Company Secretary & Compliance Officer
(Membership No. A 42296)

Notes:

1. Pursuant to the General Circular No. 10/2022 dated December 28, 2022, issued by the Ministry of Corporate Affairs (MCA) and Circular SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by SEBI (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC.
2. The deemed venue for the AGM shall be the Registered Office of the Company.
3. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
4. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
6. Pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on "e-Voting facility provided by Listed Companies", e-Voting process has been enabled to all the individual demat account holders, by way of single login credential, through their demat accounts / websites of Depositories / DPs in order to increase the efficiency of the voting process. Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-Voting facility.
7. In compliance with the MCA/ SEBI Circulars issued from time to time, Notice of the AGM along with the Annual Report 2022-23 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/ Depository Participants. Members may note that the Notice and Annual Report 2022-23 will also be available on the Company's website www.qcml.in, websites of the Stock Exchange, that is, BSE Limited at www.bseindia.com and on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
8. Since shares of the company are traded on the stock exchanges compulsorily in demat mode, members holding shares in physical mode are advised to get their shares dematerialised. Effective 1 April, 2019, SEBI has disallowed listed companies from accepting request for transfer of securities which are held in physical form. The shareholders who continue to hold shares in physical form after this date will not be able to lodge the shares with company / its RTA for further transfer. Shareholders shall mandatorily convert them to demat form if they wish to affect any transfer. Only the requests for transmission and transposition of securities in physical form, will be accepted by the company / RTA.
9. SEBI has mandated the submission of PAN, KYC details and nomination by holders of physical securities by October 1, 2023, and linking PAN with Aadhaar by June 30, 2023 vide its circular dated March 16, 2023. Shareholders are requested to submit their PAN, KYC and nomination details to the Company's RTA, CB Management (Services) Private Limited. The forms for updating the same are available at <https://www.qcml.in>
10. Members holding shares in electronic form are, therefore, requested to submit their PAN to their DP. In case a holder of physical securities fails to furnish PAN and KYC details before October 1, 2023 or link their PAN with Aadhaar before June 30, 2023, in accordance with the SEBI circular dated March 16, 2023, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.
11. In compliance with Section 108 of the Act, read with the corresponding rules, Regulation 44 of the LODR Regulations and in terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020, the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) facility provided by the Central Depository Services (India) Limited. Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the 'Instructions for e-voting' section which forms part of this Notice.

12. The details required under Regulation 36(3) of the Listing Regulations and Secretarial Standard on General Meetings (SS-2) issued by The Institute of Company Secretaries of India, in respect of Director seeking appointment at this AGM is being Annexed to this Notice.
13. The Register of Directors and Key Managerial Personnel and their Shareholding under Section 170 of the Act and Register of Contracts or Arrangements in which Directors are interested under Section 189 of the Act will remain available for inspection through electronic mode during the AGM, for which purpose Members are required to send email to the Company at secretarial.qcml@rpsg.in.
14. The Register of Members and Share Transfer Books of the Company will remain closed from Thursday, 17th August, 2023 to Monday 21st August, 2023 (both days inclusive) for the purpose of the AGM/payment of final dividend on equity shares for the year ended 31st March, 2023, if declared at the AGM as under:
 - a) To all Beneficial Owners in respect of shares held in electronic form as per the data to be made available by NSDL/CDSL as of the close of business hours on 16th August, 2023. b) To all members in respect of shares held in physical form after giving effect to valid share transmission and share transposition requests lodged with the Company/Registrar & Share Transfer Agent (RTA) as of the close of business hours on 16th August, 2023.
15. Members are reminded to send their dividend warrants, which have not been encashed, to the Company/Registrar & Share Transfer Agents, for revalidation. As per the provisions of Section 124(6) of the Companies Act, 2013, unclaimed dividends and corresponding equity shares are liable to be transferred to the Investor Education and Protection Fund of the Central Government after expiry of seven years from the date they become due for payment.
16. As per the current SEBI Regulations, dividend is required to be credited to shareholders' respective bank accounts through Electronic Clearing Services (ECS), wherever the facility is available and the requisite details/mandates have been provided by the Members. Members are requested to send the details of their bank accounts with addresses and MICR Codes of their banks to their Depository Participants (in case the shares held in dematerialised form) or to CB Management Services (P) Ltd., (in case of shares are held in physical form) at the earliest.
17. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
18. **Other Instructions:**
 - i) The voting rights of the Members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date i.e. Monday, 14th August, 2023.
 - ii) A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date only shall be entitled to avail the facility of remote e-Voting or casting vote through e-Voting system during the Meeting.
 - iii) Pursuant to the provision of Section 108 of the Act read with rules thereof Mr. Tarun Goyal, a Practising Company Secretary (Membership No. 25255) has been appointed as the Scrutinizer to scrutinize the Remote e-Voting process and casting vote through the e-Voting system during the Meeting in a fair and transparent manner.
 - iv) The Scrutinizer shall after the conclusion of e-Voting at the 37th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting system and shall make a consolidated Scrutinizer's Report.
 - v) The Results of voting will be declared within 48 hours from the conclusion of AGM. The declared results along with the Scrutinizer's Report will be available forthwith on the website of the Company and on the website of CDSL. Such results will also be displayed on the Notice Board at the Registered Office of the Company as well and shall be forwarded to both the Stock Exchanges, BSE Limited and The Calcutta Stock Exchange Limited.
 - vi) Members desiring to have any information relating to the accounts are requested to write to the Company at the e-mail ID: secretarial.qcml@rpsg.in latest by 7th August, 2023 by 4:00 P.M. (IST) so that the company can reply appropriately.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 17th August, 2023 at 09:00 A.M. and ends on 20th August, 2023 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 14th August, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Overview

