SHREE AJIT PULP AND PAPER LIMITED

VISION

Our vision and commitment to excellence is the driving force that seamlessly power our success. Ever since our inception, we have been charting our way through great distances and amassing vast experiences and wisdom. We have ridden the waves of change, braved challenging headwinds, achieving improvement and success on our journey. Standing proud at the horizon of tomorrow, we embrace the challenges and opportunities to come knowing that our team will deliver a brighter future for our customers and shareholders. With core values that make us responsible corporate citizens, we are committed to doing business the right way, while making a sustainable, measureable difference to the world in which we work and live.

MISSION

Excellence is the way of culture which leads to the innovation of our organization. Our goal is to achieve "QUALITY" rather than "QUANTITY". We motivate our people to enhance the efficiency above global standards, and evolve strong professional work ethics to ensure consistency in quality and service to our customers.

VALUES

Our values are SACRED to us

- **Safety:** Safety is a core value over which no business objective can have a higher priority.
- **Agility:** Speed, responsiveness and being proactive, achieve through **Collaboration** and empowering employees.
- **Care:** Care of Stakeholders-our Environment, Customers and Shareholders-both existing and potential, our community and our people (Our employees and partners).
- **Respect:** Treat all stakeholders with respect and dignity.
- **Ethics:** Achieve the most admired standards of Ethics, through **Integrity** and mutual **Trust**.
- **Diligence:** Do everything (set direction, deploy actions, analyze, review, plan and mitigate risks etc.) with a thoroughness that delivers quality and Excellence-in all areas, and especially in Operation, Execution and Growth.

SWOT ANALYSIS

STRENGTH

Your Company is operating in Multilayer Testliner and Testliner Paper facility with installed capacity of 1,20,000 MT per annum at the said location. The Company has well established marketing network of agents spread across western and southern region to sell the products manufactured. The Company rated (ICRA) A (pronounced ICRA A) rating by ICRA Ltd. Also the promoters of the Company have ample experience of the Industry. They are well versed with various aspects of manufacturing products. As a result, your Company will have advantage to hire and retain competent employee and to manage transport of raw material and finished goods due to its location which is well connected National Highway.

WEAKNESS

Sometimes seasonal factors affect the price and availability of waste paper and accordingly, the profitability.

OPPORTUNITY

The competitive strengths and opportunities that are available to the Indian Paper Industry are:

- Its large and growing domestic paper market.
- Increase in use of paper boards in packaging.
- Qualified technical manpower with capability to manage scale of pulp and paper mills.

THREATS

- Inadequate and high cost of raw materials.
- Small and fragmented industry structure.
- Many non-competitive mills.
- High energy consumption and costs.
- Likely closures, owing to increasingly stringent environmental regulations.

MESSAGE FROM THE CHAIRMAN'S DESK

“The best way to predict the future is to create it.” – Peter Drucker

Greetings, Fellow Shareholders,

It's always a pleasure to share my views and present the 28th Annual Report of your Company with our valued stakeholders. We remain committed to delivering value to our stakeholders and enhancing shareholder value. Thank you for being a part of our journey.

PERFORMANCE IN THE FINANCIAL YEAR 2022-23:

Financial Highlights

With great pride and joy, I am delighted to inform you all that despite a challenging environment and the uncertain global economy, your Company has demonstrated great resilience and recorded an appreciable financial performance. Your Company has recorded a Turnover of Rs. 371.89 Crores while the Net Profit stood at Rs. 11.28 Crores during the Financial Year 2022-23. I am glad to announce that the Board of Directors has recommended a dividend of 10% to Equity Shareholders. This decision is a testament to the Company's commitment in creating value for its shareholders.

Plant Highlights

Company's efforts towards increasing production capacity and remaining competitive in the market are coming to fruition. The acquisition of Unit-II from NR Agrawal Industries, located at Plot No. 1 and 1/B, Phase I, GIDC, Vapi, Gujarat, is now complete, and we are in the final stages of testing necessary equipment.

I am also proud to report that our Company has maintained a safe and productive work environment, with no man-hours lost due to any industrial disturbance in the past financial year.

Corporate Governance

Your Company believes that good Corporate Governance is essential for building trust and maintaining transparency with our stakeholders. As such, we are dedicated to upholding the highest standards of Corporate Governance and are fully committed to complying with the regulations set by the Securities and Exchange Board of India (SEBI).

Corporate Social Responsibility

Being a socially responsible corporate is not just a moral obligation, but also a key driver of sustainable business growth. We are committed to making a positive impact on society and have supported several social initiatives that are aimed at promoting healthcare activities and infrastructure, promoting education, and reducing inequalities faced by socially and economically backward groups. During the Financial Year 2022-23, we have spent a total of Rs. 62.81 Lakhs as part of CSR activities.

Future Outlook

The market in India is majorly driven by the increasing demand for sustainable packaging solutions. In line with this, the rising awareness of the environmental impact of traditional packaging materials, such as plastic, is significantly contributing to the market growth. Besides, the versatility of Kraft paper for a range of packaging and non-packaging applications is bolstering the market expansion.

Acknowledgment

As we look ahead to the next financial year, we remain committed to delivering exceptional value to our stakeholders and driving sustainable growth for our company. In conclusion, I would like to express my sincere gratitude and appreciation to the distinguished Board Members for their unwavering support and guidance and our hardworking employees for their commitment and determination to carry out our activities successfully. I would also like to extend my heartfelt thanks to our valued customers, suppliers, vendors, consultants, and investors for their trust and cooperation, which have been instrumental in our success.

I hope that the next financial year will be a successful one and expect this company to grow further with the trust and support of our esteemed shareholders. On behalf of the Board of Directors and management of Shree Ajit Pulp and Paper Limited, we wish everyone a successful future ahead.

Thank you very much!

With Best Compliments.

