From the Chairman's Desk

“Growing other leaders from the ranks isn't just the duty of the leader, it's an obligation.” – Warren Bennis

Dear Shareholders,

It has been an honor to lead the company as Chairman and Managing Director for 40 long years and take the company this far with all the memories of modernization of the cement units and the humungous expansion of the Engineering Unit into a versatile capital goods manufacturer.

My tenure witnessed the demerger of sugar businesses and addition of fresh capacities in Cement by way of Green field and brown field expansions and setting up of plants for generation of power from Wind, Hydel, Thermal and Solar.

The policies of transparent management with a set of prudent corporate governance principles have also led the company to associate with companies in the global arena established as world leaders in the fields in which we are focused. The association with Fuller International Inc, of USA in the cement technology sector resulted in the formation of Fuller K C P Ltd which performed exceedingly well and paid rich dividends.

Presently, the company has an association with Fives group of France as a Joint Venture in the name of Fives Cail KCP Ltd and has been doing competently well with generous technical support from its partners.

After the demerger of the sugar businesses in 1996, the company with its rich experience in the sugar industry and in the field of machinery manufacturing for that industry set up a subsidiary, KCP Vietnam Industries Ltd in Vietnam. This venture has expanded its crushing capacities since its inception and has been performing extremely well.

Another significant area that the company has ventured into the Hospitality industry with a 128 room four star hotel project by putting to beneficial use, the available land in a strategic location in Hyderabad. Before I elaborate on the performance of the Company in the year 2016-17, let me ponder over the economic events in the country, which have relevance to the operations of your company.

The policies of transparent management with a set of prudent corporate governance principles have also led the company to associate with companies in the global arena established as world leaders in the fields in which we are focused. The association with Fuller International Inc, of USA in the cement technology sector resulted in the formation of Fuller KCP Ltd which performed exceedingly well and paid rich dividends.

GST, the most significant indirect tax reform in decades, has at last become reality and would be a game changer. It may not be the optimal GST structure, but let the best not be the enemy of the good. It is expected to usher in significant efficiencies and benefits in the logistics chain across sectors and lift India's growth trajectory over the medium run.

Although somewhat disruptive in the short run, demonetization is being leveraged to move India towards a 'less-cash' economy. The recent data shows a small and transitory hit to India growth from demonetization. It is expected to lift India's GDP growth to 7.4% in fiscal 2017-18 from 7.1% in the preceding fiscal. GST together with the move towards a 'less cash' economy will also give speed to the formalization of the economy

With this back ground, now I proceed to the performance of the company.

The performance of the cement segment is heartening. The segment recorded a growth of 15% in volumes. Despite de-growth in realizations, demonetization blues, the segment registered impressive best ever performance, both in top line and bottom line. With the brown field expansion at Muktyala unit likely to be completed by mid 2018-19, the volumes are expected to grow substantially.

On the power front, hydel unit continues to disappoint as hardly any power could be generated with scanty rains in the catchment areas. The thermal power generation was lower in fiscal 2016-17, as the available surplus capacity could not be utilized to export to others, as was done in 2015-16, due to ample availability of power in AP & Telangana. Further the selling rates available in power exchanges also were not encouraging. With the better season, Wind power could generate 78% more than that of 2015-16.

The engineering unit continues to struggle due to combination of reasons like the recovery from cycle 'Vardah', delayed reflection of impact of reforms etc. The Unit is vigorously pursuing the opportunities in defense, space etc. apart from strengthening its core competent areas of cement, sugar and power.

The expansion from 6000 TCD of cane crushing to 8000 TCD, in the Vietnam subsidiary has been completed. But the effects of expansion could not get reflected in the financial performance as the production was lower due to excessive rains in that area during the season. The subsidiary has embarked on further expansion to 10,000 TCD which is expected to be on stream in about a year's time.

Finally, let me thank all of you for your cooperation and confidence imposed and I strongly believe KCP's brightest and most innovative days are ahead of it with the new Managing Director and Joint Managing Director and I look forward in contributing to its success in a new role as Executive Chairman.

V.L.Dutt

From the Managing Director

“A leader is one who knows the way, goes the way, and shows the way.” —John Maxwell

Dear Shareholders,

I am extremely proud and at the same time humbled to write to you for the first time as the Managing Director of the Company.

KCP has grown over years from a small cooperative sugar unit into a diversified multinational, multi product conglomerate with presence in Cement, Engineering, Power and Hospitality sectors; thanks to the sustainability policies and practices of my predecessors and their initiatives towards the Company’s goals.

The global economy continued to be subdued due to slowdown in the advanced economies and the Indian economy is in the process of recovery supported by strong consumption growth, Government spending and Tax reforms like introduction of Goods and Service Tax (GST).

