sectors, including real estate.

During the year, your Company delivered a total of 6 million sq. ft. of area, up from 5 million sq. ft. in FY15. This stands testimony that execution at Omaxe is a strategy and ongoing process, not a mere action. Our successful strategy of pioneering the development in Tier II and III cities and towns has kept our promise of adding to our performance year by year.

During the year under review, New Chandigarh, Indore and Lucknow alone contributed 3.84 million Sq. Ft. to the total delivered area. During FY16, our new launches were spread across Lucknow, New Chandigarh, Allahabad, Ludhiana, Faridabad, Indore, Bhatinda and Vrindavan, contributing 2.69 million Sq. Ft. and ₹ 904 Cr to total area sold and realizations, respectively. During FY16, our turnover grew impressively by 17% to reach ₹1,668 Cr. from ₹1,431 Cr. in FY15. Our EBITDA grew by 3%, from ₹268 Cr. in FY15 to ₹276 Cr. in FY16. Our Net Profit registered a strong growth of 30%, from ₹60 Cr. in FY15 to ₹78 Cr. in FY16. In view of this performance, the Board of Directors has recommended 7% dividend for FY16.

Looking ahead, we see the horizon of our opportunities expanding at fast pace. The present Government's persistent efforts to revive growth through policy and program measures is expected to present a host of opportunities for real estate sector. 'Housing for All by 2022', Atal Mission for Rejuvenation and Urban Transformation (AMRUT), '100 Smart Cities', 'National Urban Housing Mission' and other such programs will be gainful for all concerned in the sector. Your Company's strengths, spanning across diversified portfolio, strategic project locations, long standing lineage and clear vision are going to position us with a winning edge.

Once again I would like to extend my warm wishes and thanks to our investors, bankers, partners, suppliers, employees and customers for their trust and support. I look forward to renewed engagement from all our stakeholders as we move ahead to achieve our ambitious dreams in the future, together.

Best regards,

Rohtas Goel

MANAGEMENT DISCUSSION & ANALYSIS

GLOBAL ECONOMY

Despite lower crude prices and accommodative monetary policy in the most of the advanced economies, global economic activity has been sluggish. World trade continues to remain subdued due to falling import demand from Emerging Market Economies (EMEs) and stress in mining and extractive industries. The downside risks in some advanced economies (AEs) have eased and a modest recovery is likely to continue during 2016. In US, overall activity remains resilient mainly on account of still-easy financial conditions and strengthening of housing and labor markets, but flagging exports proved to be a drag in Q4 (2015) and clouds the near-term outlook as well. In the Euro zone, aggressive monetary policy accommodation accompanied by lower energy prices supported economic activities in 2015 and is likely to continue in 2016 too.

However, the global growth in 2016 will depend on how economies of China, Japan, Brazil, Russia and some Middle East countries shape up. Though, Japan managed to escape recession in Q4 of 2015, the economy slowed in Q1 of 2016. In China, notwithstanding fiscal and monetary stimulus, falling exports, sluggish industrial production and excess capacities continue to remain as significant challenges. However, the silver lining could be growth in emerging market and developing economies. According to IMF, the growth in emerging market and developing economies is projected to increase from 4 percent in 2015 to 4.3 percent in 2016. IMF forecasts a gradual improvement of growth rates in countries currently in economic distress, notably Brazil, Russia, and some countries in the Middle East. Overall, the global economy is projected to grow at 3.4 percent in 2016 as compared to 3.1 percent in 2015.

INDIAN ECONOMY

Amid a challenging global economic environment, the Indian economy grew at a robust growth rate of 7.6% in FY 2015-16 (*Source: Central Statistics Office*). As such, Indian economy continues to grow at highest pace among all major economies. The other comforting factor has been that despite second successive monsoon deficit, inflation has remained as per the projection of the Reserve Bank of India, which has helped the

apex bank in reducing the policy rates by 75 basis points in 2015-16. With government sticking to fiscal deficit target of 3.5% for 2016-17, there may be further scope for lowering of policy rates, provided inflation remains subdued. However, the spike in prices of select food items, particularly pulses is a cause for worry for short and medium term.

The government has passed a few bills and has showed its intent for passage of some other bills. It has also relaxed Foreign Direct Investment (FDI) norms in some crucial sectors including Defense, Food processing and E-commerce, which has resulted in highest ever net inflows to the tune of \$36 billion in FDI during 2015-16. Government is also making efforts to ensure success of its flagship program like 'Make in India', 'Startup India' and 'Smart Cities' among others.

However, not all is well with the economy. Corporate earnings continue to remain muted. Some of the sectors like commodities and mining are not in a very healthy shape. As a result the domestic financial institutions are under tremendous stress and NPA problem is getting bigger every passing quarter. Even the private sector banks are now feeling the heat, with increased provisioning for bad loans. The investments cycle is not showing any signs of pick up and hence, it is paramount that government should undertake urgent measures to improve business confidence and investments thereof, particularly in sectors which generate employment opportunity. Construction sector which accounts for highest number of employment after agriculture along with manufacturing sector requires attention on priority.

Real Estate Sector

The real estate sector accounts for a significant share of India's overall GDP, but the sector continues to face challenges of its own. From land acquisition to raising funds to getting approvals, the sector faces major challenges at every step.