 - 9) In continuation of SEBI Circular dated January 05, 2023 and Ministry's General Circular 10/2022 dated December 28, 2022, it has been

SHREE AJIT PULP AND PAPER LIMITED

decided to allow companies whose AGMs were due to be held in the year 2023, or become due in the year 2023, to conduct their AGMs, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2020 dated May 5, 2020.

THE INTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 1st August, 2023 (09:00 AM) and ends on 3rd August, 2023 (05:00 PM). During this period, shareholders' of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 28th July, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN
EXCHANGE EARNINGS AND OUTGO

[Pursuant to Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rule, 2014]

A. Conservation of Energy:

(i) Steps taken or impact on conservation of energy :

All the manufacturing facilities continued their efforts to reduce the specific energy consumption. Specific and total energy consumption is tracked on daily basis at factory level. Energy audits are conducted at manufacturing unit at regular intervals and findings of the audit are implemented. Apart from regular practices and measures for energy conservation, many new initiatives were driven across the unit. The measures taken at the Company's manufacturing unit are briefly enumerated as below:

a) Process optimization and automation:

Efforts have been put consistently to optimize the use of energy consumption in production processes and operation of utilities. A few notable measures are:

- In the power plant, all major equipments like FD fan, ID fan, feed pump and cooling tower pump motor are installed with VFD to optimize power consumption.
- Recovery of maximum condensate of process steam and return to power plant to increase feed water temperature and reduce fuel consumption.
- Continuous checking and observation on condensing system for any leakage and same is arrested immediately to avoid loss of heat energy.
- Installed VFD in PA fan to optimize power consumption.
- Continuous checking of steam system and steam trap for any leakage and is attended immediately to reduce loss of heat energy.
- Steam and condensate system modified at paper machine plant and steam consumption per ton of paper reduced.
- Installation of auto bed material feeding system at AFBC boiler at our power plant to reduce heat loss to atmosphere during opening of furnace door.
- Proper insulation done in hot zone area of boiler to reduce heat loss to atmosphere and reduce fuel consumption.
- Flash steam from condensate storage tank is used to increase the temperature of DM water with the help of heat exchanger, thus reducing fuel consumption that have been used to generate steam.
- Automation done in power plants which were operating on METSO, DCS system. A fully automatic power plant.
- For automatization, boiler efficiency increased and fuel consumption reduced.
- Very efficient coal crushing plant is installed and it run for less than 3 hours only in 24 hours, hence lot of power saving.
- In boiler bank, tube zone and economizer zone un-burnt particle are re-cycled to reduce final un-burnt percentage.
- Special insulation jacket that are used in high temperature application have been provided in areas of turbine casing, turbine ESV and process lines that has reduced the heat losses due to radiation to surrounding areas, hence lot of energy saving.
- Heat loss reduced by insulating paper machine dryers end cover at both side.
- DC motor of line shaft is replaced by installed sectional AC drive.
- After the bale breaker is installed the pulper power consumption is reduced and efficiency of the pulper has increased.
- In boiler, combustion has been done in auto mode to save fuel (coal).

b) Optimization of electrical equipment:

The modifications/additions to some of the electrical equipments being done are:

- Timer based operations for air conditioner units across the plant.
- In paper machine, plant energy saving efficient motor installed with VFD at required places to optimize power consumption.
- Idle running of pulper controlled by installation of hours meter.
- Installed energy efficient vacuum pump which leads to reduction in power consumption.
- Machine chest pump and agitator interlocking to avoid idle running of agitator and reduction in power consumption.
- High efficiency low power imported METSO brand new refiner installed, which is controlled by DCS.
- Installed AC VFD in fan pumps and machine chest pumps.
- Installed energy management system at PCC panels.
- Voltage has been reduced to 1% through power distribution transformer, so power consumed by that motor can be saved.

c) Other key initiatives for energy conservation:

With the view of reduction in specific energy consumption across the manufacturing unit, following initiatives were driven by the plant teams:

- Monitoring and analysis of energy consumption on daily basis with respect to energy model.
- Implementing best practices across the plant.
- Make guidelines for purchase of energy efficient equipments like air compressors, motors, air conditioners, cooling tower pumps, transformers etc.
- Sharing of latest updates in field of energy conservation.
- Power factor is maintained up to 0.99.
- Through planning, controlling the unit saving during the peak load hrs.

(ii) Steps taken by the Company for utilizing alternate sources of energy:

The Company will continue to put in efforts to reduce specific energy consumption. Some major initiatives include:

- Company has already installed 2.0 MW Co-generation plant.
- Replacement of conventional light fitting with LED fitting across the manufacturing unit.
- VFD for pumps and blowers in utilities.
- Replacement of reciprocating air compressor with VFD based screw compressor.
- Company has already installed two windmills for power generation of total 2.75 MW Capacity.

(iii) Capital Investment on energy conservation equipments:

The Company selects equipments and electrical motors (IE3) based on their higher energy efficiency. Old equipments and motors are being phased out with new energy efficient equipments for conservation of energy resources. Thermal insulations of equipments and boilers are regularly monitored and replaced to conserve heat energy and reduce heat loss to atmosphere. The Company is reviewing various proposals for reduction in consumption of energy, mainly by way of replacement of existing equipments by modern and energy efficient equipments.

B. Technology absorption:

(i) Efforts made towards technology absorption:

- Upgradation of existing product and process to save cycle time, energy consumption and overall operational efficiency.
- Optimization of products and process to minimize waste generation and address environmental operational efficiency.
- Fresh water consumption further reduced by recycling the machine back water at machine, pulp mill and vacuum pumps.
- Water consumption further reduced by installation of IBS shower system.
- Development of in house domain expertise to support product development.

(ii) Benefits derived like product improvement, cost reduction, product development or import substitution:

- Control over the grammage variation of paper by installation of METSO and Valmet QCS system.
- Fresh water consumption reduced and ETP load minimized by installation of PDF, wires, felts and high pressure showers.
- Reduction in the SS load in primary clarifier.
- Reduction in the COD & BOD load.
- Emission in the air is negligible and monitoring all emission parameters by installation of SPM analyser, SOX and No2.
- Better production with quality.
- Power Conservation.
- High degree of automation.
- Less loads on production.

