#### **MESSAGE FROM THE**

### **CHAIRMAN**

Dear Stakeholders,

I am delighted to present to you the 4<sup>th</sup> Annual Report of Modi's Navnirman Ltd. for FY24-25.

This year, your Company once again demonstrated strong resilience and growth, further consolidating the solid base we have created over the past few years. The Indian real estate industry specifically the residential space continues to show strong momentum, fuelled by the rising desire for home ownership, increasing disposable incomes, and progressive policy interventions.

I am also pleased to announce that it has been 3 years since listing on SME Platform Bombay Stock Exchange ("BSE") and your company is now ready and compliant to go to a bigger step which is to be listed both on Main Board Bombay Stock Exchange and National Stock Exchange ("NSE").

In this more than congenial climate, Modi's Navnirman has remained wedded to its fundamentals—timely completion, quality of construction, and local area development focus. I am happy to report that we completed Rashmi Vasudeo (Vasudeo Terrace CHSL) project successfully, and Rashmi Celestia (Dattani Apartment CHSL) is in its final stages within the ongoing fiscal year, before the timeline.

Simultaneously, work on our other key redevelopment projects: Rashmi Square (Om Shraddha CHSL), Rashmi Signature

(Sunder Sangam CHSL), Rashmi Manorath (Shree Manorath CHSL), Rashmi Delight (Peace CHSL & Piyush Cottage CHSL) is progressing as per schedule. These projects not only reflect our construction capabilities but also our commitment to transforming the suburban landscape of Mumbai into modern, liveable spaces.

As part of our growth strategy, I am pleased to announce that we have acquired redevelopment rights on two new societies Bijal CHSL and Blue Heaven CHSL on Link Road, (Rashmi Paradies) Malad (West), These additions strengthen our presence in the high-potential western suburbs of Mumbai.

The macroeconomic backdrop remains favourable. India delivered robust GDP growth of 6.5% in FY 25, making it the fastest-growing major economy globally. Looking ahead, the International Monetary Fund projects Indian GDP to expand by 6.4% in FY 26 and FY 27, citing a more

benign external environment, improved financial conditions, and resilient domestic fundamentals. The **Confederation of Indian Industry (CII)** forecasts a range of **6.4%** – **6.7%** for FY 26, while the **Economic Advisory Council to the Prime Minister (EAC-PM)** projects growth around **6.5%** for the same period.

This economic dynamism, coupled with rapid urbanisation, infrastructure investment, and housing demand, provides a strong foundation for the real estate sector to flourish. Continued government focus on affordable housing, digitisation of land records, and stable policy frameworks further enhance investor and consumer confidence in urban development.

Your Company continues to maintain an asset-light business model, maximizing capital effectiveness with value creation throughout the value chain. By emphasizing execution excellence, prudent financial stewardship, and an expanding sales and partner network, we are poised

for sustainable performance in the years ahead.

Looking ahead, we are confident of our future pipeline. With several projects already under implementation and new ones on the anvil, Modi's Navnirman is well geared to benefit from increasing demand for quality urban housing and deliver long-term value to all stakeholders.

On behalf of the Board, I offer my sincere appreciation to all our shareholders, partners, customers, employees, and stakeholders. Your faith and support continue to stimulate our drive to deliver excellence and create thriving communities.

Thank you for being an integral part of our journey.

With Best Wishes,

Mr. Dinesh Modi

# MANAGEMENT DISCUSSION and ANALYSIS

#### **REVIEW OF THE GLOBAL ECONOMY**

According to the International Monetary Fund (IMF)'s July 2025 World Economic Outlook, global GDP growth is projected at 3.0% in 2025, rising slightly to 3.1% in 2026.

The 2024 baseline held at around 3.3% for most sources. However, that is still below the long-term average of 3.7% achieved in the first two decades of this millennium.

Dark clouds of tariff tensions, primarily originating from the USA, are currently casting a shadow over the global economic landscape, creating uncertainty and potential headwinds for growth and stability. Tariffs imposed by the USA on all their trading partners coupled with counter-tariffs levied by China as well as few other countries on the USA has muddied the global growth forecasts. Failure to resolve these trade disputes swiftly could significantly impede global growth through dislocations in global trade.

