Awards & Recognitions

From the Executive Chairman's Desk

Dear Shareholders,

Your company has completed 77 years in business, leaving in its wake a glorious history of corporate ethics and social responsibility.

Growth, being a high priority for a Company, KCP has well-conceived and detailed action plans for Growth in Revenue, Profitability, Return on Capital Employed, Shareholder Value, Capacity Utilization and Productivity.

In the complex setting of Goods and Service Tax (GST) implementation, the tighter regulatory norms and the increasingly volatile global scenario, the resilience of KCP lies in its optimism, managerial and technical competence, discipline and commitment.

Let me deliberate on the economic scenario and performance of the company in the year gone by and the outlook for future.

The Economy of this great country is evolving rapidly and your company is adapting to meet that changes. The economic progress in the first half was impacted by GST related issues, but the second half demonstrated recovery with higher economic growth.

The international agencies have painted a brighter picture of the Indian economy going ahead. International Monetary Fund (IMF) has projected the growth of 7.4% for 2018-19 and 7.8% for 2019-20 while the World Bank estimates the economy to grow by 7.3% in 2018 and 7.5% in 2019 citing that the economy has recovered from the adverse impact of demonetization and GST related disruptions. This growth will be contingent upon favorable monsoon, pick up in investment and increased private sector spending supported by continued government spending.

Growth, being a high priority for a Company, KCP has well-conceived and detailed action plans for Growth in Revenue, Profitability, Return on Capital Employed, Shareholder Value, Capacity Utilization and Productivity.

The manufacturing sector grew by 4.5% in 2017-18, the highest since FY14 on account of restocking activities undertaken by the sector post the implementation of the GST.

Coming to your Company, the performance of the KCP was quite encouraging with the improved results not only on standalone basis but group as whole.

Though the prices of cement were not as remunerative in 2018 as they were in 2017, the volumes helped us to improve the bottom line. The demand for cement was supported by irrigation schemes, low cost housing and infrastructure projects. Energy and freight costs were under pressure on the back of rising coal and diesel prices during FY2018. But for the substantial jump in coal prices in FY 2018, the KCP would have made substantial improvements in net realizations driven by cost saving measures.

Going forward, it is expected that there would be moderate growth in the demand and prices of cement.

We are gearing up with strategies for the off- take of the additional capacity, coming on stream during FY 2019, at our Muktyala plant.

Competition for the orders for engineering goods continues to exert pressure on margins in our Heavy Engineering. The engineering unit though languishing in losses, it substantially reduced the losses of the previous year.

Coming to the Hospitality sector with reference to our Hotel at Hyderabad, it is heartening to note that the Revenue per Available Room and Average Room Revenue have been improving in the country, signaling growth in this sector. Our Hotel also showed substantial improvement in line with the trend. It is expected that the industry would do well in Hyderabad in coming years.

The prices of sugar were southwards in FY 2018. With completion of expansion to 9000 TCD, the subsidiary in Vietnam could turn out larger volumes which helped in improved and healthy bottom line. Though expansion of crushing capacity to 11,000 TCD has been completed, the completion of sugar refining facilities would be done in a year's time.

It has been a rewarding year where the Board and the executive team have been deeply involved in all of this work. We are clear in our path and in our goals. I thank to my Board colleagues.

I thank you all for your continued support. I wish to express my deepest gratitude to our Partners, Bankers, Customers, Employees and Governments that we operate in, for their guidance, advice and support. Their goodwill renews our belief in ourselves and our potential.

V.L.Dutt

From the Managing Director

Dear Shareholders,

Despite the implementation of much awaited reformist legislation GST in the Financial Year (FY 2018), KCP grew across all our key business metrics. Our standout business segment remains Cement in India and at group level it is sugar in Vietnam.

The results for the year reflect our focused approach, strategic and operational discipline, and financial strength.

Cement could sustain its good performance of FY 2017 in FY 2018 with volumes, despite the spiraling fuel prices affecting cost of production. With the surging oil prices, the logistics cost continued its upward trend unabatedly. But with the effective cost control measures and strategies of securing alternative sources of procurement, helped in containing the costs.

The cement segment registered major achievements in the fields of energy efficiency, technology up-gradation, quality and emission controls. KCP received best performance award in energy efficiency from Confederation of Indian Industry.

The cement industry is expected to grow at 5-6 per cent CAGR between FY17 and FY20. Besides, the ongoing investment in power and infrastructure sectors is also expected to boost demand growth.

With the sustained push on infrastructure through projects like Bharatmala, housing schemes and irrigation projects especially in South, the Management is confident that it would be able to operate at good levels of expanded capacity to ensure handsome rewards to the stakeholders.

Going forward, another important development is the enhancement in the Thermal Substitution Rate (TSR) by having increased usage of fly ash from the present 27 per cent in PPC, thereby prolonging the life of our depleting limestone reserves. The present TSR is less than one per cent in India as against world average of over 50 per cent. This will also considerably bring down further the emissions level of the industry apart from cutting down drastically the land required by the power houses for dumping the fly ash generated by them in open land area.

The cement segment registered major achievements in the fields of energy efficiency, technology up-gradation, quality and emission controls. KCP received best performance award in energy efficiency from Confederation of Indian Industry.

The increased cement demand in the country might see a paradigm shift in the movement pattern of cement from the conventional bagged to bulk movement of cement in loose form in special purpose wagons, although bagged cement will continue to dominate the market. Apart from this, movement of cement, clinker, etc. will start taking place through multimodal means, i.e., a combination of Rail/Road/Coastal modes, as the government is very keen to develop these transport modes also.

Despite volatility in global markets and continued uncertainties in regional and global economies the engineering division continued to improve its performance by reducing losses and with the support of a strong order book.

Sharing few highlights of the FY17-18 business, the turnover of the company grew during FY18 mainly due to higher off take of Cement. The major revenue contributor Cement business grew by 12% in FY18. EBITD in FY18 increased by 32% . The company has earned a net profit of Rs. 81.27 Crores for the year ended 31 March 2018 vis-a-vis net profit of Rs. 33.81 Crores in the previous year.

Undoubtedly, with friendlier laws, lower taxation and increased infrastructure spend; the company will grow and contribute to the Indian economy.

Business Sustainability is a comprehensive approach of management which is focused on creating and maximizing long-term economic, social and environmental values. As a responsible Corporate citizen we strive to balance the organization's growth with its environmental implications by developing sustainable solutions for the environmental concerns by innovative new technologies and use of alternative raw materials such as fly ash, dust etc from power generation.

The Corporate Social Responsibility (CSR) is an integral part of our policies and businesses from the beginning. Even before the CSR concept became law, our company took initiatives to incorporate creation of social and environmental values into our core strategy and operations, which enhances the long-term social and environmental sustainability.

We are expanding our cement capacity at Muktyala by setting up a new plant (Line 2) of 1.5 MT which is in the final phase of completion. With this expansion our cement production capacity will be over 4 MT to cater to the markets in South.

We are committed to continue with our operational excellence in the coming financial years and will take various initiatives at strategic and operational level.

I take this opportunity to thank our shareholders, dealers, employees, customers and other stakeholders for their firm belief in the Company.

V.L.INDIRA DUTT

From the Joint Managing Director

Dear Shareholders,

At KCP our employees are the driving force behind our organic and inorganic growth and success. We adopted a corporate structure to meet the economic and social changes with focused attention on employee welfare and their performance.

India's workforce today is highly diverse, robust, and tech-savvy. Job satisfaction of such a dynamic work force becomes imperative since it has a direct impact on productivity and organization's success. Historically, satisfied employees are more likely to produce good quality work and optimized performance while demonstrating more creativity.

The diversity, commitment and expertise of our employees, inspire our vision "organizational excellence through innovation" Maximizing individual and organizational efficiency is a major objective of the Company.

At KCP, we encourage an open atmosphere that is conducive to learning and teamwork. KCP is committed to professional development and career advancement to all our employees with emphasis on gender equality and corporate social responsibilities.

KCP designed suitable policies and procedures for Health and safety in workplaces, which utmost priority in our organization. The company also laid down guidelines for compliance with labor legislations not only by the company but also by the contractors who are working for the company.

Going forward, KCP is geared up to face the latest HR challenges like handling millennial workforce, who hop on to web and change employers overnight, catering to multi-generational workforce etc. We are aware and conscious of the future generations love for flexible work arrangements, clear & transparent work culture and career advancements.

We attribute our success to our valued customers and trustworthy partners and all other stakeholders who put their faith in us, at the same time we have an internal driving force of our dedicated and specialized team of employees. It is their efforts that make it possible to increase and grow our business consistently.

The diversity, commitment and expertise of our employees, inspire our vision "organizational excellence through innovation" Maximizing individual and organizational efficiency is a major objective of the Company.

Kavitha D Chitturi

Board of Directors

Corporate Social Responsibility

Corporate Social Responsibility (CSR) refers to the company's responsibility for its impact on society, which includes social, environmental and economic aspects and poverty alleviation programs and focusing on need-based initiatives aligned with the national priorities such as public health, education, livelihoods, sanitation, water conservation and natural resource management.

KCP has launched its community development initiatives from its inception and since then it has continued to promote the same with host communities around its operations and is committed to operate core business in a socially responsible way by taking into consideration the wider interests of the community and the environment sustainability.

At KCP we planned our CSR projects with a focus on factors that will lead to infrastructure development, women empowerment and capacity building of rural youth with major emphasis on providing quality education and healthcare facilities to communities living around our operations as they are our key stakeholders.

Health:

KCP believes preventive health care is an important dimension of health care which needs significant attention. Active awareness campaigns are undertaken to enhance communities understanding of the prevention of various diseases and healthy ways of living.

In association with PSR Anjaneyulu Meenaskhi Vision Centre, Macherla, we conducted Free Eye camps, which include eye checkup, vision testing in Mandadi and Polepalli Villages of Macherla surroundings and conducted cataract operations to 32 persons during the year and given medicines and spectacles free of cost.

During the year a wide range of social development initiatives were undertaken in partnership with local communities, government and non-government organizations.

Awareness campaign was conducted in association with LEPRa on chronic diseases like HIV, TB, Malaria, Filariasis.

Pulse polio immunization programme was conducted in association with Rotary club of Macherla in rural villages of Veldurthy, Durgi and Macherla Town.

Regular preventive health support to the community is reached out through our health camps and mobile health van in villages, with qualified medical staff and Medicines were distributed free of cost.

Education

Education is the backbone of every society, despite the government initiatives to improve the standards of education the quality education still a dream for many In India and company initiatives with respect to education benefited a number students

Schools are being run at Thiruvottiyur and Macherla, where children of our employees and those from surrounding communities are provided free and quality education.

KCP also has supported government schools by providing funds and infrastructure for initial construction, and upgradation activities.

During the year We have extended financial support for renovation of SRVRGKMP Memorial Zilla Parishad Secondary and Upper Primary School, Muktyala and constructed toilet blocks for the school children and also provided furniture (benches and chairs) to the schools.

To support the children of neighboring communities, we have provided School Uniforms, Shoes, Belt & Tie, text books and note books and other stationary items in Muktyala Village,

At Ropeway colony Macherla to protect the school premises from trespassers, we have constructed Compound wall to MPP school and has actively supported the initiatives of construction of drainages, toilets, new pipe lines for drinking water and Taps at Govt Girls high school, Macherla.

KCP also has provided a school bus for the benefit of Muktyala village students for attending schools in Jaggayyapet for higher education.

Infrastructure:

KCP plays a vital role in facilitating the creation and maintenance of basic infrastructure around its operations such as roads, safe drinking water, repairing of schools and other community amenities.

KCP has constructed buildings, installed the equipment and maintaining the Reverse Osmosis (RO) plants at Annavaram, Mongolu, Terala villages of Andhrapradesh,.

Sanitation, especially in rural areas, continues to remain a major concern, As part of Open Defecation Free (ODF) programme, KCP in association with the local community, representatives has organized a massive awareness drive by educating villagers about the hazards of open defecation and urging them to install toilets in their individual homes, thus making village free from open defecation and has provided free Cement and bricks to construct their own toilets.

KCP has made arrangements for collection and disposal of waste in Muktyala village by using it as bio fertilizer and with the involvement of students and villagers cleaned the premises of Zilla Parishad School and village roads and River Ghats.

At the request of the villagers, KCP has built roads in Polepalli village and provided Cement benches at Telagayapalem village and drainange canal at Macherla.

The Company has taken a green initiative by developing and maintaining greenery in and around it's facilities and mining areas by planting saplings and distributing plants to the villagers.

Training and Women empowerment:

We promote skill development among the rural youth through our CSR initiatives and make them employable.

KCP has provided training programme to the Muktyala youth in association with NIIT, Vijayawada and also provided employment opportunity to the selected candidates in Vijayawada based companies.

