STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 4 & 5

Keeping in view the Company's existing and future financial requirements to support its Business operations, the Company needs additional funds. Currently the Board of Directors of the company have sanction of Rs.300 Crores as the borrowing limit from the Shareholders and it envisage enhanced requirements of funds in future for working capital requirement due to various development in stock market business and release of various exchanges/SEBI circulars in the recent times. Hence it is proposed to increase the maximum borrowing limits from any Bank(s), Financial Institutions (FI's), Bodies Corporate or Business Associates, etc., in excess of paid-up capital and free reserves of the Company by a sum not exceeding Rs.600 Crores (Rupees Six Hundred Crores only) for the purposes of business activities of the Company.

Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a General Meeting.

In order to facilitate securing the borrowings made by the Company, it would be necessary to create charge on the assets on whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking. The creation of charge on the assets of Company would fall within such powers and hence the approval of members required in the General Meeting.

The Board recommends these resolutions for the approval of the members as Special Resolutions.

None of the Directors or the Key Managerial Personnel of the Company including their relatives are in any way concerned or interested in the resolutions.

ANNUAL REPORT
2016-17
ADITYA BIRLA MONEY LIMITED

BIG ON MILESTONES

LETTER FROM THE CHAIRMAN

Dear Shareholders,

In FY17, Indian economy continued its path of expansion, crossing many hurdles along the way (like demonetization, impact of adverse geopolitical events like Brexit, US Presidential elections, etc). Indian GDP is expected to grow at 7.1% for FY17 as we continue to be the fastest growing amongst large economies in the world according to IMF. Amongst other macro-economic indicators, inflation (CPI) continued to glide lower for the entire FY17, and had averaged around 4.53% for the year FY17. The RBI has further set a target of 4% by the end of FY18. The fall has been mainly due to lower MSP increases, steady commodity prices and structural supply side reforms, further aided by a good monsoon after two years of weak / drought like monsoon. Within CPI, it is the core CPI (i.e. ex food and fuel) which remains sticky. Food inflation remained low as global agri commodities prices fell and good rains kept domestic food prices in check. Industrial Production has remained the Achilles' heel for Indian economy for the past several years and still continues to be so. The IIP growth slowed down to 0.48% compared with a 2.4% growth in the previous year, largely due to excess capacity in the system. On the external trade side, exports have started to look up since the start of Q3 FY17, on account of a low base and also on account on improvement in the global economy. Moreover, the popular (and widely tracked) twin deficits of the country, CAD and Fiscal Deficit continue to improve and are expected to be around 1.3% and 3.5% respectively as compared to 1.3% and 3.9% respectively in the previous year.

As far as investment flows are concerned, the story of the year was rise (and subsequent sustenance) of domestic institutional investors' flow, which matched the FII flows dollar for dollar. So, while FIIs invested Rs.540 bn, DIIs pumped in Rs.547 bn during the year FY17. FII flows are expected to improve in FY18 as government reforms boost growth. Macro indicators also continue to be better than other comparable emerging markets.

On the primary market front, FY17 saw a very healthy pipeline being executed. Interestingly out of 21 large IPOs, almost 15 companies have beaten the Sensex's performance. Even on a standalone basis the BSE IPO index was up by a whopping 32% for the fiscal year. Nearly Rs.28,000 crores was raised by these IPOs, the highest since FY10-11.

Further your Company's continued focus on cost reduction and productivity enhancement initiatives supported by market buoyancy have resulted into considerable gains both in revenues as well as profitability. Further, we enhanced our product offerings and reached out to specific profitable segments successfully.

Your Company reported a consolidated net profit of Rs.7.27 crores in FY 16-17. Income from operations of the Company for the FY 16-17 is Rs.133.11 crores as compared to Rs.127.65 crores for the previous year.

Given the underlying potential of Indian markets in the long run, we continue to be positive on the long term potential in India and expect retail investors to increase their participation in capital markets. Your Company will continue to work towards creating enduring value for its stakeholders and customers by converting challenges into opportunities.

Yours Sincerely,

MACRO ECONOMIC SCENARIO

THE INDIAN ECONOMY & MARKETS

Even on a standalone basis the BSE IPO index was up by a whopping 32% for the fiscal year. Nearly Rs.28,000 crores was raised by these IPOs, the highest since FY10-11.

GLOBAL ECONOMY AND DEVELOPMENTS

The global economy performed better in FY17 as compared to FY16. The improvement was led primarily by stabilization (and rise in some instances) of global commodity prices, thus somewhat restoring the balance between commodity producers and commodity consumers.

One theme that dominated the world, through the entire FY17, has been that of growing support for protectionism amongst some of the western economies as highlighted by Brexit and US Presidential election results.

Global equity markets somewhat reflected that sentiment, with DMs performing better than EMs. For the fiscal year, while US equity markets rose by ~16% and Europe rose between 10% - 20%, most EMs rose between 5% - 15% (with the exception of market like India, which rose by ~20%).

EM economies, which had a tough year in FY16, fared somewhat better in FY17. Most EM economies strengthened during the year as global reflation continued through the year. Since most of the EM countries are net exporter of commodities, steady rise in commodity prices through the year helped them set their house in order. However, the growing protectionism chorus globally can be a big challenge for EMs as many of these nations have built their economies around exports (China, South Korea, Taiwan, Brazil, etc.).

INDUSTRY STRUCTURE AND DEVELOPMENTS

During FY17, average daily cash market volumes increased to Rs.24,000 crores as compared to Rs.20,000 crores in the previous year as domestic economic recovery (along with global economic recovery) gained ground and equity emerged as the preferred asset class. What further added to the cash market volumes was the steady rise in the SIP book of the domestic equity mutual funds to Rs.4,000 crores per month. Moreover, positive real rates due to falling inflation, has resulted in shift of savings from physical assets to financial assets.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Daily derivatives turnover increased sharply from Rs.280,000 crores to Rs.380,000 crores, to some extent due to rise in the underlying prices of stocks/indices. Indian markets continue to be heavy on derivatives while light on cash trading, thereby suggesting higher speculative activity than investing activity. While this mix has improved over the years in favor of investing volumes, this mix is also driven by the fact that the derivatives market is more liquid than the cash market and hence amenable for better price discovery. Higher share of lower yielding derivatives segment and lower share of higher yielding cash/delivery segment in the Indian stock market has been the key reason for earnings pressure for the broking industry over the years.