Non- banking finance companies (NBFCs) play an important role in an economy like India, with the growing financial needs of the urban middle class and a pre- dominantly rural population. They offer a variety of services such as loans and advances, saving and investment plans, credit facilities, insurance, acquisition of shares and more. NBFCs are leveraging their superior understanding of regional dynamics and customized products and services to expedite financial inclusion in India. Systemically Important NBFCs have demonstrated agility, innovation and frugality to provide formal financial services to millions of Indians.

NBFCs showed an immense growth in lending through digital mode with around 60% of loans being disbursed through digital channels. The Country is still at a nascent stage in terms of digital lending, however the space is very exciting given the availability of data/ internet services available at cheaper rate.

Through various policy announcements, the government has reinforced the stature of the infrastructure sector as a critical driver of economic growth and overall development. While the National Infrastructure Pipeline (NIP) introduced in 2019 will continue to push the infrastructure juggernaut forward, the PM Gati Shakti National Master Plan and National Logistics Policy announced in February 2022 and September 2022, respectively, will also further this cause.

Over the years, India has emerged as one of the fastest-growing economies in the world and an attractive investment destination driven by economic reforms and a large consumption base. We believe that NBFCs with superior capital adequacy, better margins, frugal cost management, prudent risk management and those incorporating above four key cornerstones in their business models will continue to deliver sustainable growth in the foreseeable future.

Opportunities and Threats

Over the past three fiscals, NBFCs largely focussed on liquidity, capital and provisioning buffer. These, combined with the consistent improvement in economic activity, have put the sector in a better position today to capitalize on growth opportunities.

That said, two key monitorables remain. First, intensifying competition from banks, especially in the traditional retail segments of home loans and vehicle finance. Second, rising interest rates have increased the cost of borrowing for NBFCs, which is limiting their competitiveness in some asset classes. To be sure, NBFCs are realigning their portfolio strategies to combat these challenges. Their focus is shifting towards non-traditional asset classes unsecured loans; micro, small and medium enterprise (MSME) finance; and used vehicle finance which are expected to post higher growth. Consequently, these segments are garnering higher share in incremental disbursements. While the traditional segments will also grow, the rate is unlikely to surpass the pre-pandemic levels. As large NBFCs tap new segments, co-lending and partnerships with the emerging and mid-sized NBFCs will gain traction. With this shift and NBFCs being able to pass on the increase in cost of borrowing to consumers, at least in incremental disbursements, gross spreads are likely to compress 40-60 basis points (bps) this fiscal.

Outlook:

Non- Banking Financial Companies (NBFCs) are set to announce robust results on the back of strong credit, Upcycle, higher disbursements and higher collections.

