FIBC BAGS DIVISION

The FIBC Division has registered a Turnover of Rs.225.14 Crores as against Rs.202.21 Crores of the previous year due to improved price realization and receding inflationary pressure in the US economy. The FIBC Market is highly competitive with a large number of global and regional players competing on factors such as product quality, innovation, price, distribution network and customer service.

The global Flexible Intermediate Bulk Container (FIBC) industry experienced notable growth during the fiscal year 2024–2025, positioning itself as a critical segment within the industrial packaging landscape. According to recent analysis by Straits Research, the global FIBC market reached a valuation of USD 8.36 billion in 2024 and is expected to grow to USD 12.86 billion by 2033, at a steady compound annual

growth rate (CAGR) of 4.9% during the forecast period (2025–2033). This expansion reflects the increasing global reliance on cost-effective and efficient bulk packaging solutions.

One of the primary drivers of this growth is the surge in international trade. Emerging economies, particularly in Asia have shown robust economic activity leading to greater import-export volumes. As global logistics systems demand higher packaging standards for safety, durability and compliance, FIBCs have become the preferred choice for transporting bulk commodities across borders. Their versatility, reusability and customizability further enhance their appeal across industries.

Additionally, the healthcare sector has emerged as a significant consumer of FIBC products. Accelerated healthcare investments, combined with rising chronic disease cases in regions like Asia-Pacific and the Middle East have led to increased demand for hygienic and reliable packaging solutions. Pharmaceutical raw materials and medical-grade chemicals now often require FIBCs for safe transport and storage, contributing to market expansion.

India remains at the forefront of global FIBC supply. The Indian FIBC industry saw substantial export growth in 2024–2025, driven by its competitive manufacturing costs, consistent product quality and enhanced production capabilities. India currently accounts for approximately 75% of FIBC imports into Europe and 72% into the U.S., solidifying its role as a global market leader—especially as sourcing preferences shift away from China.

Furthermore, the rise of e-commerce has significantly influenced packaging demands. With online retail expected to represent over 12% of all retail in Western Europe and over 19% in the United States, supply chain logistics have expanded rapidly, necessitating durable and scalable packaging solutions like FIBCs.

2024–2025 has been a transformative year for the FIBC industry, characterized by rising global demand, sectoral diversification and strong performance from key manufacturing hubs like India. The industry is expected to maintain this growth momentum, adapting to global trade dynamics, evolving consumer markets and shifting supply chain needs.

Following the 26% tariff announced by the Trump administration, a temporary 90-day pause began on April 9, 2025. A lower 10% tariff remains in effect. Thus far, this has not significantly impacted our orders. However, we may need to consider shared cost arrangements with clients if conditions change. Latest news say US is to cut tariffs on China from 145% to 30% for a 90 day period but Indian suppliers still seem to be better positioned compared to Chinese exporters facing steeper tariffs.

At Polyspin, we take pride in being one of India's oldest manufacturers and exporters of FIBCs. Our advanced manufacturing facilities and cutting-edge machinery ensure the highest quality of finished products. Our philosophy centers on continuous improvement—across products, processes, systems, and our team—enabling us to unlock new possibilities and build strong capabilities. This drive helps us stay focused on achieving leadership in our core business areas while fostering long-term customer relationships. We are committed to delivering customer satisfaction through ongoing innovation, supported by a culture of positivity and collaboration.

Polyspin continues to grow by focusing on its key strengths and future opportunities. One of our major areas of focus is research and development, where we work continuously to enhance our manufacturing systems and improve traceability. This leads to higher productivity and better inventory control. We have introduced automation in supporting processes within manufacturing, which helps us reduce manual work and improve efficiency. Our fabric store is equipped with a barcode system that prevents materials from staying too long in storage and which helps in effective and efficient material movement between departments and processes, which is important for smooth functioning as well as maintaining UV protection in the fabric. To manage waste better, we use automated systems that detect defects in fabrics early, helping us reduce material loss. All our workers are permanent employees, which allows us to provide regular training and skill development. This results in improved product quality and better output. We are committed to sustainable practices with our energy needs met through in factory solar power and our own windmill. Customer feedbacks are thoroughly reviewed to find the root cause and corrective actions are taken. Actions are recorded and closely monitored. We aim to reply to all customer queries within 24 hours or within 48 hours if more clarification is needed. These ongoing efforts help strengthen our operations and open up new opportunities for growth in the future.

Along with general industrial risks that any company would face, our industry specifically given the highly labour-intensive nature of the industry, there is an ongoing risk related to workforce management. Challenges such as high attrition rates, skill gaps and the need for continuous training can impact productivity and operational efficiency. Additionally, frequent updates in government labour policies require constant monitoring and compliance. Failure to adapt to these regulations or maintain a stable workforce could lead to disruptions in production, increased costs or legal non-compliance. To mitigate this risk, Polyspin invests in regular skill development programs, employee engagement initiatives and closely monitors labour laws to ensure timely and appropriate action.

We believe our employees are the foundation of our success. We are committed to supporting them and giving back to the

communities around us. Last year, we offered career guidance to students of class 10 and 12 and hosted a summer camp for children. These efforts reflect our belief that a strong company grows with a strong and supported community.

We have continued to align our operations with market trends through focused strategy and innovation. Key highlights include:

Strong client retention and continuous in-coming orders.

Working continuously on increasing Operational efficiencies through automation, Time study, Motion study and focusing on Value Added bags.

Progress in digital systems integration.

With global sourcing shifting in our favour and continued demand, we expect sustained growth. The industry outlook remains positive, though we will stay alert to any trade or macroeconomic shifts.

OPEN END SPINNING DIVISION

The Company had permanently closed the operations of textile division during the last financial year 2023-24 due to unviability of prices and continued market slow-down. The management has completed the realization process during September 2024. The Machineries of Book value Rs. 57.22 lakhs out of Total Assets held for sale of Rs.5.84 Crores were re-employed for FIBC division. The management intends to use those machines for FIBC division and will be disposed whenever the prospective buyers are identified.

The details of discontinued operations are as follows:

Total Profit/ (Loss) of Discontinued operations was (Rs.110.93) Lakhs. Out of Total Losses made, the loss pertains to sales of Machineries was Rs. 106.60 lakhs.

SOLAR PLANT

The Company has completed the installation of 1.304 MW (1304 kWp) Roof Top Solar Power Plant at FIBC Division in the last year with an intent to reduce the power cost through Captive Consumption. The Solar Panels started generating powers from April 2024 onwards. The Solar Panel has generated 17,31,492 units during the year and these were used for captive consumption.

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. Polyspin Exports Limited
Report on the Standalone IND AS Financial Statements
Opinion

We have audited the accompanying Standalone IND AS financial statements of **M/s. Polyspin Exports Limited ("the Company")** which comprises the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the IND AS and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone IND AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note No.34.8 to the standalone financial statements, which describes the status of confirmation of balance of Trade Debtors, Trade Creditors and other Parties.

Our opinion is not modified in respect of these matters.

Key Audit Matters :

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone IND AS financial statements of the current period.

These matters were addressed in the context of our audit of the Standalone IND AS financial statements as a whole and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our Report.

