## *Message from Chairman*

*Dear Stakeholder,*

*It gives me immense pleasure to welcome you all and presenting the 46<sup>th</sup> Annual Report with Financial Statements of your Company for the FY 2018-19.*

*The key financials of MMPIL :*

*Revenue from Operations (Gross) grew by 4.58% over FY 2017-18 at Rs. 26064.92 Lakh*

*EBIDTA margins grew by 9.55% over FY 2017-18 at Rs. 3312.83 Lakh*

*PBT (excluding exceptional item) grew by 16.14% over FY 2017-18 at Rs. 2830.74 Lakh*

*PAT (standalone) grew by 32.52% over FY 2017-18 at Rs. 2037.11 Lakh*

*PAT (consolidated) grew by 18.76% over FY 2017-18 at Rs. 2260.64 Lakh*

*Subsequent to the listing of Equity Shares on NSE Emerge on 12<sup>th</sup> April 2018 , implementation of our new project at MIDC, Umred is at a very advanced stage. This also means that our financials for FY 2018-19 do not factor any revenue from the new project which is likely to start trial operations in July, 2019.*

*The 32.52% increase in standalone PAT on a 4.58% increase in Gross Revenue is a reflection of operational efficiencies and strong efforts by our dedicated team members to improve yields and optimize sales in higher margin sectors.*

*Our JV partner company Toyal MMP India Pvt. Ltd. is in the process of ramping up various grades and production levels while our Associate company Star Circlips & Engineering Ltd. continued to perform satisfactorily with a revenue growth at Rs. 12000.55 lakh; up 11.89% over FY 2017-18.*

*The current economic scenario of lower GDP growth and overall constraints on liquidity are not expected to hinder your company's growth plans in view of all user segments continuing to show good market potential.*

*Since the existing operations are at peak capacity utilization, your Company is constrained temporarily with capacity issues. It is your Company's hope that the new capacity at Umred MIDC will see very high utilization percentage in Q3 and Q4 of FY 2019-20.*

*I would sincerely like to acknowledge and thank all members of the Board for their valued support and guidance to the management in all its endeavours. I extend my grateful acknowledgement to our employees for their hard work, commitment and dedication. Their contribution for taking MMP forward is second to none.*

*Thank you*

*Arun Bhandari

#### **Item No. 5:-**

**Consent and Approval of the Shareholders (Members) of the Company, for issue or giving of Corporate Guarantee OR providing Securities, in connection with loan/s to entity, which is either a Subsidiary, Associate, Joint Venture or Group Company, of the Company, in whom any of the Director of the Company is interested**

MMP Industries Limited (hereinafter referred to as 'MMP / the Company') has entered into a Joint Venture Agreement with Toyo Aluminium K. K., Japan ('Toyo') to collaborate with each other in a Joint Venture relationship by using their respective brand names, domain expertise and strong market presence to establish the Aluminium Paste manufacturing business and have accordingly, incorporated a company in India in the name and style of "TOYAL MMP India Private Limited" ('TMI'). Toyo holds 1,99,87,400 equity shares and MMP holds 70,22,600 equity shares constituting 74% and 26%, respectively, of the total issued, subscribed and paid-up equity share capital of TMI.

TMI is an Aluminium Paste manufacturing company and has started commercial production in February 2018. TMI has plans to produce some medium and high grade Aluminium Paste which currently imported from China thus requiring more capital expenditure as well as working capital funds. Being, a newly incorporated company, which started its commercial operations in recent times, the lending bank/s often requires more or additional guarantee/s and/or security(ies) against its lending to TMI.

In recent times, TMI has been granted the credit facilities i.e. Buyer's Credit not exceeding to US \$ 1,400,000 (United States Dollars One Million Four Hundred Thousand) only from Mizuho Bank Limited, Singapore Branch ('Mizuho Bank') on the terms and conditions as set out in the Letter No. BPD2/18-19/089 dated 22<sup>nd</sup> October 2018 issued by Mizuho Bank, including any amendment/s, renewal/s or modification/s made thereto by Mizuho Bank from time to time.

In addition to funds infused by both the joint venture partner/s in their inter-se equity shareholding ratio through subscription to issued, subscribed and paid-up share capital of TMI, the Company in honouring its joint venture obligations, may be required to issue or give guarantee/s and/or provide security(ies) in connection with any loan availed or to be availed by TMI. TMI proposes to use the said loan/s, guarantee/s or security(ies) for its core commercial business activities including the matters connected and incidental thereto ('Principal Business Activities').

In absence of having requisite authorization with the Board of Directors of MMP, Toyo Aluminium K.K., Japan has provided a Letter of Guarantee to secure the entire credit facilities i.e. Buyer's Credit not exceeding to INR equivalent to US \$ 1,400,000 (United States Dollars One Million Four Hundred Thousand) only in favour of Mizuho Bank Limited, Singapore Branch.

Accordingly, MMP under its business understanding also intends to give Corporate Guarantee for a proportionate value @26% i. e. not exceeding INR equivalent to US \$364,000 (United States Dollars Three Hundred Sixty Four Thousand) only in favour of Mizuho Bank Limited, Singapore Branch.

Apart, MMP intends to opt for an enabling authorization to extend the Corporate Guarantee in favour of lending bank/s for extending financial assistance to any of its Subsidiary, Associate, Joint Venture or Group Companies in future.

Accordingly, it is proposed that the Shareholders (Members) of the Company should authorize its Board, for issue or giving of Corporate Guarantee OR providing Securities of a sum not exceeding to Rs.10,00,00,000/- (Rupees Ten Crores) Only, against the financial assistance availed and/or to be availed by any of its Subsidiary, Associate, Joint Venture or Group Companies, in whom any of the Director of the Company is interested, including the Corporate Guarantee for a proportionate value @26% i. e. not exceeding INR equivalent to US \$ 364,000 (United States Dollars Three Hundred Sixty Four Thousand) only in favour of Mizuho Bank Limited, Singapore Branch, against the financial assistance availed and/or to be availed by the Associate & Joint-Venture Company namely TOYAL MMP India Private Limited.

In terms of the provisions of Section 185 of the Act [as amended by the Companies (Amendment) Act, 2017 and notified by Ministry of Corporate Affairs vide Notification Dated 7<sup>th</sup> May 2018], the proposed issue or giving of Corporate Guarantee or providing Security(ies), against the financial assistance availed and/or to be availed by any of its Subsidiary, Associate, Joint Venture or Group Companies, in whom any of the Director of the Company is interested, requires the approval of the Shareholders (Members) of the Company by way of a Special Resolution.

Except Mr. Arun Raghuveer Raj Bhandari, Chairman & Managing Director and Mr. Lalit Ranjeet Raj Bhandari, Whole-time Director, of the Company, none of the other Directors, Key Managerial Personnel (KMP) of the Company, and their relatives, are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

Accordingly, the Board of Directors of the Company recommends the Special Resolution for approval of the Shareholders (Members) in the interest of the Company.

#### **Item No. 6:-**

##### **Ratification of Remuneration of Cost Auditors of the Company**

On recommendations of the Audit Committee, the Board of Directors of the Company, at its meeting held on 29<sup>th</sup> May 2019, approved and appointed, Messers Khanuja Patra & Associates, Cost Accountants, Nagpur [Firm Registration No. 00214] as the Cost Auditors of the Company for the FY 2019-20 ending 31<sup>st</sup> March 2020 to audit the cost records of the Company at a remuneration of Rs. 50,000/- (Rupees Fifty Thousand) Only, plus applicable tax (GST) and reimbursement of actual out of pocket expenses, if any.

Pursuant to the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (as amended), the remuneration as recommended by the Board of Directors, is subject to ratification by the Shareholders (Members) of the Company.

None of the Director/s, Key Managerial Personnel (KMP) of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the said Resolution.

Accordingly, the Board of Directors of the Company recommends the Ordinary Resolution for ratification of the Shareholders (Members) in the interest of the Company.

**1.3 DIVIDEND**

The Board of Directors of your company, after considering holistically the relevant circumstances and keeping in view the company's dividend distribution policy, has decided that it would be prudent, not to recommend any Dividend for the FY 2018-19 ended 31<sup>st</sup> March 2019 under review.

The Company is setting up new manufacturing facilities for atomized aluminium powder, pyro & flake aluminium powder and aluminium foils at Umred MIDC Area through IPO proceeds and internal accruals. As such, the Board of Directors does not recommend any Dividend on the equity shares for the FY 2018-19 ended 31<sup>st</sup> March 2019.

**1.4 MAJOR EVENTS OCCURRED DURING THE YEAR****a) STATE OF COMPANY'S AFFAIRS**

Your Company has registered a consistent and strong revenue growth both in terms of revenue and earnings in the FY 2018-19 under review. The consolidated net revenue from operations of Rs. 26064.92 lakh in FY 2018-19 is up by 7.38% as compared to Rs. 24273.57 lakh in FY 2017-18. The operating profit (EBIDTA) at Rs. 3312.83 lakh in FY 2018-19 is 9.55% higher than Rs. 3023.90 lakh of FY 2017-2018. The net profit after share of Profit from Associates for FY 2018-19 has increased from Rs. 1903.61 lakh to Rs. 2260.64 lakh. The overall performance of the respective division/s of the Company during the FY 2018-19 are provided hereunder:-

**ALUMINIUM POWDER AND PASTE DIVISION**

The total revenue of this division is Rs. 19711.16 lakh, up by 11.49% as compared to the revenue of Rs. 17680.09 lakh of FY 2017-18. The segment result is at Rs. 3037.67 lakh which is higher by 14.39% compared to Rs. 2655.44 lakh of FY 2017-18.

