### About Shriram EPC

Shriram EPC (NSE: SHRIRAMEPC, BSE: 532945) is one of the leading service providers of integrated design, engineering, procurement, construction and project management services for renewable energy projects, process and metallurgical plants and municipal service sector projects throughout India and is also a leading manufacturer of 250 KW wind turbine generators (WTG).

The EPC business is focused on providing integrated turnkey solutions for biomass-based power plants, process and metallurgy plants (including cement & thermal power plants), water and wastewater treatment plants, water and sewer infrastructure and pipe rehabilitation. The WTG business is focused on manufacturing, erecting and commissioning 250 KW and 1.5 MW Class WTGs.

Shriram EPC is headquartered in Chennai with offices in Mumbai, New Delhi, Kolkata and Beijing; and WTG and cooling tower factories in Puducherry, Chennai and Umbergaon (Gujarat). Their EPC project experience and footprint reaches across 16 states in India, and internationally in Zambia and France, while their WTG business has completed wind energy projects throughout India.