The World Bank has projected a strong 7.2% growth rate for India this year against 6.8% growth in 2016 and further opined that in the long-term, demonetization has the potential to accelerate the formalization of the economy and the implementation of the GST is a key complementary reform that will support formalization, as firms have a strong incentive to register with GST to obtain input tax credits.

Against the back drop of deceleration in GDP and events like demonetization, our company performed reasonably well despite the drag due to loss reported by the new hotel at Hyderabad and Engineering Unit’s indifferent performance. The Cement Division of the company performed extremely well and registered record ever profits in 2016-17

Against the back drop of deceleration in GDP and events like demonetization, our company performed reasonably well despite the drag due to loss reported by the new hotel at Hyderabad and Engineering Unit’s indifferent performance. The Cement Division of the company performed extremely well and registered record ever profits in 2016-17.

The Union Budget proposals for the year have brightened prospects for the National Economy, particularly for Infrastructure and housing sectors and concrete steps are being proposed for re-energizing the capital goods sector with proposals to give a critical push to the manufacturing sector.

As reported earlier, The Company has undertaken expansion of cement capacity at its Unit located at Muktyala Village in Krishna District of Andhra Pradesh and the cement capacity would go up by 1.66 million tons per annum (MTPA) to 3.52 MTPA and the clinker capacity by 1.51 MTPA to 3.06 MTPA

In our Vietnam Subsidiary 30 MW Power Co-Generation plant was taken to production from March, 2017 to facilitate Son Hoa unit to operate at 8000 TCD rate and connected to national grid in 2017 to export the power and the Company is in the process of sourcing equipment to complete the expansion of Son Hoa sugar unit to 10,000 TCD for 2017-18 crushing season.

I am confident, with the guidance of eminent Directors on the Board and support of strong and dedicated team of employees; I will continue the legacy of KCP with its core values, sound ethics and good corporate governance practices.

V.L. Indira Dutt

From the Joint Managing Director

“Big thinking precedes great achievement.” —Wilfred Peterson

Dear Shareholders,

I am glad to be the Joint Managing Director of the company and looking forward to the challenge of further developing KCP’s expertise, thereby ensuring to create a new age organization that is geared to drive higher growth and profitability.

In recent past, Technological and social innovation has driven major changes in the global economy, creating new sources of value and transforming organizations, strategies, and industries.

We are committed to our founder’s philosophy of **“Modernise, Indegenise, Never compromise on Technology”** and launched a holistic journey that will touch upon all the key aspects of our business and our stakeholders and communities around our operations by reinventing our Mission and Vision in clear and differentiated terms to put forth a tangible action plan with defined results for the future.

We acknowledge the importance of Human resources by putting the right people in the right positions with the right training to achieve **“Organizational excellence through innovation”** and equip them for the challenges of today and readiness for tomorrow.

In recent past the Government of India has taken many steps on policy front, including a sharp focus on improving ease of doing business, speeding of green clearances and stepping up public sector outlays for infrastructure and Prime ministers new vision for Defense resurgence at this juncture enhancing our technology depth, developing skills of our employees, modernization of our facilities we can compete with the cheaper imports by making our products more competitive.

Today India is a land of oppurtunities, with a favourable demographic dividend and promising GDP growth, Skill India and Make India initiatives of Government are also considered as one of the important growth markets for many sectors with lots of untapped oppurtunities.

I believe we have an exciting journey ahead in the coming years and delighted to be a part of and leading this journey.

We acknowledge the importance of Human resources by putting the right people in the right positions with the right training to achieve “Organizational excellence through innovation” and equip them for the challenges of today and readiness for tomorrow.

Management Discussion and Analysis

Global Economy

Growth of global economy continued to stagnate following slow trades, low investments and policy uncertainties in advanced economies and the political developments in United State of America and United Kingdom are expected to have long-term effects on the global economy.

Supported by the growth in Industry and service sectors Global Economic activity is picking up and the growth is expected to rise from 3.1% in year 2016 to 3.5% in 2017 and 3.6% in 2018.

Indian Economy

Indian economy followed a path of recovery during the year 2016-17, registering growth in the first three quarters with the Agrarian and Rural economy, benefiting from a good monsoon after two successive rain deficit years and the favorable policy as well as executive reforms by the Government to support strong and sustainable growth, the prudent fiscal regime and calibrated monetary easing that reigned in inflation, have helped to strengthen macroeconomic stability.

However, according to estimates, India's GDP growth has moderated in FY 2016-17 to 7.1% from 7.6% recorded in the previous financial year.

This happened largely owing to the demonetization initiative that led to temporary de-circulation of money and the situation has largely normalized, following the Government's re-monetization process.

Outlook

The growth momentum in Indian economy should rise, driven by the Government's policy initiatives in areas such as Taxation (GST), Foreign Direct Investment (FDI), and the ease of doing business and a well-regulated monetary policy by the Reserve Bank of India to stabilize prices, and improving fiscal Condition.