However, some positive developments have taken place in the last few months which includes the passage of Real Estate (Regulation and Development) Act, popularly known as 'RERA' by the Parliament. It is largely expected to bring transparency in the real estate sector, which will benefit not just the end users but also the sector itself. Besides, the

| India Trade Tower, New Chandigarh (Actual Picture)

government has also relaxed FDI norms for the construction sector and has also scrapped Dividend Distribution Tax on Real Estate Investment Trusts (REITs) in the budget for 2016-17. It is expected to result in an additional funding mechanism to the sector and at the same time would provide an opportunity to both individuals and institutions to invest in leased offices and retail assets.

There are indications that the worse might be over for the sector as the sentiments are now turning positive. According to a Knight Frank and FICCI study, after a gap of five quarters, the real estate sentiments have improved in the Q1 of 2016. While the current sentiment has just breached the 50 mark, the future sentiment score jumped up to 67 - a nine points rise compared to the last quarter, indicating a revival in stakeholder sentiments.

Further, the private equity investment in the real estate sector is also on the rise. According to Cushman and Wakefield, the PE investments have grown at over 30% compound annual growth rate (CAGR) since 2010. The period between 2010 and 2015 received USD 10.8 billion in PE investment, of which 60% (USD 6.5 billion) of the investments were made during the last two years. In 2015 alone, real estate sector has bagged investments worth USD 3.96 billion, the highest ever in a single calendar year.

Residential

Over the last decade or so, residential housing segment has taken rapid strides and it is tier II and III cities which has attracted many developers to its fold. But despite the increased activity, the urban housing shortage in India is nearly 19 million units, majority of which is in Lower Income Group (LIG) and Economically Weaker Section (EWS). (Source: KPMG Report).

However, despite the shortage, the Indian residential sector has been witnessing muted demand. As per real estate consultant, Jones Lang LaSalle (JLL), the overall residential sales were down in FY 2015-16 compared to FY 2014-15. As per recent data, 1,58,211 units were sold in FY 2015-16 vs. 1,61,875 units sold in FY 2014-15, which is a drop of 2.2%. However, a positive twist to this otherwise grim situation is the rise in sales in Q1CY2016. This quarter saw a sale of 42,521 units compared to 39,001 units sold in Q4CY2015 – an increase of 9% (Source JLL).

With RERA a reality now, it is expected to improve sentiments and confidence in the real estate sector and residential segment may be its biggest beneficiary. Also, the improving regulatory environment in the real estate sector, coupled with progressive Government schemes like Smart Cities, AMRUT and 'Housing for All by 2022', are beginning to have a positive influence.

Additionally factoring in banks' passing on of interest rate cut benefits to the ultimate consumers, the residential sector should be set for rebooted growth. Various additional factors point towards a more positive sentiment for the sector, including the stimulus that the recent Union Budget provided to both the supply and demand sides, improved funding for the industry and the clearing of roadblocks on REITs.

Commercial

The commercial real estate witnessed some green shoots during 2014-15 and the momentum has continued in 2015-16 mainly led by corporate expansion and consolidation. According to the report by Colliers, absorption of about 40.21 million sq ft office space was recorded across India's eight major cities. This was about 15% more than the absorption in 2014. New construction continued to trend upwards, reaching nearly 32 million sq ft in 2015, up from 24 million sq ft in 2014.

Further, a study conducted by FICCI and Knight Frank also observes that the stakeholders are quite optimistic about the office market, especially in terms of leasing volumes and rental appreciation. With the government announcing 100% Foreign Direct Investment in e-commerce marketplace, demand for office space is likely to witness an upsurge. According to the study, nearly 73% of the respondents expect the leasing volume to improve in the coming six months. Amid limited office supply and firming leasing volumes, the office space rental appreciation rate is likely to be better in the next six months.

Opportunities

The real estate sector is passing through a challenging time, but there are signs that the sector will soon be reviving. The RERA Bill would bring a lot of transparency and confidence in the sector which in turn

| Omaxe Residency, Lucknow (Actual Picture)

is likely to benefit the sector particularly in tier II and III cities like New Chandigarh, Lucknow and Ludhiana among others as these are generally end-user driven. Also, with inflation continuing to remain as per the RBI projection, the apex bank is expected to reduce interest rates further over the coming few quarters, which should help in reviving the demand, particularly in the affordable segment. Government's focus on 'Housing for All' by 2022 and 'Smart City' project is also likely to supplement the demand for both residential properties as well as commercial properties, thus, benefitting the sector immensely.

Threats, risks and concerns

While the Indian economy is likely to remain as the shining star among all major economies, any threats, risks and concerns will mainly arise from developments in global economies. There are signs that Japan may slip into recession and if the Chinese economy which is already slowing down, slows down further, it will have a major repercussion around the world. Prices of Crude oil, which accounts for a major chunk of India's total import has increased in 2016 and if the trend continues, the country's balance of payment may come under pressure. It will also inflate the subsidy bill of the government and will add to the overall inflationary pressure which in turn will restrict any further scope of policy rate cut by the Reserve Bank of India. Needless to say, as real-estate is an interest sensitive sector, it will adversely impact the revival of the sector.

Business Operations

Omaxe Limited has diversified into various regions of the country over the last two decades. At present, Omaxe is a leading real estate player in several states including Delhi-NCR, Haryana, Madhya Pradesh, Punjab, Rajasthan and Uttar Pradesh, among others. The company also caters to the needs of a large section of home buyers including High Network Individuals (HNIs), middle-income group and even lower income group. This has enabled Omaxe to understand the market dynamics much better and remain competitive, thus maintaining a healthy topline and bottom line. As on March 31, 2016, Omaxe has delivered 69.2 million sq. ft. in real estate and 31.8 million sq. ft. in construction contracting. As of March

31, 2016, the area under development in real estate stands at 70 million sq. ft. spanning across 39 projects. The Net Worth of the company stands at ₹22,900 million as on March 31, 2016.