Amid a lack of structural reform momentum and ongoing headwinds from a range of challenges, global economic performance is expected to remain mediocre as per World Economic outlook report published in April-2025 by International Monetary Fund (IMF).

#### **Key Risks & Structural Challenges**

- Tariff volatility & trade protectionism

   Persistent U.S. tariffs and elevated trade friction are key dampeners to global demand and investment. Even partial rollbacks or delays don't fully remove uncertainties.
- Policy uncertainty Central banks faced political pressures (notably in the U.S.), complicating monetary policy and investor confidence.
- 3. **Deglobalization pressures** Supply chain disruptions, reshoring, and

- protectionist policies are reducing integration—a headwind to long-term productivity and growth.
- 4. **Debt burdens & investment weakness** Especially in developing nations, high public debt and weak investment are limiting growth potential.
- 5. **Structural stagnation in advanced economies** Low productivity, aging populations, and sluggish demand are dragging growth in mature markets.

#### **REVIEW OF THE INDIAN ECONOMY**

The IMF projects India's real GDP growth at 6.5 % for FY 2024–25, and similarly for FY 2025–26, powered by resilient private consumption and macro-financial stability. India's GDP settled at 6.5 % in FY 2024–25, down from a revised 9.2 % for FY 2023–24. The previous spike included one-off upward revisions. In Q4 2024–25 alone, GDP grew 7.4 %, outperforming forecasts, with contributions from manufacturing, construction, and tax revenue.

Private consumption continues to be a key pillar of growth. To stimulate demand across rural and urban India, the Union Budget FY26 introduced targeted tax reliefs for individuals, which are expected to further boost consumption in FY26— potentially adding 0.6—0.7 percentage points to GDP growth (Deloitte India Economic Outlook, May 2025).

In May 2025, the geopolitical landscape in South Asia experienced renewed volatility due to a brief but significant military escalation between India and Pakistan. Triggered by cross-border incidents along the Line of Control and the International Border, the conflict led to a series of military responses, which, while contained diplomatically within a few weeks, marked a significant escalation in a historically volatile relationship between the two countries.

The escalation resulted in short-term market disruptions. Key indices, including the Nifty 50, declined by over 4% in the immediate aftermath, accompanied by increased currency

volatility. Foreign Institutional Investors reduced their exposure to Indian equities during this period, citing regional risk aversion. However, such concerns were short lived and the markets seems to have moved beyond the short-term conflict.

The episode underlines the need for India to build a resilient economy, capable of withstanding external shocks and a nimble diplomatic strategy to maintain its regional and global ascent.

While our Company does not have direct presence in conflict zones and our business operations remained uninterrupted, we continue to monitor regional developments closely and assess their potential second-order impacts on capital markets, consumer sentiment and investor confidence.

#### **Outlook & Projections**

IMF forecasts India's GDP growth at 6.5 % for FY 2025–26, while CRISIL projects a similar 6.5 % with inflation easing to around 4.4 %. Risks include potential oil price shocks, weather-related agricultural disruption, and geoeconomic fragmentation.

Despite global disruptions—like escalating U.S. tariffs—India maintained investor confidence thanks to solid forex reserves (~10–11 months of imports) and stable external accounts.

#### **GLOBAL REAL ESTATE OUTLOOK**

The international real estate market in 2025 was resilient even as it was confronted with high geopolitical and economic uncertainty during the first half of the year. According to JLL's Global Real Estate Outlook, investor sentiment was cautiously positive based on previous valuation correction, stable debt markets, and strengthening occupier demand. The rising scarcity of supply across important asset classes was one of the defining themes of the year. This was particularly visible in developed economies where new project launches continued to be constrained, thereby favouring existing and well-located assets.

The real estate finance market also saw early indications of recovery. With borrowing costs

slowly taming, investors started returning to the market to capitalise on first-mover benefits. Though volumes continue to lag prepandemic levels, the latter half of FY25 reported significant momentum, especially in real estate sectors like logistics, data centers, and multi-family residential space. Corporate occupiers also reflected renewed optimism, leading to a consistent pick-up in office leasing, especially in top commercial districts.

