Notes:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT AGM MAY APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY.**

The instrument of proxy (ies), in order to be valid and effective, must be delivered at the Registered Office of the Company not later than 48 hours before the commencement of AGM. Proxy Form forms part of this Annual Report. Proxy (ies) on behalf of the company (ies)/society etc., must be supported by an appropriate resolution/authority, as applicable.

A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total paid-up share capital of the Company. Members holding more than ten percent of the total share capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other member.

2. An Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 in respect of Special Businesses as set out above to be transacted at 69th Annual General Meeting ("AGM") is annexed hereto and forms part of this Notice.
3. The Register of Members and Share Transfer Books of the Company shall remain closed during the Book Closure period i.e. from Saturday, 22nd September, 2018 to Friday, 28th September, 2018 (both days inclusive).
4. If dividend on equity shares as recommended by the Board of Directors of the Company is approved at the AGM, the payment of such dividend will be made on or after 02nd October, 2018 but before completion of 30 days from the date of declaration as under:
 - a) To all beneficial owners in respect of shares held in electronic form as per details furnished by the depositories for this purpose as at the end of business hours on Friday, 21st September, 2018; and
 - b) To all members in respect of shares held in physical form, after giving effect to valid share transfer lodged with the Company on or before Friday, 21st September, 2018.
5. Members are requested to bring their attendance slip along with Annual Report to the AGM.
6. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote at AGM.
7. Individual shareholders holding shares in the Company, singly or jointly, may nominate an individual to whom all the rights in the shares in the Company shall vest in the event of death of the sole / all joint shareholders.
8. Members desiring any information as regards to the financial statements / accounts are requested to write to the Company at an early date so as to enable the management to keep the information ready at the AGM.
9. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS), nominations, power of attorney, change of address, change of name and e-mail address, etc., to their respective Depository Participant only. Members holding shares in physical form are requested to intimate such changes to the Company/MAS Services Limited i.e. Registrar and Share Transfer Agent.
10. The Members holding shares in the same name or same order of names under different folios are requested to send the share certificates for consolidation of such shares to the Company or MAS Services Limited i.e. Registrar and Share Transfer Agent.
11. Pursuant to the provisions of Section 124 and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended to date, unclaimed dividend for the Financial Year ended 31st March, 2011 had been transferred into the Investor Education and Protection Fund established by the Central Government ("IEPF"). Moreover, shares against which dividends were unclaimed from past 7 consecutive years had also been transferred into the demat account of IEPF Suspense Account.
 The members / claimants whose shares and / or unclaimed dividend(s) amount had been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF-5 (available on www.iepf.gov.in) along with requisite fee as decided by it from time to time. The member / claimant can file only one consolidated claim in a financial year as per IEPF Rules.
 Members should write to Company if their dividend warrants for the Financial Year ended on 31st March, 2012, or any subsequent financial year(s), have not been en-cashed.
12. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with respective rules made thereunder, the companies can serve annual reports and other communications through electronic mode to those members who have registered their e-mail addresses either with the Company or with the depository. Members who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communication including annual report, notices, circulars, etc. from the Company electronically. Members of the Company, who have registered their e-mail addresses, are also entitled to receive such communication in physical form upon request.

13. Members may also note that the Notice of 69th Annual General Meeting and the Annual Report for the Financial Year 2017-18 are also available on the Company's website i.e. www.jmaindia.com. The physical copy of the aforesaid documents will also be available at the registered office of the Company for inspection during business hours on all working days (Except Saturday and Sunday).
14. Pursuant to Section 108 of the Companies Act, 2013 (hereinafter referred to as "the Act"), read with the relevant Rules of the Act, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on Friday, 21st September, 2018, i.e. the date prior to the commencement of book closure date are entitled to vote on the resolutions set forth in this Notice. [Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
Members
Jullundur Motor Agency (Delhi) Limited
458-1/16, Sohna Road, Opposite New Court,
Gurugram (Gurgaon)- 122 001, Haryana

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Jullundur Motor Agency (Delhi) Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year started from April 1, 2017 ended on 31st March, 2018 ("audit period") complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (v) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 with which the Company has generally complied with.

I report that, during the year under review, the Company has generally complied with the provisions of the Act, rules, regulations and guidelines mentioned.

I further report that, there were no actions / events in pursuance of:

- (a) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- (c) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

Not requiring any compliance thereof by the Company during the financial year.

We have also examined compliance with the applicable clauses of the Secretarial Standard on Meetings of the Board of Directors (SS-1) and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, with which the Company has generally complied with.

During the audit period, the Company has complied with the provisions of the Act, Rules, Regulations and Guidelines to the extent applicable as mentioned above.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Adequate advance notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance to all directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that there are systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the period under audit there were no specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having a major bearing on the Company's affairs.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The statements contained in this section describing the Company's objectives, projections, estimates, expectations may be considered to be 'forward looking statements' which the management believes are true to the best of its knowledge at the time of preparation within the meaning of applicable laws, rules and regulations. Actual results may differ materially from those expressed or implied. The Company assumes no responsibility to amend, modify or revise any forward looking statements on the basis of any subsequent development, information or events.

Overview

The Company is engaged in the business of distribution of auto spares parts across India through network of branches since 1927. The Company deals in products such as brakes, bearings, clutches, cooling system, engine components, suspension, power steering, oil & lubricants, filters etc. Most of Company's suppliers are original equipment manufacturers ("OEM's) to vehicle manufacturers.

The Company is predominately in a single reportable segment viz., distribution of auto parts.

