The Company is in the process of implementing a revised HRD program for developing better labour relationships. The company has adopted new policies to recruit, develop and retain skilled manpower. With an aim to expand product range and operations, the Company has made several new appointments to its existing team in various departments.

Quality, Safety & Environment:

The Company has appointed an experienced and accomplished professional to head the Quality Assurance function. Under his supervision, the quality team is actively working towards starting registrations in regulatory markets. The company is taking steps in the right direction to resume its supplies to regulated markets.

An experienced veteran of ETP has been recruited to improve environmental compliance and reduce environmental load. Through his initiatives, the company has invested substantial amounts in upgrading effluent treatment facilities in this financial year. The company has substantially reduced waste water generation through efficient recycling of water, which has not only reduced costs of treatment but also reduced energy consumption and environmental load. In addition, the company has implemented several initiatives to engage and train employees to continuously improve working practices and achieve zero accident level.

Research and Development (R&D)

The company made marginal investments in R&D in FY 2017-2018 primarily for process improvement and cost reduction of existing products. However, as the company's financial performance is improving, the company is increasing its R&D spends in the next financial year. The company is opening a new R&D facility with an aim to develop 4 – 5 new products every year. The focus of the R&D will be create economic value through the development of intellectual property.

Corporate Governance Report is enclosed as a part of the Annual Report along with the certificate from the Statutory Auditors, M/s. N. R. Waghchaure & Associates, Chartered Accountants, Solapur confirming compliance of the code of Corporate Governance as stipulated Para E of schedule V of the Securities and Exchange Board of India (Listing obligations and Disclosure requirements) Regulations, 2015.

Management Discussion and Analysis

Business of the Company and Future Outlook:

The company posted great growth in top line in FY 17 – 18 over the previous financial year owing to the operational strategies initiated in the previous year. This was primarily driven by our efforts to add more customers for our existing products thus increasing volume. 3 of our key products have grown by over 70% in volume year on year contribution to majority of the growth in top line.

Although, low operating margins have been reported on account of a one-time write off of bad debts of receivables of year FY 12-13 amounting to Rs. 7.97 crore. Adjusting for the same, the company has generated healthy EBITDA margins for FY 2017 – 18. Despite competitive pressure on finished product prices and rise in input prices, the company has been able to improve its operational margins due to various cost cutting and productivity improvement measures undertaken during the year.

The company has repaid its entire term loan of Axis Bank & portion of other long term loan in FY 2017 – 18. Efficient capital management has reduced the financial cost to the company in FY 2017 – 18 compared to the previous financial year.

In FY 2018 - 19, the company has secured several long term supply contracts with customers, which are contributing to top line growth and capacity utilization. Going forward, in addition to pursuing volume growth of existing products, the company is launching 2 – 3 new high margin products in FY 2018 – 19, which will build a platform for future growth. Our API R&D expansion, undertaken in FY 2018 – 19, will ensure delivery of 4 – 5 new API every year while generating valuable intellectual property. The company is also working on developing a formulations marketing business in FY 2018 – 19. The focus will be on creating intellectual property of novel formulations and build a niche market for them subsequently. Our efforts are aimed at making the company a vertically integrated pharmaceutical company driven by innovation.

Risk Management, Opportunities & Threats

Raw Material Supply Risk

The Indian API industry is currently facing a threat of reliable and low cost supply of raw materials from China, due to initiatives taken by the Chinese Government to tackle pollution amongst others. The pressure of rising raw material prices is continuing in addition to sudden supply shocks. The company is also facing this situation and is integrating backward by developing in house raw material manufacturing capability or developing manufacturing processes involving alternative raw materials.

However, this is a great opportunity for Indian API companies to regain market share lost to Chinese API manufacturers by going for backward integration. In addition, the industry can develop capabilities for manufacturing various raw materials domestically reducing dependency on China. The company is evaluating products for R&D development, which will leverage the opportunity created by the supply uncertainty of Chinese products.

Industry & Competition Risk

The API industry is a highly competitive industry with downward pressure on prices. The company has approached the risk of slowing growth and reduced margins by focusing on three things:

1. Cost Reduction: The company continuously works on reducing manufacturing and other costs

through various employee led initiatives. In addition, the management focuses on optimizing capacity utilization to get optimum cost structure.

2. **New Product Development:** Launch of newer higher margin products ensures the company can manage product portfolio in favor of optimizing margins. Our increased R&D efforts are aimed at achieving a consistent flow of new products.

