NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED

SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

- 24. PROCESS FOR THOSE SHAREHOLDERS WHOSE EMAIL / MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/ DEPOSITORIES:
 - For Physical shareholders please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (selfattested scanned copy of Aadhar Card) by email to secncfs@ owmnahar.com or rta@alankit.com.
 - 2. For Demat shareholders please update your email id & mobile no. with your respective Depository Participant (DP).
 - For Individual Demat shareholders Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.
- 25. INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVMAREAS UNDER:
 - Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
 - Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
 - (i) The voting period begins on 21st August, 2022 (9:00 a.m.) and ends on 23rd August, 2022 (5:00 p.m.). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 17th August, 2022, may

- cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The members who have voted through remote e-voting will be eligible to attend the AGM but they will not be entitled to vote at the AGM.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1**: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/ CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following statement sets out all material facts

Annual Report 2021-2022

relating to the Special Business mentioned under Item No. 5 to Item No. 11 of the accompanying Notice:

ITEM NO.5

Information pursuant to Regulation 36(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:

The shareholders in their Meeting held on 26th September, 2017 approved the appointment of M/s. YAPL & Co., Chartered Accountants, Ludhiana (Firm Registration No. 017800N), as Statutory Auditors of the Company to hold office for a term of five consecutive years commencing from Company's financial year 2017-18 to hold office from the conclusion of 12th Annual general Meeting till the conclusion of 17th Annual General Meeting of the Company to be held in the year 2022. Thus, term of YAPL & Co., Chartered Accountants as Statutory Auditors of the Company will complete on the conclusion of ensuing Annual General Meeting of the Company.

The Board of Directors at their meeting held on July 23, 2022, based on recommendations of the Audit Committee, have approved the appointment of M/s. Gupta Vigg & Co., Chartered Accountants, as the Statutory Auditors of the Company for a term of 5 (five) consecutive years i.e. from the conclusion of this AGM till the conclusion of 22nd AGM to be held in the year 2027. The appointment is subject to approval of the shareholders of the Company.

Before recommending the appointment of M/s. Gupta Vigg & Co., Chartered Accountants, as the Statutory Auditors of the Company, the Audit Committee considered various parameters like capability to serve the Company, audit experience in the Company's operating segments, market standing of the firm, clientele served, technical knowledge etc., and found M/s. Gupta Vigg & Co., Chartered Accountants, to be suitable to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company. The Statutory Auditors fulfil the eligibility criteria, including relating to independence and conflict, as specified by the Reserve Bank of India.

M/s. Gupta Vigg & Co., is a Chartered Accountant Firm registered with Institute of Chartered Accountants of India with Firm Registration No. 001393N. The firm was established in the year 1970 and is led by six partners. The firm provides a range of services which include audit & assurance, taxation, advisory & accounting. The firm has significant experience in providing auditing, taxation and advisory services to banks and other financial services clients.

In accordance with the provisions of Sections 139, 141

and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") read with the Companies (Audit and Auditors) Rules, 2014 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), M/s. Gupta Vigg & Co., Chartered Accountants, have provided their consent and eligibility certificate to that effect, their appointment, if made, would be in compliance with the applicable laws.

The remuneration to be paid to Statutory Auditors during the term shall be as mutually agreed between the Board of Directors and Statutory Auditors, from time to time. There is no material change in the fee payable to M/s. Gupta Vigg & Co., from that paid to the outgoing Auditors i.e. M/s. YAPL & Co.

None of the other Directors or Key Managerial Personnel of the Company or their relatives, in any way, may be deemed to be concerned or interested, financially or otherwise, in the Resolution.

The Board recommends the Ordinary Resolution set out at Item No. 5 of the Notice for approval of the Members.

ITEM NO.6

The Shareholders at their Meeting held on 29th September, 2021 by way of Special Resolution approved the re-appointment and payment of remuneration to Mr. Dinesh Oswal as Managing Director of the Company (DIN: 00607290) for a period of five years w.e.f. 1st January, 2022. Regulation 17(6)(e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') provides that the fees or compensation payable to executive directors who are promoters or members of the promoter group, shall be subject to the approval of the shareholders by special resolution in general meeting, if- the annual remuneration payable to such executive director exceeds Rs. 5 Crores or 2.5 per cent of the net profits (calculated as per Section 198 of the Companies Act, 2013) of the listed entity, whichever is higher. Further, Regulation 23 of the Listing Regulations, effective 1st April, 2022, provides that entering into material related party transactions which, either individually or taken together with previous transaction(s) during a financial year, exceed Rs. 1,000 crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements, whichever is lower, requires approval of the Members of the Company.

Mr. Dinesh Oswal who is a Managing Director of the Company belongs to the Promoter/Promoter Group of the Company. Accordingly, the Board, on the recommendation of Nomination and Remuneration Committee and Audit Committee, has sought approval of the members by way of Special Resolution for

Annual Report 2021-2022

payment of remuneration to Mr. Dinesh Oswal, Managing Director of the Company, being a promoter of the Company, even if the aggregate annual remuneration payable to him may exceeds the limit as provided under Regulation 17(6)(e) and materiality threshold as stated under Regulation 23 of Listing Regulations, during his present term i.e. from 1st January, 2022 to 31st December, 2026.

The Board recommends the Special Resolution set out at Item No. 6 of the Notice for your approval.

