DIRECTORS' REPORT TO THE MEMBERS

Your Directors present before you the 33rd Annual Report of your Company on business & operations together with Audited Financial Statements and the Auditor's Report for the year ending 31st March 2019.

Operation and Future Prospects

India has maintained a growth rate of around 7% (RBI estimates). India is one of the fastest growing among major economies of the world. The NDA Government is moving forward with "Vikas" as its main agenda. The initial problems with Demonetization & GST implementation are gradually reducing with lot of simplification on GST implementation. The organized sector is performing better on the implementation of GST. However the unorganized sector has been very badly hit by its implementation and shall take time to recover. Interest rates are more or less stable with an upward bias. Economy may have taken some hit because of global rise in crude oil prices and other national and international economic and political factors. The falling consumption is a cause of concern for the economy. Below average monsoon may also a negative factor for Economy. Decrease in domestic consumption is a cause of concern to growth. However, we have seen continued investments by the Mutual Funds in the Capital Markets. The National elections have seen a strong and decisive mandate in favour of BJP lead NDA. Mr. Narendra Modi as Prime Minister for the second term shall focus on expediting his agenda. It is expected of him to tackle the issues in hand by creating policies to leave higher disposable income in the hands of lower and middle income bracket, to aggressively fight against terrorism, to boost global trade in favour of the country with the geopolitical status of the country getting stronger over time. Defense and Infrastructure sector is likely to get big boost. Steps to increase domestic consumption should be an priority. RBI has projected a growth rate of 7.2% in the economy in the current year. Positive actions by the Govt. on various fronts may result in good sentiments and the foreign investors will continue invest in Indian stocks. The "Nifty & Sensex" are at life time high levels. We expect the markets to move positively but shall remain volatile and consolidate in times to come.

Defense and Infrastructure sector is likely to get big boost. RBI has projected a growth rate of 7.2% in the economy in the current year. Positive actions by the Govt. may result in good sentiments and the foreign investors will continue invest in Indian stocks. The "Nifty & Sensex" are at all time high levels. We expect the markets to move positively but shall remain volatile and consolidate in times to come.

Risk and concerns:

The key threats include, the change / slowdown in implementation of the policies of the Government, delay & short term fall out in implementation of major tax reform like GST, failure to contain actual inflation within a reasonable range, high NPA's of the banks, defaults & frauds, governing rules of SEBI and RBI etc. Geo political conditions may effect the global economy which may reflect in capital, currency, commodities and debt market substantially. Annexure - B to the Independent Auditor's Report of even date, on the Standalone Financial Statements of BNK Capital Markets Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial reporting of BNK Capital Markets Limited ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure-A to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting of BNK Capital Markets Limited ('the Holding Company') and its subsidiary as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence

about the adequacy of the internal financial controls system over financial reporting and their operating Effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