Sl. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of uncertain tax positions The Company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes. Refer Note No.34.3 to the Standalone Financial Statements	Principal Audit Procedures Obtained details of completed tax assessments and demands for the year ended March 31, 2025 from management. We involved our expertise to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.
2.	Recoverability of Indirect tax receivables As at March 31, 2025, other current assets in respect of withholding tax, GST and CESAT appeal Duty of Rs. 26.73 lakhs which are pending adjudication.	Principal Audit Procedures We have involved our expertise to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.
3.	Assessment of the Company's litigations and related disclosure of contingent liabilities Refer to Note No. 34.3 to the Standalone Financial Statements – "Contingent liabilities not provided for". As at March 31, 2025, the Company has exposures towards litigations relating to the matter as included in the aforesaid Notes. Significant management judgement is required to assess such matter to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised or a disclosure should be made. The management judgement is also supported with legal advice in certain cases as considered appropriate. As the ultimate outcome of the matter is uncertain and the position taken by the management are based on the application of their best judgement, related legal advice including those relating to interpretation of laws/regulations,	Our procedures included the following: <ul style="list-style-type: none"> • We understood, assessed and tested the design and operating effectiveness of the Company's key controls surrounding assessment of litigations relating to the relevant laws and regulations; • We discussed with management the recent developments and the status of the material litigations which were reviewed and noted by the Company's audit committee; • We performed our assessment on a test basis on the underlying calculations supporting the contingent liabilities made in relation to the Company's Standalone Financial Statements; • We used auditor's experts to gain an understanding and to evaluate the disputed tax matters; • We considered external legal opinions, where relevant, obtained by management; • We met with the Company's external legal counsel to understand the interpretation of laws/regulations considered by the management in their assessment relating to a material litigation;

Sl. No.	Key Audit Matter	Auditor's Response
	it is considered to be a Key Audit Matter.	<ul style="list-style-type: none"> • We evaluated management's assessments by understanding precedents set in similar cases and assessed the reliability of the management's past estimates / judgements; • We evaluated management's assessment around those matters that are not disclosed or not considered as contingent liability, as the probability of material outflow is considered to be remote by the management; • We assessed the adequacy of the disclosures. • Based on the above work performed, management's assessment in respect of the Company's litigations and related disclosures relating to contingent liabilities in the Standalone Financial Statements are considered to be reasonable.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone IND AS Financial Statement

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India including Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance

with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the standalone IND AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone IND AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

A further description of the auditor's responsibilities for the audit of the standalone IND AS financial statements is included in Annexure A. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by

this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone IND AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the Internal Financial Control with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C"
- B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone IND AS financial statements – Refer Note No.34.3 to the Standalone INDAS financial statements;
 - ii) The Company has recognized material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note No 29.1 (a) to the INDAS financial statements;
 - iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity including foreign entity ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified

in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner.
- (c) whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (d) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) As stated in Note No. 35.8 to the standalone financial statements
The Company has not recommended any dividend for the financial year 2024 - 2025.
- C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act as amended:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act.
- D) **Reporting Under Rule 11(g) of companies (Audit and Auditors) Rules, 2014**
Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

ANNEXURE - A**Responsibilities for Audit of Standalone IND AS Financial Statement**

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone IND AS financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events by Central Government of India in terms of section 143(II) of or conditions may cause the Company to cease to continue as a going concern. Evaluate the overall presentation, structure and content of the standalone IND AS financial statements including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in
 - (i) planning the scope of our audit work and in evaluating the results of our work; and

- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE -B TO INDEPENDENT AUDITOR'S REPORT

Annexure referred to in paragraph 1 of our Independent Auditor's Report of even date to the members of M/s. Polyspin Exports Limited on the accounts of the Company for the year ended 31st March, 2025

In terms of Companies (Auditor's Report) Order 2020, issued by Central Government of India, in terms of Section 143(11) of the Companies Act, 2013, we further report on the matters specified in paragraph 3 and 4 of the said order that:-

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) i) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment and Intangible Assets and relevant details of right-of-use assets.
 - ii) The Company has maintained proper records showing full particulars of intangible assets.

- b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once in every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- d) The Company has not revalued its Property, Plant & Equipment or Intangible assets or both during the year.
- e) No proceedings have been initiated or are pending against the Company as at 31st March 2025, for holding benami property under The Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. INVENTORIES

- i. Physical verification of inventory or has been conducted at reasonable intervals by management. In our opinion, the coverage and procedure by the management is appropriate. There were no material discrepancies (exceeding 10%) noticed in each class of inventory.
- ii. The quarterly returns/statements filed by the Company with banks are in agreement with the books of the Company.

3. LOANS TO PARTIES LISTED U/S 189 OF THE ACT

The Company has neither made investments in companies nor granted unsecured loans to other parties, during the year.

4. COMPLIANCE WITH SECTIONS 185 & 186 OF THE ACT

The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of investments made as applicable.

5. DEPOSITS:

The company has not accepted any deposit or amounts which are deemed to be deposits. Hence reporting under clause 3(v) of the Order is not applicable.

6. COST RECORDS:

The maintenance of cost records has not been specified by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

7. STATUTORY DUES

- i. The Company has generally been regular in depositing undisputed statutory dues, including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Excise, Cess and other material statutory dues applicable to it with the appropriate authorities.
- ii. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Excise, Cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.
- iii. Details of statutory dues referred to in sub-clause (i) above which have not been deposited as on March 31, 2025 on account of disputes are given below:

8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
9. i) The company has not defaulted in any repayment of loans or borrowings or in the payment of interest there on to any financial institution or bank.
- ii) The company has not been declared as a wilful defaulter by any bank or financial institution or other lender.
- iii) The term loans have not been utilized for the purposes for which they were obtained.

- iv) The Company has not used the short term funds for meeting any long term purpose.
- v) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- vi) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
10. i) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- ii) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. i) Based upon the audit procedures performed and information and explanations given to us by the Management, we report that no fraud by the company or no material fraud on the company have been noticed or reported during the year.
- ii) No report under sub-Section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government during the year and up to the date of this report.
- iii) According to the information and Explanations Provided to us, no whistle-blower complaints have been received during the year by the company.
12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
13. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards
14. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit.
18. There has been no resignation of the statutory auditors of the Company during the year.
19. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project under CSR. Accordingly clauses 3(xx)(a) and 3 (xx)(b) of the Order are not applicable.

ANNEXURE–C TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the members of the Company on the Standalone IND AS financial statements for the year ended 31st March, 2025]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the Company as of 31st March, 2025, in conjunction with our audit of the Standalone IND AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that;

- i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

M/s. Polyspin Exports Limited, CIN No. L51909TN1985PLC011683, (PEL or the Company) is a Public Limited Company incorporated in India. The Company shares are listed in BSE Limited and the Scrip Code is 539354. The address of the Registered Office is 351, P.A.C.R. Salai, Rajapalayam – 626 117, Tamilnadu.

The Company was incorporated in the year 1985 and the commenced commercial production during the year 1990. The Company is engaged in Manufacture of FIBC Bags, Fabric, PP Yarn, Multifilament Yarn, etc., with an installed capacity of 10,800 MTS per annum. The Company's FIBC bags are primarily exported to U.S.A, Europe and African Countries.