INDUSTRIAL STRUCTURE AND DEVELOPMENT OVERVIEW

It is heartening to note that the government has given top priorities to allocate and invest funds in infrastructure sector which includes coal mines, ports, electricity, road network and air ports across the country. Selectively there is opening of mining sector. These steps has results in increase in the activities of manufacturing sector especially automobiles industry.

We are witnessing good growth of all vehicle segment which includes two wheelers, commercial vehicles, passenger cars,, utility vehicles, farm tractors and three wheelers.

There are still some hitches with regard to implementation of Goods and Services Tax Act, 2017 ("GST Act") so as to confirm to the principles of ease of doing business in India. The Company is fully compliant of law. It is necessary to simplify the GST Act. It is also felt that reduction of rates of GST is required especially for those range of products where at present GST is being levied at 28%. On the long terms basis, implementation of GST should be instrumental in further improvement of GDP growth.

FINANCIAL REVIEW

The Company registered a turnover of ₹ 32,156.70 lacs. The profit before tax was ₹ 1,840.38 lacs as compared to ₹ 2009.23 in last financial year. The Company is a debt free company. A chart containing the details of financial performance in past 5 years is appended with this Annual Report.

FUTURE PLANS & OUTLOOK

Due to upgradation of technology, per vehicle consumption of auto spare parts has declined. For future growth, your company is planning to take more products / lines and also, to open new outlets at other potential towns.

OPPORTUNITIES

We expect improvement in our business on account of increase and growth in agricultural sector due to better monsoon. There are positive indication viz a viz improvement in industrial activities. Management is also hopeful for better opportunities on account of double-digit growth of volume in automotive industry including utility vehicles, passengers' cars, two wheelers, three-wheelers and commercial vehicles during the year under review.

THREATS AND RISKS

Activities of banking sector are not at desired level. Due to non-availability of credit facilities, there is scarcity of fund resources in both trade and industry. There are indications of cost of borrowing going-up.

Inflation is at higher level. The major factor is on account of increase in price of petroleum products. We do see lot of activities from vehicle manufacturers where they are aggressively trying to increase their share in replacement / secondary market for auto spare parts which is your company's core business area.

INTERNAL CONTROL SYSTEMS

The Company has an adequate and effective control system to commensurate with its size and complexity. The internal control system is supplemented through an extensive internal audit program and periodic review by management and audit committee.

RISK MANAGEMENT

The Company monitors and reviews the risk management activities on regular basis. There is sub-committee formed by the Board of Directors of the Company to look into risks associated in operations, their impact and best possible solution to mitigate the risk. Risk management committee reports to management of the Company from time to time.

CORPORATE SOCIAL RESPONSIBILITY

The Company is committed to make contribution to the society as part of our social initiatives. Special focus made on the education to overcome from literacy in small cities and villages. The Company is contributing to a NGO who are progressively working on education programmes in small cities / villages of Rajasthan. The Company is also contributing into Prime Minister Relief Fund, Swatch Bharat Mission and Mission of Clean Ganga.

HUMAN RESOURCE DEVELOPMENT AND INDUSTRIAL RELATIONS

The company had extensively focused on leadership development and employee engagement initiatives. Employees were encouraged to participate in sports and other fitness related programmes to promote individual wellness and to achieve a sense of balance life.

Independent Auditor's Report

To The Members of

Jullundur Motor Agency (Delhi) Ltd.

Report on the Audit of the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Jullundur Motor Agency (Delhi) Ltd. ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2018, its profit (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Other Matter

Corresponding figures for the year ended 31 March 2017 have been audited by another auditor who expressed an unmodified opinion dated 30 May 2017 on the standalone Ind AS financial statements of the Company for the year ended 31 March 2017.

Our opinion on the standalone Ind AS financial statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements - Refer Note 27 to the standalone Ind AS financial statements;

Annexure A to the Independent Auditor's Report

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the standalone Ind AS financial statements for the year ended 31 March 2018, we report the following:

- i. a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. The Company has a regular programme of physical verification of its fixed assets, by which all fixed assets are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in fixed assets are held in the name of the Company except 2 flats purchased from DLF Home Developer Ltd for which Registration under Haryana Stamp Act is to be executed. However, possession had already been taken by the company.

In respect of immovable properties been taken on lease and disclosed as property, plant and equipment in the standalone Ind AS financial statements, the lease agreements are in the name of the Company.

- ii. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. In our Opinion and according to the information and explanation given to us the Company has maintained proper records of inventory given the size of the company and nature of its business. The discrepancies noticed on verification between the physical stock and the book records were not material.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act, with respect to the loans given, investments made, guarantees and securities given. There is no transaction under Section 185 of the Companies Act, 2013.
- v. The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed there under.
- vi. The Central Government has not prescribed the maintenance of cost records under Section 148 of the Act for any of the services rendered by the Company.
- vii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Goods and Services tax, duty of Customs, duty of Excise, Value added tax, Cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.
 - a) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Goods and Services tax, duty of Customs, duty of Excise, Value added tax, Cess and other material statutory dues were in arrears as at 31 March 2018, for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, there are no dues of Income-tax or Sales tax or Service tax or Goods and Services tax or duty of Customs or duty of Excise or Value added tax which have not been deposited by the Company on account of disputes, except for the following:

Name of Statute	Nature of Dues	Amount	Period (F/Y)	Forum where dispute is pending

Sales Tax, Kerala	Sales Tax	75,11,817	2001-2002 2002-2003 2003-2004 2004-2005 2005-2006	DCST , Ernakulam
Total		1,92,73,902		