**ALUMINIUM CONDUCTORS DIVISION**

The total revenue of this division at Rs. 5748.06 lakh, down by nominal (0.25%) as compared to the revenue of Rs. 5762.73 lakh of FY 2017-18. The segment result is at Rs. 423.93 lakh which is down by (22.3%) compared to Rs. 545.62 lakh of FY 2017-18.

**NEW MANUFACTURING FACILITIES AT MIDC, UMRED (NAGPUR, MH)****ALUMINIUM POWDER FACILITY:**

The project implementation of atomized aluminium powder plant and pyro & flake aluminium powder plant is nearing completion and both sections are expected to commence trial production during July, 2019.

Major buildings are ready and most of the major plant and machinery has been installed. No load trials of some equipments has already been carried out using stand by power source. Utilities like cooling towers, compressors, water and air piping etc., are under progress.

**ALUMINIUM FOIL FACILITY**

For implementation of aluminium foil project, the Company has already initiated steps and released orders for major plant & machinery. Site development work has already started and project will see trial production in Q4 of FY 2019-20.

Orders for the pre-engineered building (PEB) have been placed and civil work is expected to start soon.

**ALUMINIUM POWDER**

The increased and growing demand for atomized powder in the defence sector (Ordinance factories) will boost the demand for the product of the Company.

Specialized fine chemicals formulation applications have been identified and your company has started selling powders to some marquee names.

To further enhance the proposed capacity of 1800 MTPA of pyro & flake powder at Umred, the Company has purchased 4 additional ball mills to meet the future product demand. Consequent to the above, the production capacity for pyro & flake plant will increase from 1800 MT to 2800 MT in FY 2020-2021.

**ALUMINIUM PASTE**

With the transfer of production capacity to TMI for aluminium pastes, your Company is now focusing on sale of leafing powders with better cost efficiency / value addition for the ink and plastic industries. Leafing powders have good export potential and a growing domestic market specially when converted into aluminium pellets. In addition, certain grades of aluminium pastes not being produced by TMI are being produced and sold by your Company to ensure customer retention.

**ALUMINIUM CONDUCTORS**

Looking to the changing market demand the Company is setting up new production capacity for manufacturing aerial bunched cables and power cables with a nominal investment in the existing Bhandara facility. This new line will enable increased utilization of aluminium conductor capacity in the coming years and produce more value added products.

Your Company has also developed special aluminium wire in our Conductor Division and started servicing our explosives customers (who are already buying aluminium powders from us) with this product which is used for sealing of slurry cartridges. We expect this product to support our Conductor division in a significant manner in the coming years.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Overview

MMP Industries Limited ('MMP' or 'the Company') is engaged in manufacturing of aluminium products at locations at and close to Nagpur in the state of Maharashtra. The aluminium product range includes pyro and flake aluminium powders, atomized aluminium powders, aluminium pastes, aluminium conductors (all aluminium, alloy aluminium and aluminium steel reinforced).

Aluminium powders (pyro, flake and atomized) are used in many industrial sectors like construction (AAC Blocks) and mining (aluminised slurry explosives), agriculture (pesticides), defence (ammunition), fire crackers, railways (thermit portions) etc. aluminium pastes are used in automotive, decorative and industrial paints. Aluminium Conductors are consumed by the power sector for laying of overhead transmission lines.

The Existing and Proposed Capacity of the Company are as below:-

Product	Existing Installed Capacity (MTPA)	Proposed Capacity Expansion (MTPA)		Installed Capacity Post Expansion (MTPA)
		2019-20	2020-21

### Associate Companies / Joint Venture Companies

The Company has joint venture with Toyo Aluminium K. K. of Japan for the manufacturing of special grades of aluminium paste in a new company - Toyol MMP India Private Limited (company holds 26% equity).

Star Circlips & Engineering Limited is an associate Company engaged in the manufacture of circlips, retaining rings, washers, shims and formed components mainly used in auto and auto component industries (company holds 26.06% equity).

### Global Economic Scenario and Outlook

The Global Business policy Council forecasts moderate global economic growth of 2.9% for FY 2019, followed by slowing growth through 2023. There are cyclical, structural and geo-political risk factors contributing to this deceleration.

Protectionist policies, violations of both the rules and the spirit of free trade agreements and a looming risk that the World Trade Organization's dispute settlement mechanism will cease to function create profound risks for the current system of international trade.

The strongest regional economic performance will be in Asia, led by India, which continues to be the fastest-growing major economy. Although China's economy is slowing, its growth rate will remain robust in the coming years. Asia's leading the world in economic integration, with the Comprehensive and Progressive Agreement for Trans-Pacific Partnership recently coming into force and the Regional Comprehensive Economic Partnership still under negotiation.

The global aluminium market will see a number of deficits over the next few years as solid demand growth, driven by the construction and autos sectors, outpaces production growth, a new aluminium supply and demand outlook by *Fitch Solutions* reports. The global aluminium demand outlook will benefit from solid construction industry growth and growing roles in autos as a lightweight substitute for steel. *Fitch* forecasts the global aluminium market to witness consistent deficits from 2019 to 2023, with the aluminium stock-to-use ratio declining steadily from 9.6% 5.1% over the same period.

**Indian Economic Scenario and Outlook**

India was the fourth largest producer of aluminium in the world with a share of around 5.33 per cent in global aluminium output. The principal user segment in India for aluminium continues to be electrical and electronics sector followed by the automotive and transportation, building, construction, packaging, consumer durables, industrial and other applications including defense. Over the course of last four years, India's aluminium production capacity has increased to 4.1 MMTPA, driven by investments worth Rs 1.2 lakh crore (US\$ 18.54 billion). (Source : [www.ibef.org](http://www.ibef.org))

Demand for aluminium is expected to pick up as the scenario improves for user industries, like power, infrastructure and transportation. Consumption of is forecasted to reach to 5.30 million tonnes by 2020- 21.

Moreover, stable Government at the Center will boost economic growth, foreign fund flow resulting into more focus on infrastructure activities and policy reforms.

**Industry or Sector wise performance****Infrastructure and Construction**

Infrastructure sector plays an important role in the growth and development of Indian economy. Nearly, 9% of India's GDP is spent on Infrastructure services. It comprises of construction of power, bridges, dams, roads and urban infrastructure development which also forms as base and supporting factor for other services sectors. As infrastructure is highly responsible for propelling growth of other sectors and India's overall development, Government of India is giving huge impetus for development of Infrastructure and construction services through focused policies such as open FDI norms, large budget allocation to Infrastructure sector, Smart cities mission, etc. Infrastructure and construction activities are expected to become 3rd largest market in the world by 2025 (*KPMG Infrastructure Report*).

Indian Real estate sector in India is expected to reach a market size of US\$ 180 billion by 2020 and US\$ 1 trillion by 2030. It is expected to contribute 13% of the country's GDP by 2025. Initiative by the Government to build 100 smart cities and projects like "Housing For All by 2022" to give a further stimulus. Center's norm for compulsory use of material made out of FLY-ASH within 100 kms. radius of thermal plants is expected to drive the sales of AAC Blocks. MMP, which is pioneer in supplying the Aluminum powder for the AAC block application, has managed to increase its sales during the FY 2018-19. This segment is expected to grow the fastest amongst all the segments. We cater due to continuous focus of the government and builders towards low cost housing. Restrictions on red bricks have also resulted in more and more AAC plants coming up in India and this trend will continue in the coming years as well.

**Explosives**

India is the 3rd largest producer of coal as per research reports. Coal production in the country stood at 739.36 million tonnes in FY9 as compared to 688.8 million tonnes in FY18. Increase in housing and infrastructure projects, and improvement in the public transportation facilities including railways and roadways, is expected to give a boost to the demand of the Industrial Explosives industry. Also, a steady growth in the coal production is expected to lead the growth path of the industrial explosives market. Moreover, India is anticipated to be one of the most important country for the industrial explosives amongst the APAC region. (Source: *Persistence Market Research*)

MMP has been able to take advantage of the situation and the sales in the explosive segment have grown significantly during the FY 2018-19. The management foresees this momentum to continue and is working towards maintaining its market share in this segment.

**Pesticides**

According to a new market report published by Lucintel, the future in the global pesticide industry looks good with opportunities in insecticides, fungicides and herbicides market. The global pesticide industry is expected to reach an estimated \$81.1 billion by 2021. The global pesticide industry is forecast to grow at a CAGR of 4.4% by value from 2016 to 2021. Indian pesticide market is further projected to reach INR 292.9 Billion by 2023, at a CAGR of 8.3% during 2018-2023.