As a conscious strategic decision, Omaxe over the last decade or so has been focusing on Tier II and III cities which include the likes of Lucknow, New Chandigarh, Allahabad, Indore and Faridabad among others. As a result, during 2015-16, Omaxe sold 4.89 million sq. ft. of space worth ₹16,480 million. The average realization for the year ended March 31, 2016 is ₹3,372 per sq. ft. as compared to ₹3,477 in 2014-15, thereby registering a decline of 3 per cent. New bookings, both in residential and commercial segment, were primarily witnessed at Lucknow, New Chandigarh, Faridabad and Allahabad, amongst other locations.

New Launches and Sales during FY16

During 2015-16, Omaxe focused on delivery of its existing/ongoing projects, and also launched new projects in 8 cities spread across 4 states. During the same time the Company ensured that all new launches are different from each other and as such cater to the requirement of different income groups. The strategy has worked for the company and it has managed to sell a total area of 2.69 million sq. ft. amounting to ₹9,040 million from new launches alone. Of the new launches, residential accounted for 97% and the balance 3% are commercial launches.

Of the total sales of 4.89 million sq. ft. during FY16, amounting to ₹16,480 million at an average realization of ₹3,372 per sq. ft., the residential sales accounted for 3.74 million sq. ft. and the balance is commercial at 1.15 million sq. ft. The total realization from residential sales stood at ₹12,640 million and ₹3,840 million from commercial.

During the year the Company launched floors in New Chandigarh and sold an area of 0.49 million sq. ft. This is followed by launch of group housing in Lucknow comprising of an area of 1.32 million sq. ft. Allahabad also witnessed the launch of group housing and sold an area of 0.53 million sq. ft. Other launches included group housing in Ludhiana (area sold 0.16 million sq. ft.) and plots in Bhatinda (area sold 0.08 million sq. ft.).

Financial Performance

Amid not so conducive market conditions, the Company's diversified offerings particularly in New Chandigarh and Lucknow helped it in boosting the sales in these regions and overall as well. As compared to 2014-15, the average realization was marginally lower by ~ 3 per cent in 2015-16. Built area accounted for larger per cent of overall sales as compared to plots. The commercial spaces also contributed to substantial sales.

Total Income from Operations: The total income of the company on a consolidated basis during FY2015-16 stood at ₹16,677 million, up 17 per cent as compared to the same period of FY 15. Major chunk of revenues came from projects located in New Chandigarh, Lucknow, Ludhiana, Faridabad and Vrindavan among others.

EBIDTA: For 2015-16 EBIDTA stood at ₹2,764 Mio vis-à-vis ₹2,681 Mio in the corresponding period of 2014-15. EBIDTA margins for the year stood at 16.57 per cent vis-à-vis 18.74 per cent for previous financial year.

Profit before tax: The profit before tax for 2015-16 stood at ₹1,354 Mio as compared to ₹1,102 Mio in 2014-15. PBT margin for 2015-16 stood at 8.12 per cent in comparison to 7.70 per cent a year ago mainly driven by higher/lower employee cost and other cost.

Profit after tax: Profit after tax for 2015-16 stood at ₹784 Mio as against ₹601 Mio in 2014-15, up by 30 per cent. PAT margin stood at 4.7% versus 4.2%.

The tax expense provided in 2015-16 is ₹572 Mio (42.2% of the PBT level) as compared to ₹503 Mio during 2014-15.

The Company's **Net Worth** as on March 31, 2016 stood ₹22,900 Mio. As of March 31, 2016, the gross debt equity ratio of the company stood at 0.57, while the net debt equity ratio for the company stood at 0.46. Gross Debt for FY16 stood at ₹13,060 Mio, while the Net Debt stood at ₹10,700 Mio.

Key Strategies:

Strategic land Acquisitions: Omaxe has been one of the first companies that ventured into tier II and III markets. The early foray has worked for us as we have managed to acquire land parcels at strategic locations at comparative lower prices as compared to late entrants. This has also enabled us to offer affordable projects and diversify much in line with our vision. With ever increasing focus on regions outside the metros, our projects are well placed to command a premium. Today, the company continues to acquire land for future use in important cities that are foreseen to be important. At the same time, we have also been disposing off lands with so that we concentrate and focus on key regions.

Focus on Customers: It is hallmark of a maturing economy that consumers are the kings. At Omaxe, we always believe that a consumer's interest is paramount. Accordingly, we have always strived for offering best of services to our esteemed consumers. Over the years, we have made concentrated efforts to provide the best of post-sales services, our grievance redressal mechanism is robust and we try to reach out to our consumers both through offline and online means.

Emphasis on tier II and III cities: We realized the potential of tier II and III market much earlier than most other companies and as such we are in a position to harness this to our advantage. Besides, due to quality and committed delivery schedule over the years, we enjoy excellent reputation with our customers in tier II and III cities. Further, the customers in these cities realize the safety of their investment with a reputed listed entity rather than any other local builders. Our endeavor is to utilize this advantage to the fullest. Besides, identifying future growth markets is a continuous process and we shall continue to look for growth opportunities in North and Central India.

Committed delivery and superior quality: Quality and committed delivery has been the hallmark of Omaxe since inception. As a result, we enjoy the trust and confidence of various stakeholders including consumers. Needless to say, it has helped us in our business endeavour immensely and we shall continue to focus on these aspects even in the future.