(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):

- Details of technology imported / year of imports: The Company regularly imports new technology equipments to achieve maximum efficiency from the plant.
- Whether the technology has been fully absorbed: Yes.
- If not fully absorbed, areas where absorption has not taken place, and the reasons thereof: Not Applicable.

(iv) The expenditure incurred on Research and Development: NIL

C. Foreign exchange earnings and outgo:

(i) During the year the Company has done export business transactions.

(ii) Foreign exchange earned: (Rs. In Lakh): 3,462.02 from export business and 73.77 against raw material import claims.

(iii) Foreign exchange used:

INDEPENDENT AUDITOR'S REPORT

To The Members of Shree Ajit Pulp and Paper Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Shree Ajit Pulp and Paper Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, Chairman and Managing Director's message to stake holders and Corporate Governance Report but does not include the standalone financial statements and our auditor's report thereon. The Directors report, Chairman and Managing Director's message to stake holders and Corporate Governance Report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and will not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- When we read the Directors report, Chairman and Managing Director's message to stake holders and Corporate Governance Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SHREE AJIT PULP AND PAPER LIMITED

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)
Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Shree Ajit Pulp and Paper Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHREE AJIT PULP AND PAPER LIMITED

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SHREE AJIT PULP AND PAPER LIMITED

(Referred to in paragraph 2, under 'Report on Other Legal and Regulatory Requirements' section of our Report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work in progress and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant and Equipment were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for loans, guarantees, etc., are held in the name of the Company based on the confirmations directly received by us from lenders / custodian.
- (d) According to the information and explanations given to us, the Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
- (e) To the best of our knowledge and according to information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at 31 March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories except for (goods-in-transit), were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. In respect of goods in transit, the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories, when compared with the books of account.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising (stock statements, book debt statements, statements on ageing of the debtors) filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company of the respective quarters and no material discrepancies have been observed.
- (iii) The Company has not made any investments in, provided any guarantee or security, and granted any advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnership or any other parties during the year. The Company has granted unsecured loans to other parties during the year, in respect of which:

- (a) The Company has provided loans during the year and details of which are given below :

	Loans (Rs. in lakhs)
A. Aggregate amount granted/ provided during the year:	
- Others	34.87
B. Balance outstanding as at Balance sheet date in respect of above cases:	
- Others	3.90

The Company has not provided any advances in nature of loan, guarantee or security to Subsidiary, Joint Venture and any other parties during the year.

- (b) The terms and conditions of the grant of all the above-mentioned loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of employee loan schedule of repayment has been stipulated in the policy and repayments are regular.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no amount overdue for more than 90 days at the balance sheet date.

- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) of paragraph 3 is not applicable.
- (iv) The Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans granted and investments made, as applicable. The Company has not provided any guarantee or securities that are covered under the provisions of sections 185 and 186 of the Companies Act, 2013.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder and hence reporting under clause (v) of paragraph 3 of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.
- (vii) In respect of statutory dues:

- (a) Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Involved (Rs. In lakh)	Amount Unpaid (Rs. In lakh)
Finance Act, 1994	Service Tax	Additional Commissioner	April 2014-March 2015	9.30	9.30
The Customs Act, 1962	Custom Duty	CESTAT	April 2011-March 2013	62.07	56.54

- (ix) (a) Loans amounting to Rs. 1,805.22 lakhs outstanding as at 31 March, 2023 are repayable on demand. According to the information and explanations given to us, such loans and interest thereon have not been demanded for repayment during the financial year. Considering the above, in our opinion, the Company has not defaulted in the repayment of loans or other borrowings, or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, the funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the company.
- (e) On an overall examination of the financial statements of the company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary or joint venture.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary or joint venture Company during the year and hence reporting on clause (ix)(f) is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of paragraph 3 of the Order is not applicable to the Company.

SHREE AJIT PULP AND PAPER LIMITED

- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year .
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or directors of its subsidiary company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of paragraph 3 of the Order is not applicable.

Note: 1 Corporate information:

Shree Ajit Pulp And Paper Ltd (the Company) is a public company incorporated in India. Its shares are listed on Bombay Stock Exchange. The Company is engaged in the manufacturing of Kraft Paper (Testliner / Multilayer Testliner) which is mainly used for manufacturing of corrugated boxes.

The Company owns and operates manufacturing unit located in the state of Gujarat, India at Morai, Vapi.

Note: 2

A. Basis of preparation and presentation

i. Statement of compliance

The financial statements as at and for the year ended March 31, 2023 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

ii. Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain items that are measured at fair value as required by relevant Ind AS:

1. Financial assets and financial liabilities measured at fair value (refer accounting policy on financial instruments);
2. Defined benefit and other long-term employee benefits.

iii. New and amended Ind AS standards

On March 31, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023. This notification has resulted into amendments in the following existing accounting standards which are applicable to company from April 1, 2023.

- Ind AS 101 - First time adoption of Ind AS
- Ind AS 102 - Share Based Payment
- Ind AS 103 - Business Combination
- Ind AS 107 - Financial Instruments Disclosures
- Ind AS 109 - Financial Instrument
- Ind AS 115 - Revenue from Contracts with Customers
- Ind AS 1 - Presentation of Financial Statements
- Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors
- Ind AS 12 - Income Taxes
- Ind AS 34 - Interim Financial Reporting

The amendments listed above did not have any impact/ material impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future period.

B. Summary of significant accounting policies

a) Property, Plant and Equipment

All items of property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are added to existing item's carrying amount or recognised as a separate item, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other subsequent costs related to an item are charged to the statement of profit and loss during the reporting period in which they are incurred.

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

b) Capital work-in-progress

Capital work-in-progress includes material, labour and other directly attributable costs incurred on assets.

