Notes:

Convening of AGM through Video Conferencing (“VC”) or any Other Audio-Visual Means (“OAVM”)

1. In terms of General Circular No. 9/2024 dated 19th September, 2024 and other earlier circulars issued in this regard by the Ministry of Corporate Affairs (“MCA Circulars”) and in compliance with the provisions of the Companies Act, 2013 (“Act”) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulation, 2015 (“Listing Regulations”), the 39th Annual General Meeting (AGM) of the Members of the Company will be held through VC/OAVM, so that members can attend and participate in the AGM from their respective locations. The deemed venue for the 39th AGM shall be the Registered Office of the Company.

The Members are therefore requested not to visit Administrative / Registered Office to attend the AGM.

Dispatch of Notice and Annual Report through electronic means

2. In compliance with the MCA Circulars read with Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 and other earlier circulars issued in this regard by the Securities and Exchange Board of India (“SEBI Circulars”), Notice of the AGM along with the **Annual Report 2024-25** is being sent only through electronic mode to those Members whose name is recorded in the Register of Members / Register of Beneficial Owners as on **Friday, 29th August, 2025** and whose email addresses are registered with the

Company / Registrar and Share Transfer Agent ("Beetal Financial & Computer Services Private Limited" / "RTA") or with the respective Depository Participant(s) for communication purposes to the Members, unless any member has requested for a hard copy of the same.

3. The Notice can also be accessed at the Company's website at <https://www.containerway.co.in/> and at the website of the Stock Exchange BSE Limited www.bseindia.com and at the website of CDSL (agency for providing the Remote e-Voting facility) at www.evotingindia.com.
4. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
5. In terms of the MCA Circulars, physical attendance of members has been dispensed with and as such, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. Hence, **the Proxy Form and Attendance Slip are not annexed to the Notice**. However, Pursuant to Section 112 and Section 113 of the Companies Act, 2013, representatives of the President of India or the Governor of State or the Body Corporates are entitled to attend the AGM through VC/OAVM and cast their votes through e-voting.
6. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, with respect to the special business set out in the Notice is annexed hereto.

E-Voting facility and joining of AGM through VC / OAVM

7. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 39th AGM. Shareholders are requested to refer Page No. **09 to 15** for detailed procedure for e-Voting and participation in the AGM through VC/OAVM. The detailed procedure for participation in the meeting through VC/OAVM is also available at the Company's website <https://www.containerway.co.in/>
8. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited ('CDSL') for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL. In view of MCA & SEBI Circulars, printed copy of the Annual Report (including Notice) is not being sent to the Members.
9. AGM convened through VC/OAVM is in compliance with applicable provisions of the Companies Act, 2013 read with MCA & SEBI Circulars as stated above.
10. The voting period **begins on Thursday, 25th September, 2025 at 9.00 a.m. and ends on Sunday, 28th September, 2025 at 5.00 p.m.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date Monday, 22th September, 2025** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
11. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

12. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

MANAGEMENT DISCUSSION AND ANALYSIS

A. Industry structure and development:

Logistics is regarded as the backbone of the economy, providing efficient and cost-effective flow of goods on which other commercial sectors depend. Logistic industry in India is evolving rapidly, it is the interplay of infrastructure, technology and new types of service providers, which defines whether the logistic industry is able to help its customers reduce their costs in logistic sector and provide effective services. Despite of the weak economic sentiments, the logistics industry continues to witness growth due to the growth in retail, e-commerce and manufacturing sectors. The Global Logistics sector was expected to grow 9% in the period 2015-26. Logistics industry is expected to reach over USD 6 billion by 2027. The recent Indian logistics sector comprises of inbound and outbound segments of the manufacturing and service supply chains. Of late, the logistics infrastructure has gained a lot of attention both from business industry as well as policy makers. The role of managing this infrastructure, to effectively compete has been slightly under-emphasized. Inadequate logistics infrastructure has an effect of creating bottlenecks in the growth of an economy. The logistics management regimen has the capability of overcoming the disadvantages of the infrastructure in the short run while providing cutting edge competitiveness in the long term.

Purpose of Logistics Industry

The purpose of logistics industry is to enable an effective transportation or timely movement of goods from one place to another. This could be for the purpose of industrial transportation or even private purposes.

Different mediums of Logistics services

There are three mediums of logistics services in India. These can be categorized in the following way:

Air freight – This is a modern and the safest mode to ensure a fast delivery of goods. A chosen one by many because of the swiftness of the system there are many Companies that are now even providing super fast deliveries by airways even on the same day.

