SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS

NATURE OF OPERATIONS

Oswal Greentech Limited formerly known as the Oswal Chemicals & Fertilizers Limited (the "Company"), was incorporated in 1981. The Company's main business is real estate promotion and development in residential and commercial segment, investment and trading activities.

1. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of Financial Statements

The Financial Statements have been prepared under the historical cost convention (except assets revalued) on an accrual basis of accounting unless otherwise stated, and in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / the Companies Act, 1956 ("the 1956 Act"), as applicable.

B. Fixed Assets and Depreciation

Tangible Assets

Fixed assets are stated at cost less accumulated depreciation. Cost includes all incidental expenditure net of MODVAT/CENVAT wherever applicable.

Fixed assets held for disposal are stated at the lower of their book value and net realisable value.

Intangible Assets

Computer Software's are capitalised and depreciated on an estimated useful life of three years.

Depreciation

Depreciation on fixed assets is provided pro-rata to the period of use, on the written down value method (except other divisions where depreciation is charged in SLM Basis). The depreciation rates for all assets upto the year ended 31.03.2014 are as per Schedule XIV of the Companies Act, 1956. Effective from 01.04.2014, Depreciation is charged on the basis of useful life of the fixed assets on pro-rata basis. The Company has adopted useful life of assets as given in Part 'C' of schedule II of the Companies Act, 2013.

Leasehold assets/premium/improvement is being amortized/depreciated over the period of lease.

C. Impairment

The carrying amount of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external / internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the 'net selling price' of assets and their 'value in use'.

D. Investments

Long term investments are stated at cost less provision, if any, for diminution in value of such investments other than temporary. Current investments are stated at lower of cost and fair value.

E. Inventories

Finished goods are valued at cost or net realizable value, whichever is lower. The basis of determining cost is Material Cost plus appropriate share of labour and production overheads.

a) Plots/Flats/Trading Goods

Inventories are valued at lower of Cost or Net Realisable Value.

F. Revenue Recognition

Income/loss on purchase and sale of shares and other securities is net of brokerage, service tax, and education cess. Securities Transactions Tax to the extent not available as rebate under Income tax Act, 1961 is charged directly to the Profit & Loss Account.

G. Foreign Exchange and Financial Derivative Transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the dates of the transactions. Liability in respect of imported materials remaining unpaid is stated at the exchange rates prevailing at the year end.

**NOTES (Contd...)****c) Other Long Term Employee Benefits**

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognized, subject to considerations of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

J. Provision

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle such obligation, in respect of which a reliable estimate can be made.

* Claims against the company not acknowledged as debts include the following cases:			
(i) The Government of India has raised an interest demand amounting to ₹ 10,825.13 Lacs on delay in refund of subsidy for VII and VIII pricing periods. The company has filed a writ before Hon'ble Delhi High Court for which decision is pending. Management envisage no liability on account of interest as the excess amount of subsidy claimed by the Union was itself not payable for which Letters Patent Appeal (LPA) had been filed and pending before the Hon'ble Delhi High Court.			
(ii) Dispute was filed by certain workmen of Licensed Contractor's trade union seeking employment, alleging that they were in services of the company as being the principal employer, amount involved is ₹ 1,776.84 Lacs. The Labour Tribunal held that the workmen were workers of the Licensed Contractor and that the Company does not have to absorb the workers after the expiry of company's contract with the Licensed Contractor. The workers have filed a writ before Orissa High Court, which is pending. As legally opined, the management envisages no liability, as the claim is not tenable.			
(iii) Certain contract labourers had filed dispute for which amount involved is ₹ 189.28 Lacs. The labourers went on strike and left the job voluntarily. They were asked to resume duty but they didn't do so. The Tribunal dismissed the matter on merits and held that the labourers were not entitled to any relief. The labourers have filed a writ before Hon'ble High Court of Orissa which is pending. As legally opined, management envisage no liability on such account.			
Other money for which the company is contingently liable include the following cases:			
** Demands/show cause notices received from Sales Tax department include the following cases :			
(i) Demand of ₹ 5,849.28 Lacs was raised under the Central Sales Tax due to rejection of C-Form and certain F-Forms resulting in disallowing of inter-state stock transfer. Company filed appeal in Odisha Sales Tax Tribunal, which is pending. As legally opined, management envisages no liability as most of F-Forms have been collected and submitted before the appellate authority.			
(ii) Orissa Sales Tax authorities re-opened the assessment on the basis of AG Audit Report and imposed demand of ₹ 900.31 Lacs alleging suppression of production which was expected to be higher than the actual as per consumption norms. An appeal has been filed by the company before the Odisha Sales Tax Tribunal which is pending. As legally opined, the management envisages no liability as the demand on account of consumption derived from the feasibility report is unjustified.			
(iii) Commissioner of Orissa Sales Tax had initiated a suo-moto revision and raised a demand of ₹ 329.85 Lacs alleging suppression of production which was expected to be higher and has a corresponding impact on sales as per the department. Company has responded with all details and audited production sheets. As legally opined, the management envisage no liability as the demand on account of company's feasibility report for consumption is unjustified and unsubstantiated.			
*** Certain demands raised by the state government in pursuance of the assessment made under the Orissa Entry Tax Act, 1999. The company had filed a writ application in the Hon'ble High Court of Orissa and the demand was stayed and pending. The Hon'ble High Court of Orissa had upheld the levy of entry tax in a batch of writ petitions filed by other companies challenging the entry tax. The judgement of Hon'ble High Court is under challenge in the Hon'ble Supreme Court of India and the same is pending. The company matter is subject to outcome of the above SLP. Moreover, entry tax levied on the company was mostly on imported goods which were not manufactured in the state of Odisha. As legally opined, management envisages no liability on such account.