For women empowerment and making them self reliant several initiatives have been undertaken. These initiatives aim to improve literacy as well as provide training to enhance livelihood generation opportunities amongst women by proper utilization of available resources, up-gradation of existing skills and marketing support to sell the products,

Skill development training in tailoring and embroidery work was given to women at Muktyala village for their sustainable living and also provided training in paper bags making to eliminate plastic usage.

13. Risk Management

The Company has a robust Risk Management framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The business risk framework defines the risk management approach across the enterprise at various levels, including documentation and reporting.

The Board of Directors of the Company has formed a Risk Management Committee (even though it is not mandatory) to monitor the risk management plan for the Company and ensuring its effectiveness. The key risks identified by the Company and their mitigation measures are as under:

Financial risk:

The financial risk for your Company emanates from fluctuations in interest rate, exchange rate and commodity prices. Your Company has well defined policies for foreign exchange, treasury investments, interest rate and imported coal hedging. The policies are reviewed periodically to align with the changes in financial market practices and regulations.

Competition Risks:

The Cement Industry is becoming intensely competitive with the foray of new entrants and some of the existing players adopting inorganic growth strategies. To mitigate this risk, the Company is leveraging on its expertise, experience and it's created capacities to increase market share, enhance brand equity / visibility and enlarge product portfolio and service offerings.

Risks, Concerns and Threats

The Company has formulated a Risk Management Policy, which is available on company website www.kcp.co.in.

14. Internal controls system and their adequacy

The company has designed and implemented a process driven framework for Internal Financial controls within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013 and the necessary control systems considering the business requirements, scale of

operations, geographical spread and applicable statutes of the company are in place in the organisation. The systems include policies and procedures, IT systems, delegation of authority, segregation of duties, internal audit and review framework etc.

The Audit Committee reviews the plan for internal audit, significant internal audit observations and functioning of the Company's Internal Audit department on a periodic basis.

Revenue and capital expenditures are governed by approved budgets and the levels are defined by a delegation of authority mechanism. Review of capital expenditure is undertaken with reference to benefits expected in line with the policy for the same.

Major Investment decisions are approved by the Board of Directors on the recommendations of the Investment committee of the company.

The Company has a formal system of internal financial control to ensure the reliability of financial and operational information, regulatory & statutory compliances and reporting processes resulting in financial discipline and accountability.

Company has designed the necessary internal financial controls and systems with regard to adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

Management Discussion and Analysis

Economy

After two sub-par years, interjected by demonetisation and rollout of the Goods and Services Tax (GST), growth is seen recuperating to a respectable 7.5% next fiscal, though this rate, is still below the 13-year average.

The key engines supporting the upturn are largely domestic and policy-driven, though a synchronous upturn in global growth will, undoubtedly, provide some tailwind.

The key areas on which the growth is likely to revolve around

- ❖ Rural Push
- ❖ Implementation of reforms, and
- ❖ Rising global growth

Rural push:

The focus on demand and job creation through spending on rural and labor-intensive infrastructure space is likely to support growth next fiscal, and push demand in the consumer sectors. Funding, though, remains a concern, with significantly higher reliance on non-budgetary resources for supporting the aggressive spending plan on rural roads, affordable housing and railways.

Reforms:

The sustainability of recovery also depends on effective implementation of key reforms such as GST, the Real Estate (Regulation and Development) Act, 2016, or RERA, and the Ujwal Discom Assurance Yojana (UDAY), rolled out in the last few years. Each of these has the potential to be transformative in the long run, but near-term efficacy and impact, could be mixed at best.

The most urgent need is to iron out the teething troubles with GST, and ease its impact on critical segments such as micro and small enterprises (MSMEs) and exports.

RERA has also muddled through with lack of uniform implementation. Many States have diluted the provisions, affecting the overall impact. While RERA increased the cost of compliance and is expected to lead to consolidation in the sector, activity in the last two years suggests no meaningful change. For a highly fragmented sector with deep-rooted practices, change is expected to be gradual.

On the other hand, the affordable housing segment is witnessing unprecedented action from both, the government and private sector. The momentum in this area to gather pace in fiscal 2019 with higher budget allocations and increasing attention of private players, given subdued demand in other segments.

Global growth:

Global growth is gathering pace, and the momentum in global trade is expected to reflect in 2018 numbers as well. This should buoy India's exports, but the pick-up is unlikely to be material, given poor local infrastructure, higher cost of capital and labour productivity issues. This needs urgent attention since, the prediction as per one leading economist, global growth is unlikely to sustain at these levels beyond the next 1-2 years.

Though, over all big picture show improving growth, it is not without risks.

The key risks stem from inability to resolve GST-related issues quickly and fiscal stress leading to a cut in capex by the government. On the global side, faster-than-expected rate increases by central banks, flashpoints in trade policies, and geopolitical events impacting crude oil prices are among risks to other macroeconomic forecasts.

KCP's performance:

The analysis of performance of your company vis-à-vis the industry conditions are detailed below.

Over all the Company performed exceedingly well especially in cement and power. The new reformist legislation GST was implemented smoothly.

Now, the segment wise performance

A. Cement Segment:

Cement demand showed a moderate growth of about 4-5% in FY2018. The large pick-up in demand towards the end of the year was backed by low-cost housing in the eastern markets, Andhra Pradesh and Telangana along with infrastructure demand from the eastern, southern and western markets. Sand availability issues persist in Rajasthan, Uttar Pradesh, Bihar and Tamil Nadu, which is adversely impacting demand in these regions.

A pick-up in the affordable and rural housing segments and infrastructure, primarily road and irrigation projects, is expected to keep the demand growth momentum at 4-5% in FY2019.

The Budget of FY2019 also provides support in this direction with higher rural credit, increased Minimum Support price (MSP), increased allocation for the rural, agricultural and allied sectors along with continued focus on Pradhan Mantri Awas Yojana (PMAY) and infrastructure investments.

The capacity overhang and moderate demand growth might continue to keep the industry's capacity utilization level close to 65% over the medium term. Lumpy capacity additions in the recent past have led to an increase in debt levels and some deterioration in credit metrics, although they still remain at comfortable levels for most of the larger players.

Further, higher power and fuel (increase in coal and pet coke prices) and freight costs (increase in diesel prices) in FY2018 and in the coming quarters of FY2019 are likely to continue to pressurize profitability margins and debt metrics of cement companies.

Hence, the ability of the industry players to secure increase in cement prices remains critical from a profitability perspective.

The cement segment of the company performed well during FY 2017-18 as evidenced by the performance given below:

	2017-18	2016-17
Turnover (Rs In lakhs)	95,506	84,828
Segment Profit (Rs in lakhs)	11,050	9,715

Although the performance is much better than the previous year, it was not uniform throughout the year. The prices

C. Power:

The power segment did reasonably well during the year the performance over all is as follows:

Details	Thermal Plant		Hydel		Waste Heat Recovery		Windmill		Solar	
	2017-18	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18	2016-17
Gross Generation MWH	117175	104412	11174	4441	16203	12183	7863	8055	1743	1868
Segment Profit Rs lakhs	(263)	(424)	(583)	(175)	471	413	298	268	38	30

were good in the first quarter and thereafter they started sliding and were lower than the corresponding periods of last years in the latter half of the year. But on volumes, demand started picking up and volumes sold substantially improved though realizations were lower.

On costs front, though the company continued to focus on cost reduction measures, the alarming increase in coal prices, dented the otherwise better margins.

Over all, the segment recorded best ever volumes and turnover.

B. Engineering :

Engineering unit could not break even in the FY 2017-18, though reduced the losses compared to the previous year. Order book size is the biggest determinant of the performance in engineering sector. However due to intense competition in the industry, margins are quite compressed. The growth in the economy normally propels growth in the engineering goods also.

The industry severely lacks domestic R&D leading to intense competition from across borders. Despite 'Make in India' push, the reflection on the ground of the policies, is taking time.

The Engineering segment's performance in the FY 17-2018 is as under:

	2017-18	2016-17
Domestic Turnover (Rs Lakhs)	8411	7060
Export Turnover (Rs Lakhs)	211	1076
Segment Profit (Rs Lakhs)	(993)	(1876)

Buoyed by the Make in India and hike in spends of government in the sectors like defense, infrastructure and the resultant upturn in the economy could lead to spur in demand.

Thermal Power Plant:

The plant operated at higher levels than previous year to meet the enhanced needs of the cement requirements. To ensure optimum utilization of the capacity, some power was wheeled to our unit at Macherla. This enabled the plant to run at higher levels of capacity utilization resulting in economies of operations.

The bottom line could have been much better, but for the spiraling coal prices. To mitigate the risk of volatility of imported coals, the Company made tie up for domestic coals by entering into Fuel Supply Agreements. This helped in reducing the impact on the cost of generation of power.

Hydel:

Monsoon gods were kind in 2018 and helped in flow of water in the canals, helping the company to generate reasonably good power volumes from the Hydel unit. The unit could end up in profits, before exceptional item, mainly due to enhanced water flows in the latter half of the year. The power generated by the Hydel unit is fully consumed internally.

With the good monsoon outlook for the year 2018-19, by the weather men, the unit hopes to continue the good performance.

Waste Heat Recovery

Waste Heat Recovery plant generates power from waste heat sourced from our cement unit at Macherla. The cement unit operated at higher levels during the year, enabling higher input to the unit, thus helping in excellent volumes of power generation. The power is internally consumed in the cement unit.

Wind Power:

There is no much variation in the performance of Wind power as the generation is same as was last year.

Solar:

Performance of Solar Power Plant in 2017-18 was more or less similar to that of 2016-17. During 2017-18, above plant was generated 1743 MWH green power as against previous year generation of 1868 MWH. Due to reduction of RECs base price and low demand for RECs in the exchange, the profitability took a hit. In addition, we are enjoying the benefit of Zero emissions during power generation, reduction of global warming, achieving the target of Greenest Cement Plant Status by installing Solar Power Plant in Muktyala.

D. Hospitality-Hotel

Pan-India revenue per available rooms (RevPAR) posted steady improvement in FY2018 and contributed to improvement in occupancy and average room rate (ARR).

Pan-India average occupancy improved in FY2018 as compared to FY2017, with an YoY growth of about 2%. ARR also grew by about 5% during 2018. ARR has slowly but steadily started to improve on a pan-India basis. While most of the cities have witnessed uptick in ARR, some cities with recent supply additions (like Gurugram and Kolkata) witnessed only modest ARR growth.

Despite the steady RevPAR growth over the past three years, the current RevPAR levels were at about 25% discount to the peak levels witnessed in 2009.

Industry revenue over the previous few quarters have remained subdued, despite the pan India improvement in RevPAR, due to variety of issues such as demonetization, impacted F&B and MICE revenues, the GST rollout, and certain company-specific events such as renovations. Hence the margins remained flat with revenue growth largely offsetting the inflation in costs.

Demand: Expected to remain healthy

Foreign Tourist Arrival (FTA) growth picked up strongly to 15.6% during CY2017 as compared to the 9.7% growth during CY2016. Arrivals into India during the period were higher than the 6% and 10% ITA growths in the Asia-Pacific and South Asia regions respectively for CY2017.

Going by the trends in FTA and forex earnings growth and improving domestic macro-economic data (barring the transitory dip in economic activities due to demonetization/GST), it is expected 7% growth in RevPARs, driven by ~5% ARR improvement during FY2018.

Mercure Hyderabad KCP hotel at Hyderabad, better known as 'the Mercure' improved its performance with better room occupancy levels as well that in F&B section. The loss has been substantially reduced. In fact at EBIDTA levels the hotel achieved breakeven levels.

Post-resolution of the Telangana problem, the Hyderabad city witnessed strong growth in demand. With leading IT/ITES and e-commerce companies announcing large office space off-take in the city, demand is likely to remain robust. However, the high supply pipeline in the city in FY2019 and FY2020 is likely to cap occupancy and ARR growth.

E. Subsidiary-**KCP Vietnam Industries Limited: (KCP VIL)**

FINANCIAL YEAR	2017-18	2016-17
Crushing Capacity (TPD)	11,000	9,000
Cane Crushed (Mts.)	1,215,075	733,142
Sugar produced (Mts.)	114,745	91,117
Recovery Rate (%)	8.71%	8.39%
Average Sales Realization (Rs / MT)	44,715	47,046
Turnover (Rs Lakhs)	46,152	41,682
Profit before Tax (Rs Lakhs)	6,638	5,408
Power sold to National Grid (MWH)	71,772	-

Company operated with a total crushing capacity of 9,000 TCD (Son Hoa Unit – 8,000 TCD and Dong Xuan Unit – 1,000 TCD) during 2017 and from Jan, 2018 with a crushing capacity of 11,000 TCD (Son Hoa unit – 10,000 TCD and Dong Xuan unit – 1,000 TCD). The total cane crushed was 1,215,075Mts with a recovery rate of 8.71% and the refined sugar produced was 114,745MTs.

Compared to the previous season, the sugarcane crushed, the quality of the sugar cane and the sugar production are higher. The sugar prices maintained downward trend due to forecast of surplus in the world during 2017, the trend continued in 2018 with the prices dropped further in the international market. Vietnam sugar market followed the trend in the international market.