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings to banks. The Company did not have any outstanding loans or borrowings from financial institutions or government and there are no dues to debenture holders during the year.
- ix. In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. In our opinion and according to the information and explanations given to us and based on examination of the records of the Company, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 and section 198 read with Schedule V to the Act.
- xii. According to the information and explanations given to us, in our opinion, the Company is not a Nidhi Company as prescribed under Section 406 of the Act.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- xvi. According to the information and explanation given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure B to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Jullundur Motor Agency (Delhi) Ltd. ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Significant accounting policies and notes on accounts

1 General Information

Jullundur Motor Agency (Delhi) Limited is a public limited company incorporated and domiciled in India, listed on the the National Stock Exchange (NSE). The address of its registered office is 458-1/16, Sohna Road, Opposite New Court, Gurugram (Gurgaon) -122001. The Company is engaged predominantly in trading and distribution of automobile parts, accessories and petroleum products primarily in India.

2 Significant accounting policies

A Basis of Preparation of financial statements

The financial statements have been prepared to comply in all material respects with the notified accounting standard under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") under the historical cost convention on an accrual basis except for certain financial instruments which are measured as fair values at the end of each reporting year as explained in the accounting policies below.

The accounting policies have been consistently applied by the Company except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hit her to in use.

Upto the year ended 31st March, 2016, the company prepared the financial statements in accordance with the requirements of previous GAAP, which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1st April, 2016. Refer to Note 4.1.1 for the details of first-time adoption exemptions availed by the company.

The company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 2.

B Use of Estimates:

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Difference between the actual results and estimates are recognised in the year in which the results materialise.

C Property Plant and Equipments (PPE):

(i) Tangible Assets

Property plant and Equipments are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which takes substantial year of time to get ready for its intended use are also included to the extent they relate to the year till such assets are ready to be put to use. Improvement to PPE which has the effect of increasing the future benefits from the existing assets beyond their previously assessed standard of performance is included in the gross block.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as " capital work in progress".

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(ii) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably.

Intangible assets are stated at original cost less accumulated amortisation and impairment losses, if any

D Depreciation and amortisation

Depreciation on PPE except buildings and plant and equipments is provided on the written down value basis at the rates as derived, based on the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on buildings and plant and equipment is provided on straight line basis at the rates as derived, based the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Intangible assets being software licenses are amortised on straight line method over their estimated useful life.

E Financial Instruments**(i) Initial recognition**

Financial assets and financial liabilities are recognised in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and liabilities at initial recognition. All financial assets and liabilities are initially recognised at fair value plus directly attributable transaction costs in case of financial assets and liabilities not at fair value through profit or loss. Financial assets and liabilities carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the income statement.

(ii) Subsequent Measurement**a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets carried at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Further, in cases where the company has made an irrevocable "election based, on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

c) Financial assets carried at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

d) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

e) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

f) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the financial statements.

(iii) Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The method used to determine fair value include available quoted market prices and discounted cash flow analysis. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximates fair value due to the short maturity of these instruments.

F Inventories

Finished goods and Goods in transit are valued at cost or estimated realizable value whichever is lower. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Slow moving, damaged, unsalable or obsolete inventories are identified at the each reporting date on the basis of technical evaluation and valued at estimated realizable value.

G Revenue Recognition

Revenue is measured at fair value of consideration received or receivable and recognised to the extent that it is probable that economic benefits will flow to the company and the revenue can be reliably measured.

(i) Sale of products

The Company recognises revenue on the sale of products, net of discounts, sales incentives, customer bonuses, applicable tax and rebates granted, when substantial risks and rewards of ownership are transferred to the buyer usually on delivery of goods.

The Company recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underline the particular performance obligation is transferred to the customer.

(ii) Other operating revenue

Other operational revenue represents income earned from activities incidental to the business and is recognised when right to receive the income is established.

(iii) Other Income

Interest income from a financial asset is recognised using the effective interest rate.

Dividend income is recognised in the year in which the right to receive the same is established.

H Purchases

Purchases are net of incentive and commission received from suppliers and adjusted for claims rejected and goods short received. Incentive and commission from suppliers are recognised when no significant uncertainty exists regarding their collectability.

I Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid in accordance with the terms with the vendors. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

J Foreign Exchange Transactions**Functional currency**

The functional currency of the Company is the Indian Rupee. These financial statements are presented in Indian rupees (rounded off to rupee) which is the company's functional and presentation currency.

K Employee benefits**(i) Short term employee benefits :**

All employee benefits due wholly within twelve months of rendering of services are classified as short term employee benefits. Benefits like salaries, wages, leave salary, contribution to Provident Fund/ Employee State Insurance contributions etc. paid or payable during the reporting year and the expected bonus expense are recognised as an expense on an undiscounted basis in the year in which the employee renders the related service.

(ii) Post-employment benefits**a) Defined Contribution Plan**

The State governed Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme are defined contribution plans. The Company has no obligation, other than the contribution payable to the Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme. The contribution paid /payable under the schemes is recognised during the year in which employee renders the related service.

b) Defined Benefit Plan

The liability is provided based on actuarial valuation certified by consulting actuary. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) relating to retirement benefit plans are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent years.

The Company's Gratuity is Defined Benefit Retirement Plan. The Company's liability towards Gratuity is determined using the Projected Unit Credit Method which recognises each year of service as giving rise to additional unit of employee benefit entitlement.

In respect of Directors, the liability for gratuity is unfunded and in respect of other eligible employees, the Gratuity scheme is operated through Group Gratuity Scheme of Life Insurance Corporation of India.

L Income taxes

The accounting treatment followed for taxes on income is to provide for Current Income Tax and Deferred Income Tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior year is the aggregate amount of income tax determined as payable in respect of taxable income for the year, using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date. Deferred Income Tax asset and liability are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred Income tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax is not provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The company offsets current tax asset and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

M Provision and Contingencies

- i) Provision is recognised (for liabilities that can be measured by using a substantial degree of estimation) when:
 - a) the company has a present obligation as a result of a past events.
 - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation ; and
 - c) the amount of the obligation can be reliably estimated.
- ii) Contingent liability is disclosed in case there is ;
 - a) possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company : or
 - b) a present obligation arising from past events but is not recognised because :
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation : or
 - (ii) a reliable estimate of the amount of the obligation cannot be made.

N Impairment**(i) Financial assets**

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing components is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition

in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

(ii) Non-financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

O Earning per share (EPS)

"Basic EPS are computed by dividing the net profit or loss for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted earning per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. Dilutive potential equity shares are determined independently for each year presented.

Items of "Other Comprehensive Income" are not considered for calculation of EPS (Basic or Diluted).

P Dividends

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

Q Leases

Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease.

Company as a lessor

Rental income from operating leases is recognized on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern of the users' benefits or the payments to the lessor are structured to increase in line with expected general inflation.

Company as a lessee

Lease payments under an operating lease are recognised as an expense in the statement of profit and loss on straight line basis over the lease term unless another systematic basis is more representative of the time pattern of the users' benefits or the payments to the lessor are structured to increase in line with expected general inflation.

R Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

Note.3 New Standards that are not yet effective and have not been early adopted:

As set out below, amendments to standards are effective for annual periods beginning on or after April 1, 2018, and have not been applied in preparing these financial statements:

Amendments to Ind As 21, The effect of changes in Foreign Exchange rates

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. This amendment has not any significant impact on the financial statement of the Company.

Note.4 First time adoption of Ind AS

Note.4.1 These standalone financials of Jullundur Motor Agency (Delhi) Limited for the year ended March 31, 2017 have been prepared in accordance with Ind AS. For the purpose of transition to Ind AS, the Company has followed the guidance prescribed in Ind AS 101, First-Time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 1 have been applied in preparing the standalone financial statements for the year ended March 31, 2017 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has effected the Company's Balance Sheet and Statement of Profit and Loss, is set out in Note 4.2 and 4.3. Exemptions on the first-time adoption of Ind AS availed in accordance with Ind AS 101 have been set out in Note 4.1.1.

Note.4.1.1 Exemption availed on First time adoption of Ind AS 101

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has accordingly applied the following exemptions.

a) Carrying amount of Property, plant and equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

b) Designation of previously recognized financial instruments

"Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognized financial assets, as 'fair value through other comprehensive income' on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

"Accordingly, the Company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS."

c) Since there is no change in the functional currency the company has elected to continue with carrying value for all its investment property as recognised in its Indian GAAP Financials , as deemed cost at the transition date.

Note.4 First time adoption of Ind AS

4.6 Notes to reconciliations between Previous GAAP and Ind AS

- Under Previous GAAP, investments were classified into current and long term investments. Current investments were carried at the lower of cost or market value, while long term investments were carried at cost less any impairment that was other than temporary. Under Ind AS, equity investments have been classified as Fair Value through Other Comprehensive Income (FVTOCI). Fair value movements are recognized directly in other comprehensive income on such investments. Investment in debt Mutual Funds have been classified as Fair Value through Profit or Loss (FVTPL) and fair value changes are recognized in Statment of Profit and Loss.
- As per Ind AS 19, Employee Benefits, actuarial gains and losses are recognized in other comprehensive income and not reclassified to profit and loss in a subsequent period.
- Under Previous GAAP, lease agreements to use land were not covered in accounting standard for leases and these were classified as part of PPE.

As per Ind AS 17, Leases, when a lease includes both land and buildings elements, an entity assesses the classification of each element as a finance or an operating lease separately. Company has classified lease hold lands as operating lease.

- Fixed deposit maturing after 12 months from balance sheet date has been re-classified from current asset to non-current financial assets, in compliance with relevant accounting standards.
- The impact of transition adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the previous GAAP) for computation of deferred taxes has resulted in charge to the Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss for the subsequent periods.

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of quoted equity shares, quoted corporate debt instruments and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e; as prices) or indirectly (i.e.; derived from prices). This level of hierarchy include Company's over-the counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There has been no transfers between level 1, level 2 and level 3 for the years ended March 31, 2018 and 2017.

The short-term financial assets and liabilities are stated at amortized cost which is approximately equal to their fair value.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

b) Financial risk management

In the course of its business, the Company is exposed primarily to fluctuations equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments.

The Company has a risk management policy which covers the risks associated with the financial assets and liabilities such as credit risks. The risk management policy is approved by the board of directors.

i) Market risk

Equity Price risk

Equity Price Risk is related to the change in market reference price of the investments in equity securities.

The fair value of some of the Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at March 31, 2018, 2017 and April 1, 2016 was Rs.184.23 lakhs, Rs.45.91 lakhs and Rs.33.93 lakhs, respectively. A 10% change in equity price as at March 31, 2018, 2017 and April 1, 2016 would result in an impact of Rs.18.42 lakhs, Rs.4.59 lakhs and Rs.3.39 lakhs respectively.

The fair value of some of the Company's investments measured at fair value through profit or loss exposes the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at March 31, 2018, 2017 and April 1, 2016 was Rs.1277.82 lakhs, Rs.1091.91 lakhs- and Rs. NIL, respectively. A 10% change in equity price as at March 31, 2018, 2017 and April 1, 2016 would result in an impact of Rs.127.68 lakhs, Rs.109.19 lakhs and Rs.Nil respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

ii) Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments classified as fair value through profit or loss, trade receivables, loans and advances and derivative financial instruments. None of the financial instruments of the Company result in material concentrations of exposure to credit risks.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs.13663.17 lakhs as at March 31, 2018, Rs.12106.98 lakhs as at March 31, 2017, being the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, finance receivables, margin money and other financial assets excluding equity investments.

None of the Company's cash equivalents, including time deposits with banks, are past due or impaired. Regarding trade receivables and other receivables, and other loans or receivables that are neither impaired nor past due, there were no indications as at March 31, 2018, that defaults in payment obligations will occur.

iii) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and liquid and liquid plus schemes of mutual funds, which carry no/low mark to market risks.

37 Employee Benefits
Defined Contribution Plan

During the year the Company has recognized the following amounts in the statement of profit and loss:

Plans	2017-18 Year	2016-17 Year
Employer's Contribution to Provident Fund	86.80	78.99
Employer's Contribution to Employees State Insurance	30.71	24.66
	117.51	103.65

Defined Benefit Plan and other long term benefits
Gratuity funds

The Employees gratuity fund scheme is managed by Life Insurance Corporation of India. The present value of obligation is determined based on Actuarial valuation by certified actuary. The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19.

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks which are as follows:

Interest Rate risk:

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the benefit and will thus result in an increase in the value of the liability.

Liquidity risk:

This is the risk that the Company is not able to meet the short-term payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation risk:

The present value of defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk:

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Regulatory risk:

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs.20 lakhs).

The principal assumptions used for the purpose of the actuarial valuations were as follows:

	2017-18 Year	2016-17 Year
Discount Rate (per annum)	7.60%	7.00%
Salary growth rate (per annum)	7.50%	7.50%

41 Earning Per Share : Earning per share has been computed as under :

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Consolidated Financial Statements

Independent Auditor's Report

To the Members of

Jullundur Motor Agency (Delhi) Ltd

Report on the Audit of the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Jullundur Motor Agency (Delhi) Limited ("the Holding Company") and its subsidiaries listed in Annexure I (collectively referred to as "the Group"), and its joint venture company which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow, for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirement of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit and Loss (including other comprehensive income), consolidated changes in equity and consolidated cash flow of the Group and its joint venture company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group and its joint venture company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint venture company for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and joint venture, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group and its joint venture as at 31st March, 2018, their consolidated profit including other comprehensive income, their consolidated cash flow and consolidated statement of changes in equity for the year ended on that date.

Other Matter

- (a). We did not audit the financial statements of the two subsidiaries and one joint venture. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, and our report in terms of sub-section (3) of the Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures is based solely on the reports of the other auditors.
- (b). Corresponding figures of the Group for the year ended 31 March 2017 have been audited by another auditor who expressed an unmodified opinion dated 30 May 2017 on the consolidated Ind AS financial statements of the Group for the year ended 31 March 2017.
- (c). Our opinion above on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory Requirements below are not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We/the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Jullundur Motor Agency (Delhi) Ltd. as of and for the year ended 31st March, 2018, we have audited the internal financial controls over financial reporting of the Jullundur Motor Agency (Delhi) Ltd. ("the Company" or "the Holding Company") and its subsidiary companies and joint venture company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies and its joint venture company which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiary companies and its joint venture company, which are incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these Consolidated Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that

the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its joint venture company, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, insofar as it relates to these two subsidiary companies and joint venture company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary companies and joint venture company incorporated in India.

Significant accounting policies and notes on accounts

1 General Information

The consolidated financial statements comprise financial statements of "Jullundur Motor Agency (Delhi) Limited" ("parent company") and its subsidiaries (collectively referred to as the Group) for the year ended 31st March 2018.

The principal activities of the Group & its joint venture is predominantly in trading and distribution of automobile parts, accessories and petroleum products primarily in India.

The consolidated financial statements were authorised for issue in accordance with a resolution of the directors on 30 May 2018.

2 Significant accounting policies

A Basis of Preparation of financial statements

The consolidated financial statements have been prepared to comply in all material respects with the notified accounting standard under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") under the historical cost convention on an accrual basis except for certain financial instruments which are measured as fair values at the end of each reporting year as explained in the accounting policies below.

The accounting policies have been consistently applied by the group except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Upto the year ended 31st March, 2016, the group prepared the financial statements in accordance with the requirements of previous GAAP, which includes standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act. These are the group's first Ind AS financial statements. The date of transition to Ind AS is 1st April, 2016. Refer to Note 4.1.1 for the details of first-time adoption exemptions availed by the group.

The group has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, First Time Adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 4.2.

B Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2018. Control is achieved when the Group has power over the investee, it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- Inter-company transactions and balances including unrealized profits are eliminated in full on consolidation.

Non-controlling interests in the net assets (excluding goodwill) of consolidated subsidiaries are identified separately from the Company's equity. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-

controlling interests is the amount of those interests at initial recognition plus the noncontrolling interests' share of subsequent changes in equity. Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

When the Company loses control of a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. Amounts previously recognized in other comprehensive income in relation to the subsidiary are accounted for (i.e., reclassified to profit or loss) in the same manner as would be required if the relevant assets or liabilities were disposed off. The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109 Financial Instruments: Recognition and Measurement or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Following joint venture and subsidiaries have been considered in the preparation of these consolidated financial statements:

Companies	Equity shares held		% of voting power held	
	As at	As at	As at	As at
	31 March 2018	31 March 2017	31 March 2018	31 March 2017

JMA Rane Marketing Limited	360003	360003	48.97%	48.97%

Investment in joint ventures

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in its joint venture are accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the joint venture are eliminated to the extent of the interest in the joint venture.

C Business Combinations and goodwill

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. Acquisition related costs are recognized in profit or loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition are recognized at their fair value at the acquisition date, except certain assets and liabilities required to be measured as per the applicable standard.

Purchase consideration in excess of the Company's interest in the acquiree's net fair value of identifiable assets, liabilities and contingent liabilities is recognized as goodwill. Excess of the Company's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the purchase consideration is recognized, after reassessment of fair value of net assets acquired, in the Capital Reserve. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or OCI, as appropriate.

C Use of Estimates:

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Difference between the actual results and estimates are recognised in the year in which the results materialise.

D Property Plant and Equipments (PPE):**(i) Tangible Assets**

Property plant and Equipments are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which takes substantial year of time to get ready for its intended use are also included to the extent they relate to the year till such assets are ready to be put to use. Improvement to PPE which has the effect of increasing the future benefits from the existing assets beyond their previously assessed standard of performance is included in the gross block.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as " capital work in progress".

Transition to Ind AS

On transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(ii) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

(iii) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the group and the cost of the assets can be measured reliably.

Intangible assets are stated at original cost less accumulated amortisation and impairment losses, if any

E Depreciation and amortisation

Depreciation on PPE except buildings and plant and equipments is provided on the written down value basis at the rates as derived, based on the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Depreciation on buildings and plant and equipment is provided on straight line basis at the rates as derived, based the useful life of the assets as specified in Schedule II to the Companies Act, 2013.

Intangible assets being software licenses are amortised on straight line method over their estimated useful life.

F Financial Instruments**(i) Initial recognition**

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The group determines the classification of its financial assets and liabilities at initial recognition. All financial assets and liabilities are initially recognised at fair value plus directly attributable transaction costs in case of financial assets and liabilities not at fair value through profit or loss. Financial assets and liabilities carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the income statement.

(ii) Subsequent Measurement**a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets carried at fair value

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Further, in cases where the group has made an irrevocable "election based, on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

c) Financial assets carried at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

d) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

e) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the group are recognized at the proceeds received, net of direct issue costs.

(iii) Derecognition of financial instruments

The group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Fair value of financial instruments

In determining the fair value of its financial instruments, the group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The method used to determine fair value include available quoted market prices and discounted cash flow analysis. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximates fair value due to the short maturity of these instruments.

G Inventories

Finished goods and Goods in transit are valued at cost or estimated realizable value whichever is lower. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Slow moving, damaged, unsalable or obsolete inventories are identified at the each reporting date on the basis of technical evaluation and valued at estimated realizable value.

H Revenue Recognition

Revenue is measured at fair value of consideration received or receivable and recognised to the extent that it is probable that economic benefits will flow to the group and the revenue can be reliably measured.

(i) Sale of products

The group recognises revenue on the sale of products, net of discounts, sales incentives, customer bonuses, applicable tax and rebates granted, when substantial risks and rewards of ownership are transferred to the buyer usually on delivery of goods.

The Company recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underline the particular performance obligation is transferred to the customer.

(ii) Other operating revenue

Other operational revenue represents income earned from activities incidental to the business and is recognised when right to receive the income is established.

(iii) Other Income

Interest income from a financial asset is recognized using the effective interest rate.

Dividend income is recognised in the year in which the right to receive the same is established.

I Purchases

Purchases are net of incentive and commission received from suppliers and adjusted for claims rejected and goods short received. Incentive and commission from suppliers are recognised when no significant uncertainty exists regarding their collectability.

J Trade and other payables

These amounts represent liabilities for goods and services provided to the group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid in accordance with the terms with the vendors. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

K Foreign Exchange Transactions**Functional currency**

The functional currency of the group is the Indian Rupee. These financial statements are presented in Indian rupees (rounded off to rupee) which is the group's functional and presentation currency.

L Employee benefits**(i) Short term employee benefits :**

All employee benefits due wholly within twelve months of rendering of services are classified as short term employee benefits. Benefits like salaries, wages, leave salary, contribution to Provident Fund/ Employee State Insurance contributions etc. paid or payable during the reporting year and the expected bonus expense are recognised as an expense on an undiscounted basis in the year in which the employee renders the related service.

(ii) Post -employment benefits**a) Defined Contribution Plan**

The State governed Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme are defined contribution plans. The group has no obligation, other than the contribution payable to the Provident Fund Scheme, Employees' State Insurance Scheme and Employees Pension Scheme. The contribution paid /payable under the schemes is recognised during the year in which employee renders the related service.

b) Defined Benefit Plan

The liability is provided based on actuarial valuation certified by consulting actuary. The group recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) relating to retirement benefit plans are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent years.

The group's Gratuity is Defined Benefit Retirement Plan. The group 's liability towards Gratuity is determined using the Projected Unit Credit Method which recognises each year of service as giving rise to additional unit of employee benefit entitlement.

In respect of Directors, the liability for gratuity is unfunded and in respect of other eligible employees, the Gratuity scheme is operated through Group Gratuity Scheme of Life Insurance Corporation of India.

M Income taxes

The accounting treatment followed for taxes on income is to provide for Current Income Tax and Deferred Income Tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior year is the aggregate amount of income tax determined as payable in respect of taxable income for the year, using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date. Deferred Income Tax asset and liability are recognized for all temporary differences arising between the tax base of assets and liabilities and their

carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred Income tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax is not provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The group offsets current tax asset and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

N Provision and Contingencies

- i) Provision is recognised (for liabilities that can be measured by using a substantial degree of estimation) when:
 - a) the group has a present obligation as a result of a past events.
 - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation ; and
 - c) the amount of the obligation can be reliably.
- ii) Contingent liability is disclosed in case there is ;
 - a) possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group : or
 - b) a present obligation arising from past events but is not recognised because :
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation : or
 - (ii) a reliable estimate of the amount of the obligation cannot be made.

O Impairment

(i) Financial assets

The group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing components is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

(ii) Non-financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

P Earning per share (EPS)

Basic EPS are computed by dividing the net profit or loss for the year attributable to equity shareholders of the parent company by the weighted average number of equity shares outstanding during the year. Diluted earning per equity share are computed by dividing the net profit attributable to the equity holders of the parent company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. Dilutive potential equity shares are determined independently for each year presented. Items of "Other Comprehensive Income" are not considered for calculation of EPS (Basic or Diluted).

Q Dividends

The final dividend on shares is recorded as a liability on the date of approval by the shareholders, and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

R Leases

Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease.

Group as a lessor

Rental income from operating leases is recognized on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern of the users' benefits or the payments to the lessor are structured to increase in line with expected general inflation.

Group as a lessee

Lease payments under an operating lease are recognised as an expense in the statement of profit and loss on straight line basis over the lease term unless another systematic basis is more representative of the time pattern of the users' benefits or the payments to the lessor are structured to increase in line with expected general inflation.

S Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

Note.3 New Standards that are not yet effective and have not been early adopted:

As set out below, amendments to standards are effective for annual periods beginning on or after April 1, 2018, and have not been applied in preparing these financial statements:

Amendments to Ind AS 21, The effect of changes in Foreign Exchange rates

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. This amendment has not any significant impact on the financial statement of the Group.

Note.4 First time adoption of Ind AS

Note.4.1 These consolidated financials of Jullundur Motor Agency (Delhi) Limited for the year ended March 31, 2018 have been prepared in accordance with Ind AS. For the purpose of transition to Ind AS, the group has followed the guidance prescribed in Ind AS 101, First-Time Adoption of Indian Accounting Standards, with April 1, 2016 as the transition date and IGAAP as the previous GAAP.

The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out in Note 2 have been applied in preparing the consolidated financial statements for the year ended March 31, 2018 and the comparative information. An explanation of how the transition from previous GAAP to Ind AS has effected the group's Balance Sheet and Statement of Profit and Loss, is set out in Note 4.2 and 4.3. Exemptions on the first-time adoption of Ind AS availed in accordance with Ind AS 101 have been set out in Note 4.1.1.

Note.4.1.1 Exemption availed on First time adoption of Ind AS 101

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The group has accordingly applied the following exemptions.

a) Carrying amount of Property, plant and equipment

On transition to Ind AS, the group has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

b) Designation of previously recognized financial instruments

Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in fair value of an investment in an equity instrument in other comprehensive income. Ind AS 101 allows such designation of previously recognized financial assets, as 'fair value through other comprehensive income' on the basis of the facts and circumstances that existed at the date of transition to Ind AS. Accordingly, the group has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

c) Ind AS 103 , Business combination

As part of the business combination exemption, the group has also used Ind AS 101 exemption regarding previously unconsolidated subsidiaries. The use of this exemption requires the group to adjust the carrying amounts of the previously unconsolidated subsidiary's assets and liabilities to the amounts that Ind AS would require in the subsidiary's balance sheet. The deemed cost of goodwill equals the difference at the date of transition to Ind AS between the parent's interest in those adjusted carrying amounts, and the cost in the parent's separate financial statements of its investment in the subsidiary. The cost of a subsidiary in the parent's separate financial statements is the Indian GAAP carrying amount at the transition date.

d) Since there is no change in the functional currency, the group has elected to continue with the varying value for all of its investment property as recognised in its Indian GAAP financial as deemed cost at the transition date.

4.6 Notes to reconciliations between Previous GAAP and Ind AS

- a) Under Previous GAAP, investments were classified into current and long term investments. Current investments were carried at the lower of cost or market value, while long term investments were carried at cost less any impairment that was other than temporary. Under Ind AS, equity investments have been classified as Fair Value through Other Comprehensive Income (FVTOCI). Fair value movements are recognized

directly in other comprehensive income on such investments. Investment in debt Mutual Funds have been classified as Fair Value through Profit or Loss (FVTPL) and fair value changes are recognized in Statment of Profit and Loss.

- b) As per Ind AS 19, Employee Benefits, actuarial gains and losses are recognized in other comprehensive income and not reclassified to profit and loss in a subsequent period.
- c) Under Previous GAAP, lease agreements to use land were not covered in accounting standard for leases and these were classified as part of PPE. As per Ind AS 17, Leases, when a lease includes both land and buildings elements, an entity assesses the classification of each element as a finance or an operating lease separately. Company has classified lease hold lands as operating lease.
- d) Fixed deposit maturing after 12 months from balance sheet date has been re-classified from current asset to non-current financial assets, in compliance with relevant accounting standards.
- e) The impact of transition adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the previous GAAP) for computation of deferred taxes has resulted in charge to the Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss for the subsequent periods.
- f) The Parent Company holds 49.72% equity interest in Jullundur Auto Sales Corporation Limited and 46.55% equity interest in ACL Components Limited. Under Indian GAAP, the Parent Company has treated Jullundur Auto Sales Corporation Limited and ACL Components Limited as its associate and thereby applied equity method of accounting. Under Ind AS, the group has treated Jullundur Auto Sales Corporation Limited and ACL Components Limited as its subsidiary and thereby applied line by line consolidation. The value of investment recognized under Indian GAAP was Rs.118.05 Lakhs as on 1 April 2016 and Rs.130.92 Lakhs as on 31 March 2017 which has been now reduced from the value of investment in associate under Ind AS. Consolidation of Jullundur Auto Sales Corporation Limited and ACL Components Limited has resulted into change in the balance sheet, statement of profit and loss and cash flow statement. The resulting differences of Rs.10.11 Lakhs (31 March 2017: Rs.6.69 Lakhs have been recognized in retained earnings. For its impact on financial statement refer note 31.
- g) The Parent Company holds 48.97% interest in JMA Rane Marketing Limited and exercises joint control over the entity. Under Indian-GAAP group has proportionately consolidated its interest in the JMA Rane Marketing Limited in the Consolidated Financial Statement. On transition to Ind AS the group has assessed and determined that JMA Rane Marketing Limited is its Joint Venture under Ind AS 111 Joint Arrangements. Therefore, it needs to be accounted for using the equity method as against proportionate consolidation. For the application of equity method, the initial investment is measured as the aggregate of Ind AS amount of assets and liabilities that the group had previously proportionately consolidated including any goodwill arising on acquisition. On application of equity method the investment stands increased by Rs.997.81 Lakhs on 1 April 2016 and by Rs.1056.56 Lakhs on 31 March 2017. Derecognition of proportionately consolidated JMA Rane Marketing Limited has resulted in change in balance sheet, statement of profit and loss and cash flow statement. For its impact on the financial statement refer note 32.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below.

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of quoted equity shares, quoted corporate debt instruments and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e; as prices) or indirectly (i.e; derived from prices). This level of hierarchy include Company's over-the-counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There has been no transfers between level 1, level 2 and level 3 for the years ended March 31, 2018 and 2017.

The short-term financial assets and liabilities are stated at amortized cost which is approximately equal to their fair value.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

b) Financial risk management

In the course of its business, the Company is exposed primarily to fluctuations equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments.

The Company has a risk management policy which covers the risks associated with the financial assets and liabilities such as credit risks. The risk management policy is approved by the board of directors.

i) Market risk**Equity Price risk**

Equity Price Risk is related to the change in market reference price of the investments in equity securities.

The fair value of some of the Company's investments measured at fair value through other comprehensive income expenses the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at March 31, 2018, 2017 and April 1, 2016 was Rs.188.55 lakhs , Rs.56.78 lakhs and Rs.36.16 lakhs , respectively. A 10% change in equity price as at March 31, 2018, 2017 and April 1, 2016 would result in an impact of Rs. 18. 85 lakhs, Rs. 5.68 lakhs and Rs.3.36 lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

ii) Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments classified as fair value through profit or loss, trade receivables, loans and advances and derivative financial instruments. None of the financial instruments of the Company result in material concentrations of exposure to credit risks.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was Rs.13,930.10 lakhs as at March 31, 2018, Rs.12,386.91 lakhs as at March 31, 2017, being the total of the carrying amount of balances with banks, short term deposits with banks, trade receivables, finance receivables, margin money and other financial assets excluding equity investments.

None of the Company's cash equivalents, including time deposits with banks, are past due or impaired. Regarding trade receivables and other receivables, and other loans or receivables that are neither impaired nor past due, there were no indications as at March 31, 2018, that defaults in payment obligations will occur.

iii) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and liquid and liquid plus schemes of mutual funds, which carry no/low mark to market risks.

(Amounts in Lakhs)

- 34 In accordance with Ind AS 36 'Impairment of Assets', the group has assessed as on the Balance Sheet date, whether there are any indications (list paragraph 8 to 10 of the Standard with respect to impairment of any of the assets. Based on such assessment it has been ascertained that no potential loss is present and therefore, formal estimate of the recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of accounts.
- 35 The estimates at 1st April 2016 and at 31st March, 2017 are consistent with those made for the same dates in accordance with previous GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items, which, under previous GAAP did not require estimation:
- Fair values of Financial Assets & Financial Liabilities
 - Impairment of financial assets based on expected credit loss model
 - The estimates used by the group to present these amounts in accordance with Ind AS reflect conditions as at 1st April, 2016 and 31st March, 2017.

37 Employee Benefits**Defined Contribution Plan**

During the year the group has recognised the following amounts in the statement of profit and loss:

Plans	2017-18 Year	2016-17 Year
Employer's Contribution to Provident Fund	88.05	80.08
Employer's Contribution to Employees State Insurance	31.29	25.20
	119.34	105.29

Defined Benefit Plan and other long term benefits**Gratuity funds**

The Employees gratuity fund scheme is managed by Life Insurance Corporation of India. The present value of obligation is determined based on Actuarial valuation by certified actuary. The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19.

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks which are as follows:

Interest Rate risk:

The plan exposes the group to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the benefit and will thus result in an increase in the value of the liability.

Liquidity risk:

This is the risk that the group is not able to meet the short-term payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation risk:

The present value of defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk:

The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Regulatory risk:

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs.20,00,000).

The principal assumptions used for the purpose of the actuarial valuations were as follows:

	2017-18 Year	2016-17 Year
Discount Rate (per annum)	7.60%	7.00%
Salary growth rate (per annum)	7.50%	7.50%