Notes forming part of Standalone Financial Statements

c) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Intangible assets are amortised over their estimated useful life.

d) Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

e) Inventories

Inventories are stated at lower of cost and net realisable value except for stores and spares which are stated at or lower than cost.

Inventories of raw material, stores and spares, consumable and packing material are valued on First in First out basis and Inventories of finished goods and work-in-progress are valued at the lower of cost (on weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

g) Revenue recognition

Revenue is measured based on the consideration to which the Company expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Company recognises revenue when it transfers control of a product or service to a customer.

Revenue from the sale of goods is recognised when the Company transfers Control of the product. Control of the product transfers when the goods have been dispatched from the factory or upon shipment of the product to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the product dispatched or shipped. Amounts disclosed as revenue are net off returns, trade allowances, rebates and indirect taxes, if any.

A receivable is recognised by the Company when the goods are dispatched to the customer or upon shipment of the product to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Income from windmills

Income from electricity units generated by windmills is accounted as income from windmills at landed cost and has been shown as such in the Statement of Profit and Loss.

Notes forming part of Standalone Financial Statements

Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

h) Leases (Ind AS 116)

Effective 01 April, 2019, the Company has adopted Ind AS 116 "Leases", applied to all lease contracts existing on 01 April, 2019 using the modified retrospective method of transition. The Company's lease asset classes primarily consist of leases for land.

At the date of commencement of the lease, the Company recognizes a right of use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases, if any. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right of use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The following is the summary of practical expedients elected on initial application:

1. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
2. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

j) Government Grant:

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

k) Employee benefits

Employee benefits includes salaries and wages, provident fund, employee state insurance scheme, gratuity and compensated absences.

i) Defined contribution plans

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

ii) Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial

Notes forming part of Standalone Financial Statements

valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs

iii) Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (ii) in case of non-accumulating compensated absences, when the absences occur.

iv) Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

l) Dividend

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

m) Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Division II, Schedule III, unless otherwise stated.

n) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting. However, trade receivables that do not contain a significant financing component are measured at transaction price.

B. Subsequent measurement

a) Financial assets carried at Amortised Cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes forming part of Standalone Financial Statements

b) Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at Fair Value Through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiary and Joint Venture

The Company has accounted for its investments in subsidiary and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on trade receivables and other contractual rights to receive cash or other financial instruments.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate. The Company estimates cash flows by considering all contractual terms of the financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Company measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Company again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

ii) Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of financial instruments

The Company derecognizes a financial assets when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial

Notes forming part of Standalone Financial Statements

liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

o) Segment reporting

The Board of directors assesses performance of the Company as Chief Operating Decision Maker (CODM).

An operating segment is a component of an entity that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the entity's CODM and make decisions and for which discrete financial information is available. The CODM have identified one reportable segment i.e. Paper.

p) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiary and joint venture, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they

are expected to reverse in the foreseeable future. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, deferred tax asset is recognised in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

q) Foreign exchange transactions and translation

Transactions in foreign currencies i.e. other than the Company's functional currency of Indian Rupees are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of

historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

C. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. In the following areas the management of the Company has made critical judgements and estimates.

Useful lives of property, plant and equipment

The Company reviews the useful lives and carrying amount of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Estimation of defined benefit obligation

The Company has defined benefit plans for its employees which are actuarially valued. Such valuation is based on many estimates and other factors, which may have a scope of causing a material adjustment to the carrying amounts of assets and liabilities.

Recognition of deferred tax assets

Deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. Based on Company's past history, the management believes that taxable profits will be available while recognising deferred tax assets.

Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure so provided and included as liability.

a. Short-term Employee Benefits

These benefits include wages and salaries, including other monetary and non-monetary benefits, compensated absences which are either non-accumulating or accumulated and expected to be availed within twelve months after the end of the reporting period.

b. Long-term Employee Benefits

i) Defined Contribution Plans

The Company makes Provident Fund contributions, which are defined contribution plans, for qualifying employees. The Company has no further payment obligations once the contributions have been paid. Under the Provident Fund Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions payable to these plans by the Company are in compliance with the rates specified in the rules of the schemes. The Company recognised ₹ 62.96 lakh (previous year ₹ 47.98 lakh) as an expense and included in Note 29 – Employee Benefits Expense ‘Contribution to provident fund and other funds’ in the Statement of Profit and Loss for the year ended 31 March, 2023. Total Expense recognised in the Statement of Profit and Loss	62.96	47.98

ii) Defined Benefit Plans

The Company has a defined benefit plan for gratuity plan in India (funded). The company's defined benefit plan for gratuity is a final salary plan for employees, which requires contributions to be made to a separately administered fund.

The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy.

During the year, there were no plan amendments, curtailments and settlements.

A separate trust fund is created to manage the Gratuity plan and the contributions towards the trust fund is done as guided by rule 103 of Income Tax Rules, 1962.

In the absence of detailed information regarding plan assets which is funded with LIC the composition of each major category of plan assets the percentage or amount for each category to the fair value of plan assets has not been disclosed.

These plans typically expose the Company to actuarial risks such as:

Investment risk - The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Interest rate risk - A fall in the discount rate which is linked to the Government Securities rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Asset Liability Matching Risk (ALM) - The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Salary risk - The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than the assumed level will increase the plan's liability.

Mortality risk - Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk - Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified. The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Discount rate	1%	(5.06)	5.57
Expected rate of escalation in salary	1%	5.61	(5.19)
Attrition rate	1%	0.35	(0.40)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

iii) Other Long-term Employee Benefits

Compensated absences which are accumulated and not expected to be availed within twelve months after the end of the reporting period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

An amount of ₹ 67.96 Lakh (previous year ₹ 44.86 Lakh) has been charged to the Statement of Profit and Loss for the year ended 31 March, 2023 towards Compensated absences.