Internal Control Systems:

The Company has in place, adequate systems and control, to properly monitor all the financial transactions, records and reporting for different projects under execution. It also ensures compliances at all corporate and project levels. The internal control team, comprising of professionally trained internal audit team, informs the management of any regulatory changes and also monitors the response coming out of various new launches. The internal control system also keeps a close eye to ensure that unauthorized use of assets is checked. The internal audit of the Company is subject to statutory audits carried out by company's auditors.

Human Resources:

At Omaxe, we always believe that among all the resources, it is the human capital, which is the important resource. A satisfied employee is greatest strength of any company as it adds to organizational productivity immensely. At Omaxe, we are privileged to have a vibrant pool of young and energetic people working as one impeccable Team Omaxe. Transparency in working, open communication and satisfactory work environment are the key intrinsic to Omaxe's work culture. The management allocates sufficient attention in training the workforce to ensure that they are well equipped to take up challenging projects and to ensure their timely delivery by sticking to target schedules. The Company also encourages its employee by offers a series of measures like incentives etc for employees directly involved in such projects for completing projects on a timely basis. For the year ended March 31, 2016, the company had a committed talent pool of around 1518 employees.

Corporate Social Responsibility: Upliftment and welfare of our society is at the core of our heart. Integrating business goals with social commitments has always been our endeavor and thus, contribute towards socio-economic development of the society in which we operate. Omaxe conducts its activities of Corporate Social Responsibility (CSR) directly and/or through its Education Trust, i.e. "Omaxe Foundation", a not-for-profit organization. Through our CSR activities, we endeavor to help marginalized section of our society, work towards environment sustainability, education and skill development of construction workers and girl child, preventive healthcare as well as rural development.

Some of the works undertaken by us directly for CSR included: **Swachh Bharat Abhiyan:** Cleanliness and Hygiene are essential for healthy living. The government is striving hard to spread awareness on these vital issues. However, the noble cause requires support from various quarters. Accordingly, we at Omaxe undertook a massive drive under 'Swachh Bharat Abhiyan' for cleanliness and hygiene at Kalkaji, New Delhi. Our initiative received encouraging response from local residents and many of them joined our cleanliness campaign on their own.

Outlook

We have several ongoing projects in tier II and III cities and also projects that are in the pipeline. We believe these projects have the potential to alter the landscape of tier II and III cities. Our portfolio consists of both small and large sized projects, offering complete solution to our customers. As such we remain bullish on our existing

projects. At the same time, we shall be speeding up construction of our existing projects and continue to focus on timely delivery, which remains our greatest strengths. Besides, we shall also be focusing on adding meaningful value to our surroundings, by providing world-class facilities like clubhouse, sports arena and modern schools along with offering commercial and entertainment zones to our consumers.

Our cash position remains comfortable and so does debt. Hence, it provides us the cushion to undertake new launches at appropriate times. We believe that government's focus on Smart city project, Housing for All by 2022, accompanied by ever increasing urbanization, will continue to provide ample scope of growth for the real-estate sector, particularly in tier II and III cities. The role of the private sector will be crucial in fulfilling these goals. And with our reputation of being one of the most trusted and respected company in the sector, we are well placed to benefit from likely uptick in the sector. We also remain committed towards enhancing the value of our stakeholders.

Independent Auditor's Report

To the Members of Omaxe Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Omaxe Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give

a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure I", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31 March 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure II" and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements — Refer Note 25,30,31 to the financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.

Annexure II to Independent Auditors' Report — 31 March 2016 (Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Omaxe Limited ("the Company") as at 31st March 2016 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In expressing our opinion, we have placed reliance on the study of proper Internal Financial Controls over Financial Reporting by the In-house Internal Audit Team of the Company. Based on the study, as aforesaid and on the basis of test checks performed by us, in our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting but requires more strengthening and such internal financial controls over financial reporting were operating effectively as at 31st March 2016 as stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended March 31, 2016

A. Significant accounting policies

a. Basis of preparation of financial statements

The financial statements are prepared under historical cost convention, in accordance with the Accounting Principles Generally Accepted in India ('Indian GAAP') and the provisions of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 to the extent applicable.

b. Use of estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

c. Fixed assets

Fixed assets are stated at historical cost less accumulated depreciation. Cost includes purchase price and all other attributable cost to bring the assets to its working condition for the intended use.

d. Depreciation

Depreciation on fixed assets is provided on written down value method based on the useful life of the asset as specified in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in the case of steel shuttering and scaffolding material, whose life is estimated as five years.

Cost of building constructed on land owned by third party under 'Build Own Transfer' agreement is amortized over the period of the agreement.

e. Intangible assets

Intangible assets comprising of ERP & other computer software are stated at cost of acquisition less accumulated amortization and are amortised over a period of four years on straight line method.

f. Borrowing costs

Borrowing cost that are directly attributable to the acquisition or construction of a qualifying asset (including real estate projects) are considered as part of the cost of the asset/project. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

g. Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable

amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

h. Investments

Long-term investments are stated at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are stated at lower of cost or market value.

i. Inventories

i. Building material and consumable stores are valued at cost, which is determined on the basis of the 'First in First out' method.

ii. Land is valued at cost, which is determined on average method. Cost includes cost of acquisition and all related costs.

iii. Construction work in progress is valued at cost. Cost includes cost of materials, services and other related overheads related to project under construction.

iv. Completed real estate project for sale and trading stock are valued at lower of cost or net realizable value. Cost includes cost of land, materials, construction, services and other related overheads.

j. Projects in progress

Projects in progress are valued at cost. Cost includes cost of land, materials, construction, services, borrowing costs and other overheads relating to projects.

k. Revenue recognition

i. Real estate projects

Revenue from real estate projects is recognized on the 'Percentage of Completion method' (POC) of accounting.