Land transport – This is a means of logistics support that has withstood the test of time through the extensive network of roads in India. It has been the popularly used method and used especially in the shipments of heavy articles like machinery and vehicles. This is also a chosen method in case of household packers and movers.

Railways – This is also an age-old method of shipments and transport. Though most used in case of domestic services this is very effective in the availability of cost-effective logistics support in India.

Waterways – An essential part of this industry this is also one of the oldest methods. Shipments and transportation of goods is done on an international basis through this way. It is apt in case of shipments of oil, highly sensitive or volatile articles like Uranium.

B. Outlook:

The recent Indian logistics sector comprises of inbound and outbound segments of the manufacturing and service supply chains. Of late, the logistics infrastructure has gained a lot of attention both from business industry as well as policy makers. The role of managing this infrastructure, to effectively compete has been slightly under-emphasized. Inadequate logistics infrastructure has an effect of creating bottlenecks in the growth of an economy. The logistics management regimen has the capability of overcoming the disadvantages of the infrastructure in the short run while providing cutting edge competitiveness in the long term. There exist several challenges and opportunities for logistics sector in the Indian economy.

Challenges faced by the recent logistics industry in India

The most essential challenge faced by the industry today is insufficient integration of transport networks, information technology and warehousing & distribution facilities. Regulations exist at a number of different tiers, is imposed by national, regional and local authorities. However, the regulations differ from city to city, hindering the creation of national networks.

Trained Manpower is essential both for the third-party logistics sector as well as the manufacturing and retailing sectors, which is very weak at a practical level, i.e. IT, driving and warehouse as well as at a higher strategic level. The disorganized nature of the logistics sector in India, its perception as a manpower-heavy industry and lack of adequate training institutions has led to a shortfall in skilled management and client service personnel. There is a lack of IT standard, equipment and poor systems integration.

Solutions to some of the challenges

Infrastructure is the backbone of every country's growth and prosperity and for the logistics industry to flourish special emphasis has to be on building world-class road networks, integrated rail corridors, modern cargo facilities at airports and creation of logistics parks which need to be given a status equivalent to Special Economic Zones. It is necessary to realize that the benefits which can bestly be practiced in logistics industry can be brought about by the companies by establishing training intuitions, so that there is improvement in the overall service quality of the sector. Good storage and Warehousing facilities are important for the growth of the logistics industry. With the increase in the transportation of perishable products, the logistics agencies need to give a lot of importance to enhancing the Warehousing facilities. Warehousing is required to go to the next level taking into account the changing dynamics of JIT manufacturing, global procurement and new models of sales and distribution. Emphasis on research and development is potent mainly because it encourages the use of indigenous technology which can make the industry cost competitive and can also bring about improvement in services thereby using better, effective and efficient services. Particular focus has to be on research in process excellence which can help to eliminate inefficiencies and bring Indian logistics on par with global practices.

C. Opportunities and Threats:

Opportunities:

- Increased demand of 3PL. The improving infrastructure and rising focus on core business operations will lead the future growth of the Indian 3PL.
- Infrastructural Development Investment Policies of Central & State government shall result in higher growth opportunity for transportation business.
- Expected increase in freight during 2024-25
- Successful completion of National Highways Projects shall open up new avenues and improved service quality.
- The increased fleets shall ease the operations.
- Online system will increase the efficiency and effectiveness towards decision making and accountability toward the clients which develops healthy relations with clients

Threat:

- Insufficient integration of transport networks information technology and warehousing & distribution facilities.
- Insufficient specialist equipment, i.e. proper refrigerated storage and containers.
- Competition from local and multinational players.
- Regulations exist at a number of different tiers.
- Paucity of Trained Manpower.
- Damages, accidents and theft are concern during voyage.
- Natural disturbances in form of floods, cyclones, landslides in major parts of India.
- Due to above two conditions, the claims from clients increases and inflow of revenue decreases and finally resulted into long legal litigation.

D. Segment-wise or product-wise performance:

The Company is operating in only one segment i.e. Transport/Logistic Industry. Therefore, there is no requirement of Segment wise reporting.

E. Risks and concerns:

The Indian Transport industry is a growing avenue and widely opens for new entrepreneurs. The Company takes the extensive view of business risk. The Company always keep itself changing with the changed environment of operation, technology and innovative ideas. The Company however faces the following risk:

- **Competition Risk:** This risk from more players wanting a share in the same pie. Like in most industries, opportunities bring itself with more competition. We face different levels of competition in each segment, from domestic as well as multinational players.
- **Regulatory Risk:** If we are unable to obtain required approvals and licenses in a timely manner, our business operations may be adversely affected.

