## MANAGEMENT DISCUSSION AND ANALYSIS

### BACKGROUND

The Management Discussion and Analysis sets out the development in the business environment and the Company's Performance since last report. This analysis supplements the Directors' Report and the Audited Financial Statement forming part of this Report.

### INDUSTRY STRUCTURE AND DEVELOPMENTS

India's construction industry will continue to expand over the forecast period (2017–2020), with investments in residential, infrastructure and energy projects continuing to drive growth. Various government flagship programs – including 100 Smart Cities Mission, Housing for All, Atal Mission for Urban Rejuvenation and Transformation (AMRUT), Make in India and Power for All – will be the growth drivers.

Due to industrialization, urbanization, a rise in disposable income and population growth the demand for construction services is set to rise. Government efforts to improve the country's residential and transport infrastructure will also support growth.

### BUSINESS OVERVIEW

Niraj cement is amongst the oldest and most well reputed infrastructure companies in India, with a wealth of diverse experience and exposure. Our corporate philosophy of trust, integrity and quality has placed us at the forefront of the construction industry.

At Niraj cement, we adhere to global standards in construction, with appropriate supervision and project control to maximize quality, a focus on sustainable development and solid solutions to construction challenges.

The company provides end-to-end solutions, highways, bridges, water supply and drainage, irrigation, land storm water drainage and other infrastructural work.

India's extensive infrastructure needs are well known. Decades of underinvestment have left the country with dire deficits in such critical areas as railways, roads. The project implementation is undertaken with the assistance of sub-contractors and other agencies. Niraj provides the necessary technical and financial assistance to the sub-contractors.

The dedicated architects, engineers and quantity surveyors that drive the firm's activities are ably complemented by a team of multi-skilled and competent support staff. The company also actively procures the latest construction technologies to assist its highly skilled workers.

### OPPORTUNITIES AND THREATS: OPPORTUNITY

Historically, the government has played a key role in supplying and regulating infrastructure services in India and private sector has not participated in infrastructure development. However, due to the public sector's limited ability to meet the massive infrastructure funding requirements, private sector investment in infrastructure is critical. Therefore, the Indian government is actively encouraging private investments in infrastructure. Niraj currently has projects operational at Maharashtra( Mumbai ,Kalyan ), Odisha ,Mysore and Nepal ,.

### THREATS

Indeed, the infrastructure challenges are a major drag on. During the halcyon years of India's boom, it was easier to overlook this threat. The Company operates in a competitive environment. Much depends on type of project, contract value, potential margin, location of project, reputation of client etc. The company mainly competes mid segment Road Construction Companies in India. Competitive bidding, rising prices, Non availability of Land and Fixed Price Contracts are some of the key factors for slow growth in past years.

Also the business is capital intensive which requires high level of long-term debt financing and arrangement of capital required for various projects is dependent on various factors like the internal accruals, size of award of the projects and availability of credit from banks and financial institutions etc.

### SEGMENT-WISE / PRODUCT-WISE PERFORMANCE & OUTLOOK:

The Company operates in only one business segment i.e. Road Construction.

### RISKS AND CONCERNS:

The Risk Management and Control Systems are considered to be in balance with Company's risk profile and appetite, although such systems can never provide absolute assurance. Company's Risk Management and Control Systems are subject to continuous review and adaptations in order to remain in balance with its growing business size and changes in its risk profile.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company has appropriate internal control systems for business processes with regard to its operations, financial reporting and compliance with applicable laws and regulations.

**HUMAN RESOURCE MANAGEMENT:**

Your Company has valued both experience and fresh talent, and takes pride in the commitment, competence and dedication shown by its employees in all areas of business and is conscious of the importance of environmentally clean and safe operations. Up gradation of technical skills training is periodically given to employees as per identified requirements while employees are encouraged to participate in personality development, soft skills enhancement programmes etc

**SAFE HARBOUR CLAUSE:**

Statements in the Management Discussion and Analysis describing the Company's objectives and expectations may be "forward looking statement" within the meaning of applicable securities laws and regulations. These statements are based on certain assumptions and reasonable expectation of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/ supply, price conditions in the domestic and overseas market in which the Company operates, changes in the Government regulations and tax structure, economic developments within India and the countries with which the Company has business contacts and other factors such as litigation and industrial relations.