Mr. Dinesh Oswal may be deemed to be concerned or interested in the aforesaid resolution. Further, Mr. Jawahar Lal Oswal (Chairman), Mr. Kamal Oswal (Director) and Mrs. Ritu Oswal (CSR Advisor), being relatives of Mr. Dinesh Oswal may be deemed to be concerned or interested in the said resolution. None of the other Directors and Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

FINANCIAL PERFORMANCE REVIEW AND STATE OF AFFAIRS

We would like to inform you that as per Ind-AS 108 'Operating Segments', Company's activities can be classified under two segments namely; Investment/Financial Activities and Real Estate Segment. The Company has made reporting of both the segments i.e. Investment/Financial Activities and Real

Estate Activities in the financial statements for the year ended 31st March, 2022.

Before reviewing overall performance of the company, we would like to brief you regarding the working performance of each segment, which is as under:-

INVESTMENT/FINANCIAL SEGMENT

The Company's primary business activities are 'Investment/Financial Activities' comprising of Long Term Investments, Strategic Investments and Short Term/Trading Investments. Besides, the Company's business activities also include lending activities which is primarily to Group Companies and Affiliates. The Company makes investments in equity and debt securities, both in Primary and Secondary Market directly as well as through Mutual Funds and Portfolio Management Services, Alternative Investment Funds etc. During the year under review, the Company achieved net revenue of Rs. 4660.98 Lakhs and earned a Profit (before tax and finance cost) of Rs. 4296.53 Lakhs from investment/financial activities.

REAL ESTATE SEGMENT

We would like to inform you that the real estate segment achieved net revenue of Rs. 327.53 Lakhs and earned a Profit (before tax and interest cost) of Rs. 204.37 Lakhs during the year under review.

OVERALL PERFORMANCE

Your Company performed reasonably well during the FY 2021-22 due to management's balanced approach towards portfolio management and its continuous review and timely actions has enabled it to get early warning signals and to make appropriate investment decisions from time to time. However, Company's performance of current year ended 31.03.2022 is not comparable with the corresponding year ended 31.03.2021 as the performance of the previous year were impacted on account of Covid-19 pandemic. We would brief you regarding the financial performance of the Company on standalone as well as consolidated basis, which is as under:-

STANDALONE FINANCIAL PERFORMANCE

On standalone basis, the Company earned operating/other income of Rs. 4988.51 Lakhs in the current year as against Rs. 4759.52 Lakhs in the previous year. It earned a profit before tax of Rs. 4096.75 Lakhs as against Rs. 4109.55 Lakhs in the previous year. After providing for tax expenses of Rs. 1054.00 Lakhs (including deferred tax charge), it earned a net profit of Rs. 3042.75 Lakhs for the year ended 31.03.2022 as compared to Rs. 2966.90 Lakhs in the previous year ended 31.03.2021. Other Comprehensive Income (OCI) also increased substantially due to recovery in capital markets and optimal portfolio selection by the Company.

CONSOLIDATED FINANCIAL PERFORMANCE

Pursuant to the requirements of Section 129(3) of the

Annual Report 2021-2022

Companies Act, 2013, the Company has consolidated the Financial Statements for the year ended 31st March, 2022 in respect of its Associate Companies namely; M/s. Nahar Spinning Mills Ltd. and M/s. Nahar Poly Films Ltd. On consolidated basis, the Company earned operating/ other income of Rs. 4316.50 Lakhs during the year under review as against Rs. 4638.64 Lakhs in the previous year. It earned a profit (including profit of Associates) before tax of Rs. 30552.47 Lakhs as against Rs. 8369.99 Lakhs in the previous year. After providing for tax expenses of Rs. 7906.02 Lakhs (including deferred tax charge), it earned a net profit of Rs. 22646.45 Lakhs for the year ended 31.03.2022 as against Rs. 6097.14 Lakhs in the previous year ended 31.03.2021.

COVID-19 PANDEMIC

The first guarter of FY 2021-22 coincided with the second wave of COVID-19 in India, which was more severe than the first wave. Having said that, the relative downside to the economy was lower than during the first wave as the Government did not go in for a complete lockdown of the economy. Restrictions to economic activity were more localised and selective. Government's efforts to vaccinate its citizens in a big way have resulted in reduction in the COVID cases. Economic momentum was seen to improve over the various quarters of FY 2021-22 and thus the economy progressively recovered from the blow of the COVID-19 pandemic. Your Company also arranged vaccination camps at the office so that each and every employee can get vaccinated and the Company can operate its business after taking care of the safety and the wellbeing of its employees.

As you are aware that your Company is mainly doing Investment business with long term perspective and hence the impact of temporary volatility in the financial markets was insignificant. The Company performed reasonably well due to balanced and appropriate investment decisions. The Company has made assessment of its liquidity position and the recoverability and carrying value of its assets. The Company has considered internal and external sources of information for making said assessment. On the basis of said assessment, the Company expects to recover the carrying amount of these assets and no material adjustments are required in the financial statements. Given the uncertainties associated with nature, condition and duration of COVID-19, the Company will closely monitor any material changes arising out of the future economic conditions and its impact on the business of the company.

TRANSFER TO RESERVE

The Company has transferred an amount of Rs. 100 Crores to the General Reserve during the year under review and thus Company's General Reserve stands increased to Rs. 533.21 Crores as on 31st March, 2022.

DIVIDEND AND DIVIDEND DISTRIBUTION POLICY

Based on the Company's performance in the first half of the year, the Board of Directors in their Meeting held on 9th November, 2021 approved payment of interim dividend for the financial year 2021-22 of Rs. 1.50/- (i.e. 30%) per equity share of Rs. 5/- each. The interim dividend was paid to eligible Members in November, 2021. The total interim dividend involved a cash outflow of Rs. 251.19 Lakhs. The interim dividend was paid to Members, subject to deduction of tax at source as per the applicable rate.