According to the Report of Asian Development Bank (ADB), The India's economy is set to grow at 7.4% in the current fiscal year 2017-18 against 7.1% in the previous year.

Performance of the Company:

Considering the deceleration in GDP and events like demonetization in fiscal 2017, the company performed reasonably well despite the drag due to loss reported by the new hotel at Hyderabad and Engineering Unit's dismal performance.

The major performance highlights of the Company are as under.

- ❖ The Cement Division has done very well compared to the last year. The enhanced segment bottom line was driven by volumes which were better than last year.
- ❖ Engineering Unit is still to take off awaiting pickup in economic activity.
- ❖ Hotel unit at Hyderabad started its operations and the occupancy levels have started improving from Quarter 3 onwards.
- ❖ Hydel unit continues its dismal performance due to scanty monsoon in catchment areas. The performance of other power units viz. Wind, Thermal and Solar Plants is satisfactory.

The Sugar subsidiary in Vietnam has started operating its expanded capacity but the performance was hampered by the excessive rains in the season affecting not only availability of sugarcane but also the yields.

The broad financial performance of the company on Standalone basis is as follows:

(Rs. In lakhs)

FINANCIAL YEAR	2016-17	2015-16
Gross Sales	94,899	86,199
Profit before depreciation, Interest & tax	14,398	14,965
Profit(+)/Loss(-) after tax	2,960	4,286

The division-wise (Segment-wise) performance is analyzed in the following paragraphs.

A. Cement Division:

Operational Performance:

FINANCIAL YEAR	2016-17	2015-16
Cement produced (MT)	1,753,754	1,524,092
Clinker produced (MT)	1,554,350	1,313,221
Turnover (Rs In lacs)	84,756	76,590
Segment Profit before Interest & Tax (Rs in lacs)	11,295	11,051

KCP's Cement Division continues to perform at its peak and registered record ever profits in 2016-17. Both top line and bottom line of cement segment have shown good improvement over the previous year. The bottom line of cement segment is driven by improvement in the demand for the KCP Cement in the regions it operates. The quantity of cement sold improved by about 15% over 2015-16. However, the prices were subdued due to the moderate overall demand in the region of KCP's operation.

Cement Scenario:

After modest cement demand growth in H1FY17, cement demand growth trajectory suffered a jolt by the demonetization, which caused cement volumes to decline on pan India basis, especially in North owing to higher proportion of rural population. In Southern region, with more banking coverage and higher urbanization remained insulated from the impact and continued to maintain the moderate cement demand growth even in the face of cash crunch caused by demonetization.

On Prices front, Pan-India prices are estimated to decline by 1-2% in FY17, as cement demand growth remained weak for major part of the year, which restricted meaningful increase in prices. Despite the healthy growth in cement demand in the eastern region, prices have declined owing to increased competition from new players entering the region.

Outlook:

As per research, Cement demand is expected to increase by 5-6% y-o-y in FY18 on account of increased spends on roads and railways, push on affordable housing by central govt. Further materialization of pent-up demand, particularly in rural housing and low base is expected to support modest increase in demand. Over a five-year period, cement demand is projected to increase at 6-7% CAGR, led by revival in government spending in housing (esp. affordable housing), marginal uptick in private housing, and fast growth in infrastructure spends like urban infrastructure, road, and irrigation. The impact of major reform in taxation i.e. GST legislation is yet to be felt.

Challenges:

Over the long-term, it is projected that the industry's capacity utilization will reach 77% by 2020-21 (average 74% over the next five years) vis-a-vis 72% in 2015-16, with improvement in demand supply balance.

On a regional level, South, where KCP operates, has the lowest utilization rates at ~55% and continues to be a drag on pan-India utilization rates. With players curtailing capacity additions, the region's operating rate, which is hovering around 55%, is expected to gradually reach 60-63% by 2020-21. As this will still be considerably below the pan-India average, some consolidation in the region is expected to continue. Similarly, prices are expected to witness moderate growth. Grounding of governmental projects including infrastructure spends is eagerly awaited by the industry.

B. Power Division:

Operational Performance:

Details	Hydel		Waste Heat Recovery		Windmill		Solar		Thermal Plant	
	2016-17	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17	2015-16

Division Profit before Interest & Tax (Rs Lakhs)	(-) 97	199	413	267	271	121	33	29	268	629

Thermal Power Plant (TPP): Thermal Power plant achieved a plant load factor of 80.33% in 2016-17 against 86.71% in 2015-16. The plant is meeting full power needs of the cement unit at Muktyala. The surplus power capacity is being used to sell power to the grid or transfer to the other cement unit at Macherla. During the previous year TPP could sell power to Andhra Pradesh Power grid as per the agreement with the state government.