3. **Vertical Integration:** The management envisions the company being a niche player in the business of complex formulations. Our initiatives of launching the formulations business will not only add significantly to revenue and margin growth but also reduce the dependency on API business.

Foreign Exchange Risk

Being a net exporter and net earner of foreign exchange (forex), we do not see significant risk from foreign exchange fluctuations. Any downward pressure on Indian rupee will be beneficial for the company, with very little downside in case of a potentially stronger rupee.

Internal Control Systems:

The Company has adequate internal control procedures commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods. However, to improve these systems, the company is planning to implement a suitable ERP system in FY 2018-2019.

Cautionary Statement:

Certain statements, estimates and expectations stated in this Management Discussion and Analysis are based on the current perceptions, data and information available with the Company and may be 'forward-looking statements' within the meaning of applicable securities, laws and regulations.

They reflect the company's current views of future events which are subject to risks and uncertainties, Important factors such as change in the competition scenario in the Company's areas of operations, economic conditions affecting demand/supply and prices situation in the domestic and international market, changes in government regulations, tax laws and other incidental factors may cause actual results to be materially different. The company assumes no responsibility to publicly amend, modify or revise any forward looking statements on the basis of any subsequent development, information or events.

Directors:

Company's applications for waiver of excess remuneration paid to Mr. E Purushotham, Managing Director for the financial years from 2010-2011 to 2013-2014 are still pending with the Central Government.

Mr. E. Purushotham, Managing Director of the Company was re- appointed for a period of 5 (Five) years with effect from 1st April 2017 at AGM held on 04th September, 2017.

Mr. E. Swapnil, Executive Director and Chief Financial Officer (CFO) of the Company was re- appointed for a period of 5 (Five) years with effect from 1st June, 2017 at AGM held on 04th September, 2017.

As required under the SEBI Regulations, particulars of Directors seeking reappointment at the ensuing Annual General Meeting have been given under Corporate Governance Report.

None of the Directors are disqualified from being appointed as Directors, as specified in Section 164 of the Companies Act, 2013.

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149 (6) of the Companies Act, 2013 and their confirmation to adherence to Code of Conduct .

Board Evaluation:

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out annual performance evaluation of its own performance and of other Committees on the basis of participation of directors, quality of information available, quality of discussions, contributions and decision making etc. The overall performance of the members of the Board was found satisfactory. The performance evaluation of Independent Directors was done by the entire Board of Directors and Directors subject to evaluation had not participated in the same. The Independent Directors evaluated performance of non independent Directors and board as a whole.

Nomination and Remuneration policy and evaluation criteria of Independent Directors:

The Board has, on the recommendation of the Nomination & Remuneration Committee framed a policy for selection and appointment of Directors, Key Managerial Personnel, Senior Management and their remuneration and evaluation criteria for performance evaluation of Independent Directors. The Nomination and Remuneration Policy and evaluation criteria of Independent Directors have been provided under Corporate Governance Report.

Audit Committee:

Composition of Audit Committee and terms of reference are given in the Corporate Governance Report.

Details in Respect of Adequacy of Internal Financial Controls with reference to the Financial Statements:

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. To maintain its objectivity and independence, the Internal Auditor reports to the Chairman of the Audit Committee of the Board.

Directors' Responsibility Statement:

Pursuant to the requirement under Section 134 (5) of the Companies Act, 2013 (the "Act") with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- (a) in the preparation of the annual accounts for the financial year ended 31st March, 2018, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year ended 31st March, 2018 and of the loss of the company for the year ended on that date;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records

in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(e) the Directors, have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively.

(f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Meeting of Board and Committees of Directors

During the year 6 Board Meetings and 6 Audit Committee Meetings were convened and held. The details of the same along with other Committee's of Board are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

Auditors

In the 28th Annual General Meeting held on 04th September, 2017, M/s. N. R. Waghchaure & Associates., Chartered Accountants, Solapur (Reg.No.: 114999W) have been appointed Statutory Auditors of the Company for a period of 5 years .

Although under Companies (Amendment) Act, 2017, ratification of the members has been dispensed with, company has obtained confirmation from the said Auditors about their eligibility to continue to hold the office during the current financial year.

Auditors' Report

There are no adverse remarks/ modified opinions in the Auditors Report.