This was a shift from the extended uncertainty that earlier dominated workplace demand.

A key undercurrent that influenced market dynamics was the fast-tracked march toward decarbonization. Across the world, real estate players are acknowledging the intensifying threats of asset obsolescence as the environment becomes progressively more stringently regulated and investor appetite turns greener. Existing buildings that do not comply with changing green standards stand to be devalued, thus prompting developers and property managers to invest in eco-friendly building and retrofitting programs. This shift is not merely regulatory-driven but increasingly reflects broader market expectations around ESG compliance.

For your companies the implications of these global developments are both strategic and operational. The constrained supply scenario presents an opportunity to leverage its existing and planned developments, projects particularly in well-connected urban locations. As interest rates stabilize and capital availability improves, there is a clear window to accelerate project rollouts. Concurrently, the growing global focus on sustainability reinforces the importance of aggressive investment in green building methods and energy-efficient design.

Navigating the evolving real estate landscape in FY2025 required a combination of adaptability, foresight, and a commitment to long-term value creation. As the global outlook continues to evolve, Modi's Navnirman Limited remains focused on integrating these insights into its strategic roadmap, ensuring its offerings remain relevant, resilient, and responsible.

#### INDIA'S REAL-ESTATE SECTOR

India's real estate sector in FY 2024–25 demonstrated resilient growth across residential, commercial, and industrial segments, despite global economic uncertainties.

Residential property demand remained strong, particularly in urban and Tier-2 cities, supported by a younger buyer demographic, improved housing finance access, and steady infrastructure development.

Prices saw moderate appreciation, averaging around 5-6%, while sales volumes remained healthy, especially in the affordable and midincome segments. The commercial real estate market continued to thrive, driven by demand for Grade-A office spaces, co-working hubs, and data centers, particularly in cities like Bengaluru, Mumbai, and Gurugram. Industrial and logistics real estate also gained momentum, fueled by the expansion of ecommerce, supply chain optimization, and warehousing needs. Regulatory reforms, increased foreign investment interest, and the rising popularity of green and tech-enabled developments further reinforced the sector's appeal.

Looking ahead, the outlook remains cautiously optimistic, with growth likely supported by favorable monetary policy, infrastructure expansion, and evolving consumer preferences.

#### **MUMBAI REAL-ESTATE SECTOR**

Mumbai's real estate market remained buoyant throughout FY 2024–25, with residential unit sales rising by around 11%, driving total housing sales value past ₹1.24 lakh crore—spurred by strong demand in luxury and premium segments across locations like Worli and Jogeshwari-Borivali.

Infrastructure investments—including Mumbai Metro Line-3, Coastal Road, and regional rail corridors—are unlocking new catchment zones in Thane, Navi Mumbai, and suburbs, attracting growth in both affordable and mid-income housing.

Notably, property prices in Thane have surged approximately 46% over three years, consolidating its status as an emerging investment hub within Mumbai's metropolitan region.

Mixed dynamics continue in the premium segment: while high-value homes are driving average ticket-size increases and sentiment in central Mumbai locations—such as ultra-luxury sales in Worli and Bandra—the swelling unsold inventory signals a potential cooldown in buyer appetite at the very top-end.

Residential demand in FY 2025 was strong across premium as well as mid-income housing categories. Micro-markets like South Mumbai, Western Suburbs, Thane, and Navi Mumbai stayed in the fray, supported by a combination of end-user and investor demand. Developers hastened launches, especially redevelopment complexes, taking advantage of supportive regulations and sustained pressure to free land in restricted city areas. The luxury market witnessed increasing traction, particularly from HNIs, NRIs, and professionals looking for larger, high-amenity homes post-pandemic.

On the business side, Mumbai remained a prime business destination, with BFSI, IT/ITeS, and co-working players continuing to lease space. Hubs such as BKC, Lower Parel, Andheri, and Navi Mumbai saw sound occupier demand. Demand for flexible spaces continued to grow, and Grade-A office buildings were stable as operations continued at rentals and occupation levels.