The aluminium powder manufactured by the Company is also used in pesticides by the leading pesticide manufacturing industries in India. The Company is having more than 60% market share in the pesticide industry segment. The demand of aluminium powder by pesticide industry will simultaneously move upwards with anticipated growth in pesticide industry in India. The Budget 2019 has identified Agriculture Sector as one of the key drivers of the economy. Under the budget Agricultural Marketing Infrastructure (AMI) scheme 40 lakh MT of storage capacity & 400 other marketing Infrastructure projects are targeted by 2019-20.

**Aluminum Conductors:-**

India's power sector is forecasted to attract investments worth Rs 11.56 lakh crore (US\$ 179.31 billion) between 2017-2022 in thermal, hydro, nuclear and renewables segment. (Source IBEF)

The Government of India targets capacity addition of around 100 GW under the 13th Five-Year Plan (2017–22). Government also approves 100% electrification of railways by 2021-22. Cable & Wire Fair 2017 (CWF17) forecasts a period of massive growth for the Indian wire and cable industry in the period 2017-2022 driven largely by five mega segments, viz. Power, Telecommunication, Infrastructure, automotive, and railways. (Source : [www.wirecable.in](http://www.wirecable.in))

Further, the Company will become eligible for supply to Powergrid Corporation and get the approval soon, which will increase the conductors capacity utilization, sales and consequently margins in next financial year.

**Export**

MMP's primarily exports its products to three (3) main regions in the world. These are Europe, Africa and the Middle East. The Company's exports were slightly lowered down during the FY 2018-19. The slowdown in the construction industry, resulted in lower off take in AAC segment.

**Cost Reductions**

During the FY 2018-19 under review, the Company initiated various steps to reduce operational costs through various activities like TQM and GEMBA. Moving ahead, the Company will put further additional efforts to reduce costs with a special focus towards reducing electricity costs.

**Opportunities**

Aluminium has been continuously finding new applications due to rising price competence since it is cheaper than copper, due to its superior weight to strength ratio, corrosion resistance, formability, dampness etc. Reforms proposed by the Government of India like the Make in India Campaign, Smart Cities, Rural Electrification and a focus on building renewable energy projects under the National Electricity Policy have augmented the usage of the metal during FY18. Buoyant demand and market recovery across businesses in India is to further increase the demand for aluminium.

With the Indian economy on the upswing and general global growth, the Company's new facilities at Umred MIDC Area will see very high utilization percentage in Q3 and Q4 of FY 2019-20.

The Company also envisages a good growth in the Aluminum Conductor segment. MMP is also working towards becoming a qualified vendor to Power Grid Corporation of India, which will enhance both volume and profitability.

The collaboration for manufacturing Aluminum Paste with Toyo Aluminum KK of Japan will give the Company a technical edge in the domestic market and will enable it to manufacture more value added products. The Company will also have access to various global Toyo marketing channels, which will help both the Aluminium powder and paste business.

**Threats**

The ever changing political scenario have a bigger impact over the capability of a government for decision making and accordingly, can have an adverse impact on policies resulting into a negative growth.

The volatility in the prices of important raw material namely Aluminum is another challenge with the rapidly changing global economic scenario. This impacts the Aluminium Conductor business of the Company.

The manufacturing of Aluminum Powder is a hazardous process and there is always a risk of accidents in the plant. MMP is OHSAS and EMS certified and gives prime importance to safety of its people. The Company conducts regular safety audits and trainings in order to mitigate the risks of an accident.

**Cautionary Statement**

The statements in the 'Management Discussion and Analysis' describing the Company's objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning applicable to securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand or supply and price conditions in the domestic and overseas markets, changes in the Government regulations, tax laws and other statutes and other incidental factors.

## INDEPENDENT AUDITORS' REPORT

To the Members of MMP Industries Limited

### Report on the Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of **MMP INDUSTRIES LIMITED** ("the Company") which comprises the Balance Sheet as at **March 31, 2019**, the Statement of Profit and Loss and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules 2014 and other accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2019**, and its profit and its cash flows for the year ended on that date.

#### Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment were most of significance in or audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated to our report.

The Key Audit Matters	How was the matter addressed in our Audit
<b>Revenue Recognition</b>	
Revenue is one of the key profit drivers and is therefore susceptible to misstatements. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the years.	Our audit procedures with regards to revenue recognition included testing controls, automated and manual, around dispatches / deliveries, inventory reconciliations and circularization of receivable balances, substantive testing for cut-off and analytical review procedures.
<b>Capital Work-in-Progress / Property, Plants and Equipments</b>	
The Company had embarked on the project of setting up the manufacturing plants in "Umred". Value of such plants capitalized during the period is ₹ "NIL". The projects need to be capitalized and depreciated once the assets are ready for use as intended by the management. Inappropriate timing of capitalization of the project and / or inappropriate classification of categories of items of Property, Plants and Equipments could result in material misstatement of Capital Work-in-Progress / Property, Plants and Equipments with a consequent impact on depreciation charge and results for the period.	Our audit procedures included testing the design, implementation and operating effectiveness of controls in respect of review of Capital Work-in-Progress, particularly in respect of timing of the capitalization and recording of additions to items of various categories of PPE with source documentation, substantive testing of appropriateness of the Cut-off date considered for project capitalization.  We tested the source documentation to determine whether the expenditure is of capital nature and has been appropriately approved and segregated into appropriate categories. We reviewed operating expenses to determine appropriateness of accounting. Further, through sites visits, we physically verified existence of Capital Work-in-Progress / Property, Plants and Equipments.

The Key Audit Matters	How was the matter addressed in our Audit
<b>Intangible Assets under Developments</b>	
<p>During the period, the Company has gone for system Upgradation from Tally 9.0 to SAP S/4 HANA. The Upgradation of the system is in process as at the date of reporting. Migration to SAP is a major upgrade from existing core enterprise application system resulting into a significant change to financial accounting configurations which is the core for financial reporting including preparation of standalone financial statements.</p> <p>Risks identified as emanating from the aforesaid change were (i) Inappropriate changes made to the application systems or programs that contain relevant automated controls (i.e. configurable settings, automated algorithms, automated calculations, and automated data extraction) and / or report logic and (ii) Systems not adequately configured or updated to restrict system access to authorized users.</p>	<p>Our audit procedures included obtaining detailed project plans and SAP Governance framework for transition to SAP landscape. We involved Information Technology (IT) Specialists as part of the audit team to perform audit procedures in respect of this upgradation.</p> <p>Audit procedures performed by the IT Specialists involved, obtaining User Acceptance Testing ('UAT') sign-off to ensure that the implemented system was configured in line with business requirements, performing test of General IT Controls and user access controls in respect of SAP S/4 HANA IT environment and testing the operating effectiveness of the data migration process. The audit procedures also involved testing of critical transactions, segregation of duties (SOD) rules to ensure system access was restricted to authorized users and testing of interface controls between new SAP environment and other auxiliary systems.</p>

#### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report, Report on Corporate governance and the Business Responsibility Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statement that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principle generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentations of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Sub - Section (11) of Section 143 of the Act, we give in the **Annexure "A"** a statement on the matters specified in paragraph 3 and paragraph 4 of the said Order.

## Annexure 'A' to the Independent Auditors' Report

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" Section of our report of even date) Report on Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in term of Section 143(11) of the Companies Act, 2013 ('the Act') of MMP INDUSTRIES LIMITED ("the Company")

1. In respect of the Company's fixed assets:

- (a) The Company has maintained proper records in the electronic mode showing the full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified by the management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such physical verification. In our opinion, this periodicity of physical verification is reasonable having regards to the size of the Company and the nature of its assets.
- (c) According to the information and explanation given to us and on the basis of our examination of the records of the Company produced and verified by us, we report that, the title deeds of immovable properties of land and buildings which are freehold, are held in the name of the Company as at the Balance Sheet date.

2. In respect of Company's Inventories:

As explained to us, inventories except goods in transits and the stock lying with third parties were physically verified during the year by the management at reasonable intervals. In our opinion, the frequency of verification is reasonable. As explained to us, there was no material discrepancies noticed on such physical verification of inventories as compared to the book records. However, the deficiencies if any, noticed on such physical verification have been properly dealt with in the books of accounts.

3. In respect of the loan, secured or unsecured, granted by the Company to the companies, firms, limited liabilities partnerships or other parties covered in the register maintained under section 189 of Companies Act, 2013.  
According to information and explanation given to us, there are no such companies, firms, limited liabilities partnership and other parties covered in the register maintained under section 189 of the Companies Act, 2013 to whom Company has granted any kind of loan, whether secured or unsecured.
4. In our opinion and according to information and explanations given to us, the Company has complied with the provisions of Section 185 and Section 186 of the Act, in respect to grant of loans, making investments and providing guarantees and securities, as applicable.
5. The Company has not accepted any deposits from public during the year and does not have any unclaimed deposits as at March 31, 2019 and therefore, Reporting under Clause 3(v) of the Order are not applicable to the Company.
6. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost record have been made and maintained.
7. According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of statutory dues, we report that :
  - (a) The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, value added tax, service tax, duties of custom, duties of excise, goods and service tax, cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, value added tax, service tax, duties of custom, duties of excise, goods and service tax, cess and other material statutory dues were in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.