However, the State was not in need to buy power from private parties as they were surplus during the current year. In addition the demand from the Power Exchanges was low compared to 2015-16. Hence, the unit could not generate additional power to sell to others. Hence, the reduction in generation. However, though coal prices remained subdued in the first half of the year, from the second half of the year, coal prices started going up.

Hydel: Performance of Hydel unit is dismal due to extremely disappointing monsoon in the catchment areas. The unit could not generate worth mentioning power due to inadequacy of water in the canal where it operates.

Waste Heat Recovery: The performance of this unit is linked to cement production unit at Macherla. Since, there is an improvement in production at Macherla unit, the generation of power from waste heat, was satisfactory.

Wind Mill: The wind mill could generate more units than those generated in 2015-16 as the season in 2016-17 was much better compared to 2015-16. Correspondingly, the bottom line of this unit improved over 2015-16.

Solar: The performance of solar power plant in 2016-17 was more or less similar to that of 2015-16. However, due to inadequate demand for RECs in the exchange, the profitability took a hit due to the poor valuations of RECs.

C. Engineering Division:

Operational Performance:

Rs in Lakhs

FINANCIAL YEAR	2016-17	2015-16
Turnover :		
Domestic	6,838	6,704
Export	1,079	391
Segment Profit before Interest & Tax (Rs Lakhs)	-1,601	-1,028

The Indian engineering sector is of strategic importance to the economy owing to its intense integration with other industry segments. The sector has been de-licensed and enjoys 100 per cent Foreign Direct Investment (FDI). The various initiatives taken by the government like Make in India and Smart Cities are yet to reflect in demand growth. With limited demand shared by the large capacities, the margins were under pressure due to intense competition. The need for capacity utilization is driving the industry to quote for orders at very thin margins. Lack of technology, a handicap of the industry, is encouraging cross border competition in the form of imports.

KCP's Engineering Unit is no exception to the conditions prevailing in the country. In addition to the economic conditions of the industry as a whole, KCP's unit also had to face two consecutive natural calamities i.e. flood in 2015 and cyclone 'Vardah' in 2016. The compounded effect of these conditions is low off take as well as low profitability in the segment of the company

Outlook:

With enhanced allocations to the Defense by Government of India and push for 'Make in India' should reflect in to some demand growth for the domestic industry. The fact that 50% of the engineering goods needs are met by imports reveals an opportunity of domestic demand growth based on domestic technological advancement.

D. Hotel Division:

The KCP's Hotel in Hyderabad, **Mercure Hyderabad KCP** has started the operations. As is common for any Hotel in the country, first few years of operations would be difficult years until the brand name is established. The Hotel started gaining the occupancy levels from 20% in the first quarter to about 50% in fourth quarter.

Business travelers especially from information technology and pharma account for 85-90% clientele of premium hotels of Hyderabad. Robust MICE (meetings, incentives, conferences and exhibitions) also should help in improving occupancy rates in the city.

Being a 4 Star hotel located centrally in Hyderabad, KCP's Hotel should be in a position to enjoy the advantage. One research expects improvement in RevPARs (revenue per available room) driven by improving room occupancy. It is expected that RevPAR to grow at 12% CAGR till 2019-20, based on the expected demand and supply.

E. Ready Mix Concrete:

During the year the Company undertook Ready Mix Concrete (RMC) business on experimental basis, by hiring the equipment temporarily, as the demand for the product is on the rise. Having gained the expertise, the company is ready to foray into this area by setting up own units, subject to availability of land nearer to the places of demand.

F. Bricks:

The Company also has a brick unit in its cement unit at Muktyala. Considering the demand traditional bricks, the unit has not made much progress. However, the unit is ready to meet the demand from upcoming capital of AP in Amaravati.

Expansion Project (Brown field cement project):

The Company has undertaken expansion of cement capacity at its Unit located at Muktyala Village in Krishna District of Andhra Pradesh. The cement capacity would go up by 1.66 million tons per annum (MTPA) to 3.52 MTPA and the clinker capacity by 1.86 MTPA to 3.06 MTPA. The project is estimated to cost about Rs 500 Crores and would be completed in 24 months of kick off i.e. by October 2018. Financial Closure has been achieved by tying up the loans to the extent of 75% of the project cost. Most of the orders for machinery as well as civil contracts have been awarded and the work is in brisk progress. The progress in monetary terms is as follows:

Rs in Lakhs

Total Value of Contracts awarded: (Before taxes)	23,701
Total Payments made: (Including taxes)	6,043
Total amount of Loan drawn:	4,060

Container Freight Station Project:

The Company is in the process of obtaining necessary approvals for the project. The Company is also exploring the possibility of improving the logistics and connectivity for the container movement between the station and the ports.