Note: 33.2 Segment Information**a. Description of segments and principal activities**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Board of Directors (BoD) i.e. CODM to make decisions about resources to be allocated to the segments and assess their performance.

The company has a single operating segment i.e. manufacturing of kraft paper (Testliner and Multilayer Testliner). Accordingly the segment revenue, segment result, segment assets and segment liabilities are reflected in the financial statements as at and for the financial year ended 31 March, 2023 and 31 March, 2022 respectively.

b. Geographical Information

Revenue from customers is earned mainly in India and non-current assets are located in India.

c. Information about products and services

The company is in single line of business of manufacturing of Kraft paper (Testliner and Multilayer Testliner).

*Excludes Financial Assets measured at Cost (refer note b-ii below)

b. Fair Value Hierarchy of Financial Assets and Liabilities

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (i) recognised and measured at fair value and (ii) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, Company has classified its financial instruments into three levels prescribed under the accounting standards below:

Level 1: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Level 3 inputs are unobservable inputs for the asset or liability.

Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(i) Measured at Amortised Cost for which Fair Value is disclosed

The fair values of all current financial assets and liabilities including trade receivables, cash and cash equivalents, bank balances, trade payables, and other current financial assets and liabilities are considered to be the same as their carrying values, due to their short term nature. The fair values of all non-current financial assets and liabilities are considered to be the same as their carrying values, as the impact of fair valuation is not material.

(ii) Measured at Fair Value Through Other Comprehensive Income (FVTOCI)

The company has investments in quoted equity shares of Gujarat State Financial Corporation and Punjab National Bank. These equity investments have been classified as Fair Value through Other Comprehensive Income (FVTOCI). Fair value movements are recognized directly in other comprehensive income on such investments. Accordingly, such quoted investments fall under fair value hierarchy level 1. The fair value of these investments as at 31 March, 2023 and 31 March, 2022 is ₹ 1.46 lakh and ₹ 1.23 lakh respectively.

c. Capital Management and Gearing ratio

Total equity as shown in the balance sheet includes equity share capital, capital reserve, general reserves and retained earnings.

The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure. The management monitors the return on capital as well as the level of dividends to shareholders.

SHREE AJIT PULP AND PAPER LIMITED

d. Financial risk management

Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and its impact on the financial statements

(i) Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain.

(ii) Liquidity Risk

Liquidity risk is the risk that the Company will find it difficult in meeting its obligations associated with its financial liabilities in time.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

(iii) Market Risk

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Company manages fluctuations in raw material price through hedging in the form of advance procurement when the prices are perceived to be low and also enters into advance buying contracts as strategic sourcing initiative in order to keep raw material and prices under control to the extent possible.

A) Foreign Exchange Risk

The Company is exposed to foreign exchange risk arising from direct transactions in foreign currency and also indirectly through transactions denominated in foreign currency though settled in functional currency (INR), primarily with respect to the US Dollar (USD). Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR).

The risk is measured through a forecast of highly probable foreign currency cash flows. As per the risk management policy, the foreign currency exposure is unhedged.

The table below shows the unhedged currency exposure of financial assets and liabilities:

Particulars	Currency	As at 31 March, 2023	
		Forex in Lakh	(₹ Lakh)

Notes forming part of Standalone Financial Statements

The sensitivity of profit or loss and equity to changes in the exchange rates that arise from foreign currency denominated financial instruments mentioned above is as below: (₹ Lakh)

Particulars	As at 31 March, 2023	As at 31 March, 2022
USD Sensitivity:		
Increase by 5%	1.24	(8.55)
Decrease by 5%	(1.24)	8.55
EURO Sensitivity:		
Increase by 5%	5.91	5.58
Decrease by 5%	(5.91)	(5.58)

Note: In the Company's Opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year/ in future years.

B) Interest Rate Risk and Sensitivity :

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debt. Borrowings at variable rates expose the Company to cash flow interest rate risk. With all other variables held constant, the following table demonstrates composition of fixed and floating rate borrowing of the company and impact of floating rate borrowings on company's profitability.

Interest Rate Exposure

INDEPENDENT AUDITOR'S REPORT

To The Members of Shree Ajit Pulp and Paper Limited
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Shree Ajit Pulp and Paper Limited ("the Parent") and its subsidiary, (the Parent and its subsidiary together referred to as "the Group") which includes the Group's share of profit in its joint venture, which comprise the Consolidated Balance Sheet as at March 31, 2023, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditor on separate financial statements / financial information of the subsidiary and joint venture referred to in the Other Matter section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their reports referred to in the Other Matter section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' report, Chairman and Managing Director's message to stake holders and Corporate Governance Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Directors report, Chairman and Managing Director's message to stake holders and Corporate Governance Report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the consolidated financial statements does not cover the other information and will not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available, compare with the financial statements of the subsidiary and joint venture audited by the other auditor, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditor and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiary and joint venture, will be traced from their financial statements audited by the other auditor.
- When we read the Directors report, Chairman and Managing Director's message to stake holders and Corporate Governance Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its joint venture in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions

of the Act for safeguarding the assets of the Group and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Management of the companies included in the Group and of its joint venture are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of the Group and of its joint venture.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's

report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements / financial information of one subsidiary, whose financial statements / financial information reflect total assets of Rs. 74.75 lakh as at 31st March, 2023, total revenues of Rs. Nil and net cash inflows amounting to Rs. 0.72 lakh for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. 938.90 lakhs for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of one joint venture, whose financial statements / financial information have not been audited by us. These financial statements / financial information have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and joint venture and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary and joint venture is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditor on the separate financial statements/ financial information of the subsidiary and joint venture referred to in the Other Matter section above we report, to the extent applicable that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditor of its subsidiary company and joint venture company incorporated in India, none of the directors of the Group companies and its joint venture company incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent, subsidiary company and joint venture company incorporated in India, to whom internal financial control over financial reporting is applicable. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act. Further, based on the auditor's report of a joint venture company incorporated in India, said joint venture company being private company, section 197 of the Act related to the managerial remuneration is not applicable to such joint venture company.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its joint venture- Refer Note 33.10 to the consolidated financial statements;
 - ii) The Group and its joint venture did not have any material foreseeable losses on longterm contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent and its subsidiary company and joint venture company incorporated in India.
 - iv) (a) The respective Managements of the Parent and its subsidiary company and joint venture company which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditor of such subsidiary and joint venture respectively that, to the best of their knowledge and belief, as disclosed in the note 33.11 to the

consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent or any of such subsidiary and joint venture to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent or any of such subsidiary and joint venture (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective Managements of the Parent and its subsidiary company and joint venture company which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and to the other auditor of such subsidiary and joint venture respectively that, to the best of their knowledge and belief, as disclosed in the note 33.11 to the consolidated financial statements, no funds have been received by the Parent or any of such subsidiary and joint venture from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Parent or any of such subsidiary and joint venture shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditor of the subsidiary company and joint venture company which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor’s notice that has caused us or the other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The final dividend proposed in the previous year, declared and paid by the Parent during the year is in accordance with section 123 of the Act, as applicable. As stated in note 33.13 to the consolidated financial statements, the Board of Directors of the Parent have proposed final dividend for the year which is subject to the approval of the members of the Parent at the ensuing Annual General Meeting. Such dividend proposed is in accordance with section 123 of the Act, as applicable. Subsidiary company and joint venture company which are companies incorporated in India, whose financial statements have been audited under the Act, have not declared or paid any dividend during the year and have not proposed final dividend for the year.
- vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable w.e.f. April 1, 2023 to the Parent and its subsidiary and joint venture which are companies incorporated in India, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor’s Report) Order, 2020 (“CARO”/ “the Order”) issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditor of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the consolidated financial statements.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF SHREE AJIT PULP AND PAPER LIMITED

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to consolidated financial statements of Shree Ajit Pulp and Paper Limited (hereinafter referred to as “Parent”) and its subsidiary company, which is a company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its subsidiary company which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent and its subsidiary company, which is a company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary company, which is a company incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent and its subsidiary company, which are company incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor referred to in the Other Matter paragraph below, the Parent and its subsidiary company, which is a company incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to a subsidiary company, which is a company incorporated in India, is based solely on the corresponding reports of the auditor of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

Notes forming part of Consolidated Financial Statements

Note : 1

Corporate information:

Shree Ajit Pulp And Paper Ltd ('the Parent Company') is a public company incorporated in India. Its shares are listed on Bombay Stock Exchange. The Parent Company is engaged in the manufacturing of Kraft Paper (Testliner / Multilayer Testliner) which is mainly used for manufacturing of corrugated boxes.

The Parent Company owns and operates manufacturing unit located in the state of Gujarat, India at Morai, Vapi.

The consolidated financial statements incorporate the financial statements of following entities:

Sr. No.	Name of the entity	Relationship	Country of incorporation	% of holding as at 31 March, 2023	% of holding as at 31 March, 2022
1	Samrudhi Industrial Papers Private Limited	Subsidiary Company	India	100%	100%
2	Shree Samrat Pulp and Paper Private Limited	Joint Venture	India	50%	50%

Samrudhi Industrial Papers Private Limited ('the subsidiary') has not yet started any activity.

The Parent Company and its subsidiary together referred as 'Group'.

Note 2

A) Basis of preparation and presentation

i) Statement of compliance

The consolidated financial statements as at and for the year ended 31 March, 2023 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

ii) Basis of measurement

The consolidated financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain items that are measured at fair value as required by relevant Ind AS:

1. Financial assets and financial liabilities measured at fair value (refer accounting policy on financial instruments);
2. Defined benefit and other long-term employee benefits.

iii) New and amended Ind AS standards that are effective from the current year

On March 31, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023. This notification has resulted into amendments in the following existing accounting standards which are applicable to Group from April 1, 2023.

- Ind AS 101 - First time adoption of Ind AS
- Ind AS 102 - Share Based Payment
- Ind AS 103 - Business Combination
- Ind AS 107 - Financial Instruments Disclosures
- Ind AS 109 - Financial Instrument
- Ind AS 115 - Revenue from Contracts with Customers
- Ind AS 1 - Presentation of Financial Statements
- Ind AS 8 - Accounting Polices, Changes in Accounting Estimates and Errors
- Ind AS 12 - Income Taxes
- Ind AS 34 - Interim Financial Reporting

The amendments listed above did not have any impact/ material impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future period.

iv) Basis of consolidation

Subsidiary

The consolidated financial statements incorporate the financial statements of the Company and its subsidiary. Control is achieved when the Company (a) has power over the investee, (b) is exposed, or has rights, to variable returns from its involvement with the investee and (c) has the ability to use its power to affect its returns. The Company reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

Notes forming part of Consolidated Financial Statements

The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Interests in joint arrangements

A joint arrangement is an agreement of which two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Joint ventures

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results, assets and liabilities of a joint venture are incorporated in these consolidated financial statements using the equity method of accounting as described below.

Equity method of accounting (equity accounted investees)

An interest in an associate or joint venture is accounted for using the equity method from the date in which the investee becomes an associate or a joint venture and are recognised initially at cost. The Company's investment includes goodwill identified on acquisition, net of any accumulated impairment losses. The consolidated financial statements include the Company's share of profits or losses and equity movements of equity accounted investees, from the date that significant influence or joint control commences until the date that significant influence or joint control ceases. When the Company's share of losses exceeds its interest in an equity accounted investee, the carrying amount of that interest (including any long-term investments in the nature of net investments) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Company has an obligation or has made payments on behalf of the investee.

When the Company transacts with an associate or joint venture of the Company, unrealised profits and losses are eliminated to the extent of the Company's interest in its associate or joint venture.