- (b) According to the information and explanation given to us, there are no material dues of duties of custom, income tax, sales tax, duties of excise, service tax, goods and service tax and value added tax which have not been deposited on account of any dispute except the following cases:

Name of the Statute	Nature of the Dues	Forum where dispute is pending	Period to which the amount relates	Amount involved (₹ in Lakhs)
Central Sales Tax Act & Sales Tax Act of State.	Value Added Tax & Central Sales Tax Act	Appellate Authorities up to Commissioner's level	Financial year 2003-2004	4.36
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeals)	Financial year 2012-13	1.83
Central Excise Act, 1944	Excise Duty	Central Excise	April 2004 to March 2009	174.00

8. In our opinion and according to the information and explanation given to us, the Company has not defaulted in any repayment of any loans or borrowings from any financial institution, banks, and Government or has not issued any debentures during the reporting period.
9. In our opinion and according to the information and explanation given to us, during the year, the Company raised money by way of Initial Public Offer (IPO) through the Book Building process, in the designated Stock Exchange – National Stock Exchange of India Limited on its SME Platform namely “NSE – SME – EMERGE”. In our opinion and according to the information and explanation given to us, the Company has utilized the raised fund for the purpose for which they raised, except the funds deployed temporarily elsewhere. The Company has not taken any term loan during the reporting period.
10. According to the information and explanation given to us and on the basis of examinations of records of Company, we report that no fraud by the Company or material fraud on the Company by its officers or employees has been noticed or reported during the year.
11. The Company has paid or provided the Managerial Remuneration during the year in accordance with the requisite approvals mandated by the provisions of Section 197 read with the Schedule - V of the Companies Act, 2013.
12. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to Company.
13. According to information and explanations given to us and based on our examination of the records of the Company, all transactions with related parties are in compliance with Section 177 and Section 188 of the Act wherever applicable and details of such transactions have been disclosed in the Standalone financial statements, under “Note No. - 29 - the Transactions with the Related Party” as required under Accounting Standard (AS) 18, “Related Party Disclosure” specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014.
14. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause 3(xiv) of the said Order is not applicable to Company.
1. In our opinion and according to the information and explanation given to us, during the year, the Company has not entered into any non - cash transactions with its directors or the person connected with him and hence provisions of Section 192 of Act are not applicable. Thus, reporting under clause 3 (xv) of the Order is not applicable to the Company.
2. The Company is not required to be registered under Section 45 - IA of the Reserve Bank of India Act, 1934.

## **Annexure 'B' to the Independent Auditors' Report**

**(Referred to in paragraph 2(f) under “Report on the Other Regulatory Requirements” Section of our report of even date)  
Report on the Internal Financial Controls over the Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the Internal Financial Controls over the Financial Reporting of “**MMP INDUSTRIES LIMITED**” (“the Company”) as of **March 31, 2019** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both, issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls over the Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Standalone Financial Statements for the Year Ended on March 31, 2019

### 1. Corporate Information

**MMP INDUSTRIES LIMITED** is a Limited Company, domiciled and incorporated under the provisions of Companies Act, 1956. The Company is mainly engaged in the business of Manufacturing of Aluminium Powder, Atomized Powder, Aluminium Pyro and Flake Powder, Aluminium Paste and Aluminium Conductor. The Company is also engaged in trading and manufacturing of MnO and MnO<sub>2</sub> Powder. The Registered office of the Company is situated at 211, Shri Mohini Complex, 345, Kingsway, Nagpur - 440001, MH, IN.

### 1.1 BASIS OF PREPARATION

#### a) Accounting Convention

These standalone financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP"). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014. The standalone financial statements have been prepared on an accrual basis and under the Historical Cost Convention.

Accounting Policies adopted in the preparation of standalone financial statements are consistent with those of previous year except where a newly - issued accounting standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

#### b) Use of Estimates

The preparation of the standalone financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of standalone financial statements and reported amounts of income and expenses during the reporting period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post - sales customer support and the useful lives of property, plants and equipments.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in the estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the "Notes to the Standalone Financial Statements".

#### c) Current and Non - Current Classification

An asset or a liability is classified as Current when it satisfies any of the following criteria:

- i) It is expected to be realized / settled, or is intended for sales or consumptions, in the Company's Normal Operating Cycle;
- ii) It is held primarily for the purpose of being traded.
- iii) It is expected to be realized / due to be settled within twelve months after the end of reporting date;
- iv) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as Non - Current.

For the purpose of Current / Non - Current classification of assets and liabilities, the Company has ascertained its operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of the assets or liabilities for processing and their realization in Cash and Cash Equivalents.

## 1.2 Summary of Significant Accounting Policies

### a) Presentation and Disclosure of Standalone Financial Statements

These standalone financial statements have been prepared as per “Schedule - III” notified under the Companies Act, 2013. The Company has also reclassified / regrouped / restated the previous year figures in accordance with the requirements applicable in the current year.

### b) Property, Plants and Equipments

#### Tangible

#### Measurement at Recognition:

An item of Property, Plant and Equipment that qualifies as an asset is measured on initial recognition at cost, net of recoverable taxes, if any less accumulated depreciation / amortization and impairment losses, if any.

The Company identifies and determines cost of each part of an item of Property, Plant and Equipment separately. If the part has a cost which is significant to the total costs of that item of Property, Plant and Equipments and has a useful life that is materially different from that of remaining items.

The cost comprises of its purchase price including import duties and other non refundable purchase taxes or levies, directly attributable to the cost of bringing the asset to its present location and working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discount and rebates are deducted in arriving at the purchase price of such Property, Plant and Equipments.

Such cost also includes the cost of replacing a part of the plant and equipment and the borrowing cost of the long – term construction projects, if the recognition criteria are met. When the significant parts of Property, Plant and Equipments are required to be replaced at periodical intervals, the Company recognizes such part as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipments as a replacement, if the recognition criteria are satisfied, all other repair and maintenance costs are recognized in the Standalone Statement of Profit and Loss as when incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

All the costs, including administrative, financing and general overhead expenses, as are specifically attributable to construction of a project or to the acquisition of a Property, Plants and Equipments or bringing it to its present location and working condition, is include as a part of the cost of construction of the project or as a part of the cost of Property, Plant and Equipments, till the commencement of commercial production. Any adjustments arising from exchange rate variations attributable to the Property, Plant and Equipments are capitalized as aforementioned.

Borrowing cost relating to the acquisition / construction of Property, Plant and Equipments which takes the substantial period of time to get ready for its intended use are also included in the cost of Property, Plant and Equipments / cost of constructions to the extent they relate to the period till such Property, Plant and Equipments are ready to be put to use.

Any subsequent expenditure related to an item of Property, Plant and Equipments is added to its book value only and only if it increases the future economic benefits from the existing asset beyond its previously assessed standard of performance.

Any items such as spare parts, stand by equipments and servicing equipments that meet the definitions of the Property, Plant and Equipments are capitalized at cost and depreciated over the useful life of the respective Property, Plant and Equipments. Cost is in the nature of repair and maintenances are recognized in the Standalone Statement of Profit and Loss as and when incurred.

#### Capital Work-in-Progress and Capital Advances

Cost of Property, Plant and Equipments not ready for intended use, as on the balance sheet date, is shown as a “Capital Work-in-Progress”. Any advances given towards acquisition of Property, Plants and Equipments outstanding at each balance sheet date are disclosed as “Other Non – Current Assets”.

**Depreciation**

Depreciation on each part of Property, Plants and Equipments is provided to the extent of the depreciable amount of the assets on the basis of "Straight Line Method (SLM)" except in the case of tangible property, plants and equipments related to "MIDC - Hingna Unit", which has been depreciated by using the WDV Method on the useful life of the tangible property, plants and equipments as estimated by the management on the useful life of the Property, Plants and Equipments as estimated by the management and is charged to the Standalone Statement of Profit and Loss, as per the requirement of *Schedule - II to the Companies Act, 2013*. The estimated useful life of the Property, Plants and Equipments has been assessed based on the technical advice which is considered in the nature of the Property, Plants and Equipments, the usage of the Property, Plants and Equipments, expected physical wear and tear of the such Property, Plants and Equipments, the operating conditions, anticipated technological changes, manufacturer warranties and maintenance support of the Property, Plants and Equipments etc.

When the parts of an item of the Property, Plants and Equipments have different useful life, they are accounted for as a separate item (major components) and are depreciated over their useful life or over the remaining useful life of the principal Property, Plants and Equipments, whichever is less.

The useful life of the items of Property, Plants and Equipments as estimated by the management is mentioned below:

S. No.	Name of Property, Plants and Equipments	Useful Life (In Years)
1.	Factory Building	30 Years
2.	Building (Other than Factory Building)	60 Years
3.	Plant and Machineries (Including Continuous Process Plant)	15 - 25 Years
4.	Furniture and Fixtures	10 Years
5.	Office Equipments	10 Years
6.	Computer & Other Data Processing units	03 Years
7.	Motor Vehicles	08 - 10 Years
8.	Electrical Installation and Other Equipment	10 Years

The management believes that the useful life as given above is best to represent the period over which management expects to use these Property, Plants and Equipments.