The Board, considering the Company's performance for the financial year ended 31st March, 2022, has recommended a final dividend of Rs. 1.50/- (i.e. 30%) per equity shares of Rs. 5/- each on paid up equity share capital for the year ended 31st March, 2022. The proposal is subject to the approval of shareholders at the ensuing Annual General Meeting to be held on 24th August, 2022. The total final dividend involved a cash outflow of Rs. 251.19 Lakhs. With this, the total dividend for the Financial Year 2021-22 will be Rs. 3/- per equity share (i.e. 60%). The total dividend involved a cash outflow of Rs. 502.38 Lakhs for the financial year 2021-22.

The dividend, if approved at the forthcoming Annual General Meeting, will be paid out of the profits of the Company for the year under reference to all those shareholders whose name shall appear in the Register of Members as on 12th August, 2022 or Register of Beneficial Owners, maintained by the Depositories as at the close of 12th August, 2022. Further, as per the Finance Act, 2020 dividend income is taxable in the hands of members and the Company is required to deduct tax at source (TDS) from the dividend payable to the members at the prescribed rates as per the Income TaxAct, 1961.

As per Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) 2015 as amended, a Dividend Distribution Policy setting out the parameters and circumstances that will be taken into account by the Board in determining the distribution of dividend to its shareholders and/or retaining profits earned by the Company, is available on the website of the Company at http://www.owmnahar.com/nahar_cf/pdf/Dividend_Dist ribution_Policy.pdf.

INVESTOR EDUCATION AND PROTECTION FUND

Pursuant to Section 124(5) of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, all dividends which remain unpaid/unclaimed for a period of seven years shall be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government.

CORPORATE GOVERNANCE REPORT

This Report of Corporate Governance form part of the Annual Report.

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company continues to practice the principle of good Corporate Governance. It is Company's firm belief that good CORPORATE GOVERNANCE is a key to success of business. The Company's philosophy envisages an attainment of highest level of transparency and accountability in its operations so that Company's goal of creation and maximization of wealth of the shareholders could be achieved. Moreover, Good Corporate Governance practices ensure that Company gain as well as retain the trust of Shareholders. The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (hereinafter referred to as "Listing Regulations") incorporate certain mandatory disclosure requirements which are required to be made with regard to Corporate Governance (Part C of Schedule V). Accordingly, we are pleased to report on the Corporate Governance as hereunder:-

II. BOARD OF DIRECTORS

a. Board Composition:

Your Management believe that well informed and Independent Board is necessary to ensure High Standard of Corporate Governance. The Board oversees the Management's functions and protects the long term interest of all the stakeholders. The Listing Regulations prescribes that the Board of the Company should have the optimum combination of Executive and Non-Executive Directors with at least one Women Director. Besides, where the non-executive Chairperson is promoter of the listed entity or is related to any promoter then atleast half of the Board of Directors should consist of Independent Directors.

We are pleased to inform that Company's Board is an optimal mix of Executive, Non-Executive and Independent Directors so as to maintain its Independence in Governance and Management of the Company. As on March 31, 2022, the present strength of the Board is Ten Directors. Mr. Dinesh Oswal is Managing Director of the Company and Mr. Jawahar Lal Oswal is Non-Executive Chairman and is one of the promoters of the Company. Accordingly, the Company's Board consists of five Independent Directors namely; Dr. Suresh Kumar Singla, Dr. Amrik Singh Sohi, Dr. Vijay Asdhir, Dr. Roshan Lal Behl and Dr. Manisha Gupta, a Women Independent Director. Mr. Kamal Oswal, Mr. Dinesh Gogna and Mr. S.K. Sharma are other Non-executive Directors of the Company. Thus, the Company is in compliance with all the applicable requirements of the Listing Regulations.

- The Board also periodically evaluates the need for change in its composition and size. We would like to inform you that Dr. Suresh Kumar Singla (DIN: 00403423) and Dr. Amrik Singh Sohi (DIN: 03575022), were re-appointed as Independent Directors for a second term by the Shareholders vide their Resolution dated September 26, 2017, to hold office for five consecutive years for a term upto September 25, 2022. Thus, their period of office shall expire on September 25, 2022. The Board places on record its appreciation towards valuable contribution made by Dr. Suresh Kumar Singla (DIN: 00403423) and Dr. Amrik Singh Sohi (DIN: 03575022) during their tenure as Independent Directors of the Company.
- Further, Dr. Vijay Asdhir (DIN: 006671174) and Dr. Manisha Gupta (DIN: 06910242) was appointed as Independent Directors by the Shareholders vide their Resolution dated September 26, 2017, to hold office for five consecutive years upto September 25, 2022. Thus, their period of office for first term shall expire on September 25, 2022. The Board, on the recommendation of Nomination and Remuneration Committee and report of performance evaluation, has decided to recommend their re-appointment as Independent Directors to hold office for a second term of five consecutive years i.e. upto September 25, 2027.
- > These Board on the basis of Notice received from Member under Section 160 of the Companies Act, 2013 and on the recommendation of Nomination and Remuneration Committee has proposed the appointment of Dr. Yash Paul Sachdeva (DIN: 02012337) and Dr. Rajan Dhir (DIN: 09632451) as Independent Directors of the Company to hold office for five consecutive years for a term upto August 23, 2027.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview

The Indian economy recovered in line with the recovery from the COVID19 pandemic in FY 2021-22 that had commenced in the second half of FY 2020-21, albeit interrupted by a virulent second wave of infections and a relatively milder third wave. Headline inflation spiked on repetitive supply shocks and continued lockout in some cities of China during the year, though mild reversion was also evident. Monetary and credit conditions evolved in sync with the accommodative monetary policy stance, although global spillovers towards the close of the year led to some tightening in financial conditions and heightened volatility in financial markets. India's Fiscal Deficit in FY 2021-22 is estimated at 6.9 per cent of GDP and it is estimated at 6.4 per cent in FY 2022-23. A robust recovery in tax revenues helped contain the gross fiscal deficit close to budgetary targets.

The sharp rebound and recovery of the economy is reflective of India's strong resilience. India's real Gross Domestic Product (GDP) growth in FY 2021-22 was 8.7% after contracting by 6.6% in FY 2020-21 and GDP growth is estimated at 7.2% for FY 2022-23 by Reserve Bank of India. This implies that overall economic activity has recovered past the prepandemic levels. Boost in rural consumption is expected on the back of normal monsoon, as predicted by the Indian Meteorological Department (IMD) and rebound in contact intensive services will sustain urban consumption. The capital investment holds the key to speedy and sustained economic revival and consolidation through its multiplier effect. The "Effective Capital Expenditure" is estimated at Rs. 10.68 Lakh Crore in FY 2022-23, which will be about 4.1 per cent of GDP. PM GatiShakti- National Master Plan for Multi-modal Connectivity will act as impetus for economic growth and sustainable development. The introduction of Digital Rupee by the Government of India will lead to a more efficient and cheaper currency management system. According to the IMF, India will remain the world's fastest-growing major economy from 2021 to 2024.

Industry Structure and Developments

Non-Banking Financial Companies (NBFCs) sector plays an extremely crucial role in the development of an economy's core infrastructure by providing a fillip to employment generation, wealth creation, bank credit in rural segments and to support financially weaker sections of the society and promoting financial inclusion. By offering quicker funds and credit to the Indian trade and commerce industry, these entities are enabling the nation-wide growth of large infrastructure projects. Furthermore, small businesses, start-ups, and MSMEs/SSIs are dependent on funds offered by NBFCs.

Further, NBFCs would often take a lead in innovating and customizing the financial services to fund various industries. Their role in providing assistance and quidance during emergencies cannot be ignored either. These financial companies bring muchneeded diversity to the market by diversifying the risks, increasing liquidity in the markets thereby bringing efficiency and promoting financial stability to the financial sector. To keep pace with the same, regulations have also evolved to address various accompanying risks and concerns. Accordingly, the Reserve Bank of India (RBI) vide its Circular dated October 22, 2021 introduced the scale based regulatory framework aligning it with the changing risk profile of NBFCs while addressing systemic risk issues by categorizing the NBFCs into four layers -Base Layer, Middle Layer, Upper Layer, and Top Layer w.e.f. October 01, 2022. A scale-based regulatory framework, proportionate to the systemic significance of NBFCs, will be an optimal approach where the level of regulation and supervision will be a function of the size, activity, and riskiness of NBFCs.

Presently, pursuant to RBI's regulatory framework, your Company continue to be categorized as "Systemically Important Non-deposit taking NBFCs (NBFCs-ND-SI) having asset size above Rs. 500 Crores". Your Company is mainly doing investment activities with long term perspective as well as doing trading and Lending activities. Further, the Company is also doing real estate activities for higher yields.

Opportunities and Threats

During the year 2021-22, the Indian financial markets remained vibrant amidst easy liquidity conditions,

CF

NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED

although the severe second wave of the pandemic during April-May 2021 dampened sentiments. The equity market continued to register double-digit growth in 2021-22 in sync with global peers with optimism on large scale vaccine rollouts and resurgence in economic activity. Sustained support from monetary and fiscal measures cushioned domestic equities and initial public offerings (IPOs) and follow-on public offers (FPOs) recharged investor ebullience while containing movements in bond yields. Despite a sell-off in global equities, the domestic equity market shows resistance, mainly due to continuous domestic investment flows and announcements of the extension of productionlinked incentive (PLI) scheme for various sectors by the government, setting up of the National Asset Reconstruction Company (NARCL) and relief measures for the telecom sector.

Global developments like Russian Ukraine War, Sanctions imposed on Russia by USA, highest inflation in USA and Europe, higher Bond yields in USA and increase in interest rates globally etc. are posing severe threat to financial markets. The Reserve Bank of India has also increased the policy repo rate by 40 basis points in May, 2022 followed by increase of 50 basis points in June, 2022 considering the projections of inflation to remain above the upper tolerance level of 6 per cent through the first three quarters of 2022-23 due to global growth risks and geopolitical tensions. Going forward, financial markets may face considerable uncertainty and tightening of global financial conditions. Inflation concerns amid growth worries have magnified the risks to emerging market currencies, with the risk of global spillovers. Even as near-term growth is poised for moderation as RBI estimates real growth at 7.2% for FY 2022-23, domestic growth drivers are expected to improve considerably in the longer term, supported by the government's infrastructure push.

Your Company identifies profitable investment opportunities in the capital market segment, diversify its revenue stream and scale up its operations in a prudent manner, while maintaining adequate risk management systems and profitability. Your Company foresees and is cautious of all the economic and financial threats globally as well as domestically, while making new investments and also aware of the fact that change in Government policies and rate of interest revisions will affect the valuation of investments made by Company. Your company is

more cautious in investing by way of increasing fund allocations to safer and highly rated securities, REITS, Next Generation PE and VC funds, Funds investing in Digital Disruptive Technology and also in funds having exposure to overseas markets and focus on new business/Startup Investment opportunities. In current volatile global scenario and fast changing consumer behaviours, your Company is investing in longer duration investment opportunities compatible with new technologies like Electric Vehicles (EV's), Artificial Intelligence (AI), 5-6G Networking, Cloud Computing etc. Your Company has built a strong diversified investment base and continues to mitigate any adverse impact of any uncertainty in the short term but is wellpositioned to benefit from the economic rebound expected over the next few years.