30 MW Power Co-Generation plant was taken to production from March, 2017 to facilitate Son Hoa unit to operate at 8,000 TCD rate and connected to national grid in April, 2017 to export the power. As per the Decision by the Government of Vietnam, the power cogeneration projects can export power at a price of 5.8 US cents/KWH to the grid. Son Hoa sugar unit operated at 10,000 TCD during part of of the year 2018 along with cogeneration project.

Company completed part of the 10,000 TCD expansion project at Son Hoa sugar unit by Jan, 2018. Balance works of the project are being taken up.

F. Joint Venture**FIVES CAIL-KCP Ltd**

FIVES CAIL-KCP posted an impressive turnover of Rs 268 crores. Apart from being a 93% increase, this is the highest turnover recorded so far. FCKCP's success in the incineration boilers, using distillery effluent as fuel, is phenomenal. It is a significant contribution to the green initiative of the globe, which the JV can be proud of.

Another notable milestone is the commissioning of 75 TPH incinerators, consuming 25 TPH of effluent, largest capacity in India and perhaps, the world so far. The JV also successfully launched falling film evaporators in India and 1300 continuous centrifugal machines and 2000KG charge 2612 batch centrifugal machines in Vietnam.

During the year about 60% of supplies and 35% of services were from exports.

Sugar industry in India, after a short profitable period, plunged to losses. Therefore, there were no major orders in this market. However, export market, especially, South East Asia is quite active. All the energy efficient and green products are likely to generate reasonable business in the next two years.

G. New Projects:**Cement Expansion:**

The expansion of the cement capacity by 1.5 million tons at our existing Muktyala Plant at a cost of nearly Rs 500 Crores is going at brisk space as per schedule. It is expected to be completed by about October 2018 as per schedule.

Up to March 2018, the company has incurred an expenditure of Rs.270.04 Crores and drawn bank loan of Rs.199.63 Crores. The balance was funded from internal resources.

The railway siding which was part of the cost of expansion is yet to be taken up.

Container Freight Station:

The Company is following up for a few remaining approvals required for the project. However, since the CFS industry is not doing well and likely to be non-remunerative, any decision to incur the capex on CFS would be taken at appropriate time in future.

Cautionary Statement:

Statements in the "Management Discussion and Analysis" describing the Company's objectives, expectations or predictions are as perceived currently. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include domestic supply and demand conditions affecting selling prices of finished goods, input prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

(Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014)

Energy conservation and efficiency measures were undertaken in various areas of the Cement plants and Captive power plants (CPPs), few highlights are as under:

A. CONSERVATION OF ENERGY:

(i) The steps taken or impact on conservation of energy:

Though the KCP Unit - II, Muktyala is the state -of -art energy efficient plant, action has been initiated to further reduce specific energy consumption by;

- operating kiln at 4800 TPD (Designed Capacity 4000 TPD) resulted in reducing both specific fuel & energy consumption per ton of clinker.
- operating all equipments like Raw mill, Coal mill, Kiln & Cooler in Fuzzy Logic system helped to operate the plant as an energy efficient and consistent way.

Further Energy conservation measures taken at Cement Unit-II, Muktyala

- Modifications were carried out in Raw Mill circuit and Optimization in operation has resulted saving of 890 KWh/day
- Installed VFD for Raw Mill Fan and achieved saving of 1500 KWh/day
- Imported filter bags were installed in Coal Mill Bag house and achieved saving of 2,000 KWh/day
- Optimization of Coal Mill operation has resulted a saving of 860 KWh/day
- By replacing improved version of cooler plates, clinker production has increased up to 4800 TPD.
- By optimization of kiln tyre cooling fans and power saved 720 KWh/day
- Optimization of grinding Media in Cement Mills and achieved saving of 1290 KWh/day was saved
- Replacement of Raw Mill Fan impeller and achieved saving of 720 KWh/day was saved
- By optimization of Kiln Burner pipe location, nearly 10 Kcal/Kg clinker thermal energy was saved
- Replaced Induced Draft Cooling tower with Natural draft Cooling Tower for MRSS +CM building AHU System and achieved saving of 6 KW/hr
- Modifications in water lines has saved 22 KWh/hr Power consumption

Energy conservation measures planned at cement Unit-II, Muktyala

- Planned to retrofit Cooler 1st great to improve the efficiency and saving of 15 Kcal/Kg specific heat consumption
- Planned to install condensate in cooler exit duct to utilize waste heat for pre-heating of DM Water in power plant which is expected a reduction of 300 Kgs coal consumption in power Plant.
- Planned to replace 1st chamber cooler plates with high efficiency plates to improve the efficiency and saving of 10 Kcal/Kg specific heat consumption

➤

Energy conservation measures planned at cement Unit-I, Macherla

1. Provided 15 KW VFD for R-84 Bag filter Dust collector fan R-86 , and Energy saving of 1.1 KW per hour and 8800 KWH per year.
2. Provided 15 KW VFD for E-49 Bag filter Dust collector fan E-60 , and Energy saving of 4.5 KW per hour and 36000 KWH per year
3. Cement mill IMCC room Ac package unit operation optimization by providing Automatic operation according to the temperature. Obtained an energy saving of 50 KWH per day and 18000 KWH per year.
4. Provided 20 KW Submersible pump set at process water pumps for optimization of water pumps operation in place of 30 KW pump operation for process water tank filling pump. Energy saving of 50 KWH per day and 18000 KWH per year.
5. Provided 55 KW VFD for J8C packer dust collector fan J20B, Energy saving of 8 KWh per hour and 24000 KWH per year.
6. Provided 22 KW VFD for J71 packer dust collector fan J84, Energy saving of 7 KWh per hour and 7000 KWH per year.
7. Provided 55 KW VFD for J8A packer dust collector fan J20A, Energy saving of 8 KWh per hour 24000 KWH per year.
8. Retrofitting of 30 NOS of 18W LED lamps in place of 70W SV lamps and 6 Nos of 80 W LED lamps at TG house and in the Plant in place of 250 W MH lamps. Energy saving of 2.6 KWH per hour and 11380 KWH per year.

(ii) The steps taken by the company for using alternate source of energy:

- Waste Heat Recovery Unit – Macherla
- Hydel Power Unit – Nekerikallu
- Solar Power Plant – Muktyala
- Wind Mills – Uthumalai (Tamil Nadu)

(iii) The Capital investment on energy conservation equipments: NIL

B. TECHNOLOGY ABSORPTION

(i) The efforts made towards technology absorption:

The company continues its efforts towards adoption and implementation of new technologies by Identifying alternate fuels, utilizing waste material, adopting newer technologies, improving product quality with improved process and optimizing available resources.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

- Energy Conservation
- Conservation of natural resources
- Utilization of waste and environment conservation
- Improvement in equipment efficiency and productivity
- Cost reduction

C. EXPENDITURE ON R & D

(Rs. Lakhs)

Particulars	2017-2018	2016-2017
a) Capital Expenditure	-	-
b) Recurring Expenditure	3.27	3.29
c) Total expenditure	3.27	3.29
d) Total R&D expenditure as % of turnover	0.003	0.003

D: FOREIGN EXCHANGE EARNINGS AND OUTGO:**(a) Earnings in Foreign Exchange:**

PARTICULARS	2017-2018	2016-2017
a) F.O.B value of goods exported during the year	374.67	1,300.29
b) Income from Service charge	191.88	162.95
c) Dividend from Investments held in Foreign Subsidiary	3881.29	12.47

(b) Expenditure in Foreign Currency

PARTICULARS	2017-2018	2016-2017
a) Travelling expenses	6.94	5.02
b) Membership	4.13	3.65
c) Other matters	9.74	4.97
d) Commission	0	2.12

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

- 1). **A brief outline of the Company's CSR Policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR Policy and projects or programs.**

To actively contribute to the social and economic development of the communities in which we operate. In so doing and built a better, sustainable way of life for weaker sections of society, to contribute effectively towards inclusive growth.

Our projects focus on – education, healthcare, sustainable livelihood, infrastructure development and social reform. The Company's CSR Policy can be accessed on : <http://www.kcp.co.in>.

- 2). **The composition of the CSR Committee.**

Smt. V.L. Indira Dutt - Chairperson

Smt. Kavitha D. Chitturi – Member

Sri. V. Gandhi – Member

Sri. Vijay Sankar – Member

Sri. P.S. Kumar - Member

- 3). Average net Profit the Company for last three financial years: **Rs.4543.70 lakhs**
- 4). Prescribed CSR Expenditure (two percent of the amount as in item 3 above): **Rs. 90.87 Lakhs**
- 5). Details of CSR spent during the financial year.
- (a) Total Amount spent for the financial year 2017-2018: **Rs.54 Lakhs.**
- (b) Amount unspent, if any : **36.87 Lakhs**
- (c) CSR Projects in which the amount was spent during the financial year is details below:

S.No.	CSR project or activity identified	Sector in which the project is covered	Projects or programs 1. Local area or other 2. Specify the state and district where projects or programs was undertaken	Amount outlay (budget project or programs wise)	Amount spent on the projects or programs Sub-heads:		Cumulative expenditure upto the reporting period:	Amount Spent: Direct or through implementing agency:
					1) Direct expenditure on projects or programs.	2) Overheads:		
				Rs. Lakhs	Rs. Lakhs	Rs. Lakhs		
1.	Promoting Health care, sanitation and making available safe drinking water	Promotion of Health Care	1. Muktyala in Krishna Dist. of AP 2. Macherla Guntur Dist. AP 3. Chennai, Tamilnadu	40.00	11.68		Direct	
2.	Promoting Education and employment enhancing vocation skills among children, women, elderly and the differently abled and livelihood enhancement projects	Promotion of education and vocational training	1. Thiruvottiyur Chennai, TN 2. Muktyala in Krishna Dist. of AP 3. Macherla Guntur Dist. AP	35.00	31.96		Direct	
3.	Promoting gender equality, empowering women and selling up homes for women and measures for reducing in equalities faced by socially and economically backward groups.	Empowerment of women	Muktyala in Krishna Dist. of AP Macherla, Guntur Dist. AP	10.00	2.00		Direct	
4.	Ensuring environmental sustainability, ecological balance, conservation of Natural Resources and maintaining quality of soil air, water and rural development	Environmental sustainability, conservation of Natural resources and Rural Development programmes	1. Muktyala in Krishna District of Andhrapradesh 2. Macherla in Guntur District of Andhrapradesh	10.00	8.36		Direct and in association with local panchayats and municipalities.	
TOTAL				95.00	54.00			

6). In case the Company has failed to spend the two percent of the average net profit of the last three financial years or any part thereof, the company shall provide the reasons for not spending the amount in its Board Report: **There are certain CSR Projects undertaken in the Financial Year 2017-18 for which some more expenditure will be spent in the coming financial year.**

7). The implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

Secretarial Audit Report

Form No. MR-3

FOR THE FINANCIAL YEAR ENDED ON 31st MARCH 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

THE KCP LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by THE KCP LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion there on.

Based on my verification of the Company's books, papers, minute book, forms and returns filed and other records maintained by the Company and also based on information provided by the Company, Its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed here under and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by THE KCP LIMITED for the financial year ended on 31st March, 2018 according to the provisions of:

- I. The Companies Act, 2013(the Act) and the rules made thereunder;
- II. The Securities Contracts (Regulation) Act, 1956('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management act, 1999 and the rules and regulation made thereunder to the extent of Foreign Direct Investment & Overseas Direct Investment. The company has no external commercial borrowings.

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')viz.:-

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) regulations, 2009 – The Company has not issued any capital this year.
- d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) guidelines, 1999 – Not Applicable
- e. The Securities Exchange Board of India (Issue and Listing of Debt securities) Regulations,2008 – Not Applicable
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g. The Securities and Exchange Board Of India (Delisting of Equity shares) Regulations, 2009 Not Applicable and
- h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – Not Applicable

VI. Sector Specific Laws as applicable to the Company

Necessary licenses, approvals required under the said acts have been obtained and are valid for the period under review.

- a. Mines Act, 1952
- b. Indian Boilers Act, 1923

- c. Environment Protection Act ,1986
- d. The Hazardous Waste (Management Handling & Transboundary Movement) Rules, 2008
- e. The Water (Prevention and Control of Pollution) Act, 1974
- f. The Air (Prevention and Control of Pollution) Act, 1981
- g. Legal Metrology Act, 2009
- h. Explosives Act, 1884

VII. The Company has maintained the registers required to be maintained under the following Laws and filed the required returns:

- a. Factories Act, 1948,

Report on Corporate Governance

The Directors present the report on Corporate Governance for the year ended March 31, 2018, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("The Listing Regulations").

The Company's philosophy on code of Governance

KCP's philosophy on Corporate Governance is embedded in the rich legacy of ethical governance practices, most of which were implemented before they were mandatorily prescribed.

