## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### INDUSTRY OVERVIEW

The banquets, catering, and hotels sector is a vibrant pillar of the service economy, contributing significantly to employment, tourism, and GDP growth. Over the past decade, the industry has transformed into a highly competitive, experience-driven space, blending hospitality, design, and technology to meet the diverse expectations of both domestic and international guests.

Rising disposable incomes, greater lifestyle spending, expanding urbanization, and the cultural importance of social gatherings continue to drive demand. Weddings, corporate events, social celebrations, and leisure travel form the backbone of this sector, supported by improved infrastructure, connectivity, and service standards.

While competition has intensified with the entry of new players, consumers are increasingly willing to pay a premium for personalized experiences, high-quality service, and unique venues. Technology adoption — from digital booking platforms to AI-driven guest services — is reshaping operations and guest engagement.

### INDIAN ECONOMY

India retained its position as the **world's fifth-largest economy** in FY 2024–25, backed by strong domestic demand, high infrastructure investment, and robust growth in services. Real GDP is estimated to grow by over **6% in FY 2025–26**, supported by:

- Expanding private consumption and rising urban incomes.
- Large-scale government investment in infrastructure and logistics.
- Digitization and improved ease of doing business.
- Strong performance in contact-intensive sectors, including hospitality and tourism.

With a stable inflationary environment, improved agricultural output, and growing exports, India remains the **fastest-growing major economy** and is expected to be among the **top three global economies** over the next decade.

### HOTELS AND HOSPITALITY IN INDIA

The hospitality sector is entering a phase of **sustained expansion**. Key demand drivers include:

- **Domestic leisure travel**, which accounts for the bulk of hotel occupancy.
- Growth in **Meetings, Incentives, Conferences, and Exhibitions (MICE)** and large-format weddings.
- Increasing tourism in **tier-II and tier-III cities**.
- Rising interest in **spiritual, heritage, and experiential tourism**.

Industry margins have improved compared to pre-2020 levels, aided by efficient cost structures, better inventory management, and operating leverage. Many operators are also diversifying into **co-working spaces, hybrid events, and community-focused offerings** to maximize asset utilization.

## HOTELS AND HOSPITALITY IN INDIA

Sustenance of domestic leisure travel, demand from meetings, incentives, conferences, and exhibitions including weddings, and business travel (despite a temporary lull during election period) are likely to drive demand in FY2026. Spiritual tourism and tier-II cities are expected to contribute meaningfully in FY2026. Sustenance of a large part of the cost-rationalization measures undertaken during Covid period, along with operating leverage benefits, has resulted in sharp expansion in margins compared to pre-Covid levels.

## MARKET SIZE

As per the **World Travel & Tourism Council (WTTC)** and industry reports:

- The Indian travel & tourism industry is projected to contribute **US\$ 512 billion** to GDP by 2028.
- The **Indian hotel market** is expected to grow from **US\$ 32 billion in FY20** to **US\$ 52 billion by FY27**.
- The travel market is projected to reach **US\$ 125 billion by FY27** from **US\$ 75 billion in FY20**.
- Foreign Tourist Arrivals (FTAs) in April 2024 stood at **650,748**, up **7.7% YoY**.
- The top five source markets in December 2024 were: USA (24.38%), UK (11.48%), Australia (10.33%), Bangladesh (5.91%), and Canada (5.73%).

While international arrivals are growing steadily, **domestic tourism remains the primary growth driver**, powered by expanding middle-class travel aspirations, improved connectivity, and a deeper penetration of branded hotel chains in previously underserved areas.

## OUTLOOK

With safety & hygiene as the foremost criteria, the pandemic has forced the banquets & hotel industry to come up with innovative ways to utilize their assets by opening newer revenue streams such as co-working space, use of technology, redesigning hotels and others. Though the flow of large booking is high in peak season, we have started focusing on attracting small bookings like kitty party, birthday party, kirtans in off season.

## RISKS AND CONCERNS

**Economic Sensitivity:** Hospitality demand is closely tied to GDP growth, consumer spending power, and discretionary income.

**Operational Challenges:** Rising input costs, regulatory compliance, and skilled manpower shortages in certain regions.

**Competitive Intensity:** Increased market participation may impact pricing flexibility and margins.

## INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a **comprehensive internal control framework** designed to safeguard assets, ensure accurate financial reporting, and maintain operational efficiency. Key features include:

- Process-level controls embedded in daily operations.

- Regular internal audits for continuous process improvement.
- Statutory audit oversight to verify the adequacy and effectiveness of internal systems.

These controls are periodically reviewed and strengthened to align with industry best practices and evolving business needs.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Emphasis of Matter**

- a) We draw your attention to Note No. 27I of the Financial Statements regarding pending confirmation from certain parties. The Management does not expect any material difference affecting the current year's financial statement due to the same.

Our Opinion is not modified in respect of this matter.

**Information other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report but does not include the Financial Statements and our Auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibility of the Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and

maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the small relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