NBFCs would maintain loan growth of around 14% year on year basis in the next fiscal year on back of Higher demand for loan against property, housing loan, vehicle finance loan and personal loan. The existing on balance sheet liquidity would help in maintaining funding cost for certain quarters. However, a rising interest Rate, regime would impact funding costs for incremental borrowing across capital market instruments

The Union government has set a target of infrastructure investment of over Rs. 111 lakh crore under the National Infrastructure Pipeline (NIP) and the pace of infrastructure investment is planned to be twice the past level. In line with same, Rating agency ICRA Ltd has revised its outlook to positive from stable for non-banking financial companies - infrastructure finance companies (NBFC-IFCs) on expectations of a continuation of enhanced performance in FY23-24.

Business Segment Analysis

During the period under review, the Company's activities was majorly restricted to Capital Market, NBFC and related fields which specifically involve in trading and dealing in Securities and Mutual Funds.

8. Share Transfer System

Stakeholders' Relationship Committee has been constituted to approve the transmission of shares, issue of duplicate share certificates and allied matters. The shareholders are free to hold the Company's shares either in physical form or in dematerialized form. However, with effect from April 01, 2019, the shareholders are not allowed to transfer any shares in the physical form and hence, the dematerialisation of the shares is mandatory for transfer of shares. Thus, the Company encourages the holding of shares in dematerialized form. The shares held in dematerialized form can be transferred through the depositories without the Company's involvement. Pursuant to Regulation 40 (9) of the SEBI Listing Regulations, the Company obtains certificates from a Company Secretary in Practice on a half-yearly basis to the effect that all the transmission/ split / consolidation/ transposition requests are completed within the statutory stipulated period. A copy of the said certificate is submitted to both the Stock Exchanges, where the shares of the Company are listed.

INDEPENDENT AUDITORS' REPORT

To,

The Members of

Quest Capital Markets Limited (Formerly BNK Capital Markets Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Quest Capital Markets Limited ("the Company"), which comprise the Balance Sheet as at **31st March 2023**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March, 2023**, its **Profit**, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules issued thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information included in the Annual report, but does not include the financial statements and auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company stability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date on Financial Statements

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Quest Capital Markets Limited (“the Company”) as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these financial statements

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that,

in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company;
and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial with reference to these financial statements reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at **31st March, 2023**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2023

1 Background information

Quest Capital Markets Limited CIN:L34202WB1986PLC040542 is a public limited Company domiciled in India and incorporated under the Companies Act, 1956. Quest Capital Markets Limited is registered under the Reserve Bank of India Act, 1934 as a Non-Banking Financial Company and is primarily engaged in investment activities. Its shares are listed on the BSE Limited and The Calcutta Stock Exchange Limited in India.

The impact assessment of COVID 19 is a continuous process given the uncertainties associated with its nature and duration. Hence, the management will continue to closely observe the evolving scenario and take into account any future developments arising out of the same.

1.1 Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

1.2 Basis of Preparation of Financial Statements

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs, except for information pertaining to EPS.

1.3 Use of estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant and equipment, useful lives of property, plant and equipment, provisions and contingent liabilities and long term retirement benefits.

2 Significant Accounting policies

2.1 Revenue /Income recognition

- (a) **Dividend income** (including from FVOCI investments) is recognised when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably. This is generally when the Shareholders or Board of Directors approve the dividend.

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

- (b) **Interest Income:** Under Ind AS 109 interest income is recorded using the Effective Interest Rate (EIR) method for all financial instruments measured at amortised cost, debt instrument measured at FVOCI and debt instruments designated at FVTPL. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument or, when appropriate, a shorter period, to the net carrying amount of the financial asset.

The EIR (and therefore, the amortised cost of the asset) is calculated by taking into account any discount or premium on acquisition, fees and costs that are an integral part of the EIR.

- (c) **Income from Sale of shares and Securities:** The Company recognises purchase and sale of securities at transaction price. Closing Inventory is fair valued and net changes is recognised in statement of profit and loss.
- (d) **Net Gain/(Loss) on Fair value Changes:** The Company recognises net gain/(loss) measured at fair value measured at fair value through profit or loss in the Statement of profit or loss.
- (e) **Other Income:** The Company recognises other income on accrual basis when it becomes due.
- (f) **(i) Revenue from contracts with customers:** Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade and other discounts, rebates and amounts collected on behalf of third parties.

