08	APPENDIX	Page No:37

- 1) For the quarter ended Q2FY20, your company has witnessed an overall robust performance together with a jump in profitability. Volumes for the quarter remained strong as the company is acquiring market share of other players.
- 2) During the quarter, several cost-effective strategies were initiated and as a result our margins have improved to 8.1 % as against 6.3% same quarter last year.
- 3) The sanitary ware division, which was launched at the end of the previous quarter, has received a positive reception from the market and dealers. The revenues from the Marble & Quartz division increased to 28 % as against 14 % same quarter in the previous year.
- 4) Further, the company is planning to launch Faucets in the month of December 2019 which will further strengthen company's portfolio in complete bath-ware solution.
- 5) We have witnessed no change in the average price of gas per SCM during the quarter as compared to same quarter last year. However, our average consumption of gas per sq. mtr has declined which has resulted in overall cost reduction in Power & Fuel.
- 6) During the quarter, noteworthy development that took place was cut in corporate tax in-order to further stimulate investment across the sectors.
- 7) During the quarter, we have reduced our working capital days to 86, on the back of an improved business strategy.
- 8) The company proposes to open an exclusive 12,000 sq. ft showroom at Morbi to target the export markets.

Outlook:

The outlook for the company remains positive considering the achievements of higher input cost, better utilization levels and greater demand for high-value products. Our portfolio of products has started gaining traction in the market across regions. Considering the recent boost provided by the Finance Minister for the realty sector, it is anticipated that the demand for the tiles segment will have a marked increase. Further, we are confident that the company will continue its progressive stride in the coming quarters.