The Company's corporate governance practices emanate from its commitment towards disclosures, accountability and compliance with laws which are the columns of good governance are cemented in the Company's robust business practices over the past 77 years of the Company's existence and ensures transparency and fairness in dealing with the stakeholders.

The Company's governance framework is based on the following principles:

- ❖ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ❖ Availability of information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ❖ Timely disclosure of material operational and financial information to the stakeholders;

The Company regularly reviews its Corporate Governance practices to ensure that they reflect the latest developments in the corporate arena and thus position itself to conform to the best Corporate Governance practices.

The report on Corporate Governance is divided into four parts:

- I. Board of Directors
- II. Committees of the Board
- III. Shareholders' information
- IV. Disclosures and Other Information

I. BOARD OF DIRECTORS

The Company is managed by the Board of Directors (the Board), which provides leadership, strategic guidance, objective and independent view to the Company's management while discharging its responsibilities, thus ensuring that the management adheres to ethics, transparency and disclosures. Dr. V.L Dutt, Executive Chairman, Dr. .V.L. Indira Dutt, Managing Director, Smt. Kavitha Dutt Chitturi, Joint Managing Director and Sri.V. Gandhi, Technical Director, manage the business of the Company under the overall supervision, control and guidance of the Board.

a) Composition and category of Board of Directors:

The Board of Directors of the Company ("Board") consists of an optimum combination of Executive and Independent Directors with expertise in the fields of Management, finance, Technology and Banking.

The Company has a judicious Combination of Executive and Non- Executive Directors. As on March 31, 2018, the Board comprised of 9 Directors out of which four are Executive Directors and five Independent Directors.

All the independent Directors satisfy the criteria of independence specified in the Companies Act, 2013 ("Act"), Regulation 16 (1) (b) of the Listing Regulations and meet the criteria for appointment formulated by the Nomination & Remuneration Committee ("NRC") as approved by the Board..

The Chairman of the Board is an Executive Director.

NRC has formulated a policy on criteria for Board Nominations. It ensures diversity of qualification, experience, expertise and gender in the composition of the Board. The board members are appointed through a transparent process and are issued appointment letters. The format of terms and conditions of appointment of Independent Directors is displayed on the website of the Company [http://www.kcp.co.in/about us/independent directors](http://www.kcp.co.in/about_us/independent_directors). Each independent director is familiarized with the Company, business, industry, roles and responsibilities, the details of which are available on the website of the Company. www.kcp.co.in.

Independent Directors were appointed for a specific term as recommended by NRC and their appointments were approved by the Board and the members at their respective meetings.

Executive Directors were appointed as per the provisions of the law.

The Composition of Board is as under:

Category	Number of Directors
Executive Promoter Directors including the Chairman	3
Executive Non Promoter Director	1
Independent Directors	5
Total	9

b) Board Meetings

The Board meets at least once in each quarter to review the matters specifically reserved for its attention to ensure that it exercises full control over significant strategic, financial, operational and compliance matters. In addition to these meetings, additional Board meetings are held to approve the Business Plan and Long Term Strategies of the Company. The board is regularly briefed and updated on the key activities of the business and is provided with presentations on operations, quarterly financial statements and other matters concerning the Company.

The Board meetings are generally scheduled in advance. Notice and detailed notes on agenda of each Board Meeting are given in writing to all directors in advance of the meetings in compliance with Secretarial Standard on Meeting of the Board of Directors (SS-1) issued by the Institute of Company Secretaries of India. Where it is not

possible to enclose any document to the agenda, the same is tabled at the Meeting.

The Board periodically reviews compliance reports of laws applicable to the Company, as prepared by the Company as well as steps taken by the Company to rectify instances of non-compliances. The Board is also free to recommend inclusion of any matter for discussion in consultation with the Chairman. The Board has no restriction to access any information and employees of the Company

All the discussions and decisions taking place in every meeting of the Board are entered in the Minute Book. The draft minutes are circulated within the specified time to the Board and suggestions or comments for changes, if any, received are suitably incorporated in the minutes and the minutes are signed by the Chairman of the same meeting or by the Chairman of the succeeding meeting within the prescribed time period.

The process specified for the Board meeting above are followed for the meetings of all the Committees constituted by the Board, to the extent possible. The minutes of the meetings of the Committees of the Board are placed before the Board for noting.

In the Financial Year 2017-2018, the Board met five times.

The Meetings were held on 22nd May 2017, 31st August 2017, 30th November 2017, 5th January 2018 and 14th February 2018. The interval between two Meetings was well within the maximum period mentioned under Section 173 of the Companies Act, 2013 and Regulation 17(2) of the Listing Regulations.

The attendance of Directors at Board Meetings ("BM"), last Annual General Meetings ("AGM") was as under:-

Name of the Director	22/05/2017	31/08/2017	30/11/2017	05/01/2018	14/02/2018	No. of meetings attended	AGM 31/08/2017
Dr. V.L. Dutt	P	P	P	A	P*	4	P

Sri. Vijay Sankar	1.70
Sri. P.S. Kumar	2.30
Sri. M. Narasimhappa	1.50

(ii) Remuneration to Executive Directors

The appointment and remuneration of Executive Directors including Executive Chairman and Whole time Directors is governed by the recommendations of the Nomination and Remuneration Committee, Resolutions passed by the Board of Directors and Shareholders of the Company.

Remuneration to all the Executive Directors is paid within the limits prescribed under the Companies Act, 2013 and approved by the Board of Directors based on the recommendations of the Nomination & Remuneration Committee and sanctioned by the Shareholders.

The elements of compensation of the Executive Directors include the following:

- ❖ fixed compensation
- ❖ variable compensation in the form of annual incentive
- ❖ benefits
- ❖ work related facilities and perquisites

In case of inadequacy of profit in any financial year, the remuneration payable to the Executive Directors shall be further subject to the relevant provisions of the Companies Act, 2013.

Executive Directors are not paid sitting fees for any Board/Committee meetings attended by them.

Particulars of their remuneration for the year ended 31st March, 2018 are given below:

Particulars of Executive Directors.	Salary & Perquisites (Rs.in Lakhs)	Commission (Rs.in Lakhs)	Total (Rs.in Lakhs)

Pursuant to the provisions of the Companies Act, 2013 and Regulation 17 of the SEBI (LODR) Regulations, 2015, the

IV. DISCLOSURES AND OTHER INFORMATION

19. Disclosures

1) Affirmations:

a) Code of Business Conduct & Ethics

The Company has adopted Code of Business Conduct & Ethics ("the Code") which is applicable to the Board of Directors and all Employees of the Company. The Board of Directors and the members of Senior Management Team (one level below the Board of Directors) of the Company are required to affirm Compliance of this Code.

The Code is displayed on the Company's website viz. www.kcp.co.in.

b) Conflict of Interests

Each Director informs the Company on an annual basis about the Board and the Committee positions he/she occupies in other companies including Chairmanships and notifies changes during the year. The Members of the Board while discharging their duties, avoid conflict of interest in the decision making process. The Members of Board restrict themselves from any discussions and voting in transactions in which they have concern or interest.

c) Insider Trading Code

The Company has adopted an 'Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders

("the Code") in accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 (The PIT Regulations).

The Code is applicable to all Directors and such Designated Employees and other Connected Persons who are expected to have access to unpublished price sensitive information relating to the Company. The Company Secretary is the Compliance Officer for monitoring adherence to the said PIT Regulations.

The Company has also formulated 'The Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (UPSI)' in compliance with the PIT Regulations. This Code is displayed on the Company's website viz. www.kcp.co.in

ii) Other Disclosures:

a) Compliances with Governance Framework

The Company is in compliance with all mandatory requirements under the Listing Regulations and Adoption of non-mandatory requirements of the Listing Regulations is being reviewed by the Board from time-to-time.

b) Related party transactions

All transactions entered into with the Related Parties as defined under the Companies Act, 2013 and Regulation 23 of the Listing Regulations during the financial year have been disclosed in notes forming part of the Financial Statements.

A statement in summary form of transactions with Related Parties is periodically placed before the Audit committee for review and recommendation to the Board for their approval.

As required under Regulation 23(1) of the Listing Regulations, the Company has formulated a policy on dealing with Related Party Transactions. The Policy is available on the website of the Company viz. www.kcp.co.in

None of the transactions with Related Parties were in the conflict with the interest of Company. All the transactions are in the ordinary course of business and have no potential conflict with the interest of the Company.

c) Details of non-compliance by the Company, penalties, and strictures imposed on the Company by Stock Exchanges or SEBI or any statutory authority.

The Company has complied with all requirements specified under the Listing Regulations as well as other regulations and guidelines of SEBI.

Consequently, there were no strictures or penalties imposed by either SEBI or Stock Exchanges or any statutory authority for non-compliance of any matter related to the capital markets during the last three financial years.

d) Vigil Mechanism / Whistle Blower Policy

Pursuant to Section 177(9) and (10) of the Companies Act, 2013, and Regulation 22 of the Listing Regulations, the Company has formulated Whistle Blower Policy for vigil mechanism of Directors and employees to report to the management about the unethical behavior, fraud or violation of Company's code of conduct. The mechanism provides for adequate safeguards against victimization of employees and Directors who use such mechanism and makes provision for direct access to the chairman of the Audit Committee in exceptional cases.

None of the personnel of the Company has been denied access to the Audit Committee.

The Whistle Blower Policy is displayed on the Company's website viz. www.kcp.co.in.

The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the Bank account details furnished by the Depositories for depositing dividends.

Dividend will be credited to the Members' bank account through ECS wherever complete core banking details are available with the Company. In case where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records. This ensures that the dividend warrants, even if lost or stolen, cannot be used for any purpose other than for depositing the money in the accounts specified on the dividend warrants and ensures safety for the investors.

The Company complies with the SEBI requirement of Service of documents through electronic mode

Green Initiative

As a part of Green Initiatives, the members who wish to receive the notices/documents through e-mail, may kindly intimate their e-mail addresses to the Company's Registrar and Share Transfer Agent.

UNCLAIMED SUSPENSE ACCOUNT

Pursuant to Section 124(6) of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (the Rules), all shares in respect of which dividend has not been claimed by the shareholder for

seven consecutive years or more shall be transferred by the Company in the name of Investor Education and Protection Fund (IEPF).

Pursuant to sub-section (6) of section 124 of the Rules the company has sent Intimation to the shareholders at their available postal address by providing them an opportunity to claim their unclaimed dividend and so as to avoid transfer of their shares to IEPF suspense account

As per Regulation 34(3) read with Schedule V of the Listing Regulations, the details of the shares in the Suspense Account are as follows:

Aggregate Number of Shareholders and the Outstanding Shares in the suspense account lying at the beginning of the year	Number of shareholders who approached the Company for transfer of shares from suspense account during the year	Number of shareholders to whom shares were transferred from suspense account during the year	Number of shares were transferred to IEPF Authority from suspense account during the year	Aggregate number of shareholders and the outstanding shares in the suspense account lying at the end of the year	That the voting rights on these shares shall remain frozen till the rightful owner of such shares claims the shares
1619	27	27	851	741	741
2162150	31660	31660	789560	1340930	1340930

SEBI Complaints Redress System (SCORES):

The investor complaints are processed in a centralized web-based complaints redress system. The salient features of this system are: Centralized database of all complaints, online upload of Action Taken Reports (ATRs) by concerned companies and online viewing by investors of actions taken on the complaint and its current status.

GENERAL

Members are requested to quote their Folio No./DP & Client ID Nos, Email ids, telephone/Fax numbers for timely investor servicing by the Company/Registrar and Transfer Agent. Members holding shares in electronic form are requested to update with their depository participant their present address, e mail ids and bank particulars (9 digit MICR code).

Designated Exclusive email-ids:

The Company has designated the following email-ids exclusively for investors.

Independent Auditor's Certificate On Corporate Governance

The Members The K.C.P Limited

1. This certificate is issued in accordance with the terms of our engagement letter.
2. We have examined the compliance of conditions of corporate governance by The KCP Limited (the 'Company') for the year ended 31 March 2018, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2), and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations').

Management's Responsibility

3. The compliance of conditions of corporate governance is the responsibility of the management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations.

Auditor's Responsibility

4. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of corporate governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the company
5. We have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the guidance note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the 'ICAI'), and the Guidance Note on Reports or Certificates for Special purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on the procedures performed by us and to the best of our information and according to the explanations provided to us, in our opinion, the Company has complied, in all material respects, with the conditions of corporate governance as stipulated in the Listing Regulations during the year ended 31 March 2018.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

8. This certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose.

CEO / CFO CERTIFICATION

The Board of Directors,

The KCP Limited

We hereby certify that

- a) We have reviewed the financial statements and the cash flow statement of the Company for the year ended 31st March 2018 and to the best of our knowledge and belief:
 - i) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii) These statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or violate of the Company's code of conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the auditors and the Audit Committee:
 - i) Significant changes in internal control over financial reporting during the year;
 - ii) Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements.
 - iii) Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.
- e) The disclosures have been received from the senior management personnel relating to the financial and commercial transactions in which they or their relatives may have personal interest. However, none of these transactions have conflict with the interest of the Company at large.