Revenue under the POC method is recognized on the basis of percentage of actual costs incurred, including land, construction and development cost of projects under execution subject, to such actual cost being 30 percent or more of the total estimated cost of projects.

The stage of completion under the POC method is measured on the basis of percentage that actual costs incurred on real estate projects including land, construction and development cost bears to the total estimated cost of the project.

Effective from 1st April 2012, in accordance with the "Guidance Note on Accounting for Real Estate

Transactions (Revised) 2012" (referred to as "Guidance Note"), all projects commencing on or after the said date or projects where revenue is recognised for the first time on or after the said date, Revenue from real estate projects has been recognised on Percentage of Completion (POC) method provided the following conditions are met:

1. All critical approvals necessary for commencement of the project have been obtained.
2. The expenditure incurred on construction and development is not less than 25% of the total estimated construction and development cost.
3. At least 25% of the saleable project area is secured by way of contracts or agreements with buyers.
4. At least 10% of the total revenue as per the agreement of sale or any other legally enforceable documents are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the respective contracts.

The estimates of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

Unbilled revenue disclosed under other assets represents revenue recognized based on percentage of completion method over and above amount due as per payment plan agreed with the customers. Amount received from customers which exceeds the cost and recognized profits to date on projects in progress, is disclosed as advance received from customers under other current liabilities. Any billed amount against which revenue is recognised but amount not collected is disclosed under trade receivable.

- ii. Interest due on delayed payments by customers is accounted on accrual basis.
- iii. Revenue from sale of completed real estate projects, land, development rights and sale/transfer of rights in agreements are recognised in the financial year in which agreements of such sales are executed and there is no uncertainty about ultimate collections.
- iv. Income from construction contracts

Revenue from construction contracts is recognized on the 'Percentage of Completion method' of accounting.

Income from construction contracts is recognized by reference to the stage of completion of the contract

activity as certified by the client.

Revenue on account of contract variations, claims and incentives are recognized upon determination or settlement of the contract.

- v. Income from trading sales

Revenue from trading activities is accounted for on accrual basis.

- vi. Dividend income is recognized when the right to receive the payment is established.

I. Foreign currency transactions

- i. Foreign currency transactions are recorded at exchange rates prevailing on the date of respective transactions.
- ii. Current assets and current liabilities in foreign currencies existing at balance sheet date are translated at year-end rates.
- iii. Foreign currency translation differences related to acquisition of imported fixed assets are adjusted in the carrying amount of the related fixed assets. All other foreign currency gains and losses are recognized in the statement of profit and loss.
- iv. Foreign Exchange difference arising as a monetary item that, in substance, form part of company's net investment is a non-integral foreign operation and is accumulated in a Foreign Currency Translation Reserve in the financial statement and at the time of disposal of net investment, it is recognized as income or expense.

m. Accounting for taxes on income

- i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961.
- ii. Deferred tax on timing differences between taxable and accounting income is accounted for, using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date. Deferred tax assets are recognized only when there is a reasonable certainty of their realization. Wherever there are unabsorbed depreciation or carry forward losses under Tax laws, Deferred tax assets are recognized only to the extent that there is a virtual certainty of their realization.

n. Retirement benefits

- i. Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the statement of profit and loss.
- ii. The Company is having Group Gratuity Scheme with Life Insurance Corporation of India. Provision for gratuity is made based on actuarial valuation in accordance with Revised AS-15.

- iii. Provision for leave encashment in respect of unavailed leave standing to the credit of employees is made on actuarial basis in accordance with Revised AS-15.

o. Provisions, contingent liabilities and contingent assets

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

p. Operating lease

Lease arrangements where the risk and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating lease. Lease rent under operating lease are charged to statement of profit and loss on a straight line basis over the lease term.

q. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity share.

- 26.** During the year ended March 31, 2016, the Company has changed its accounting policy related to accounting of interest due on delayed payments by customers on accrual basis as against on receipts basis to bring the said accounting policy in line with Income Computation and Disclosure Standards (ICDS) issued by Central Board of Direct Taxes. Had the earlier accounting policy on interest income recognition being followed by the Company, the revenue of the Company would have been lower by ₹ 7.34 mio and correspondingly profit of the Company would have been lower by ₹ 7.34 mio.
- 27.** Determination of revenues under 'Percentage of Completion method' necessarily involves making estimates by management for percentage of completion, cost to completion, revenues expected from projects, projected profits and losses. These estimates being of a technical nature have been relied upon by the auditors.
- 28.** Balances of trade receivables, trade payables, current / non-current advances given/ received are subject to reconciliation and confirmation from respective parties. The balance of said trade receivables, trade payables, current / non-current advances given/ received are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reasons as above stated.
- 29.** Inventories, loans & advances, trade receivables and other current / non-current assets are in the opinion of the management do not have a value on realization in the ordinary course of business, less than the amount at which they are stated in the balance sheet.
- 30.** The Income Tax Department has filed writ petition before Hon'ble Delhi High Court against the order of Income tax settlement commission in earlier years for assessment year 2000-01 to 2006-07, which is pending for hearing. Pending final outcome of such petition filed, no provision of any potential liability has been made in the books of accounts, the amount of which cannot presently be ascertained.

The income tax department has raised a demand of ₹ 1093.51 mio against the company after giving effect to orders of CIT(A) / ITAT for A.Y. 2007-08 to A.Y. 2010-11, mainly on account of disallowance u/s 80IB. The company has filed further appeals before the higher authorities against the impugned orders of the CIT (A) / ITAT. An amount of ₹ 980.03 mio has been deposited by the company against this demand under dispute. Further the Income Tax Department has also filed

necessary appeals/writ petitions/ SLP with appropriate authority against the relief given by various appellate authorities to the Company. A further demand of ₹ 199.63 mio has been raised against the company for A.Y.s 2007-08, 2011-12 and 2012-13 mainly on account of disallowance u/s 80IB and penalty u/s 271(1)(c) and the company has filed appeals/ is in the process of filing appeal before the CIT(A) against this demand. An amount of ₹ 68.92 mio has been deposited by the company against this demand under dispute

Based on the decision of various appellate authorities and the interpretations of relevant provisions of Income Tax Act, 1961, the Company has been advised by the experts that the claim of the company under Section 80IB is sustainable; accordingly the Company is hopeful that the demand so raised is likely to be deleted.

31. The Company has advanced a sum of ₹ 745.05 mio to one of its wholly owned subsidiary company namely Eden Buildcon Limited (hereinafter referred to as "Subsidiary Company") for acquiring land from Hyderabad Metropolitan Development Authority (HMDA) for real estate projects. The said subsidiary company participated in bid in respect of auction by HMDA and paid initial deposit of ₹ 750.63 mio against total value of ₹ 3,002.50 mio. During the process of post auction verification of title to the auctioned land, the subsidiary company on scrutiny of documents found that the auctioned land is the subject matter of pending litigations before Hon'ble Andhra Pradesh High Court. Thereafter, the subsidiary company requested HMDA to obtain necessary orders from the court empowering HMDA to alienate the auction land and also expressed its earnest intention to pay the balance cost of land. HMDA asserted that there is no legal impediment for transferring the title of the land and directed the subsidiary company to remit the balance sales consideration. The subsidiary company applied to HMDA for refund of the initial booking amount. The request for such refund was not considered by HMDA and HMDA demanded balance amount of ₹ 2,251.87 mio failing which the entire booking amount was liable to be forfeited. On writ petition filed by the company for refund of the amount deposited which was tagged along with other similar petitions, single bench of Hon'ble Andhra Pradesh High Court allowed the appeal in favour of the subsidiary company. Appeal against the order of the single bench was filed by HMDA before division bench, which was allowed in favour of HMDA. The subsidiary company has filed special leave petition (SLP) before Hon'ble Supreme Court of India and stay order has been granted. The matter is sub-judice and is pending before Hon'ble Supreme Court of India. Pending final outcome of such petition filed, the amount advanced by the company to subsidiary company is considered good and classified as non-current.

CONSOLIDATED FINANCIAL STATEMENTS

Independent Auditor's Report

To the Members of Omaxe Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Omaxe Limited** ("the Holding Company"), its subsidiaries, jointly controlled entity and associate (collectively referred to as "the Group") comprising of the consolidated Balance Sheet as at 31st March 2016, the consolidated Statement of Profit and Loss, the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements/ financial information of 1 wholly owned subsidiary namely Rohtas Holdings (Gulf) Limited, whose consolidated financial statements/ financial information reflect total assets of ₹ 270.70 mio as at 31st March 2016, total revenues of ₹ 10.03 mio and net cash flows amounting to ₹ 0.04 mio for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) and (11) of section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial statements/ financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements/ financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of above matter with respect to our reliance on the work done and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group Companies incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in "Annexure" and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group—Refer note no. 25, 30, 31, 32 to the consolidated financial statements.
 - ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its Subsidiary Companies incorporated in India.

Annexure to the Independent Auditors' Report - 31 March 2016 on the Consolidated Financial Statements (Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Omaxe Limited ("the Holding Company") as of and for the year ended 31st March 2016, we have audited the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, its associate company and jointly controlled company, which are companies incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate company and jointly controlled company, incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In expressing our opinion, we have placed reliance on the study of proper Internal Financial Controls over Financial Reporting by the In-house Internal Audit Team of the Company/Group. Based on the study, as aforesaid and on the basis of test checks performed by us, in our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting but requires more strengthening and such internal financial controls over financial reporting were operating effectively as at 31st March 2016 as stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the consolidated financial statements

for the year ended 31st March, 2016

A. Significant Accounting Policies

a. Basis of preparation of financial statements

The financial statements are prepared under historical cost convention, in accordance with the Accounting Principles Generally Accepted in India ('Indian GAAP') and the provisions of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 to the extent applicable.

b. Use of estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

c. Principles of consolidation

The consolidated financial statements relate to Omaxe Limited ('the Parent'), its subsidiaries, associate and joint venture company (collectively referred to as 'the Group/Company').

The consolidated financial statements have been prepared in accordance with the principles and procedures required for the preparation and presentation of financial statements as laid down under the Accounting Standards prescribed in Companies (Accounting Standards) Rules 2014. The financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and transactions and resulting unrealized gain/losses.

Where the cost of the investment is higher/lower than the share of equity in the subsidiary at the time of acquisition, the resulting difference is treated as goodwill/capital reserve.

The Group accounts for investments in associate by the equity method of accounting where it is able to exercise significant influence over the operating and financial policies of the investee. The Company's share of profit/loss in associates is included in the statement of profit and loss. Inter company profits and losses have been proportionately eliminated until realized by the investor or investee.