**CONCLUSION:**

Though the company cannot assess its success on short term profits and financial performance is the main factor to overall success, we with entire system are keen in improving our performance of every individual employee just as much as we are doing for improving our every product.

**INDEPENDENT AUDITOR'S REPORT  
To the Members of NIRAJ CEMENT STRUCTURALS LTD**

**Report on the Ind AS Financial Statements**

We have audited the accompanying Ind AS financial statements of Niraj Cement Structurals Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

**Management's Responsibility for the Ind AS Financial Statements.**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of state of affairs (financial position), profit (financial performance including other comprehensive income), cashflows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March, 2018 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**“Annexure A” to the Independent Auditor’s Report of even date on the Financial Statements of Niraj Cement Structurals Ltd**

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2018:

- 1) In respect of fixed assets:
  - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
  - (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the books records and the physical fixed assets have been noticed.
  - (c) The title deeds of immovable properties (which are included under the Note A -10 ‘Property, plant and equipment’) are held in the name of the Company.

- 2) As per Information and explanation given to us, the management has conducted physical verification of inventory during the year.

In the absence of specific information and details with regards toWIP stock, we relied on management certificate.

- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- 6) In pursuant to the rules made by the Central Government of India the company is requested to maintain cost records as specified under section 148(1) of the act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have made a detailed examination of the records with a view to determine whether they are accurate or complete.

- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2018 for a period of more than six months from the date on when they become payable. *Except following*

- b) According to the information and explanation given to us, the dues in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute. *Except following*

Name of statute	Nature of dues	Amount (In Lakhs)	Period for which the amount relates	Forum where the dispute pending

**“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of Niraj Cement Structural Ltd**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the financial statements of the Company as of and for the year ended March 31, 2018 we have audited the internal financial controls over financial reporting of Niraj Cement Structure Limited (“the Company”) which is a Company incorporated in India, as of that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Deferred tax liabilities (Net)**

As per Ind AS 12, deferred tax liabilities should be recognised on all taxable temporary differences. The unrealised gain on revaluation of investment is not taxable until sold. But this does not affect accounting treatment and hence revaluation creates a taxable temporary difference. Hence, deferred tax liability is calculated on revaluation of Investment in Canara bank shares at Fair value.

The break up of net Deferred tax Calculation is as under

**Significant Accounting Policies and Notes to account -**

1. These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2017. Up to the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1st April, 2016. Details of the exceptions and optional exemptions availed by the Company and principal adjustments along with related reconciliations are detailed in following notes:

2. First-time Adoption of Ind AS

i. Ind AS 101 (First-time Adoption of Indian Accounting Standards) provides a suitable starting point for accounting in accordance with Ind AS and is required to be mandatorily followed by first-time adopters. The Company has prepared the opening Balance Sheet as per Ind AS as of 1st April, 2016 (the transition date) by:

- a. recognising all assets and liabilities whose recognition is required by Ind AS,
- b. not recognising items of assets or liabilities which are not permitted by Ind AS,
- c. reclassifying items from previous Generally Accepted Accounting Principles (GAAP) to Ind AS as required under Ind AS, and
- d. applying Ind AS in measurement of all recognised assets and liabilities.

3. Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

4. A. Reconciliation of total comprehensive income for the year ended 31st March, 2017 is summarised as follows:

(in Rupees)

Particulars	Notes	For the year ended 31/03/2017
Profit after Tax as reported under previous GAAP		77,46,602

Equity as reported under IND AS		1,27,01,11,139	1,28,41,12,295

5. In preparing these financial statements, the company has applied the following significant optional exemptions, in addition to those which are mandatory:
- Investments in joint ventures- The company has availed the deemed cost exemption for IND AS purposes. Accordingly, the carrying value of investments under previous GAAP has been carried forward without any adjustments.
  - Property plant and equipment- As permitted by IND AS-101, the company has elected to continue with the carrying values under previous GAAP for all items of property, plant and equipment.