Average Daily Turnover F&O Segment (Rs. Bn)

Average Daily Turnover Cash Segment (Rs. Bn)

FINANCIAL PERFORMANCE AND REVIEW OF OPERATIONS

Your Company recorded an Income from Operations of Rs.117.69 crores for the year ended March 31, 2017. The Company on a standalone basis has achieved total income of Rs.125 crores as compared to Rs.118.38 crores during the previous year. The Net Profit for the year stood at Rs.6.15 crores for the year ended March 31, 2017 as compared to Rs.1.20 crores in previous financial year.

ECONOMIC OUTLOOK FOR FY-18

The global economy is expected to expand by 3.4% in CY17 as compared to 3.1% in CY16 according to IMF data. While a 30 bps jump may not optically seem large, it is quite meaningful when looking at world GDP numbers. India is forecast to grow its GDP by 7.2% in CY17, making it the fastest growing large economy, even ahead of China which is expected to grow at 6.4%. The latest weather forecast points towards the likelihood of "largely" normal monsoon for FY18 after a good monsoon in FY17 normal rains, though El Nino impact could be felt towards the fag end of the monsoon. Inflation is expected to be benign, in the backdrop of stable commodity prices (with the exception of crude, which could face downward pressure from shale). Interest rates may remain steady too, with RBI having changed its stance from accommodative to neutral to stand guard against any potential inflation shock. External accounts remain quite comfortable with deficits being funded through remittances and FDI/FPI inflows. Falling under-recoveries and a widening tax base will also keep fiscal deficits in check.

Macroeconomic indicators like the core sector growth, Index of Industrial Production, capital spends etc., which had improved in FY16 after falling for two years, again hit the slow lane in FY17, but with government finances in reasonable shape and GST increasing the tax base, public capex could pick up in FY18. All these can lead to our dream of hitting double digit GDP growth in the next few years.

INDUSTRY

For the broking industry, structural challenges remain. One of the biggest challenges for the broking industry has long been the fall in share of high yielding cash segment volumes as against low yielding derivatives. Financialization of savings, although happening at a faster pace now, is still lower as compared to developed nations. As this improves, flows in to equity, debt, MFs, etc will likely improve significantly over coming years. On the other hand, cost pressures and low yields continue to dominate the broking industry. This has led to falling yields in the broking business accompanied with change in business model for a large number of players.

MANAGEMENT'S DISCUSSION AND ANALYSIS

While Indians did consume more and save less during the past few years, we expect the trend to reverse and savings rate to move back up. Moreover, with the introduction of two more asset classes i.e. REITS & InvITs, investors' options within the financial basket will increase, leading to channelizing of more savings towards financial assets. Moreover, expansion of derivatives products on commodities, currencies and stocks will also aid in better price discovery in the markets while benefiting broking industry by generating higher revenues.

Further, as inflation expectations moderate and real interest rates turn positive, incentives to save more than consume will rise leading to a higher savings ratio for the country. Moreover, within financial savings, equity has attracted the lowest share of the saver's wallet until now. One of the key reasons for the same has been high interest rates. Given that interest rates have come down through the year gone by, and that interest rates are starting to get market linked, we sense a structural shift over the next decade in the savings composition of our economy.

The pricing environment continues to be challenging in the industry, with institutional brokerage commission being capped at 12 bps for cash market & 5 bps for futures segment. The yield in the Options and Commodity segment too is falling due to competitive intensity.

The outlook for the industry is dependent upon key factors like global (and domestic) economic recovery, and financialization of savings. A broad based macro-economic recovery will lead to improved corporate profitability thereby supporting equity returns. Moreover, improving domestic growth and continued reforms will attract foreign portfolio flows into India. Finally a vibrant and high quality primary market pipeline will also help gain investor confidence and hence enhance participation.

OPPORTUNITIES AND THREATS

India is in the midst of a multi year bull run after a prolonged slowdown of three years between 2011 and 2013. With the global macro-economic environment (low commodity prices, low interest rate regimes in most markets) benign the reforms on track for implementation of GST, India's macros look in being extremely good shape. Moreover, with spate of recent election wins, the political environment too appears extremely stable across centre, states and municipal corporations providing a platform for synchronous policy execution. With the building blocks for an accelerated economic recovery in place we believe that as the recovery comes about, participation in the financial markets is likely to increase. Moreover, with increased pace of financialization of savings, the equity broking industry is set for increased volumes over the next few years.

Further, since equities are expected to do well over the next few years, we will likely see increased retail participation. Your Company is aware of the same and is making conscious efforts to increase investor participation. It has plans to increase its overall market share by targeting profitable segments. Your Company is also focusing on efficient use of technology to become a cost optimum player in the market.

Your Company will continue to focus on technology, drive client acquisition, increase its business partner network, rationalise cost and provide efficient trading tools and value added research advice to its clients. The overall strategic focus is to create product and service differentiators across all segments.

RISK AND CONCERNS

The very nature of the Company's business makes it susceptible to various kinds of risks. The Company encounters market risk, credit risk and operational risks in its daily business operations. The Company has framed a comprehensive Risk Management Policy which *inter-alia* lays down detailed process and policies in the various facets of the risk management function. The risk management review framework provides complete oversight to various risk management practices and process. The framework and assessment remains dynamic and aligns with the continuing requirements and demands of the market. The Company has also implemented a robust surveillance mechanism to deal with various trade related risks and adopted a surveillance policy in line with the regulatory requirements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

INTERNAL CONTROL AND ADEQUACY

The Company has adequate internal control systems appropriate for the business processes having regard to efficiency of operations and for compliance with applicable laws. The controls are reviewed periodically and strengthened in view of changed processes, systems and regulations. In addition, the Company goes through periodic internal audits both through its internal team and external auditors, which includes branch and franchisee audits as well as all operations control. All the audit and inspection reports are placed at the Audit Committee meetings. Key issues are specifically brought to the attention of the Audit Committee and deliberated in detail along with the action plan for closure.