FINANCIAL YEAR	2016-17	2015-16
Turnover	13,602	23,999
Profit before Tax	430	835

The Company's sugar vertical performed better during the year under review as compared to the energy vertical. Due to delay in the operationalization of overseas orders, annual turnover has dipped substantially. During the latter half of the year, new orders were booked by the energy vertical which will be executable in the ensuing financial year. Scope for the energy vertical, with the incineration boiler using spent wash from molasses based distilleries as fuel, is expected to generate considerable revenue in the next few years. Indian sugar industry market is depressed due to prevalent draught conditions affecting the sentiments of investment for modernization. Increased activity in sugar industry in South East Asia and Africa, offer a silver lining.

Subsidiary:

KCP Vietnam Industries Limited: (KCP VIL)

Operational Performance:

Turnover (Rs Lacs)	41,272	46,010
Profit before Tax (Rs lacs)	6,393	7,230

Overview:

Most part of the year, company operated with a total crushing capacity of 7000 TCD (Son Hoa Unit – 6000 TCD and Dong Xuan Unit – 1000 TCD) and from Mar,2017 with a crush capacity of 9000 TCD (Son Hoa unit – 8000 TCD and Dong Xuan unit – 1000 TCD).

The total cane crushed was 733,142 Mts with a recovery rate of 8.39% and the refined sugar produced was 95,024 MTs which includes sugar processed from raw sugar of 29,578 MTs

Compared to the previous season, the sugarcane crushed and the quality of the sugar cane were lower but the sugar production was higher. Unusual heavy rains in Dec,2016 and Jan,2017 impacted the harvest and milling. Raw sugar was purchased for conversion in to high quality refined sugar to make up for the production loss due to low quality of the sugarcane.

Though the sugar prices maintained upward trend or stable due to forecast of deficit in the World during 2016, the trend was reversed in 2017 with the prices dropped in the

international market. Vietnam sugar market followed the trend in the international market.

30 MW Power Co-Generation plant was taken to production from March, 2017 to facilitate Son Hoa unit to operate at 8000 TCD rate and connected to national grid in year 2017 to export the power.

Company is in the process of sourcing equipment to complete the expansion of Son Hoa sugar unit to 10,000 TCD.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

(Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014)

Energy conservation and efficiency measures were undertaken in various areas of the Cement Plants and Captive Power Plants (CPPs), few highlights are as under:

A: CONSERVATION OF ENERGY

(i) The steps taken or impact on conservation of energy:

Energy conservation measures at Cement Unit, Macherla:

- ❖ Installed 90KW VFD for R-71 coal FK Pump blower.
- ❖ Installed 55KW Yaskawa A1000 VFD for J8A Packer Bag filter Exhaust fan (J20A) and 22 KW Yaskawa A1000 VFD for J71 Packer Bag filter Exhaust fan (J84).
- ❖ Installed 55KW Yaskawa A1000 VFD for J8C Packer Bag filter Exhaust fan (J20B) and 55 KW VFD F13 for NOSE RING FAN.
- ❖ Installed 20 HP submersible pump set at process water tank to minimize the operation of 40 HP centrifugal pump operation.
- ❖ Replaced 137 conventional tube lights with CCR LED lights at TG House control room, QC Laboratory, MCC Room, IT Department, TG house turbine room and street lights.

Energy conservation measures at Cement Unit and Thermal Power Plant, Muktyala.

- ❖ Internal modification in Raw Mill circuit resulted into Process optimization and productivity improvement.
- ❖ Optimization of Coal Mill operation.
- ❖ 65 No of 150 W HPSV Lamps replaced with 70W LED Lights for Plant Street Lights,
- ❖ 62 No of 4 X 14 W T5 Panel lights replaced with 36 W LED Panel lights for Load Centre and CCR office lighting.
- ❖ Installed 5 Nos Airtron energy savers in place of 3 star rating 1.5 TR Split A/c units.
- ❖ Installed Improved version of cooler plates.
- ❖ Heat Resistant (HR) painting with mixed compound of Lithopone & Sodium silicate used for KILN shell.
- ❖ HR Aluminum - BERGER 123 paint used for Pre-heater cyclones.

Energy conservation measures planned at Cement Unit and Thermal Power Plant, Muktyala.

- ❖ Planned to Install MV VFD in place of GRR for Raw Mill Fan Motor.
- ❖ Planned to install Raw Mill Fan impeller with high efficiency impeller.
- ❖ Planned to install retrofit Cooler 1st grate to improve the efficiency.
- ❖ Planned to Replace 150 W HPSV Conventional Lamps with 70 W LED Street Lights for Colony and Main Road lighting.
- ❖ Planned to replace induced Draft Cooling tower with Natural draft cooling tower for MRSS + CM building AHU System.
- ❖ Planned to replace 28 W T5 Lamps with 22 W LED Lights for Quarters.
- ❖ Planned to Install Airtron Energy saver for 1.5 TR Split AC units.
- ❖ Planned to install condensate in cooler exit duct to utilize waste heat for pre-heating of DM Water in power plant.