News Nation Network Private Limited	India	27.79%	Associate

A. PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to Oswal Greentech Limited ('the Company'), its subsidiary company and associate. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21 – on "Consolidated Financial Statements".
- In case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the quarterly average closing rate prevailing at the end of respective quarter. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the "foreign currency translation reserve" till the disposal of net investment.
- The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries is recognised in the consolidated financial statements as Goodwill or Capital Reserve, as the case may be.
- The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognised in the consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- Investment in Associate Companies has been accounted under the equity method as per Accounting Standard (AS) 23 – "Accounting for Investments in Associates in Consolidated Financial Statements".
- The Company accounts for its share in change in net assets of the associates, post acquisition, after eliminating unrealised profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its Statement of Profit and Loss to the extent such change is attributable to the associates' Profit or Loss through its reserves for the balance, based on available information.

**NOTES (Contd...)***** Claims against the company not acknowledged as debts include the following cases:**

- (i) The Government of India has raised an interest demand amounting to ₹ 10,825.13 Lacs on delay in refund of subsidy for VII and VIII pricing periods. The company has filed a writ before Hon'ble Delhi High Court for which decision is pending. Management envisage no liability on account of interest as the excess amount of subsidy claimed by the Union was itself not payable for which Letters Patent Appeal (LPA) had been filed and pending before the Hon'ble Delhi High Court.
- (ii) Dispute was filed by certain workmen of Licensed Contractor's trade union seeking employment, alleging that they were in services of the company as being the principal employer, amount involved is ₹ 1,776.84 Lacs. The Labour Tribunal held that the workmen were workers of the Licensed Contractor and that the Company does not have to absorb the workers after the expiry of company's contract with the Licensed Contractor. The workers have filed a writ before Orissa High Court, which is pending. As legally opined, the management envisages no liability, as the claim is not tenable.
- (iii) Certain contract labourers had filed dispute for which amount involved is ₹ 189.28 Lacs. The labourers went on strike and left the job voluntarily. They were asked to resume duty but they didn't do so. The Tribunal dismissed the matter on merits and held that the labourers were not entitled to any relief. The labourers have filed a writ before Hon'ble High Court of Orissa which is pending. As legally opined, management envisage no liability on such account.

Other money for which the company is contingently liable include the following cases:**** Demands/show cause notices received from Sales Tax department include the following cases :**

- (i) Demand of ₹ 5,849.28 Lacs was raised under the Central Sales Tax due to rejection of C-Form and certain F-Forms resulting in disallowing of inter-state stock transfer. Company filed appeal in Odisha Sales Tax Tribunal, which is pending. As legally opined, management envisages no liability as most of F-Forms have been collected and submitted before the appellate authority.
- (ii) Orissa Sales Tax authorities re-opened the assessment on the basis of AG Audit Report and imposed demand of ₹ 900.31 Lacs alleging suppression of production which was expected to be higher than the actual as per consumption norms. An appeal has been filed by the company before the Odisha Sales Tax Tribunal which is pending. As legally opined, the management envisages no liability as the demand on account of consumption derived from the feasibility report is unjustified.
- (iii) Commissioner of Orissa Sales Tax had initiated a suo-moto revision and raised a demand of ₹ 329.85 Lacs alleging suppression of production which was expected to be higher and has a corresponding impact on sales as per the department. Company has responded with all details and audited production sheets. As legally opined, the management envisage no liability as the demand on account of company's feasibility report for consumption is unjustified and unsubstantiated.

*** Certain demands raised by the state government in pursuance of the assessment made under the Orissa Entry Tax Act, 1999. The company had filed a writ application in the Hon'ble High Court of Orissa and the demand was stayed and pending. The Hon'ble High Court of Orissa had upheld the levy of entry tax in a batch of writ petitions filed by other companies challenging the entry tax. The judgement of Hon'ble High Court is under challenge in the Hon'ble Supreme Court of India and the same is pending. The company matter is subject to outcome of the above SLP. Moreover, entry tax levied on the company was mostly on imported goods which were not manufactured in the state of Odisha. As legally opined, management envisages no liability on such account.