B) Summary of significant accounting policies

a) Property, Plant and Equipment

All items of property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent costs are added to existing item's carrying amount or recognised as a separate item, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other subsequent costs related to an item are charged to the consolidated statement of profit and loss during the reporting period in which they are incurred.

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

b) Capital work-in-progress

Capital work-in-progress includes material, labour and other directly attributable costs incurred on assets.

c) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing

Notes forming part of Consolidated Financial Statements

the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. Intangible assets are amortised over their estimated useful life.

d) Impairment of assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the consolidated statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the consolidated statement of profit and loss.

e) Inventories

Inventories are stated at lower of cost and net realisable value except for stores and spares which are stated at or lower than cost.

Inventories of raw material, stores and spares, consumable and packing material are valued on First in First out basis and Inventories of finished goods and work-in-progress are valued at the lower of cost (on weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

f) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

g) Revenue recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Group recognises revenue when it transfers control of a product or service to a customer.

Revenue from the sale of goods is recognised when the Group transfers Control of the product. Control of the product transfers when the goods have been dispatched from the factory or upon shipment of the product to the customer, provided transfer of title to the customer occurs and the Group has not retained any significant risks of ownership or future obligations with respect to the product dispatched or shipped. Amounts disclosed as revenue are net off returns, trade allowances, rebates and indirect taxes, if any.

A receivable is recognised by the Group when the goods are dispatched to the customer or upon shipment of the product to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Income from windmills

Income from electricity units generated by windmills is accounted as income from windmills at landed cost and has been shown as such in the Statement of Profit and Loss.

Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition

Notes forming part of Consolidated Financial Statements

h) Leases (Ind AS 116)

Effective 01 April, 2019, the Group has adopted Ind AS 116 "Leases", applied to all lease contracts existing on 01 April, 2019 using the modified retrospective method of transition. Accordingly, comparatives for the year ended 31 March, 2019 have not been retrospectively adjusted. The Group's lease asset classes primarily consist of leases for land.

At the date of commencement of the lease, the Group recognizes a right of use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases, if any. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right of use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The following is the summary of practical expedients elected on initial application:

1. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
2. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 11.6 is applied only to contracts that were previously identified as leases under Ind AS 17.

i) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the consolidated statement of profit and loss in the period in which they are incurred.

j) Government Grant

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

k) Employee benefits

Employee benefits includes salaries and wages, provident fund, employee state insurance scheme, gratuity and compensated absences.

i) Defined contribution plans

The Group's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

ii) Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

Notes forming part of Consolidated Financial Statements

The Group presents the first two components of defined benefit costs in the consolidated statement of profit and loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs

iii) Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (i) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (ii) in case of non-accumulating compensated absences, when the absences occur.

iv) Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

l) Dividend

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

m) Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakh as per the requirement of Division II, Schedule III, unless otherwise stated.

n) Financial instruments

Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments.

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting. However, trade receivables that do not contain a significant financing component are measured at transaction price.

B. Subsequent measurement

a) Financial assets carried at Amortised Cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at Fair Value Through Other Comprehensive Income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at Fair Value Through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiary and Joint Venture

The Group has accounted for its investments in subsidiary and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in consolidated statement of profit and loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

Notes forming part of Consolidated Financial Statements

E. Impairment of financial assets

The Group applies the expected credit loss model for recognising impairment loss on trade receivables and other contractual rights to receive cash or other financial instruments.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate. The Group estimates cash flows by considering all contractual terms of the financial instrument.

The Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

If the Group measured loss allowance for a financial instrument at lifetime expected credit loss model in the previous period, but determines at the end of a reporting period that the credit risk has not increased significantly since initial recognition due to improvement in credit quality as compared to the previous period, the Group again measures the loss allowance based on 12-month expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Group uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Group always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

ii) Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the consolidated statement of profit and loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

o) Segment reporting

The Board of directors assesses performance of the Group as Chief Operating Decision Maker (CODM).

An operating segment is a component of an entity that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the entity's CODM and make decisions and for which discrete financial information is available. The CODM have identified one reportable segment i.e. Paper.

p) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Notes forming part of Consolidated Financial Statements

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiary and joint venture, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, deferred tax asset is recognised in the consolidated balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognised in the consolidated statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

q) Foreign exchange transactions and translation

Transactions in foreign currencies i.e. other than the Group's functional currency of Indian Rupees are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in the consolidated statement of profit and loss in the period in which they arise except for exchange differences on transactions entered into in order to hedge certain foreign currency risks.

C. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Group's accounting policies, the management of the Group is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. In the following areas the management of the Group has made critical judgements and estimates.

Notes forming part of Consolidated Financial Statements

Useful lives of property, plant and equipment

The Group reviews the useful lives and carrying amount of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

Estimation of defined benefit obligation

The Group has defined benefit plans for its employees which are actuarially valued. Such valuation is based on many estimates and other factors, which may have a scope of causing a material adjustment to the carrying amounts of assets and liabilities.

Recognition of deferred tax assets

Deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. Based on Group's past history, the management believes that taxable profits will be available while recognising deferred tax assets.

Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure so provided and included as liability.

These benefits include wages and salaries, including other monetary and non-monetary benefits, compensated absences which are either non-accumulating or accumulated and expected to be availed within twelve months after the end of the reporting period.

b. Long-term Employee Benefits

i) Defined Contribution Plans

The Group makes Provident Fund contributions, which are defined contribution plans, for qualifying employees. The Group has no further payment obligations once the contributions have been paid. Under the Provident Fund Schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions payable to these plans by the Group are in compliance with the rates specified in the rules of the schemes. The Company recognised ₹ 62.96 lakh (previous year ₹ 47.98 lakh) as an expense and included in Note 29 – Employee Benefits Expense ‘Contribution to provident fund and other funds’ in the Statement of Profit and Loss for the year ended 31 March, 2023.

In the absence of detailed information regarding plan assets which is funded with LIC the composition of each major category of plan assets the percentage or amount for each category to the fair value of plan assets has not been disclosed.

These plans typically expose the Group to actuarial risks such as:

Investment risk - The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Interest rate risk - A fall in the discount rate which is linked to the Government Securities rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Asset Liability Matching Risk (ALM) - The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Salary risk - The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than the assumed level will increase the plan's liability.

Mortality risk - Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk - Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified. The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Sensitivity

Sensitivity of the projected benefit obligation on assumptions:

(₹ Lakh)

Particulars	Change in Assumption	As at 31 March, 2023	
		Increase by	Decrease by
Discount rate	1%	(5.08)	5.57
Expected rate of escalation in salary	1%	5.64	(5.23)
Attrition rate	1%	0.54	(0.60)

Particulars	Change in Assumption	As at 31 March, 2022	
		Increase by	Decrease by
Discount rate	1%	(5.06)	5.57
Expected rate of escalation in salary	1%	5.61	(5.19)
Attrition rate	1%	0.35	(0.40)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

iii) Other Long-term Employee Benefits

Compensated absences which are accumulated and not expected to be availed within twelve months after the end of the reporting period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

An amount of ₹ 67.96 Lakh (previous year ₹ 44.86 Lakh) has been charged to the Statement of Profit and Loss for the year ended 31 March, 2023 towards Compensated absences.

Note: 33.2 Segment Information

a. Description of segments and principal activities

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Group's Board of Directors (BoD) i.e. CODM to make decisions about resources to be allocated to the segments and assess their performance.

The Group has a single operating segment i.e. manufacturing of kraft paper (Testliner and Multilayer Testliner). Accordingly the segment revenue, segment result, segment assets and segment liabilities are reflected in the financial statements as at and for the financial year ended 31 March, 2023 and 31 March, 2022 respectively.

b. Geographical Information

Revenue from customers is earned mainly in India and non-current assets are located in India.

c. Information about products and services

The Group is in single line of business of manufacturing of Kraft paper (Testliner and Multilayer Testliner).

b. Fair Value Hierarchy of Financial Assets and Liabilities

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (i) recognised and measured at fair value and (ii) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, Group has classified its financial instruments into three levels prescribed under the accounting standards below:

Level 1: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Level 3 inputs are unobservable inputs for the asset or liability.

Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(i) Measured at Amortised Cost for which Fair Value is disclosed

The fair values of all current financial assets and liabilities including trade receivables, cash and cash equivalents, bank balances, trade payables, and other current financial assets and liabilities are considered to be the same as their carrying values, due to their short term nature. The fair values of all non-current financial assets and liabilities are considered to be the same as their carrying values, as the impact of fair valuation is not material.

(ii) Measured at Fair Value Through Other Comprehensive Income (FVTOCI)

The Group has investments in quoted equity shares of Gujarat State Financial Corporation and Punjab National Bank. These equity investments have been classified as Fair Value through Other Comprehensive Income (FVTOCI). Fair value movements are recognized directly in other comprehensive income on such investments. Accordingly, such quoted investments fall under fair value hierarchy level 1. The fair value of these investments as at 31 March, 2023 and 31 March, 2022 is ₹ 1.46 lakh and ₹ 1.23 lakh respectively.

c. Capital Management and Gearing ratio

Total equity as shown in the balance sheet includes equity share capital, capital reserve, general reserves and retained earnings.

The Group aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders.

The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Group will take appropriate steps in order to maintain, or if necessary adjust, its capital structure. The management monitors the return on capital as well as the level of dividends to shareholders.

Notes forming part of Consolidated Financial Statements

The gearing ratio at end of the reporting period was as follows.

(₹ Lakh)

Particulars	As at 31 March, 2023	As at 31 March, 2022
Gross Debt	16,935.14	4,577.34

Total Equity (As per Balance Sheet) (B)	20,794.96	18,775.05
Net Debt of Equity Ratio (A/B)	0.80	0.15

d. Financial risk management

Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and its impact on the financial statements

(i) Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain.

(ii) Liquidity Risk

Liquidity risk is the risk that the Group will find it difficult in meeting its obligations associated with its financial liabilities in time.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The tables below analyses the Group's financial liabilities into relevant maturity groupings based on their contractual maturities.

(iii) Market Risk

The Group is exposed to the movement in price of key raw materials in domestic and international markets. The Group has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Group manages fluctuations in raw material price through hedging in the form of advance procurement when the prices are perceived to be low and also enters into advance buying contracts as strategic sourcing initiative in order to keep raw material and prices under control to the extent possible.

A) Foreign Exchange Risk

The Group is exposed to foreign exchange risk arising from direct transactions in foreign currency and also indirectly through transactions denominated in foreign currency though settled in functional currency (INR), primarily with respect to the US Dollar (USD). Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR).

The risk is measured through a forecast of highly probable foreign currency cash flows. As per the risk management policy, the foreign currency exposure is unhedged.

The table below shows the unhedged currency exposure of financial assets and liabilities:

Particulars	Currency	As at 31 March, 2023	
		Forex in Lakh	(₹ Lakh)

Notes forming part of Consolidated Financial Statements

The sensitivity of profit or loss and equity to changes in the exchange rates that arise from foreign currency denominated financial instruments mentioned above is as below: (₹ Lakh)

Particulars	As at 31 March, 2023	As at 31 March, 2022
USD Sensitivity:		
Increase by 5%	1.24	(8.55)
Decrease by 5%	(1.24)	8.55
EURO Sensitivity:		
Increase by 5%	5.91	5.58
Decrease by 5%	(5.91)	(5.58)

Note: In the Group's Opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year/ in future years.

B) Interest Rate Risk and Sensitivity :

The Group's exposure to the risk of changes in market interest rates relates primarily to long term debt. Borrowings at variable rates expose the Group to cash flow interest rate risk. With all other variables held constant, the following table demonstrates composition of fixed and floating rate borrowing of the Group and impact of floating rate borrowings on Group's profitability.