The company, during the month of June of Financial year 2023-24 had permanently closed the operations of Textile division. The sale process of the plant and machineries has been completed in the month of September 2024. Necessary disclosures for the details of Assets and sale proceeds as per the Accounting standards are made by the company.

These financial statements were approved for issue by the board of directors of the Company on 29th May, 2025.

2.1 Statement of Compliance:

These financial statements have been prepared in accordance with the Indian Accounting Standards ("IND AS") prescribed under section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

2.2: Basis of Preparation:-

These financial statements have been prepared on the historical cost basis except for certain financial instruments and defined benefit plans that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In measuring fair value of an asset or liability, the Company takes into account those characteristics of the asset or liability that market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes fair value measurements are categorized into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:-

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

- Level 2 inputs, other than quoted prices included within Level 1 that observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Functional and presentational currency:

These financial statements are presented in Indian Rupee (INR) which is also the functional Currency.

Rounding off amounts:

All amounts disclosed in the financial statements have been rounded off to the nearest rupees in lakhs as per the requirements of schedule III of the Act, unless otherwise stated.

Use of Estimates and Judgements:-

The preparation of Financial Statements in conformity with IND AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future period affected. Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the accounting policies and / or the notes to the financial statements.

2.3 Current versus Non-Current Classification:-

The Company presents assets and liabilities in the Balance Sheet based on Current / Non-Current classification. An asset is treated as current when it is:-

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cost or cost equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-Current

A Liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as Non-Current

The Company has deemed its operating cycle as twelve months for the purpose of Current / Non-Current classification.

STANDALONE - NOTES FORMING PART OF ACCOUNTS

The financial statements are presented in Indian Rupees, which is functional currency, rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the company is denoted as Rs.0.00 Lakhs.

2.4 Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable.

a. Sale of Goods

Revenue from sale of goods is recognized when the Company has transferred to the buyer the significant risks and rewards of ownership of the goods, it no longer retains control over the goods sold, the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the Company and the cost incurred or to be incurred in respect of the transaction can be measured reliably. Sale of goods is recognized but net of other taxes collected on behalf of third parties.

b. Power generated from Windmill

Power generated from windmill that are covered under wheeling and Banking arrangement with TANGEDCO and the same were consumed at factories. The monetary values of such power generated that are captively consumed are not recognized as revenue for the Company.

c. Power generated from solar power Plant

e. Dividend Income

Dividend Income from investment in shares of corporate bodies is accounted when the Company's right to receive the dividend is established.

f. Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proposition basis, by reference to the principal outstanding and the effect interest rate applicable, which is the rate exactly discounts estimated future cash receipts through the expected life of financial assets to that assets net carrying amount on initial recognition.

2.5 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation / amortization and impairment

losses if any, except freehold land which is carried at cost. Cost comprises of purchase price, import duties, levies and any attributable cost of bringing the assets on its working condition for the intended use.

For transition to IND AS, the Company has elected to continue the carrying value of all of its property, plant and equipment recognized as at 1st April, 2016 (IND AS transition date) measured as per the previously applicable Indian GAAP and used that carrying value as its deemed cost as at the IND AS transition date.

When each major expenses on fixed assets, day to day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalization criteria in accordance with IND AS 16 are charged to statement of Profit and Loss for the period during which such expenses are incurred.

The Company identifies the significant parts of plant and equipment separately (which are required to be replaced at intervals) based on their specific useful lives. The cost of replacement of significant parts are capitalized and the carrying amount of replaced parts are derecognized.

PPEs eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets are recognized in the statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements are recognized in statement of Profit and Loss, when the recognition criteria are met.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and property under construction) less their residual value, over their useful lives. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation for PPE on additions is calculated on pro rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro rata basis up to the date on which such assets have been discarded / sold.

Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.

2.6 Investment Property

The Company does not have any investment property as on the Balance Sheet date. Hence there is no disclosure as per the requirements of INDAS 16.

2.7 Intangible Assets

Intangible Assets are recognized when the asset is identifiable is within the control of the Company, it is probable that the

STANDALONE - NOTES FORMING PART OF ACCOUNTS

future economic benefits that are attributable to the asset will flow to the Company and cost of the asset can be reliably measured.

Intangible assets are amortized over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team. It's accounting classification is given below:-

1. Nature of intangible assets - Computer Software
2. Estimated Useful life - 3 Years
3. Amortization of intangible Assets - Computer Software
4. Accounting Classification - Depreciation & Amortization

For transition to IND AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as at IND AS transition date measured as per the previously applicable Indian GAAP and use that carrying value as its deemed cost as at the IND AS transition date.

2.8 Inventories

Inventories are valued at the lower of cost and net realizable value.

Cost of Raw materials, Stores and Spares, Fuel, Packing Materials, etc., are valued at cost, computed on moving weighted average basis including the cost incurred in bringing the inventories to their present location or net realizable value whichever is lower.

Process Stock and Finished Goods are valued at moving weighted average cost including the cost of conversion and other costs incurred in bringing the inventories to the present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.9 Cash Flow Statement

Cash Flows are presented using indirect method, whereby profit / (Loss) before tax is adjusted for the effects of transaction of non-cash nature and accruals of past or future cash transaction. Cash comprise cash on hand and demand deposits with banks. Cash equivalents are short term balance with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash

2.10 Borrowing Costs

Borrowing Costs include interest expense calculated using the effective interest rate method, other costs incurred in connection with borrowing of funds and exchange differences to the extent regarded as an adjustment to the interest costs.

Borrowing Costs that are directly attributable to the acquisition, construction or production of a qualifying assets (net of income earned on temporary deployment of funds) are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

2.11 Financial Assets

Financial Assets comprises of Investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.

Classification

The Company classifies Financial Assets as subsequently measured at Amortized Cost, Fair Value through Other Comprehensive Income (FVTOCI) or Fair Value through Profit or Loss (FVTPL) on the basis of its business model for managing the Financial Assets and the contractual cash flows characteristics of the financial assets.

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recognized at the fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurements of financial assets are dependent on initial categorization. For impairment purposes, significant financial assets are tested on an individual basis and other financial assets are assessed collectively in groups that share similar credit risk characteristics.

Financial Assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the assets give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized cost using the effective interest rate method. The losses arising from impairment are recognized in the statement of Profit and Loss. This category generally applies to trade and other receivables.

a. Financial assets measured at fair value through other comprehensive income (FVTOCI)

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

b. Financial assets measured at fair value through profit or loss (FVTPL)

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognized in profit or loss. Company's Current Investments in equity shares are measured at FVTPL.

c. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known

STANDALONE - NOTES FORMING PART OF ACCOUNTS

amounts of cash that are subject to an insignificant risk of change in value with a maturity within three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

De-recognition of Financial Assets

A Financial Asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the company has transferred its rights to receive cash flows from the asset.

2.12 Financial Liabilities

Financial Liabilities comprises of Borrowings from banks, Trade Payables, Derivative Financial Instruments, Financial Guarantee Obligation and Other Financial Liabilities.

Classification

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through profit or loss. Such financial liabilities including derivatives that are liabilities, shall be subsequently measured at fair value.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by IND AS 109 - "Financial Instruments". Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method except for those designated in an effective hedging relationship.

Amortized Cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss. Any difference between the proceeds (Net of transactions costs) and the redemption amount is recognized in Profit or Loss over the period of the borrowings using the EIR method.

Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that same or all of the facility will be drawn down.

Trade and Other Payables

A payable is classified as 'Trade Payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year, which are unpaid. They are recognized initially at their fair value and subsequently measured at amortized cost using the EIR method.

De-recognition of Financial Liabilities

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognized in profit or loss as other income or finance assets.

2.13 Impairment**i. Financial Assets**

The Company recognizes loss allowances if only, using the expected credit loss (ECL) model for the financial assets which are not fair valued. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, ECL is measured at an amount equal to the 12 month ECL. Unless there has been a significant increase in credit risk from initial recognition, in which case, those are measured at life time ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized as an impairment gain or loss in the statement of profit and loss.

ii. Non-Financial Liabilities

The carrying values of assets include property, plant and equipment, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired.

An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

2.14 Foreign Currency Transaction and Translation

Transactions in foreign currencies are translated to the functional currency of the Company (i.e. INR) at exchange

STANDALONE - NOTES FORMING PART OF ACCOUNTS

rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date, except for those derivative balances that are within the scope of IND AS – 109. “Financial instruments” are translated to the functional currency at the exchange rate at that date and the related foreign currency gain or loss are reported in the statement of Profit and Loss.

Foreign Exchange differences regarded as an adjustment to interest costs are recognized in the Statement of Profit and Loss. Realized or unrealized gain in respect of the settlement or translation of borrowing is recognized as an adjustment to interest cost to the extent of the loss previously recognized as an adjustments to the interest cost.

2.15 Employee Benefits

Employee Benefits in the form of Provident Fund & Employee State Insurance are defined contribution plans. The Company recognizes contribution payable to a defined contribution plan as an expense, when an employee renders the related services.

The Company contributes monthly at 12% of employees' basic salary to Employees Provident Fund & Employees Pension Fund administered by the Employees Provident Fund Organization, Government of India. The Company has no further obligations.

Gratuity Liability and Leave Encashment Liability are defined benefit plans. The cost of providing benefit under the defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The Company has its own approved Gratuity Fund with LIC Group Gratuity cash accumulations scheme and the contribution to that fund are being made to LIC.

The Leave Encashment entitlement is computed on calendar year basis and payment made to the Employees accordingly in the succeeding January of every year. Hence, there is no outstanding liability towards Leave Encashment.

Re-measurements of the net defined benefit liability / asset comprise:-

1. Actuarial Gains and Losses;
2. The return on plan assets, excluding amounts included in net interest on the net defined benefit liability / asset; and
3. Any change in the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability / asset.

Reimbursements of net defined benefit liability / asset are charged or credited to Other Comprehensive Income.

Investment in Associate

An Associate is an entity over which the Company has significant influence. Significant influence is the power to

participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Investments in Associate are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

For transition to IND AS, the Company had elected to continue with the carrying value of its investment in Associate recognized as the transition date, measured as per the previously applicable Indian GAAP and used that carrying value as its deemed cost as at the transition date.

2.16 Provision, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources, embodying economic benefits in respect of which a reliable estimate can be made.

Contingent Liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognized but disclosed in the financial statements.

Insurance Claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Contingent Assets are not recognized.

2.17 Taxes on Income

Income Tax expenses comprises of current tax and deferred tax. It is recognized in the statement of Profit and Loss, except to the extent that it relates to items recognized directly in Equity or Other Comprehensive Income. In such cases, the tax is also recognized directly in Equity or in Other Comprehensive Income.

Current Tax

Current Tax is the amount of tax payable on the taxable income for the year, determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax

Deferred Tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and their corresponding tax bases. Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred Tax Assets are generally recognized for all deductible temporary differences and unused tax losses being carried forward, to the extent that it is probable that taxable

STANDALONE - NOTES FORMING PART OF ACCOUNTS

profits will be available in future against which those deductible temporary differences and tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the assets to be recovered.

Deferred Tax Liabilities and Assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Minimum Alternate Tax (MAT)

MAT Credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period (i.e.) the period for which MAT credit is allowed to be carried forward, in the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.18. Non-current assets (or disposal groups) classified as held for sale:

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all the following criteria are met: (i) decision has been made to sell, (ii) the assets are available for immediate sale in its present condition, (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs of disposal. Non-current assets held for sale are not depreciated or amortised.

2.19. Earning Per Share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the

beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The Weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, buy back of shares, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

2.20. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements.

Property, Plant and Equipment, Intangible Assets:-

The residual values estimated useful life of PPEs & Intangible Assets are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation / amortization.

Current Taxes:-

Calculations of Income Taxes for the current period are done based on applicable tax laws and managements judgement by evaluating positions taken in tax returns and interpretation of relevant provisions of law.

Deferred Tax Rate (Including MAT Credit Entitlement)

Significant Management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained /recognized, based upon the likely with future tax planning strategies.

Contingent Liabilities:-

Management's judgement is exercised for estimating the possible outflow of resources, if any, in respect of Contingencies / Claims / Litigation against the Company as it is not possible to predict the outcome of pending matters with accuracy.

STANDALONE - NOTES FORMING PART OF ACCOUNTS

Impairment of Trade Receivables:-

The impairment for financial assets are done based on assumption about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market condition and forward booking estimates at the end of each reporting date.

Impairment of Non-Financial Asset (PPE / Intangible Assets)

The impairment of Non-Financial Assets is determined based on estimate of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing

of future cash flow, discount rates and risks specific to the asset.

Defined Benefit Plan and Other Long Term Benefits:-

The cost of the defined benefit plan and other long term benefits and the present value of such obligation are determined by the independent actuarial values. Management believes that the assumptions used by the actuary in determination of discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

29. Financial Risk Management :-

The Company's principle financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principle financial assets include loans and advances, trade receivables and cash and bank balances that arise directly from its operations.

The Company also enters into derivative transaction to hedge foreign currency and not for speculative purposes. The Company is exposed to Market Risk, Credit Risk and Liquidity Risk and the Company's Senior Management oversees the management of these risks.

29.1. Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in market prices. The Company's activities expose it to a variety of financial risks, including the effect of changes in foreign currency exchange rates and interest rates.

29.1. (a). Currency Risk

Foreign Currency risk is the risk that fair value of future cash flow of an exposure will fluctuate because of changes in foreign exchange rates.

The Company's exposure in USD and other foreign currency denominated transactions in connection with export of finished goods, besides import of raw materials, capital goods and spares, etc., purchased in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

The Company has entered into foreign currency forward contracts both for export and import, after taking into consideration of the anticipated foreign exchange inflows / outflows, timing of cash flows, tenure of the forward contract and prevailing foreign exchange market conditions.

Details of Derivative Instruments Outstanding (hedged):-

Forward Contract	As at 31.03.2025		As at 31.03.2024	
	USD (In Million)	Rs. (In Lakhs)	USD (In Million)	Rs. (In Lakhs)

Note: Mark to market loss of Rs. 7.63 Lakhs on outstanding forward contract as on 31st March 2025 has been recognized in other comprehensive income as per IND AS 109 on accounting of cash flow hedge.