Where the Company is the principal in the transaction, the sales are recorded at their gross values. The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash considerations and consideration payable to the customer (if any). Any amounts received for which the Company does not provide any distinct goods or services are considered as a reduction of purchase cost.

However, Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company regardless of when the payment is being made and specific criteria have been met for each of the Company's activities as described below.

- (ii) **Sale of services:** Revenue from rendering of services is recognised when the outcome of a transaction can be estimated reliably and when the Company satisfies its performance obligation."

2.2 Property, Plant and Equipment and Intangible Assets

- a) Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in other income / expense in the statement of profit and loss in the year the asset is derecognised.

(b) Capital work in progress and Capital advances

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed in Non-Financial Assets.

(c) Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the written down value method to allocate their cost, net of their residual values on the basis of useful life prescribed in Schedule II to the Companies Act, 2013.

Property, plant and equipment's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

2.3 Financial Instruments

(a) Classification

A Financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instruments of another entity.

Financial assets, other than equity, are classified into, Financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel

The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed

How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)

The expected frequency, value and timing of sales are also important aspects of the Company's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

(b) Initial recognition

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customers account. Trade receivables are measured at the transaction price.

(c) Subsequent measurement

Financial assets at amortised cost

Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently these are measured at amortised cost using effective interest method less any impairment losses.

(d) Debt Instruments at FVOCI

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the Company. FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

(e) Equity Instruments at FVOCI

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where the Company's management has elected to irrevocably designated the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

(f) Fair value through Profit and loss account

Financial assets are measured at FVTPL unless it is measured at amortised cost or at FVOCI on initial recognition. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in profit or loss.

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

2.4 Financial Liabilities and equity instruments

(a) Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

(b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

(c) Other Financial Liabilities

These are measured at amortised cost using effective interest rate.

(d) Derecognition of Financial assets and Financial liabilities

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

On de-recognition of a financial asset in its entirety, the difference between:

- the carrying amount (measured at the date of de-recognition) and
- the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss or Other Comprehensive Income.

When the investment is disposed of, the cumulative gain or loss previously accumulated in FVTOCI is transferred from FVTOCI to Retained Earnings."

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

(e) Impairment of financial assets

The Company recognizes a loss allowance for expected credit losses on a financial asset that is at amortized cost or fair value through OCI. Loss allowance in respect of financial assets is measured at an amount equal to life time expected credit losses and is calculated as the difference between their carrying amount and the present value of the expected future cash flows discounted at the original effective interest rate.

(f) Reclassification of Financial assets

The company does not re-classify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances when the company changes its business model for managing such financial assets.

2.5 Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method and other valuation models.

2.6 Investment in subsidiaries and associates

The company has chosen to carry the Investments in associates and subsidiaries at cost less impairment, if any in the separate financial statements.

2.7 Foreign currency transactions and translation

The financial statements of the Company are presented in Indian rupees (Rs.), which is the functional currency of the Company and the presentation currency for the financial statements.

In preparing the financial statements, transactions in currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Exchange differences arising on the retranslation or settlement of monetary items are included in the statement of profit and loss for the period.

2.8 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, as they are considered an integral part of the Company's cash management.

2.9 Inventories

The Company makes trading in Equity Shares/Securities of companies listed over stock exchanges in India. Inventories of Equity Shares and securities are valued at fair value and the gain/ loss is recognised through the Statement of Profit and Loss.

2.10 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transactions cost) and the redemption amount is recognized in the statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that sum or all of the facility will be drawn down. In this case, the fees is deferred until the drawn down occurs. To the extent there is no evidence that it is probable that sum or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in Statement of Profit and Loss as other gains/(losses).

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

2.11 Provision, Contingent Liabilities and Contingent Assets, legal or constructive

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

2.12 Employee Benefits

(a) Short-term Employee Benefits

These are recognised at the undiscounted amount as expense for the year in which the related service is rendered.

(b) Post-employment Benefit Plans

Post retirement benefits like provident fund, superannuation, gratuity, leave and post retirement medical benefits are provided for as below :

(i) Defined Contribution Plans

Contributions under Defined Contribution Plans i.e. provident fund & superannuation fund are recognised in the Statement of Profit and Loss in the period in which the employee has rendered the service.