HUMAN RESOURCES

One of the key pillars of the Company's business is its people. The Company's HR policies and practices are built on Aditya Birla Group's core values of *Integrity, Passion, Speed, Commitment and Seamlessness*. The Company's focus is on recruitment of good talent and retention of the talent pool. The Company is hopeful and confident of achieving the same to be able to deliver results and value for our shareholders. Policy on Remuneration to Directors, Key Managerial Personnel and Other Employees

The Nomination and Remuneration Committee has recommended to the Board a policy on remuneration for the Directors, Key Managerial Personnel and other employees. The key highlights of the policy are reproduced herein below:

Objectives of the Executive Remuneration Program:

Our executive compensation program is designed to attract, retain, and reward talented executives who will contribute to our long-term success and thereby build value for our shareholders.

Our executive compensation program is intended to:

1. Provide for monetary and non-monetary remuneration elements to our executives on a holistic basis.
2. Emphasise "Pay for Performance" by aligning incentives with business strategies to reward executives who achieve or exceed Group, business and individual goals.

Business and Talent Competitors

We benchmark our executive pay practices and levels against peer companies in similar industries, geographies and of similar size.

Executive Pay-mix

Our executive pay-mix aims to strike the appropriate balance between key components:

- (i) Fixed Cash compensation (Basic Salary + Allowances)
- (ii) Annual Incentive Plan
- (iii) Long-Term Incentives
- (iv) Perks and Benefits

Performance Goal Setting

We aim to ensure that for both annual incentive plans and long term incentive plans, the target performance goals shall be achievable and realistic.

Performance Measurement & Executive Benefits

Our executives are eligible to participate in our broad-based retirement, health and welfare, and other employee benefit plans. In addition to these broad-based plans, they are eligible for other benefits plans commensurate with their roles. These benefits are designed to encourage long-term careers with the Group.

INDEPENDENT AUDITOR'S REPORT

To the Members of Aditya Birla Money Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of Aditya Birla Money Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017 the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2017, its profit, and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note No. 21 of the Notes to the Financial Statements relating to the recoverability of assets in the nature of trade receivables, advances, and other assets etc. aggregating to Rs.184,367,355/- grouped under advances recoverable in cash or kind, which is subject matter of claim and more fully described therein. Our opinion is not qualified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016;
 - (e) On the basis of written representations received from the directors as on 31st March 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2017, from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note No. 33(ii) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in Note No. 37 to these standalone financial statements as to the holding of Specified Bank Notes on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on our audit procedures and relying on the management representation regarding the holding and nature of cash transactions, including Specified Bank Notes, we report that these disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the Management.

INDEPENDENT AUDITOR'S REPORT

Annexure 1 referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our Report of even date

Re: Aditya Birla Money Limited ("the Company")

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification, which, in our opinion, is reasonable having regard to the size of Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given by the management, the title deeds of immovable properties included in property, plant and equipment/fixed assets are held in the name of the company except for immovable properties aggregating to Rs.15 lakhs for which the title is in dispute and the matter is sub judice. Also refer Note No. 9A to the financial statements.
- (ii) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) According to the information and explanation given to us, the Company has not granted any loans, secured or unsecured to or from companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act and hence clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities granted in respect of which provisions of Section 185 and 186 of the Act are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Act for the products/services of the Company.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities though there was a slight delay in a case amounting to Rs.6,850/-. The provisions relating to duty of customs and duty of excise are not applicable to the Company.
 - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions of duty of customs and duty of excise are not applicable to the Company.

As more fully discussed in Note No. 22 to the Financial Statements, stamp duties collected by the Company in respect of States wherein the manner of payment has not been notified from July 2011 onwards and remaining unpaid as of 31st March 2017 is Rs.10,572,030/-. As the manner of payment of the same has not been notified, we are not in a position to comment if any portion of the stamp duties collected has become due and outstanding for more than six months as at the Balance Sheet date.

- (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, provident fund, wealth-tax, service-tax, value added tax and cess on account of any dispute, are as follows:

INDEPENDENT AUDITOR'S REPORT

Name of the Statute	Nature of dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending

*Includes payment of Rs.4,625,484 under protest.

The provisions of duty of customs and excise duty are not applicable to the Company.

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of dues to a financial institution, bank or debenture holders or government.
- (ix) In our opinion and according to the information and explanations given by the management, the Company has utilized the monies raised by way of debt instruments in the nature of commercial paper for the purposes for which those were raised.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the company or no fraud on the company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the provisions of Section 197 read with Schedule V of the Act is not applicable to the Company and hence reporting under clause 3(xi) are not applicable and hence not commented upon.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and on an overall examination of the Balance Sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and, not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with the directors or persons connected with him as referred to in Section 192 of Companies Act, 2013.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF ADITYA BIRLA MONEY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Aditya Birla Money Limited

We have audited the internal financial controls over financial reporting of Aditya Birla Money Limited ("the Company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

INDEPENDENT AUDITOR'S REPORT

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

1. Nature of operations

Aditya Birla Money Limited ('ABML' or 'the Company') was incorporated on July 04, 1995 in Chennai, Tamil Nadu. ABML is a broking and distribution player, offering Equity and Derivative trading through NSE and BSE. It is registered as a Depository Participant with both NSDL and CDSL in terms of the Securities and Exchange Board of India (Depository Participants) Regulations, 1996 and also provides Portfolio Management Services.

2. Statement of Significant Accounting Policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous years.

b) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainties about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Property, Plant and Equipment and Depreciation

Property, Plant and Equipment are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Each part of an item of Property, Plant and Equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of fixed assets are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the fixed assets as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation on Property, Plant and Equipment is provided on Straight Line basis using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013 or estimated by the management. The company has used the following useful life to provide depreciation on its fixed assets.