The Company's exposure to foreign currency risk (un-hedged) as detailed below :-

Particulars	As at 31.03.2025	As at 31.03.2024
Currency (USD in Millions)	0.60	1.22
Rs. in Lakhs	1,500.49	1,023.91

Risk sensitivity on Foreign Currency Fluctuations:-

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in accordance with its risk management policies.

The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a simultaneous parallel foreign exchange rates shift in the foreign exchange rates by 3%.

The following analysis is based on the gross exposure as of the relevant balance sheet date, which could affect the income statement.

The following table sets forth the information relating to foreign currency exposure as at 31.03.2025 and 31.03.2024

(Rs. in Lakhs)

Particulars	As at 31.03.2025		As at 31.03.2024	
	3% Increase	3% Decrease	3% Increase	3% Decrease
INR	22.67	22.67	98.68	98.68

29.1.(b) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market in interest rates related primarily to the Company's both long term and short term debt obligation with floating interest rates. Any changes in the interest rates environment may impact future cost of borrowings.

The following table shows the fixed and floating rate borrowings of the Company :-

(Rs. in Lakhs)

	As at 31.03.2025	As at 31.03.2024

29.2. Credit Risk

Credit Risk is that risk that counter party will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The Company is exposed to credit risk from its operating activities, primarily trade receivables and from its financial activities, including deposits with banks and other financial instruments.

a) Trade Receivables

The Company extends credit to customers in the normal course of business. Outstanding customer receivables are regularly monitored. The Company has also taken advances from its customers, which mitigate the credit risks to an extent. An impairment analysis is performed at each reporting date on an individual basis for major customers.

Details of trade receivables is given below:- (Rs. in Lakhs)

Trade Receivables	Outstanding	
	As at 31.03.2025	As at 31.03.2024

Less : Provision for Bad Debts	(2.00)	(7.12)
Total	4,472.06	2,948.57

29.3. Liquidity Risk

Liquidity Risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to maintain a balance between continuity or funding and flexibility through the use of Packing Credit and Working Capital Limits. The Company ensures it has sufficient cash to meet its operational needs while maintaining sufficient margin on its undrawn borrowing facilities at all times.

The Company has access to the following undrawn borrowing facilities at the end of the reporting period:-

(Rs. in Lakhs)

Particulars	As at 31.03.2025	As at 31.03.2024
Floating Rate - Expiring within one year- working capital limits.	1,002.00	1,505.44

29.4. Capital Management:-

For the purpose of the Company's Capital management, capital includes issued equity capital and all other equity reserves attributable to the equity Shareholders of the Company. The primary objective of the Company's capital management is to safeguard continuity, maintain healthy capital ratios in order to support its business and maximize Shareholders value. The Company manages its capital structure and makes adjustments in light of changes in

economic conditions and the requirements is met through capital, internal accruals, long term borrowings and short term borrowings.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirements.

The following monitors capital using a gearing ratio, which is net debt divided by total capital plus debt.

STANDALONE - NOTES FORMING PART OF ACCOUNTS

During the year ended 31st March, 2024 and 31st March, 2025, there are no transfer between Level1 and Level 2 fair value measurements and no transfer into and out of Level 3 fair value measurements and there is no transaction / balance under Level3.

Fair Valuation Technique:

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate certain fair values:-

1. Fair value of cash deposits, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amount largely due to the short term maturities of these instruments.
2. The fair value of derivatives are based on marked to market valuation statements received from banks with whom the Company has entered into the relevant contracts.

Fair value hierarchy:

The following table provides the fair value measurement hierarchy of Company's assets and liabilities, grouped into level 1 to level 3 as described below:-

1. Quoted prices / Published NAV (unadjusted) in active markets for identical assets or liabilities (Level 1).
2. Inputs other than quoted prices included within Level 1 that are observable for the asset or liability (i.e. as prices) or indirectly (i.e. derived from prices) Level 2. It includes fair value of the financial instruments that are not traded in an active market (for example, over the counter derivatives) and are determined by using valuation technique. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on the Company's specific estimates. If all significant inputs required to fair value an instrument are observable, then the instrument is included in Level 2.
3. Inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs) Level 3. If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

29.6. The Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards), (Amendments) Rules 2018, notifying the new standard IND AS 115 on Revenue from contracts with customers and it is applicable from 01.04.2018.

- Replaces IND AS 18 Revenue and IND AS 11 Construction contracts

- Establishes a new control based revenue recognition model
- Provides new and more detailed guidance on specific topics such as multiple element arrangements, variables consideration, rights of return, warranties, principal versus agent consideration, consignment arrangements, bill and hold arrangements and licensing, to name a few.

Revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Adoption of IND AS 115 is not expected to have any impact on the Companies revenue and profit or loss. The Company expects the revenue recognition to occur at a point in time when the materials are delivered to the customers in case of FIBC Bags, PP Fabric, PP Yarn, Multifilament Yarn & Cotton Yarn.

30. DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD 19 - EMPLOYEE BENEFITS**Defined Contribution Plan:**

Contributions under Defined Contribution Plan as recognised in the Statement of Profit and Loss by the Company are as follows:

<u>Particulars</u>	<u>Rs. in Lakhs</u>	
	<u>2024-2025</u>	<u>2023-2024</u>
Employer's contribution towards:		
- Provident Fund	295.79	268.82
- Employee State Insurance	63.38	67.96

Defined Benefit Plan (Gratuity):

The Company provides gratuity to employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

The Employees Gratuity Fund Scheme, which is a defined benefit plan, is managed by a trust maintained with Life Insurance Corporation of India (LIC).

The present value of the obligation is determined based on actuarial valuation using Projected Units Credit Method, which recognises each period of service as giving rise to additional units of employees benefit entitlement and measures each unit separately to build up the final obligation.

The following table sets out the details of amount recognised in the financial statements in respect of employee benefit schemes:

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. POLYSPIN EXPORTS LIMITED

Report on the Consolidated IND AS Financial Statements

Opinion

We have audited the accompanying Consolidated IND AS Financial Statements of **M/s. Polyspin Exports Limited ("the Company")** which comprises the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the IND AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, the Consolidated Profit, Consolidated total comprehensive income, Consolidated changes in equity and its Consolidated Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated IND AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated financial statements.

Emphasis of Matter

We draw attention to Note No.36.6 to the consolidated financial statements, which describes the status of confirmation of balance of Trade Debtors, Trade Creditors and Other Parties.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated IND AS financial statements of the current period.

These matters were addressed in the context of our audit of the Consolidated IND AS financial statements as a whole and informing our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our Report.