Independent Auditor's Report

To the members of The KCP Limited, Chennai

Report on Standalone Ind-AS Financial Statements:

We have audited the accompanying standalone Ind AS financial statements of **The KCP Limited**, Chennai, which comprise the Balance sheet as at 31st March, 2018, the Statement of Profit and Loss (including other comprehensive income), the Cash Flows and the statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's Responsibility for the Standalone Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Companies Act, 2013 the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Companies Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the financial position of the Company as at 31st March, 2018, its financial performance including other comprehensive

income, its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Companies Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement and changes in equity dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, read with relevant rules issued there under and other accounting principles generally accepted in India;
- e) on the basis of written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Companies Act;
- f) with respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B", and
- g) with respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements - Refer Note 35 to the standalone Ind AS financial statements;
 - ii. the company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses on long term contracts and did not have derivative contracts – Refer Note 50 to the financial statements;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Paragraph 1 under the heading "Report on other Legal and Regulatory Requirements" of our report of even date, to the members of THE KCP LIMITED, CHENNAI for the year ended 31st March 2018.

We report that:

- (i) a. the company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets;
- b. the Fixed Assets are physically verified by the management according to a phased program designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the program, a portion of the fixed assets has been physically verified by the management during the year and no material discrepancies have been noticed on such verification;
- c. according to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of the immovable property are held in the name of the company.
- (ii) the inventory has been physically verified by the management at reasonable intervals during the year under report and the discrepancies noticed during such physical verification of inventories as compared to book records have been properly dealt with in the books of account.
- (iii) the company has not granted any loans to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act 2013. Therefore, the provisions of clause 3(iii)(a), 3(iii)(b) & 3(iii)(c) of the said Order are not applicable to the company.
- (iv) in our opinion and according to the information and explanations given to us, the company has not granted any loans, guarantees and security in accordance with the provisions of section 185 of the Companies Act 2013. The company has complied with the provisions of Section 186 of the Companies Act 2013, in respect of investments made by the company.
- (v) in our opinion the company has complied with the provisions of section 73 to 76 and other applicable provisions of the Companies Act, 2013 and Companies (Acceptance of Deposits) Rules, 2014 with regard to the deposits accepted from the public. According to the information furnished to us, no Order has been passed on the company by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal for non-compliance with the provisions of Sections 73 to 76 of the Companies Act 2013.
- (vi) we have broadly reviewed the books of account and records maintained by the company at its cement, engineering and electric power generation units pursuant to the Rules made by the Central Government for the maintenance of Cost Records under section 148(1) of the Companies Act, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- (vii) (a) according to the information and explanations given to us and the basis of our examination of the records of the company, in our opinion, the company is regular in depositing with the appropriate authorities, the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Goods and Service Tax, Service Tax, duty of Customs, duty of Excise, Value added tax, Cess and other material statutory dues applicable to it; and

according to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Income Tax, Sales Tax, Goods and Service Tax, Service Tax, duty of customs, duty of Excise, value added tax, cess and other material statutory dues were in arrears as at 31st March 2018 for a period of more than six months from the date they became payable;
- (b) according to the information and explanations given to us, there were no amounts of Sales Tax, duty of Customs, Goods and Service Tax, duty of Excise, Cess, Income Tax, Service Tax that have been disputed by the company, and hence, were not remitted to the concerned authorities at the date of the Balance Sheet under report, except

S No	Nature of dues	Name of the statute	Period	Amount (Rs. Lakhs)	Paid under protest (Rs. Lakhs)	Forum where the dispute is pending

(viii) according to the records of the company examined by us, and the information and explanations given to us, there were no defaults in repayment of loans or borrowings to banks during the year under report;

(ix) in our opinion and according to the information and explanations given to us, the term loans taken by the Company have been applied for the purpose for which they were raised. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year;

(x) during the course of our examination of the books and records of the company, carried out in accordance with the Generally Accepted Auditing Practices in India, and according to the information and explanations given to us, we have neither come across any instances of material fraud by the company or any fraud on the company by its officers or employees, noticed or reported during the

year, nor we have been informed of any such case by the management;

(xi) according to the information and explanations given to us and based on our examination of the records of the company, the company has paid/provided for the managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Companies Act 2013;

(xii) the company is not a chit fund or a nidhi/mutual benefit fund/society and hence, the requirement of clause 3(xii) of the Order is not applicable to the company during the year under report;

(xiii) according to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been

disclosed in the financial statements as required by the applicable accounting standards;

(xiv) according to the information and explanations given to us, and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year;

(xv) according to the information and explanations given to us, and based on our examinations of the records of the company, the company has not entered into non-cash transactions with directors or persons connected with them. Therefore, the provision of clause 3(xv) of the Order is not applicable;

(xvi) the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE - 'B' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The KCP Limited ("the Company") as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS AS AT 31st MARCH, 2018

1. Company overview and significant accounting policies

1.1. Company overview

The KCP Limited ("the company") a public limited company incorporated and domiciled in India and has its registered office at Chennai. The securities of the company were listed in National Stock Exchange of India Limited.

The Company is engaged in the business of manufacture and sale of cement, heavy engineering, power generation for captive use and hospitality. The financial statements for the year ended March 31, 2018 were approved by the Board of Directors for issue on 28 th May, 2018.

1.2. Basis for preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016 and guidelines issued by the Securities and Exchange Board of India (SEBI).

Up to the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006, the Companies (Accounting Standards) Amendment Rules, 2016 and the relevant provisions of the Companies Act, 2013. These are the Company's first Ind AS financial statements. The Date of transition to Ind AS is April 1, 2016. The company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards'. The transition was carried out from Indian Accounting principles generally accepted in India, as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition has been summarized.

The financial statement has been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

I. USE OF ESTIMATES

The preparation of financial statements in conformity with the IND AS requires the management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period. The application of Accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below.

- ❖ Estimation of fair value of unlisted securities.
- ❖ Defined benefit obligation.
- ❖ Estimation of useful life of Property, Plant and Equipment.
- ❖ Estimation and evaluation of provisions and contingencies relating to tax litigations.
- ❖ Expected Credit Losses.

II. REVENUE RECOGNITION

Revenue is measured at the fair value of the consideration received or receivable and net of returns, trade allowances rebates and amounts collected on behalf of third parties. It includes Excise Duty but excludes Value Added Tax, Sales Tax, and Goods and Services Tax (GST).

- a) Sales and service earnings are inclusive of excise duty, service tax, freight, insurance etc. recovered thereon.
- b) Despatches from Engineering Unit are in completely knocked down condition and are invoiced at the appropriate technically evaluated values, with contracted sale prices.
- c) Electricity generated by the power units of the company, sold to its other units is accounted at the tariff rates charged by the State Electricity Boards. Such earnings are adjusted to the power charges.
- d) The revenue from sale of Renewable Energy credit is recognised on delivery thereof or sale of right therein, as the case may be, in terms of the contract with the buyers.
- e) The revenue from sale of thermal power is recognised based on actual billing to the State Board at the end of each billing cycle.

f) Dividends are recognized in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

g) Other Income: Revenue in respect of other income are recognised when there is a reasonable certainty as to its realisation.

III. BORROWING COST

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of that asset. Qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization. Borrowing costs also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are charged to revenue in the period in which they are incurred.

IV. GOVERNMENT GRANTS

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Grants related to revenue items are presented as part of profit or loss under general heading such as other income or they are deducted in reporting the related expenses.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the company with no future related costs are recognized in profit or loss in the period in which they become receivable.

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

V. EMPLOYEE BENEFITS

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

a) Defined Contribution Plans:

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

b) Defined Benefit Plans:

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- ❖ Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ❖ Net interest expense or income in Profit and Loss Statement and
- ❖ Re-measurement in other comprehensive income.

c) Provident fund and Employees' state insurance scheme:

Eligible employees of The KCP Limited receive benefits from a provident fund and employees' state insurance scheme which is a defined contribution plan. Both the eligible employee and the company make monthly contributions to the provident fund and employees' state insurance equal to a specified percentage of the covered employee's salary.

d) Superannuation:

Certain employees of The KCP Limited are participants in a defined contribution plan. The company has no further obligations to the plan beyond its monthly contributions which are periodically contributed to a trust fund, the corpus of which is invested with the Life Insurance Corporation of India.

e) Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

f) Other long term employee benefits

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields of Government Bond at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

VI. PROPERTY, PLANT AND EQUIPMENT

TANGIBLE FIXED ASSETS

a) Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and borrowings costs attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use and initial estimate of cost of decommissioning, dismantling and removing the item & restoring the site on which it is located . Freehold land is not depreciated.

b) Construction Period Expenses on Projects : All identifiable revenue expenses including interest on term loans incurred in respect of various projects/ expansions are allocated to capital cost of respective assets/ capital work in progress.

b) An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

c) Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives.

d) The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

e) The company follows the process of componentization for property, plant and equipment. Accordingly, the company has identified a part of an asset as a separate component in whole asset value and useful life of the part is different from the useful life of the remaining asset. The useful life has been assessed based on technical advice, taking into account the nature of the asset / component of an asset, the estimated usage of the asset / component of an asset on the basis of management's best estimation of getting economic benefits from those class of assets /components of an asset. The Company uses its technical expertise along with historical and industry trends for arriving the economic life of an asset/ component of an asset.

f) Machinery spares which can be used only in connection with a particular item of Fixed Assets and the use of which is irregular, are capitalized at cost.

g) Fixed assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and are disclosed separately under "Other Current Assets".

h) Tangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances given towards acquisition / construction of fixed assets outstanding at each Balance

Sheet date are disclosed as Capital Advances under “Other Non-Current Assets”.

i) Stripping Costs:

Developmental stripping costs

Developmental stripping costs in order to obtain access to quantities of mineral reserves that will be mined in future periods are capitalised as part of mining assets. Capitalisation of stripping costs ends when commercial production of mineral reserves begins.

INTANGIBLE ASSETS

Intangible assets are initially recorded at the consideration paid for acquisition and stated net of amortized value and impairment. Intangible assets are amortized over their individual estimated lives of 4-7 years. Amortisation methods and useful lives are reviewed periodically in each financial year end.

INVESTMENT PROPERTY

Investment properties are measured initially at cost, including transactions costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts. It also includes borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of the property are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

DEPRECIATION

Depreciation is provided in accordance with the useful life as prescribed under Part C of Schedule II to the Companies Act, 2013 as follows:-

- ❖ In respect of assets existing as on 30-6-1988, under the written down value method; and

- ❖ In respect of assets acquired on or after 1-7-1988, under the straight line method except for decommissioning cost. Decommissioning cost is depreciated using depletion method.

Useful life for parts of Assets having significant cost , has been assessed based on technical estimate which is different from the life given under the Schedule II to the Companies Act, 2013 as given below:

S. No.	Description of the Asset	Estimated useful life
1.	Transformers	30 years
2.	Economisers in Boilers in the Captive Power Plant; Turbines, Generators, Sluice Gates, Switchgears and Cables in Hydel Plant.	25 years
3.	Electrical Components like Panels, Motors , Insulators which are components of Plant and Machinery	10 years
4.	Economisers in Boilers and Water pre-heater in Waste Heat Recovery Plant; Evaporators in the Captive thermal Power Plant	5 years

VII. IMPAIRMENT

a. Financial assets:

The company recognizes loss allowances using Expected Credit Loss (ECL) model for the financial assets which are not fair valued through Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

b. Non-financial assets i.e. Intangible assets and Property, plant & equipment:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount in the statement of Profit and loss. The recoverable amount is the higher of

an asset's fair value less costs of disposal and value in use. An impairment loss is reversed in the Statement of Profit and loss if there has been a change in the estimates used to determine the recoverable amount. Non-Financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of the each reporting period.

VIII. FINANCIAL INSTRUMENTS

a. Initial Recognition:

The company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instruments. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are directly measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

b. Subsequent Recognition:

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset gives rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial asset and contractual terms of the financial asset give rise on specified dates to cash flows that solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

Financial liabilities:

Financial liabilities are subsequently carried at amortised cost using the effective interest method, except for contingent consideration recognised in a business combination which is subsequently measured at fair value through profit and

loss. For trade and other payables measuring within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

c. De-recognition of financial assets and liabilities:

Financial assets:

A financial asset shall be derecognised when, and only when

- the contractual rights to the cash flows from the financial asset expire, or
- it transfer the financial asset and the transfer qualifies for de-recognition.

On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the consideration received shall be recognised in profit or loss.

Financial Liabilities:

A financial liability shall be derecognised when, and only when, obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of a financial liability extinguished or transferred and consideration paid should be recognised in profit or loss.