Future Outlook

The tense global geopolitical situation and the consequent elevated and volatile commodity prices impart considerable uncertainty to the domestic inflation. The negative spillovers from geopolitical tensions; elevated international commodity prices; increased supply chain disruptions; rising input costs; rising crude prices; tightening of global financial conditions; and slowdown in world economy continue to weigh on the outlook. Citing the Russia-Ukraine conflict and sanctions as well as existing COVID-19 pandemic to some extent, downside risks to growth may remain escalated and pose a significant challenge to the Indian financial and economic outlook for the short to medium run. To lead the economy on a sustained growth path, domestic consumption and investment need nurturing.

The Company will strive to do the financial business, focused on delivering consistent and superior returns to the company's shareholders and at the same time maintaining the high levels of safety. We have created an organization, keeping our aspirations and business model to keep pace with fast changing global scenarios, consumer behaviour and new technologies. Your Company has recognized its role as a corporate citizen and continuously endeavors to adopt the best practices and the highest standards of corporate governance. We look forward to the future with renewed optimism as your Company will continuously focus on its resources, strengths and strategies to achieve its vision keeping the above strategic intent in mind.

Annual Report 2021-2022

Risks and Concerns

The Company recognizes that risk is an integral and unavoidable component of business and it is committed to manage the risk in a proactive and effective manner. Being an investment company, the business of the Company is exposed to several risks viz; market risk, global risk, regulatory risk, credit risk, liquidity risk, competition risk, interest rate risk, cyber security risk etc. which can affect the returns on Company's investments and financial business in unexpected way. Currently, different and next generation investment opportunities are prevalent like REITS, VC & PE funds, nextgen opportunities etc., which are highly remunerative if we utilize expertise and experience of professional and specialized fund managers.

Considering the Company's nature of its business, it is essentially exposed to the volatility associated with capital markets. However, with the investments being well-diversified among various capital market instruments like mutual funds (both debt and equity), debentures, REITS, MLDs, VC/PE funds and equity shares, the risk is rather mitigated and managed. The Company's balanced approach to portfolio management and its continuous review has enabled it to get early warning signals because of corrective measures taken by company from time to time. The Company uses information technology extensively in its operations and hires professional advisors for ensuring effective controls besides economy. Sustained efforts to strengthen the risk framework and portfolio quality have yielded consistently better outcomes for the Company.

As part of the Risk Management framework, the Company has also constituted the Risk Management Committee comprising of three Non-Executive Directors to monitor risk tolerance limits, review and analyze risk exposure related to specific issues and provides oversight of risk across the organization. The Risk Management Committee met four times during the financial year under review. The Company is having Risk Management Policy and Fair Practice Code to strengthens the investment decisions and also for better risk management.

Internal Control Systems and Their Adequacy

The Company is maintaining an efficient and effective system of Internal Financial Control for the facilitation of speedy and accurate compilation of financial statements. The Company's internal control

system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations as well as procedures. Further, the statutory auditors of the Company have verified the systems and processes and confirmed that the internal financial controls system over financial reporting is operating effectively.

Pursuant to the provisions of Section 138 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014, the Company has also appointed M/s. Piyush Singla & Associates, Chartered Accountant as Internal Auditor of the Company to test the adequacy and effectiveness of Internal Control Systems laid down by the management and to suggest improvement in the systems. INDEPENDENT AUDITOR'S REPORT

To The Members of Nahar Capital and Financial Services Limited Report on the Audit of the Standalone Financial

Opinion

Statements

We have audited the accompanying Standalone Financial Statements of NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India(ICAI) together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our

professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Auditor's Response

Investments as on 31st March, 2022

(Refer to Note no.6 to the notes to the standalone financial statements)

This is the largest asset on the balance sheet. Our audit effort has increased in this area and in particular, there is significant focus on considering whether the underlying investments are valued appropriately.

These included investments in quoted and unquoted equity shares, mutual funds, preference shares and tax-free bonds. Investments also include investment in associate company.

The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.

Accordingly, investment was determined to be a key audit matter in our audit of standalone financial statements.

Our audit procedure included the following:

- Testing whether associated controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs.
- Assessing the availability of quoted prices in liquid markets.
- Performing our own independent price checks using external quotes for liquid positions and to identify any potential impairment.
- We also assessed whether the Company's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including annexures to the Board's Report and Management Discussion & Analysis Report,

Annual Report 2021-2022

but does not include the standalone financial statements and our auditors' report thereon. The Board's Report including annexures to the Board's Report and Management Discussion & Analysis Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Board's Report including annexures to the Board's Report and Management Discussion & Analysis Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement. whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to

liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraudor error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a

Annual Report 2021-2022

material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

 As required by Section 143(3) of the Act, based on our audit we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

 - (b) The Management has represented, that, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any

- guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under and (a) and (b) above, contain any material misstatement.
- v. As stated in Note 2.12.3 to the standalone financial statements
 - (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The interim dividend declared and paid by the Company during the year in compliance with Section 123 of the Act.
 - (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over

financial reporting of NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Annual Report 2021-2022

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These are responsibilities include the design, implementation and maintenance of adequate internal financial controls that we are operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of

the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion ,to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting

Annual Report 2021-2022

were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED of even date)

ii.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment so to cover all the assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to information and explanations given to us and based on the examination of records of the company, conveyance deed etc., we report that, the title in respect of selfconstructed buildings and title deeds of all other immovable properties, disclosed in the financial statements are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions

- (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (a) The Company does not have any physical inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
 - (b) The Company has not sanctioned working capital limits during the year, from banks on the basis of security of current assets. Hence, the clause is not applicable to the company.
- iii. The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:
 - (a) The principal business of the company is investments and financing of funds, hence reporting under clause 3(iii)(a) is not applicable to the company
 - (b) As per the information and explanations given to us and the investments made and the terms and conditions of the grant of loans, during the year are prima facie, not prejudicial to the Company's interest.
 - (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
 - (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
 - (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
 - (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the

Annual Report 2021-2022

year. Hence, reporting under clause 3(iii)(f) is not applicable.