F. Internal control systems and their adequacy:

The Company has in place adequate internal control system commensurate with size and nature of its business. These systems provide reasonable assurance in respect of providing financial and operational information, compliance with applicable statutes and safeguarding the assets of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of

INDUS ALUMINIUM RECYCLERS LIMITED

(Formerly known as Containerway International Limited)

CIN: L60210WB1985PLC038478

REPORT ON THE FINANCIAL STATEMENTS:

QUALIFIED OPINION

We have audited the financial statements of INDUS ALUMINIUM RECYCLERS LIMITED (Formerly known as Containerway International Limited) ("the Company") which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (Including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ("Ind AS") specified in section 133 of the Companies Act, 2013, of the state of affairs of the Company as at 31st March, 2025, and Its profit and other comprehensive income, changes in equity and cash flows for the year ended on that date.

BASIS OF QUALIFIED OPINION

1. The Non-current Loans and advances classified under Financial Assets: The company has given advances of Rs. 300.00 Lakhs in earlier years which have been classified under Non-current Loans and advances classified as Financial Assets. The company has considered these outstanding Loans and Advances as good for recovery at the value at which they have been stated in the financial results. In our opinion, the necessary provision for Loans and advances should have been made by the company. The above advances have been carried at the same amounts as at March 31, 2025 as no transactions have taken place during the period of our audit. The balance confirmation of above loans and advances have not been received by the management and hence Non-provision of such doubtful advance of Rs. 300.00 Lacs has resulted in an overstatement of profit and an overstatement of the outstanding balance of

Non- Current loans and advance and shareholder's fund by Rs. 300.00 Lacs. Our conclusion stands qualified in respect of possible impact of the above advance on the audited financial statement.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

On the basis of audit procedures carried out and discussion with the management, we determined that there are no matters which are to be classified as Key Audit Matters for current financial year.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by The Companies (Auditor's Report) Order, 2020 issued by The Central Government of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the **Annexure-A** hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.
2. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity & the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, aforesaid Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity & the Statement of Cash Flows comply with the Indian Accounting Standards prescribed under section 133 of the Act except matter specified in basis of qualified opinion;
 - e) On the basis of written representations received from the directors of the Company as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of sub-section (2) of section 164 of Act;

- f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure-B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company had the following litigations pending as at the end of the financial year which may impact its financial position on final disposal of the respective matters.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. As at 31st March, 2025, ₹0.03 Lacs is required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. Management Representation:
 - a. The Management of the Company has represented to us that to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The management of the Company has represented, that, to the best of its knowledge and belief no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that

the representations under sub-clause (i) and (ii) of Rule 11(e) Companies (Audit and Auditors) Rules, 2014 (as amended) and provided in clauses (a) and (b) above contain any material mis-statement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the period ended March 31, 2025 which has a feature of recording audit trail (edit log) facility. The company has not provided audit trail records for the entire period ended on March 31, 2025. In the absence of audit trail records, we are unable to comment whether audit trail feature of the said software was enabled and operated throughout the period for all relevant transactions in the software or whether there were any instances of the audit trail feature been tampered with. Since the company has not provided audit trail records we are unable to comment on whether audit trail has been preserved by the company as per statutory requirement of record retention or not.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT
[REFERRED TO IN PARAGRAPH 2(f) UNDER “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION
OF OUR REPORT OF EVEN DATE]
FINANCIAL YEAR ENDED 31ST MARCH 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **INDUS ALUMINIUM RECYCLERS LIMITED (Formerly known as Containerway International Limited)** (“the Company”) as of March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Emphasis of Matter

The Company needs to formally document the policies and procedure adopted for internal financial controls system over financial reporting though the same have been adopted, communicated and followed by the process owners. Our report is not qualified in this respect.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES:

I	BASIS OF PREPARATION OF FINANCIAL STATEMENTS
A.	Accounting Conventions:
	<p>The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act'2013 to the extent applicable to it.</p> <p>The Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:</p> <ul style="list-style-type: none">• Certain Financial Assets and Liabilities that are measured at Fair Value <p>The accounting policies are applied consistently to all the periods reported in the financial statements unless otherwise stated.</p>
B.	Use of Estimates:
	<p>The preparation of financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matter/transaction to</p>

