YEARS STRONGER

Dollar Industries Limited
INVESTOR PRESENTATION Q4FY2023

The Warp And Weft Of Memories And Learnings

Over a glittering function attended by the city glitterati, the Biography of Shri Din Dayal Gupta, Chairman Emeritus, Dollar Industries Limited, was launched amidst much fanfare. The book was launched by Shri Acharya Devrat, Hon'ble Governor of Gujarat

'A Million Dollar Smile' chronicles the journey of a young man with dreams in his eyes and a strong conviction in his beliefs who came to the city of joy from a small town of Manheru in Haryana way back in 1962 and started his hosiery business. Over 50 years, Dollar Industries under his leadership has created innumerable benchmarks in its field and graduated from being a hosiery to an apparel brand of international repute with their fibre to fashion methodology.

“From a dream to the reality of creating a market-responsive, multi-brand company that continues to retain its leading position in its category, my life has largely evolved around Dollar Industries. However, there are other facets to it - the struggle, the learning lessons, the presence of human pillars who ensured that I don't crumble and fall on the way. This book touches upon all of it. At my age, I hope it will not only make for an interesting read but also serve as a reminder about how flexibility and openness to change is important as we carry on in life”

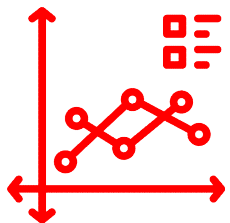

Mr. Dindayal Gupta