(ii) The Steps taken by the Company for using alternate source of Energy.

- ❖ Waste Heat Recovery Unit – Macherla
- ❖ Hydel Power Unit – Nekerikallu
- ❖ Solar Power Plant – Muktyala
- ❖ Wind Mills – Uthumalai (Tamil Nadu)

(iii) The Capital investment on energy conservation equipments: NIL**B. TECHNOLOGY ABSORPTION****(i) The efforts made towards technology absorption:**

The company continues its efforts towards adoption and implementation of new technologies by Identifying alternate fuels, utilizing waste material, adopting newer technologies, improving product quality with improved process and optimizing available resources.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

- ❖ Energy Conservation
- ❖ Conservation of natural resources
- ❖ Utilization of waste and environment conservation
- ❖ Improvement in equipment efficiency and productivity
- ❖ Cost reduction

Independent Auditor's Report

To the members of The KCP Limited, Chennai

Report on Standalone Financial Statements:

We have audited the accompanying standalone financial statements of The KCP Limited, Chennai, which comprise the Balance sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting standards specified under section 133 of Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Companies Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Companies Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE - 'B' TO THE INDEPENDENT AUDITORS' REPORT

To the members of The KCP Limited, Chennai

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The **KCP Limited** ("the Company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial

Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles,

and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2017

1. GENERAL

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, Companies (Accounting Standards) Amendment Rules, 2016 and the relevant provisions of the Companies Act, 2013.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

2.1 PROPERTY, PLANT AND EQUIPMENT

Tangible fixed assets

a) Property, Plant and Equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated at cost of acquisition or construction less accumulated depreciation / amortisation and impairment losses, if any. The cost comprises the purchase price (net of Cenvat and VAT credit wherever applicable) and all costs directly attributable to acquisition until the property, plant and equipment are ready for use, as intended by management. Subsequent expenditures related to an item of tangible asset are added to its gross book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

- b) Machinery spares which can be used only in connection with a particular item of Fixed Assets and the use of which is irregular, are capitalized at cost.
- c) Fixed assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and are disclosed separately under "Other Current Assets".
- d) Losses arising from the retirement of, and gains and losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.
- e) Tangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances given towards acquisition / construction of fixed assets outstanding at each Balance Sheet date are disclosed as Capital Advances under "Long Term Loans and Advances".

Depreciation

Depreciation is provided in accordance with the useful life and rules prescribed under Schedule II to the Companies Act, 2013 as follows:-

- i. In respect of assets existing as on 30-6-1988, under the written down value method: and
- ii. In respect of assets acquired on or after 1-7-1988, under the straight line method.

Useful life for parts of Assets having significant cost, has been assessed based on technical estimate which is different from the life given under the Schedule II to the Companies Act, 2013 as given below:

S.No	Description of the Asset	Estimated useful life
1.	Transformers	30 years
2.	Economisers in Boilers in the Captive Power Plant ; Turbines, Generators, Sluice Gates, Switchgears and Cables in Hydel Plant.	25 years
3.	Electrical Components like Panels, Motors , Insulators which are components of Plant and Machinery	10 years
4.	Economisers in Boilers and Water pre-heater in Waste Heat Recovery Plant; Evaporators in the Captive thermal Power Plant	5 years

2.2 Intangible assets

Intangible assets are initially recorded at the consideration paid for acquisition and stated in the account each year net of amortized value. Intangible assets are amortized over their individual estimated lives of 4-7 years.

2.3. Impairment of Assets

The carrying amount of assets are reviewed at each Balance sheet date to assess, if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever that carrying amount of the assets exceeds its recoverable amounts. The recoverable amount is the greater of the assets net selling price and value in use. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.4. Leased Assets :

(A) Assets under Finance lease:

Assets acquired under finance lease arrangement on or after 01.04.2001 are recognised separately among the fixed assets, at the inception of the lease at lower of their fair value or the present value of minimum lease payments in respect thereof. Depreciation and lease charges on such assets are accounted for, in accordance with the Accounting Standard-19 – “Accounting for Leases” issued by The Institute of Chartered Accountants of India .

(B) Assets under Operating Lease :

Assets used by the Company as a lessee under operating lease agreement are not recognised in the Company’s accounts. Lease payments under operating lease are charged to the profit and loss account on a systematic basis representative of the pattern of the benefit accruing to the Company from the use of the asset under operating lease.

2.5. Investments

Investments (Long Term) are stated at cost less provision for diminution in value other than temporary, if any. Short term investments are valued at Cost or Fair value whichever is lower.