Freehold land is not depreciated. Leasehold land and their improvement costs are amortized over the period of the lease.

The useful lives, residual value of each part of an item of Property, Plants and Equipments and intangible assets and the method of depreciation are reviewed at the end of each reporting period, if any, of these expectation differ from the previous estimates, such change is accounted for as a change in accounting estimate and adjusted prospectively, if appropriate.

**Derecognition**

The carrying amount of an item of Property, Plants and Equipments and Intangible Assets is recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from derecognition of the Property, Plants and Equipments is measured as the difference between the net disposal proceeds and the carrying amount of the assets and is recognized in the Standalone Statement of Profit and Loss, as and when the assets are derecognized.

**c) Intangible Assets****Measurement at Recognition**

Intangible assets acquired separately measured on the initial recognition at Cost. Intangible assets arising on the acquisition of business are measured at fair value as at the date of acquisition. Internally generated intangible assets including research cost are not capitalized and the related expenditure is recognized in the Standalone Statement of Profit and Loss in the period in which the expenditure is incurred. Intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

**Amortization**

Intangible assets with the finite lives are amortized on a “Straight Line Basis” over the estimated useful economics life of such Intangible assets. The amortization expenses on Intangible assets with the finite lives are recognized in the Standalone Statement of Profit and Loss.

The amortization period and the amortization method for an intangible asset with the finite useful life are reviewed at the end of each financial year. If any of these expectations differ from the previous estimates, such changes are accounted for as a change in an accounting estimate.

**Derecognition**

The carrying amount of an Intangible asset is recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an Intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Standalone Statement of Profit and Loss, as and when such asset is derecognized.

**d) Impairment**

The Company assesses at each reporting date whether there is an indication that assets may be impaired. If any indication exists based on internal or external factors, or when annual impairment testing for assets is required, the Company estimates the asset's recoverable amount. Where the carrying amount of the assets exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. After the impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exists or has decreased. However, the increase in the carrying amount of assets due to the reversal of an impairment loss is recognized to the extent it does exceed the carrying amount that would have been determined (net of depreciation) had no Impairment Loss been recognized for the assets in the prior years.

**e) Lease**

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risk and rewards incidental to the ownership to the Company is classified as a finance lease.

**The Company as a lessee:**

- a) **Operating Lease:-** Rental payable under the operating lease are charged to the Standalone Statement of Profit and Loss on a Straight line basis over the term of the relevant lease.
- b) **Finance Lease:-** Finance lease are capitalized at the commencement of the lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Standalone Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and the reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against the income over the period of the lease.

The Company has not provided any of its assets on the basis of operating lease or finance lease to others.

**f) Investments**

Investments are classified into Current or Non - Current Investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as Current Investments. All other Investments are classified as Non - Current Investments. However that part of Non - Current Investments which are expected to be realized within twelve months from the Balance Sheet date is also presented under “Current Investments” under “Current portion of Non - Current Investments” in consonance classification of Current / Non – Current classification of Schedule-III of the Act.

On the initial recognition, all investments are measured at the cost. The cost comprises purchases price and any other expenses i.e. directly attributable to the acquisition charges such as brokerage, fees and duties of such investments.

Current Investments are stated at the lower of Cost and fair value at each Balance Sheet date. The comparison of cost or fair value is done separately in respect of each category of investments.

Non - Current Investments are carried at cost. A provision for diminution in the value of Non - Current Investments is made only if such a decline is other than temporary in the opinion of the Management. Reversal of such provision for diminution is made when there is rise in the value of Non - Current Investments, or if the reasons for the decline no longer exist.

On the disposal of the Investments, the difference between its carrying value and the net disposal proceeds is recognized in the Standalone Statement of Profit and Loss.

#### g) Inventories

Inventories of the raw material, work-in-progress, finished goods, packing material, stores and spares, components, consumables and stock in trade are carried at lower of cost and net realizable value. However, raw material and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item by item basis.

Cost of inventories included the cost incurred in bringing the each product to its present location and conditions are accounted as follows:

- a) **Raw Material:-** Cost included the purchase price and other direct or indirect costs incurred to bring the inventories into their present location and conditions. Cost is determined on *First in First out basis (FIFO)*.
- b) **Finished Goods and Work-in-Progress:-** Cost included cost of direct materials and the labor cost and a proportion of manufacturing overhead based on the normal operating capacity, but excluding the borrowing costs. Cost is determined on *"First in First out basis (FIFO)"*.
- c) **Stock in Trade:-** Cost included the purchase price and other direct or indirect costs incurred in bringing the inventories to their present location and conditions. Cost is determined on *"Weighted Average Basis"*.

All other inventories of stores and spares, consumables, project material at site are valued at cost. The stock of waste or scrap is valued at net realizable value. Excise Duty wherever applicable is provided on the finished goods lying within the factory and bonded warehouse at the end of the reporting period.

*"Net Realizable Value"* is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated cost necessary to make the sales of the products.

#### h) Borrowing Cost

Borrowing Cost includes the interest, commitments charges on bank borrowings, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying property, plants and equipments are capitalized as a part of cost of that property, plants and equipments. The amount of borrowing costs eligible for capitalization is determined in accordance with the Accounting Standards – 16 *"Borrowing Costs"*. Other Borrowing Costs are recognized as expenses in the period in which they are incurred.

In accordance with the Accounting Standard – 16, exchange differences arising from foreign currency borrowings to the extent that they are regarded as adjustments to interest costs are recognized as Borrowing Costs, and are capitalized as a part of cost of such property, plants and equipments if they are directly attributable to their acquisition or charged to the Standalone Statement or Profit and Loss.

#### I) Employee Benefits

##### Short Term Employee Benefits

All the employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits and they are recognized in the period in which the employee renders the related services. The Company

recognizes the undiscounted amount of short term employee benefits expected to be paid in the exchange for services are rendered as a liability (accrued expense) after deducting any amount already paid.

### **Post Employment Benefits**

#### **a) Defined Contribution Plans**

Defined contribution plans are employee state insurance scheme and Government administrated pension fund scheme for all the applicable employees and superannuation scheme for all eligible employees. **n) Taxes on Income**

Tax expense comprises Current and Deferred tax. Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Income taxes reflects the impact of current period timing differences between taxable income and accounting income for the period and reversal of timing differences of the earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred tax assets can be realized. In the situations where the Company has unabsorbed depreciation or carry forward taxable losses, all the Deferred tax assets are recognized only if there is the virtual certainty supported by the convincing evidence that they can be realized against future taxable profits. At reporting date the Company re -assesses the unrecognized Deferred Tax assets. It recognizes unrecognized Deferred Tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such Deferred Tax assets can be realized.

The carrying amount of Deferred Tax assets are reviewed at each reporting date. The Company write - down the carrying amount of a Deferred Tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which Deferred Tax asset can be realized. Any such write - down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT Credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountant of India, the said asset is created by the way of a credit to the Statement of Profit or Loss and shown as MAT Credit Entitlement. The Company reviews the same at each reporting period and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay Normal Income Tax during the specified period.

**q) Earnings per Share**

The Company reports the basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20, "*Earnings per Share*". Basic EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all potential Equity Shares, except where the results are Anti - Dilutive.

The weighted average number of Equity Shares outstanding during the period is adjusted for events such as a Bonus Issue, Bonus elements in right issue, share splits, and reverse share split (consolidation of shares) that have changed the number of Equity Shares outstanding, without a corresponding change in resources.

**r) Provisions and Contingencies**

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as Contingent Liability.

A disclosure for a Contingent Liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation is reported as Contingent Liability. In the rare cases, when a liability cannot be measured reliably, it is classified as Contingent Liability. The Company does not recognize a Contingent Liability but disclosed its existence in the standalone financial statements.

**s) Event after Reporting Date**

Where events occurring after the Balance Sheet date provide evidence of condition that existed at the end of reporting period, the impact of such events is adjusted within the standalone financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

All the events occurring after the Balance Sheet date up to the date of the approval of the standalone financial statement of the Company by the board of directors on **May 29, 2019**, have been considered, disclosed and adjusted, wherever applicable, as per the requirement of Accounting Standards.

**t) Non - Current Assets Held for Sales**

The Company classifies non – current assets as held for sale if their carrying amount will be recovered principally through a sale rather than through continuing use of the assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non – current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to the sell. Non – current assets are not Depreciated or Amortized.

**u) Cash Flow Statement**

Cash Flows Statements are reported using the “Indirect Method” set out in the Accounting Standard – 3 “*Cash Flow Statements*”, whereby the Net Profit / (Loss) before tax is adjusted for the effects of the transactions of a Non - Cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**v) Cash and Cash Equivalents**

Cash and Cash Equivalents include Cash and Cheques in Hand, Balances with Banks, and demand deposits with Banks and other Short term highly liquid investments where the original maturity is less than three months or less.