Assets where useful life is same as Schedule II:

Asset	Useful Life as Prescribed by Schedule II of the Co. Act, 2013
Computers (end user computers, Laptops)	3
Servers	6
V-SAT	6
Office Equipment (AC, UPS, Generator & Invertors)	5
Vehicles	6

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by Internal Technical Assessment.

Asset	Useful Life as Prescribed by Schedule II of the Co. Act, 2013	Estimated Useful Life
Batteries (included under office Equipment)	5 Years	4 Years
Furniture & Fixtures*	10 Years	7 years

*In case of Furniture & Fixtures fitted with premises, depreciation calculated based on lease period taking into account the secondary lease period or 7 years whichever is less.

Leasehold Assets

Leasehold Improvements	Period of Lease ranging from 4 to 5 years
------------------------	---

Fixed Assets, individually costing less than Rupees Five Thousands, are fully depreciated in the year of purchase.

Depreciation on the Fixed Assets added/disposed off/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

d) Intangible assets

Intangible assets are recorded at the consideration paid for acquisition. The computer software costs are capitalized and recognized as intangible assets in terms of Accounting Standard 26 - Intangible Assets based on materiality, accounting prudence and significant economic benefit expected there from to flow over a period longer than one year. Capitalized costs include direct costs of implementation and expenses directly attributable to the development of the software. All other expenses on existing intangible assets, including day-to-day maintenance expenditure are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Computer software cost that are capitalized are amortized over the estimated useful life of 6 years on a Straight Line basis.

e) Impairment

- (i) The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.
- (ii) After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

f) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

h) Revenues

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Brokerage Income and transaction charges are recognized on the trade date of the transaction upon confirmation of the transactions by the exchanges.

Income from depository services and interest and finance charges are recognized on the basis of agreements entered into with clients and when the right to receive the income is established.

Other interest incomes are recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest. The same is included under the head 'other income' in the Statement of Profit and Loss.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Portfolio management fees are recognised on an accrual basis in accordance with the Portfolio Management Agreements entered into with the respective clients.

i) Employee Benefits

i Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

ii. Gratuity liability under the Payment of Gratuity Act which is a defined benefit scheme is accrued and provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

- iii. Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation at the year end. The actuarial valuation is done as per projected unit credit method. The Company presents the entire leave as a current liability in the Balance Sheet, since it does not have unconditional right to defer its settlement for 12 months after the reporting date.
- iv. Actuarial gains/losses are immediately taken to Statement of Profit and Loss and are not deferred.

j) Employee stock compensation cost

Employees (including senior executives) of the company receive remuneration in the form of share based payment transactions, whereby employees render services as consideration for equity instruments (equity-settled transactions).

In accordance with the *Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014* and the *Guidance Note on Accounting for Employee Share-based Payments*, the cost of equity-settled transactions is measured using the intrinsic value method. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognized in the Statement of Profit and Loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

k) Income Tax

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each Balance Sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

l) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Contingent Liability and Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

n) Segment Reporting

The Company's business is to provide brokerage service and Portfolio Management Services ('PMS') to its clients in the capital markets within India. All other activities of the Company revolve around these activities. PMS does not qualify as a Reportable Segment since it does not meet the criteria as mentioned in Para 27 of Accounting Standard on Segment Reporting (AS-17) and hence it is not disclosed separately.

o) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

p) Sharing of costs

The Company shares certain costs / service charges with other Companies in the Group. These costs have been allocated on a reasonable and consistent basis between the Companies as mutually agreed to.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

21) Assets forming part of claims made by the Ultimate Parent Company

Pursuant to a Share Purchase agreement ('SPA') between Aditya Birla Nuvo Limited ('ABNL' or 'the Purchaser'), ultimate holding company and Mr. Prataph C Reddy and others ("Erstwhile Promoters") dated August 28, 2008, ABNL had agreed to acquire 31 million equity shares in Aditya Birla Money Limited ("the Company"). The transaction was completed on March 6, 2009.

As per the SPA, the Erstwhile Promoters had agreed to indemnify and hold harmless the Purchaser to the extent of any Losses, resulting from or consequent upon or relating to such breach of representations or warranties, covenants or agreement including but not limited to the recoveries of receivables and other assets in the books of the Company, contingencies on tax and related matters etc.

Subsequent to the completion of the above transaction, the Purchaser noted several breaches of representations and warranties including but not limited to non-recovery of debtors, irrecoverable advances, missing fixed assets etc. Accordingly, ABNL based on its internal assessment of the recoverability of receivables, fixed assets, other assets and matters relating to tax and other contingencies arrived at an amount of Rs.163,882,296 as Losses incurred on account of breach of representation / warranties in the SPA. Further, ABNL vide its letter dated March 5, 2011 made a separate claim of Rs.5,169,379 for amounts becoming due and payable on accounts of various cases initiated by the customers of the Company. ABNL invoked the arbitration mechanism and filed their Statement of Claim on February 26, 2011 with the Arbitration Tribunal.

Pending the final outcome of the arbitration proceedings, the Company has identified all such receivables, assets etc which are have not been recovered and other items which are the subject matter of the claim to the extent they are in the books of accounts of the Company as at March 31, 2017 aggregating Rs.184,367,355/- (previous year: Rs.183,368,483/-) and disclosed the same in Short Term Loans & Advances under Note 11B of the Balance Sheet, as these amounts would be paid directly to the Company by the Erstwhile Promoters at the direction of ABNL as and when the settlement happens.

Both parties completed filing of documents. On 04th July 2012, a hearing was held and M/s. Delloitte Haskins & Sells were asked to act as auditors by the Arbitrators with a mandate to submit a report on whether from an accounting perspective, including the accounting treatment that has been given to the items set out in the Statement of Claim, the amounts as claimed are correct as per accounting practice.

The arbitral tribunal then directed the Claimants and Respondents to file their objections if any to the audit report submitted by Professional Accounting firm and had also directed the Respondent to file their list of witnesses (if any) by the end of April 2013. The Respondents filed their objections to the audit report and ABNL had also filed its reply to the said objections.