## 6. Revenue Recognition -

### a) Accounting of Construction Contracts:

The Company follows the percentage completion method, based on the stage of completion at the Balance Sheet date, taking into account the contractual price and revision thereto by estimating total revenue including claims/ variations as per Ind AS 11 and total cost till completion of the contract and the profit so determined proportionate to the percentage of the actual work done.

Revenue is recognised as follows:

- In case of item rate contracts, on the basis of physical measurement of work actually completed, at the Balance Sheet date.
- In case of Lump sum contracts, revenue is recognised on the completion of milestones as specified in the contract or as identified by the management. Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration.
- Advance payments received from contractee for which no services are rendered are presented as 'Advance from contractee'.

### b) Finance and other income:

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

## 7. Investments-

Under previous GAAP, non-current investments (Investment in Canara Bank shares) were stated at cost. Where applicable, provision was made to recognise a decline, other than temporary, in valuation of such investments. Under Ind AS, these financial assets have been classified as Fair Value through Profit or Loss (FVTPL) on the date of transition and fair value changes after the date of transition has been recognised in profit or loss.

## 8. Fair value measurement -

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

The following methods and assumptions were used to estimate the fair values:

- Fair value of current assets which includes loans given, cash and cash equivalents, other bank balances and other financial assets - approximate their carrying amounts.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts

## 9. Borrowings -

As required under the IND AS 109, transactions costs incurred towards origination of borrowings should have been deducted from the carrying amount of borrowings on initial recognition. Due to different nature of repayment terms of loans taken by the company, the company records borrowings on amortised cost basis as per the repayment schedule given by banks.

**10. Other comprehensive income -**

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense those are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP

**11. Defined benefit obligation –**

In the financial statements prepared under previous GAAP, remeasurement costs of defined benefits plans, arising primarily due to change in actuarial assumptions was recognised as employee benefit expense in the statement of profit and loss. Under Ind AS, such remeasurement costs relating to defined benefit plans is recognised in Other comprehensive Income as per the requirements of Ind AS 19, Employee benefits. Thus, Actuarial gain/ (loss) in case of Gratuity liability is reclassified from Profit and loss A/c to Other comprehensive income for the years ending 31.03.2016 & 31.03.2017.

**12. Deferred tax –**

As per Ind AS 12, deferred tax liabilities should be recognised on all taxable temporary differences. The unrealised gain on revaluation of investment is not taxable until sold. But this does not affect accounting treatment and hence revaluation creates a taxable temporary difference. Hence, deferred tax liability is calculated on revaluation of Investment in Canara bank shares at Fair value.

**13. Accounting for Joint Ventures –**

The Company has taken full billing for JV projects and shown it as sales/revenue from operations. The sub contractor/ JV partner's share has been shown in cost of material consumed.

**14. Disclosure in accordance with Ind AS 11 'Construction contracts' – Amount due from / to customers on Construction Contracts :**

	<b>31.03.2018</b>	<b>31.03.2017</b>
Contract revenue for the year	1,069,368,653	1,070,109,948

Gross amount due from customer for contract work (net of retention)	935,637,593	1,322,376,740
Gross amount due to customer for contract work	N.A	N.A

**15. Financial Risk Management objectives and policies**

The Company's financial risk management is an internal part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, receivables, payables and loans and borrowings.

- 1) Market Risk (Interest rate risk) Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates.

According to the Company's interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 0.50% increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

Particulars	Year Ended 31st March, 2018	Year Ended 31st March, 2017
Total Borrowings	513,748,607	1,060,312,097
% of Borrowings out of above bearing variable rate of interest	96.57	51.21

#### Interest rate sensitivity

A change of 0.50% in interest rates would have following Impact on profit before tax

	2017-2018	2016-2017
0.50% increase would decrease the profit before tax by	28,12,277.00	18,74,719.00
0.50% decrease would Increase the profit before tax by	28,12,277.00	18,74,719.00

## 2) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- Actual or expected significant adverse changes in business,
- Actual or expected significant changes in the operating results of the counter-party,
- Financial or economic conditions that are expected to cause a significant change to the counter-party's ability to meet its obligations,
- Significant increase in credit risk on other financial instruments of the same counter-party,

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Subject to notes and balance written off, based on the historical data, loss on collection of other receivable is not material hence no additional provision considered.

#### Ageing of Account receivables

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

#### Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows