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2022 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
 - c. Details of dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at March 31,2022 on account of dispute are given below:

Tax Act, 1961				Ludhiana

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- . (a) The Company has not defaulted in repayment of loans or other borrowings from any lender.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix) (c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associates companies.
 - (f) The Company has not raised any loans during the year on the pledge of securities held in its associate companies.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) According to information and explanation given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - (c) The management has represented us that no blower complaints has been received by the Company during the year (and up to the date of this report).
- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the

Annual Report 2021-2022

Order is not applicable.

- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Financial Statements as required by the applicable Indian accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. (a) The Company is registered under section 45-IA of the Reserve Bank of India Act, 1934.
 - (b) According to information and explanations given to us and based on the examination of records of the company, company has not conducted any Non-Banking Financial or Housing Finance activities without a valid certificate of registration (COR) from Reserve Bank of India as per Reserve Bank of India Act, 1934.
 - (c) In our opinion, Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India.
 - (d) According to information and explanations given to us, there is one core investment company within the Group (as defined in the

Core Investment Companies (Reserve Bank) Directions, 2016).

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
 - xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. Company has no unspent amount under CSR at the end of the financial year, hence reporting under clause 3(xx) (a) and (b) is not applicable to the company

Summary of significant accounting policies and other explanatory information for the year ended 31st March 2022

2. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

a) Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

The financial statements for the year ended March 31, 2022 were authorized and approved for issue by the Board of Directors on 25 May 2022.

(ii) Accounting Convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

(iii) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of the schedule III unless otherwise stated.

b) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Annual Report 2021-2022

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Depreciation on property, plant and equipment is provided on the straight-line basis as per the rates specified in Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

The Company fully depreciates the assets having individual value of Rs. 5,000 or less in the year of acquisition.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and advances paid to acquire property, plant and equipment. Assets which are not ready to intended use are also shown under capital work-in-progress.

c) Investment Property

Properties held to earn rentals or / and for capital appreciation or both but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes, are categorized as investment properties. These are measured initially at cost of acquisition, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost shall also include borrowing cost if the recognition criteria are met. Said assets are depreciated on straight line basis based on expected life span of assets which is in accordance with Schedule II of the Act. However, as per Ind AS 40, there is a requirement to disclose fair value as at the balance sheet date.

d) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Transition to Ind AS

The Company has elected to measure all its intangible assets at the previous GAAP carrying amount as its deemed cost on the date of transition of Ind AS i.e. April 1, 2017.

e) Inventories

Inventories represent Real Estate Properties held for trading and also property held for Joint Development agreement for construction of Residential cum Commercial Complex and these are measured at Fair Value in books of accounts.

f) Revenue recognition

Interest income

Interest income is recorded on accrual basis using the Effective Interest Rate (EIR) method. Additional

Annual Report 2021-2022

interest/overdue interest/penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date. Profit/Loss on Sale of investments is considered at the time of sale/redemption.

Rental income

Rental Income is accounted for on accrual basis.

Commission income

Income from business correspondent services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

g) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use sale, are capitalised. Borrowing cots consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

h) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it is recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability

Annual Report 2021-2022

on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

I) Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, if any, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other long term employee benefit obligations:

The liabilities, if any, which needs to be settled after 12 months from the end of the period in which the employees render the related services are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method.

Post-employment obligations:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined contribution plans

Contribution to Provident Fund is made in accordance with the provisions of the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and is charged to the Statement of Profit and Loss.

j) Impairment of non-financial assets

Loan assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Compensation for impairment

Compensation from third parties for items of property, plant and equipment that were impaired, lost or given up are recognised in statement of profit and loss when the compensation becomes receivable.

k) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Annual Report 2021-2022

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

I) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

m) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be
 required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

n) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Annual Report 2021-2022

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

i. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the
 effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or
 premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is
 included in interest income in the Statement of Profit and Loss.

ii. Investments in equity instruments

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

iii. Investments in mutual funds/venture capital funds/alternative investment funds (AIF) -

Investments in mutual funds, venture capital funds and AIF are measured at fair value through profit and loss (FVTPL).

iv. Investments held for trading purposes -

The Company has investments in equity instruments, mutual funds, debentures, bonds etc. which are held for trading purposes and therefore, classified as at fair value through profit or loss (FVTPL).

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Annual Report 2021-2022

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

o) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly by the executive committee ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

q) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Notes to actuarial assumptions:

- 1) The discount rate is based on the prevailing market yield of Government of India bonds as at the balance sheet date for the estimated terms of obligations.
- 2) The estimates of future salary increases considered takes into account the inflation seniority promotion and other relevant factors.

(vi) Sensitivity analysis for gratuity liability

 $Sensitivities\ due\ to\ mortality\ \&\ with drawals\ are\ not\ material\ \&\ hence\ impact\ of\ change\ due\ to\ these\ not\ calculated.$

Sensitivities as rate of increase of pensions in payment, rate of increase of pensions before retirement & life expectancy are not applicable.

The above sensitivity analysis is based on a change an assumption while holding all other assumptions constant. In practice this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defind benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous year.

B Fair values hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

The categories used are as follows:

- Level 1: Quoted prices (unadjusted) for identical instruments in an active market;
- Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data (unobservable inputs).