Secretarial Audit

INDEPENDENT AUDITORS' REPORT

To,
The Members of Smruthi Organics Limited

Standalone Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Smruthi Organics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive Income), the Cash Flow Statement and the statement of changes of equity for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, profit or loss (financial performance including other comprehensive Income and cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Ind AS of the state of affairs (Financial Position) of the Company as at March 31, 2018, and its loss (Financial performance including other comprehensive Income) and its cash flows and the changes in equity for the year ended on that date

Report on Other Legal and Regulatory Requirements

Annexure - B to the Independent Auditors' Report

Referred to in paragraph 2(g) under the heading of “ Report on other legal and regulatory requirements of our report of even date.”

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Smruthi Organics Ltd (“the Company”) as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes To the Standalone Financial Statement

as on 31.03.2018

1. Background:

Smruthi Organics Limited (the company') is a company limited by shares, incorporated and domiciled in India. The company is engaged in the manufacture of Active Pharmaceutical ingredients (API's) i.e. Bulk Drugs and Drug Intermediates.

2. Significant accounting policies

System of Accounting:

First-time adoption of Ind AS Pursuant to the Companies (India Accounting Standard) Rules, 2015,

The Company has adopted 31st March 2018 as reporting date for first time adoption of India Accounting Standard (Ind AS) and consequently 1st April 2015 as the transition date for preparation of financial statements. The financial statements for the year ended 31st March 2018, are the first financials, prepared in accordance with Ind AS. Upto the Financial year ended 31st March 2017, the Group prepared its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act 2013, read together with Companies (Accounts) Rules 2014 (Previous GAAP).

For preparing these financial statements, opening balance sheet was prepared as at 1st April 2016 i.e., the date of transition to Ind AS. The figures for the previous periods and for the year ended 31st March 2017 have been restated, regrouped and reclassified, wherever required to comply with Ind AS and Schedule III to the Companies Act 2013 and to make them comparable.

This note explains the principal adjustments made by the Group in restating its financial statements prepared in accordance with Previous GAAP, including the balance sheet as at 1st April 2016 and the financial statements as at and for the year ended 31st March 2017.

Exemptions:

Ind AS 101 allows first time adopters certain exemptions from the retrospective application of certain requirements under Ind AS.

On transition to Ind AS, the group has applied the following exemptions:

1. Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
2. Group has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.
3. Ind AS 102 Share based payment has not been applied to equity instruments in share based

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the followings:

- Certain financial assets and liabilities that are measured at fair value; (refer accounting policy regarding financial instruments)
- Defined benefit plans – plan assets measured at fair value

iii Current and non-current classification

An asset is classified as current if:

- i It is expected to be realized or sold or consumed in the Company's normal operating cycle;
- ii It is held primarily for the purpose of trading;
- iii It is expected to be realized within twelve months after the reporting period; or
- iv It is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A Liability is classified as current if:

- i It is expected to be settled in normal operating cycle;
- ii It is held primarily for the purpose of trading;
- iii It is expected to be settled within twelve months after the reporting period;
- iv It has no unconditional right to defer the settlement of the liability for at least twelve months after reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. Based on the nature of products and time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities

2.2 Segment Reporting :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The chairman and Managing Director has been identified as being the Chief Operating Decision Maker.

The Segment results are as under (Rs. in Lakhs)

Sr.No.	Particulars	Total
1	Gross revenue	9755
2	Segment expenses	10223
3	Profit before interest, depreciation and tax	347
4	Segment Profit/Loss (-) before tax	(468)
5	Tax Expenses (DTA)	147
6	Profit /Loss (-) after tax	(321)

2.3 Foreign Currency Transactions:

i. Functional and presentation currency

Item included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency') The financial statements are presented in Indian rupee (₹), which is Smruthi Organics functional and presentation currency.

ii Transactions and balances

Foreign Exchange Transactions are translated into the functional currency using the exchange rates at the dates of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary liabilities denominated in foreign currencies at year end exchange rate are generally recognized in statement of profit and loss.

Non-monetary items that are measured in items of historical cost in a foreign currency, using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation difference on liabilities carried at fair value are reported as part of the fair value gain or loss.