**INDEPENDENT AUDITORS' REPORT****To the Members of MMP Industries Limited  
Report on the Consolidated Financial Statements****Opinion**

We have audited the accompanying consolidated financial statements of **MMP INDUSTRIES LIMITED** (hereinafter referred to as “the Holding Company”) and its associates companies (the Holding Company and its associates companies together referred to as “the Group”) which comprises the Consolidated Balance Sheet as at **March 31, 2019**, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditor on separate financial statements of one of the associates company referred below in other matter paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules 2014 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at **March 31, 2019**, and its consolidated profit and its consolidated cash flows for the year ended on that date.

**Basis of Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment were most of significance in or audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated to our report.

<b>The Key Audit Matters</b>	<b>How was the matter addressed in our Audit</b>
<b>Revenue Recognition</b>	
Revenue is one of the key profit drivers and is therefore susceptible to misstatements. Cut-off is the key assertion in so far as revenue recognition is concerned, since an inappropriate cut-off can result in material misstatement of results for the years.	Our audit procedures with regards to revenue recognition included testing controls, automated and manual, around dispatches / deliveries, inventory reconciliations and circularization of receivable balances, substantive testing for cut-off and analytical review procedures.
<b>Capital Work-in-Progress / Property, Plants and Equipments</b>	
The Company had embarked on the project of setting up the manufacturing plants in “Umred”. Value of such plants capitalized during the period is ₹ “NIL”. The projects need to be capitalized and depreciated once the assets are ready for use as intended by the management. Inappropriate timing of capitalization of the project and / or inappropriate classification of categories of items of Property, Plants and Equipments could result in material misstatement of Capital Work-in-Progress / Property, Plants and Equipments with a consequent impact on depreciation charge and results for the period.	Our audit procedures included testing the design, implementation and operating effectiveness of controls in respect of review of Capital Work-in-Progress, particularly in respect of timing of the capitalization and recording of additions to items of various categories of PPE with source documentation, substantive testing of appropriateness of the Cut-off date considered for project capitalization.  We tested the source documentation to determine whether the expenditure is of capital nature and has been appropriately approved and segregated into appropriate categories. We reviewed operating expenses to determine appropriateness of accounting. Further, through sites visits, we physically verified existence of Capital Work-in-Progress / Property, Plants and Equipments.

The Key Audit Matters	How was the matter addressed in our Audit
<b>Intangible Assets under Developments</b>	
<p>During the period, the Company has gone for system Upgradation from Tally 9.0 to SAP S/4 HANA. The Upgradation of the system is in process as at the date of reporting. Migration to SAP is a major upgrade from existing core enterprise application system resulting into a significant change to financial accounting configurations which is the core for financial reporting including preparation of consolidated financial statements.</p> <p>Risks identified as emanating from the aforesaid change were (i) Inappropriate changes made to the application systems or programs that contain relevant automated controls (i.e. configurable settings, automated algorithms, automated calculations, and automated data extraction) and / or report logic and (ii) Systems not adequately configured or updated to restrict system access to authorized users.</p>	<p>Our audit procedures included obtaining detailed project plans and SAP Governance framework for transition to SAP landscape. We involved Information Technology (IT) Specialists as part of the audit team to perform audit procedures in respect of this upgradation.</p> <p>Audit procedures performed by the IT Specialists involved, obtaining User Acceptance Testing ('UAT') sign-off to ensure that the implemented system was configured in line with business requirements, performing test of General IT Controls and user access controls in respect of SAP S/4 HANA IT environment and testing the operating effectiveness of the data migration process. The audit procedures also involved testing of critical transactions, segregation of duties (SOD) rules to ensure system access was restricted to authorized users and testing of interface controls between new SAP environment and other auxiliary systems.</p>

#### Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report, Report on Corporate governance and the Business Responsibility Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, compare with the financial statements of one of the associate companies audited by the other auditor, to the extent it relates to these entities and, in doing so, place the reliance on the work of the other auditor and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the associate, is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statement that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principle generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentations of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Group, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Holding Company and of its associates is also responsible for overseeing the Group's financial reporting process.

### **Auditor's Responsibility for the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Group and other entities included in the consolidated financial statements of which are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We have not audited the standalone financial statements of one of the associate company. These standalone financial statements have been audited by the other auditor whose report have been furnished to us by the Holding Company's management and our opinion on the consolidated financial statements is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of one of the associate company incorporated in India, referred in the Other Matters paragraph above, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
  - b. In our opinion proper books of account as required by law have been kept by the Holding Company and its associates included in the Group including the relevant records relating to preparation of the consolidated financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors;
  - c. In our opinion, the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained by the Holding Company and its associates included in the Group including the relevant records relating to the preparation of the consolidated financial statements;
  - d. In our opinion, the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e. On the basis of the written representation received from the directors of the Holding Companies as on March 31, 2019 taken on the record by the Board of Directors of the Holding Company and based on the audit reports of the statutory auditor of its associates company, none of directors of the Group is disqualified as on March 31, 2019 from being appointed as a director in term of Section 164(2) of the Act.

- f. With respect to adequacy of the internal financial controls over financial reporting of the Holding Company and its associates and the operating effectiveness of such control, refer to our separate report in **Annexure “A”**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over the financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended;

In our opinion and to the best of our information and explanations given to us, the remuneration paid by the Group to its directors during the reporting period is in accordance with the provision of Section 197 of the Act.

- h. With respect to the other matters to be included in the Independent Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- (i) The consolidated financial statements disclose the impact of pending litigations on its financial position in its consolidated financial statements – “Refer Note No. 31”.
- (ii) In our opinion and according to the explanation given to us, the Group has not entered into any long term contracts including derivatives contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring amounts, required to be transferred, to Investor Education and Protection Fund by the Group.

## **Annexure 'A' to the Independent Auditors' Report**

**(Referred to in Paragraph 2(f) under “Report on the Other Regulatory Requirements” Section of our report of even date)  
Report on the Internal Financial Controls over the Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of consolidated financial statements of the Holding Company as of and for the year ended **March 31, 2019**, we have audited the Internal Financial Controls over the Financial Reporting of “**MMP INDUSTRIES LIMITED**” (“the Holding Company”) and its associates companies which are incorporated in India, as of that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding Company and its associates companies, which are incorporated in India, are responsible for establishing and maintaining the internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both, issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A Holding Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Holding Company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Holding Company are being made only in accordance with authorizations of management and directors of the Holding Company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Holding Company's assets that could have a material effect on the consolidated financial statements.

**Inherent Limitations of Internal Financial Controls over the Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its associates companies, to the best of our information and according to the explanation given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31, 2019** based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

**Other Matter**

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over the financial reporting of the Holding Company, in so far as it relates to separate standalone financial statements of one of the associate company, which is incorporated in India, is based on the corresponding report of the auditor of such associate company, which is incorporated in India.

## 1. Corporate Information

**MMP INDUSTRIES LIMITED** is a Limited Company, domiciled and incorporated under the provisions of Companies Act, 1956. The Company is mainly engaged in the business of Manufacturing of Aluminium Powder, Atomized Powder, Aluminium Pyro and Flake Powder, Aluminium Paste and Aluminium Conductor. The Company is also engaged in trading and manufacturing of MnO and MnO<sub>2</sub> Powder. The Registered office of the Company is situated at 211, Shree Mohini Complex, Kingsway, Nagpur (M.S.) - 440001.

## 1.1 BASIS OF PREPARATION

## a) Basis of Consolidation

The Consolidated financial statements of **MMP INDUSTRIES LIMITED** comprise the standalone financial statements of MMP Industries Limited ("the Holding Company") and its associate companies (collectively referred to as "the Group") as on March 31, 2019. The consolidated financial statements have been prepared on the following basis:

- i) The Group's Investment in the associates where the Holding Company directly or indirectly holds more than 20% of the Equity, are accounted for using Equity Method and its share of pre – acquisition profits / (losses) is reflected as Capital Reserve / Goodwill in the carrying value of investments in accordance with the Accounting Standard – 23, "Accounting for Investments in Associates in Consolidated Financial Statements" as specified under the section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014.
- ii) The Group accounts for its share of post acquisition changes in the net assets of associates, after eliminating the unrealized profit and losses resulting from transactions between the Holding Company and its associates to the extent of its share, through Consolidates Statement of Profit and Loss, to the extent such changes is attributable to the associates' Statement of Profit and Loss and through its reserves and surplus for the balance based on available information.
- iii) The difference between the cost of investment in the associates and the Group's share of net assets at the time of acquisition of the share in the associates is identified in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- iv) The unamortized carrying value of the Goodwill is tested for impairment as at each Balance Sheet date.
- v) The standalone financial statements of the associates companies used in the consolidation are drawn up to the same reporting date as of the Holding Company i.e. March 31, 2019.
- vi) The consolidated financial statements have been prepared using the uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Holding Company's standalone financial statements.