(ii) Defined Benefit Plans

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each year end balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income or in profit and loss account. The service cost and net interest on the net defined benefit liability/(asset) is recognised as an expense.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value of plan assets.

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

2.13 Impairment of non-financial assets

The carrying amounts of the Company's property, plant and equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverse, the carrying of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal an impairment loss is recognised immediately in profit of loss.

2.14 Segment Reporting

(a) Identification of segment

The Company has identified that its operating segments are the primary segments. The company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit and offering different products and serving different markets.

(b) Allocation of common costs

Common allocable costs are inter se allocated to segments based on the basis most relevant to the nature of the cost concerned. Revenue and expenses, which relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

2.15 Income Tax

Income tax expense comprises both current and deferred tax. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date.

Taxable profit differs from net profit as reported in the Standalone statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

Deferred income tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements and is accounted for using the balance sheet liability method.

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2023

Deferred income tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using tax rates and laws, enacted or substantially enacted as of the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as an income or expense in the period that includes the enactment or substantive enactment date.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and they are in the same taxable entity, or a Group of taxable entities where the tax losses of one entity are used to offset the taxable profits of another and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

2.16 Leases

Ind AS 116 defines a lease term as the non -cancellable period for which the lessee has the right to use an underlying asset including optional periods, when an entity is reasonably certain to exercise an option to extend (or not to terminate) a lease. The Company considers all relevant facts and circumstances that create an economic incentive for the lessee to exercise the option when determining the lease term. The option to extend the lease term is included in the lease term, if it is reasonably certain that the lessee would exercise the option. The Company reassesses the option when significant events or changes in circumstances occur that are within the control of the lessee. The Company has also taken exemption for leases which are of short term period.

2.17 Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares

2.18 Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Act, unless otherwise stated.

"The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the

b) **Measurement of fair values**

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Level I: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level II: other techniques for which all inputs which have a significant effect on the recorded fair value are observable,

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH 2023

either directly or indirectly.

Level III: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

- (i) The management assessed that fair value of cash and cash equivalents, trade receivables, trade payables, and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (ii) Financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (iii) The fair values of the equity investment which are quoted, are derived from quoted market prices in active markets. The Investments measured at fair value and falling under fair value hierarchy Level 3 are valued on the basis of valuation reports provided by external valuers with the exception of certain investments, where cost has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair values within that range.
- (iv) The fair value of the financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- (v) There have been no transfers between Level I and Level II for the years ended March 31, 2023 and March 31, 2022.
- (vi) Reconciliation of Level I and Level III fair value measurement is as below:

33 (c) FINANCIAL RISK MANAGEMENT

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

CREDIT RISK

Credit risk is the risk of financial loss to the company if a counter-party fails to meet its contractual obligations.

Trade receivables

Credit risk with respect to trade receivables is limited, since the trade receivables amount is immaterial.

NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH 2023

Cash and cash equivalents

The company holds cash and cash equivalents of Rs. 92.51 lacs at 31 March 2023 (31 March 2022: Rs. 97.84 lacs). The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

MARKET RISK

"Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as equity price, interest rates etc.) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. The Company is exposed to market risk primarily related to the market value of its investments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash Flows of a financial instrument will fluctuate because of changes in market interest rates.

Exposure to interest rate risk :

Since the Company does not have any financial assets or financial liabilities bearing floating interest rates, any change in interest rates at the reporting date would not have any significant impact on the financial statements of the Company.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company doesn't have exposure to the risk of changes in foreign exchange rates and hence is not subjected to such risk.

Price Risk

a) Exposure

The Company is exposed to equity price risk arising from equity shares held by the Company and classified in the balance sheet either as fair value through OCI or fair value through profit or loss .

To manage its price risk arising from investment in equity securities, the Company diversifies its portfolio.

The majority of the Company's equity investments are listed on the BSE or the National Stock Exchange (NSE) in India.

(b) Sensitivity analysis - Equity price risk

The table below summarises the impact of increase/decrease of the market price of the listed instruments on the Company's equity and profit for the period. The analysis is based on the assumption that market price had increased by 2% or decreased by 2%.