Sl No.	Key Audit Matter	Auditor's Response
1.	Evaluation of uncertain tax positions The Group has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes. Refer Note No.36.1 to the Consolidated Financial Statements	Principal Audit Procedures Obtained details of completed tax assessments and demands for the year ended March 31, 2025 from management. We involved our expertise to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. We also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.
2.	Recoverability of Indirect tax receivables As at March 31, 2025 other current assets in respect of withholding tax, GST and CESAT appeal Duty of Rs. 26.73 Lakhs which are pending adjudication.	Principal Audit Procedures We have involved our expertise to review the nature of the amounts recoverable, the sustainability and the likelihood of recoverability upon final resolution.
3.	Assessment of the Group's litigations and related disclosure of contingent liabilities [Refer to Note No.36.1 to the consolidated Financial Statements- "Contingent Liabilities not provided for". As at March 31, 2025, the Group has exposures towards litigations relating to the matter as included in the aforesaid Notes. Significant management judgement is required to assess such matter to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised	Our procedures included the following: <ul style="list-style-type: none"> We understood, assessed and tested the design and operating effectiveness of the Group's key controls surrounding assessment of litigations relating to the relevant laws and regulations; We discussed with management the recent developments and the status of the litigations which were reviewed and noted by the Group's audit committee; We performed our assessment on a test basis on the underlying calculations supporting the contingent liabilities made in relation to the Company's Consolidated Financial Statements;

Sl No.	Key Audit Matter	Auditor's Response
	<p>or a disclosure should be made. The management judgement is also supported with legal advice in certain cases as considered appropriate. As the ultimate and the position taken by the management are based on the application of their best judgement, relating legal advice including those relating to interpretation of laws/regulations, it is considered to be a Key Audit Matter.</p>	<ul style="list-style-type: none"> • We used auditor's experts to gain an understanding and to evaluate the disputed tax matters; • We considered external legal opinions, where relevant, obtained by management; • We met with the Group's external legal counsel to understand the interpretation of laws/regulations considered by the management in their assessment relating to a material litigation; • We evaluated management's assessments by understanding precedents set in similar cases and assessed the reliability of the management's past estimates / judgements; • We evaluated management's assessment around those matters that are not disclosed or not considered as contingent liability, as the probability of material outflow is considered to be remote by the management; and • We assessed the adequacy of the disclosures. • Based on the above work performed, management's assessment in respect of the Group's litigations and related disclosures relating to contingent liabilities in the Consolidated Financial Statements are considered to be reasonable.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Group's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated IND AS Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated IND AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Group in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated IND AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the IND AS financial statements, the respective Board of directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate their respective entities or to cease operations or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of Consolidated IND AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the consolidated IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated INDAS financial statements.

A further description of the auditor's responsibilities for the audit of the consolidated IND AS financial statements is included in **Annexure A**. This description forms part of our auditor's report.

Other Matters

1. We did not audit the financial statements of ONE associate included in the consolidated financial results year to date, whose financial statements reflect total assets of Rs. 3,162.36 Lakhs as at 31st March 2025 and total revenues of Rs. 5,820.83 Lakhs and total net profit after tax of Rs. 400.11 Lakhs and total comprehensive income of Rs. 400.11 Lakhs for the year ended 31st March 2025 and for the period from 01st April 2024 to 31st March 2025 respectively and net cash inflows of Rs. 327.36 Lakhs for the year ended 31st March 2025. These financial statements as per INDAS and other financial information have been audited by another independent auditor whose report has been furnished to us and our opinion on the year to date results, to the extent they have been derived from such audited financial statements is based solely on the report of such other auditors.
2. Further, the said Associate is located outside India, whose annual financial statements have been prepared in accordance with accounting principles generally accepted in the said country, and which have been audited by other auditors under generally accepted auditing standards applicable in the country. The Holding Company's management has converted the financial statements of the associate from accounting principles generally accepted in the respective country to accounting principles generally accepted in India. We have audited the conversion adjustments made by the Holding Company's management. Our opinion, in so far as it relates to the balances and affairs of the associate, is based on the audit report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and the reports of the other auditors.

Our opinion on the consolidated financial statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

- A) As required by Section 143(3) of the Act, we report that:

ANNEXURE - A**Responsibilities for Audit of Consolidated IND AS Financial Statement**

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated IND AS financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events

or conditions may cause the Group to cease to continue as a going concern. Evaluate the overall presentation, structure and content of the consolidated IND AS financial statements, including the disclosures and whether the consolidated IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE – B TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the members of the Polyspin Exports Limited on the Consolidated IND AS financial statements for the year ended 31st March, 2025]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of the Company as of 31st March, 2025, in conjunction with our audit of the Consolidated IND AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal

control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

CONSOLIDATED - NOTES FORMING PARTS OF ACCOUNTS

1. Principles of Consolidation

The consolidated financial statements (CFS) relate to Polyspin Exports Limited (the Company) and its associate companies (the Company and its associate collectively referred to as the Group). The consolidated financial statements have been prepared on the following basis:-

1. In case of foreign associate companies, revenue items are consolidated at the average currency rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Exchange differences in translating the financial statements of foreign associate companies are recognized in other comprehensive income.
2. In the case of investment in associate companies, where the Company's shareholding is less than 50%, Non controlling interest in the net assets of consolidated Associate Companies is identified and presented in the consolidated balance sheet separately from liabilities and equity of the Company shareholders.
3. Under equity method of accounting, the investments are initially recognized at the fair value of net asset of associate Company from the date on which it becomes as associate and any difference between the cost of the investment and the entity's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows;
 - a. Goodwill relating to an associate is included in the carrying amount of the investment and the same is not amortized.
 - b. Any excess the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is recognized directly in equity as capital reserve in the period in which the investment is acquired.
 - c. Subsequently, the carrying amount of investment is adjusted to recognize the Company's share of post-acquisition profit or loss of the Associates in the Profit & Loss and also its share of Other Comprehensive Income (OCI) of the Associate Company separately under Other Comprehensive Income.
4. Dividend received or receivable from Associate are recognized as a reduction in the carrying amount of the Investment.
5. At each reporting date, the Company determines whether there is any objective evidence that the investment in the associates is impaired, if there is such evidence, the Company provides for impairment as the difference between the recoverable amount of the associate and its carrying value and then recognized the loss as "Share of Profit of an Associate" in the statement of the profit or loss.
6. The financial statement of the Associate Companies used in the consolidation are drawn up to the same

reporting date as that of the Company (i.e.) 31st March, 2025.

The list of associate Company which is included in the Consolidation and the Company's holding therein are as under:

Name of the Company	Ownership / Voting Power in % at as		Principal Places of Business / Country of Incorporation
	31.03.2025	31.03.2024	
Lankaspin Private Limited	38.48	38.48	Sri Lanka

These Consolidated Financial Statement were approved for issue by the Board of Directors of the Company on May 29, 2025.

2. Significant Accounting Policies

These are set out under Significant Accounting Polices as given in the Company's Separate (Consolidated) IND AS Financial Statements.

The management has applied the following estimates assumptions / judgements in preparation and presentation of financial statements.

Functional and presentational currency

These financial statements are presented in Indian Rupee (INR) which is also the functional Currency.

Rounding off amounts :

All amounts disclosed in the financial statements have been rounded off to the nearest rupees in lakhs as per the requirements of schedule III of the Act, unless otherwise stated.

Use of Estimates and Judgements

The preparation of Financial Statements in conformity with IND AS 101 requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which the estimates are revised and in any future period affected. Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the accounting policies and / or the notes to the financial statements.

The mandatory exceptions to the retrospective application under IND AS 101 that are applicable to the Company are as below:

2.1 Current Versus Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/Non-Current classification. An asset is treated as current when it is:-

CONSOLIDATED - NOTES FORMING PARTS OF ACCOUNTS

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cost or cost equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period.

All other assets are classified as Non-Current

A Liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for atleast twelve months after the reporting period.

All other liabilities are classified as Non-Current

The Company has deemed its operating cycle as twelve months for the purpose of Current / Non-Current classification.