Arguments in rebuttal by the Claimant was completed on 25th October 2013 and written submissions were filed by 29th October 2013. The tribunal has reserved the award.

During FY 2014-15, Arbitral Tribunal has passed an award, allowing claim of Rs.99,190,697/-, which excluded premature claims pertaining to income tax, service tax, etc. Further, such award directed the Erstwhile Promoters to pay a sum of Rs.55,546,790/- (being 56% of Rs.99,190,697/-, as ABNL has purchased only 56% of shares), along with interest @ 14% from the date of award. This award was received by ABNL on 27th May 2014.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

Subsequently, both the parties have filed petitions under Sec.34 of the Arbitration and Conciliation Act, 1996 seeking to set aside the award and the same were admitted and pending on the file of the High Court of Madras.

In respect of such receivables, which exclude premature claims pertaining to income tax, service tax, etc., the Company has created adequate provision, which also includes claims not awarded by the Arbitral Tribunal to the extent of 44%. In respect of tax claims, the Company has obtained favorable orders for certain assessment years & is confident of recovering such amount in due course. Such amounts are fully recoverable from the income tax department.

Further in the month of October 2015, Supreme Court dismissed the appeal filed by the Company against SAT order directing the company to pay a sum of Rs.16,596,652/- together with interest thereon. Consequently SEBI served a notice of demand on the Company seeking payment of a sum of Rs.16,596,652/- towards turnover fee and a sum of Rs.37,638,304/- and in the month of October 2016, Rs.1,129,149/- towards interest thereon from the respective due dates of payment of the said Turnover Fee.

As the erstwhile promoters have agreed to indemnify ABNL to the extent of any losses resulting from or consequent upon the civil appeal pending before Supreme Court vide Civil Appeal No. 3441/2007 in the SPA, the demand was communicated to the erstwhile promoters and the erstwhile promoters have paid the total turnover fee of Rs.16,596,652/- to the Company against the payment made by the Company to SEBI.

The request of the Company to SEBI seeking waiver of the interest was not considered favourably and the review petition filed by the Company in Supreme Court was also dismissed. In the meanwhile SEBI issued a Recovery Certificate dated 12.01.2016 seeking to recover the interest amount and the Company remitted the above mentioned interest amount with SEBI under intimation to erstwhile promoters.

Based on legal opinion received by the Company in earlier year and internal assessment, the ultimate Company is confident of recovering the allowed claim through the legal process. Further, we conform that ABNL has committed to transfer any funds received on settlement of arbitration order to the company. Accordingly, in our opinion there is no uncertainty in recovery of such amounts and no additional provision is necessary.

22) Stamp duty

Hitherto, the Company had been collecting and remitting stamp duties with respect to states wherein the manner of payment of the same has been prescribed by the respective State Governments. From July 2011, the Company had started collecting stamp duty on contract notes for all states, including the states wherein the manner of payment has not yet been notified. The Company is evaluating various options of remitting the same, including remitting those amounts in the State of Tamil Nadu, as all the contract notes are executed at Tamil Nadu. Pending, the final determination of the manner of remittance, amount of Rs.10,572,030/- (Previous year: Rs.7,916,843/-) collected till March 31, 2017 has been disclosed under "Statutory Dues" under "Other Current Liabilities".

23) Capital and other commitment

- a) Estimated amount of contracts remaining to be executed on capital account, net of advances and not provided for is Nil (Previous year - Nil).
- b) For commitments relating to lease arrangements, please refer note 28.

During an earlier year the Company had made an application to the Central Government under Section 309 (5B) of the Companies Act, 1956 for seeking waiver of excess managerial remuneration amounting to Rs.3,094,634/- (Previous year: Rs.3,094,634/-) (excluding statutory contribution to provident fund, gratuity and leave encashment which are exempted under Schedule VI) paid to Mr. P.B. Subramaniyan, the erstwhile whole time director ('Erstwhile Director') of the Company for the period from April 1, 2008 to March 6, 2009.

During the earlier year, the Company has received an order from the Central Government (CG) whereby the CG has rejected excess remuneration of Rs.1,626,614/- (Previous year: Rs.1,626,614/-) and directed the Company to collect the same from the erstwhile Director. Further the Company has filed a civil suit in the High Court of Judicature at Madras vide C.S. No. 53/2016 seeking recovery of the excess remuneration paid to Mr. P.B. Subramaniyan. Pending the recovery of the same, it has been shown as advances recoverable by the Company in the Balance Sheet.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

31) Foreign currency transactions

The Company did not enter into any foreign currency transactions in the current year and previous year.

32) Stock options granted under ABML – Employee Stock Option Scheme – 2014

The objective of the Employee Stock Option Scheme is to attract and retain talent and align the interest of employees with the Company as well as to motivate them to contribute to its growth and profitability.

In accordance with the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, as amended by Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (hereinafter referred to as 'SEBI ESOP Regulations') and the Guidance Note on Accounting for Employee Share-based Payments, the cost of equity-settled transactions is measured using the intrinsic value method. The cumulative expense to be recognized for equity-settled transactions at each reporting date until the vesting date will reflect the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit to be recognized in the Statement of Profit and Loss for a period to represent the movement in cumulative expense recognized as at the beginning and end of that period and is to be recognized in employee benefits expense. However, there is no expense that is incurred during the year by the Company for this purpose since the exercise price at which the options have been granted by the Company to eligible employees are at the market price of the Company and the market price of the shares under ESOP being more than the exercise price of the option. As per the ABML ESOP Scheme - 2014, 25% of the stock option granted got vested at the end of 12 months from the date of grant of option but none of the employees exercised the vested option till 31st March 2017.

Stock options granted under ABML – Employee Stock Option Scheme – 2014

In the earlier year, the Company had formulated the ABML Employee Stock Option Scheme – 2014 (ABML ESOP Scheme – 2014) with the approval of the shareholders at the Annual General Meeting dated September 09, 2014. The Scheme provides that the total number of options granted there under will be 27,70,000 and to follow the Market Value Method (Intrinsic Value) for valuation of the Options. Each option, on exercise, is convertible into one equity share of the Company having face value of Rs.1 each. Subsequently, the Nomination and Remuneration Committee of the Board of Directors on December 2, 2014 has granted 25,09,341 stock options to its eligible employees under the ABML ESOP Scheme – 2014 at an exercise price of Rs.34.25/-. The Exercise Price was based on the latest available closing price, prior to the December 2, 2014 (the date of grant by the Nomination & Remuneration Committee) on the recognized stock exchanges on which the shares of the Company are listed with the highest trading volume.

Summary of Stock Options granted under ABML ESOP Scheme – 2014 is as under

Options granted on December 02, 2014	2,509,341
Options outstanding as on April 01, 2016	1,979,120
No. of options granted during the year	Nil
Method of Accounting	Intrinsic Value
Vesting Plan	25% every year
Exercise period	Within 5 years from the date of vesting of respective options
Grant/Exercise price (Rs. per share)	34.25/-
Market price as on the date of the grant	34.25/-(previous day closing price on the recognized stock exchange)
Options forfeited/lapsed during the year	533,275
Options exercised during the year	Nil
Options outstanding as on March 31, 2017	1,445,845

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

The vesting period in respect of the options granted under ABML ESOP Scheme – 2014 is as follows:

Sl. No	Vesting Dates	% of options that shall vest
1	12 months from the date of grant	25% of the grant
2	24 months from the date of grant	25% of the grant
3	36 months from the date of grant	25% of the grant
4	48 months from the date of grant	25% of the grant

None of the employees have exercised the vested options.

The Company has granted options to the eligible employees at an exercise price of Rs.34.25 per share being the latest market price as per SEBI ESOP Regulations. In view of this, there being no intrinsic value (being the excess of the market price of share under ESOP over the exercise price of the option), on the date of grant, the Company is not required to account the accounting value of option as per SEBI ESOP Regulations.

Fair Valuation:

The fair value of the options on the date of grant has been done by an independent valuer using Black-Scholes Formula.

The key assumptions are as under:

Risk-free interest rate (%)	8.13%
Expected life (No. of years)	5.00
Expected volatility (%)	54.26%
Dividend yield (%)	0.00
The price of the underlying share in market at the time of option grant	Rs.34.25/-

Had the company used the fair value model to determine compensation, its profit after tax and earnings per share as reported would have changed to the amounts indicated below:

Particulars	For the year ended March 31, 2017	For the year ended March 31, 2016

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

To the Members of Aditya Birla Money Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Aditya Birla Money Limited (hereinafter referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), comprising of the consolidated Balance Sheet as at 31 March 2017, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms with the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group, as at 31 March 2017, their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note No. 21 of the Notes to the Financial Statements relating to the recoverability of assets in the nature of trade receivables, advances, and other assets etc. aggregating to Rs.187,597,255/- grouped under advances recoverable in cash or kind, which is subject matter of claim and more fully described therein. Our opinion is not qualified in respect of this matter.

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books;
- (c) The consolidated Balance Sheet, consolidated Statement of Profit and Loss, and consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016;
- (e) On the basis of the written representations received from the directors of the Holding Company and the Subsidiary Company as on 31st March 2017 taken on record by the Board of Directors of the Holding Company and Subsidiary Company respectively, none of the directors of the Holding Company and Subsidiary Company, incorporated in India is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary company, incorporated in India, refer to our separate report in Annexure 1 to this report;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group. Refer Note No. 33(ii) to the consolidated financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ADITYA BIRLA MONEY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Aditya Birla Money Limited

In conjunction with our audit of the consolidated financial statements of Aditya Birla Money Limited as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of Aditya Birla Money Limited (hereinafter referred to as the "Holding Company") and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

1) Principles of consolidation

- i) The Consolidated Financial Statements ('CFS') relate to Aditya Birla Money Limited ('the Company') and its 100% (Previous year 100%) wholly owned subsidiary Aditya Birla Commodities Broking Limited ('ABCBL'). Aditya Birla Commodities Broking Limited is incorporated in India.
- ii) The financial statements of the subsidiary have been drawn for the same reporting period as that of the Company i.e. year ended March 31, 2017.
- iii) The financial statements of the Company and its subsidiary have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses and after eliminating intra-group balances, intra-group transactions and unrealized profits/losses.
- iv) There is no excess / shortage of cost to the Company of its investment in the subsidiary over its proportionate share in the equity as at the date of the investment. Accordingly no goodwill / capital reserve is recognized in the CFS.
- v) The CFS have been prepared using uniform accounting policies, except as stated otherwise, for like transactions and are presented to the extent possible, in the same manner as the Company's separate financial statements.

2) Statement of Significant Accounting Policies

a) Basis of Preparation

The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Companies Accounting Standards Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956 read with General Circular 15/2013 dated 13 September 2013, issued by the Ministry of Corporate Affairs, in respect of 133 of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention and on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year. However, as these financial statements are not statutory financial statements, full compliance with the above Act are not required and so they may not reflect all the disclosure requirements of the Act. The financial statements have been prepared under the historical cost convention and on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

b) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainties about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Property, Plant & Equipment and Depreciation

Property, Plant & Equipment are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Each part of an item of Property, Plant and Equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. When significant parts of fixed assets are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the fixed assets as a replacement if the recognition criteria are satisfied. Any trade discounts and rebates are deducted in arriving at the purchase price.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

Depreciation on Property, Plant & Equipment is provided on Straight Line using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013 or estimated by the management. The company has used the following useful life to provide depreciation on its fixed assets.

Assets where useful life is same as Schedule II:

Asset	Useful Life as Prescribed by Schedule II of the Co. Act, 2013
Computers (end user computers, Laptops)	3
Servers	6
V-SAT	6
Office Equipment (AC, UPS, Generator & Invertors)	5
Vehicles	6

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by Internal Technical Assessment.

Asset	Useful Life as Prescribed by Schedule II of the Co. Act, 2013	Estimated Useful Life
Batteries (included under office Equipment's)	5 Years	4 Years
Furniture & Fixtures*	10 Years	7 years

*In case of Furniture & Fixtures fitted with premises, depreciation calculated based on lease period taking in to account the secondary lease period or 7 years whichever is less.

Leasehold Assets

Leasehold Improvements	Period of Lease ranging from 4 to 5 years
------------------------	---

Fixed Assets, individually costing less than Rupees five thousands, are fully depreciated in the year of purchase.

Depreciation on the Fixed Assets added/disposed off/discarded during the year is provided on pro-rata basis with reference to the month of addition/disposal/discarding.

d) Intangible Assets

Intangible assets are recorded at the consideration paid for acquisition. The computer software costs are capitalized and recognized as intangible assets in terms of Accounting Standard 26 - Intangible Assets based on materiality, accounting prudence and significant economic benefit expected there from to flow over a period longer than one year. Capitalized costs include direct costs of implementation and expenses directly attributable to the development of the software. All other expenses on existing intangible assets, including day-to-day maintenance expenditure are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Computer software cost capitalized, is amortized over the estimated useful life of 6 years on a straight line basis.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

e) Impairment

- 1) The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.
- 2) After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

f) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

h) Revenues

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Brokerage Income and transaction charges are recognized on the trade date of the transaction upon confirmation of the transactions by the exchanges.

Income from depository services, referral fee and interest and finance charges are recognised on the basis of agreements entered into with clients and when the right to receive the income is established.

Other interest incomes are recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest. The same is included under the head 'Other Income' in the Statement of Profit and Loss.

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Portfolio management fees are recognized on an accrual basis in accordance with the Portfolio Management Agreements entered into with the respective clients.

i) Employee Benefits

- i. Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

- ii. Gratuity liability under the Payment of Gratuity Act which is a defined benefit scheme is accrued and provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.
- iii. Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation at the year end. The actuarial valuation is done as per projected unit credit method. The Company presents the entire leave as a current liability in the Balance Sheet, since it does not have unconditional right to defer its settlement for 12 months after the reporting date.
- iv. Actuarial gains/losses are immediately taken to Statement of Profit and Loss and are not deferred.

j) Employee Stock Compensation Cost

Employees (including senior executives) of the company receive remuneration in the form of share based payment transactions, whereby employees render services as consideration for equity instruments (equity-settled transactions).

In accordance with the *Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments*, the cost of equity-settled transactions is measured using the intrinsic value method. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognized in the Statement of Profit and Loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

k) Income Tax

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each Balance Sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset, in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

l) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m)Contingent Liability and Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

n) Segment Reporting

The Company is principally engaged in the business of Broking and related activities. The operations are entirely in India.

o) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

p) Sharing of costs

The Company shares certain costs / service charges with other companies in the Group. These costs have been allocated on a reasonable and consistent basis between the Companies as mutually agreed to.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

21) Assets forming part of claims made by the Ultimate Parent Company

Pursuant to a Share Purchase agreement ('SPA') between Aditya Birla Nuvo Limited ('ABNL' or 'the Purchaser') and Mr Prataph C Reddy and others ("Erstwhile Promoters") dated August 28, 2008, ABNL had agreed to acquire 31 million equity shares in Aditya Birla Money Limited ("the Company"). The transaction was completed on March 6, 2009.

As per the SPA, the Erstwhile Promoters had agreed to indemnify and hold harmless the Purchaser to the extent of any Losses, resulting from or consequent upon or relating to such breach of representations or warranties, covenants or agreement including but not limited to the recoveries of receivables and other assets in the books of the Company, contingencies on tax and related matters etc.

Subsequent to the completion of the above transaction, the Purchaser noted several breaches of representations and warranties including but not limited to non-recovery of debtors, irrecoverable advances, missing fixed assets etc. Accordingly, ABNL based on its internal assessment of the recoverability of receivables, fixed assets, other assets and matters relating to tax and other contingencies arrived at an amount of Rs.166,634,149 as Losses incurred on account of breach of representation warranties in the SPA. Further, ABNL vide its letter dated March 5, 2011 made a separate claim of Rs.5,169,379 for amounts becoming due and payable on accounts of various cases initiated by the customers of the Company. ABNL invoked the arbitration mechanism and filed their Statement of Claim on February 26, 2011 with the Arbitration Tribunal.

Pending the final outcome of the arbitration proceedings, the Company has identified all such receivables, assets etc which are have not been recovered and other items which are the subject matter of the claim to the extent they are in the books of accounts of the Company as at March 31, 2017 aggregating Rs.187,597,255/- (previous year: Rs.186,598,383/-) and disclosed the same in Short Term Loans & Advances in Note No 11B of the Balance Sheet, as these amounts would be paid directly to the Company by the Erstwhile Promoters at the direction of ABNL as and when the settlement happens.

Both report submitted by Professional Accounting firm and had also directed the Respondent to file their list of witnesses (if any) by the end of April 2013. The Respondents filed their objections to the audit report and ABNL had also filed its reply to the said objections.

Arguments in rebuttal by the Claimant was completed on 25 October 2013 and written submissions were filed by 29 October 2013. The tribunal has reserved the award.

During the FY 2014-15, Arbitral Tribunal has passed an award, allowing claim of Rs.102,395,606/-, which excluded premature claims pertaining to income tax, service tax, etc. Further, such award directed the Erstwhile Promoters to pay a sum of Rs.57,341,539/- (being 56% of Rs.102,395,606/-, as ABNL has purchased only 56% of shares), alongwith interest @ 14% from the date of award. This award was received by ABNL on 27th May 2014.

Subsequently, during the year both parties have filed petitions under Sec.34 of the Arbitration and Conciliation Act, 1996 seeking to set aside the award and the same are admitted and pending on the file of the High Court of Madras.

In respect of such receivables, which exclude premature claims pertaining to income tax, service tax, etc., the Company has created adequate provision, which also includes claims not awarded by the Arbitral Tribunal to the extent of 44%. In respect of tax claims, the company has obtained favourable order for certain assessment years & is confident of recovering such amount in due course. Such amounts are fully recoverable from the income tax department.

Further in the month of October 2015, Supreme Court dismissed the appeal filed by the Company against SAT order directing the company to pay a sum of Rs.16,596,652/- together with interest thereon. Consequently SEBI served a notice of demand on the Company seeking payment of a sum of 16,596,652/- towards turnover fee and a sum of Rs.37,638,304/- and in the month of October 2016, Rs.1,129,149/- towards interest thereon from the respective due dates of payment of the said Turnover Fee.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

As the erstwhile promoters have agreed to indemnify ABNL to the extent of any losses resulting from or consequent upon the civil appeal pending before Supreme Court vide Civil Appeal No. 3441/2007 in the SPA, the demand was communicated to the erstwhile promoters and the erstwhile promoters have paid the total turnover fee of Rs.16,596,652/- to the Company against the payment made by the Company to SEBI.

The request of the Company to SEBI seeking waiver of the interest was not considered favourably and the review petition filed by the Company in Supreme Court was also dismissed. In the meanwhile SEBI issued a Recovery Certificate dated 12.01.2016 seeking to recover the interest amount and the Company remitted the above mentioned interest amount with SEBI under intimation to erstwhile promoters.

Based on legal opinion received by the Company in the previous year and internal assessment, the ultimate company is confident of recovering the allowed claim through the legal process. Further, we conform that ABNL has committed to transfer any funds received on settlement of arbitration order to the company. Accordingly in our opinion there is no uncertainty in recovery of such amounts and no additional provision is necessary.

22) Stamp duty

Hitherto, the Company had been collecting and remitting stamp duties with respect to states wherein the manner of payment of the same has been prescribed by the respective State Governments. From July 2011, the Company had started collecting stamp duty on contract notes for all states, including the states wherein the manner of payment has not yet been notified. The Company is evaluating various options of remitting the same, including remitting those amounts in the State of Tamil Nadu, as all the contract notes are executed at Tamil Nadu. Pending, the final determination of the manner of remittance, amount of Rs.10,572,030/- (Previous year: Rs.7,916,843/-) collected till March 31, 2017 has been disclosed under statutory dues in other current liabilities.

31) Stock options granted under ABML – Employee Stock Option Scheme – 2014

The objective of the Employee Stock Option Scheme is to attract and retain talent and align the interest of employees with the Company as well as to motivate them to contribute to its growth and profitability.

In accordance with the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, as amended by Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (hereinafter referred to as 'SEBI ESOP Regulations') and the Guidance Note on Accounting for Employee Share-based Payments, the cost of equity-settled transactions is measured using the intrinsic value method. The cumulative expense to be recognized for equity-settled transactions at each reporting date until the vesting date will reflect the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit to be recognized in the Statement of Profit and Loss for a period to represent the movement in cumulative expense recognized as at the beginning and end of that period and is to be recognized in employee benefits expense. However, there is no expense that is incurred during the year by the Company for this purpose since the exercise price at which the options have been granted by the Company to eligible employees are at the market price of the Company and the market price of the shares under ESOP being less than the exercise price of the option. As per the ABML ESOP 2014, 25% of the stock option granted got vested at the end of twelve months from the date of grant of option but none of the employees exercised the vested option till 31st March 2017.

Stock options granted under ABML – Employee Stock Option Scheme – 2014

In the previous year, the Company had formulated the ABML Employee Stock Option Scheme – 2014 (ABML ESOP Scheme – 2014) with the approval of the shareholders at the Annual General Meeting dated September 09, 2014. The Scheme provides that the total number of options granted there under will be 2,770,000 and to follow the Market Value Method (Intrinsic Value) for valuation of the Options. Each option, on exercise, is convertible into one equity share of the Company having face value of Re.1 each. Subsequently, the Nomination and Remuneration Committee of the Board of Directors on December 2, 2014 has granted 2,509,341 stock options to its eligible employees under the ABML ESOP Scheme – 2014 at an exercise price of Rs.34.25/-. The Exercise Price was based on the latest available closing price, prior to the December 2, 2014 (the date of grant by the Nomination & Remuneration Committee) on the recognized stock exchanges on which the shares of the Company are listed with the highest trading volume.

Summary of Stock Options granted under ABML ESOP Scheme – 2014 is as under

Options granted on December 02, 2014	2,509,341
Options outstanding as on April 01, 2016	1,979,120
No. of options granted during the year	Nil
Method of Accounting	Intrinsic Value
Vesting Plan	25% every year
Exercise period	Within 5 years from the date of vesting of respective options
Grant/Exercise price (Rs. per share)	34.25/-
Market price as on the date of the grant	34.25/-(previous day closing price on the recognized stock exchange)
Options forfeited/lapsed during the year	533,275
Options exercised during the year	Nil
Options outstanding as on March 31, 2017	1,445,845

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

(All amounts are in Indian Rupees, unless otherwise stated)

The vesting period in respect of the options granted under ABML ESOP Scheme – 2014 is as follows:

Sr. No	Vesting Dates	% of options that shall vest
1	12 months from the date of grant	25% of the grant
2	24 months from the date of grant	25% of the grant
3	36 months from the date of grant	25% of the grant
4	48 months from the date of grant	25% of the grant

None of the employees have exercised the vested options.

The Company has granted options to the eligible employees at an exercise price of Rs.34.25 per share being the latest market price as per SEBI ESOP Regulations. In view of this, there being no intrinsic value (being the excess of the market price of share under ESOP over the exercise price of the option), on the date of grant, the Company is not required to account the accounting value of option as per SEBI ESOP Regulations.

Fair Valuation: The fair value of the options on the date of grant has been done by an independent valuer using Black-Scholes Formula.

The key assumptions are as under:

Risk-free interest rate (%)	8.13%
Expected life (No. of years)	5.00
Expected volatility (%)	54.26%
Dividend yield (%)	0.00
The price of the underlying share in market at the time of option grant	Rs.34.25/-

Had the company used the fair value model to determine compensation, its profit after tax and earnings per share as reported would have changed to the amounts indicated below:

Particulars	For the year ended March 31, 2017	For the year ended March 31, 2016