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables:

Financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and balances, balances other than cash and cash equivalents, loans, trade payables, short term borrowings, inter company loan and contract liability without a specific maturity.

Investments measured at amortised cost

'Investments which are carried at amortised cost represents investments in debt instruments including non covertible preference shares. The fair values of such investments are determined using rates available in the market.

44. Financial risk management

Risk Management

'The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. Annual Report 2021-2022

'In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

A) Creditrisk

'Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, investments, loan assets, trade receivables and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i)Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans and other financial assets	12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Loans	Life time expected credit loss or fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Trade receivables measured at amortized cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Annual Report 2021-2022

Loans

Credit risk related to borrower's are mitigated by considering collateral's/bank guarantees/letter of credit, from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits, insurance claim receivables and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

B. Credit risk exposure

(i) Expected credit losses for financial assets other than loans

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- '- For investments Considering the investments are in equity shares, mutual funds, and government securities, credit risk is considered low.
- '- For loans comprising security deposits paid Credit risk is considered low because the Company is in possession of the underlying asset.
- For other financial assets Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2022	Estimated gross carrying amount at default	Expected credit losses	Carrying Amount net of impairment provision
Cash and cash equivalents	129.35	-	129.35
Bank balances other than above	566.63	-	566.63
Investments	11,581.23	-	11,581.23
Security deposits	83.60	-	83.60
Other financial assets	175.52	-	175.52

As at March 31, 2021	Estimated gross carrying amount at default	Expected credit losses	Carrying Amount net of impairment provision
Cash and cash equivalents	72.87	-	72.87
Bank balances other than above	740.13	-	740.13
Investments	7,706.05	-	7,706.05
Security deposits	80.51	-	80.51
Other financial assets	246.54	-	246.54

ii) Expected credit loss for loans

'The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below: 'A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company i.e. the default in repayment is within the range of 0 to 30 days.

'If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired i.e. the default in repayment is within the range of 31 to 90 days.

'If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3' i.e. the default in repayment is more than 90 days.

'The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

'Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Annual Report 2021-2022

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

The Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors the Company's liquidity positions (also comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. The Company also takes into account liquidity of the market in which the entity operates.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

45. Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to comply with externally imposed capital requirement and maintain strong credit ratings
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

The Institute of Chartered Accountants of India has issued an Accounting Standard (AS)-28 on impairment of assets, which is mandatory for the accounting periods commencing on or after 1st April 2004. In accordance with the said standard, the company has assessed as on date of applicability of the aforesaid Standard and as well as on Balance Sheet Date, whether there are any indications (listed in paragraph 8 to 10 of the Standards) with regards to the impairment of any of the assets. Based on such assessment it has been ascertained that no potential loss is present and therefore, formal estimate of recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of accounts.

INDEPENDENT AUDITOR'S REPORT

To The Members of Nahar Capital and Financial Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of **Nahar Capital and Financial Services Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind As financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our

audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter

Auditor's Response

Investments as on 31st March, 2022

(Refer to Note no.6 to the notes to the Consolidated financial statements)

This is the largest asset on the balance sheet. Our audit effort has increased in this area and in particular, there is significant focus on considering whether the underlying investments are valued appropriately.

These included investments in quoted and unquoted equity shares, mutual funds, preference shares and tax-free bonds. Investments also include investment in associate company.

The valuation of investments is based on a range of inputs. Many of the inputs required can be obtained from readily available liquid market prices and rates. Where observable market data is not available, estimates must be developed based on the most appropriate source data and are subject to a higher level of judgement.

Accordingly, investment was determined to be a key audit matter in our audit of Consolidated financial statements.

Our audit procedure included the following:

- Testing whether associated controls in respect of the valuation process are operating properly and assessing whether the valuation process is appropriately designed and captures relevant valuation inputs.
- Assessing the availability of quoted prices in liquid markets.
- Performing our own independent price checks using external quotes for liquid positions and to identify any potential impairment.
- We also assessed whether the Company's disclosures in relation to the valuation of investments are compliant with the relevant accounting requirements.

Information Other than the Consolidated Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including annexures to the Board's Report and Management Discussion & Analysis Report, but does not include the consolidated Ind AS financial statements and our auditors' report thereon. The Board's

Annual Report 2021-2022

Report including annexures to the Board's Report and Management Discussion & Analysis Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind As financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the Board's Report including annexures to the Board's Report and Management Discussion & Analysis Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS

Annual Report 2021-2022

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant

books of account.

- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules. 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements.
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) (a) The Management has represented that, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested

Annual Report 2021-2022

(either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries:

- (b) The Management has represented, that, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries:
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under and (a) and (b) above, contain any

material misstatement.

- v) As stated in the Consolidated financial statements
 - (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
 - (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its associates included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of NAHAR CAPITAL AND FINANCIAL SERVICES LIMITED ("the Company") as of 31 March 2022 in conjunction with our audit of the consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its associate company are responsible for

establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and

Annual Report 2021-2022

efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted

accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Summary of significant accounting policies and other explanatory information for the year ended 31st March 2022

2. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below. These policies are applied consistently for all the periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to IndAS.

a) Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

The financial statements for the year ended March 31, 2022 were authorized and approved for issue by the Board of Directors on 25 May 2022.

(ii) Accounting Convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

(iii) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of the schedule III unless otherwise stated.

b) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Annual Report 2021-2022

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Depreciation on property, plant and equipment is provided on the straight-line basis as per the rates specified in Schedule II of the Companies Act, 2013.