2.2 Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost less accumulated depreciation / amortization and impairment losses if any, except freehold land which is carried at cost. Cost comprises of purchase price, import duties, levies and any attributable cost of bringing the assets on its working condition for the intended use.

For transition to IND AS, the Company has elected to continue the carrying value of all of its property, plant and equipment recognized as at 1st April, 2016 (IND AS transition date) measured as per the previously applicable Indian GAPP and use that carrying value as its deemed cost as at transition date.

When each major expenses on fixed assets, day to day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalization criteria in accordance with IND AS 16 are charged to statement of Profit and Loss for the period during which such expenses are incurred.

The Company identifies the significant parts of plant and equipment separately (which are required to be replaced at intervals) based on their specific useful lives. The cost of replacement of significant parts are capitalized and the carrying amount of replaced parts are derecognized.

PPEs eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognized in the statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in statement of Profit and Loss, when the recognition criteria are met.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and property under construction) less their residual value, over their useful lives. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation for PPE on additions is calculated on pro rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro rata basis up to the date on which such assets have been discarded / sold.

Capital work in progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.

2.3 Investment Property

The Company does not have any investment property as on the Balance Sheet date. Hence there is no disclosure as per the requirements of INDAS 16.

2.4 Intangible Assets

Intangible Assets are recognized when the asset is identifiable, is within the control of the Company, it is probable that the future economic benefits that are attributable to the asset will flow to the Company and cost of the asset can be reliably measured.

Intangible assets are amortized over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team. It's accounting classification is given below:-

- | | |
|--------------------------------------|-------------------------------|
| 1. Nature of intangible Assets | - Computer Software |
| 2. Estimated useful life | - 3 Years |
| 3. Amortization of intangible Assets | - Computer Software |
| 4. Accounting Classification | - Depreciation & Amortization |

For transition to IND AS, the Company has elected to continue with the carrying value of all its intangible assets recognized as at 1st April, 2016 (Transition date) measured as per the

CONSOLIDATED - NOTES FORMING PARTS OF ACCOUNTS

previously applicable Indian GAPP and use that carrying value as its deemed cost as at transition date.

2.5. Inventories

Inventories are valued at the lower of cost and net realizable value.

Cost of Rawmaterials, Stores and Spares, Fuel, Packing materials, etc., are valued at cost, computed on moving weighted average basis including the cost incurred in bringing the inventories to their present location or net realizable value whichever is lower.

Process Stock and Finished Goods are valued at moving weighted average cost including the cost of conversion and other costs incurred in bringing the inventories to the present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.6. Cash Flow Statement

Cash Flows are presented using indirect method, whereby profit / (Loss) before tax is adjusted for the effects of transaction of Non cash nature and accruals of past or future cash transaction. Cash comprise cash on hand and demand deposits with banks. Cash equivalents are short term balance with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash.

2.7. Borrowing Costs

Borrowing Costs include interest expense calculated using the effective interest rate method (EIR), other costs incurred in connection with borrowing of funds and exchange differences to the extent regarded as an adjustment to the interest costs.

Borrowing Costs that are directly attributable to the acquisition, construction or production of a qualifying assets (net of income earned on temporary deployment of funds) are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

2.8 Financial Assets

Financial Assets comprises of Investments in Equity, Trade Receivables, Cash and Cash equivalents and Other Financial Assets.

Classification

The Company classifies Financial Assets as subsequently measured at Amortized Cost, Fair Value Through Other Comprehensive Income (FVTOCI) or Fair Value Through Profit or Loss (FVTPL) on the basis of its business model for managing the Financial Assets and the contractual cash flows characteristics of the financial assets.

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recognized at the fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurements of financial assets are dependent on initial categorization. For impairment purposes, significant financial assets are tested on an individual basis and other financial assets are assessed collectively in groups that share similar credit risk characteristics.

Financial Assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the assets give rise, on specified dates, to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized cost using the effective interest rate method. The losses arising from impairment are recognized in the statement of Profit and Loss. This category generally applies to trade and other receivables.

a. Financial assets measured at fair value through other comprehensive income (FVTOCI)

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

b. Financial assets measured at fair value through profit or loss (FVTPL)

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss. Company's Current Investments in equity shares are measured at FVTPL.

c. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value with a maturity within three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

De-recognition of Financial Assets

A Financial Asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

2.9 Financial Liabilities

Financial Liabilities comprises of Borrowings from banks, Trade Payables, Derivative Financial Instruments, Financial Guarantee Obligation and Other Financial Liabilities.

Classification

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through profit or loss. Such financial liabilities including derivatives that are liabilities, shall be subsequently measured at fair value.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by IND AS 109 - "Financial Instruments". Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method except for those designated in an effective hedging relationship.

Amortized Cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss. Any difference between the proceeds (Net of transactions costs) and the redemption amount is recognized in Profit or Loss over the period of the borrowings using the EIR method.

Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that same or all of the facility will be drawn down.

Trade and Other Payables

A payable is classified as 'Trade Payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the

Company prior to the end of financial year, which are unpaid. They are recognized initially at their fair value and subsequently measured at amortized cost using the EIR method.

De-recognition of Financial Liabilities

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognized in profit or loss as other income or finance costs.

2.10. Impairment**i. Financial Assets:-**

The Company recognizes loss allowances if only, using the expected credit loss (ECL) model for the financial assets which are not fair valued. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECL is measured at an amount equal to the 12 month ECL. Unless there has been a significant increase in credit risk from initial recognition, in which case, those are measured at life time ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized as an impairment gain or loss in the statement of profit and loss.

ii. Non-financial Assets:-

The carrying values of assets include property, plant and equipment, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

Non financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired.

An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

2.11. Foreign Currency Transaction and Translation:

Transactions in foreign currencies are translated to the functional currency of the company (i.e. INR,) at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date, except for those derivative balances that are within the scope of IND AS – 109 “Financial Instruments” are translated to the functional currency at the exchange rate at that date and the related foreign currency gain or loss are reported in the statement of Profit and Loss.

2.12. Employee Benefits:-

Employee benefits in the form of Provident Fund & Employee State Insurance are defined contribution plans. The company recognizes contribution payable to a defined contribution plan as an expense, when an employee renders the related services.

The company contributes monthly at 12% of employee's basic salary to Employee's Provident Fund & Employees Pension Fund administered by the Employees provident fund organization, Government of India. The company has no further obligations.

Gratuity liability and leave encashment liability are defined benefit plans. The cost of providing benefit under the defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The company has its own approved Gratuity fund with LIC Group Gratuity cash accumulations scheme and the contribution to that fund are being made to LIC.

The leave encashment entitlement is computed on calendar year basis and payment made to the Employees accordingly in the succeeding January of every year. Hence, there is no outstanding liability towards leave encashment.

Re-measurements of the net defined benefit liability / asset comprise:-

1. actuarial Gains and Losses;
2. the return on plan assets, excluding amounts included in net interest on the net defined benefit liability / asset;
3. any change in the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability / asset; and
4. Reimbursements of net defined benefit liability / asset are charged or credited to other Comprehensive Income.

2.13. Provision, Contingent Liabilities and Contingent Assets:-

Provisions involving substantial degree of estimation in measurement are recognized when there is a present

obligation as a result of past events and it is probable that there will be an outflow of resources, embodying economic benefits in respect of which a reliable estimate can be made.

Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognized but disclosed in the financial statements.

Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Contingent Assets are not recognized.

2.14. Taxes on Income:-

Income tax expenses comprises of current tax and deferred tax. It is recognized in the statement of Profit and Loss, except to the extent that it relates to items recognized directly in Equity or Other comprehensive income. In such cases, the tax is also recognized directly in Equity or in other comprehensive income.

Current Tax:-

Current tax is the amount of tax payable on the taxable income for the year, determined in accordance with the provisions of the Income Tax Act, 1961

Deferred Tax:-

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and their corresponding tax bases. Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred tax assets are generally recognized for all deductible temporary differences and unused tax losses being carried forward, to the extent that it is probable that taxable profits will be available in future against which those deductible temporary differences and tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

CONSOLIDATED - NOTES FORMING PARTS OF ACCOUNTS

Minimum Alternate Tax (MAT)

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period (i.e.) the period for which MAT credit is allowed to be carried forward, in the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period.

2.15. Non-current assets (or disposal groups) classified as held for sale:

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all the following criteria are met: (i) decision has been made to sell, (ii) the assets are available for immediate sale in its present condition, (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as 'held for sale' are measured at the lower of its carrying value and fair value less costs of disposal. Non-current assets held for sale are not depreciated or amortised.

2.16. Earning Per Share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The Weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, buy

back of shares, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares)

2.17. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements.

Property, Plant and Equipment, Intangible Assets:-

The residual values estimated useful life of PPEs & Intangible Assets are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortization.

Current Taxes:-

Calculations of Income Taxes for the current period are done based on applicable tax laws and managements judgement by evaluating positions taken in tax returns and interpretation of relevant provisions of law.

Deferred Tax Rate (Including MAT Credit Entitlement)

Significant Management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained /recognized, based upon the likely with future tax planning strategies.

Contingent Liabilities:-

Management's judgement is exercised for estimating the possible outflow of resources, if any, in respect of Contingencies / Claims / Litigation against the Company as it is not possible to predict the outcome of pending matters with accuracy.

Impairment of Trade Receivables:-

The impairment for financial assets are done based on assumption about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market condition and forward booking estimates at the end of each reporting date.

Impairment of Non-Financial Asset (PPE / Intangible Assets)

The impairment of Non-Financial Assets is determined based on estimate of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing

of future cash flow, discount rates and risks specific to the asset.

Defined Benefit Plan and Other Long Term Benefits:-

The cost of the defined benefit plan and other long term benefits and the present value of such obligation are determined by the independent actuarial values. Management believes that the assumptions used by the actuary in determination of discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

29. Financial Risk Management :-

The Company's principle financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principle financial assets include loans and advances, trade receivables and cash and bank balances that arise directly from its operations.

The Company also enters into derivative transaction to hedge foreign currency and not for speculative purposes. The Company is exposed to Market Risk, Credit Risk and Liquidity Risk and the Company's Senior Management oversees the management of these risks.

29.1. Market Risk

Market Risk is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in market prices. The Company's activities expose it to a variety of financial risks, including the effect of changes in foreign currency exchange rates and interest rates.

29.1.(a) Currency Risk

Foreign Currency risk is the risk that fair value of future cash flow of an exposure will fluctuate because of changes in foreign exchange rates.

The Company's exposure in USD and other foreign currency denominated transactions in connection with export of finished goods, besides import of raw materials, capital goods and spares, etc., purchased in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

The Company has entered into foreign currency forward contracts both for export and import, after taking into consideration of the anticipated foreign exchange inflows / outflows, timing of cash flows, tenure of the forward contract and prevailing foreign exchange market conditions.

Details of Derivative Instruments Outstanding (hedged):-

Currency (USD in Millions)	0.60	1.22
Rs. in Lakhs	1,500.49	1,023.91

Risk sensitivity on Foreign Currency Fluctuations:-

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in accordance with its risk management policies.

The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a simultaneous parallel foreign exchange rates shift in the foreign exchange rates by 3%.

The following analysis is based on the gross exposure as of the relevant balance sheet date, which could affect the income statement.

The following table sets forth the information relating to foreign currency exposure as at 31.03.2025 and 31.03.2024.

(Rs. in Lakhs)

Particulars	As at 31.03.2025		As at 31.03.2024	
	3% Increase	3% Decrease	3% Increase	3% Decrease
INR	22.67	22.67	98.68	98.68

29.1.(b) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market in interest rates related primarily to the Company's both long term and short term debt obligation with floating interest rates. Any changes in the interest rates environment may impact future cost of borrowings.

The following table shows the fixed and floating rate borrowings of the Company :-

(Rs. in Lakhs)

During the year ended 31st March, 2025 and 31st March, 2024, there are no transfer between Level 1 and Level 2 fair value measurements and no transfer into and out of Level 3 fair value measurements and there is no transaction / balance under Level 3.

Fair Valuation Technique:

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate certain fair values:-

1. Fair value of cash deposits, trade receivables, trade payables and other current financial assets and liabilities approximate their carrying amount largely due to the short term maturities of these instruments.
2. The fair value of derivatives are based on marked to market valuation statements received from banks with whom the Company has entered into the relevant contracts

Fair value hierarchy:

The following table provides the fair value measurement hierarchy of Company's assets and liabilities, grouped into level 1 to level 3 as described below:-

1. Quoted prices / Published NAV (unadjusted) in active markets for identical assets or liabilities (Level 1).
2. Inputs other than quoted prices included within Level 1 that are observable for the asset or liability (i.e. as prices) or indirectly (i.e. derived from prices) Level 2. It includes fair value of the financial instruments that are not traded in an active market (for example, over the counter derivatives) and are determined by using valuation technique. These valuation techniques maximize the use of observable market data where it is available and rely as little as possible on the Company's specific estimates. If all significant inputs required to fair value an instrument are observable, then the instrument is included in Level 2.
3. Inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs) Level 3. If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.
30. The Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards), (Amendments) Rules 2018, notifying the new standard IND AS 115 on Revenue from contracts with customers and it is applicable from 01.04.2018.
- Replaces IND AS 18 Revenue and IND AS 11 Construction contracts
- Establishes a new control based revenue recognition model

- Provides new and more detailed guidance on specific topics such as multiple element arrangements, variables consideration, rights of return, warranties, principal versus agent consideration, consignment arrangements, bill and hold arrangements and licensing, to name a few.

Revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Adoption of IND AS 115 is not expected to have any impact on the Company's revenue and profit or loss. The Company expects the revenue recognition to occur at a point in time when the materials are delivered to the customers in case of FIBC Bags, PP Fabric, PP Yarn, Multifilament Yarn & Cotton Yarn.

Defined Benefit Plan (Gratuity):

The Company provides gratuity to employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

The Employees Gratuity Fund Scheme, which is a defined benefit plan, is managed by a trust maintained with Life Insurance Corporation of India (LIC).

The present value of the obligation is determined based on actuarial valuation using Projected Units Credit Method, which recognises each period of service as giving rise to additional units of employees benefit entitlement and measures each unit separately to build up the final obligation.

The following table sets out the details of amount recognised in the financial statements in respect of employee benefit schemes:
