Commenting on the performance, Mr. Bala Venckat Kutti, Promoter of Indowind Energy Limited, said: “The Q1 FY 2025-26 performance reflects steady progress and the impact of our strategic initiatives. Growth across key areas demonstrates the effectiveness of our focus on operational efficiency, project execution, and the rising demand for renewable energy. The increase in windmill capacity, coupled with a favourable wind season in June 2025, has boosted generation & income by 4.19 crores – from 7.35 Crores as of June 2024 to 11.54 crores as of June 2025. We remain well-positioned to leverage opportunities in the sector and continue building momentum in the coming quarters. Looking ahead, we remain committed to expanding our renewable energy portfolio, exploring new opportunities in key markets, and optimising our operations to drive sustainable growth. By aligning our efforts with the evolving needs of the energy sector, we aim to build on our momentum and continue contributing meaningfully to the transition toward cleaner and more sustainable energy solutions.”