IX. INVENTORIES

Inventories are valued at the lower of cost and estimated net realisable value (net of allowances) after providing for obsolescence and other losses, where considered necessary. The cost comprises cost of purchase, cost of conversion and other costs including appropriate production overheads in the case of finished goods and work-in-progress, incurred in bringing such inventories to their present location and condition. Trade discounts or rebates are deducted in determining the costs of purchase. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. The cost (net of taxes subsequently recoverable from tax authorities) of raw materials, stores & spares and traded goods is determined on moving weighted average basis.

Stock of Scrap - Engineering Unit

- ❖ Purchased scrap and internally generated scrap for use in production are both valued at average cost of purchased scarp.
- ❖ In respect of other scrap, the stock of scrap is not valued and adjusted. As and when sales are made stocks are adjusted.

X. CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

a) Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- ❖ expected to be realized or intended to be sold or consumed in the normal operating cycle held primarily for the purpose of trading and
- ❖ expected to be realized within twelve months after the reporting period.

b) All other assets are classified as non-current.

c) A liability is treated as current when:

- ❖ it is expected to be settled in the normal operating cycle it is held primarily for the purpose of trading
- ❖ it is due to be settled within twelve months after the reporting period, or
- ❖ there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

d) All other liabilities are classified as non-current.

e) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

XI. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions/banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and Bank overdrafts.

XII. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby the profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals

of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

XIII. FOREIGN EXCHANGE TRANSACTIONS

Functional Currency of the company is Indian Rupee. These financial statements are presented in Indian Rupees, rounded off to Lakhs.

Transactions and translations:

Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/payment during the year in determining net profit for the period.

- Foreign currency denominated monetary assets/ liabilities- are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the statement of profit and loss.
- Foreign currency denominated non-monetary assets/ non-liabilities – are translated at the exchange rate prevalent at the date of the transaction.
- Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

XIV. INVESTMENT IN SUBSIDIARIES AND JOINT VENTURES

Investments in subsidiaries and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

XV. TAXES ON INCOME

Tax expense comprises of current and deferred taxes. The income tax expense (income) for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted

by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

a) The current income tax is the amount of income taxes payable in respect of the taxable profit (tax loss) for a period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities

b) Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Where the Company's entitled to claim special tax deductions for investments in qualifying assets or in relation to qualifying expenditure, the Company accounts for such allowances as tax credits, which means that the allowance reduce income tax payable and current tax expense. A deferred tax asset is recognized for unclaimed tax credits that are carried forward as deferred tax assets.

XVI. EARNING PER SHARE

The company's Basic EPS is calculated by dividing profit or loss from continuing operations attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the period as per IND AS-33, Earnings per Share.

The diluted EPS of an entity is calculated on the same basis as basic EPS, after adjusting for the effects of dilutive potential ordinary shares unless the effect of the potential dilutive equity shares is anti-dilutive.

XVII. PROVISIONS/ CONTINGENT LIABILITIES AND ASSETS

Provision:

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are discounted when time value of money is material. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Contingent liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent assets:

Wherever there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain

future events not wholly within the control of the entity. A contingent asset is disclosed when the inflow of economic benefit is probable.

XVIII) SEGMENT REPORTING:

Operating segments are defined as components of the entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance, the company's chief operating decision maker is the Executive Chairman.

The company has identified business segments as reportable segments. The business segments comprise 1) Cement unit. 2) Engineering Unit. 3) Power Generation unit and 4) Hotel.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly attributable to each reporting segment have been allocated on the basis of associated revenue of the segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable. Property, Plant and equipment that are used interchangeably among segments are not allocated to reportable segments.

1.3 FIRST-TIME ADOPTION OF IND-AS

These standalone financial statements of The KCP Limited for the year ended 31st March 2018 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the company has followed the guidance prescribed in Ind AS 101 - First Time adoption of Indian Accounting Standard, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 1 have been applied in preparing standalone financial statements for the year ended March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's Balance Sheet, Statement

of Profit and Loss, is set out in note 1.5 and Exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 have been set out in note 1.4.

1.4 EXEMPTION AVAILED ON FIRST TIME ADOPTION OF IND AS 101

a. Deemed Cost:

For transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment, Investment property and intangible assets are recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date, as there is no change in its functional currency.

b. Lease:

For transition to Ind AS, the company has adopted the same determination of whether an arrangement contained a lease in accordance with previous GAAP as that required by Appendix C of Ind AS 17.

c. Investments in Subsidiaries and Joint Ventures:

The company has elected to measure its investments in subsidiary and joint ventures at the Previous GAAP carrying amount as its deemed cost on the date of transition, i.e., April 1, 2016.

d. Designation of previously recognised financial instruments:

Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrecoverable election to present subsequent changes in the fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognised financial assets, as 'fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

Accordingly, the company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

e. Fair value measurement of financial assets or financial liabilities at initial recognition

Company has applied the requirements in Ind AS 109 prospectively to transactions entered into on or after the date of transition to Ind ASs.

Reconciliation of Equity (as per para 24 (a) of IND AS 101)

1.5) Notes to Reconciliation

(a) Property, Plant and equipment

Adjustments includes impact of spares capitalisation, life expired assets and mines decommissioning costs as per Ind AS.

(b) Investments

Investments in Equity instruments are carried at fair value through OCI in Ind AS compared to being carried at cost under IGAAP.

(c) Inventories

Adjustments that reflect spares capitalised to Property, Plant and Equipment and Capital work-in-progress.

(d) Trade Receivables

Adjustments that include loss allowance provided on financial asset i.e., Trade receivables.

(e) Other Equity

Adjustments to retained earnings and other comprehensive income has been made with Ind AS, for the above-mentioned items. In addition, as per Ind AS-19 actuarial gains and losses are recognized in other comprehensive income as compared to being recognized in the statement of profit and loss under IGAAP.

(f) Deferred Tax Liabilities

The adjustments include recognition of Deferred Tax on investments under Ind AS and due to Deferred Tax impact on Ind AS adjustments.

(g) Other Non-Current Liabilities

Adjustment include the impact of discounting of Liabilities based on their expected date of settlement.

(h) Other Income

Adjustments include Amortization of Government Grant recognized in accordance with Ind AS-20- Government Grants.

(i) Employee benefit expenses

As per Ind-AS 19 - Employee Benefits, actuarial gains and losses are recognized in other comprehensive income and not reclassified to profit and loss in subsequent period.

(j) Finance Cost

Adjustments include discounting impact of Liabilities measured at Fair value.

(k) Depreciation and Amortization expenses

Adjustments are due to Ind AS impacts made to Property, Plant and Equipment, i.e., Depreciation on Spares Capitalized, Change in Depreciation due to application of Component Accounting as per Ind AS.

(l) Other Expenses

Adjustment is due to change in provision for Loss allowance on Financial Assets (trade receivables).

(m) Deferred Tax

Adjustment include Deferred Tax changes due to above mentioned adjustments.

General Reserve: This is used from time to time to transfer profits from retained earnings for appropriation purposes.

Other Comprehensive income: This reserve represents the cumulative gain or loss arising on revaluation of equity instruments measured at fair value and cumulative actuarial gains or losses arising due to defined benefit plans.

Capital Redemption Reserve: This is created on redemption of redeemable preference shares issued.

Retained Earnings: This represents the accumulated earnings net of losses if any made by the company over the years.

As Auditor:		
Audit Fee	16.00	16.00
Tax Audit Fee	-	4.75
Certification & Other fees	15.94	22.16
In other capacity:		
Fees for Cost Auditor	5.10	5.19
Reimbursement of expenses	2.11	2.43
TOTAL	39.15	50.53

Note 35. Income Tax Reconciliation

The major components of income tax expense for the years ended 31-03-2018 & 31-03-2017 are:

S No	Income tax expense:-	2017-18	2016-17
a)	Current tax	2,343.21	1,018.26
b)	Deferred tax	(38.88)	1,499.02
c)	MAT credit Utilised/ (Entitlement)	866.79	(649.44)
d)	Short/(Excess) provision of income tax	(60.86)	-
	Total tax expense for the year	3,110.26	1,867.84

Reconciliation of effective tax rate

Tax on the company's profit before tax differs from the the theoretical amount that would arise on using the tandard rate of coporate tax in india (34.608%) as follows:

S.no	Particulars	2017-18	2016-17
(a)	Net Profit / (Loss) before taxes	11,236.95	5,249.27
(b)	Corporate Tax as per Income Tax Act, 1961	34.608%	34.608%
(c)	Tax on Accounting Profit (c) = (a) X (b)	3,888.88	1,816.67
(d)	Increase/Decrease in tax expense on account of:-		
i)	Non taxable income/Exempt income	(14.23)	(18.46)
ii)	Reduction in Depreciation/ (Accelerated Depreciation)	107.71	(191.21)
iii)	Expenses not allowed under Income Tax	459.07	198.40
iv)	Expenses that are allowed under payment basis	(310.07)	(145.94)

S.no	Particulars	2017-18	2016-17
v)	Expected Credit Loss(income) as per Ind AS	(0.97)	1.33
vi)	Amortization of Government Grant as per Ind AS	(0.69)	(0.28)
vii)	Finance Cost as per Ind AS	(6.09)	32.84
viii)	Stripping Cost Capitalized as per Ind AS	(100.15)	(44.07)
ix)	Difference in tax rate for foreign dividend	(671.62)	-
x)	Deduction under Sec 80-IA	(127.58)	-
xi)	Unabsorbed Depreciation	-	(1,272.88)
xii)	Other adjustments	(14.25)	(7.57)
	Tax Expense recognised in Statement of P & L	3,210.01	368.83
(e)	Tax as per Normal Provision under Income Tax	3,210.01	368.83
(f)	Tax rate applicable to the company as per MAT Provisions	21.34%	21.34%
(g)	MAT Tax expense on Net Profits	2,398.14	1,120.28
(h)	Increase/Decrease in tax expense on account of:-		
i)	Items that will not be reclassified to Profit & Loss	(12.68)	-
ii)	Exempt Income	(8.78)	(11.34)
iii)	1/5th of transition amount u/s 115JB(2C)	(42.34)	-
iv)	Expected Credit Loss	(0.60)	0.82
v)	Expenses that are not allowed	9.50	22.42
vi)	Depreciation difference - Ind AS	-	(40.85)
vii)	Amortization of Government Grant as per Ind AS	-	(0.18)
viii)	Finance Cost as per Ind AS	-	20.54
ix)	Stripping Cost Capitalized as per Ind AS	-	(27.18)
x)	Actuarial Gain/loss as per Ind AS	-	(66.26)
(i)	MAT tax provision under 115JB (g+h)	2,343.24	1,018.25

Deferred Taxes:-

S.no	Particulars	2017-18	2016-17
	As on reporting date		
	Deferred tax arising due to		
a)	On OCI component		
	-Actuarial Gain/Loss	(33.23)	(42.75)
b)	Other than OCI component

g) Date of Valuation	31-03-2018	31-03-2018	31-03-2017	31-03-2017
h) Average Duration of Defined Benefit Obligation (in Yrs)	6.5	6.9	6.6	6.2
i) Sensitivity Analysis				

Gratuity and Leave benefit are lump sum plans and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to discount rate and future salary escalation rate. The following details summarises the impact on the reported defined benefit obligation at the end of the reporting period arising on account of increase (+) or decrease(-) in the reported assumption by 50 basis points.

Particulars	FY 2017-18		FY 2016-17	
	Gratuity	Leave Benefits	Gratuity	Leave Benefits
Discount Rate + 50 BP	8.17%	8.17%	7.90%	7.90%
Defined Benefit Obligation (PVO)	1,243.34	1,151.68	1,180.15	809.13
Current Service Cost	85.06	97.89	81.81	74.57
Discount Rate - 50 BP	7.17%	7.17%	6.90%	6.90%
Defined Benefit Obligation (PVO)	1,317.22	1,225.75	1,253.05	855.90
Current Service Cost	92.37	105.62	89.04	80.04
Salary Escalation Rate + 50 BP	6.50%	6.50%	6.50%	6.50%
Defined Benefit Obligation (PVO)	1,317.06	1,226.19	1,252.72	856.11
Current Service Cost	92.50	109.67	88.85	80.07
Salary Escalation Rate - 50 BP	5.50%	5.50%	5.50%	5.50%
Defined Benefit Obligation (PVO)	1,243.22	1,150.96	1,180.12	808.74
Current Service Cost	84.91	97.82	81.87	74.53

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in the market conditions at the accounting date.

Annexure - II to Standalone Notes 55A. Accounting classifications and fair values

The following tables show the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Levels in Fair value Hierarchy

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs, other than quoted prices which are included in Level 1, that are observable for the asset or liability, either **directly** (i.e as prices) or indirectly (i.e derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

As at 31st March, 2018

55.B Financial instruments - Fair values and risk management**Financial risk management objectives and policies:-**

The Company's activities exposed it to market risk (including interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management is carried out by the Board of Directors. The board supervises overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and use of financial instruments. The financial authority limits or seek to limit and mitigate transactional risks by setting out the threshold of approvals required for entering into contractual obligations.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices, such as foreign exchange rates, interest rates and equity prices.

b) Interest rate risk

The Company's exposure to market risk for changes in interest rate environment relates mainly to its debt obligations.

