Pillars of growth...

The Company has embarked upon its journey of Growth by overhauling the Brand architecture and is moving towards the milestone of overhauling the distribution network through digitization and breaking the years old practice of push sales.

Evolution of the brand

1972

Mr. Din Dayal Gupta, the founding Chairman, started Dollar in a busy corner of Kolkata

1990

The original logo underwent changes to address the demands of an open market economy

2005

Dollar hit the airwaves with actor Salman Khan and the identity became an instant hit

2010

Actor Akshay kumar came on board as brand ambassador. The revamped identity was truly Fit Hai Boss!

2020

The mnemonic D stands for Dollar, for Dynamism and for the Determination to be a part of every millennial Indian closet

Restructuring Distribution

What we are implementing

- Replacing push model sales by Replenishment model working through theory of constraints.
- Assuring and increasing the ROI of the distributors working under project Lakshya.
- Encouraging the retailers loyalty to the brand through loyalty based program.
- Transaction orders encouraged through tele calling services & retail servicing by the sales officers in field.
- Real time visibility of sales made by the distributors and inventory held by them.

How are we implementing

- Mapping the potential retail universe in the area allocated to the distributors
- Enrolling the retailer in the project Lakshya explaining then the benefit of pregame.
- Supplies made to the distributors on Replenishment model.

Currently Project Lakshya is being implemented in Karnataka, Rajasthan, Maharashtra, Gujarat, Telangana. Plans to start the activities (mapping / rollouts) in all state in the next fiscal.

Outcome

- Increased market penetration.
- Increase in secondary sales.
- Increase in No of SKU's held at each distributor level.
- Faster recovery of dues at retail level.
- Increase of primary sales at company level.