Overall, Mumbai's real estate sector displayed resilience and sophistication in FY 2024–25, led by robust residential activity, premium demand, and policy-led infrastructure growth. That said, affordability pressures, elevated

prices, and luxury overhang present challenges as market maturation advances.

For our company highlight area being Borivali, Kandivali and Malad;

In FY 2024–25, the Malad-Borivali-Kandivali corridor emerged as one of Mumbai's strongest real estate hubs—accounting for over 58% of the city's property registrations within the western suburbs and contributing significantly to the record-breaking sales.

Its improving connectivity (Western Express Highway, Metro Line 7, and the upcoming Coastal Road) and steady 6% CAGR over a decade turned it into a popular pick for long-term buyers and families.

## BUDGET 2025 TAKEAWAYS: BUILDING MOMENTUM FOR INDIA'S REAL ESTATE GROWTH

The Union Budget 2025–26 sets a progressive tone for the real estate sector, combining fiscal incentives, infrastructure thrust, and targeted housing support to enable long-term, inclusive growth across geographies and income segments.

#### **Income Tax Relief: Strengthening Affordability**

The revised income tax slabs and higher rebate limits is expected to boost household savings and consumption. The increased purchasing power is likely to translate into greater interest in affordable and mid-segment housing, particularly in up-and-coming urban clusters.

#### **Revival of Delayed Projects: SWAMIH Push**

With a fresh infusion of ₹15,000 crore under a new round of the SWAMIH fund, the government aims to resolve long-pending affordable and mid-income housing projects stuck due to last-mile funding issues. This is set to ease buyer anxieties, restore developer confidence, and unlock blocked capital in the system.

#### PMAY-U 2.0: Scaling Up Housing for All

In line with the Government's vision of 'Housing for All', PMAY-U 2.0 has been launched with an enhanced allocation of

₹19,784 crore — a 36% increase over last year's estimate of ₹13,670 crore. With over 88 lakh homes already delivered under PMAY-U Phase 1, the second phase offers significant opportunities for private developers to partner in delivering sustainable, inclusive housing projects.

## Infrastructure-Led Expansion: Unlocking New Growth Corridors

Budget continues to prioritise infrastructure development — including roads, railways, and aviation — to improve connectivity and open up real estate opportunities in Tier II and III cities. The launch of the ₹1 lakh crore Urban Challenge Fund will further catalyse urban development by incentivising cities to raise capital through municipal bonds and Public-Private Partnerships (PPPs), paving the way for longterm real estate expansion

#### **OPPORTUNITES AND CHALLENGES**

#### **Opportunities**

#### **Redevelopment Boom**

Old buildings & housing societies in South Mumbai, Andheri, Borivali, and Ghatkopar offer high-value redevelopment potential. Majority of the redevelopment is taking place in Borivali, Kandivali and Malad areas. MHADA and SRA clusters are key focus areas.

#### Infrastructure-Led Growth

The operation of Metro Lines 2A, 3, and 7, Mumbai Coastal Road, and Trans-Harbour Link improving connectivity. People are choosing areas farther from the work place because of the easy connectivity options.

It is therefore, boosting property values in suburbs like Kandivali, Malad, Chembur, and Panvel.

#### **Challenges & Threats**

While we are favorably positioned to capitalize on the growth prospects within the Indian real estate sector, there are potential challenges that the industry might need to navigate in the near to medium term.

- Increase in housing prices greater than wage growth Economic slowdown for an extended period.
- Disruptions in job creation because of artificial intelligence making certain roles redundant.
- 3. Job creation not keeping pace with the aspirations of the skilled workforce.
- 4. Geopolitical risks causing shocks in commodity prices and supply-side disruption.
- 5. High interest rates, affecting purchasing power of the middle class.

#### **RISK AND MITIGATION**

#### **Competition Risk**

**Risk:** While the number of developers has reduced over the last few years, driven by RERA, demonetisation, GST and other reforms, we now have an increasing number of conglomerates entering into the real estate sector, which could mean greater competition for the existing brands.