2.6. Inventories

- (a) Finished goods are valued at cost or market value, whichever is lower.
- (b) Stock of scrap –
 - i. In respect of Engineering Unit, purchased scrap and internally generated scrap for use in production are both valued at average cost of purchased scrap.
 - ii. In respect of other scrap, the stock of scrap is not valued and adjusted. As and when sales made, stocks are adjusted.
- (c) Work-in-Progress, raw materials, stores, spares, material in transit, are valued at cost using weighted average method except where the net realisable value of the finished goods they are used in is less than the

cost of finished goods and in such an event, if the replacement cost of such materials etc., is less than their book values, they are valued at replacement cost.

2.7. Revenue Recognition

- (a) Sales and service earnings are inclusive of excise duty, service tax, freight, insurance etc. recovered thereon.
- (b) Despatches from Engineering Unit are in completely knocked down condition and are invoiced at the appropriate technically evaluated values, with contracted sale prices.
- (c) Electricity generated by the power units of the company, sold to its other units is accounted at the tariff rates charged by the State Electricity Boards. Such earnings are adjusted to the power charges.
- (d) The revenue from sale of Renewable Energy credit is recognised on delivery thereof or sale of right therein, as the case may be, in terms of the contract with the buyers.
- (e) The revenue from sale of thermal power is recognised based on actual billing to the State Board at the end of each billing cycle .
- (f) Dividend income is accounted as and when the right to receive arises.
- (g) Other income – Revenue in respect of other incomes are recognised when there is a reasonable certainty as to its realisation.

2.8. Government grants

- (i). Grants from government are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will complied with.
- (ii) Government grant relating to Specific fixed assets is shown as deduction from the gross value of the asset concerned in arriving at its book value.
- (iii) Grants related to revenue items are presented under general heading such as “Other Operating Revenue” or they are deducted in reporting the related expense.

2.9. Foreign Exchange Transactions

- A) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/payment during the year.
- B) At each Balance Sheet date
 - foreign currency monetary items are reported using the rate of exchange on that date

- foreign currency non-monetary items are reported using the exchange rate at which they were initially recognized.
- C) In respect of forward exchange contracts in the nature of hedges
- Premium or discount on the contract is amortised over the term of the contract,
 - Exchange differences on the contract are recognized as profit or loss in the period in which they arise.

2.10. Accounting for Derivatives

The company uses derivative instruments to hedge its exposure to movements in foreign exchange rates. The objective of these derivative instruments is only to reduce the risk or cost to the company and is not intended for trading or speculation purposes.

2.11. Employee benefits

- a) Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the Profit and Loss account of the year in which the related service is rendered.
- b) Long Term Employee Benefits in respect of compensated absences, which do not fall due wholly within twelve months after the end of the period in which the employees render the related service, are recognized as follows
- Expense is arrived at as per actuarial valuation and is recognized and charged to the Profit and Loss Account in the year in which employee has rendered services in lieu of such leave.
 - Liability as at the date of each Balance Sheet is arrived at and recognized therein as per actuarial valuation.
- c) Post Employment Benefits:
- (i) Defined Contribution plans:
- The company's employees are covered under superannuation schemes, state governed provident fund scheme, employee state insurance scheme and employee pension scheme, which are in the nature of Defined Contribution Plans. The contributions paid/payable under the schemes are recognized during the period in which the employee renders the related service.
- (ii) Defined Benefit plans:
- The company's liability to gratuity of its eligible employees is funded under a Defined Benefit Plan

with the Life Insurance Corporation of India. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method by Consulting Actuary. The incremental expense thereon for each year is arrived at as per actuarial valuation and is recognized and charged to the Profit and Loss account in the year in which the employee has rendered service.

The fair value of the plan assets and the gross plan obligation, under the said plan, are recognized in each Balance Sheet on net basis.

- d) Actuarial Gains/losses are credited/charged to the Profit and Loss account in each year.

2.12. Dividends

Dividends proposed and declared after the balance sheet date, but before the financial statements have been approved, are not recognised as a liability at the balance sheet date. Details of these dividends are, however, disclosed in the Notes to Accounts.

2.13. Borrowing cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue in the period in which they are incurred.

2.14. Expenditure during construction period

All identifiable revenue expenses including interest on term loans incurred in respect of various projects/ expansions are allocated to capital cost of respective assets/ capital work in progress.

2.15 Expenditure On Approved Research And Development Programme

In respect of approved Research and Development Programme, expenditure of capital nature is included in the fixed assets and other expenditure is charged off to revenue in the year in which such expenditure is incurred.

2.16. Taxation

Provision is made for income tax liability estimated to arise on the taxable income for the year at the current rate of tax in accordance with the Income Tax Act, 1961.

- ❖ • Deferred tax resulting from timing differences between taxable and accounting income is

accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date.

- ❖ Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognised only when there is virtual certainty supported by convincing evidence that such assets will be realised. Deferred tax assets arising on other temporary timing differences are recognised only if there is a reasonable certainty of realisation.
- ❖ MAT Credit Entitlement as per the provisions of Income Tax Act, 1961, is treated as an asset by credit to the Profit and loss account.