2.4 Revenue recognition :

i) Revenue from Sale of Goods

Revenue from Sale of Goods is recognized when all the significant risk and rewards of ownership have been transferred to the buyer, revenue can be measured reliably, the costs incurred can be measured reliably, it is probable that the economic benefits associated to the transaction will flow to the entity and there is no continuing management involvement with the goods. Transfer or risks and rewards vary depending on the individual terms of contract of sale. Revenue from sale of goods is stated inclusive of excise duty and net of returns, trade allowances, rebates, sales tax, GST and amounts collected on behalf of third parties.

ii) Interest Incomes:

For all financial instruments measured at amortized cost, interest income is recognized using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period where appropriate, to the net carrying amount of the financial asset. Interest income is included in Other Income in the Statement of Profit and Loss.

2.5 Income Taxes:

The income tax expense or credit for the period is the tax payable on the current period taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is not calculated as the company is in operating loss.

Income Tax is computed after adjustments of Other Comprehensive income (Foreign Exchange fluctuation amount).

Deferred income tax is provided in full, using the liability method, on temporal difference arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognized for temporary difference between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balance relate to the same taxation, authority. Current tax assets and liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss. Except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively

Deferred Tax Assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly MAT is recognized as deferent tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future entomic benefit associated with the asset will be realized.

2.6 Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss will be recognized for the amounts by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash- generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.7 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, deposits held at call with financial institutions, other short-term , highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowing in current liabilities in the balance sheet.

2.8 Trade receivables:

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

During the year, the company has written off as bad of Rs. 79703285 to the Profit and Loss account.

2.9 Inventories:

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost and net realizable value. Cost of raw materials and stores comprise of cost of purchase. Cost of work-in-progress and finished goods comprises direct materials labour and an appropriate preparation of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated costs of completion and the estimated necessary to make the sale. Items held for use in production of inventory are not written below cost if the finished product in which there will be incorporated are expected to be sold at or above cost.

2.10 Investments and other financial assets.

i) Classification :

The company classifies its financial assets in the following measurements categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair values, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instrument, this will depend on the business model in which the investment is held. For investment in equity instruments, this will depend on whether the company has an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The company reclassifies debt investments when and only when its business model for managing those assets changes.

ii) Measurement :

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

iii) Impairment of financial assets

For trade receivable only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

2.11 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet where there is a legally enforceable right to offset the recognized amount and there is an intention to settle on a net basis or realize the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on further events and must be enforceable in the normal courses of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

2.12 Property, Plant and Equipment

Property, Plant and Equipment Leasehold land is carried at historical costs. All other items of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Cost includes cost of acquisition, installation or construction, other direct expenses incurred to bring the assets to its working condition and finance costs incurred up to the date the asset is ready for its intended use and excludes cenvat / value added tax eligible for credit / setoff.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the same are depreciated separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest. All identifiable Revenue expenses including interest incurred in respect of various projects / expansion, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work-in-Progress. Capital expenditure on tangible assets for research and development is classified under property, plant and equipment and is depreciated on the same basis as other property, plant and equipment.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation for Company

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Property, plant and equipment is provided on written down value method, over the useful life of the assets, as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis. Building constructed on leasehold land are depreciated based on the useful life specified in Schedule II to the Companies Act, 2013, where the lease period of the land is beyond the life of the building. In other cases, building constructed on leasehold lands are amortised over the primary lease period of the lands. The asset's residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

During the year, the PPE is reduced from Gross amount of Rs. 240498 as materials received are not in as per specification and rejected and debited to the respective accounts by the company.

2.13 Trade and Other Payables:

These amounts represents liabilities for goods provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

2.14 Borrowings:

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In the case the fee is deferred until the draw down occurs.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

2.15 Provision

Provision are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provisions due to the passage of time is recognized as interest expenses. Provision for litigation related obligation represents liabilities that are expected to materialize in respect of matters in app

2.16 Employee benefits:

- **Short-terms obligations**

Liabilities for wages and salaries, bonus, ex-gratia etc. that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related services are recognized in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

- **Other Long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are to be measured as the present value of expected future payments to be made in respect of service provided by employees up to the end of the reporting period using the projected unit credit method. The benefit are discounted using the market yields at the end of the reporting period that have terms approximating to the terms related obligations.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

The company has not measured the details of earned leave for the year.

2.26 Critical estimates and Judgments:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Managements also needs to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of item which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statement.

The areas involving critical estimates or judgments are :

- I. Estimation of current expense and payable
- II. Estimation of defined benefit obligations
- III. Allowance for uncollected accounts receivable and advances-Trade receivable do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrevocable amounts. Individual trade receivable are written off when management deems them not to be collectible.

Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.