Where the cost of the investment is higher/lower than the share of equity in the associates at the time of acquisition, the resulting difference is disclosed as goodwill/capital reserve in the investment schedule.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

The Company's interest in Jointly Controlled Entity is consolidated on a line-by-line basis by adding together the book values of assets, liabilities, income and expenses, after eliminating the unrealized profits/losses on intra-group transactions.

d. Fixed assets

Fixed assets are stated at historical cost less accumulated depreciation. Cost includes purchase price and all other attributable cost to bring the assets to its working condition for the intended use.

e. Depreciation

Depreciation on fixed assets is provided on written down value method based on the useful life of the asset as specified in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in the case of steel shuttering and scaffolding material, whose life is estimated as five years.

Cost of building constructed on land owned by third party under 'Build Own Transfer' agreement is amortized over the period of the agreement.

f. Intangible assets

Intangible assets comprising of ERP & other computer software are stated at cost of acquisition less accumulated amortization and are amortized over a period of four years on straight line method.

g. Borrowing costs

Borrowing cost that is directly attributable to the acquisition or construction of a qualifying asset (including real estate projects) is considered as part of the cost of the asset/project. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

h. Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, it estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.

i. **Investments**

Long-term investments are stated at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are stated at lower of cost or market value.

j. **Inventories**

i. Building material and consumable stores are valued at cost, which is determined on the basis of the 'First in First out' method.

ii. Land is valued at cost, which is determined on average method. Cost includes cost of acquisition and all related costs.

iii. Construction work in progress is valued at cost. Cost includes cost of materials, services and other related overheads related to project under construction.

iv. Completed real estate project for sale and trading stock are valued at lower of cost or net realizable value. Cost includes cost of land, materials, construction, services and other related overheads.

k. **Projects in progress**

Projects in progress are valued at cost. Cost includes cost of land, materials, construction, services, borrowing costs and other overheads relating to projects.

l. **Revenue recognition**

i. Real estate projects

Revenue from real estate projects is recognized on the 'Percentage of Completion method' (POC) of accounting.

Revenue under the POC method is recognized on the basis of percentage of actual costs incurred, including land, construction and development cost of projects under execution subject, to such actual cost being 30 percent or more of the total estimated cost of projects.

The stage of completion under the POC method is measured on the basis of percentage that actual costs incurred on real estate projects including land, construction and development cost bears to the total estimated cost of the project.

Effective from 1st April 2012, in accordance with the "Guidance Note on Accounting for Real Estate Transactions (Revised) 2012" (referred to as "Guidance Note"), all projects commencing on or after the said date or projects where revenue is recognised for the first time on or after the said date, Revenue from real estate

projects has been recognised on percentage of completion (POC) method provided the following conditions are met:

1. All critical approvals necessary for commencement of the project have been obtained.
2. The expenditure incurred on construction and development is not less than 25% of the total estimated construction and development cost.
3. At least 25% of the saleable project area is secured by way of contracts or agreements with buyers.
4. At least 10% of the total revenue as per the agreement of sale or any other legally enforceable documents are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the respective contracts.

The estimates of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

Unbilled revenue disclosed under other assets represents revenue recognized based on percentage of completion method over and above amount due as per payment plan agreed with the customers. Amount received from customers which exceeds the cost and recognized profits to date on projects in progress, is disclosed as advance received from customers under other current liabilities. Any billed amount against which revenue is recognised but amount not collected is disclosed under trade receivable.

- ii. Interest due on delayed payments by customers is accounted on accrual basis.
- iii. Revenue from sale of completed real estate projects, land, development rights and sale/transfer of rights in agreements are recognised in the financial year in which agreements of such sales are executed and there is no uncertainty about ultimate collections.
- iv. Income from construction contracts

Revenue from construction contracts is recognized on the 'Percentage of Completion method' of accounting.

Income from construction contracts is recognized by reference to the stage of

completion of the contract activity as certified by the client.

Revenue on account of contract variations, claims and incentives are recognized upon determination or settlement of the contract.

v. Income from trading sales

Revenue from trading activities is accounted for on accrual basis.

vi. Dividend income is recognized when the right to receive the payment is established.

m. **Foreign currency transactions**

i. Foreign currency transactions are recorded at exchange rates prevailing on the date of respective transactions.

ii. Current assets and current liabilities in foreign currencies existing at balance sheet date are translated at year-end rates.

iii. Foreign currency translation differences related to acquisition of imported fixed assets are adjusted in the carrying amount of the related fixed assets. All other foreign currency gains and losses are recognized in the statement of profit and loss.

iv. Foreign Exchange difference arising as a monetary item that, in substance, form part of company's net investment is a non-integral foreign operation and is accumulated in a Foreign Currency Translation Reserve in the financial statement and at the time of disposal of net investment, it is recognized as income or expense.

n. **Accounting for taxes on income**

i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961.

ii. Deferred tax on timing differences between taxable and accounting income is accounted for, using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date. Deferred tax assets are recognized only when there is a reasonable certainty of their realization. Wherever there is unabsorbed depreciation or carry forward losses under Tax laws, deferred tax assets are recognized only to the extent that there is a virtual certainty of their realization.

o. **Retirement benefits**

i. Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the statement of profit and loss.

ii. The Company is having Group Gratuity Scheme with Life Insurance Corporation of India. Provision for gratuity is made based on actuarial valuation in accordance with Revised AS-15.

iii. Provision for leave encashment in respect of unavailed leave standing to the credit of employees is made on actuarial basis in accordance with Revised AS-15.

p. **Provisions, contingent liabilities and contingent assets**

A provision is recognized when:

- the Group has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

q. **Operating lease**

Lease arrangements where the risk and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating lease. Lease rent under operating lease are charged to statement of profit and loss on a straight line basis over the lease term.

r. **Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity share.