The list of the associates companies which are included in the consolidation and the Group's holdings therein are as under :

S. No.	Name of the Associates Company	31.03.2019	31.03.2018	Country of Incorporation
		Ownership in Percentage either through directly or indirectly		
1.	Star Circlips and Engineering Limited	26.06%	26.06%	India
2.	Toyal MMP India Private Limited	26.00%	26.00%	India

**b) Accounting Convention**

These consolidated financial statements of the Holding Company have been prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP"). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014. The consolidated financial statements have been prepared on an accrual basis and under the Historical Cost Convention.

Accounting Policies adopted in the preparation of consolidated financial statements are consistent with those of previous year except where a newly - issued accounting standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

**c) Use of Estimates**

The preparation of the consolidated financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of consolidated financial statements and reported amounts of income and expenses during the reporting period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post - sales customer support and the useful lives of property, plants and equipments.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in the estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimate are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the "*Notes to the Consolidated Financial Statements*".

**d) Current and Non - Current Classification**

An asset or a liability is classified as Current when it satisfies any of the following criteria:

- i) It is expected to be realized / settled, or is intended for sales or consumptions, in the Company's Normal Operating Cycle;
- ii) It is held primarily for the purpose of being traded.
- iii) It is expected to be realized / due to be settled within twelve months after the end of reporting date;
- iv) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as Non - Current.

For the purpose of Current / Non - Current classification of assets and liabilities, the Company has ascertained its operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of the assets or liabilities for processing and their realization in Cash and Cash Equivalents.

**1.2 Summary of Significant Accounting Policies****a) Presentation and Disclosure of Consolidated Financial Statements**

These consolidated financial statements have been prepared as per "Schedule - III" notified under the Companies Act, 2013. The Group has also reclassified / regrouped / restated the previous year figures in accordance with the requirements applicable in the current year.

**b) Property, Plants and Equipments****Tangible****Measurement at Recognition:**

An item of Property, Plant and Equipment that qualifies as an asset is measured on initial recognition at cost, net of recoverable taxes, if any less accumulated depreciation / amortization and impairment losses, if any.

The Holding Company identifies and determines cost of each part of an item of Property, Plant and Equipment separately. If the part has a cost which is significant to the total costs of that item of Property, Plant and Equipments and has a useful life that is materially different from that of remaining items.

The cost comprises of its purchase price including import duties and other non refundable purchase taxes or levies, directly attributable to the cost of bringing the asset to its present location and working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discount and rebates are deducted in arriving at the purchase price of such Property, Plant and Equipments.

Such cost also includes the cost of replacing a part of the plant and equipment and the borrowing cost of the long – term construction projects, if the recognition criteria are met. When the significant parts of Property, Plant and Equipments are required to be replaced at periodical intervals, the Holding Company recognizes such part as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipments as a replacement, if the recognition criteria are satisfied, all other repair and maintenance costs are recognized in the Consolidated Statement of Profit and Loss as when incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

All the costs, including administrative, financing and general overhead expenses, as are specifically attributable to construction of a project or to the acquisition of a Property, Plants and Equipments or bringing it to its present location and working condition, is include as a part of the cost of construction of the project or as a part of the cost of Property, Plant and Equipments, till the commencement of commercial production. Any adjustments arising from exchange rate variations attributable to the Property, Plant and Equipments are capitalized as aforementioned.

Borrowing cost relating to the acquisition / construction of Property, Plant and Equipments which takes the substantial period of time to get ready for its intended use are also included in the cost of Property, Plant and Equipments / cost of constructions to the extent they relate to the period till such Property, Plant and Equipments are ready to be put to use.

Any subsequent expenditure related to an item of Property, Plant and Equipments is added to its book value only and only if it increases the future economic benefits from the existing asset beyond its previously assessed standard of performance.

Any items such as spare parts, stand by equipments and servicing equipments that meet the definitions of the Property, Plant and Equipments are capitalized at cost and depreciated over the useful life of the respective Property, Plant and Equipments. Cost is in the nature of repair and maintenance are recognized in the Consolidated Statement of Profit and Loss as and when incurred.

#### **Capital Work-in-Progress and Capital Advances**

Cost of Property, Plant and Equipments not ready for intended use, as on the balance sheet date, is shown as a “Capital Work-in-Progress”. Any advances given towards acquisition of Property, Plants and Equipments outstanding at each balance sheet date are disclosed as “Other Non – Current Assets”.

#### **Depreciation**

Depreciation on each part of Property, Plants and Equipments is provided to the extent of the depreciable amount of the assets on the basis of “Straight Line Method (SLM)” except in the case of tangible property, plants and equipments related to “MIDC - Hingna Unit”, which has been depreciated by using the WDV Method on the useful life of the tangible property, plants and equipments as estimated by the management on the useful life of the Property, Plants and Equipments as estimated by the management and is charged to the Consolidated Statement of Profit and Loss, as per the requirement of *Schedule - II to the Companies Act, 2013*. The estimated useful life of the Property, Plants and Equipments has been assessed based on the technical advice which is considered in the nature of the Property, Plants and Equipments, the usage of the Property, Plants and Equipments, expected physical wear and tear of the such Property, Plants and Equipments, the operating conditions, anticipated technological changes, manufacturer warranties and maintenance support of the Property, Plants and Equipments etc.

When the parts of an item of the Property, Plants and Equipments have different useful life, they are accounted for as a separate item (major components) and are depreciated over their useful life or over the remaining useful life of the principal Property, Plants and Equipments, whichever is less.

The useful life of the items of Property, Plants and Equipments as estimated by the management is mentioned below :

S. No.	Name of Assets	Useful Life (In Years)
1.	Factory Building	30 Years
2.	Building (Other than Factory Building)	60 Years
3.	Plant and Machineries (Including Continuous Process Plant)	15 - 25 Years
4.	Furniture and Fixtures	10 Years
5.	Office Equipments	10 Years
6.	Computer & Other Data Processing units	03 Years
7.	Motor Vehicles	08 - 10 Years
8.	Electrical Installation and Other Equipment	10 Years

The management believes that the useful life as given above is best to represent the period over which management expects to use these Property, Plants and Equipments.

Freehold land is not depreciated. Leasehold land and their improvement costs are amortized over the period of the lease.

The useful lives, residual value of each part of an item of Property, Plants and Equipments and intangible assets and the method of depreciation are reviewed at the end of each reporting period, if any, of these expectation differ from the previous estimates, such change is accounted for as a change in accounting estimate and adjusted prospectively, if appropriate.

#### **Derecognition**

The carrying amount of an item of Property, Plants and Equipments and Intangible Assets is recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from derecognition of the Property, Plants and Equipments is measured as the difference between the net disposal proceeds and the carrying amount of the assets and is recognized in the Consolidated Statement of Profit and Loss, as and when the assets are derecognized.

#### **c) Intangible Assets**

##### **Measurement at Recognition**

Intangible assets acquired separately measured on the initial recognition at Cost. Intangible assets arising on the acquisition of business are measured at fair value as at the date of acquisition. Internally generated intangible assets including research cost are not capitalized and the related expenditure is recognized in the Consolidated Statement of Profit and Loss in the period in which the expenditure is incurred. Intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

##### **Amortization**

Intangible assets with the finite lives are amortized on a "Straight Line Basis" over the estimated useful economics life of such Intangible assets. The amortization expenses on Intangible assets with the finite lives are recognized in the Consolidated Statement of Profit and Loss.

The amortization period and the amortization method for an intangible asset with the finite useful life are reviewed at the end of each financial year. If any of these expectations differ from the previous estimates, such changes are accounted for as a change in an accounting estimate.

##### **Derecognition**

The carrying amount of an Intangible asset is recognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an Intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Consolidated Statement of Profit and Loss, as and when such asset is derecognized.

**d) Impairment**

The Holding Company assesses at each reporting date whether there is an indication that assets may be impaired. If any indication exists based on internal or external factors, or when annual impairment testing for assets is required, the Holding Company estimates the asset's recoverable amount. Where the carrying amount of the assets exceeds its recoverable amount, the assets are considered impaired and is written down to its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. After the impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the assets no longer exists or has decreased. However, the increase in the carrying amount of assets due to the reversal of an impairment loss is recognized to the extent it does exceed the carrying amount that would have been determined (net of depreciation) had no Impairment Loss been recognized for the assets in the prior years.

**e) Lease**

A lease is classified at the inception date as finance lease or an operating lease. A lease that transfers substantially all the risk and rewards incidental to the ownership to the Holding Company is classified as a finance lease.

The Holding Company as a lessee:

- a) Operating Lease:- Rental payable under the operating lease are charged to the Consolidated Statement of Profit and Loss on a Straight line basis over the term of the relevant lease.
- b) Finance Lease:- Finance lease are capitalized at the commencement of the lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Consolidated Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and the reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against the income over the period of the lease.

The Holding Company has not provided any of its assets on the basis of operating lease or finance lease to others.

**f) Investments**

Investments are classified into Current or Non - Current Investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as Current Investments. All other Investments are classified as Non - Current Investments. However that part of Non - Current Investments which are expected to be realized within twelve months from the Balance Sheet date is also presented under "Current Investments" under "Current portion of Non - Current Investments" in consonance classification of Current / Non - Current classification of Schedule - III of the Act.