Mitigant: The real estate sector has experienced significant consolidation on both the demand and supply sides in recent years. Post-pandemic, homebuyers have become increasingly discerning, favoring established brands and developers with proven track records, leading to market share gains for branded developers like us. Similarly, landowners are demonstrating a preference for partnering with developers with stronger brands, faster execution timelines and superior delivery track records. Lenders, too, are exhibiting caution in extending credit to developers lacking a demonstrable history of successful project delivery. These trends are likely to continue, increasing the bargaining power in the hands of branded developers with established execution credentials.

#### **Economic Slowdown**

**Risk:** Job creation, which is directly linked to the health of the economy, is the primary driver of housing demand in India. Worsening of job sentiments either due to job losses or

reduced rate of new job creation or inadequate salary growth could lead to slowdown in housing demand.

**Mitigant:** India's economy is projected to grow at 6.6% in FY25 and is expected to be the fastest growing major economy in FY26 as well. The IT sector has demonstrated renewed hiring activity, following a downturn over the last few years and GCCs continue to be the leaders in incremental office space leasing. With anticipated reduction in interest rates and the tax rebates announced by the Government, effective from FY26, we anticipate a strengthening of demand in the affordable and mid-income housing segments over the coming year. We maintain a close watch on evolving economic and industry trends and possess the agility to adjust our product offerings, as well as the timing and scale of our project launches, to effectively respond to these dynamic market conditions. This approach will enable us to mitigate the impact of any economic slowdown to a significant extent.

#### **Capital Market Risk**

**Risk:** With the rising global uncertainty around geopolitics as well as trade tensions, Indian markets led by global markets have corrected thus limiting the pace of wealth creation. Mumbai being the financial capital of the country, also has a large exposure to capital market linked high paying jobs which may slow down or even shrink. This could dampen housing demand especially in the premium and luxury housing.

Mitigant: Housing demand in India is primarily driven by genuine end-user needs. A significant portion of the existing housing stock is outdated and inadequate, even for affluent households seeking premium and luxury housing. Furthermore, the housing sector, particularly the mid-income segment, is supported by two favorable factors: income tax rebates resulting from the rationalization of income tax slabs and the anticipated reduction in mortgage rates due to ongoing policy rate reductions by the RBI. These factors have the potential to significantly revitalize

growth in the mid-income housing segment, which has been adversely affected by high mortgage rates and high inflation over the past three years.

#### **INTERNAL CONTROL SYSTEM**

The Company has a robust internal financial control system, commensurate with the size, scale and complexity of its operations. This system encompasses adequate controls, procedures and policies designed to ensure the orderly and efficient conduct of business, adherence to established policies, the safeguarding of company assets and the establishment of a reasonable framework for the prevention and detection of fraud and errors, as well as the accuracy and completeness of accounting Appropriate framework is in place to ensure effective internal controls over financial reporting, thereby enhancing the integrity of the Company's financial statements. The design of key processes and various policies is subject to periodic review to ensure the ongoing adequacy of controls.

The annual internal audit plan is reviewed and approved by the Audit Committee at the commencement of each financial year. The Audit Committee is responsible for overseeing the scope and coverage of the Internal Audit plan and evaluating the overall audit findings.

#### **HUMAN RESOURCES**

Your Company is always committed to the *health and safety* of its employees.

We are committed to developing and further enhancing the skills of our workforce and to providing them with a safe, inclusive, caring and unbiased work environment. Our workplace culture fosters creativity, agility, innovation and meritocracy. We uphold and

are committed to respecting the human rights of all our stakeholders. Your Company provides a clean and hygienic and conducive work environment to all employees. Mental wellness is a positive state of mental health. It ensures that individuals think, feel and act in ways that will create positive impact on their personal and professional life. Your company aims at optimizing mental health. Your Company aims at gender diversity. Women are given equal opportunities.