- 26.** During the year ended March 31, 2016, the Company has changed its accounting policy related to accounting of interest due on delayed payments by customers on accrual basis as against on receipts basis to bring the said accounting policy in line with Income Computation and Disclosure Standards (ICDS) issued by Central Board of Direct Taxes. Had the earlier accounting policy on interest income recognition being followed by the Company, the revenue of the Company would have been lower by ₹ 8.30 mio and correspondingly profit of the Company would have been lower by ₹ 8.30 mio.
- 27.** Determination of revenues under 'Percentage of Completion method' necessarily involves making estimates by management for percentage of completion, cost to completion, revenues expected from projects, projected profits and foreseeable losses. These estimates being of a technical nature have been relied upon by the auditors.
- 28.** Balances of trade receivables, trade payables, current / non-current advances given/ received are subject to reconciliation and confirmation from respective parties. The balance of said trade receivables, trade payables, current / non-current advances given/ received are taken as shown by the books of accounts. The ultimate outcome of such reconciliation and confirmation cannot presently be determined, therefore, no provision for any liability that may result out of such reconciliation and confirmation has been made in the financial statement, the financial impact of which is unascertainable due to the reasons as above stated.
- 29.** Inventories, loans & advances, trade receivables and other current / non-current assets are in the opinion of the management do not have a value on realization in the ordinary course of business, less than the amount at which they are stated in the balance sheet.
- 30.** The income tax department has, in case of Omaxe Limited filed writ petition before Hon'ble Delhi High Court against the order of Income tax settlement commission in earlier years for assessment year 2000-01 to 2006-07, which is pending for hearing. Pending final outcome of such petition filed, no provision of any potential liability has been made in the books of accounts, the amount of which cannot presently be ascertained.

The income tax department has raised a demand of ₹ 1093.51 mio against the company after giving effect to orders of CIT(A)/ ITAT for A.Y. 2007-08 to A.Y. 2010-11, mainly on account of disallowance u/s 80IB. The company has filed further appeals before the higher authorities against the impugned orders of the CIT (A) / ITAT. An amount of ₹ 980.03 mio has been deposited by the company against this demand under dispute. Further the Income Tax Department has also filed necessary appeals/writ petitions/ SLP with appropriate authority against the relief given by various appellate authorities to the Company/ subsidiaries. A further demand of ₹ 200.09 mio has been raised against the company/ subsidiary for A.Y.s 2007-08, 2011-12 and 2012-13 mainly on account of disallowance u/s 80IB and penalty u/s 271(1)(c) and the company/ subsidiary have filed appeals/is in the process of filing appeal before the CIT(A) against this demand. An amount of ₹ 68.92 mio has been deposited by the company against this demand under dispute

Based on the decision of various appellate authorities and the interpretations of relevant provisions of Income Tax Act, 1961, the Company has been advised by the experts that the claim of the company/ subsidiaries under Section 80IB is sustainable; accordingly the Company is hopeful that the demand so raised is likely to be deleted.

31. The Company has advanced a sum of ₹ 745.05 mio to one of its wholly owned subsidiary company namely Eden Buildcon Limited (hereinafter referred to as "Subsidiary Company") for acquiring land from Hyderabad Metropolitan Development Authority (HMDA) for real estate projects. The said subsidiary company participated in bid in respect of auction by HMDA and paid initial deposit of ₹ 750.63 mio against total value of ₹ 3,002.50 mio. During the process of post auction verification of title to the auctioned land, the subsidiary company on scrutiny of documents found that the auctioned land is the subject matter of pending litigations before Hon'ble Andhra Pradesh High Court. Thereafter, the subsidiary company requested HMDA to obtain necessary orders from the court empowering HMDA to alienate the auction land and also expressed its earnest intention to pay the balance cost of land. HMDA asserted that there is no legal impediment for transferring the title of the land and directed the subsidiary company to remit the balance sales consideration. The subsidiary company applied to HMDA for refund of the initial booking amount. The request for such refund was not considered by HMDA and HMDA demanded balance amount of ₹ 2,251.87 mio failing which the entire booking amount was liable to be forfeited. On writ petition filed by the company for refund of the amount deposited which was tagged along with other similar petitions, single bench of Hon'ble Andhra Pradesh High Court allowed the appeal in favour of the subsidiary company. Appeal against the order of the single bench was filed by HMDA before division bench, which was allowed in favour of HMDA. The subsidiary company has filed special leave petition (SLP) before Hon'ble Supreme Court of India and stay order has been granted. The matter is sub-judice and is pending before Hon'ble Supreme Court of India. Pending final outcome of such petition filed, the amount advanced by the company to HMDA is considered good and classified as non-current.
32. The construction on a part of a real estate project of one of the subsidiary company has been suspended due to stay given on construction on the project by Hon'ble High Court on the basis of public interest litigation. The management of the company is of the opinion that stay on construction of aforesaid project shall be vacated in due course of time, therefore, on the basis of going concern assumption, no adjustment in respect of revenue / profits already booked before such stay and customers advances related to the project has been made in the books of accounts.
33. The amount of expenditure for the year ended 31st March, 2016, which the Company was required to incur related to Corporate Social Responsibility as per section 135 of Companies Act, 2013 worked out to be ₹ 20.49 mio (P.Y. 21.65 mio). During the year ended 31st March, 2016, the Company has incurred a sum of ₹ 0.84 mio (P.Y. Nil) on this account.