	which the estimates relate.
C.	<p>Judgments:</p> <p>Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:</p> <ul style="list-style-type: none"> • Assessment of useful life of Property, plant and equipment • Assessment of useful life of Intangible assets • Provisions and contingent liabilities • Income taxes • Lease classification indicating whether an arrangement contains a lease • Inventory valuation
D.	<p>Assumptions and estimation of uncertainties:</p> <p>Information about assumptions and estimation uncertainties that have a significant impact on the financial statements are as mentioned below:</p> <ul style="list-style-type: none"> • Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources. • Impairment test of non-financial assets: key assumptions underlying recoverable amounts • Impairment of financial assets • Fair value measurement <p>Recognition of deferred tax assets: Availability of future taxable profits against which such Deferred tax assets can be adjusted.</p>
E.	<p>Property, Plant and Equipment (PPE):</p> <p>The company did not hold any Property, Plant and Equipment (PPE) at any time during the year.</p> <p>The cost of an item of property, plant and equipment is recognized as an asset if, and only if:</p> <p>(a) It is probable that future economic benefits associated with the item will flow to the entity; and</p> <p>(b) The cost of the item can be measured reliably.</p> <p>Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses.</p> <p>The Company capitalized its Property, Plant and Equipment at a value net of GST/ Other Tax Credits</p>

	<p>received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.</p> <p>Subsequent Costs</p> <p>The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item of property, plant and equipment, if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably with the carrying amount of the replaced part getting derecognized. The cost for day-to-day servicing of property, plant and equipment are recognized in Statement of Profit and Loss as and when incurred. Gains or losses arising from de-recognition of Plant Property Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.</p> <p>Depreciation & Amortization:</p> <p>Depreciation is recognized so as to write off the cost of assets less their residual values over their useful lives as prescribed under Part C of Schedule II to the Companies Act 2013, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Depreciation for assets purchased/sold during a period is proportionately charged for the period of use.</p> <p>Derecognition of Property, Plant and Equipment:</p> <p>An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and are recognized net within “other income / other expenses” in the Statement of profit and loss.</p>
--	---

F.	Inventories:
	<p>Inventories are measured at the lower of cost and net realisable value. The cost of inventories includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.</p> <p>Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.</p> <p>The company is in business of trading of Goods so it does not hold any inventory, the inventory reflecting in the financial statement are either goods in transit or the risk and reward of ownership of the goods are not transferred to the buyer of the goods.</p>
G.	Revenue Recognition:
	<p>Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, taxes and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably, regardless of when the payment is being made.</p> <p>Sale of Goods:</p> <p>The revenue from the sale of goods is recognized at transaction price when the company had transferred the property in Goods to the buyer for a price and all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.</p> <p>Interest Income:</p> <p>Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.</p>
H.	Expenses:
	All expenses are accounted on accrual basis

I.	Employee Benefits:
	1. Short Term Obligations:
	Liabilities for salaries, including other monetary and non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.
	2. Post-Employment and Other Long-Term Employee Benefits:
	Post-Employment and Other Long-Term Employee Benefits schemes are not applicable to the company.
J.	Borrowing Costs:
	<p>Borrowing costs include</p> <ul style="list-style-type: none"> (i) Interest expense calculated using the effective interest rate method, (ii) Finance charges in respect of finance leases, and (iii) Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. <p>Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.</p> <p>Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.</p> <p>All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.</p>
K.	Operating Segment:
	<p>Since the Company engages in trading operations, which by their very nature are all subject to the same risks and rewards, these activities have been combined into a single segment, the results of which are shown in the financial statements.</p> <p>So, the disclosure requirements pursuant to Ind AS-108- "Operating Segments" are not applicable.</p>

L.	Taxes On Income:
	<p data-bbox="337 243 532 268">1. Current Tax:</p> <p data-bbox="293 300 1279 325">The provision for current tax is made as per the provisions of the Income Tax Act, 1961.</p> <p data-bbox="293 357 1474 556">Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. In previous years the Company has closed its manufacturing operations and sold/disposed off land, plant & machinery and other Plant Property Equipment in earlier years and since then not resumed the manufacturing activities and there is no sound business plan made by the management to</p>

	<p>revive its business operations. Hence, in view of the management of the company there is no convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the entity.</p>
M.	<p>Impairment of Non-Financial Assets:</p> <p>The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.</p> <p>Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount</p>
N.	<p>Provisions, Contingent Liabilities and Contingent Assets</p> <p>The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the balance sheet date and are not discounted to its present value.</p> <p>Contingent liabilities is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. The company does not recognize a contingent liability but discloses its existence in the financial statements.</p> <p>When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations.</p> <p>Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.</p>