#### OUTLOOK

Your Company anticipates FY 2024–25 to deliver strong operational momentum, backed by infrastructure expansion, stable mortgage rates, and favorable regulatory environment. The firm projects sustained growth in residential demand owing to hybrid work trends and customer-centric project design

MNL's solid financial standing, coupled with its reputation for exemplary execution, positions it favorably to capitalize on the prevailing cyclical upturn. We stands at a compelling inflection point: strong FY 25 performance, strategic corporate restructuring, and improving capital access position it favorably to capitalize on Mumbai's redevelopment wave. We anticipate continued strong sales and operational performance in FY2024-25, driven by our promising project pipeline, robust balance sheet, and proven expertise in execution.

Strategic corporate action in June–July 2025 includes approval to migrate from BSE SME to BSE and NSE Main Boards, accompanied by a merger with its wholly-owned subsidiary. This move is expected to improve liquidity, broaden institutional access, and simplify operations.

#### **KEY FINANCIAL RATIOS**

#### INDEPENDENT AUDITOR'S REPORT

### TO MEMBERS OF MODI'S NAVNIRMAN LIMITED

#### **Report on the Financial Statements**

#### **Opinion**

We have audited the accompanying standalone financial statements of **Modi's Navnirman Limited** which comprise the Balance Sheet as at **31**<sup>st</sup> **March**, **2025**, and the Statement of Profit and Loss (Including Other Comprehensive Income) and Cash Flow Statement and the statement of Changes in Equity for the period ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view inconformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and Loss account and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

#### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
  Companies Act, 2013, we are also responsible for expressing our opinion on whether the
  company has adequate internal financial controls system in place and the operating
  effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating

the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT OF MODI'S NAVNIRMAN LIMITED FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Modi's Navnirman Limited** ('the Company') as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the AS financial statements of the Company for the year ended on that date.

#### **Opinion**

We have audited the internal financial control with reference to financial statement of Modi's Navnirman Limited ("The Company") as of 31st March 2025 in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## AUDIT REPORT TO MEMBERS OF MODI'S NAVNIRMAN LIMITED

#### Report on the Consolidated Financial Statements

#### **Opinion**

We have audited the accompanying Consolidated Financial Statements of **Modi's Navnirman Limited** (hereinafter referred to as "the Holding Company"), and its subsidiary Shree Modi's Navnirman Private Limited (Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at **31**<sup>st</sup> **March**, **2025**, and the Consolidated Statement of Profit and Loss (Including Other Comprehensive Income) and Consolidated Cash Flow Statement and the Consolidated statement of Changes in Equity for the period ended, and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view inconformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

## Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

#### Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a

reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- **1.** As required under provisions of section 143(3) of the Companies Act, 2013, we report that:
  - a. We have obtained all the information and explanations which to the best of our knowledge and belief where necessary for the purposes of our audit;
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d. In our opinion, the aforesaid consolidated financial statements comply with the AS specified under Section 133 of the Act.
  - e. On the basis of written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the

directors is disqualified as on March 31, 2025, from being appointed as a director in terms of section 164(2) of the Act.

  - (d) The management has;
    - (i) represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
      - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
      - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

• directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or

• provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (ii) and (d) (iii) contain any material mis-statement

(i) and (d) (ii) contain any material mis-statement.

(e) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123, as applicable.

(b) In our opinion, according to the information and explanations given to us, the Company has not declared and paid any interim dividend during the year.

(c) The Board of Director of the Company have proposed final dividend for the year, which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act, as applicable.

# ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENT OF MODI'S NAVNIRMAN LIMITED FOR THE YEAR ENDED 31ST MARCH 2025

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **Modi's Navnirman Limited** ('the Company') as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the AS Consolidated Financial Statements of the Company for the period ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

# MODI'S NAVNIRMAN LIMITED CIN: U45203MH2022PLC377939 FOR THE YEAR ENDED 31st MARCH 2025 NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

#### 1. Basis of Preparation

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

#### **Principle of Consolidation**

The Consolidated Financial Statements of the Company and its Subsidiary have been combined on a line-by-line basis by adding together the balances of like items of assets, liabilities, income and expenditure after fully eliminating the intra-group balances and intra-group transactions resulting in unrealized profit or loss. Unrealised losses resulting from intra-group transactions have also been eliminated except to the extent that recoverable value of related assets is

lower than their cost to the Group. The amounts shown in respect of reserves comprise of the share of the Company in post-acquisition increase in the relevant reserves of the Group entities.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

#### 2.1 Significant accounting policies:

#### a. AS - 1 Disclosure of accounting policies : -

The accounts of the company are prepared under the historical cost convention using the accrual method of accounting in accordance with the generally accepted accounting principles in India.