The Company's policy is to maintain an efficient and optimal interest cost structure using a mix of fixed and variable rate debts and long-term and short-term borrowings. The Company's borrowings mostly consists of loans for funding the projects, working capital loans with variable rate of interest and public deposits & demand loans with fixed rates of interest.

The interest rate profile of the Company's interest-bearing instruments is as follows.

Particulars	31-03-2018	31-03-2017	01-04-2016
Fixed rate instruments			
Financial liabilities	10787.80	11242.82	10875.87
Financial assets	20.87	24.38	11.08
Variable rate instruments			
Financial liabilities	37136.63	30064.74	28495.75
Total financial liabilities	47945.30	41331.94	39382.7

i) Sensitivity analysis

Particulars	Impact on profit or loss		Impact on other components of equity	
	31-03-2018	31-03-2017	31-03-2018	31-03-2017
1% increase in MCLR rate	371.37	300.65	371.37	300.65
1% decrease in MCLR rate	(371.37)	(300.65)	(371.37)	(300.65)

ii) Fair value

The following methods and assumptions were used to estimate the fair values:

- The carrying value of financial asset approximates fair value.

iii) Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

The company's credit risk for trade receivables is as follows:

Particulars	31-03-2018	31-03-2017	01-04-2016
Trade receivables	2832.27	3578.65	3155.28

The movement in allowance for credit loss in respect of trade receivables during the year is as follows:

Allowance for credit loss	31-03-2018	31-03-2017	31-03-2016
Balance at the beginning	9.22	5.39	-
Impairment loss recognised	(2.81)	3.83	5.39
Balance at the end	6.41	9.22	5.39

No single customer accounted for more than 10% of the revenue as of 31-03-2018, 31-03-2017 and 31-03-2016. There is no significant concentration of credit risk.

Credit risk on cash and cash equivalent is limited as the company generally transacts with banks and financial institutions with high credit ratings assigned by credit rating agencies.

55C. Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Company is exposed to this risk from its operating activities and financial activities. The Company's approach to managing liability is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the company to meet its obligations.

The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting period.

As at 31st March 2018

Particulars	Carrying value	Contractual cash flows				Total
		Less than 1 year	1-2 years	2-5 years	More than 5 years

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the members of The KCP Limited, Chennai

Report on Consolidated Financial Statements:

We have audited the accompanying consolidated Ind AS financial statements of The KCP Limited (the "Holding Company"), its subsidiary and its joint venture as at 31st March, 2018, (collectively referred to as "the Group"), comprising the Consolidated Balance sheet as at 31st March, 2018, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated statement of Cash Flow and the consolidated Statement of changes in equity for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Financial Statements:

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the relevant Acts for safeguarding of the assets of the Group and Jointly control entity and for preventing and detecting the frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Companies Act, the accounting and auditing standards and matters which are required to be included in the audit report under

the provisions of the Companies Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their reports referred to in Sub-paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the report of other auditor, on the financial statements of the subsidiary, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and jointly controlled entity as at 31st March, 2018, and their consolidated Profit including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements /financial information of KCP Vietnam Industries Limited (subsidiary), and whose financial statements/ financial information reflect total assets of Rs.59876.31 Lakhs as at 31st March 2018, total revenues of Rs. 46152.29 Lakhs and net cash flows amounting to Rs. 4975.25 Lakhs for the year ended on that date, as considered in the consolidated Ind

AS financial statements. The consolidated Ind AS financial statements include the share of net profit of Rs. 4629.27 Lakhs for the year ended 31st March 2018, as considered in the consolidated Ind AS financial statements, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

- (b) We did not audit the Ind AS financial statements /financial information of Fives Cail KCP Limited (Joint Venture), and the Consolidated Ind AS financial statements also includes the Group's share of Net profit of Rs. 104.84 lakhs for the year ended 31st March 2018, as considered in the consolidated Ind AS financial statements, in respect of Fives Cail KCP Limited (Joint Venture), whose financial statements have not been audited by us. These financial statements/financial information have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture, and our report in terms of sub-section (3) and (11) of section 143 of the Act, insofar as it relates to the aforesaid joint venture, is based solely on the report of the other auditor.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1) As required by Section 143(3) of the Act, we report to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;

- b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor;
- c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;

d) in our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act read with relevant rules issued there under and other accounting principles generally accepted in India,

e) on the basis of written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its joint venture company, none of the directors of the Group Companies and jointly controlled company incorporated in India is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Companies Act;

f) with respect to the adequacy of Internal Financial Controls over Financial Reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure-A", and

g) with respect to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. the Consolidated Ind AS financial statements disclose the impact of pending litigations on its financial position of the Group and jointly controlled entity -- Refer Note 2.4 to the Consolidated Ind AS financial statements;

ii. the Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts but did not have derivative contracts -- Refer Note 2.17 to the Consolidated Ind AS financial statements;

iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The KCP Limited ("the Holding Company") and its jointly controlled entity, which are companies incorporated in India, as of 31st March 2018, in conjunction with our audit of the consolidated Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its jointly controlled entity, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over

financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or

disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and jointly controlled entity, which are companies incorporated in India, have, in

all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the jointly controlled entity, which is a company incorporated in India, is based on the corresponding reports of the auditors of such companies.

Our opinion is not modified in respect of the above matters.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. Group overview and Significant Accounting Policies

1.1. Group overview

The KCP Limited ("the group") a Public Limited Company incorporated and domiciled in India and has its registered office at Chennai. The securities of the Company were listed in National Stock Exchange of India Limited. The Group is engaged in the business of manufacture and sale of cement, sugar, heavy engineering, power generation for captive use and hospitality. The financial statements for the year ended March 31, 2018 were approved by the Board of Directors for issue on 28 th May, 2018.

The KCP Limited has a subsidiary by name KCP Vietnam Industries Ltd (KCP VIL), a company incorporated in Socialist Republic of Vietnam, in which it holds 2/3 rd of the share capital. KCP VIL owns and operates sugar business and also runs cogen power plant in Vietnam.

The KCP Limited has a joint venture by name Fives Cail KCP Ltd (FC KCP), a company incorporated in India. In Fives Cail KCP Ltd, it holds 40% interest in equity capital. Fives cail KCP Ltd manufactures sugar machinery and boilers and steam generating plants.

1.2. SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these Consolidated Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial statements are for the group consisting of The KCP Limited (the 'Group') and its subsidiary and the Joint Venture.

i. Basis of preparation

The KCP Limited (Parent) has prepared the group consolidated financial statements by consolidating its accounts and those of its subsidiary KCP VIL and Joint venture FIVES CAIL KCP.

KCP VIL:

The subsidiary accounts have been consolidated on line-by-line basis by adding items of assets and liabilities & income and expenses after eliminating material intra group balances and transactions.

Non-controlling interest share of net profit for the year is identified and adjusted against the profit after tax of the group to the extent of the share of minorities in the equity.

Fives Cail KCP:

The accounts of Fives Cail KCP have been consolidated based on equity method. As per the equity method, only share of The KCP Limited in the profits and reserves of FIVES CAIL KCP which is 40%, have been added to the profits and equity respectively in the consolidated accounts.

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income.

When the group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment.

Unrealised gains on transactions between the group and its Joint venture are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 1(vii) below.

Changes in ownership interests:

The group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests

and any consideration paid or received is recognised within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

ii. **COMPLIANCE WITH IND AS**

The Consolidated Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] as amended by Companies (Indian Accounting Standards) Rules 2016 and other relevant provisions of the Act.

The Financial Statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

These Financial Statements are the first financial statements of the group under Ind AS. Refer note XX for an explanation of how the transition from previous GAAP to Ind AS has affected the group's financial position, financial performance and cash flows.

iii. **Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable and net of returns, trade allowances rebates and amounts collected on behalf of third parties. It includes Excise Duty but excludes Value Added Tax, Sales Tax and Goods and Services Tax (GST).

iv. **GOVERNMENT GRANTS**

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Grants related to revenue items are presented as part of profit or loss under general heading such as other income or they are deducted in reporting the related expenses.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the group with no future related costs are recognized in profit or loss in the period in which they become receivable.

The benefit of a government loan at a below-market rate of interest is treated as a government grant, measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates.

v. **EMPLOYEE BENEFITS:**

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund and compensated absences.

a) **Defined Contribution Plans of the eligible employees of the group:**

The Group contribution on account of eligible employees as per requirements of the law of the land to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

b) **Defined Benefit Plans of the eligible employees of the group:**

For defined retirement benefit plans of the employee, cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable)

and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income in Profit and Loss statement and
- Re-measurements in Other Comprehensive Income.

c) Provident fund and Employees' state insurance scheme of the eligible employees of the group:

Eligible employees of the Group receive benefits from a provident fund and employees' state insurance scheme which is a defined Contribution plan. Both the eligible employee and the group make monthly contributions to the provident fund and employees' state insurance equal to a specified percentage of the covered employee's salary.

d) Superannuation of the eligible employees of the group:

Certain employees of the group are participants in a defined contribution plan. The group has no further obligations to the plan beyond its monthly contributions which are periodically contributed to a trust fund, the corpus of which is invested with Life Insurance Corporation of India for the group companies in India.

e) Short-term employee benefits of the eligible employees of the group:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

f) Other long term employee benefits of the eligible employees of the group:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

vi. PROPERTY, PLANT AND EQUIPMENT

Tangible assets:

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and borrowings costs attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use and initial estimate of cost of decommissioning, dismantling and removing the item & restoring the site on which it is located. Freehold land is not depreciated.

Construction Period Expenses on Projects :

All identifiable revenue expenses including interest on term loans incurred in respect of various projects/ expansions are allocated to capital cost of respective assets/ capital work in progress.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The group follows the process of componentization for property, plant and equipment. Accordingly, the group has identified a part of an asset as a separate component in whole asset value and useful life of the part is different from the useful life of the remaining asset. The useful life has been assessed based on technical advice, taking into account the nature of the asset / component of an asset, the estimated usage of the asset / component of an asset on the basis of management's best estimation of getting economic benefits from those class of assets /components of an asset. The Group uses its technical expertise along with historical and industry trends for arriving the economic life of an asset/ component of an asset.

Machinery spares which can be used only in connection with a particular item of Fixed Assets and the use of which is irregular, are capitalized at cost.

Fixed assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and are disclosed separately under "Other Current Assets".

Tangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances given towards acquisition / construction of fixed assets outstanding at each Balance Sheet date are disclosed as Capital Advances under "Other Non-Current Assets".

Stripping Costs:

Developmental stripping costs

Developmental stripping costs in order to obtain access to quantities of mineral reserves that will be mined in future periods are capitalised as part of mining assets. Capitalisation of stripping costs ends when commercial production of mineral reserves begins.

Intangible Assets:

Intangible assets are initially recorded at the consideration paid for acquisition and stated net of amortized value and impairment. Intangible assets are amortized over their individual estimated lives of 4-7 years. Amortisation methods and useful lives are reviewed periodically in each financial year end.

Investment Property:

Investment properties are measured initially at cost, including transactions costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated Impairment loss, if any.

The cost includes the cost of replacing parts. It also includes borrowing costs for long term construction projects if the recognition criteria are met. When significant parts of the property are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

Depreciation

Depreciation in respect of parent company is provided in accordance with the useful life as prescribed.

In respect of assets existing as on 30-6-1988, under the written down value method; and in respect of assets acquired on or after 1-7-1988, under the straight line method except for decommissioning cost. Decommissioning cost is depreciated using depletion method.

Useful life for parts of Assets having significant cost, has been assessed based on technical estimate which is different from the life given under the Schedule II to the Companies Act, 2013 as given below:

S. No.	Description of the Asset	Estimated useful life
1.	Transformers	30 years
2.	Economisers in Boilers in the Captive Power Plant; Turbines, Generators, Sluice Gates, Switchgears and Cables in Hydel Plant.	25 years
3.	Electrical Components like Panels, Motors, Insulators which are components of Plant and Machinery	10 years
4.	Economisers in Boilers and Water pre-heater in Waste Heat Recovery Plant; Evaporators in the Captive thermal Power Plant	5 years

Depreciation in respect of subsidiary company is provided in accordance with the useful life as prescribed in applicable laws of its country.

vii. **IMPAIRMENT:**

a. Financial assets :

The group recognizes loss allowances using Expected Credit Loss (ECL) model for the financial assets which are not fair valued through Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL.

For all other financial assets ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

b. Non-financial assets i.e. Intangible assets and Property, plant & equipment:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount in the statement of Profit and loss. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. An impairment loss is reversed in the Statement of Profit and loss if there has been a change in the estimates used to determine the recoverable amount. Non-Financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of the each reporting period.

viii. **FINANCIAL INSTRUMENTS: -**

a. **Initial Recognition:**

The group recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instruments. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are directly measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

b. **Subsequent Recognition:**

Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset gives rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial asset and contractual terms of the financial asset give rise on specified dates to cash flows that solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

Financial liabilities:

Financial liabilities are subsequently carried at amortised cost using the effective interest method, except for contingent consideration recognised in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables measuring within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

c. **De-recognition of financial assets and liabilities:**

Financial assets:

A financial asset shall be derecognised when, and only when

- ❖ the contractual rights to the cash flows from the financial asset expire, or
- ❖ it transfer the financial asset and the transfer qualifies for de-recognition.
- ❖ On de-recognition of a financial asset in its entirety, the difference between the carrying amount and the consideration received shall be recognised in profit or loss.

Financial Liabilities:

A financial liability shall be derecognised when, and only when, obligation specified in the contract is discharged or cancelled or expires. The difference between the carrying amount of a financial liability extinguished or transferred and consideration paid should be recognised in profit or loss.

ix. INVENTORIES

Inventories are valued at the lower of cost and estimated net realisable value (net of allowances) after providing for obsolescence and other losses, where considered necessary. The cost comprises cost of purchase, cost of conversion and other costs including appropriate production overheads in the case of finished goods and work-in-progress, incurred in bringing such inventories to their present location and condition. Trade discounts or rebates are deducted in determining the costs of purchase. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. The cost (net of taxes subsequently recoverable from tax authorities) of raw materials, stores & spares and traded goods is determined on moving weighted average basis.

Stock of Scrap- Engineering Unit

- ❖ Purchased scrap and internally generated scrap for use in production are both valued at average cost of purchased scrap.
- ❖ In respect of other scrap, the stock of scrap is not valued and adjusted. As and when sales are made stocks are adjusted.

x. CURRENT AND NON-CURRENT CLASSIFICATION

The Group presents assets and liabilities in the balance sheet based on current / non-current classification.

a) Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- ❖ expected to be realized or intended to be sold or consumed in the normal operating cycle held primarily for the purpose of trading and
- ❖ expected to be realized within twelve months after the reporting period.

b) All other assets are classified as non-current.

c) A liability is treated as current when:

- ❖ it is expected to be settled in the normal operating cycle it is held primarily for the purpose of trading
- ❖ it is due to be settled within twelve months after the reporting period, or
- ❖ there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

d) All other liabilities are classified as non-current.

e) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

xi. CASH AND CASH EQUIVALENTS:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions/banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

xii. Cash flow Statement:

Cash flows are reported using the indirect method, whereby the profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the group are segregated.

xiii. FOREIGN EXCHANGE TRANSACTIONS:

Functional Currency of the group is Indian Rupee. These financial statements are presented in Indian Rupees, rounded off to Lakhs.

Transactions and translations:

Transactions in foreign currency are initially accounted at the exchange rate prevailing on the date of the transaction and adjusted appropriately with the difference in the rate of exchange arising on actual receipt/payment during the year in determining net profit for the period.

- Foreign currency denominated monetary assets/liabilities- are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the statement of profit and loss.
- Foreign currency denominated non-monetary assets/non-liabilities are translated at the exchange rate prevalent at the date of the transaction.
- Exchange differences arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

xiv. **INCOME TAX:**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the group and its subsidiaries and joint venture operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where the group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

xv. **EARNINGS PER SHARE**

The Group Basic EPS is calculated by dividing profit or loss from continuing operations attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the period as per IND AS-33, Earnings per Share.

The diluted EPS of an entity is calculated on the same basis as basic EPS, after adjusting for the effects of dilutive potential ordinary shares unless the effect of the potential dilutive equity shares is anti-dilutive.

xvi. **PROVISIONS/ CONTINGENT LIABILITIES AND ASSETS**

Provision:

A provision is recorded when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated. The estimated liability for product warranties

is recorded when products are sold based on technical evaluation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are discounted when time value of money is material. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Contingent liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent assets:

Wherever there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. A contingent asset is disclosed when the inflow of economic benefit is probable.

xvii. Segment reporting:

Operating segments are defined as components of the entity for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The group has identified business segments as reportable segments. The business segments comprise 1) Cement unit. 2) Engineering Unit. 3) Power Generation unit 4) Hotel and 5) Sugar.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly attributable to each reporting segment have been allocated on the basis of associated revenue of the segment. All other expenses which are not attributable or

allocable to segments have been disclosed as un-allocable expenses.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable. Property, Plant and equipment that are used interchangeably among segments are not allocated to reportable segments.

xviii. First-Time Adoption of IND-AS:

These Consolidated financial statements of the Group for the year ended 31st March 2018 have been prepared in accordance with Ind AS. For the purposes of transition to Ind AS, the group has followed the guidance prescribed in Ind AS 101 - First Time adoption of Indian Accounting Standard, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 1 have been applied in preparing consolidated financial statements for the year ended March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has affected the Group's Balance Sheet, Statement of Profit and Loss, is set out and Exemptions on first time adoption of Ind AS availed in accordance with Ind AS 101 have been set out below.

xix. Exemption Availed on First Time Adoption of Ind As 101

a. Business combinations:

Ind AS-103 relating to business combination has not been applied to acquisition of subsidiary and interest in joint venture that occurred before 01-04-2016. The carrying amount of assets and liabilities in accordance with IGAAP is considered as their deemed cost at the date of acquisition. From 01-04-2016 which is the date of transition, measurement is in accordance with IND AS.

b. Deemed Cost:

For transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment, Investment property and intangible assets are recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date, as there is no change in its functional currency.

c. **Lease:**

For transition to Ind AS, the group has adopted the same determination of whether an arrangement contained a lease in accordance with previous GAAP as that required by Appendix C of Ind AS 17.

d. **Investments in Subsidiaries and Joint Ventures:**

The group has elected to measure its investments in subsidiary and joint ventures at the Previous GAAP carrying amount as its deemed cost on the date of transition on Ind AS i.e April 1, 2016.

e. **Designation of previously recognised financial instruments:**

Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrecoverable election to present subsequent changes in the fair value of an investment in an

equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognised financial assets, as 'fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

Accordingly, the group has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

f. **Fair value measurement of financial assets or financial liabilities at initial recognition**

Group has applied the requirements in Ind AS 109 prospectively to transactions entered into on or after the date of transition to Ind ASs.

xx. Notes to Reconciliation:

(a) Property, Plant and equipment

Adjustments includes impact of spares capitalisation, life expired assets and mines decommissioning costs as per Ind AS.

(b) Investments

Investments in Equity instruments are carried at fair value through OCI in Ind AS compared to being carried at cost under IGAAP.

(c) Inventories

Adjustments that reflect spares capitalised to Property, Plant and Equipment and Capital work-in-progress.

(d) Trade Receivables

Adjustments that include loss allowance provided on financial asset i.e., Trade receivables.

(f) Other Equity

Adjustments to retained earnings and other comprehensive income has been made with Ind AS, for the above-mentioned items. In addition, as per Ind AS-19 actuarial gains and losses are recognized in other comprehensive income as compared to being recognized in the statement of profit and loss under IGAAP.

(g) Deferred Tax Liabilities

The adjustments include recognition of Deferred Tax on investments under Ind AS and due to Deferred Tax impact on Ind AS adjustments.

(h) Other Non-Current Liabilities

Adjustment include the impact of discounting of Liabilities based on their expected date of settlement.

(i) Other Income

Adjustments include Amortization of Government Grant recognized in accordance with Ind AS-20- Government Grants.

(j) Employee benefit expenses

As per Ind-AS 19 - Employee Benefits, actuarial gains and losses are recognized in other comprehensive income and not reclassified to profit and loss in subsequent period.

(k) Finance Cost

Adjustments include discounting impact of Liabilities measured at Fair value.

(l) Depreciation and Amortization expenses

Adjustments are due to Ind AS impacts made to Property, Plant and Equipment, i.e., Depreciation on Spares Capitalized, Change in Depreciation due to application of Component Accounting as per Ind AS.

(m) Other Expenses

Adjustment is due to change in provision for Loss allowance on Financial Assets (trade receivables).

(n) **Deferred Tax:** Adjustment include Deferred Tax changes due to above mentioned adjustments.

h) Average Duration of Defined Benefit Obligation (in Yrs)	6.5	6.9	6.6	6.2
i) Sensitivity Analysis				

Gratuity and Leave benefit are lump sum plans and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to discount rate and future salary escalation rate. The following details summarises the impact on the reported defined benefit obligation at the end of the reporting period arising on account of increase (+) or decrease(-) in the reported assumption by 50 basis points.

Particulars	FY 2017-18		FY 2016-17	
	Gratuity	Leave Benefits	Gratuity	Leave Benefits
Discount Rate + 50 BP	8.17%	8.17%	7.90%	7.90%
Defined Benefit Obligation (PVO)	1,243.34	1,151.68	1,180.15	809.13
Current Service Cost	85.06	97.89	81.81	74.57
Discount Rate - 50 BP	7.17%	7.17%	6.90%	6.90%
Defined Benefit Obligation (PVO)	1,317.22	1,225.75	1,253.05	855.90
Current Service Cost	92.37	105.62	89.04	80.04
Salary Escalation Rate + 50 BP	6.50%	6.50%	6.50%	6.50%
Defined Benefit Obligation (PVO)	1,317.06	1,226.19	1,252.72	856.11
Current Service Cost	92.50	109.67	88.85	80.07
Salary Escalation Rate - 50 BP	5.50%	5.50%	5.50%	5.50%
Defined Benefit Obligation (PVO)	1,243.22	1,150.96	1,180.12	808.74
Current Service Cost	84.91	97.82	81.87	74.53

Particulars	FY 2017-18		FY 2016-17	
	Gratuity	Leave Benefits	Gratuity	Leave Benefits
These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in the market conditions at the accounting date.

Note 53. Financial instruments - Fair values and risk management

A Accounting classifications and fair values

The following tables show the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

Levels in Fair value Hierarchy

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs, other than quoted prices which are included in Level 1, that are observable for the asset or liability, either **directly** (i.e as prices) or indirectly (i.e derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

53. B Financial instruments - Fair values and risk management**Financial risk management objectives and policies**

Group activities exposed it to market risk (including interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management is carried out by the Board of Directors. The board supervises overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and use of financial instruments. The financial authority limits or seek to limit and mitigate transactional risks by setting out the threshold of approvals required for entering into contractual obligations.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices, such as foreign exchange rates, interest rates and equity prices.

b) Interest rate risk

Group exposure to market risk for changes in interest rate environment relates mainly to its debt obligations.

Group policy is to maintain an efficient and optimal interest cost structure using a mix of fixed and variable rate debts and long-term and short-term borrowings. The Group's borrowings mostly consists of loans for funding the projects, working capital loans with variable rate of interest and public deposits & demand loans with fixed rates of interest.

The interest rate profile of the Group's interest-bearing instruments is as follows.

Particulars	31-03-2018	31-03-2017	31-03-2016
Fixed rate instruments			
Financial liabilities	15790.61	17663.57	18916.18
Financial assets	20.87	24.38	11.08
Variable rate instruments			
Financial liabilities	37136.63	30064.74	28495.75
Total financial liabilities	52948.11	47752.69	47423.01

i) Sensitivity analysis

Particulars	Impact on profit or loss		Impact on other components of equity	
	31-03-2018	31-03-2018	31-03-2017	31-03-2017
1% increase in MCLR rate	371	301	371	301
1% decrease in MCLR rate	(371)	(301)	(371)	(301)

ii) Fair value

The following methods and assumptions were used to estimate the fair values:

- The carrying value of financial asset approximates fair value

iii) Credit risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primary trade receivables) and from its investing activities, including deposits with banks and other financial instruments. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team.

Group credit risk for trade receivables is as follows

Particulars	31-03-2018	31-03-2017	31-03-2016
Trade receivables	7571.55	8742.62	12038.17

The movement in allowance for credit loss in respect of trade receivables during the year is as follows:

Allowance for credit loss	31-03-2018	31-03-2017	31-03-2016
Balance at the beginning	9.22	5.39	-
Impairment loss recognised	(2.81)	3.83	5.39
Balance at the end	6.41	9.22	5.39

No single customer accounted for more than 10% of the revenue as of 31-03-2018, 31-03-2017 and 31-03-2016.

There is no significant concentration of credit risk.

Credit risk on cash and cash equivalent is limited as the company generally transacts with banks and financial institutions with high credit ratings assigned by credit rating agencies.

53. C. Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset as they fall due. The Group is exposed to this risk from its operating activities and financial activities. The Group's approach to managing liability is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation. Liquidity requirements are maintained within the credit facilities established and are available to the Group to meet its obligations.

The table now provides details regarding the contractual maturities of significant financial liabilities as of the reporting date.

As at 31st March 2018

Particulars	Carrying value	Contractual cash flows				Total
		Less than 1 year	1-2 years	2-5 years	More than 5 years