On the initial recognition, all investments are measured at the cost. The cost comprises purchases price and any other expenses i.e. directly attributable to the acquisition charges such as brokerage, fees and duties of such investments.

Current Investments are stated at the lower of Cost and fair value at each Balance Sheet date. The comparison of cost or fair value is done separately in respect of each category of investments.

Non - Current Investments are carried at cost. A provision for diminution in the value of Non - Current Investments is made only if such a decline is other than temporary in the opinion of the Management. Reversal of such provision for diminution is made when there is rise in the value of Non - Current Investments, or if the reasons for the decline no longer exist.

On the disposal of the Investments, the difference between its carrying value and the net disposal proceeds is recognized in the Consolidated Statement of Profit and Loss.

**g) Inventories**

Inventories of the raw material, work-in-progress, finished goods, packing material, stores and spares, components, consumables and stock in trade are carried at lower of cost and net realizable value. However, raw material and other items held for use in production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item by item basis.

Cost of inventories included the cost incurred in bringing the each product to its present location and conditions are accounted as follows:

- a) **Raw Material:-** Cost included the purchase price and other direct or indirect costs incurred to bring the inventories into their present location and conditions. Cost is determined on *First in First out basis (FIFO)*.
- b) **Finished Goods and Work-in-Progress:-** Cost included cost of direct materials and the labor cost and a proportion of manufacturing overhead based on the normal operating capacity, but excluding the borrowing costs. Cost is determined on *"First in First out basis (FIFO)"*.
- c) **Stock in Trade:-** Cost included the purchase price and other direct or indirect costs incurred in bringing the inventories to their present location and conditions. Cost is determined on *"Weighted Average Basis"*.

All other inventories of stores and spares, consumables, project material at site are valued at cost. The stock of waste or scrap is valued at net realizable value. Excise Duty wherever applicable is provided on the finished goods lying within the factory and bonded warehouse at the end of the reporting period.

*"Net Realizable Value"* is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated cost necessary to make the sales of the products.

**h) Borrowing Cost**

Borrowing Cost includes the interest, commitments charges on bank borrowings, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs that are directly attributable to the acquisition or construction of qualifying property, plants and equipments are capitalized as a part of cost of that property, plants and equipments. The amount of borrowing costs eligible for capitalization is determined in accordance with the Accounting Standards – 16 *"Borrowing Costs"*. Other Borrowing Costs are recognized as expenses in the period in which they are incurred.

In accordance with the Accounting Standard – 16, exchange differences arising from foreign currency borrowings to the extent that they are regarded as adjustments to interest costs are recognized as Borrowing Costs, and are capitalized as a part of cost of such property, plants and equipments if they are directly attributable to their acquisition or charged to the Consolidated Statement or Profit and Loss.

**i) Employee Benefits****Short Term Employee Benefits**

All the employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits and they are recognized in the period in which the employee renders the related services. The Holding Company recognizes the undiscounted amount of short term employee benefits expected to be paid in the exchange for services are rendered as a liability (accrued expense) after deducting any amount already paid.

**Post Employment Benefits****a) Defined Contribution Plans**

Defined contribution plans are employee state insurance scheme and Government administrated pension fund scheme for all the applicable employees and superannuation scheme for all eligible employees. The Holding Company's contribution to defined contribution plans is recognized in the Consolidated Statement of Profit and Loss in the financial year to which they relate.

**b) Defined Benefits Plans****i) Provident Fund Scheme**

The Holding Company makes specified monthly contribution towards Employee Provident Fund scheme to a separate trust administrated by the Holding Company. **iv) Post Retirement Medical Benefit Plan**

The Holding Company operates a defined post retirement medical benefit plan for certain specified employees and payable upon the employee satisfying certain conditions.

The cost of providing defined benefits is determined using the Projected Unit Cash Credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is recognized immediately to the extent that the benefits are already vested, else is amortized on a straight line basis over the average period until the amended benefits become vested. Actuarial gain or losses in respect of the defined benefit plans are recognized in the Consolidated Statement of Profit and Loss in the year in which they arise.

The defined benefits obligations recognized in the Balance Sheet represent the present value of the defined benefit obligation as reduced by the fair value of plan assets, if applicable. Any defined benefit assets (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in the future contributions to the plans.

The Holding Company preset the above liability as Current and Non – Current in the Balance Sheet as per the Actuarial Valuation by the Independent actuary; however, the entire liability towards gratuity is considered as current as the Holding Company will contribute this amount to the Gratuity Fund within next twelve months.

**c) Other Long Term Employee Benefits**

Entitlement to annual leave and sick leave are recognized when they accrue to employees, Sick leave can only be availed while annual leave can either be availed or encashed subject to the restriction on the maximum number of the accumulation of leave. The Holding Company determines the liability for such accumulated leaves using the Projected Accrued Benefits method with the Actuarial Valuation being carried out at each Balance Sheet date.

The Holding Company presents this liability as Current and Non – Current in the Balance Sheet as per the Actuarial Valuation by the Independent Actuary.

**j) Revenue Recognition**

Revenue is recognized when it is probable that economic benefit associated with the transaction flows to the Holding Company in ordinary course of its activities and the amount of revenue can be measured reliably, regardless of when the payment is being made. Revenue is measured at the fair value of consideration received or receivable, taking into the account contractually defined terms of payments, net of its returns, trade discounts and volume rebates allowed.

The Holding Company has opted to present Earnings before Interest (Finance Cost), Depreciation and Amortization (EBITDA) as separate line items on the face of the Consolidated Statement of Profit and Loss for the year. The Holding Company measures EBITDA on the basis of Profit / (Loss) from Continuing operations.

**n) Taxes on Income**

Tax expense comprises Current and Deferred tax. Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Income taxes reflects the impact of current period timing differences between taxable income and accounting income for the period and reversal of timing differences of the earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred tax assets can be realized. In the situations where the Holding Company has unabsorbed depreciation or carry forward taxable losses, all the Deferred tax assets are recognized only if there is the virtual certainty supported by the convincing evidence that they can be realized against future taxable profits. At reporting date the Holding Company re -assesses the unrecognized Deferred Tax assets. It recognizes unrecognized Deferred Tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such Deferred Tax assets can be realized.

The carrying amount of Deferred Tax assets are reviewed at each reporting date. The Holding Company write - down the carrying amount of a Deferred Tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which Deferred Tax asset can be realized. Any such write - down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Holding Company will pay normal income tax during the specified period. In the year in which the MAT Credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in

Guidance Note issued by the Institute of Chartered Accountant of India, the said asset is created by the way of a credit to the Statement of Profit or Loss and shown as MAT Credit Entitlement. The Holding Company reviews the same at each reporting period and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Holding Company will pay Normal Income Tax during the specified period.

**o) Research and Developments**

Research and Developments expenditures of a revenue nature are expensed out under the respective heads of the account in the year in which it is incurred.

Property, Plants and Equipments utilized for research and developments are capitalized and depreciated in accordance with the policies stated for Tangible Property, Plants and Equipments and Intangible Assets.

**p) Earnings per Share**

The Holding Company reports the basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20, "*Earnings per Share*". Basic EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the Net Profit or Loss attributable to the Equity Shareholders for the year by the weighted average number of Equity Shares outstanding during the year as adjusted for the effects of all potential Equity Shares, except where the results are Anti - Dilutive.

The weighted average number of Equity Shares outstanding during the period is adjusted for events such a Bonus Issue, Bonus elements in right issue, share splits, and reverse share split (consolidation of shares) that have changed the number of Equity Shares outstanding, without a corresponding change in resources.

**q) Provisions and Contingencies**

A provision is recognized if, as a result of a past event, the Holding Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as Contingent Liability.

A disclosure for a Contingent Liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Holding Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation is reported as Contingent Liability. In the rare cases, when a liability cannot be measures reliable, it is classified as Contingent Liability. The Holding Company does not recognize a Contingent Liability but disclosed its existence in the consolidated financial statements.

**r) Event after Reporting Date**

Where events occurring after the Balance Sheet date provide evidence of condition that existed at the end of reporting period, the impact of such events is adjusted within the consolidated financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

All the events occurring after the Balance Sheet date up to the date of the approval of the consolidated financial statement of the Holding Company by the board of directors on **May 29, 2019**, have been considered, disclosed and adjusted, wherever applicable, as per the requirement of Accounting Standards.

**s) Non - Current Assets Held for Sales**

The Holding Company classifies non – current assets as held for sale if their carrying amount will be recovered principally through a sale rather than through continuing use of the assets and action required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non – current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to the sell. Non – current assets are not Depreciated or Amortized.

**t) Cash Flow Statement**

Cash Flows Statements are reported using the “Indirect Method” set out in the Accounting Standard – 3 “*Cash Flow Statements*”, whereby the Net Profit / (Loss) before tax is adjusted for the effects of the transactions of a Non - Cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Holding Company are segregated.

**u) Cash and Cash Equivalents**

Cash and Cash Equivalents include Cash and Cheques in Hand, Balances with Banks, and demand deposits with Banks and other Short term highly liquid investments where the original maturity is less than three months or less.