The preparation of financial statements, in conformity with Generally Accepted Accounting Principles, requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as at the date of financial statement and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

#### b. AS - 2 Valuation of Inventory : -

Traded goods : At Lower of Cost or Net Realizable Value

### c. AS - 4 Contingencies and Events Occurring After the Balance Sheet Date: -

Effects of, events occurred after Balance Sheet date and having material effect on financial statements are reflected in the accounts at appropriate places.

### d. AS - 5 Net Profit or loss for the period, prior period items and changes in accounting policies : -

Material items of prior period, non-recurring and extra ordinary items are shown separately, If any.

#### e. AS - 6 Depreciation accounting: -

Depreciation has been provided under Written down Value Method as per the useful life prescribed under schedule II of the Companies Act, 2013 on single shift and Pro Rata Basis to result in a more appropriate preparation or presentation of the financial statements.

In respect of assets added/sold during the year, pro-rata depreciation has been provided at the rates prescribed under Schedule II.

#### f. AS - 9 Revenue Recognition :-

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Other items of Income are accounted as and when the right to receive arises.

#### g. AS - 10 Accounting for Property, Plant and Equipment :-

All items of Plant, Property and Equipment are initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses. All items are depreciated as per written down value method as prescribe under the Income Tax Act, 1961.

The cost of an item of property, plant and equipment initially recognized includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Cost also includes borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset.

#### h. AS - 11 Accounting for effects of changes in foreign exchange rates :-

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transactions.

Any income or expenses on account of exchange difference either on settlement or on Balance sheet Valuation is recognized in the profit and loss account except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

#### i. AS - 15 Employees Retirement Benefit Plan :-

Provident fund is a defined contribution scheme as the company pays fixed contribution at pre-determined rates. The obligation of the company is limited to such fixed contribution. The contributions are charged to Profit & Loss A/c.

#### j. AS - 16 Borrowing Cost:-

Borrowing costs directly attributable to the acquisition of qualifying assets are capitalized till the same is ready for its intended use. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing cost is charged to revenue.

# MODI'S NAVNIRMAN LIMITED CIN: U45203MH2022PLC377939 FOR THE YEAR ENDED 31st MARCH 2025 NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

#### k. AS - 18 Related Party Disclosure :-

The Disclosures of Transaction with the related parties as defined in the related parties as defined in the Accounting Standard are given in notes to account.

#### I. AS - 19 Accounting for Leases :-

The Company has not entered into any lease agreements during the year.

#### m. AS - 20 Earnings Per Share :-

Disclosure is made in the Notes of accounts as per the requirements of the standard

#### n. AS – 22 Accounting for Taxes on Income :-

#### **Current Tax:-**

Provision for current tax is made after taken into consideration benefits admissible under the provisions of the Income Tax Act, 1961.

#### **Deferred Taxes:-**

Deferred Income Tax is provided using the liability method on all temporary difference at the balance sheet date between the tax basis of assets and liabilities and their carrying amount for financial reporting purposes.

- 1. Deferred Tax Assets are recognized for all deductible temporary differences to the extent that it is probable that taxable profit will be available in the future against which this item can be utilized.
- 2. Deferred Tax Assets and liabilities are measured at the tax rates that are expected to apply to the period when the assets is realized or the liability is settled, based on tax rates ( and the tax) that have been enacted or enacted subsequent to the balance sheet date.

#### o. AS - 24 Discontinuing Operations :-

During the year the company has not discontinued any of its operations.

#### p. AS - 29 Provisions Contingent liabilities and contingent assets :-

- 1. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
- 2. Contingent Liabilities are not recognized but are disclosed in the notes.
- 3. Contingent Assets are neither recognized nor disclosed in the financial statements.
- 4. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet Date.