O.	Current/Non-Current Classifications:
	The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current based on the assessment made by the management of the company.
	Assets:
	<p>An asset is treated as current when it is:</p> <ul style="list-style-type: none"> • Expected to be realised or intended to be sold or consumed in normal operating cycle • Held primarily for the purpose of trading • Expected to be realised within twelve months after the reporting period • Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. <p>All other assets are classified as non-current.</p>
	Liabilities:
	<p>A liability is treated as current when it is:</p> <ul style="list-style-type: none"> • Expected to be settled in normal operating cycle • Held primarily for the purpose of trading • Due to be settled within twelve months after the reporting period • No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. <p>All other liabilities are classified as non-current.</p>
P.	Financial Instruments, Financial Assets, Financial liabilities and Equity Instruments
	<p>The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.</p> <p>A. Financial Assets:</p> <p>Initial Recognition:</p> <p>Financial Assets include Investments, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes</p>

party to contractual obligations. The transaction price includes transaction costs unless the asset is being value at fair value through the Statement of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. Financial Assets at Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.
- iii. Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI): A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Security Deposits, Loans and Advances, Cash and Cash Equivalents where reliable data for fair value is not available then such eligible current and non-current assets are classified for measurement at amortized cost.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Plant Property Equipment) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed. For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

The company recognises impairment loss on trade receivables using expected credit loss model.

B. Financial Liabilities:

Financial liabilities, which include trade payables and eligible current and non-current liabilities. The trade payables and other financial liabilities are recognised at the value of the respective contractual obligations. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

Initial Recognition:

Financial Liabilities are initially recognized at fair value plus any transaction costs, (if any) which are attributable to acquisition of the financial liabilities.

	<p>Subsequent measurement</p> <p>Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>Derecognition of Financial Instruments</p> <p>The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.</p> <p>Offsetting</p> <p>Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.</p>
Q.	<p>Fair Value Measurement:</p> <p>The Company measures financial instruments, such as investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.</p> <p>The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> • In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. • The principal or the most advantageous market must be accessible by the Company. <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market</p>

	<p>participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.</p> <p>Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p> <p>For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.</p>
R.	<p>Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:</p> <p>Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.</p>
S.	<p>Operating Cycle:</p> <p>Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of</p>

	classification of its liabilities and assets as current and non-current.
T.	<p>Events Subsequent to Financial Statements Period:</p> <p>Events after the reporting period are those events, both favourable and unfavourable that have occurred between the end of the reported financial statements year and the date when financial statements are approved for issue by the Board of Directors of the company.</p> <p>Events after the reporting period can be identified as those that provide evidence of conditions that existed as at the end of the financial year i.e. adjusting events after the financial year end and those are indicative of conditions that arose after the financial year end i.e. non-adjusting events after the financial year end.</p> <p>The company adjusts the amounts of assets, liabilities, incomes and expenses recognised in the financial statements of the reporting period to reflect the effects of adjusting events to the respective assets, liabilities, incomes and expenses of the reporting period.</p> <p>The non-adjusting events are not recognised in the financial statement of the reporting period but the nature of event and an estimate of its financial effect are disclosed in the notes of accounts.</p>
U.	<p>Earnings Per Share:</p> <p>The Company presents basic and diluted earnings per share details for its ordinary shares. Basic earning per share is calculated by dividing the total comprehensive income after tax for the year attributable to the ordinary shareholders of the company by weighted number of ordinary shares outstanding for applicable period during the year.</p> <p>Diluted earning per share is calculated considering the effect of dilution if any to ordinary share during the year.</p>

D. Financial Instruments and Related Disclosures:

Financial instruments by category and fair value:

The below table summarizes the judgements and estimates made in determining the fair values of the financial instruments that are

(a) recognised and measured at fair value and

(b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

	<p>The fair value of trade receivables, cash and cash equivalents, other bank balances, current borrowings, trade payables and other current financial liabilities approximate their carrying amounts, due to their short-term nature.</p> <p>The company has not disclosed the fair values of non-current borrowings and non-current loans because their carrying amounts are a reasonable approximation of fair values</p> <p>Financial Risk Management:</p> <p>The company activities are exposed various financial risks: credit risk, liquidity risk and other price risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.</p> <p>I. Credit Risk:</p> <p>Loans & Advances:</p> <p>Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from inter corporate deposits. Inter corporate deposits are unsecured and are subject to counterparty default regarding repayment of deposits. Financial assets are written off when there are no reasonable expectations of recovery. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than one year past due Where loans or receivables have been written off, the Company continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.</p> <p>Other Financial Assets:</p> <p>Credit risk relating to cash and cash equivalents and interest accrued on bank deposits, is considered negligible since the counterparties are banks which are majorly owned by Government of India and are have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.</p> <p>The Company considers all other financial assets as at the balance sheet dates to be of good credit quality.</p>			

II. Liquidity Risk:

The company's principal sources of liquidity are from, Cash and Cash Equivalents. The Short-term liquidity requirements consist mainly of Expense Payables, Employee Dues, Servicing of Interest on Short Term Borrowings and other payments arising during the normal course of business.