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

The Company fully depreciates the assets having individual value of Rs. 5,000 or less in the year of acquisition.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and advances paid to acquire property, plant and equipment. Assets which are not ready to intended use are also shown under capital work-in-progress.

c) Investment Property

Properties held to earn rentals or / and for capital appreciation or both but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes, are categorized as investment properties. These are measured initially at cost of acquisition, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost shall also include borrowing cost if the recognition criteria are met. Said assets are depreciated on straight line basis based on expected life span of assets which is in accordance with Schedule II of the Act. However, as per Ind AS 40, there is a requirement to disclose fair value as at the balance sheet date.

d) Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price including any import duties and other taxes (other than those subsequently recoverable from taxation authorities), borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent measurement (amortisation method, useful lives and residual value)

Intangible assets are amortised over a period of 3 years from the date when the assets are available for use. The estimated useful life (amortisation period) of the intangible assets is arrived basis the expected pattern of consumption of economic benefits and is reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Transition to Ind AS

The Company has elected to measure all its intangible assets at the previous GAAP carrying amount as its deemed cost on the date of transition of Ind AS i.e. April 1, 2017.

e) Inventories

Inventories represent Real Estate Properties held for trading and also property held for Joint Development agreement for construction of Residential cum Commercial Complex and these are measured at Fair Value in books of accounts.

f) Revenue recognition

Interest income

Interest income is recorded on accrual basis using the Effective Interest Rate (EIR) method. Additional

Annual Report 2021-2022

interest/overdue interest/penal charges, if any, are recognised only when it is reasonable certain that the ultimate collection will be made.

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date. Profit/Loss on Sale of investments is considered at the time of sale/redemption.

Rental income

Rental Income is accounted for on accrual basis.

Commission income

Income from business correspondent services is recognised as and when the services are rendered as per agreed terms and conditions of the contract.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/collection.

g) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use sale, are capitalised. Borrowing cots consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

h) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it is recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ('MAT') credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability

Annual Report 2021-2022

on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

I) Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, if any, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other long term employee benefit obligations:

The liabilities, if any, which needs to be settled after 12 months from the end of the period in which the employees render the related services are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of reporting period using the projected unit credit method.

Post-employment obligations:

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligations at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined contribution plans

Contribution to Provident Fund is made in accordance with the provisions of the Employees Provident Fund and Miscellaneous Provisions Act, 1952 and is charged to the Statement of Profit and Loss.

j) Impairment of non-financial assets

Loan assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Compensation for impairment

Compensation from third parties for items of property, plant and equipment that were impaired, lost or given up are recognised in statement of profit and loss when the compensation becomes receivable.

k) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Annual Report 2021-2022

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

I) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

m) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

n) Financial instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Annual Report 2021-2022

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

i. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- After initial measurement, such financial assets are subsequently measured at amortised cost using the
 effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or
 premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is
 included in interest income in the Statement of Profit and Loss.

ii. Investments in equity instruments

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

iii. Investments in mutual funds/venture capital funds/alternative investment funds (AIF) -

Investments in mutual funds, venture capital funds and AIF are measured at fair value through profit and loss (FVTPL).

iv. Investments held for trading purposes -

The Company has investments in equity instruments, mutual funds, debentures, bonds etc. which are held for trading purposes and therefore, classified as at fair value through profit or loss (FVTPL).

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Annual Report 2021-2022

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

o) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly by the executive committee ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

q) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

 $Sensitivities\ due\ to\ mortality\ \&\ with drawals\ are\ not\ material\ \&\ hence\ impact\ of\ change\ due\ to\ these\ not\ calculated.$

Sensitivities as rate of increase of pensions in payment, rate of increase of pensions before retirement & life expectancy are not applicable.

The above sensitivity analysis is based on a change an assumption while holding all other assumptions constant. In practice this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defind benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to previous year.

B Fair values hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

The categories used are as follows:

- Level 1: Quoted prices (unadjusted) for identical instruments in an active market;
- Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data (unobservable inputs).

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables:

Financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such instruments include: cash and balances, balances other than cash and cash equivalents, loans, trade payables, short term borrowings, inter company loan and contract liability without a specific maturity.

Investments measured at amortised cost

'Investments which are carried at amortised cost represents investments in debt instruments including non covertible preference shares. The fair values of such investments are determined using rates available in the market.

44. Financial risk management

Risk Management

'The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company's risk are managed by a treasury department under policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Annual Report 2021-2022

'In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

A) Creditrisk

'Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, investments, loan assets, trade receivables and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i)Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans and other financial assets	12 month expected credit loss
Moderate credit risk	Loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Loans	Life time expected credit loss or fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

^{*} These represent gross carrying values of financial assets, without deduction for expected credit losses

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Trade receivables measured at amortized cost and credit risk related to these are managed by monitoring the recoverability of such amounts continuously.

Annual Report 2021-2022

Loans

Credit risk related to borrower's are mitigated by considering collateral's/bank guarantees/letter of credit, from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become one year past due.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits, insurance claim receivables and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

B. Credit risk exposure

(i) Expected credit losses for financial assets other than loans

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- '- For investments Considering the investments are in equity shares, mutual funds, and government securities, credit risk is considered low.
- '- For loans comprising security deposits paid Credit risk is considered low because the Company is in possession of the underlying asset.
- For other financial assets Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2022	Estimated gross carrying amount	Expected credit losses	Carrying Amount net of impairment

Security deposits	80.51	-	80.51
Other financial assets	246.54	-	246.54

ii) Expected credit loss for loans

'The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below: 'A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company i.e. the default in repayment is within the range of 0 to 30 days.

'If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired i.e. the default in repayment is within the range of 31 to 90 days.

'If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3' i.e. the default in repayment is more than 90 days.

'The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

'Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.