2.17. Earnings Per Share (Eps)

The earnings considered in ascertaining the company's Basic EPS is the attributable net profit or loss to the equity shareholders as per AS-20 "Earnings Per Share". The number of shares used in computing Basic EPS is the weighted

average number of shares outstanding during the period. The Diluted EPS is calculated on the same basis as Basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.

2.18. Provisions/ Contingent Liabilities And Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised, but are disclosed in the notes on accounts. Contingent assets are neither recognised nor disclosed in the financial statements.

2.19 Warranty claims

Company's liability for Warranty claims and Guarantee claims are accounted on accrual basis as per contracts, after adjusting the claims no longer required.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the members of The KCP Limited, Chennai

Report on Consolidated Financial Statements:

We have audited the accompanying consolidated financial statements of The **KCP Limited** (the "Company"), its subsidiary and its joint venture as at 31st March, 2017, (collectively referred to as "the Group"), which comprise the Consolidated Balance sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including jointly controlled entity in accordance with the accounting principles generally accepted in India, including the Accounting standards specified under section 133 of Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the relevant Acts for safeguarding of the assets of the Group and Jointly control entity and for preventing and detecting the frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Companies Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Companies Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies

Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in Sub-paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the report of other auditor, on the financial statements of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and jointly controlled entity as at 31st March, 2017, and their consolidated Profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements /financial information of KCP Vietnam Industries Limited (subsidiary), and whose financial statements/financial information reflect total assets of Rs.60,243.33 Lakhs as at 31st March 2017, total revenues of Rs. 41,681.92 Lakhs and net cash flows amounting to Rs. 2,889.57 Lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements include the share of net profit of Rs.4,213.54 Lakhs for the year ended 31st March 2017, as considered in the consolidated financial statements, whose financial statements/financial information have not been audited by us.

These financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor and the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1) As required by Section 143(3) of the Act, we report to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Companies Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e) On the basis of written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its subsidiary company, none of the directors of the Group Companies and jointly controlled company incorporated in India is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Companies Act;
- f) With respect to the adequacy of Internal Financial Controls over Financial Reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure-A", and
- g) With respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated financial statements disclose the impact of pending litigations on its financial position of the Group and jointly controlled entity -- Refer Note 2.4 to the Consolidated financial statements;
 - ii. The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts but did not have derivative contracts – Refer Note 2.17 to the Consolidated financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
 - iv. The company has provided requisite disclosures in the Consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 and these are in accordance with the books of accounts maintained by the Company. Refer Note 2.19 to the Consolidated financial statements.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The KCP Limited ("the Holding Company") and its jointly controlled entity, which are companies incorporated in India, as of 31st March 2017, in conjunction with our audit of the consolidated financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its jointly controlled entity, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and

plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and jointly controlled entity, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one jointly controlled entity, which is a company incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. Basis of preparation

The KCP Limited (Parent) has prepared the group consolidated financial statements by :

Consolidating its accounts and those of its subsidiary KCP Vietnam Industries Ltd, a company incorporated in Socialist Republic of Vietnam, in which it holds 2/3rds of the share capital, in accordance with "Accounting Standard 21 Consolidated Financial Statements" and also reporting therein its 40% interest in its Joint Venture entity Fives Cail KCP Ltd, a Company incorporated in India, in accordance with AS 27 "Financial Reporting of interest in Joint Ventures" prescribed by The Companies (Accounting Standards) Rules,2006.

The accounts of all the companies taken into these consolidated accounts have been prepared for the year ended 31st March 2017.

2. Principles of consolidation

The consolidated financial statements of the KCP Ltd, its subsidiary and its Joint Venture are prepared according to the accounting policies and standards applicable to them in the countries in which they are incorporated as stated in the "Statements on Accounting Policies" in the respective companies and published separately. To the extent practicable, uniform accounting policies have been adopted in preparing the consolidated financial statements.

2.1. Foreign Exchange Transactions

- a) Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction, and adjusted appropriately with the difference in the rate of exchanges arising on actual receipt/payment during the year.
- b) At each Balance Sheet date
 - foreign currency monetary items are reported using the rate of exchanges on that date.
 - foreign currency non-monetary items are reported using the exchange rate at which they were initially recognized
- c) In respect of forward exchange contracts in the nature of hedges if any,
 - a). Premium or discount on the contract is amortised over the term of the contract,
 - b). Exchange differences on the contract are recognized as profit or loss in the period in which they arise.
- d) In consolidating the transactions of the non-integral foreign operations of the group, in the group financial statements, all the assets and liabilities of such operations are translated at the exchange rate on the date of the Balance Sheet Income and expenses of such operations are translated at the yearly average rates. The resulting exchange differences are accumulated in a foreign currency translation reserve until the disposal of the investment in such operations.
